

## Big Shot 2191

### Chapter 2191: Mm, I'll Listen to You

Qiao Mianmian heard footsteps behind her and finally stopped.

She then turned around with an awful expression.

“Gong Zeli, what are you trying to do? Didn't I already make things clear to you? Can you not follow me? I don't want to be misunderstood.”

She was really afraid of more scandals.

Gong Zeli's expression changed, and his eyes dimmed for a moment. But after a few seconds, his eyes lit up again. “So, you're afraid that others will misunderstand us, so you ignored me? It's not that you don't want to talk to me?”

Qiao Mianmian was speechless.

“Mr. Gong, do you have to make me sound so awful? Can't you tell that I don't want to talk to you? Didn't I say that we should treat each other as strangers when we meet in the future? Did I not make myself clear? Do I need to say it again?”

The light in Gong Zeli's eyes only lasted for a few seconds before dimming again.

He pursed his lips and said in a low voice, “I understand what you mean. You can treat me like a stranger, but I can't.”

Qiao Mianmian frowned again.

Gong Zeli looked at her steadily. “Qiao Mianmian, you're my savior. You've done me a favor. I won't treat you like a stranger for the rest of my life. Even if it's just a trivial matter to you, it means something to me.

“If you hadn't saved me that night, I might not be in this world right now.”

Qiao Mianmian thought that this matter was over, but she didn't expect Gong Zeli to keep thinking about it.

She thought that she had made herself clear enough.

But obviously...

This was all her wishful thinking.

Gong Zeli still insisted that she owed him a huge favor, and he would remember it for the rest of his life.

Qiao Mianmian had lost her memory of that year.

But if she'd known that saving Gong Zeli would make him remember her for so many years and insist on repaying her kindness, she wouldn't have saved him that night.

Of course, if she really returned to that night and saw him fall into the water, she couldn't possibly do nothing.

She would probably find someone else to save him.

Anyway, she wouldn't do it herself.

She'd rather it was Shen Rou who saved him that night.

"Gong Zeli, didn't I tell you that I don't remember what happened that night? Can't you forget it, too?" Qiao Mianmian said helplessly.

"No." Gong Zeli's eyes seemed to flicker as he looked at her. "You don't know what that night meant to me. To you, I'm just someone you casually saved. But to me, you're someone I'll never forget.

"..." Qiao Mianmian's lips twitched. "I don't care what you think. Anyway, I don't remember what happened that night. Gong Zeli, please don't look for me anymore, alright?"

"Since I'm your savior, shouldn't you listen to me?"

Gong Zeli guessed what she was going to say.

He looked down and said sadly, "Mm, I'll listen to you. What are you trying to say?"

"If you really want to repay me for saving your life, can you pretend not to know me in the future? Gong Zeli, I really don't want others to misunderstand our relationship."

### **Chapter 2192: He Didn't Blame Anyone but Himself**

"Don't you want to repay me? I've already made the request. Can you do it?"

Gong Zeli looked down, then slowly looked up again.

He smiled mockingly and asked, "Are you afraid that others will misunderstand, or are you afraid that Mo Yesi will?"

"Both." Qiao Mianmian looked straight at him.

"You're actually afraid that Mo Yesi will misunderstand." Gong Zeli smiled. "Alright, I'll agree to your request. When we meet again, I'll pretend not to know you. I won't let anyone misunderstand our relationship."

"Really? Can you really do it?"

"Since I promised you, I'll definitely do it."

"That's good." Qiao Mianmian immediately distanced herself from him. "Remember what you promised me. Don't look for me anymore. I have something on, I'll get going first.

"Remember, don't look for me anymore!"

Qiao Mianmian quickly walked past him. Before Gong Zeli could say anything, she had already left.

It was as if she was afraid that others would see them standing together and wanted to disappear from his side.

Gong Zeli smiled mockingly.

How much did she hate him?

How afraid she was of being associated with him?

Some things were wrong from the start.

Even if he wanted to make it up to her, it was too late.

If he missed it, he missed it.

When he realized this, Gong Zeli felt as if a piece of his heart was missing. Not only did it hurt, but it also felt empty.

Gong Zeli stood there for a long time.

His mind was empty. He didn't know what to do or where to go.

He seemed to have lost his way at a crossroad.

He was so lost.

Because something had been bothering him.

If he couldn't solve it, he couldn't leave. It was as if he was trapped in a huge maze.

A maze that he himself had set up. Besides himself, no one could bring him out.

"Should I really give up?" Gong Zeli looked in the direction Qiao Mianmian left, confused. He watched Qiao Mianmian's figure disappear from the corner of the corridor and muttered to himself.

He had always felt indignant.

Because he'd known Qiao Mianmian before.

He kept wondering if he should fight for it.

But today, Qiao Mianmian's attitude and words made Gong Zeli doubt his decision.

He wondered if there was any point in continuing.

So what if he refused to let go?

Would it change anything?

His persistence was just harassment in her eyes.

Besides making her despise him more and more, what else could he do?

“So, the person who saved you that night was Qiao Mianmian. No wonder your attitude towards her changed so much. No wonder you kept it a secret from me. You were afraid that I would do something bad to her.

“I guessed it might be her, but I didn’t expect to be right.”

Gong Zeli’s expression darkened.

Slowly turning around, he saw Shen Rou walking out from behind a pillar.

### **Chapter 2193: But Why Was It Qiao Mianmian?**

Gong Zeli frowned. “You were eavesdropping?”

Shen Rou lied calmly. “I just happened to pass by and accidentally heard it. I didn’t expect to hear your big secret. Gong Zeli, you like Qiao Mianmian because she saved you?”

“You fell for her because she saved your life? Just like how you fell for me when you thought I saved you? Gong Zeli, do you really like her? Do you like whoever saves you?”

“Can you tell the difference between liking and being grateful to someone?”

Although Shen Rou had already guessed that Qiao Mianmian was the one who saved Gong Zeli that night, she was still shocked when she heard Gong Zeli say it.

She was furious.

She felt that anyone could save Gong Zeli, and she wouldn’t be so angry.

But why Qiao Mianmian?

Why was it Qiao Mianmian?!

She knew how much Gong Zeli cared about what happened that night. He took care of her all those years because he thought she saved him.

If Qiao Mianmian really saved Gong Zeli, he would really remember this favor for the rest of his life.

Gong Zeli’s expression darkened. “It has nothing to do with you. I don’t care what you heard. Remember, if you dare to hurt her, I won’t let you off.”

“Is that so?” Shen Rou chuckled, but there was no smile in her eyes. They were filled with hatred and anger. “Gong Zeli, do you remember how you used to warn others like this for me?”

“Back then, you said this to others too. If anyone dares to hurt me, you’ll definitely make them pay. But now...” She smiled mockingly. “Now, you’re warning me like this for another woman?”

“I only know now that you’re such a heartless person. Your liking can be maintained for a long time, or you can disappear anytime. Gong Zeli, are you sure you really like Qiao Mianmian?”

Shen Rou was so jealous that she lost her rationality. She didn't seem to notice Gong Zeli's increasingly awful expression and continued sarcastically, "I don't think you really like her. It's just that she saved you, so you think you like her.

"If she wasn't the person who saved you that night, would you still have feelings for her? No way. If she wasn't your savior, you wouldn't even look at her. But now, you're so concerned about her, and you're even so humble in front of her.

"Ha! Gong Zeli, since when have you been so humble in front of others? You do care about Qiao Mianmian, but does she take you seriously? I think she despises you. You're the Young Master of the Gong family, the only heir of the Gong Corporation. Do you have to be so shameless to pester a woman?"

Shen Rou was jealous.

She'd never seen Gong Zeli so humble.

His humble attitude in front of Qiao Mianmian triggered her deeply.

Gong Zeli's expression darkened and his eyes became cold.

#### **Chapter 2194: Gong Zeli Really Changed**

Shen Rou continued, "Do you think you can compare to Mo Yesi?"

"Don't forget that Qiao Mianmian and Mo Yesi are already married. So what if you know that she saved you? Do you think anything can happen between you and her? Stop dreaming. She obviously doesn't like you that way. She already has Mo Yesi, how could she like another man? No matter how powerful the Gong family is, can they be better than the Mo family? If your love rival was someone else, you might have a chance, but Mo Yesi..."

"Heh, I advise you to give up. You're simply... Ah!"

Before Shen Rou could finish speaking, she suddenly screamed. Her eyes widened in fear as she saw Gong Zeli punch the wall behind her.

Drops of blood trickled down the white wall and seeped into it as if they were blooming red plums.

Shen Rou looked at the red wall in fear.

Gong Zeli's eyes were red. He gritted his teeth and said, "Shut up. If you say another word, I won't be polite to you anymore."

Shen Rou looked up in shock.

Gong Zeli's hand was covered in blood.

Shen Rou looked at the blood on his hand and then at his bloodshot eyes. Her face turned pale again.

She looked at Gong Zeli in fear, not daring to say another word.

She grew up with him, so she had some understanding of Gong Zeli's anger disorder.

Although he hadn't had a relapse for many years, it didn't mean that he was cured.

Gong Zeli looked like he was about to have a relapse.

Recalling her classmate who went in a vegetative state during his relapse, Shen Rou was even more shocked.

"Zeli, w-what are you doing?" Shen Rou's teeth chattered. "Y-You're scaring me."

"Then, shut up, got it?" Gong Zeli was furious. "Don't anger me anymore. Otherwise, I can't guarantee what I'll do next."

Shen Rou looked at him with a pale face. Her hands and feet were cold, and she couldn't say a word.

She seemed to have lost the ability to speak.

She wanted to say something, but no words came out.

This was the first time Gong Zeli showed such a scary side to her.

She was too shocked.

Gong Zeli looked at her, who was so shocked that she couldn't even speak. He retracted his hand expressionlessly and didn't even look at the blood-stained back of his hand. He just let the wound bleed and turned to leave.

Shen Rou watched as he slowly walked away, unable to snap back to her senses.

She was still in shock.

The thought of Gong Zeli's expression still scared her.

She felt like his punch was aimed at her.

Then, he restrained himself and punched the wall.

And the wall was still stained with blood.

Shen Rou turned around and looked at the patch of blood on the white wall. Her hands were still trembling.

She realized something at this moment.

Gong Zeli had really changed.

### **Chapter 2195: They Weren't Close?**

He was no longer the Gong Zeli she knew.

She finally understood why Gong Zeli treated her so well in the past. It was mostly because of what happened that night.

He thought that she saved his life, so he treated her as his savior. That was why he took such good care of her.

After he found out that she'd lied to him, all the special treatment was gone.

She should have known.

Would Gong Zeli have treated her so well otherwise?

He was a cold and bad-tempered person. If he didn't think that she saved him, he wouldn't treat her so well.

She had misunderstood.

She overestimated herself and thought that he was impressed by her charm.

Thinking about it now, Shen Rou suddenly felt like a joke.

Without her identity as Gong Zeli's savior, she was no different from the others.

So the special treatment she'd received all those years was all thanks to Qiao Mianmian?

Shen Rou couldn't accept this.

Qiao Mianmian was nothing.

How could she take advantage of her?

"Qiao Mianmian, why do you have to snatch everything from me! Why! You stole Mo Yesi and Gong Zeli. You stole the two men I care about the most. I, Shen Rou, will never forgive you in this life!"

If it wasn't for Qiao Mianmian, Gong Zeli wouldn't have known that she'd lied to him.

She'd lied to him for so many years, but he hadn't realized it. Why did he suddenly realize it now?

Qiao Mianmian must have said something to him.

Although she had lost Mo Yesi, she still had Gong Zeli by her side.

But now, even Gong Zeli had left her.

And it was all because of Qiao Mianmian.

At this moment, the only thing Shen Rou wanted was to kill Qiao Mianmian.

...

Qiao Mianmian met Bai Yusheng on her way back.

She was about to greet him when she saw a woman standing opposite him.

Qiao Mianmian didn't want to eavesdrop, but they weren't speaking softly. Moreover, she wasn't too far away from them, so she accidentally overheard their conversation.

Qiao Mianmian was surprised.

From their conversation, Bai Yusheng seemed to have a special relationship with that woman.

“Gu Sheng, we’re not enemies, right? Do you have to be so cold to me?” Bai Yusheng blocked Gu Sheng’s way in the corridor and looked at her unhappily.

He was especially unhappy when Gu Sheng said that she wasn’t familiar with him.

He felt that he had to find her and clarify things. Otherwise, he probably wouldn’t be able to sleep tonight.

They weren’t close?

They’d been good friends for five years. How did they become strangers now?

Gu Sheng didn’t expect Bai Yusheng to stop her. She was stunned for a few seconds before replying coldly, “I’m sorry, I’m like this to everyone. If Mr. Bai came to look for me just to ask such a question, I’ll feel that you’re bored.”

“You’re like this to everyone?” Bai Yusheng couldn’t help but sneer. “Gu Sheng, you’re f\*cking lying through your teeth. You smiled so sweetly at that baldy just now that your face was about to rot.. You turned around and didn’t even smile at me. Now you’re telling me that you’re like this to everyone?”

#### **Chapter 2196: If You Don’t Answer Me, I Won’t Let Go**

Gu Sheng frowned. “Bai Yusheng, please respect others. What bald head? He has a name.”

“If he’s not bald, what is he? Ha, are you anxious because I’m saying that he’s bald? Gu Sheng, could it be that you like that baldy? I remember that you didn’t have such low standards in the past.”

Gu Sheng’s expression changed.

She said angrily, “Bai Yusheng, I’ve taken a liking to him. What has it got to do with you? My low standards have nothing to do with you. Get out of my way. I have nothing to say to you.”

Gu Sheng could hardly believe that Bai Yusheng had become like this.

In her impression, he wasn’t such a foul-mouthed person.

Bai Yusheng stood still.

Seeing that he showed no reaction, Gu Sheng got even angrier. “Bai Yusheng, what are you trying to do?”

“Why did you say to that baldy that you’re not familiar with me? Also, why did you agree to have dinner with him? Gu Sheng, that man isn’t suitable for you. He’s not worthy of you. No matter how much you want marriage, you can’t get together with someone like that.”

Bai Yusheng didn’t know what he was trying to do.

He didn’t even know why he came over to speak to Gu Sheng.

It didn’t matter what kind of man Gu Sheng wanted, that was her own business.

But Bai Yusheng felt that that baldy wasn't worthy of her. As Gu Sheng's friend, he couldn't watch her fall into the pit.

Women were sometimes blinded by love.

As a friend, he had to remind her.

That baldy didn't look good, and his character wasn't good either. He was looking at Gu Sheng with eyes full of lust.

He was obviously a bad person.

Gu Sheng was stunned for a few seconds.

"What has all of this got to do with you? So what if that man isn't good enough for me? Does this have anything to do with you? What kind of man I want to get together with is my business, it has nothing to do with you. Also, did I say something wrong? Are we very familiar with each other? I'm sorry, we only know each other, and we're just ordinary friends.

"Please move aside, I have something on."

Gu Sheng tried to push him aside, but Bai Yusheng grabbed her wrist.

Gu Sheng was stunned for a while and then growled angrily. "Bai Yusheng, what are you doing? Let go of me."

"Then, answer me. Will you really have dinner with that baldy?"

"It has nothing to do with you. Let go!"

"If you don't answer me, I won't let go."

"Why do I have to answer you? I'm not your woman. If you don't let go, I'll scream that you're molesting me."

"Then, do it." Bai Yusheng didn't panic at all. He continued holding her wrist. "Scream. I want to see if anyone will believe that I'm molesting you."

Gu Sheng didn't expect him to be so thick-skinned.

She struggled a little, but it was useless. In her anger, she grabbed his hand and bit it.

Bai Yusheng didn't expect her to do this. Gu Sheng bit him hard on the back of his hand, making him grunt in pain.

"Brother."

Qiao Mianmian was shocked to see this.

Bai Yusheng turned around in shock.

At this moment, Gu Sheng freed her hand from his grasp and ran away.

**Chapter 2197: Is That Lady Still Single?**

“Damn it.” Bai Yusheng turned around and saw that Gu Sheng had already disappeared.

“Brother, are you alright?” Qiao Mianmian ran to him and looked down. She saw that the back of his hand was stained with blood and was shocked. “Y-You’re bleeding. We have to bandage it.”

Gu Sheng’s bite was a little harsh.

Bai Yusheng’s hand was bleeding.

Qiao Mianmian’s face turned pale as she saw the blood on the back of his hand.

Bai Yusheng didn’t seem to care. He looked down and said casually, “I’m fine, it’s just a small injury. You don’t have to worry. Mianmian, why are you here? Aren’t you with Yesi?”

“I went to the washroom.” Qiao Mianmian was afraid that he would think that she was eavesdropping. Without waiting for him to ask anything, she immediately explained, “Brother, I didn’t mean to eavesdrop on you and that lady. I was just passing by and...”

“Brother, who’s that lady? Do you... know her?” Qiao Mianmian felt that she was asking nonsense.

How could they speak like that if they didn’t know each other?

She was curious about their relationship.

She felt that there was something ambiguous between them.

They didn’t seem like ordinary friends.

Bai Yusheng was silent.

“If it’s inconvenient, then don’t say it. I’m just asking...”

“It’s not inconvenient. You’re my sister, I can tell you anything. That lady just now... we do know each other. She’s an old acquaintance of mine. We’ve known each other for five years, and our relationship is pretty good. She’s been overseas for the past few years and only came back recently.

“Mianmian...” Bai Yusheng looked up at her. “How much did you hear just now?”

“Uh...” Qiao Mianmian blinked guiltily. “I-I heard you ask her why she said she wasn’t familiar with you. I also heard you trying to persuade her not to be with a baldy. That’s it.”

Bai Yusheng was speechless.

“Brother, I really didn’t mean to eavesdrop!” Qiao Mianmian raised her finger and clarified. “I was really just passing by and saw you chatting with that lady. I wanted to come over and greet you, but I was afraid I’d disturb you.”

Bai Yusheng smiled and rubbed her head. “What’s the rush? I didn’t say anything. I won’t be angry even if you eavesdropped. Alright, let’s go back together.”

“But your wound...” Qiao Mianmian frowned and said worriedly, “You’d better bandage it. The wound will get inflamed if it’s exposed like this.”

“Mm, I know. I’ll handle it.”

The siblings turned around and slowly walked towards the hall.

“Brother...”

“Mm?”

“I think the lady just now is pretty and charismatic.”

Bai Yusheng was speechless.

He turned to look at the little girl beside him and asked, “Mm, so?”

“Brother, is that lady still single?” Qiao Mianmian asked.

Bai Yusheng was stunned. He thought of something and frowned. A few seconds later, he replied, “Probably.. I haven’t contacted her for a few years, so I don’t know much about her love life.”

### **Chapter 2198: I Don’t Like Her**

“I think she’s single.” Qiao Mianmian analyzed based on her own experience. “Otherwise, she could directly tell you that she has a boyfriend. And if she does, she wouldn’t agree to go out on a date with another man.”

Bai Yusheng felt that his strange sister was hinting at something. He couldn’t help but ask, “Mianmian, what are you trying to say? Why are you beating around the bush?”

“Uh...” Qiao Mianmian bit her lip and looked up at him. She sniffed and said, “Brother, is my motive that obvious? Did you see through it so quickly?”

“I knew you were plotting something.” Bai Yusheng knocked her on the head gently. “Tell me, what are you planning? Why are you so concerned about her being single?”

“Actually, I don’t care if she’s single. After all, whether she’s single or not has nothing to do with me.” Qiao Mianmian thought for a while and decided to be honest. “Brother, I’m anxious for you.”

Stunned, Bai Yusheng raised an eyebrow. “Anxious for me?”

“Mm.” Qiao Mianmian nodded. “Brother, do you... like that sister? If you like her, then hurry up and chase her. I think she’s very outstanding. What if you don’t seize the opportunity and loses the chance?”

Bai Yusheng coughed.

“Brother, I’m serious. Such an outstanding young lady must be being pursued by many people. Fate is just a moment away. If you miss it, it’s gone. If you like her, don’t leave any regrets for yourself.”

“Who told you that I like her?” Bai Yusheng coughed for a while before stopping and looking at her expressionlessly.

He liked Gu Sheng?

What a joke.

He and Gu Sheng were just friends, there was no romantic relationship.

If he liked her, he would have chased her a few years ago.

Gu Sheng wasn't his type.

"No one told me, I saw it myself." Qiao Mianmian stopped in her tracks and looked up. She blinked and then tried to persuade her brother. "Brother, don't be embarrassed to admit it. I really saw it. It's not embarrassing to like someone. If you really like her, hurry up and chase her."

Bai Yusheng frowned. "Little girl, what nonsense are you talking about? I don't like her."

Qiao Mianmian blinked again in disbelief. "You don't like her? Then why do you care who she dates?"

"You don't understand."

"What do I not understand? You're just interested in her. Otherwise, why would you mind her eating with another man?"

"I don't mind it, I just don't want to see my friends jump into the fire pit. Gu Sheng is about the same as you in my eyes. She's just a little sister, don't talk nonsense anymore."

"I've known her for so many years, if there was anything, it would have been long ago. Understand?"

Qiao Mianmian was speechless.

Why did she feel that this wasn't the case?

But she didn't want to argue about it anymore.

"Alright, I guessed wrong. I won't say anymore."

Bai Yusheng didn't say anything else.

But just as they were about to reach the entrance, Qiao Mianmian suddenly heard him ask, "Mianmian, when you choose someone, do you value their appearance?"

### **Chapter 2199: She Wanted to Agitate Bai Yusheng**

Qiao Mianmian was speechless.

Her brother was...

But she was stunned for less than three seconds before realizing why Bai Yusheng suddenly asked this question.

Her brother was definitely a proud man.

He obviously cared about her a lot, yet he still said that she was just a sister.

"Of course I do. But if I really like someone, I won't care so much about their looks. After all, isn't there a saying that good-looking people have the same looks and interesting souls? I think inner beauty is more important than exterior looks."

Qiao Mianmian said that on purpose.

Then, she successfully saw the arrogant person's expression change.

"Inner beauty is more important than exterior looks?"

"That's right. To me, a person's character and talent are the most important. Appearance is secondary." Actually, she liked good-looking people. It was just that she wasn't as exaggerated as Jiang Luoli.

Of course, she wouldn't tell the truth.

"So, even if it's a man with a good personality and talent, you might agree to date him?"

"If he's really talented, I would consider it. Anyway, no matter how handsome he is, I'll get tired of beauty over time. But it's different with talent. This can increase his value for life."

Bai Yusheng kept quiet.

So, Gu Sheng was also a woman who valued men's talent and character over appearance.

Would she choose to be with a man because of his interesting soul?

It seemed like it.

Gu Sheng herself was a very talented woman. She should pay more attention to her other half.

Although that baldy wasn't good-looking, he might be outstanding in other aspects.

At this thought, Bai Yusheng suddenly felt a little frustrated.

When Gu Sheng was overseas, he wasn't bothered by her finding a partner.

But now that she was back in the country and he could still look after her, he was actually upset about this.

Qiao Mianmian felt a little bad for her brother.

But she also felt that if she didn't agitate this arrogant man, he wouldn't know when he could see through his heart.

At this thought, she felt that she hadn't done anything wrong.

Bai Yusheng was 30 this year.

When she returned to the Bai family previously, Mother Bai was worried about Bai Yusheng's marriage. She said that he only knew about his career and didn't even consider finding a girlfriend.

Qiao Mianmian was married now and had a good husband who pampered her. She felt the happiness of a family.

She naturally hoped that her brother could find a girl he liked and have a happy family in the future.

She hadn't seen her brother interested in anyone.

Now that she saw it, she definitely had to help him.

As for whether she could succeed, that would depend on her brother's performance.

...

Back in the living room, Qiao Mianmian and Bai Yusheng parted ways.

When Qiao Mianmian found Mo Yesi, he wasn't surrounded by so many people anymore.

But there were still two or three people around him discussing something.

Those people looked older than him, but they were very respectful.

They were all listening attentively to Mo Yesi's words, and no one dared to interrupt him.

### **Chapter 2200: Who Doesn't Like Beautiful Women?**

Although Mo Yesi was much younger than them and they were considered elders in the industry, status and achievements in business weren't based on age.

Although Mo Yesi was a junior, his status in the business world was far superior.

Even Old Guo had to be polite to him.

The few of them were still talking to Mo Yesi. Just as Qiao Mianmian was hesitating about whether to go over or not, Mo Yesi saw her.

He glanced at Qiao Mianmian and immediately cut off the few of them. "Everyone, let's talk about this later. My fiancée is here, I have to accompany her."

When he mentioned Qiao Mianmian, his eyes were full of affection.

Especially his gentle smile, the men around him were stunned.

The Mo Yesi they knew never smiled. He was a young man in his twenties, but he always had a cold expression on his face. That cold and unapproachable look made them feel a little guilty.

When had they ever seen Mo Yesi smile?

This was the first time, so they were a little stunned.

It wasn't strange to say that a hero couldn't resist the charms of a beauty. No matter how powerful a man was, in front of the woman he liked, he could turn steel soft.

It seemed like Mo Yesi really liked his fiancée.

The few of them turned around and saw Qiao Mianmian standing not too far behind them. At that moment, they felt as if flowers were blooming in their eyes. All that beautiful scenery in just one glance.

Beautiful. Really beautiful.

At their age, they had seen many beauties.

But they were still stunned by this girl.

There wasn't a lack of beauties, but there weren't many that could be considered stunning.

Although this girl looked a little young, it didn't affect her beautiful face. Moreover, she already looked like this at this age. In a few years, she'd probably be even more impressive.

No wonder even a man like Mo Yesi fell for her.

Who didn't like a beautiful woman?

But how could an ordinary person have her?

They didn't dare to say otherwise and quickly found an excuse to leave.

Mo Yesi smiled and walked towards Qiao Mianmian.

As for Qiao Mianmian, she was pulled into Mo Yesi's arms under the envious and jealous gazes of the women around.

"I'm sorry, Baby. I had something to attend to just now, so I couldn't stay by your side. Now that I'm done, I can spend more time with you." Mo Yesi didn't care about the stares as he affectionately tidied Qiao Mianmian's hair.

Qiao Mianmian felt a little embarrassed.

She pursed her lips and coughed. "Are you done?"

"Mm."

"Is there nothing else?"

"Mm."

"Then, can we leave now?" Qiao Mianmian didn't like attending such events. She was exhausted from dealing with those socialites.
