Chapter 2141: You'll Regret It One Day!

"Are you done?" Mo Yesi's expression darkened. "Get lost, then."

Shen Rou turned pale.

A few seconds later, she said angrily, "Mo Yesi, do you know why I'm here? I'm here to declare war on you."

Mo Yesi looked at her coldly.

"I'll officially take over the Shen Corporation tomorrow. From now on, the Shen and Mo corporations will be eternal enemies. Even if I can't do anything to the Mo Corporation now, just you wait. I won't let you live too smoothly."

Mo Yesi looked at her silently.

His nonchalant attitude angered Shen Rou even more.

If he didn't take her seriously now, she'd make him regret it one day!

"Mo Yesi, just you wait! You'll regret it one day!"

"And Qiao Mianmian, don't be too smug! I'll wait for the day you cry!"

Shen Rou left.

Qiao Mianmian was speechless.

She turned to look at Mo Yesi. "Did she especially come here to declare war on you?"

Mo Yesi looked uninterested. "I'm not sure. Maybe."

Qiao Mianmian was speechless.

"It seems like she really hates you. She even especially came to declare war on you. She said she'll be in charge of the Shen Corporation in the future. Does she mean that she'll be the Chairwoman of the Shen Corporation?"

"I think so."

The Shen family only had two daughters.

Shen Xin was still young and studying.

Shen Rou was the only one who could take over the company.

"Then, you have to be careful." Qiao Mianmian wasn't like Mo Yesi, who didn't take it seriously. She held her chin with one hand and thought for a while before saying, "She came to declare war today. She must have a deep hatred for you. She'll definitely think of ways to deal with you in the future."

Love was the scariest.

When a woman loved someone, she could give up everything for them.

When a woman didn't love someone, she could do anything to get back at them.

Qiao Mianmian was afraid that Shen Rou was the latter.

She would do anything to take revenge on Mo Yesi.

"Don't worry." Mo Yesi smiled. "I've arranged for someone to keep an eye on the Shen Corporation. If anything happens there, I'll know."

"Mm." Qiao Mianmian felt more at ease.

...

After breakfast, Qiao Mianmian followed Mo Yesi to his office.

While Mo Yesi was busy with work, she took out the script and studied it.

When it was almost noon, they went to school to wait for Qiao Chen.

Mo Yesi picked a low-profile black Bentley this time.

Not long after their car stopped outside the school gate, Qiao Mianmian saw Qiao Chen walk out briskly.

The young man had a relaxed expression on his face. It seemed like he did well in the morning exam.

Qiao Chen quickly walked over when he saw their car.

He opened the back door and smiled. "Sister, Brother-in-law."

"Mm, did it go well?" As his brother-in-law, Mo Yesi was naturally concerned about his results.

"It went well." Qiao Chen looked confident. "The questions were pretty simple."

"That's good. But don't be too proud. You have to take the upcoming exams seriously."

"I will."

"Chen Chen, what do you want to eat? Your brother-in-law said you spent a lot of energy on the exam, so he has to nourish you."

Chapter 2142: How Dare They Frame Her

"I'm fine with anything. Brother-in-law can't eat spicy food, so let's pick a restaurant with a lighter taste."

Qiao Chen still remembered the first time Mo Yesi ate hot pot with them.

"This is your day. Don't bother about me, pick what you like."

...

In the end, they found a restaurant with light food.

After lunch, they sent Qiao Chen back to school.

On the way back.

Qiao Mianmian received a notification on Weibo.

Most Popular News: Shocking! Qiao Mianmian's adoptive mother cried and complained that she and her daughter were chased out of the house by Qiao Mianmian. Now, they've been reduced to being homeless!

Qiao Mianmian was stunned for a few seconds when she saw the news and then checked it again to make sure she wasn't seeing things.

The news should have just been released.

Qiao Mianmian clicked on it and saw that it was a news article from 10 minutes ago.

There was also an interview.

Qiao Mianmian read the news first.

It was written in the news that Lin Huizhen found a reporter and cried to them that she and her daughter had been chased out of the house by her adopted daughter. Now, the mother and daughter had no home to return to. Not only that, but Qiao Mianmian also used underhanded means to frame her daughter, causing her daughter's reputation to be ruined and her career to suffer a blow.

Qiao Mianmian hadn't seen the interview yet, but she could already imagine how Lin Huizhen would complain about her.

Just as Qiao Mianmian finished reading the news, Linda called.

Qiao Mianmian picked it up. "Sister Xie."

"Mianmian, did you see the news? Your stepmother told the reporters that she and Qiao Anxin have been chased out of the house by you and are now homeless."

"Mm, I saw it."

"What exactly happened?"

"She and Qiao Anxin did leave the Qiao Residence, but I didn't chase them away."

Qiao Mianmian found it funny.

Was Lin Huizhen really not afraid that she would expose their scandals?

How dare they frame her.

"Then, this..."

"Sister Xie, I'll settle this myself. Don't worry."

"Alright. I'm just afraid that they'll get desperate and cause trouble. After Qiao Anxin's scandal was exposed, the endorsement she signed previously has been withdrawn. She'll probably have to pay a lot of compensation now."

“She must hate you so much now. But you have Chairman Mo protecting you and the Bai family as your backing. No matter how much she hates you, she can’t do anything to you.”

“What happened?” Mo Yesi asked.

Qiao Mianmian handed him her cell phone.

Mo Yesi looked down at it in confusion. Qiao Mianmian saw that he was frowning.

“I don’t know where Lin Huizhen got her courage from.” Qiao Mianmian couldn’t understand. “She actually complained first.”

“She probably thinks that you won’t tell anyone about her. After all, family scandals shouldn’t be made public. Others might laugh at Father-in-law because of this.”

“Even if others laugh at her, they’re laughing at her. She’s the one who did something wrong, not Dad.” Qiao Mianmian was angry at what she’d just read. “She thinks I won’t expose them, huh.”

Chapter 2143: Scolded Like a Dog by the Netizens Again

“She doesn’t even want to save face for herself, so there’s no need for me to save face for her.”

“Mm.” Mo Yesi smiled and patted her head. “You’re much more decisive now. Do you need my help with this?”

Qiao Mianmian shook her head. “I can settle it myself.”

“Alright, settle it yourself. Call me if you need my help.”

“Mm.”

Lin Huizhen’s news of Qiao Mianmian chasing Qiao Anxin and her out of the house quickly caused a heated discussion online.

The netizens who didn’t know the truth saw Lin Huizhen’s tearful expression and believed her.

Naturally, Qiao Mianmian was scolded by the netizens again.

“I really didn’t expect Qiao Mianmian to be such a person. It’s too much to chase her stepmother out. Even if she’s her stepmother, she’s her elder. She’s too disrespectful.”

“Aunt Lin looks really pitiful in the video. I think the person upstairs is right. No matter what, she’s her elder. How could she do something so overboard!”

“I thought she was a kind and good person after watching ‘The Meaning of Traveling’. If she really chased her stepmother out, she has gone overboard.”

“I’ll maintain a neutral attitude for now. I’ve been slapped in the face many times by such things. I don’t want to be slapped in the face again. Experience has made me believe that there’s definitely a reversal. I’m waiting to see it.”

“I don’t think Qiao Mianmian is such a person. I also feel that there must be a reversal. Qiao Anxin’s character isn’t good, so how good can her mother’s character be? I feel that their words aren’t reliable at all.”

“She dared to expose it to the reporters. It must be true. Is it because Qiao Anxin snatched her boyfriend and is bearing a grudge against her? Now that she’s been acknowledged by the Bai family and is dating Second Young Master Mo, with so many people backing her, she might have really chased Qiao Anxin and her mother out of the house.”

Qiao Mianmian’s latest post had a bunch of fans discussing it.

They were all asking her to come out and explain.

“Sister Mianmian, we don’t believe this news. You definitely wouldn’t do such a thing. Qiao Anxin and her mother must have framed you. Sister Mianmian, come out and explain it to everyone.”

“Sister Mianmian, we all believe you. You’re definitely not that kind of person.”

“Calm down, don’t be anxious. I believe Mianmian will give us a reasonable explanation. Everyone, just wait patiently.”

Qiao Mianmian didn’t read the comments.

She spent about half an hour editing a text before posting it.

Qiao Mianmian: “I originally thought that family scandals couldn’t be made public, so I didn’t intend to say anything. But since someone framed me first, then I have nothing to worry about. Madam Lin, you don’t even care about your and your daughter’s faces anymore, so I won’t leave it for you. The truth is that Madam Lin cheated on my father before and after marriage, and my father discovered that Qiao Anxin isn’t his daughter. Now that my dad knows about this, he chased her out of the house in anger. I’m sorry to have affected everyone because of our family’s nonsense.”

When Qiao Mianmian posted this, the netizens were shocked.

Chapter 2144: The Truth Was Too Unexpected

What a huge melon!

And it was the kind that the commoners liked to see!

This was too exciting.

“Damn, what a huge melon. I’m shocked.”

“If I’m not wrong, Qiao Mianmian’s stepmother cheated on her adoptive father, and Qiao Anxin isn’t his daughter? Damn, this is too exciting. No wonder she was chased out of the house. I feel like killing this woman if I were him.”

“If what Qiao Mianmian said is true, then I think it’s normal for Qiao Anxin and her mother to be chased out of the house. Damn, if any woman makes me a cuckold and makes me raise someone else’s daughter, I don’t think I’ll just chase her out. I’ll kill her.”

"I think Qiao Mianmian's adoptive father is too pitiful. He raised Qiao Anxin for so many years, and now he learns that she isn't his daughter. It's too tragic."

"Qiao Anxin and her mother are really a pair of weirdos. One is a third party, and the other is also a third party. As expected, like mother, like daughter. She must have inherited this trait from her mother."

"Qiao Mianmian's stepmother is too weird. She did such a terrible thing and still has the face to complain to the reporters that Qiao Mianmian bullied them and chased them out."

"The truth is too unexpected. I guessed that there would be a reversal, but I didn't expect it to be this."

"I knew it would turn around. Thankfully, I didn't immediately take sides."

...

Lin Huizhen and Qiao Anxin's faces darkened when they saw Qiao Mianmian's post.

Lin Huizhen gritted her teeth. "That slut! She actually revealed it!"

Qiao Anxin looked at the netizens' comments and said, "Didn't you say that she wouldn't dare to reveal it?"

"How would I know that this slut doesn't care about Qiao Ruhai's face at all?" Lin Huizhen said angrily.

"Then what do we do now?" Qiao Anxin slammed her phone on the bed and looked up. "It's all because of you. I've become a joke in everyone's eyes now. How can I face others in the future?"

"Anxin, I..."

"Is what Qiao Chen said true?" Qiao Anxin bit her lip. "I'm really not his child?"

Lin Huizhen kept quiet.

"Really?!" Qiao Anxin couldn't accept it. "Why, why did you do such a shameless thing? Why did you make me a joke in everyone's eyes?"

"Tell me, why?"

"Why did you do those shameless things?"

"I hate you, I hate you!"

Lin Huizhen went pale.

"Anxin, Mom, Mom didn't do it on purpose." Lin Huizhen had just been chased out of the house by her husband, and now she was being blamed by her daughter. She felt aggrieved and upset, and tears rolled down her cheeks.

"Anxin, are you blaming me? Are you blaming me for making you a joke? But I couldn't bear to abort you. I don't know how that short-lived Qiao Chen found out about this. I didn't tell anyone." Lin Huizhen felt aggrieved as tears rolled down her cheeks.

Chapter 2145: Hatred from Love Is the Most Terrifying

“Then, who is my biological father? What kind of person is he?”

“Your biological father...” Lin Huizhen’s expression changed as she hesitated. “He, he’s not a very impressive person. He’s just an ordinary person. If, if you want to meet him, I can arrange it.”

Qiao Anxin’s expression darkened when she heard that.

When Lin Huizhen was done, she said coldly, “I don’t want to see him. It’ll only make me feel ashamed.”

Lin Huizhen’s face turned pale. “But, but no matter what, he’s still your biological father. How can you say that?”

“Why can’t I!” Qiao Anxin looked up, her eyes full of hatred and disgust. “Did I beg you to give birth to me? Why aren’t you people as good as Qiao Mianmian’s biological parents? Her biological parents could make her a rich young lady and have everything. But mine?”

“My biological mother doesn’t know anything, and my biological father is just an ordinary person. What have you brought to me as parents? Besides humiliating me, embarrassing me, and needing my help when in trouble, what else have you done for me? If it wasn’t for you messing around outside, would I be mocked by the entire Internet now?”

Lin Huizhen’s face turned pale.

“Anxin, it’s not like that...”

“Enough, I don’t want to hear anything more from you.” Qiao Anxin interrupted her angrily. “The situation is already so terrible, what do you want me to do! I’m about to die, do you know that!”

Qiao Anxin yelled at her mother.

Lin Huizhen was so aggrieved that she didn’t dare to say a word.

Just then, Qiao Anxin’s cell phone rang.

She picked it up, and after a while, her expression turned ugly.

After answering the call, she sat on the bed.

Lin Huizhen asked softly, “What’s wrong?”

Qiao Anxin kept quiet.

After a few seconds, she looked up with a despairing gaze. “Just force me to death. They’re all asking me to terminate the contract. They’re all asking me to pay the compensation fee. Where do I get so much money? Are they trying to force me to death?”

“Compensation fee?” Lin Huizhen’s expression changed when she heard that. “Why do we have to pay the compensation fee? How much?”

The mother and daughter were currently staying in a hotel.

Qiao Anxin had spent all her money.

Because of the negative news, she had to pay a lot of compensation.

That time, she was practically emptied.

After her comeback, she took on some commercials and even went on variety shows. But because her popularity after her comeback wasn't as good as before, the compensation she received was less than half. Hence, she hadn't earned much money since her comeback.

All the money she earned was used to repay her debts.

She didn't have the money to compensate for the breach of contract.

There was a huge pile of termination advertisements and compensation waiting for her. She was in the limelight now and couldn't get a new job. With all the scolding online, Qiao Anxin completely broke down.

"Why do I have to pay the compensation fee? It's all because of Qiao Mianmian!" Qiao Anxin gritted her teeth. "That slut ruined my reputation and made me a hated figure. Who would want to work with someone with a negative image!"

Chapter 2146: How Are You Going to Help Me?

"It's all because of that slut! She caused me to lose everything. I hate her, I really want to kill her!"

Lin Huizhen was confused.

The only person she could rely on now was her daughter.

"Then, is there no other way? You can't stay in the entertainment industry anymore? Then, what about the future? What about us?"

"How would I know!"

Qiao Anxin had never felt so hopeless.

At this point, she really wanted to kill Qiao Mianmian.

It was all her fault.

If it wasn't for Qiao Mianmian, she wouldn't know how good she was now.

If it wasn't for Qiao Mianmian, she would still be the Qiao Anxin that everyone envied. She would still be living a glorious life.

Her happy life was ruined by Qiao Mianmian.

She had nothing now.

She became a joke in everyone's eyes.

"Anxin, why don't you... beg Quan Dong?" Lin Huizhen suddenly thought of someone. "You've always had a good relationship with him. You've been with him for a while. Go and beg him for help."

Lin Huizhen knew what her daughter did outside.

She knew that Qiao Anxin had been with Quan Dong before.

The moment she mentioned Quan Dong, Qiao Anxin recalled those disgusting days.

How could Quan Dong help her?

She had long lost her value to him.

Not to mention the current her.

“Mom, you actually asked me to look for Quan Dong.” Qiao Anxin looked at Lin Huizhen with a pale face. “Do you know what kind of person he is? Am I still your biological daughter? How could you say such a thing?”

“I-I’m trying to help you.” Lin Huizhen lowered her head guiltily.

She knew what kind of person Quan Dong was.

But to Lin Huizhen, benefits outweighed everything.

Hence, even though she knew that Quan Dong wasn’t a good person, she didn’t think too much about it.

There was only one thing on her mind.

If her daughter couldn’t make money from filming commercials in the future, what would they do?

In the future, she would have nothing to eat.

Qiao Anxin sat by the bed silently.

Lin Huizhen dared not say another word.

Qiao Anxin suddenly stood up.

She turned around and walked out.

Lin Huizhen panicked. “Anxin, where are you going?”

“I’m going out to do something. Don’t follow me!”

With that, Qiao Anxin opened the door and left the hotel room.

...

Half an hour later.

Qiao Anxin appeared in a cafe wearing sunglasses and a mask.

The waiter led her to a private room, and she pushed the door open.

Su Ze was sitting inside waiting for her.

He looked up and smiled at her. “You’re here.”

Qiao Anxin closed the door and took off her sunglasses and mask. She looked at Su Ze expressionlessly and sat opposite him.

As soon as she sat down, she asked directly, “You said you could help me. How are you going to do it?”

Su Ze was stunned for a while before smiling mockingly. "What's the rush? Qiao Anxin, you have to understand something. You're the one asking for my help now, not the other way around. Moreover, besides me, no one else can help you."

Chapter 2147: Leaving the Country Is Your Only Way Out

"So, I suggest you change your attitude." Su Ze was still smiling.

Qiao Anxin was stunned.

In her eyes, Su Ze was a scum.

If she wasn't desperate, she wouldn't have asked this jerk for help.

Hence, she didn't treat him well.

But Su Ze's words forced her to face reality.

No matter how much she detested this man, she had to lower her stance.

She smiled when she spoke again. "Su Ze, only you can help me now. You have to help me. I really don't want to leave the entertainment industry."

Su Ze seemed satisfied. "I can help you, but you have to listen to me. Otherwise, you won't be able to stay in the entertainment industry anymore.

"You should know that you're surrounded by negative news now, and the negative news is all true. You can't clear your name. So, I'm afraid you can't continue staying in Yuncheng City.

"But I can arrange for you to go overseas."

"Go overseas?" Qiao Anxin's expression changed. "Where?"

"T Country." Su Ze looked at her. "Go to T Country and develop for a while. When there's a chance in the future, return to Yuncheng City."

Su Ze could tell that Qiao Anxin was unwilling. He paused for a while before continuing, "This is the only way now. It's impossible for you to continue developing in Yuncheng City. Going overseas is your only way out. Qiao Anxin, you should be glad that I'm willing to help you. At least you can go overseas to develop and earn money.

"Otherwise, you can only wait for death here.

"You still have a way out, it depends on your choice. If you're willing to go overseas, I'll arrange something for you as soon as possible. Of course, if you're unwilling, I won't force you.

"Think about it yourself."

Develop overseas?

Qiao Anxin was extremely unwilling.

She thought that she could continue to stay in Yuncheng City and develop in the country.

She didn't want to go overseas.

Going overseas meant that she had to start over, and it would be harder to develop in another country.

With her current status, how could she want to be a newbie in a small country?

But there was no other way.

She knew that this was the only way.

Qiao Anxin looked up.

Su Ze looked at her lazily. "So, have you thought it through?"

"I-I'm willing to go overseas." Qiao Anxin took a deep breath as her eyes reddened. "Arrange it for me."

"Very good."

Su Ze smiled, not surprised by her decision at all.

Qiao Anxin had no right to reject him.

Su Ze didn't really want to help her.

He didn't have much feelings for Qiao Anxin. In the past, he was too impulsive and couldn't control himself, so he fell for Qiao Anxin and hooked up with her.

He was only concerned about his kidney and not his heart.

If Qiao Anxin hadn't lied to him about having a child, he would have broken up with her.

Su Ze was furious.

If Qiao Anxin hadn't seduced him, he would have married Qiao Mianmian already.

Qiao Mianmian was the daughter of the Bai family now.

If he married her, he would have become the son-in-law of the Bai family. That way, not only would he marry the woman he liked, but it would also help his future career.

Chapter 2148: Which Goddess Sang This Song?

If it wasn't for Qiao Anxin, he wouldn't have broken up with Qiao Mianmian.

If they hadn't broken up, Qiao Mianmian wouldn't have had the chance to meet Mo Yesi.

It was all because of Qiao Anxin.

The more Su Ze thought about it, the angrier he got. But thinking about how Qiao Anxin could let him do whatever he wanted when she went overseas, he felt better.

He had just taken over an entertainment company and needed to sign some artistes.

He originally thought that Qiao Anxin wasn't bad and wanted to groom her.

Qiao Anxin didn't have much value now, but she was still useful.

He could still earn some money by making a few films overseas.

They chatted for a while before leaving.

As they were leaving, Qiao Anxin suddenly asked, "Su Ze, are you willing?"

Su Ze stopped in his tracks and looked at her. "What do you mean?"

"Are you willing to see Qiao Mianmian marry another man? Su Ze, you still love her, right? I mean, with Qiao Mianmian's current status, she's very likely to marry Mo Yesi. If you hesitate any longer, she'll really become someone else's wife.

"It'll be too late, then."

Qiao Anxin pretended not to know that Qiao Mianmian and Mo Yesi were already married.

She couldn't do anything to her now.

But she didn't want that slut to live too comfortably.

Su Ze's expression changed slightly as he pursed his lips.

Qiao Anxin didn't say anything else.

Some words were enough.

...

The two songs that Qiao Mianmian recorded at Mo Nan's place were quickly produced.

Bai Yusheng got someone to post one of the songs on Weibo.

He didn't say who sang it, just that it was an interlude song in the drama.

The drama's official Weibo account posted the song.

Half an hour later.

The post exploded.

That Weibo post had tens of thousands of comments and reposts in just half an hour.

The comment section exploded.

"Wow, it's so nice. I love this voice."

"Damn, heavenly music? Is this a show? It's so nice."

"It's the voice I like. It's so clean and ethereal. This song's lyrics and melody are also very outstanding. Who sang this song? Why isn't it indicated? Is it a newbie? The voice doesn't sound familiar."

"Why do I feel like this song has Mo Nan's tune? But Mo Nan is almost in a semi-retired state now and hasn't produced a song in many years. If it isn't Mo Nan's work, then this songwriter is rather impressive to be able to create such a good song."

“Ahhhh, Mr. Official, which goddess sang this song? Please tell me!!! I want to be her fan!!”

“I haven’t heard such a clean voice in a long time. It’s really nice!”

“Wow, this song is so nice. I’m curious too. Who sang this song? Did the official Weibo account forget to @ the singer?”

“This voice sounds like the queen of the music industry, Zhang Aixin, from 20 years ago. And I think it sounds more ethereal and clear than Zhang Aixin’s voice. Anyway, I like this voice more. Please tell me which singer this is, I want to be a fan too.”

Many in the comment section asked who the singer was.

Because this voice was different from the popular singers they were familiar with.

Some of the new singers who were getting popular didn’t have such a voice.

Chapter 2149: The Song Has Already Gone Viral

Bai Yusheng didn’t let the official account know who the singer was because he wanted to see the netizens’ true thoughts.

After all, some haters were still eyeing Qiao Mianmian.

If he let them know right from the start, the haters would inevitably flood the comment section.

Bai Yusheng was a little shocked when he saw the statistics.

“So many reposts and comments?” When Bai Yusheng received the feedback, the number of reposts almost exceeded 100,000.

This number was shocking.

“That’s right, these are all real statistics. We didn’t pay them.” The person who replied sighed. “I didn’t expect so many people to like this song, and everyone is praising the singer’s voice.

“They’re all asking who the singer is.”

Bai Yusheng knew that Qiao Mianmian’s voice was stunning and likable.

Back then, he was shocked by her voice and introduced to Mo Nan.

Even Mo Nan was sure that everyone would like her voice.

But he didn’t expect Qiao Mianmian’s song to be so popular.

Bai Yusheng was naturally happy that his sister was so well-liked.

He said proudly, “Of course. How can Bai Yusheng’s sister not be outstanding? I expected this.”

“Director Bai, many netizens are asking who the singer is. Should we tell them it’s Miss Qiao?”

“No need. Let them be curious. I want to see how popular this song is.”

“Alright, Director Bai.”

After hanging up, Bai Yusheng logged into Weibo and saw that Qiao Mianmian's song had already been reposted 150,000 times.

In just a few minutes, the number of reposts increased by 50,000!!

Bai Yusheng was stunned.

He felt that if Qiao Mianmian didn't become an actress and walked the path of a singer, she would probably become popular in the music industry.

She might even be more popular than she was now.

After all, the drama hadn't even aired yet, but the song had already gone viral.

He'd heard Qiao Mianmian sing before, so he knew that as long as someone built her voice, it would definitely be popular.

It was just the first song, and it was already so popular.

He was indeed surprised.

This meant that his judgment was right.

Bai Yusheng happily called Qiao Mianmian.

"Mianmian, have you seen Weibo?"

When Qiao Mianmian received his call, she was shopping at an infant shop with Jiang Luoli, choosing some clothes and shoes for her baby.

She was holding a pink dress. "Weibo? I didn't see it. Why?"

"The two songs you recorded at Mo Nan's place, I got the official account of the new show to upload one first. Guess what."

Qiao Mianmian asked cooperatively, "What?"

"That song is very popular now." Bai Yusheng sounded a little excited. "It's only been an hour, but it's already been reposted 200,000 times.

"Do you know what this number means!

"Not many popular artistes have achieved this figure!"

Chapter 2150: 220,000 Reposts in an Hour

"Mianmian, you're going to become popular with your new song."

Qiao Mianmian was stunned.

The new song she recorded previously was posted on Weibo?

200,000 reposts in an hour?

“Go and take a look. The netizens are all praising your song. But they don’t know who sang it yet. I’ve decided to keep them in suspense. I’ll announce it the day before the new show is about to air.”

Qiao Mianmian didn’t bother about it anymore.

It could be said that she didn’t even know the effects of this song.

Hence, when she heard that Bai Yusheng had posted her song online, she logged into Weibo to check it after ending the call.

Soon, she saw Bai Yusheng’s Weibo post.

When Bai Yusheng called her just now, he said that the song had already been reposted 200,000 times.

But when Qiao Mianmian saw it, the number of reposts was already 220,000.

It only took a few minutes.

220,000 reposts in an hour...

These were indeed statistics that many popular artistes didn’t have.

Qiao Mianmian was shocked.

She opened the comment section.

Just as Bai Yusheng said, the comment section was filled with good comments.

Everyone was praising her.

The praise that stood out the most was “Heavenly Voice.”

Then, many people asked who the singer was.

This was the first time Qiao Mianmian saw so many praises for her on Weibo.

She wondered what the comment section would look like if Bai Yusheng posted her name as well.

Would so many people praise her?

Would the comment section be so harmonious?

Qiao Mianmian didn’t think so.

If it was announced that she was the one who sang this song, some people would definitely like her voice and praise her. However, a lot of haters would definitely deliberately create a rhythm in the comment section.

Bai Yusheng probably thought about this too, so he didn’t reveal her name.

When Qiao Mianmian was recording the song, she never thought that it would be so popular.

This result was undoubtedly a surprise to her.

She heaved a sigh of relief.

She'd always been afraid that her performance would ruin Mo Nan's reputation.

Now, the netizens' reactions made her feel that she could at least pass.

Everyone was in high spirits.

Qiao Mianmian felt refreshed after reading the post.

After she was done, Jiang Luoli walked over with a baby's clothes and asked, "Mianmian, what do you think of this dress?"

"Mm, it's pretty good." Qiao Mianmian nodded. "But..."

"But what?" Jiang Luoli asked immediately.

Qiao Mianmian looked at the pink dress she was holding and couldn't help but laugh. "Luo Luo, why are you looking at girl's clothes? Are you so sure that you're carrying a little princess?"

"I think it must be a little princess." Jiang Luoli's bulge wasn't very obvious. She was wearing a very big shirt that completely covered her belly.

Even after she got pregnant, her figure was still as good as before.
