Chapter 2181: The Bai Family Is Still Better Than The Shen Family

She had just taken over the Shen Corporation and wanted to do well.

Of course, she wouldn't reject the offer.

Shen Rou raised her glass and was about to clink it with Manager Wang when she heard the women around her say excitedly, "Mo Yesi, Mo Yesi is here."

"He even brought a companion. Who is that? His girlfriend?"

"His girlfriend is actually so beautiful. I think she's much prettier than Shen Rou. No wonder Mo Yesi didn't choose Shen Rou. If it was me, I'd definitely choose someone prettier."

Shen Rou's expression darkened when she heard them comparing her to Qiao Mianmian. She bit her lip and looked towards the entrance.

She saw Mo Yesi.

The man's looks and temperament were outstanding. No matter where he went, he was undoubtedly the center of attention.

The Chamber of Commerce had invited many so-called young talents and rich businessmen.

The people invited were all talented and good-looking.

But they still couldn't compare to Mo Yesi.

His appearance instantly killed these so-called young talents.

All the ladies' eyes were on him.

The two young masters of the Mo family had always been the targets of the socialites in the upper-class society.

Unfortunately, both the First and Second Young Masters were like unreachable flowers in the mountains.

They could see it but not touch it.

No one could pick it.

Hence, it was useless no matter how envious they were.

Now, seeing that the man they wanted to hook up with had another woman by his side and even brought her to the banquet with him, the women present felt a little upset.

But they were happy to see Shen Rou make a fool of herself.

Mo Yesi having a woman wasn't a blow to them.

After all, they were only interested in him.

But Shen Rou was different.

Everyone knew that she'd liked Mo Yesi for many years.

Mo Yesi chose a female artiste from the entertainment industry over her. She must have suffered a huge blow.

As they didn't like Shen Rou being in the limelight, Qiao Mianmian's appearance didn't attract much hatred.

They also needed someone to suppress Shen Rou.

Hence, even though these women actually didn't like Qiao Mianmian, they still praised her. "I also heard that Mo Yesi's girlfriend has a rather good family background. She's not inferior to Young Lady Shen at all."

"Oh? Isn't she just a female artiste from the entertainment industry? What other background could she have?"

"You rarely read gossip news, right? She's not just a newbie in the entertainment industry. You know the Bai family, right? Mo Yesi's girlfriend is their daughter. In terms of family background, she's not inferior to Young Lady Shen at all."

"The Bai family is still better than the Shen family."

"The daughter of the Bai family? But doesn't the Bai family only have one son? How could..."

"She was separated from them when she was young. The Bai family has been looking for her for years, and now they've finally found her."

"If she's really the daughter of the Bai family, her qualifications are much better than Shen Rou's. It seems like Mo Yesi really knows how to pick a girlfriend."

Chapter 2182: Watch Your Eyes

"Yeah, she's better than Shen Rou."

"Some people still think that they're so amazing and that no one can surpass them. Now, they've been slapped in the face. Her parents are better-looking, and her family background is better than hers. What's there to be superior about now?"

Shen Rou's face turned green.

She then looked at Qiao Mianmian and Mo Yesi entering hand in hand. She felt as if she'd been slapped in the face.

She felt like everyone was laughing at her.

They all knew how much she used to like Mo Yesi.

She also knew that she'd liked Mo Yesi for so many years.

Everyone knew that Mo Yesi didn't like her and didn't want her.

Mo Yesi was here with Qiao Mianmian.

It was undoubtedly a slap to her face.

He was using this to tell others how much he despised her.

Shen Rou clenched her fists and looked at Qiao Mianmian with hatred.

She saw the looks of shock and infatuation from the men in the lobby.

They were all looking at Qiao Mianmian.

And just a moment ago, these eyes belonged to her.

The moment Qiao Mianmian arrived, all her glory was taken away.

Young Lady Shen was no longer the focus of everyone's attention.

Yan Shaoqing saw Qiao Mianmian and Mo Yesi and decisively left Shen Rou behind to greet them.

...

"Second Bro, Sis-in-law." Yan Shaoqing squeezed his way through the crowd and greeted them.

He sized Qiao Mianmian up before she could say anything.

He then sighed. "Sis-in-law, your dress is amazing. Your figure is amazing, too. My Second Bro is so lucky. I'm so envious of him."

He had just finished speaking when he was kicked in the knee.

"Uh, Second Bro, what are you doing?" Yan Shaoqing almost cried out in pain.

"Watch your eyes." Mo Yesi narrowed his eyes. "If you keep looking, I'll dig them out for you."

"Damn."

Yan Shaoqing bent over and rubbed the spot where he was kicked. He looked up and said, "Second Bro, you must have been jealous in your previous life. I didn't do anything. I just praised Sis-in-law for looking good today. Am I wrong to praise your wife for looking good?"

"Didn't I just praise Sis-in-law for her looks?"

"Sis-in-law, take care of Second Bro. I've been wronged." Yan Shaoqing turned to complain to Qiao Mianmian, looking aggrieved. "Only Sis-in-law can tolerate my Second Bro's temper. I didn't know he was a jealous lover. He's even jealous of his own brother. That's too much."

"My leg hurts. Did Second Bro break my leg? Ah, it really hurts." Yan Shaoqing started acting.

Qiao Mianmian was speechless.

Yan Shaoqing was indeed a jokester.

She was always amused by him.

Seeing that he was putting in so much effort, Qiao Mianmian punched Mo Yesi gently. "Why are you bullying Shaoqing? We're in public, don't you know how to save face for him?"

"That's right, that's right. Second Bro, you're too disrespectful. Even if you want to kick me, can't you wait until there are fewer people around?" Yan Shaoqing grumbled.

Chapter 2183: The Wedding Date Has Been Set

Mo Yesi really didn't give him face.

It was up to him to beat him up.

In other words, he could beat him up whenever he wanted.

But this was the only person Young Master Yan respected.

Only Mo Yesi could do this. No one else would dare to do this to him.

Mo Yesi glared at him. "If you continue talking nonsense, I don't mind leaving a deeper impression on you."

"Alright, alright, alright. I won't say anything else." Yan Shaoqing raised his hands in surrender. "I'll go look for my beauties."

Yan Shaoqing then left.

Qiao Mianmian chuckled. "Why did you kick him just now? Why are you always so fierce to Shaoqing? Can't you be gentler to him?"

She seemed to see Yan Shaoqing being bullied by Mo Yesi every time they met.

Qiao Mianmian felt that he was a little pitiful.

"Who asked him to stare at you lustfully?" Mo Yesi snorted. "If he didn't leave, I'd have kicked him again."

Qiao Mianmian was speechless.

Yan Shaoqing said that he might have been a jealous lover in his previous life.

She felt that it might be true.

"Chairman Mo, excuse me for not getting up to meet you."

An old voice suddenly sounded. Qiao Mianmian looked up and saw an old man in a wheelchair being pushed over by a few tall men in suits.

The old man looked to be in his sixties and was wearing a suit. Although he was in a wheelchair, he looked rather energetic.

He smiled and gestured for the bodyguards to stop the wheelchair.

"I was delayed by something just now. I hope Chairman Mo doesn't mind."

"Old Guo." Mo Yesi greeted him politely.

“This lady beside Chairman Mo is...” The old man looked at Qiao Mianmian for a few seconds, then his eyes lit up.

Although he was old, he could still admire beauties.

“This is...” Mo Yesi turned to look at Qiao Mianmian. He thought for a while and then introduced her with a smile. “This is my fiancée, Qiao Mianmian. Mianmian, this is Old Guo. Tonight’s banquet was organized by him.”

They made their relationship public, but they weren’t married yet.

Mo Yesi gave Qiao Mianmian a middle-class identity. Fiancée.

This meant that he and Qiao Mianmian might be getting married soon.

By then, when they held their wedding, it wouldn’t seem too sudden.

The man in the wheelchair looked at Qiao Mianmian with more respect after hearing that.

At first, he thought that Mo Yesi only brought an ordinary female companion.

Hence, he didn’t take Qiao Mianmian seriously.

But a fiancée was a different matter.

“So, Miss Qiao is Chairman Mo’s fiancée. No wonder I felt that Miss Qiao and Chairman Mo were especially compatible. A match made in heaven. Chairman Mo and Miss Qiao’s wedding is coming soon, I must attend it.”

Everyone listened attentively.

Mo Yesi smiled and nodded. “Mm, it’ll be soon. The wedding date has been set, but it’s not convenient to say it now. We’ll definitely invite Old Guo.”

“Alright, alright. It’s settled, then.”

The surrounding people were shocked to hear that Mo Yesi and Qiao Mianmian had even set a date for their wedding. Many women looked at Shen Rou gloatingly.

Chapter 2184: But Everyone Still Thought She Was Terrible

“Mo Yesi is already engaged, and the date is already set. Doesn’t that mean there’s no hope for Shen Rou?”

“Before they got engaged, she didn’t have any hope. She’d always been the one chasing after him. After so many years, she still couldn’t catch up.”

“Sigh. Shen Rou is rather pitiful. She must be very upset now.”

“How pitiful. Sigh, I didn’t expect that the high and mighty Miss Shen would have such a day.”

“Shen Rou’s face is turning green. The man she has liked for so many years is marrying another woman now. She must have suffered a huge blow.”

“I think it’s more than that. Didn’t they say that Young Master Gong likes her? But didn’t you realize that the Gong family didn’t help when something happened to her family? It’s hard to say if Young Master Gong really likes her. Even if he does, it isn’t anything serious. Otherwise, why wouldn’t he help the Shen family?”

“Gong Zeli is also here tonight. He doesn’t seem to have interacted with Shen Rou. I think the rumors are all false. Gong Zeli doesn’t like her at all. Maybe she spread the rumor herself to raise her status.”

“That’s right. Previously, she said that Gong Zeli liked her very much and wouldn’t marry anyone else. When the Shen family was in trouble, didn’t she go on blind dates everywhere? Why didn’t Gong Zeli marry her?”

“To be honest, Mo Yesi’s fiancée is more eligible than her. Most men like her looks. Shen Rou looks a little domineering, so most men don’t like her. She even took over the Shen Corporation and wants to be a strong woman. Most men probably stop at just staring at her.

“That’s right. Such women are too strong. Men don’t like them. She doesn’t lack money, why should she pretend to be strong? It’s better to find a good man to spend time with at home.”

The group of women was discussing.

Moreover, they were standing beside Shen Rou, so she heard everything they said.

Her already awful expression was getting worse.

Her face darkened and she clenched her fists as she listened to their mocking.

She wanted to rush over and slap them, but she couldn’t.

She tried her best to suppress her anger, but her body still trembled.

Her trembling was seen by others, and the mocking voices increased.

“Shen Rou seems to have suffered a terrible blow. Did you see that? She’s shaking from the sadness. So pitiful.”

“Yes, she’s really pitiful.”

“Sigh, love is love.”

“What’s so pitiful about her? She’s the one clinging onto others.”

“Forget it, let’s not talk about it anymore. Anyway, she’s in a terrible state. She must be feeling terrible right now.”

The women gloated for a while and felt that it was meaningless.

But their words were like daggers to Shen Rou’s heart.

Everyone felt that she was miserable.

Even if she had already taken over the Shen Corporation and become one of the few female CEOs, everyone still felt that she was miserable.

Because Mo Yesi didn't want her.

He made her a joke.

Chapter 2185: I Don't Care

Everyone knew that Shen Rou had been with Mo Yesi for so many years, but he still didn't want her.

She was an abandoned woman.

Anyone could laugh at her and pity her.

Even those women who were inferior to her.

She hated this feeling.

She didn't want to be a joke to others.

She was Shen Rou, the Young Lady of the Shen family. She had been the envy of others since she was young. Only others were envious of her. She would never become a joke in others' eyes!

Shen Rou suddenly grabbed a glass of wine and walked towards Mo Yesi and Qiao Mianmian.

Her actions shocked everyone.

"Damn, what's Shen Rou trying to do?" Standing beside Gong Zeli, Yan Shaoqing was stunned too. "Is she trying to do something?"

Beside him, Gong Zeli pursed his lips and kept quiet.

He narrowed his eyes and looked at Qiao Mianmian.

But when he saw her and Mo Yesi holding hands, his eyes darkened.

Gong Zeli didn't pay attention to Shen Rou.

Because from the moment Qiao Mianmian appeared, his gaze followed her uncontrollably.

He couldn't look at anyone else.

Yan Shaoqing turned around and saw Gong Zeli staring at Qiao Mianmian.

He was looking at her openly.

Yan Shaoqing frowned.

He seemed to have wasted his breath on him.

Obviously, Gong Zeli didn't take his words to heart.

Otherwise, he wouldn't be like this.

Mo Yesi was still here.

And there were so many people in the lobby.

Didn't he know how to hide it?

He just stared at Qiao Mianmian.

If others found out about his strange behavior, they would probably gossip again.

There were so many scandals about him and Qiao Mianmian.

"Fourth Bro! Cough!" Yan Shaoqing nudged Gong Zeli with his elbow. Seeing that he had finally looked away, he lowered his voice and said, "Watch your expression and gaze. So many people are watching, aren't you afraid of them gossiping?"

Gong Zeli looked nonchalant. "I don't care."

Yan Shaoqing said, "Even if you don't, what about the person you care about? You don't care if others gossip about her?"

Gong Zeli pursed his lips and kept quiet.

Yan Shaoqing thought that he had to use Qiao Mianmian as an excuse.

Gong Zeli only listened when it was something concerning Qiao Mianmian.

"Fourth Bro, even if you can't control your feelings, you should at least control your eyes. Your gaze just now was too explicit."

Thankfully, everyone's attention was drawn away by Shen Rou.

No one noticed them.

Otherwise, people would really gossip.

Gong Zeli kept quiet for a while before saying coldly, "I got it."

He said he knew, but the next second, he looked at Qiao Mianmian again.

Yan Shaoqing was speechless.

Fourth Bro was hopeless.

He must be possessed.

Chapter 2186: He Protects Qiao Mianmian So Well

Yan Shaoqing wanted to persuade him again, but when he thought about how Gong Zeli didn't listen to a single word he said, he felt that it was meaningless.

He looked at Gong Zeli's expression. Unless he thought it through himself, it was impossible to persuade him.

After all, he and Mo Yesi had fallen out over this. But things had already reached this point, and he still couldn't figure it out.

It was impossible for him to figure it out with just a few words.

Yan Shaoqing sighed.

Beauty was a curse.

No wonder there was such a saying in ancient times.

Although he knew that he couldn't blame Qiao Mianmian for this.

But it was also because of her that they became like this.

Moreover, he was worried that if Gong Zeli continued to be so stubborn, things might get worse in the future.

By then...

Yan Shaoqing felt frustrated.

What was going on?

How could such a ridiculous thing happen between them?

Fourth Bro didn't like Qiao Mianmian at first, so how did he end up liking her?

Yan Shaoqing couldn't think of a reason.

...

Seeing Shen Rou walking towards them, Mo Yesi reached out and pulled Qiao Mianmian behind him.

Seeing that he was staring at the glass of wine in her hand, Shen Rou's expression stiffened.

She watched as Mo Yesi shielded Qiao Mianmian behind him and then looked at his guarded expression. After a while, she forced a dry smile. "Ah Si, are you afraid that my wine glass is filled with sulfuric acid?"

"Do you think I'd splash Qiao Mianmian?"

Even though she knew that he had no feelings for her, Shen Rou was still hurt by his actions.

He protected Qiao Mianmian so well, afraid that something would happen to her.

Did he think so highly of Qiao Mianmian!

The more Mo Yesi seemed to value Qiao Mianmian, the more Shen Rou's face darkened.

Mo Yesi's actions were like a slap to her face.

And in front of so many people.

He had put her in an extremely embarrassing situation and made everyone laugh at her.

Shen Rou bit her lip and dug her nails into her palms.

Mo Yesi looked at her coldly. "Mm, I'm quite afraid."

"Ah Si, you..." Shen Rou didn't expect that. She was shocked and felt even more embarrassed.

She was so angry that her eyes reddened. "I know you care about Qiao Mianmian, but no matter how terrible I am, I wouldn't do such a despicable thing. We've known each other for more than 20 years, do you actually think I can do such a vicious thing?"

Mo Yesi's expression was cold. "The length of time we've known each other has nothing to do with how much I know about you. So, I'm not sure if you'd do this."

"You..." Shen Rou bit her lip.

"Ah Si, you've misunderstood me. You've underestimated me!" Shen Rou held back her tears and looked angry. "I came to toast you and Mianmian, to give you my blessings. I've never thought of harming anyone."

Chapter 2187: You're the Only One Who Can't Get Off The Stage

"Bless us?"

"Yes, congratulations." Shen Rou took a deep breath and managed to put on her usual elegance. She raised her glass and smiled sincerely. "Ah Si, I wish you and Mianmian a blissful life."

"I know that some things have caused a misunderstanding between us. You might not believe me even if I say this now. But I really wish you all the best. Ah Si, we've known each other for over 20 years. You're my best friend. I really hope you can live happily."

"This toast is to you and Mianmian."

With that, she finished her drink.

Mo Yesi didn't move.

Shen Rou felt awkward and embarrassed when Mo Yesi didn't respond.

"Ah Si, don't you believe me?" Feeling the mocking gazes around her, her cheeks burned.

Mo Yesi looked at her coldly. "There's no need for blessings. Whether you're sincere or not doesn't mean anything to us. Drink this wine yourself, I won't accompany you."

Everyone started mocking her after he said that.

"Hahaha, this is so funny. So embarrassing."

"She probably wanted to save face, so she pretended to be magnanimous. But Mo Yesi saw through her at first glance and didn't fall for it."

"What a joke. She even calls him Ah Si as if she has a good relationship with him. But Mo Yesi is really heartless. He didn't leave her any face in front of so many people. She's about to die from anger."

"I think she's about to cry."

"Keep it down, don't let her hear you. Otherwise, she'll really cry."

Shen Rou finally couldn't take it anymore.

She looked up in embarrassment. "Mo Yesi, you..."

“Rourou, if you want to drink, look for me. Why are you looking for Second Bro? He doesn’t drink.”

Yan Shaoqing walked over and pulled Shen Rou to his side.

Before Shen Rou could finish her sentence, he pulled her into the crowd.

As he walked, he said, “Come, come, come. I’ll drink with you. We haven’t seen each other for a long time. Let’s drink and catch up.”

“Yan Shaoqing, what are you doing? Let go of me.” Shen Rou struggled angrily.

“Don’t you want to drink? I’ll drink with you.” Yan Shaoqing ignored her and pulled her in another direction.

“Who wants to drink with you? Let go of me.” Shen Rou struggled, but she wasn’t as strong as him.

Yan Shaoqing pulled her to a quiet corner before letting go.

Shen Rou immediately rubbed her reddened wrist and glared at him. “Yan Shaoqing, what are you doing? Why did you pull me here?”

Yan Shaoqing looked at her speechlessly. “If I didn’t, what were you going to do? Do you still want to fight with Ah Si? Rourou, you know Ah Si’s temper. It’s not good for you to fight with him.

“You’ll be the only one in trouble.”

“Haha, it’s bad enough now. How worse can it get?”

Chapter 2188: From Now On, We’re Enemies

Shen Rou didn’t care. “Even if I don’t want to make things too awkward with him, has he given me any face? I was being nice to him in public just now, but how did he treat me?”

“He embarrassed me.

“You saw how he treated me in order to protect Qiao Mianmian.” Shen Rou smiled, but her eyes were cold. “Besides her, does he care about anyone else? If he wants to protect Qiao Mianmian, does he have to trample on other people’s dignity?”

“I understand now. Besides Qiao Mianmian, the rest of us are nothing to him. He can abandon us anytime. Yan Shaoqing, don’t think that you’re an exception. If you make Qiao Mianmian angry one day, she just has to use pillow talk, and Mo Yesi can abandon you too.

“What Zeli and I have today is your tomorrow.”

Yan Shaoqing’s expression changed.

“Rourou, I believe Ah Si does things for a reason. I’m not sure what conflict you have with him. But from what I know, you did something bad to Sis-in-law, that’s why you angered Ah Si, right?”

“If you hadn’t done that, would Ah Si have cut ties with you?”

“As for Zeli...” Yan Shaoqing frowned. “I’m not sure what happened between him and Ah Si. But Ah Si’s mother did something bad to Sis-in-law too, which angered Ah Si.

“You know how much Ah Si cares about Sis-in-law, but you just have to test his bottom line. Rourou, do you dare to say that you didn’t consider the consequences before doing those things? I guess you must have considered it. The reason why you still chose to do it was just that you were hoping for luck.

“You think that since you and Ah Si have known each other for many years, even if he finds out, he won’t really do anything to you.”

Yan Shaoqing saw Shen Rou’s expression change and couldn’t help but sigh. “I guessed right. Rourou, you really shouldn’t have tested Ah Si’s bottom line. You’re right. Even I wouldn’t be an exception if I touched his bottom line.

“But since I know what his bottom line is, I won’t touch it.”

“That’s you.” Shen Rou kept quiet for a while before turning around and saying coldly, “I’m not as timid as you.”

Yan Shaoqing shrugged. “Yes, I’m timid. Then, do you want everything now?”

“Are you happy now?”

Shen Rou bit her lip and kept quiet.

Of course, this wasn’t what she wanted.

But so what if she didn’t do it?

Would Mo Yesi be grateful to her?

Would he be with her?

No.

Even if she turned back time, she still couldn’t accept Qiao Mianmian being with him.

Mo Yesi could only be with her.

Besides her, she wouldn’t accept any other woman.

“Rourou, you...”

“Enough, Yan Shaoqing. Don’t try to persuade me anymore.” Shen Rou interrupted him coldly. “Mo Yesi and I are already like this. We can’t go back to our previous relationship.

“I gave him a chance, but he humiliated me in public.

“From now on, we’re enemies. I won’t force you to make a choice between us. Don’t try to persuade me anymore.”

Chapter 2189: Shen Rou Has Gone Crazy

Yan Shaoqing looked helpless. “Must we do this? Even if we can’t be friends, we don’t have to be enemies.”

“He and I can only be enemies.” Shen Rou enunciated each word coldly. “In the future, I’ll do everything I can to deal with the Mo Corporation. He made me suffer so much ridicule, and he humiliated me again and again. I’ll return all the pain he caused me.

“And Qiao Mianmian.” The hatred in Shen Rou’s eyes deepened at this moment. “She took so many things from me, making me a joke in the eyes of others. I won’t let her off, either.

“I’ll return all the pain she caused me.”

Yan Shaoqing frowned.

“Rourou, aren’t you blaming the wrong person? Whether it’s Ah Si or Sis-in-law, they didn’t do anything to you. You’ve already done wrong, don’t do it again. It’s not too late to let everything go.”

“Let go?” Shen Rou seemed to have heard something funny. She sneered and said coldly, “You want me to let go? They’ve hurt and made me suffer so much, and now you want me to let go?”

“Impossible.

“I can’t let it go now unless I see them suffer the same pain I went through. Otherwise, I’ll never let it go.”

Her expression turned ferocious. “I hate Mo Yesi and Qiao Mianmian!”

Yan Shaoqing was shocked by her expression.

Shen Rou’s crazy expression terrified him.

Especially when she said that she hated Qiao Mianmian and Mo Yesi.

Her expression was as cold as a devil. At that moment, Yan Shaoqing felt like he didn’t know her at all.

He looked at Shen Rou and felt inexplicably afraid. He didn’t want to spend another second with her.

Shen Rou was going crazy.

He couldn’t persuade a lunatic.

“If you think this way, you’ll regret it in the future.” With that, Yan Shaoqing turned and left.

Shen Rou stood rooted to the ground as she watched him flee.

Even Yan Shaoqing was starting to alienate her.

The four of them used to be best friends, but now they treated her like a plague.

Everyone felt that she’d done something wrong.

They all spoke up for Qiao Mianmian.

They all thought that Qiao Mianmian was right.

In their hearts, Qiao Mianmian was a pure and kind little bunny, an innocent victim who needed their protection.

And she was a vicious woman.

A vicious woman that everyone avoided.

Shen Rou bit her lip and saw that Qiao Mianmian was already surrounded by a group of smiling socialites.

In the past, this treatment was hers alone.

She was the one being fawned over.

Now, Qiao Mianmian had taken everything from her.

The person she liked, the person who liked her, and the glory that belonged to her alone.

“Qiao Mianmian...” Shen Rou clenched her fists and bit her lip until it bled. The taste of blood filled her mouth. She licked her lips and looked in Qiao Mianmian’s direction. “I won’t let you off.

“Just you wait. I’ll settle our scores slowly.”

Chapter 2190: Something Must Have Happened During This Time

Qiao Mianmian was surrounded by a group of so-called socialites.

They surrounded her with flattering smiles.

“Aiya, Mianmian, your dress is custom-made from the C brand. It looks very expensive. The C brand is really good. Besides the price, it doesn’t have any other shortcomings. But money shouldn’t be a problem for you. Chairman Mo is so willing to spend money on you, to buy you such expensive things.”

“Isn’t that so? Didn’t Chairman Mo give Mianmian a bracelet? That bracelet cost more than 10 million yuan, and Mianmian almost sold it at a low price.”

“It’s this necklace that Mianmian is wearing. It’s worth over 10 million yuan. Can we see it?”

“The necklace and earrings Mianmian is wearing today are also expensive. I’ve seen them in a jewelry store before. They cost a few million yuan.”

“Mianmian, your shoes look really good...”

“Mianmian, what perfume are you wearing? It smells so good...”

“That’s right, Mianmian. Your makeup today is good, too. Which makeup artist did you use?”

“Mianmian, your drama is about to air. I’ve seen the clip. You’re so good at acting.”

...

It took Qiao Mianmian a long time to deal with the socialites and heiresses. Finally, it was time to breathe.

Mo Yesi was also surrounded by a group of businessmen. Qiao Mianmian glanced at him and saw that he was still surrounded by a group of people, so she sent him a WeChat message.

Qiao Mianmian: [I’m going to the washroom.]

After sending the message, she found a waiter and asked where the washroom was.

In the hall.

Gong Zeli had been keeping an eye on her. Seeing that Qiao Mianmian had left, he hesitated for a few seconds before turning to follow her.

Shen Rou saw it when he followed Qiao Mianmian.

She bit her lip and thought about what Gong Zeli had done.

She didn't know why, but a ridiculous thought flashed across her mind.

She still remembered that Gong Zeli didn't like Qiao Mianmian at first.

Back then, even if it was because of her, it wouldn't have changed Gong Zeli's attitude towards Qiao Mianmian so much.

Something must have happened.

Something she didn't know.

That was why Gong Zeli's attitude towards Qiao Mianmian changed so drastically.

Then, what was it?

Shen Rou's heart raced when that thought flashed through her mind.

Seeing that Gong Zeli was about to disappear from the hall, she hesitated for a few seconds before following him.

...

Qiao Mianmian came out of the washroom.

She was about to return to the lobby to look for Mo Yesi when she met Gong Zeli in the hallway.

She was stunned.

She pretended not to know him and walked past him.

"Qiao Mianmian." Gong Zeli called her as she walked past him.

Qiao Mianmian didn't stop. She had no intention of listening to anything he had to say.

"Qiao Mianmian." Gong Zeli called her again and followed behind her. "I don't think we're enemies. Is this how you treat me? You're not even willing to talk to me?"
