

## Big Shot 2161

### Chapter 2161: This Is the Best Surprise I've Ever Received

"Let me tell you, I can like you, and I can also dislike you. If you start patronizing me, I won't like you anymore."

Mo Shixiu kept quiet.

As he listened to her nagging and threatening him from time to time, he felt that it was indeed good to be young.

She was cute and energetic.

Her youth and vitality were indeed something that older and more mature women didn't have.

It was only after meeting Jiang Luoli that Mo Shixiu realized that he liked such a girl.

A cute and beautiful girl.

A little girl ten years younger than him.

He used to think that this little girl would never have anything to do with his love life.

"Hey, are you listening to me?" Jiang Luoli mumbled to herself for a while but didn't hear any response. She frowned and looked up unhappily, meeting his gentle gaze.

Mo Shixiu's eyes seemed to flash, making them shine.

The gentleness in his eyes became clearer.

Jiang Luoli looked into his eyes for a few seconds. Her chest felt as if it was hit by something. It wasn't hard, but her heart couldn't calm down.

Damn.

She heard her heart beating wildly and sighed. Mo Shixiu was really attractive. When he was gentle, he really could kill.

Her heart almost stopped.

"Mm, I did." Mo Shixiu looked at her blank expression and chuckled. "I listened to everything you said seriously. Luoli, are you done now?"

"Ah?" Jiang Luoli blinked.

Mo Shixiu patted her head and said gently, "If you're done, then it's my turn. If you're not done, then continue. I'll listen to you."

Jiang Luoli was speechless.

So he was listening to her?

He wasn't ignoring her.

Alright, she seemed to have misunderstood him.

“Mm, I’m done.” Jiang Luoli nodded.

“Alright, it’s my turn now.” Mo Shixiu rubbed her head again and looked at her gently. “I’m sorry I didn’t respond properly when you said you liked me. I was just too shocked, so I didn’t know what to say to you.

“I thought this is very important, so I had to think carefully before answering you. Now that I’ve thought about it, I can answer you. Luoli, I’m really happy. I’m very happy that you can like me.

“This is the best surprise I’ve ever received.

“You said just now that I can’t ignore you just because you like me. I want to say that your worries are superfluous. None of this will happen.

“Knowing your feelings, I’ll cherish you even more. How can I not cherish you?”

### **Chapter 2162: Only Once**

“So, you don’t have to worry about these problems.” Mo Shixiu’s voice was extremely gentle. “Whether you believe it or not, I won’t let you down. You can rest in peace and not waste your time thinking about impossible things. I’ll definitely take good care of you and our baby.”

Jiang Luoli looked at his handsome face and gentle eyes.

Her heart raced again.

He didn’t swear that he would treat her well or let her down.

But Jiang Luoli believed him.

She believed that Mo Shixiu wouldn’t lie to her.

If he really lied to her and didn’t fulfill his promise, she would really not like him anymore.

Even if it was difficult, if she made up her mind, she would definitely do it.

No matter how difficult it was, she would never fall for him again.

She only trusted once.

“Mm, I believe you.” Jiang Luoli smiled, hugged his slender waist, and rubbed her head against his chest.

“Mo Shixiu, I believe you won’t lie to me.”

“Of course I won’t lie to you.”

Mo Shixiu looked down at the girl in his arms and felt her attachment to him. His voice softened. “Luoli, is what you said true?”

“Mm? Which sentence?”

“When you said you like me.”

"It's true." Jiang Luoli nodded. "I really like you. Don't you believe me?"

"No. I just want to confirm it again. I'm afraid I had misunderstood you." Mo Shixiu confirmed the girl's feelings and smiled charmingly.

"You didn't misunderstand." Jiang Luoli looked up and smiled. She reached out and hooked her arm around his neck. "Mo Shixiu, I really like you. I don't know when it started, but I'm very sure that I like you now."

"Mm." Mo Shixiu's eyes were gentle. "Luoli, I'm really happy. Thank you for liking me. I'll cherish your feelings for the rest of my life."

"Of course, you have to cherish it for the rest of your life." Jiang Luoli tilted her head and said cheekily, "Do you know how difficult it is to move me? If you don't cherish it, you'll lose my love and won't be able to get it anymore."

"Moreover, it's not easy to meet a woman like me who has a figure, looks, and many talents. If you don't cherish me, it'll be hard to find another me in the future. Do you know?"

Mo Shixiu listened to her praise herself and didn't rebut her. He even nodded cooperatively. "Mm, I got it."

Jiang Luoli shamelessly praised herself, but Mo Shixiu didn't say anything and even cooperated with her. She felt a little embarrassed.

"Ahem." She covered her mouth and coughed. "Anyway, you have to treat me well, got it?"

Mo Shixiu nodded again. "I'll treat you well."

"Mm, just remember what you promised me in the future." Jiang Luoli felt a little sleepy as she spoke. She couldn't help but yawn and say lazily, "I'm sleepy, I want to sleep."

"Then sleep." Mo Shixiu knew that she'd be sleepy during pregnancy.. "Sleep early and have a good rest."

### **Chapter 2163: Is This Alright?**

"I want a goodnight kiss." Jiang Luoli looked up at him.

Mo Shixiu smiled and kissed her on the forehead. "Good night."

"Not there." Jiang Luoli bit her lip. "Here. I want a goodnight kiss like this."

She pouted.

Mo Shixiu was stunned. He looked at the girl's red lips and smiled affectionately. He lowered his head and kissed her gently.

This kiss lasted for more than 10 seconds.

When they separated, Jiang Luoli's face was red.

She was the one who initiated the kiss, but she was acting like a shy little girl now.

But that kiss... felt really good.

What a gentle kiss.

Jiang Luoli liked the gentleness and love that Mo Shixiu showed when he kissed her. She could feel that he loved her very much.

Although most of the time, she was the one who took the initiative when it came to their intimacy, as long as she asked, Mo Shixiu would satisfy all her requests.

Like a goodnight kiss every night.

Jiang Luoli felt that since they were already married and she intended to benefit from him, it was necessary to cultivate their relationship.

She didn't like the way they got along.

Mo Shixiu fulfilled all her requirements. She was married to him and was pregnant with his child. If nothing went wrong, they would be together for the rest of their lives.

Even so, Jiang Luoli couldn't possibly be husband and wife with this man.

She wanted to be a real couple with him.

She wanted them to live together sweetly.

Jiang Luoli was the kind of person who would work hard for a goal.

Mo Shixiu was more reserved. She couldn't count on him to take the initiative.

Hence, she took the initiative.

Thankfully, although Mo Shixiu wasn't proactive, he was very cooperative.

Hence, Jiang Luoli felt that it wasn't a problem for her to take the initiative.

What they feared the most was the lack of response.

If she was the only one taking the initiative, she probably wouldn't be able to last much longer.

"Is this alright?" Mo Shixiu asked hoarsely.

"Mm." Jiang Luoli nodded in satisfaction. "Alright."

Actually, she wanted more.

But she knew that it was better for her to behave.

She couldn't put out the fire for Mo Shixiu.

"Mm, then go to sleep." Mo Shixiu stroked her head. "Have a good dream."

"Sure." Jiang Luoli hugged his neck and exerted force on her arm. When Mo Shixiu lowered his head, she leaned over and kissed him. "Good night to you, too."

Mo Shixiu saw that she had fallen asleep and turned off the lights.

He lay down beside her and listened to her breathing in the dark.

About half an hour later.

After confirming that she was asleep, Mo Shixiu gently lifted the blanket and got off the bed.

...

Mo Shixiu walked out of the bedroom and closed the door gently, then walked towards the study on the second floor.

On the way, he bumped into Sister Lin.

“Mister.” Sister Lin went forward. “Are you going to the study? Do you need me to prepare supper for you?”

### **Chapter 2164: Her Heart Ached Every Time She Saw It**

“No need, get me a cup of coffee.”

“Alright.” Sister Lin was about to turn around when she said, “Mister, you shouldn’t work until too late. If you work until midnight every day, your body won’t be able to take it.”

“I don’t think you need to tire yourself out every day just to spend time with Madam. Actually, you can tell Madam that you’ve been busy recently and don’t have much time to spend with her. You can spend more time with her when you’re done.”

“Madam is a reasonable person. I believe she won’t have any complaints.”

Mo Shixiu had always been busy with work.

After getting together with Jiang Luoli, he seemed less busy.

Because no matter how busy he was, he would always take the time to accompany her.

Especially after Jiang Luoli got pregnant, he came home almost every day.

He seemed to have a lot more free time now. After all, when he was busy in the past, it was common for him to not go home for three to five days. Sometimes, he would even stay outside for a month.

But Sister Lin knew that he wasn’t idle.

He was as busy as a top.

Every day, he would wait for Jiang Luoli to fall asleep before going to the study to work overtime.

He only stopped working three or four in the morning.

Sister Lin’s heart ached every time she saw the lights in the study room on.

How could he stay up all night?

No matter how good his body was, it wouldn’t last long this way.

Mo Shixiu knew that Sister Lin was saying this out of goodwill. He smiled and said, "Sister Lin, I know you're concerned about me. But I know what to do about this, so don't worry anymore. Luoli is in a special period now. If I don't have time to accompany her at this time, I'll feel sorry for her.

"It's alright if I'm a little tired. It's even harder for her in this pregnancy. Compared to her, this tiredness is nothing."

Sister Lin didn't know what to say.

Mo Shixiu's words made sense.

She could only sigh inside. Jiang Luoli was really fortunate to marry such a good man like Mister.

He was good-looking, had a good family background, was good at work, and was so good at doting on her.

What was a woman after?

Wasn't it just for someone who knew her well?

"Mister is right." Sister Lin was silent for a while before nodding. "But Mister still has to take care of his body. Even if it's for Madam, Mister can't tire himself out. Otherwise, if anything happens to you, Madam will definitely feel bad."

"Mm, I'll be careful." Mo Shixiu turned and went to the study.

Sister Lin stood at the staircase and stared at his back view.

She had something to tell him.

But seeing how busy Mo Shixiu was, she didn't want to bother him anymore.

*Forget it, I'll tell him later.*

*It isn't anything important.*

...

Qiao Chen's test results were out.

His total score was much higher than the school he applied for, and he was accepted by that school.

Mo Xingshu couldn't help but ask, "Chen Chen, are you sure you want to go to Z University?"

Mo Xingshu paused and said, "University Z isn't bad, but I think you can go to a better place with your marks. I heard that several well-known universities overseas have already sent you an admission notice. Is that right?"

### **Chapter 2165: I Still Insist on My Decision**

"Yes." Qiao Chen nodded.

"Then, what do you think? Those universities are much better than Z University. It's better for you to go to any one of them than to study in the country. I think it's best if you study overseas for a few years. It'll

increase your knowledge and experience. When you come back, it'll be equivalent to giving you a layer of gold. When that time comes, you can enter the company and make more people believe in you."

For Qiao Chen to take over Mo Xingshu's company, he needed qualifications.

Z University wasn't bad.

It was considered one of the best universities in the country.

But the universities that accepted Qiao Chen were much better than Z University. One of them was in the top few in the country, and the other was in the top few in the world.

There was no comparison.

Mo Xingshu didn't approve of Qiao Chen staying in China for university.

Moreover, he had already received a notice from a renowned university abroad.

Qiao Chen kept quiet for a while.

"Dad, the universities overseas are very good. I understand what you're saying, but I still want to go to Z University." Qiao Chen looked up at his father and said firmly, "I've decided to go to Z University a long time ago.

"I'm sorry, but I still insist on my decision."

Mo Xingshu was stunned. "Why? You can go to a better university and have a better development. Why do you insist on going to Z University?"

"Chen Chen, can I know the reason? Is there a reason that you have to go to Z University?"

Qiao Chen pursed his lips and kept quiet for a while.

"Dad, I have a reason to go to Z University. But I don't want to say it." Qiao Chen looked straight at his father and nodded.

This time, it was Mo Xingshu who kept quiet.

Qiao Chen hadn't lived with him for long. Although they were father and son, they hadn't lived together since they were young. Although they had feelings for each other, it wasn't the normal father-and-son relationship.

Mo Xingshu had always wanted to make it up to him, but Qiao Chen was slow to warm up to.

Hence, he couldn't do it immediately.

Mo Xingshu was satisfied with Qiao Chen.

This son looked like the woman he loved deeply. He was obedient and sensible, had good grades, and had a high understanding of work.

The only thing he was worried about was his body.

But in another two days, his body would recover through surgery.

He could trust Qiao Chen with the company in the future.

Mo Xingshu originally thought that he didn't have any affinity for children in this lifetime and was prepared to hand the company to his nephew.

But Qiao Chen's sudden appearance was a huge surprise to him.

He suddenly had a son, and it was the son of the woman he loved.

Mo Xingshu naturally doted on Qiao Chen.

He had high hopes for him.

Although he hadn't known this son for long, he knew him well.

Qiao Chen was very similar to his mother.

They looked obedient, but they were very opinionated.

They wouldn't change their minds easily.

Mo Xingshu felt that it was a pity, but he had to respect Qiao Chen's decision.

"Alright." Mo Xingshu sighed.

#### **Chapter 2166: One Day, He Dreamt That She Was Back**

"Since you've already made up your mind, we'll do as you wish. But I think you can consider this matter again. Don't rush to make a decision."

Qiao Chen nodded. "Dad, I'll consider it."

Mo Xingshu nodded. "It's a good thing to get a high ranking. Shall we celebrate?"

Qiao Chen thought for a while and said, "Then, let's have a meal together. There's no need to specially hold a banquet."

"Mm." Mo Xingshu said, "Let's have a meal together, then. Oh right, your grandma has been concerned about your college entrance examination results. Now that the results are out, you should tell her."

"Alright."

"Also..." Mo Xingshu's expression suddenly became a little lonely and sad. He kept quiet for a while before saying, "Tell your mom, too. I believe she'll be very happy to see your good results."

Qiao Chen was stunned for a moment before a hint of sadness appeared in his eyes.

Not long after he was born, he was separated from his mother.

And they never saw each other again.

But the thought of that poor woman still made him sad.

...

Mo Xingshu stayed in Qiao Chen's room for a while before leaving.

Qiao Chen sat in front of the computer and looked at the results. He hesitated for a while before picking up his cell phone.

He found the name on the contact list.

His fingers pressed on it, but he couldn't really press it.

What should he say?

They'd agreed not to disturb each other in the future.

How was he going to explain to her how he got her new cell phone number?

But at this moment, she was the first person Qiao Chen thought of sharing his joy with.

When she left, she said that she'd finally let him off.

But she didn't know that he wasn't willing.

He'd thought that after separating and not seeing each other for a while, his feelings for her would slowly fade.

But in fact, they didn't.

He missed her even more.

He used to see her whenever she was around.

Hence, he didn't think about what would happen to his life if she was gone.

Until she really left.

She had completely left his life.

Qiao Chen finally felt that her departure had changed him.

Without her in school, it didn't seem like the same school anymore.

Without her, the atmosphere in the class seemed to have changed.

He went to school every day and saw her seat empty. He felt empty inside.

Happiness didn't seem so easy anymore.

The thing he thought he would never lose suddenly vanished from his life.

He realized how uncomfortable he was.

He still wasn't used to it.

Just like before, she sat beside him. The moment he entered the classroom, she smiled and waved at him. "Good morning, Qiao Chen. Have you eaten breakfast? I brought it for you."

“Student Qiao Chen, the weather is so good today. Have you eaten breakfast? If not, I’ll treat you.”

“Student Qiao Chen, although it’s raining today, it’s still a sunny day in my heart.. Do you know why? It’s because if you’re fine, it’s always a sunny day for me, hahaha.”

### **Chapter 2167: Do You Know Who I Am?**

“Student Qiao Chen, did you look in the mirror when you woke up this morning? Did you notice that you’re a little special today? I think you’re especially handsome today, hahaha.”

“Qiao Chen, I’m so bored. Can you talk to me for a while?”

“Qiao Chen...”

He used to find her annoying.

Because in those times, she was very clingy to him. As long as he was in school, she would follow him wherever he went.

Even when he went to the washroom, she would wait outside.

Shen Xin was like a little tail, following him closely.

He was annoyed with her before.

But now, he missed those times.

The phone suddenly rang and pulled Qiao Chen back to the present.

When he saw the name on the screen, he was shocked.

He only came back to his senses after five or six rings.

He was about to pick it up when it stopped ringing.

Seeing that the call had been hung up, Qiao Chen didn’t think too much about it and immediately called back.

The other party immediately picked up.

“Qiao Chen.”

Qiao Chen’s heart pounded.

He gripped his cell phone tightly. After a while, he controlled his emotions and said, “It’s me.”

“Qiao Chen, do you... know who I am?” The girl’s voice was soft and sweet, just like before.

Of course, Qiao Chen knew.

Her number was on his contact list.

“Shen Xin.” Qiao Chen called her name softly.

Shen Xin was silent for a few seconds. When she spoke again, there was a hint of laughter in her voice. "Do you know, when I called you, I was so afraid that you'd ask who I was."

"That would be awkward, hahaha."

"Thankfully, what I was worried about didn't happen, hahaha."

Qiao Chen felt better hearing Shen Xin's laughter.

His mood was affected and became lighter.

"How could I?" He smiled and said, "I can tell from your voice, how could I not know you?"

"I was just worried. The voice on the phone is different from the voice in real life. When I called you just now, were you busy? Did I disturb you?"

"No." Qiao Chen quickly said, "I'm free."

"That's good." Shen Xin smiled. "I was afraid I had disturbed you."

"No."

They kept quiet for a while.

After a while, Shen Xin's gentle and sweet voice rang again. "Qiao Chen, aren't you going to ask why I called you?"

Qiao Chen immediately asked, "Why did you call me?"

"Aren't the scores out today? I just wanted to ask how you did. Your grades are so good, I bet you can go to the key universities."

Qiao Chen chuckled. "It's alright. It's all within my expectations. What about you?"

"I did alright, I guess."

Shen Xin wasn't a rich young lady who only knew how to have fun.

In fact, she was very serious about her studies.

They had always been the top two.

### **Chapter 2168: He Was the One Chasing Her**

"Looks like you did well. Have you thought of where you want to go?"

"I did. Didn't I tell you? I want to go to Z University."

"Z University?" Qiao Chen pretended not to know anything.

"Mm, Z University. Their music department is the best in the country, so I want to go there. What about you, have you thought about where you want to go?"

Qiao Chen hesitated and lied. "I'm still thinking about it."

“Mm, filling in the form is a huge matter in life. You have to consider it carefully. But with your results, you should be going overseas.”

Qiao Chen was about to say something when Shen Xin added, “It’s my sister’s birthday in a few days. I’ll be back in Yuncheng City for a few days. Yuqi and the rest said that we can have a gathering when I’m back. We’ll be going our separate ways in the future, and we might not meet again.

“Will you be attending the gathering?”

Qiao Chen was stunned.

He knew about it. He was also invited.

But he hadn’t decided if he wanted to go.

Hearing that Shen Xin wanted to return to Yuncheng City, he couldn’t help but smile. “Mm, I’ll go. When are you coming back to Yuncheng City? Are you going to attend the gathering?”

“It’s my sister’s birthday the day after tomorrow. I’ll be back then. I’ll also be going to the gathering.”

“I see.” Qiao Chen’s voice was calm, but the smile on his lips deepened.

“Mm.” Shen Xin waited for a while before saying, “Qiao Chen, then... we’ll meet at the gathering?”

Qiao Chen couldn’t bear to hang up.

But he couldn’t find any reason not to.

Thinking that Shen Xin would return to Yuncheng City in a few days and they would meet at the gathering, he said, “Alright, see you then.”

“Then... I’m hanging up?”

“...Alright.”

“Oh, right.” Just as he was about to hang up, Shen Xin suddenly said, “Qiao Chen, we have a very good snack here. I’ll bring you some? Do you want it?”

“Snack?”

“Mm, it’s a type of pastry that doesn’t exist in Yuncheng City. It’s not very expensive. I want to bring some for the others. If you want it, I’ll bring one for you. If you’re not interested...”

“Alright, thank you.” Qiao Chen immediately said.

“You’re welcome. I’m hanging up, then?”

“Alright.”

This time, Shen Xin really hung up.

Qiao Chen felt a little empty inside when he heard the disconnected tone.

But thinking that Shen Xin would be back in Yuncheng City in three days, he felt happier.

He realized something ridiculous.

Shen Xin used to be the one chasing him.

Now, everything was the opposite.

He hid the fact that he was going to Z University because he was afraid that she would change her mind and go to another school.

Back then, she said that she would never bother him again and would really let him go.

She almost did it.

They hadn't contacted each other since she left Yuncheng City.

But when she stopped chasing him, Qiao Chen didn't feel relaxed at all.

He was flustered and afraid.

He was afraid that he would really lose her.

In the future, he wouldn't be able to find another girl like her.

...

Qiao Mianmian's two songs only took a day to get first and second places on the music charts.

A lot of people were stunned by her voice. They asked who the singer was on the official Weibo page every day, but the official account was as steady as Mount Tai.

No matter how anxious the netizens were, they refused to let anyone in.

### **Chapter 2169: A Voice Kissed by an Angel**

But the more it was like this, the more curious the netizens became.

Many netizens analyzed who the singer might be, but the people they guessed were all wrong.

Although no one could guess that the singer was Qiao Mianmian, the songs were already very popular.

It had only been a day, but she was already in the top three of many rankings.

She wasn't a professional singer, but this result was something that many professional singers envied.

It wasn't just the netizens who were curious about the two songs.

Even people like Zhan Bo were curious.

After recording "The Meaning of Traveling", Qiao Mianmian still had contact with Zhan Bo, Su Mufei, and the rest. Among them, she had the most contact with Zhan Bo.

From time to time, they would exchange messages on WeChat.

Hence, Qiao Mianmian couldn't help but comment on Zhan Bo's Weibo post about her new songs.

Zhan Bo: [These songs can calm people down. I like them very much. I recommend everyone to listen to them.]

Qiao Mianmian commented: [You like the songs?]

Zhan Bo was probably bored and was scrolling through his WeChat friend circle. He replied almost instantly: [Mm, these songs are the interlude in the television drama you starred in. Do you know who the singer is?]

Qiao Mianmian hesitated for a while before replying: [More or less.]

Bai Yusheng was afraid that the haters would slander her if they knew she was the singer.

Hence, he kept it a secret.

It turned out that he made the right decision.

Not knowing who the singer was, the netizens discussed it ardently. Qiao Mianmian's two songs were on the trending list almost 24 hours a day, and even the television drama was about to air.

Many netizens said that this was deliberately hyping up the drama's popularity.

But even so, this hype was undoubtedly very successful.

According to Bai Yusheng, a corresponding press conference would be held before the new show was broadcast. At that time, the reporters would definitely ask about this, and then they could publicly announce that Qiao Mianmian was the singer.

Hence, Qiao Mianmian had to cooperate with him and not reveal it.

She wouldn't tell the netizens.

But she didn't intend to hide it from Zhan Bo.

She quickly received a private message from him.

Zhan Bo: [Do you know who the singer is? Tell me, I'm so curious.]

Qiao Mianmian didn't answer him immediately. Instead, she asked: [Do you like this person's songs?]

Zhan Bo: [Mm, I think her voice must have been kissed by an angel. I haven't heard such a touching voice in a long time. Is she a newbie? Are they trying to hype her up? Why hasn't she announced her identity?]

Qiao Mianmian was speechless.

She felt goosebumps all over when he praised her for being an angel.

Although it was a compliment, she felt that Zhan Bo would become stunned if he found out.

Qiao Mianmian: [Actually, the singer is someone you know.]

Zhan Bo: [Someone I know? Who? Why don't I know anyone who can sing so well?]

**Chapter 2170: He Decided to Bring Her Along**

Qiao Mianmian: [Would you believe me if I said it's me?]

Zhan Bo: [You??]

Qiao Mianmian: [Mm, I'm the singer.]

Zhan Bo: [...]

Qiao Mianmian: [I'm not lying. I really sang them.]

Zhan Bo: [You can sing? Why didn't I know?]

Qiao Mianmian: [You didn't ask.]

Zhan Bo: [You're really not lying to me?]

Qiao Mianmian: [Did I ever lie to you before?]

Zhan Bo: [F\*ck! Qiao Mianmian, is your singing so good? I've been trying so hard to guess who the singer was, but I didn't expect it to be you! Your singing is so good, why are you still an actress? Can't you just sing directly? Look at how popular your two songs are now.]

Qiao Mianmian: [Singing is just a hobby, my main profession is still acting.]

Zhan Bo: [... Since you're the singer, why didn't you tell the netizens?]

Qiao Mianmian: [My brother made the decision. He said that if people found out that I'm the singer from the start, it would attract a lot of haters.]

Zhan Bo: [Your brother? Are you talking about Director Bai? I saw the report. Qiao Mianmian, are you really the daughter of the Bai family?]

Qiao Mianmian: [Mm.]

Zhan Bo: [Boyfriend: Chairman Mo. Daughter of a rich family? My colleague is a big shot? Sorry to bother you.]

Qiao Mianmian was speechless.

"I'm done." Mo Yesi finished the last document and closed his laptop.

He got up and walked towards her. "Let's go, I'll find a place to do your hair."

Qiao Mianmian immediately deleted her conversation with Zhan Bo and exited WeChat.

She hadn't done anything wrong, so there was nothing to be afraid of.

She just didn't want to cause trouble.

If Mo Yesi saw her chatting with Zhan Bo, he would definitely be jealous.

Mo Yesi had an invitation to a banquet tonight.

He decided to bring her along.

Now that their relationship was exposed, they didn't have to hide it anymore.

Mo Yesi had attended other banquets before.

Back then, he'd wanted to bring Qiao Mianmian along.

Qiao Mianmian also thought that their relationship had been made public and that this was the first time Mo Yesi suggested bringing her to the banquet, so she agreed.

Although she didn't like socializing, she knew that she had to attend some events.

Since she was going to the banquet, she couldn't be wishy-washy.

She heard that many socialites and nobles were going tonight. As Mo Yesi's companion, Qiao Mianmian naturally had to dress up and make him look good.

...

Mo Yesi was very dissatisfied with the outfit Qiao Mianmian wore to the charity banquet previously. This time, he personally picked out an evening gown for her.

Qiao Mianmian's arms were exposed, but the rest was covered.

Mo Yesi chose a modified qipao for her. The collar and sleeves were in the style of a qipao, and the skirt was in the shape of a fishtail.

When Mo Yesi picked out the clothes, he thought that it would be safe.

But when Qiao Mianmian was done, he immediately regretted it.

The dress he chose wasn't revealing at all.

It covered everything well.

But the style was too revealing.

The way she held her hips made Qiao Mianmian's figure even curvier.

Even if she didn't reveal anything, she was still very eye-catching.

But this evening gown was already the most conservative among all evening gowns.
