

## Big Shot 2171

### Chapter 2171: Definitely Single

The employee said that this was for women in their forties or fifties.

Qiao Mianmian was the first woman to wear such a conservative dress.

Mo Yesi didn't want her to attend the banquet.

Because he realized that no matter how low-profile Qiao Mianmian was dressed, her face was destined not to be low-profile.

She looked good in any style.

"What's wrong, isn't it nice?" Seeing that Mo Yesi was staring at her, Qiao Mianmian touched the collar of her dress. She bit her lip and whispered, "I already told you, this dress is too conservative and doesn't suit me. But you still insisted."

This was the first time Mo Yesi was bringing her to a banquet, so she naturally wanted to dress up.

She didn't want to embarrass him and make others think that she wasn't good.

Even if Mo Yesi didn't mind, she did.

"It's not that it doesn't look good." Mo Yesi sighed and reached out to caress her face. "Baby, it looks too good. This is already the most conservative and inconspicuous design in the store, but why does it still make you so dazzling?"

Qiao Mianmian was speechless.

"You specially chose the most conservative and inconspicuous one for me?"

She knew it. With Mo Yesi's taste, why was the dress he picked for her so ordinary today?

Instead of choosing the most beautiful one, he chose the most ordinary one.

So he did it on purpose?!

"Of course. I don't want my woman to be too sexy in public. I don't want you to be too eye-catching and attract too many people's attention. Baby, if many men at the banquet stare at you and pay attention to you, I'll be jealous."

Qiao Mianmian said, "Aren't you afraid that I'll embarrass you if I dress too ordinarily?"

"If only you were ordinary. If possible, I want to hide you so that only I can look at you."

"..."

In some matters, Mo Yesi could be considered strange.

But seeing how handsome he was, Qiao Mianmian forgave him.

After all, she could accept Mo Yesi's looks.

Qiao Mianmian was amused. "Who would dare to have designs on me with you by my side? And didn't you say that there will be many socialites and heiresses attending tonight's banquet? There will definitely be beauties everywhere, how could I be the most eye-catching one?"

"Besides you, who else would pay so much attention to me?"

Every time Mo Yesi was so nervous about her, Qiao Mianmian would have an illusion.

An illusion that she was a peerless beauty, that anyone would fall for her.

"That's hard to say. There are many daring people."

Qiao Mianmian was speechless.

...

The banquet was a large-scale Chamber of Commerce banquet. All the prominent figures in Yuncheng City were invited.

Gong Zeli, Yan Shaoqing, and Bai Yusheng were also invited.

These few people were all famous and rich young men from Yuncheng City, and they were all single. When they appeared, the group of rich young ladies eyed them hungrily.

These men were definitely single and were considered the best among the rich.

Be it looks, figure, or other aspects, they were far better than ordinary rich playboys.

If they could marry any one of them, others would be envious of them for the rest of their lives.

### **Chapter 2172: A Familiar Figure**

Hence, once there was a chance to get to know them, no one would waste such a good opportunity.

Yan Shaoqing was surrounded by a few socialites.

All of them had good figures and looks.

Surrounded by beauties, Yan Shaoqing looked like he was enjoying himself as he circled around.

A few other socialites raised their glasses and wanted to look for Gong Zeli.

But the moment they did, they were shocked by Gong Zeli's dark expression.

Gong Zeli didn't have a good reputation in Yuncheng City.

Everyone knew that he had a bad temper, and he wasn't a gentle person.

But they still couldn't resist his good looks and family background. Even though they knew that his personality wasn't good, they couldn't stop trying to get close to him.

After all, every woman would think that she was special when she wasn't frustrated by him.

A woman was standing beside Bai Yusheng.

She looked very charming and was dressed in a very feminine way. She looked at Bai Yusheng boldly and smiled charmingly. "I wonder, should I call you Young Master Bai or Director Bai?"

Bai Yusheng looked down at her.

The woman didn't wait for him to answer. She smiled and said, "I'll call you Director Bai. You must be more used to being called that way. Let me introduce myself. I'm Tang Ni, the daughter of the Chairman of the Tang Corporation. I've been studying overseas for the past few years, and I just returned this year to take over my dad's company.

"I just saw Director Bai standing here alone, so I wanted to come over and say hi. I feel like Director Bai has an affinity with me. I wonder if I can have the honor to be friends with you?"

The girl from overseas was very daring.

Her eyes, expression, and even her words clearly showed her interest in Bai Yusheng.

Bai Yusheng's expression was calm as he looked at this bold woman. "Chairman Tang's daughter?"

"Yes." Tang Ni looked at him and said, "Actually, this isn't the first time Director Bai and I met. I saw you at a gala before, but I was too timid to greet you."

"Is that so?"

"Yes. I wanted to get to know you back then, but alas, I was too timid. I'm a lot braver now, so I came to look for you." The woman looked at Bai Yusheng and shook the wine glass in her hand, smiling sweetly.

"Director Bai, want a drink?"

Bai Yusheng naturally had no impression of this woman.

He wasn't interested in making friends.

But as a gentleman, he wouldn't reject her.

Unless it was someone he hated.

Hence, he raised his wine glass and was about to take a sip when he saw a familiar figure in the crowd.

Bai Yusheng's expression changed.

It had been a few years since they last saw each other, but she was still as gentle as before.

She liked wearing white dresses, had long hair, and even had rose-colored lipstick on her lips.

She wasn't the sort of woman who would attract attention.

But Bai Yusheng still found her in the crowd.

When he confirmed that the woman in the white dress was Gu Sheng, Bai Yusheng narrowed his eyes.

**Chapter 2173: Can I Treat Miss Gu to a Meal Someday?**

“Director Bai?” Tang Ni followed his gaze.

When she realized that Bai Yusheng was staring at a woman, she took a few more glances.

Seeing that the woman’s appearance wasn’t too outstanding, the hostility in Tang Ni’s eyes lessened a little. She didn’t take that woman seriously.

But she still felt uncomfortable.

After all, she was a confident woman who felt that she was good in all aspects.

That was why she came to greet Bai Yusheng.

But now, the man she was trying to seduce was attracted to another woman right in front of her.

This was a blow to her confidence.

What was so good about that woman?

She was just a pretty girl. How could she compare to her?

Tang Ni called out, but Bai Yusheng didn’t seem to hear her. His eyes were still on the white figure in the crowd.

Tang Ni was annoyed.

She originally didn’t take that woman seriously, but now that Bai Yusheng was entranced by her, hostility appeared in her eyes again.

Could it be that Bai Yusheng liked girls from humble families?

“Director Bai?” Tang Ni called out again.

This time, Bai Yusheng seemed to have finally heard her voice and reacted.

He slowly looked away from the woman.

Tang Ni felt uncomfortable. Out of jealousy, she couldn’t help but ask, “Who was Director Bai looking at just now? Is that lady in the white dress someone you know?”

Bai Yusheng turned around and looked at her coldly.

Tang Ni was stunned. “Director Bai...”

“Miss Tang, we’re not close enough to ask about each other’s private matters.” Bai Yusheng’s voice was calm. “I’m sorry, Miss Tang. I have something on. Excuse me.”

With that, Bai Yusheng turned and left.

Tang Ni was stunned. She watched as he walked into the crowd, seemingly walking towards the woman in the white dress.

She looked awful.

She didn’t expect Bai Yusheng to really be attracted to that woman.

She'd underestimated her opponent.

...

"I didn't expect Miss Gu to be so young. I thought you were in your forties or fifties. Miss Gu has such achievements at such a young age. How admirable."

The well-dressed middle-aged man opposite Gu Sheng was full of admiration as he praised her.

Gu Sheng smiled politely. "President Chen, you're too kind. How would I dare to talk about my achievements with my results? I'm just passable."

"Miss Gu is being too humble." The middle-aged man looked at Gu Sheng without blinking. "To be able to win an international newcomer award at Miss Gu's age, this isn't something an ordinary person can do.

"Everyone in the industry knows how difficult it is to win this award. Moreover, the youngest winner was 45 years old. Miss Gu is only 24. You achieved such good results at such a young age. Miss Gu deserves all the praise.

"I really admire Miss Gu. Can I treat Miss Gu to a meal someday?"

#### **Chapter 2174: Why Couldn't She Work Harder!**

Stunned, Gu Sheng was about to answer when someone cut in. "She's not free. She's eating with me."

The middle-aged man was stunned. He turned around and saw who it was.

"Young Master Bai." He looked at Bai Yusheng in shock and confusion. After a while, he turned to look at Gu Sheng. "Miss Gu, you know Young Master Bai?"

Gu Sheng didn't say anything as she watched as Bai Yusheng walked towards her.

She knew that Bai Yusheng might be at tonight's banquet.

Hence, she was already mentally prepared.

She thought that after so long, all feelings should have faded.

Even though her feelings for this man hadn't completely faded, if they met again, she should at least feel more at ease.

At least, her life wouldn't be affected by him anymore.

She wouldn't lose control of her emotions because of him.

She hated the feeling of being unable to control herself.

However, when she saw Bai Yusheng again, she realized that all her mental preparations were in vain.

She wasn't as calm as she thought.

The moment she saw Bai Yusheng, she couldn't maintain her composure.

This man had a deeper impact on her than she thought.

“Gu Sheng.” Bai Yusheng stood in front of her and sized her up for a few seconds. He smiled and greeted her like an old friend. “You’re back. Long time no see.”

Gu Sheng’s heart trembled.

He sounded so nonchalant when they met again after so long. His expression and eyes were as if he was just treating her as an old friend.

There was nothing else.

But what was funny was that she couldn’t be like him.

No matter how calm she looked, she knew best what was really going on in her heart.

“Mr. Bai.” Gu Sheng clenched his fists. After a moment of silence, he squeezed out a faint smile. “Long time no see.”

“When did you come back?” Bai Yusheng asked casually. “Have you arranged a place to stay? If not, I can help you find a suitable place.”

Looking at his nonchalant expression and thinking about her own uneasiness, Gu Sheng suddenly felt a little angry.

She wasn’t angry at Bai Yusheng, but at herself.

He was so calm as if nothing had happened between them.

Why couldn’t she?

Why was she still affected by him after so many years?

Why couldn’t she work harder!

If Bai Yusheng could do it, so could she!

At this thought, Gu Sheng’s expression became colder, and her tone became even more polite. “I’ve already found a place to stay, so I won’t trouble you, Mr. Bai.”

“Is that so?” Bai Yusheng smiled. “Gu Sheng, we’re old friends. You don’t have to be so polite with me. If you need anything, you can look for me.”

“Thank you for your kindness, Mr. Bai.. If I really need any help, I’ll let you know.”

### **Chapter 2175: We’re Close?**

“That’s good.” Bai Yusheng looked at the man with darkened eyes. He stood in front of Gu Sheng and blocked the man’s gaze.

He turned around and looked at him. “This gentleman is?”

“Young Master Bai, I’m Chen Jie, the general manager of Hongkai Enterprise.” The man looked at Gu Sheng and then at him. After hesitating for a few seconds, he asked, “I didn’t know that Young Master Bai and Miss Gu knew each other. Has Young Master Bai and Miss Gu worked together before?”

Bai Yusheng could tell that the man was testing him, and the coldness in his eyes deepened.

“Why, Gu Sheng didn’t tell you that we used to...”

“I know, Mr. Bai. But we’re not very familiar with each other.” Gu Sheng interrupted him. She walked out from behind him and looked at the man who had just spoken to her. “President Chen, didn’t you ask if I have time to eat with you? I should be free in a few days. Let’s pick a place to eat together.”

Bai Yusheng’s expression changed instantly.

President Chen was also surprised.

But after a few seconds, he was pleasantly surprised.

He looked at Gu Sheng happily and said excitedly, “Miss Gu, do you really have time?”

“Mm.” Gu Sheng didn’t look at Bai Yusheng. “I should be free.”

“That’s great. Then, Miss Gu, we...” The man was overwhelmed by the sudden joy. He was about to say that he would arrange a specific time when he suddenly felt a gust of cold air. It was so cold that he immediately had goosebumps.

The man turned around and saw Bai Yusheng looking at him warningly.

That look was murderous.

He was shocked speechless.

“I just said that Gu Sheng isn’t free.” Bai Yusheng lowered his voice. “Do you not understand?”

“No, Young Master Bai, I...” The man’s face was pale with fear.

“Mr. Bai, it’s up to me whether I’m free or not. Since when did Mr. Bai become my spokesperson?” Gu Sheng looked at Bai Yusheng angrily. “I don’t need Mr. Bai to decide things for me, right?”

“Are we close?”

Bai Yusheng pursed his lips and slowly turned around.

He held back his anger and looked at her. He took a deep breath and smiled sinisterly. “We’re not close?”

But Gu Sheng’s expression was very calm as she nodded and said, “Mm, not familiar.”

“Say it again.” Bai Yusheng gritted his teeth. “Gu Sheng, are we really not close?”

“We’re not close.” Gu Sheng said calmly, “Mr. Bai, we just know each other. We’re not even very good friends. So please, don’t interfere in my matters anymore, and don’t pretend that we’re close in front of others.”

“I don’t want anyone to misunderstand.”

“You don’t want others to misunderstand?” Bai Yusheng said through gritted teeth. “What do you mean?”

“Exactly what I said.” Gu Sheng finally felt that she had done well and regained some control. At least, the one angry now was Bai Yusheng, not her.

She was probably a bad person.

She actually felt good seeing Bai Yusheng so angry.

### **Chapter 2176: He Lost to That Person Back Then**

To actually think that he, Bai Yusheng, would have such a day.

“Mr. Bai, if you go around telling everyone that we’re close, people will misunderstand our relationship. It will also cause trouble in my life. Please don’t do this again.” Gu Sheng seemed to not see Bai Yusheng’s pale face and continued, “I want to go to the washroom. Mr. Bai, please make way.”

Bai Yusheng was no longer indifferent. His eyes were so fierce that he looked like he wanted to eat someone.

Damn, Gu Sheng. She was really good.

She actually said she wasn’t close to him.

But Gu Sheng wasn’t afraid of him at all. She looked at him again and said politely, “Mr. Bai, please make way.”

Bai Yusheng glared at her.

Gu Sheng looked at him without fear.

The two of them looked at each other for a while before Bai Yusheng stepped aside.

He watched as Gu Sheng walked away.

She suddenly had an indescribable feeling.

It was a little uncomfortable.

He recalled that Gu Sheng was like this when he left that year.

He stood behind her and watched her slowly walk away. Then, her figure completely disappeared.

She’d been gone for years.

In those few years, she seemed to have completely vanished.

They never saw each other again.

Everything he knew about her was from someone else.

For example, she went overseas for university.

Another example was her painting.

And her suitors.

“Bai Yusheng, aren’t you worried? If a very outstanding pursuer appears by Gu Sheng’s side and succeeds in wooing her, won’t you regret it?” Someone had asked him this before.

What did he say?

Bai Yusheng recalled his answer.

He had said: What’s there to worry about? Her matters have nothing to do with me.

At that time, he wasn’t worried at all.

Because he knew Gu Sheng.

Gu Sheng went overseas to study. She was someone who valued her career and future more than anything else.

She couldn’t possibly fall in love while studying.

Moreover, Gu Sheng had someone in her heart.

No one could compare to that person.

No matter how outstanding a suitor was, he couldn’t compare to that person in her heart.

And he lost terribly.

He had already accepted that Gu Sheng didn’t love him.

But the funny thing was that Gu Sheng’s coldness still made him feel uncomfortable.

Bai Yusheng smiled self-deprecatingly.

How disappointing was he to still be thinking about a woman who didn’t take him seriously?

He thought he’d forgotten about her.

But just now, he realized that he never really did.

“Gu Sheng asked you out for a meal, but you’re not allowed to go. Understand?” Bai Yusheng only retracted his gaze when Gu Sheng was completely out of sight.

He glanced at the man beside him and threatened. “If you dare to go, Hongkai Enterprise will be closing its doors.”

The middle-aged man turned pale.

This shock was greater than the joy of Gu Sheng agreeing to go on a date with him.

Although he admired Gu Sheng and wanted to develop a relationship with her, compared to his career and future, everything else wasn’t that important.

## Chapter 2177: Don't Have Any Ideas About Her

Now that Bai Yusheng threatened him directly, even if he really wanted to, he didn't have the guts.

He didn't dare to snatch Bai Yusheng's woman.

Wasn't that courting death?

If he really offended Bai Yusheng, he wouldn't be able to survive in Yuncheng City anymore.

Everyone knew that the most powerful families in Yuncheng City were the Bai, Yan, Mo, and Gong families.

There used to be a Shen family.

Now, the Shen family wasn't as powerful as before, but not everyone dared to provoke them.

The middle-aged man left in fear.

But Bai Yusheng still felt uncomfortable.

He couldn't vent his anger.

"Do you know that woman?" Bai Yusheng turned around and saw Yan Shaoqing standing behind him with a smile. He smiled and said, "She's pretty and elegant. So, you like this type?"

Bai Yusheng narrowed his eyes and glared at him. "What are you doing here, not accompanying your beauties?"

"What beauties?" Yan Shaoqing looked disinterested. "They're just some ordinary women. Sigh, the quality of these so-called beauties is getting lower and lower. Real beauties like Sis-in-law are hard to come by.

"Oh right, that beautiful woman just now is pretty good too. You haven't answered me yet. Are you interested in her? If not, leave her to me."

Yan Shaoqing felt as if Bai Yusheng was about to eat him up.

"Uh, did I say something wrong? Are you really interested in that woman?" Yan Shaoqing rubbed his nose innocently.

He didn't say anything.

Why was he being so fierce?

"You can have your way with anyone, but not her." Bai Yusheng warned coldly. "Don't provoke me."

"Tsk tsk." Yan Shaoqing shook his head and sneered. "It seems like I was right. You like her? Then hurry up and chase her. Let me tell you, I'm the best at judging people. That beauty is obviously a good girl, suitable to marry."

"It has nothing to do with you." Bai Yusheng looked at him in disdain. "Just mind your own business."

Yan Shaoqing was speechless.

“I’m warning you again.” Bai Yusheng wasn’t at ease with him at all. He narrowed his eyes and said, “Don’t have any ideas about her. Otherwise, don’t blame me for being heartless.”

With that, he walked past him.

Yan Shaoqing stood rooted to the ground.

“That’s Young Lady Shen, right? She’s so beautiful.”

“The Shen family is attending tonight’s banquet, too?”

“Of course, the Shen family is also a big family in Yuncheng City. Such a banquet will definitely invite them. Moreover, Shen Rou is the boss of the Shen Corporation now. It’s normal for her to represent them.”

“I thought that the Shen family was done for. I didn’t expect them to rise again. Shen Rou even became the CEO of the Shen Corporation. Such a young girl managing such a huge company. She’s really impressive.”

“Her dress is a limited edition, right? It’s worth a million yuan. And her shoes... look so good.”

“Young Lady Shen is indeed the most beautiful lady in the socialite circle. The moment she arrived, she outshone all other socialites.”

### **Chapter 2178: Three Women Make a Scene**

The sudden discussion in the crowd pulled Yan Shaoqing out of his depression.

He looked towards the entrance of the hall when he heard that Shen Rou was the topic of discussion.

Shen Rou was dressed to the nines. She was wearing a limited-edition black tube top dress with a fork at the end, revealing her long and slender legs.

Her jewelry was expensive and her makeup exquisite.

Shen Rou was pretty.

She was also known as a beauty in the upper-class society.

Shen Rou used to be the center of attention at all events.

But after the Shen family fell, she rarely appeared in these events.

Now that they were out of danger and she had become the glamorous Young Lady Shen again, she naturally had to attend these banquets again.

It was fine if Shen Rou didn’t appear.

As long as she appeared, she would be the center of attention.

She wanted to beat all the other socialites.

And she really did it.

In the entire hall, Shen Rou was the most outstanding woman.

All eyes were on her.

The men were stunned.

The women were envious and jealous.

This Shen Rou used to steal their limelight.

When they saw that the Shen family had fallen and Shen Rou had also fallen from her goddess's pedestal, they were secretly overjoyed.

But now, Shen Rou was showing off again.

Three women made a scene.

Moreover, there were so many women today.

And most of these women were once jealous of Shen Rou.

Hence, when they saw that all the men's eyes were on Shen Rou, they couldn't help but feel jealous.

"Haha, Miss Shen is still the same as before. Many men come whenever she attends a banquet, and she dresses as if she's going to a national banquet. Does she want all the men's eyes to be on her alone?"

"Exactly. She's dressed like that just to attract men's attention."

"It's a pity that no matter how pretty she dresses up, the man she pines for doesn't like her back. Have you heard? Second Young Master Mo found a girlfriend in the entertainment industry. I heard that she's pretty, prettier than Shen Rou."

"She's definitely prettier than Shen Rou. Otherwise, why wouldn't Second Young Master Mo choose Shen Rou?"

"I wonder if the Mo family will come tonight. If Second Young Master Mo brings his girlfriend along, how nice it'll be."

The group of women gathered together and spoke sourly.

They suddenly lowered their voices.

"Stop it, Shen Rou seems to have heard us talking about her. She's here."

"So be it. Are you afraid of her?" The other woman said as if she wasn't afraid of anything, but when she saw Shen Rou really walking towards them, she lowered her voice.

They looked a little flustered as Shen Rou approached.

They thought that Shen Rou heard them talking about her.

But Shen Rou walked past them.

"Shaoqing." Shen Rou stopped in front of Yan Shaoqing and greeted him. "Are you here for the banquet, too?"

**Chapter 2179: Can You Do Me a Favor?**

Yan Shaoqing was stunned for a few seconds when Shen Rou greeted him. He then nodded and said, "Mm. Rourou, long time no see. Are you alright?"

"I'm fine." Shen Rou smiled. "We haven't seen each other in a while. How have you been?"

Yan Shaoqing nodded. "Mm, I'm fine too."

"Shaoqing, are we still friends?" Shen Rou suddenly asked.

Yan Shaoqing was stunned for a few seconds before nodding. "Of course."

"That's good. I was worried that you wouldn't want to be friends with me anymore because of my relationship with Ah Si." Shen Rou looked a little lonely. "Shaoqing, thank you. Thank you for being friends with me."

"Uh..."

Yan Shaoqing suddenly felt sorry for her.

He was a very protective person.

He had known Shen Rou for so many years.

Although Yan Shaoqing knew that Mo Yesi and Shen Rou were on bad terms, he never thought of alienating her.

He didn't contact Shen Rou much because they rarely did.

He didn't deliberately alienate her.

Yan Shaoqing had nothing against Shen Rou.

He couldn't understand why Mo Yesi and Gong Zeli would fall out with her.

They used to be so close.

"Of course we're still friends." Yan Shaoqing couldn't bear to see women cry. He sighed and said, "Rourou, we've always been friends. I don't know what happened between you and Ah Si. I tried to persuade him, but..."

"You know Ah Si's personality. He can't be persuaded. I can't do anything about it."

Shen Rou's expression stiffened.

Looking a little innocent and aggrieved, she bit her lip and said, "There was a misunderstanding between Ah Si and me. I thought that it would be fine to explain it clearly. I didn't expect Ah Si to cut ties with me because of that."

"If I knew that the consequences would be so serious, I definitely wouldn't have done that."

"Sigh, forget it. What's the point of saying this now? Ah Si and I are already..." She seemed so upset that she didn't want to continue.

“As for me and Zeli...” Shen Rou kept quiet for a few seconds before smiling bitterly. “We had some misunderstandings. Sigh. Shaoqing, the four of us grew up together and used to be best friends. I didn’t expect you to be the only one who doesn’t despise me and is willing to continue being friends with me.”

Yan Shaoqing looked a little embarrassed.

“Rourou, don’t say that...”

“Shaoqing, we’re still friends, right?” Shen Rou asked, looking straight at him.

“Of course.” Yan Shaoqing nodded.

“Then, can you do me a favor?” Shen Rou asked.

Yan Shaoqing was stunned. “Favor? What do you want me to help you with?”

“You just have to answer me one question.”

“Answer a question? What do you want to know?”

Shen Rou pursed her lips and kept quiet for a few seconds before saying, “Shaoqing, you’ve always had a good relationship with Zeli, and you’ve contacted him the most in private. So, no one knows more about Zeli than you.

“Do you know if there’s anyone special around him recently?”

#### **Chapter 2180: She Must Know Who That Woman Is**

Yan Shaoqing was stunned.

“Special person? What do you mean?”

“For example, a woman.” Shen Rou’s eyes flickered as she continued, “Have any new faces appeared around him recently? Or did he mention any women to you?”

She wanted to know who the woman who saved Gong Zeli was.

She got someone to investigate this, but they hadn’t found anything yet.

Hence, she wanted to get some information from Yan Shaoqing.

Yan Shaoqing and Gong Zeli had a good relationship and often played together.

He might know her.

She had to know who that woman was.

She wanted to know who she lost to!

“Woman?” Yan Shaoqing narrowed his eyes and stared at Shen Rou for a few seconds. “I don’t know what woman. I haven’t been in contact with Zeli much recently, and he hasn’t mentioned any woman to me.

“Why, do you know something? Zeli has another woman?”

Yan Shaoqing knew that Gong Zeli liked Qiao Mianmian.

But he definitely wouldn't tell Shen Rou that.

Shen Rou frowned, as if unsatisfied with his answer. "You really don't know? I asked you because I wasn't sure. I thought you knew."

"I don't know." Yan Shaoqing immediately denied it. "I don't know what Zeli has been up to recently. I called him a few times, but he didn't come out. If you want to know what he's been up to, you came to the wrong person."

"But he came to the banquet today. I didn't see him bring a companion. He probably isn't dating anyone."

Shen Rou also knew that Gong Zeli was here.

She saw him just now.

Shen Rou thought that she could find out something from Yan Shaoqing, but she found nothing.

She looked disappointed.

But this made her want to know who the woman who saved Gong Zeli was even more.

She would find out.

No matter what, she had to find out.

"Hello, Miss Shen."

A man stood behind Shen Rou with a wine glass in hand. "Miss Shen, I'm the general manager of Shengfa Real Estate Company, Wang Han. Our corporations have worked together before, and I've also met Miss Shen before."

"I wonder if Miss Shen still remembers me."

Shen Rou turned around and looked at the man who greeted her. She had no memory of him at all.

She stared at him for a few seconds before smiling. "So it's Manager Wang. Of course, I remember."

The man immediately smiled and said, "Miss Shen, you actually still remember me. It's an honor. Oh right, I haven't congratulated Miss Shen on becoming the Chairman of the Shen Corporation. Miss Shen is really a heroine. You took over such a big company at such a young age. I hope that our corporations can cooperate more in the future. With Miss Shen managing the Shen Corporation, I can be at ease."

The man's flattery was obvious.

Shen Rou was disgusted, but she still looked friendly. "I also hope that our corporations can cooperate more. If Manager Wang has any projects in the future, you can be the first to consider working with the Shen Corporation. I won't disappoint you."

Shengfa was a rather famous real estate company.

Hence, even if Shen Rou didn't like Manager Wang, she still had to deal with him.
