

Big Shot 2151

Chapter 2151: We Can Have Another Daughter

As she spoke, she reached out to touch her stomach with a blissful expression. "I asked Shixiu whether he wants a son or a daughter. He said he wants a daughter more. So, I think my child must be a girl."

"Everyone says that spicy foods are the best. I really like spicy foods now."

Qiao Mianmian smiled again. "You can check the gender now. Aren't you going to?"

"No." Jiang Luoli shook her head. "There won't be any surprise after that. Anyway, whether it's a son or a daughter, the baby will still be my treasure. But if it's a little princess, it'll be even more perfect."

"If we don't check, we can only know the gender when the baby is born. In that case, we can look forward to the entire pregnancy."

"Mm, you can think of it this way." Qiao Mianmian nodded and then asked, "Has Big Brother been spending a lot of time with you recently? Is there anything wrong with your pregnancy? I want to accompany you for two more days, but I'm afraid that Big Brother will think I'm a third wheel. Moreover, you know Mo Yesi, he definitely won't agree to let me stay at your house for too long."

"Haha." Jiang Luoli laughed. "If it's Shixiu, I'm sure he won't think you're a third wheel. He'll be happy to have you accompany me, so he can be more at ease. But..."

Jiang Luoli paused and said teasingly, "I know Prince Charming. He definitely can't bear for you to be away from him for so long. I don't want to ruin your sweet life. I'm already very happy that you can come over and accompany me occasionally."

They shopped for a while.

Jiang Luoli wanted to buy everything she saw. She felt that everything was especially cute.

Although Mo Shixiu didn't restrict her spending and even encouraged her to spend more, she could still control herself.

She took photos of the clothes, shoes, and toys and sent them to Mo Shixiu. She asked him: [I went out shopping with Mianmian today. The baby products in this shop are so cute. Look at the things I sent you, aren't they all super cute?]

Mo Shixiu replied quickly. Jiang Luoli received his reply in less than a minute. [Mm, very cute. You like them?]

Jiang Luoli: [I like them. I want to bring them all home.]

Mo Shixiu: [Then buy them all.]

Jiang Luoli: [??? Buy them all? Don't you think it's a waste?]

Mo Shixiu: [How is it a waste?]

Jiang Luoli: [I don't know if the baby is a boy or a girl yet. I'm only looking at the baby's things. And I bought so many at once. If I give birth to a son in the future, won't these things become useless? Wouldn't it be a waste?]

Mo Shixiu: [Mm, it sounds a little wasteful. But I think there's a solution.]

Jiang Luoli was curious. [What solution?]

Mo Shixiu replied quickly: [We can have another daughter, so it won't be a waste.]

Jiang Luoli: [...]

If she didn't know Mo Shixiu well, she would think that this man was flirting with her on purpose.

But because she knew him, the image of Mo Shixiu saying this to her with a serious expression immediately appeared in her mind.

So, this man really wanted to have a daughter?

Although Jiang Luoli wasn't interested in having children at this age, and she was even a little against it, if Mo Shixiu really wanted another child, she would consider it.

Because it was Mo Shixiu, many of her principles could be broken for him.

As long as she felt that it was worth it.

Jiang Luoli thought to herself and replied: [Hmph, wishful thinking. Do you think giving birth is easy? If you give birth, I'll agree to it.]

Chapter 2152: That Girl Is Too Lucky

In the office.

The handsome man pushed the documents aside and quickly replied to his wife's message.

This was how little girls were.

She sounded childish.

Even though he knew that he couldn't do it, he still said it.

But Mo Shixiu didn't think his wife was unreasonable.

On the contrary, he found her adorable.

Because in his eyes, Jiang Luoli was an innocent and cute girl.

Now, this cute girl was his wife.

He would protect her innocence for the rest of his life.

Mo Shixiu thought for a while and replied: [Alright, I'll give birth.]

Jiang Luoli: [You will?!]

Mo Shixiu laughed.

She knew that he couldn't give birth, but she still asked him to.

He agreed, and she questioned him again.

This little girl was still a little girl.

At this moment, Assistant Xu walked into the office with a document and saw Mo Shixiu smiling.

Assistant Xu knew that Mo Shixiu was chatting with Jiang Luoli.

His Minister only smiled so gently when he was chatting with her.

Assistant Xu was already used to it.

He had already accepted the fact that his Minister was a "love maniac".

Moreover, Jiang Luoli had become his wife.

Even though Assistant Xu still felt that Jiang Luoli wasn't suitable for Mo Shixiu, he couldn't say anything else.

He didn't expect Jiang Luoli to suddenly gain the status of a rich young lady like Qiao Mianmian.

He only hoped that Jiang Luoli would fix things for Mo Shixiu and never hurt him.

He could tell that Mo Shixiu was sincere.

"Ahem! Minister." Assistant Xu walked into the office and coughed when he saw that Mo Shixiu hadn't noticed him.

Mo Shixiu looked up.

Seeing him, he quickly retracted the gentleness in his eyes and asked in a business-like tone, "What is it?"

"There's a document here that you need to look through immediately." Assistant Xu handed him a document.

Mo Shixiu held his cell phone with one hand and took the document with the other. He looked down and picked up the pen on the desk to write.

Then, he handed the signed document to Assistant Xu and said, "Order a bouquet of roses. I'm going home later."

"Yes, Minister."

Assistant Xu was a little envious of Jiang Luoli.

That girl was too lucky.

She had a night with their minister and became his first woman.

Because of this and the fact that the minister was a responsible man, he went from using money to dating her.

Then, she got pregnant and registered her marriage with the minister.

Chapter 2153: Her Life Is Like a Cheat

Her life was like a cheat.

She took the minister down so easily.

If those women in Yuncheng City who had feelings for the minister knew that the minister was taken down by a little girl, they would be so angry that they wouldn't be able to eat for three days and three nights.

After all, they had used all sorts of tricks to attract the minister's attention.

But the minister didn't even look at them.

If it wasn't for Jiang Luoli, Assistant Xu wouldn't have known that his boss was such a romantic.

He ordered a bouquet of roses for Jiang Luoli every day.

"Wait, there's more." Mo Shixiu called him again when Assistant Xu was about to leave.

"Minister, is there anything else?" Assistant Xu stopped immediately and waited respectfully.

"Mm." Mo Shixiu thought for a while and said, "Give the Far East Department Store a call. Luoli is shopping at a mother and child store there. Buy everything she saw in the store and do this first. Otherwise, she'll leave soon."

Mo Shixiu knew Jiang Luoli's personality.

No matter how much she liked the clothes and toys she sent him, she probably wouldn't buy many of them back.

But since she liked them so much and they were for their future baby, why would she need to save money?

Assistant Xu was stunned for a moment before nodding. "Yes, I'll do it right away. Minister, do you have any other instructions?"

Mo Shixiu shook his head. "Not for now. Let's do these two things first."

...

On the other side.

Jiang Luoli shopped for a while and finally chose a few clothes and toys to settle the bill.

The cashier smiled and said, "Miss Jiang, is it? Someone has already paid the bill for you. These are all packed for you. We'll pack these clothes and toys for you immediately."

"Someone already paid?" Jiang Luoli was stunned.

“Yes.” The cashier was very polite and even a little respectful. “Miss Jiang, you can choose whatever you want from our store. Someone will settle the bill for you. Miss Jiang, do you want to see if there’s anything else you like?”

Jiang Luoli saw that there were already a few bags on the counter.

She glanced at them; they were clothes and toys she’d seen just now.

Jiang Luoli didn’t expect this. She was stunned for a few seconds before asking in surprise, “Do you know who paid the bill?”

“Is it Big Brother?” Qiao Mianmian thought of it first. “Didn’t you send Big Brother a WeChat message?”

“Mo Shixiu...” Jiang Luoli was stunned again and immediately sent Mo Shixiu a message.

Jiang Luoli: [Have you paid for the clothes and toys I sent you?]

Mo Shixiu replied quickly: [Mm, I got Assistant Xu to pay.]

Jiang Luoli: [... Didn’t I say we didn’t have to buy so many?]

Mo Shixiu: [Don’t you like them all?]

Jiang Luoli: [... I do, but there’s no need to buy so many.]

Mo Shixiu: [I’ve already bought it, it didn’t cost much. I think it’ll definitely be useful in the future. Are you having dinner with Sister-in-law tonight?]

Jiang Luoli: [No, she’s with Prince Charming tonight.]

Mo Yesi had just called Qiao Mianmian to ask if she was going back tonight.

Mo Shixiu: [Alright, I’ve booked a restaurant. We’ll go together when I get home.]

Chapter 2154: You’ve Changed a Lot

“So, did Big Brother pay for it?” Qiao Mianmian asked her.

“Mm, it was him.” Jiang Luoli nodded and complained. “I really don’t know what he’s thinking. Why does he need to buy so many clothes and toys? Even if he really has a daughter, the baby will grow up very quickly. It won’t be long before she can’t wear these clothes and shoes.

“Isn’t it a waste?”

Although Jiang Luoli complained, she was smiling and didn’t look like she was really complaining at all.

Qiao Mianmian teased her. “But such waste makes you happy, right? If he’s so stingy that he can’t even bear to buy it, you’ll definitely complain about him.

“Luo Luo, you’re the Young Madam of the Mo family now. As long as we don’t produce a prodigal in the future, I think we won’t be able to use up all the money in three lifetimes. So, it’s just a little spending, you can accept his generosity with a clear conscience. This is something he bought for his child, it’s only right to buy more.”

"Wow, Baby." Jiang Luoli covered her mouth and smiled.

"What's wrong? Why are you looking at me like that?" Qiao Mianmian asked.

Jiang Luoli narrowed her eyes. "I realized that you've changed a lot."

"I've changed?" Qiao Mianmian pointed at herself.

"Mm, you've changed. You definitely wouldn't say that in the past." Jiang Luoli smiled. "You'd have felt the same way as me in the past. You would've felt that it was wasteful and couldn't bear to spend money like this. But you seem to be used to spending money like this now."

Jiang Luoli was happy to see her best friend's change.

Qiao Mianmian was spending more and more money, which meant that Mo Yesi really doted on her.

Because he had given her enough material needs, she didn't want to save money.

She was willing to spend money.

Qiao Mianmian had never been like this with Su Ze.

Of course, Su Ze wasn't stingy back then. He was rather generous to Qiao Mianmian.

But it was nothing compared to Mo Yesi's generosity.

The difference between the Su and Mo families was obvious. Even if Su Ze gave the entire Su family's wealth to Qiao Mianmian, how could it compare to 10% of Mo Yesi's wealth?

Qiao Mianmian was stunned.

Then, she realized that her outlook on spending seemed to have changed.

In the past, she wouldn't have advised Jiang Luoli like this.

She was stunned for a few seconds before smiling. "It seems like it. I wouldn't have realized it if you didn't tell me.

"But after hearing what you said, I think it makes sense. He bought it for his baby. He has the ability. Since he likes to spend, then let him spend more.

"That's right. It's so hard for a woman to give birth. Men can't share our burden, so let them do it financially."

"Mm, alright." Jiang Luoli nodded. "I'll listen to you."

She looked up at the cashier and said, "Pack the rest of the clothes, too."

"Alright, Miss Jiang. Please wait a moment."

Chapter 2155: I'm Afraid Big Brother Will Be Jealous

They finished shopping.

Mo Yesi came to fetch Qiao Mianmian, and Mo Shixiu also sent Assistant Xu to fetch Jiang Luoli.

“Luo Luo, I’ll look for you when I have time.” Before leaving, Qiao Mianmian carefully hugged Jiang Luoli. “You have to take good care of yourself and my future nephew.”

“Don’t worry, I will. I’ll definitely raise your little nephew until he’s fair and chubby. You and Prince Charming have to work hard, too. Give me a chubby little nephew, too.”

Jiang Luoli hugged Qiao Mianmian and whispered into her ear.

With that, she let go of him and smiled at Mo Yesi. “Prince Charming, I’ll return her to you. Let’s eat together later.”

“Alright. But I suggest that Sister-in-law doesn’t call me Prince Charming anymore.” Mo Yesi pulled Qiao Mianmian to his side.

Jiang Luoli blushed.

Although she was Mo Yesi’s sister-in-law in name, she was still embarrassed to be called Sister-in-law by someone she’d always seen as her idol.

She wasn’t used to it.

How could she be someone else’s sister-in-law at such a young age?

“W-Why?” Jiang Luoli blushed.

Mo Yesi smiled faintly. “I’m afraid that Big Brother will be jealous. Both of us are very possessive in certain matters. Even biological brothers will mind it. If Mianmian calls others Prince Charming, I definitely won’t agree.”

Jiang Luoli was speechless.

Would Mo Shixiu be jealous?

She seriously doubted this.

After all, she had never seen Mo Shixiu as a jealous person.

“You’d better not doubt it.” Mo Yesi smiled again and said, “Call me by my name in the future. But don’t call me Prince Charming anymore. I’m afraid Big Brother will find trouble with me.”

Jiang Luoli was speechless.

...

Assistant Xu’s car arrived a while after Qiao Mianmian and Mo Yesi left.

After getting out of the car, Assistant Xu walked over to Jiang Luoli and greeted her respectfully. “Young Madam.”

“Mm.” Jiang Luoli nodded awkwardly.

She still wasn’t used to being addressed as Young Madam.

“Young Madam, the minister is still dealing with some matters and will arrive at the restaurant around 7:00 PM. You might have to wait for a while. The minister said that if you’re bored, you can continue shopping at the mall.

“He also said that if you like anything, you can buy it. You don’t have to think about saving money for him. You haven’t used the card he gave you. He told you to spend more when you have nothing to do. He still has many other cards.”

Jiang Luoli was speechless.

Not many people could reject such a request.

She had once fantasized about finding a tall, handsome, rich, and gentle husband who would stuff a card into her hand and tell her domineeringly: “Woman, this is my secondary card, you can use it as you wish.”

Unexpectedly, her fantasy turned real.

She really found such a wonderful husband.

Someone like her, who could only get 50 yuan in the lottery at most, actually was granted such a wish.

Assistant Xu looked at her expression and said, “Young Madam, the minister has a lot of money. You don’t have to think that you’re a spendthrift just because you swiped your card a few times. You can buy whatever you want. The Mo family is the richest family in Country A. They won’t be able to spend their wealth in a few lifetimes. The Mo family doesn’t need thrifty women. They just need women who are good at spending money.”

Chapter 2156: He Didn’t Change, It Could Only Be That He Was in a Rush

Jiang Luoli was speechless.

Was he trying to persuade her to squander?

It seemed like she was too thrifty.

Even Assistant Xu was trying to persuade her.

Mo Shixiu did give her a card, but she rarely used it.

It wasn’t that she didn’t want to spend Mo Shixiu’s money.

But she didn’t know how to spend it.

After all, after she moved to Mo Shixiu’s place, the butler had prepared everything. She didn’t lack anything.

It was also because she was pregnant that she wanted to buy things for her baby.

“Forget it, I won’t shop anymore. I’m a little tired.” Jiang Luoli rubbed her belly and said, “Let’s go to the restaurant first. I’ll wait for him.”

“Alright, be careful.”

Assistant Xu opened the door and stood beside it. When Jiang Luoli walked over, he carefully helped her into the car.

...

Half an hour later, Jiang Luoli arrived at the restaurant.

Just as she sat down, Assistant Xu walked over with a bouquet of red roses.

“Young Madam, this is from the minister.” Assistant Xu handed the bouquet to Jiang Luoli.

Jiang Luoli looked at the bouquet of roses and smiled.

“Why did he prepare flowers for dinner?”

Mo Shixiu had this habit of giving her a bouquet of flowers every day now.

Whether he returned home or not, he would give her a bouquet of red roses.

If he went home, he would give it to her himself.

Otherwise, he would get someone to send it to her.

This habit had been maintained for almost two months.

She recalled once telling him that she had never received flowers before.

Then, she started receiving flowers from him every day.

Jiang Luoli felt sweet inside.

It felt good to be treated so well.

“The minister said that no matter where it is, he has to give you what you need. The minister also said that if Young Madam is hungry, you can order something first. There’s no need to wait for him. Your health is more important than anything else. Don’t starve yourself.”

Jiang Luoli felt sweet inside when she heard Assistant Xu’s message.

“I’m not hungry now. I’ll order something if I am. I’ll wait for him for a while.”

...

20 minutes later.

Jiang Luoli saw a familiar figure.

The handsome man quickly walked towards her.

“Did you wait too long?” Mo Shixiu left immediately after finishing his work.

Jiang Luoli saw a small ink stain on his shirt.

Given Mo Shixiu’s cleanliness, he would change his clothes even if it was just a little ink.

The fact that he hadn’t changed meant that he was in a rush.

Mo Shixiu walked over and glanced at the empty table. He frowned. "Why didn't you order something to eat first? Didn't I tell you not to wait for me?"

"I'm not hungry." Jiang Luoli saw the ink on his white shirt and her heart skipped a beat. "Did you come over immediately after you were done?"

"Mm." Mo Shixiu sat down beside her. "Did you wait too long? There was a traffic jam on the way, so it took a while.

"Are you hungry? I'll get the waiter to come over and we'll order?" Mo Shixiu asked her as he signaled the waiter over.

Chapter 2157: It's More Important to Eat With Someone

He quickly ordered a pile of dishes.

They were all suitable for Jiang Luoli.

Then, Jiang Luoli realized that the dishes were all her favorites.

He didn't order anything he liked.

And because her appetite had become picky during her pregnancy, she couldn't eat much of the food she liked as before.

Instead, she liked eating strange things.

She would find them delicious.

But normal people wouldn't find it delicious.

Mo Shixiu ate these strange things with her every day.

He didn't complain.

Jiang Luoli felt that regardless of whether this man really liked her, it was enough for him to accommodate her like this.

Most men couldn't do that.

Moreover, he was the Young Master of the Mo family.

"Mo Shixiu, aren't you sick of it?"

"Mm?"

"You've been eating strange food with me for so long. Aren't you sick of it?" Jiang Luoli placed a hand on her chin and looked at him seriously. "Actually, you don't have to accommodate me. You can order a few of your favorite dishes. You don't have to eat the same as me."

"I don't have anything special to eat." Mo Shixiu smiled. "To me, anything is the same. It's just that I don't like to eat the same thing. I'll get sick of it after eating it every day. So, I think it's more important to eat with someone than what to eat."

Jiang Luoli asked, "So you're saying that eating with me is more important than anything else?"

"Of course." The man nodded and smiled gently. "Much more important."

Jiang Luoli's heart skipped a beat.

Who could resist Mo Shixiu's gentleness and teasing?

Even if she wanted to guard her heart, it was futile.

Who wouldn't fall for a man like Mo Shixiu?

"Mo Shixiu." Jiang Luoli called him softly.

"Mm, I'm here."

"Can I ask you what you mean by that?"

Mo Shixiu was stunned for a while. He smiled gently. "Of course."

Jiang Luoli blinked. "Really?"

"Mm, really."

Jiang Luoli smiled.

"Alright, then let me ask you a question." Jiang Luoli suddenly had a mischievous thought. "You have to answer me seriously."

Mo Shixiu nodded immediately. "Alright, ask away."

"If your mom and I fall into the river one day, who will you save first?" Jiang Luoli threw out a question that was considered a world-class problem for men. "We're both in danger. You can only save one. Who will you save?"

Mo Shixiu was stunned.

"Luoli, are you... serious?"

"Of course." Jiang Luoli nodded. "I'm serious."

Mo Shixiu didn't say anything else. He lowered his head and seemed to think about her question.

"Luoli, I don't think this is a difficult question. I thought about it seriously just now. If this really happened, I don't think I would save anyone."

"???"

Jiang Luoli was stunned. "You won't save anyone?"

Did she hear wrongly?

"Mm. Firstly, my mom learned how to swim when she was little, and she even won awards for it. So, if she really falls into the river, she can swim out by herself."

Chapter 2158: Mo Shixiu, You Smell So Good

Jiang Luoli was speechless.

Mo Shixiu looked at her and analyzed her seriously. "Secondly, I know you can swim too, and you've learned it since you were young. So, you should be able to protect yourself."

Jiang Luoli was speechless.

She really knew how to swim.

But his answer still left her speechless.

"Since you all know how to swim and can protect yourselves, I don't think I need to save anyone." Mo Shixiu answered her question seriously and smiled. "This is my answer."

Jiang Luoli was speechless.

His answer didn't seem wrong at all.

Both she and Madam Mo knew how to swim.

Hence, this world-class problem didn't seem to be difficult for them.

It wasn't difficult for Mo Shixiu.

He easily solved a problem that other men didn't know how to answer.

But Jiang Luoli wasn't satisfied with such an answer.

She bit her lip and frowned. "How did you know I can swim? I don't think I told you."

"Have you forgotten that I once got Assistant Xu to investigate you?"

Jiang Luoli asked, "...He investigated so carefully?"

He even investigated if she knew how to swim...

"Of course, he has to investigate everything carefully."

Mo Shixiu didn't tell her that not only did he know she could swim, but he also knew her measurements. He knew a lot about her.

"But what if we couldn't swim?" Jiang Luoli asked again.

Mo Shixiu smiled. "Luoli, your assumption doesn't exist. The reality is that you all know how to swim. Also, the situation you mentioned won't happen. Moreover, be it you or Mom, you have people protecting you.

"If you really fall into the river at the same time and can't swim, the bodyguards around you will immediately jump down to save you. So, you don't have to worry."

Jiang Luoli was speechless.

Mo Shixiu answered her seriously.

Moreover, did he think she was really asking this because she was worried that no one would save her?

It seemed like he really gave her the rest of his time apart from working.

That was why he didn't know that this was actually an important test.

Jiang Luoli gave up.

She shouldn't have asked Mo Shixiu this question.

Everyone was thinking about how to make their girlfriend or wife happy.

He was the only one who answered honestly and seriously. He never thought of saying anything nice to make her happy.

...

Jiang Luoli and Mo Shixiu left the restaurant and went straight home.

At home.

Jiang Luoli was a little tired after two hours of shopping. She washed up and went to sleep early.

Mo Shixiu would also accompany her to rest early.

Not long after she lay on the bed, Mo Shixiu walked out of the bathroom in his pajamas.

Mo Shixiu walked to the bed and lay down beside her.

As soon as he lay down, Jiang Luoli rolled over and hugged him.

She buried her head in his chest and took a deep breath. "Mo Shixiu, you smell so good."

The man stiffened and wrapped his arms around her waist.

"Be good."

Chapter 2159: But You're My Husband

Mo Shixiu looked down at the little girl in his arms. "Don't forget, you're pregnant. You're not allowed to roll around in bed in the future."

"Oh." Jiang Luoli looked up with a smile. "I forgot."

"You can even forget this?" Mo Shixiu chuckled and flicked her forehead as if punishing her. Jiang Luoli didn't feel any pain.

She was still grinning. "Don't you know that pregnancy makes your memory worse? I really forgot."

"Mm, be careful in the future."

Mo Shixiu couldn't help but laugh when he saw her breathing in his chest like a puppy. "What are you smelling?"

"Your fragrance," Jiang Luoli said and took a deep breath. "Mo Shixiu, you smell so good."

It was a scent she'd never smelled on any man.

It was Mo Shixiu's unique scent.

She wouldn't ever get sick of smelling it.

Mo Shixiu chuckled. "It's because I just showered."

"No." Jiang Luoli shook her head. "I'm not talking about the smell of shower gel."

"Not the scent of shower gel?" Mo Shixiu was stunned for a while and asked curiously, "What is it, then?"

"It's your scent..." Jiang Luoli said slowly. "It smells good."

Mo Shixiu stiffened.

"Luoli, don't do this again."

Jiang Luoli blinked and asked, "Don't do what? I didn't do anything."

Mo Shixiu looked down at her. "You know what I mean."

He and Jiang Luoli had only done it twice.

Besides the first time, it was also an accident.

An accident after they got drunk.

It was also that accident that made Jiang Luoli pregnant with their child.

In the past, Mo Shixiu thought he could control himself.

But ever since Jiang Luoli moved to his bedroom and they started sleeping together, Mo Shixiu realized that controlling himself wasn't easy.

Especially when Jiang Luoli would tease him from time to time.

In the eyes of others, he was a man with outstanding self-control.

But with Jiang Luoli, he knew very well that his self-control wasn't that good.

Jiang Luoli felt his body tense up. She bit her lip and poked his chest lightly, then asked curiously, "Mo Shixiu, are you feeling uncomfortable?"

"Yes."

Mo Shixiu was indeed an honest man. He didn't lie to her. He looked at her with his black eyes and said seriously, "I'll feel bad. So, you'd better behave and not do this again."

"But you're my husband." Jiang Luoli bit her lip and said righteously, "I can't even touch my own husband?"

“Luoli.” Mo Shixiu sighed and said helplessly, “You know that’s not what I mean. You’re so smart, you must know what I really want to say.”

Jiang Luoli knew what he meant.

Chapter 2160: I Said I Like You

She always felt that Mo Shixiu was a gentleman.

But no matter how much of a gentleman, he was still a man.

“Alright.” Jiang Luoli knew that she shouldn’t go overboard.

Otherwise, she wouldn’t be able to do anything if Mo Shixiu got aroused.

She stopped in time.

“But you smell really good.” Jiang Luoli seemed to be hugging a fragrant toy. “You smell especially good. Mo Shixiu, I like your scent.

“Why do you smell so good?”

Mo Shixiu couldn’t help but laugh. “What’s the fragrance on me?”

“I don’t know,” Jiang Luoli said firmly. “Anyway, it’s definitely not the fragrance of shower gel, shampoo, or the perfume you use. I can’t describe it. It just smells especially good.”

Jiang Luoli had forgotten what she’d read before.

The general idea was that when you liked someone, you could smell a nice fragrance from him.

That aura didn’t belong to anyone else.

Not everyone could smell it.

Only when you really liked that person could you smell it on him.

He couldn’t smell it himself.

Jiang Luoli’s heart skipped a beat.

So, she liked Mo Shixiu?

Although this wasn’t surprising, she suddenly realized something.

She was sure that she liked Mo Shixiu.

But she didn’t know how much she’d fallen for him.

“Mo Shixiu,” Jiang Luoli called out.

“Mm, I’m here.” A gentle voice came from above.

“I discovered something.”

“What is it?”

"I realized that I've fallen for you."

Mo Shixiu was stunned. "What did you say?"

Jiang Luoli looked up at him. "I said I like you. That's why you smell so good."

"Although I don't know how much I like you, I definitely do. Mo Shixiu, do you know? When I was with you, I told myself that I couldn't like you."

"But I still failed."

Mo Shixiu couldn't describe his feelings.

This was the first time he met a girl like Jiang Luoli.

She liked someone so openly.

She liked him, so she told him directly.

There was no beating around the bush.

Her honesty caught him off guard.

He didn't expect her to confess under such circumstances.

Although they were already married and had a baby coming, Mo Shixiu wasn't sure that Jiang Luoli liked him.

Their marriage was different from normal people's.

"Sigh, why are you so good to me?" Jiang Luoli continued. "It's because you're too good to me that I couldn't control my heart and fell for you."

"I thought I could control my feelings."

"So, I'm not as powerful as I thought."

"Forget it, it's fine if I like you. Anyway, it's not embarrassing to like someone. Mo Shixiu, don't think that you can stop caring about me just because I said I like you."
