

Big Shot 2201

Chapter 2201: That's Too Much Pampering

She was afraid that the group of socialites would look for her again.

She realized that she wasn't suitable for the upper-class society.

She didn't like the topics that socialites liked.

She didn't like what the rich ladies liked to do.

They seemed to be from two different worlds.

She was exhausted from the conversation.

Hence, the only thing Qiao Mianmian wanted to do now was to leave.

"Of course." Mo Yesi patted her head affectionately. "If you don't like it, we'll leave right now."

"Won't it affect you?"

"No."

"Alright, let's go now." Qiao Mianmian relaxed a little.

Mo Yesi nodded and was about to turn around when a middle-aged man walked towards them.

"Mr. Mo, Miss Qiao, are you leaving?" The middle-aged man greeted them respectfully.

"Mm, we're leaving. What's the matter?" Mo Yesi nodded.

"Old Guo asked me to come and tell you that there's still an auction. Old Guo hopes that you can stay for the auction. If you have nothing urgent to attend to, can you stay for a while?"

"An auction?"

"Yes, it won't take long. Perhaps something you two are interested in will appear. Why don't you stay and take a look?"

Mo Yesi was the most important guest tonight.

He was also the most wealthy.

Without him, there would be one less powerful bidder.

Mo Yesi didn't answer immediately. Instead, he turned to Qiao Mianmian. "Are you interested?"

Qiao Mianmian thought for a few seconds before saying, "Why don't we take a look? We can always leave if it's not interesting."

Qiao Mianmian had never attended an auction before.

She wanted to leave because she felt the banquet was too boring.

But she was willing to stay for a while if something was interesting.

“Alright.” Mo Yesi followed her opinion. Seeing that Qiao Mianmian seemed interested in the auction, he said to the middle-aged man, “Since my fiancée wants to stay, we won’t be leaving for now.”

The middle-aged man smiled and nodded. “Mr. Mo, Miss Qiao, please follow me. Old Guo has arranged the best seats for the two of you.”

A moment later, Qiao Mianmian and Mo Yesi left with the middle-aged man and headed for the auction venue.

As they walked further away, everyone around them exclaimed in envy.

“Did you guys see that? Who said that Mo Yesi isn’t interested in women? I think he pampers his fiancée to the skies. Not to mention public displays of affection, his fiancée can do whatever she wants. That’s too much pampering.”

“Yes. His fiancée said she wanted to leave, and he immediately agreed. She said she wanted to stay, and he immediately changed his mind. I feel like he values his fiancée very much and prioritizes her in everything. I really didn’t expect such a cold and unreasonable man to pamper his woman like this.”

“Of course. The way he looked at his fiancée was so gentle. I didn’t expect a man like Mo Yesi to be so passionate.. If he looked at me like that, I’d probably faint right away.”

Chapter 2202: Not Many People Pays Attention to Her Anymore

“This is a gentleness that Miss Shen will never get. Us irrelevant people are so envious of her. I wonder how she feels when she sees it. She probably won’t be able to sleep tonight.”

“Don’t say anymore. Can’t you see that Shen Rou’s expression is already terrible?”

“Sigh. In my opinion, she shouldn’t have come tonight. Isn’t she only being bullied? She used to be in the limelight everywhere, but now that she’s been bullied, I actually feel a little appeased.”

“Let’s not talk about her. There’s nothing much to say. I heard that there are many good things in the upcoming auction. The auction is about to begin, let’s go and take a look.”

“I heard that there’s even a set of jewelry worn by a medieval princess. I wonder if it’s true.”

The few women were instantly interested when they talked about jewelry. As they spoke, they walked towards the auction venue.

On the other side.

Shen Rou was surrounded by a few men who had feelings for her. They were all flattering her, but Shen Rou didn’t have the pride and joy from before.

Because the satisfaction these things gave her was far less than the blow she received from Qiao Mianmian.

Qiao Mianmian became the center of attention tonight.

Qiao Mianmian was in the limelight tonight.

Everyone was focused on her.

And Shen Rou was like an outdated celebrity. Not many people paid attention to her anymore.

She no longer had the glory of the past.

Everything that originally belonged to her was taken away by Qiao Mianmian.

Shen Rou didn't hear what the men around her were saying. She watched as Qiao Mianmian and Mo Yesi were led out of the hall, thinking about how to take revenge on Qiao Mianmian.

"Miss Shen, Miss Shen—"

The men around her talked for a while, but Shen Rou didn't respond. Then, they saw her looking in a certain direction.

The direction of the auction venue.

Shen Rou only snapped back to her senses after being called a few times.

"What's Miss Shen looking at? Is Miss Shen interested in tonight's auction?"

Shen Rou was stunned. "Auction?"

"That's right. Old Guo even prepared an auction. The auction is going to start soon. Miss Shen, do you want to take a look?"

...

The auction was held elsewhere in the manor.

Mo Yesi, Gong Zeli, Bai Yusheng, and Yan Shaoqing had already arranged the best seats for themselves.

When Qiao Mianmian and Mo Yesi arrived at the auction hall, some people were already there.

Yan Shaoqing was there, too.

His seat was in the same row as theirs.

Seeing them approach, Yan Shaoqing waved at them. When Qiao Mianmian and Mo Yesi were seated, Yan Shaoqing asked with interest, "Second Bro, Sis-in-law, do you have anything you're interested in tonight?"

Qiao Mianmian was confused.

She had no idea what was being auctioned tonight.

Mo Yesi said calmly, "I'm just looking around. If you're interested in anything, just go for it."

"I heard there's a set of jewelry tonight. It's a beloved item of a former princess consort. That set of jewelry was a love token given to her by the King at first sight!"

Chapter 2203: Notoriously Clean

"That set of jewelry means a lot." Yan Shaoqing winked at Mo Yesi.

“Second Bro, I think you can pay attention to it.”

Qiao Mianmian asked curiously, “Which Princess Consort?”

“I don’t know. I think her name is Eleena. Anyway, the king loves her so much that she’s the only woman in his life. This must be what you women want the most.”

“Eleena? I know. I’ve seen some things about her.”

“Sis-in-law, you know her.”

“Mm.” Qiao Mianmian nodded and smiled. “According to historical records, this Princess Consort was indeed very favored. She was the only woman in the King’s life. But she died young. A year after her death, the King also passed away because of lovesickness.”

“Tsk, tsk, tsk.” Yan Shaoqing sighed. “I didn’t expect such a devoted man to exist in such an era. How rare.”

“Yes, it was rare back then.”

“It’s hard to come by now. Not to mention a man with supreme power, how many men who have money in their hands aren’t playboys? Let’s not talk about anything else. In our circle, who doesn’t have a few flings?

“I don’t know anyone more devoted to relationships.”

Qiao Mianmian was speechless.

She didn’t say anything and just looked at Mo Yesi meaningfully.

A few seconds later, she asked, “Is everyone in your circle like this? Is there no man who’s loyal to his partner?”

Mo Yesi immediately understood what she meant. “I’m not sure about others, but I can guarantee that I’m not like this.”

Mm.

Qiao Mianmian wanted to laugh at his anxious explanation.

She didn’t say anything, but he looked afraid that she would misunderstand.

She knew her husband very well.

She never doubted him.

She just felt that if what Yan Shaoqing said was true, then she was really lucky to have met Mo Yesi.

She wasn’t worried at all.

“Sis-in-law, Second Bro isn’t included in the list of people I’m talking about. Second Bro is absolutely loyal to you. Don’t doubt his loyalty to you. Second Bro is famous for his cleanliness in our circle. After he married you, he didn’t even look at other women.” Yan Shaoqing immediately helped Mo Yesi clarify the matter after receiving his warning glance.

His second brother's gaze was scary.

The general idea was that if he didn't explain it clearly, he would have to bear the consequences.

Yan Shaoqing wasn't even afraid of his father, only Mo Yesi. How could he not quickly explain himself?

He even had to compliment him.

"Is that so?" Qiao Mianmian smiled at Mo Yesi. "So, he's an exception in your circle?"

Yan Shaoqing immediately nodded. "That's right. Second Bro is notoriously clean in our circle! Sis-in-law, you can rest assured about him. I promise you that Second Bro is definitely a reliable man.

"Really, you have to believe me!"

Chapter 2204: You Have to Cherish Me

"Really?" Qiao Mianmian smiled and looked at Mo Yesi. "Then, aren't I very lucky to meet you and even become your wife?"

Mo Yesi smiled. "You just found out.

"Baby, there aren't many rare items like me in this world. So, you have to cherish me."

Qiao Mianmian was speechless.

He wasn't humble at all.

But Mo Yesi had the right to be proud.

Qiao Mianmian knew that Yan Shaoqing wasn't exaggerating.

Mo Yesi was indeed a rare gem in their circle.

Qiao Mianmian didn't know much about others, but she knew that Yan Shaoqing and Gong Zeli had a lot of women around them.

It wasn't an exaggeration to say that changing women was like changing clothes for them.

Most importantly, they were very close to Mo Yesi.

But Mo Yesi wasn't led astray by them.

Hence, it was even rarer.

Qiao Mianmian felt that she really should cherish such a treasure.

"Yes, Sis-in-law. It's hard to find a good man like Second Bro. You have to treat him well." Yan Shaoqing didn't forget to flatter him.

"Of course I'll treat him well." Qiao Mianmian smiled. "He's my husband. If I don't treat him well, who will I treat well?"

Mo Yesi seemed moved by her words. He reached out and pulled Qiao Mianmian into his arms.

“Baby.”

Yan Shaoqing was speechless.

He felt a little upset.

Couldn't he take care of him?

He was sitting here alone, did they not see him?

He didn't take him seriously.

Was he bullying him for not bringing a date tonight?

If he'd known, he would've brought a beautiful woman with a hot figure. Then, he wouldn't have to eat other people's dog food.

Yan Shaoqing didn't know why he didn't bring a female companion tonight.

He used to bring them along.

A different beauty for every banquet.

But now, he suddenly felt that it was boring and wasn't in the mood anymore.

Especially when he saw how loving Qiao Mianmian and Mo Yesi were.

He also wanted someone like that by his side. It didn't matter what he did, as long as there was someone by his side.

He wanted someone he truly liked.

Not a random woman.

Yan Shaoqing suddenly thought of something.

When he realized that he was thinking about that damn woman again, his expression changed slightly. He frowned and immediately forced himself to focus on other things.

...

The auction was about to begin, and more and more people entered the auction hall.

Shen Rou walked into the hall with the others and immediately saw Qiao Mianmian and Mo Yesi in the most eye-catching row.

“Miss Shen, this is your seat.”

Shen Rou was also one of the VIPs tonight. Her seat had been arranged long ago.

She was sitting in the row behind Qiao Mianmian and Mo Yesi, together with one of her admirers who had talked with her before.

Chapter 2205: I Really Want to Stab Qiao Mianmian in the Heart

Their seats were next to each other.

After they were seated, the man smiled and asked, "Miss Shen, you've attended an auction before, right?"

Shen Rou was a little distracted. After a while, she replied, "Mm."

The man asked again, "What's Miss Shen interested in this auction? I think you women are more interested in jewelry or pretty ornaments."

"As long as it's something valuable, I'm interested." Shen Rou didn't want the man to see her as a superficial woman. Thus, she smiled and said, "I've done some research on paintings, jewelry, instruments, and antiques. I like them all."

The man was stunned for a while before looking at her with admiration. "I didn't expect for Miss Shen to be so learned. Miss Shen is indeed a daughter of a rich family and has extraordinary knowledge. The other women I know who are also participating in the auction aren't interested in anything other than jewelry."

Shen Rou smiled. "Girls usually like these things. It's fine if they like jewelry."

"That's true." The man immediately went along with her. "After all, jewelry is a more beautiful accessory for women. I heard that a few sets of jewelry are being auctioned tonight, one of which is Princess Eleena's favorite necklace and earrings. I wonder if Miss Shen has heard of Princess Eleena?"

"The legendary princess consort who was so beautiful that the king fell in love with her at first sight and only married her in his life?"

"Yes, her."

"I've read some of her biography," Shen Rou said.

"Miss Shen, do you know about that set of jewelry?" the man asked.

Shen Rou smiled and nodded. "I've seen some biographies and photos of that set of jewelry. It's indeed a very beautiful set of jewelry, but I've never seen the actual thing."

"Then, we can see it tonight." The man looked at Shen Rou's expression and said, "Miss Shen, if you like that set of jewelry, have you considered taking it?"

"You don't have to have everything you like." Shen Rou's eyes were calm, without much desire.

"Moreover, it's probably not cheap. There are so many competitors tonight, it's not easy to get it."

The man had already made up his mind.

Shen Rou wasn't in the mood to continue chatting with him.

She looked up and saw Qiao Mianmian and Mo Yesi in the front row. Mo Yesi was holding Qiao Mianmian's shoulder with one hand, gently combing Qiao Mianmian's hair with his slender fingers.

Qiao Mianmian leaned in his arms and said something to him. He lowered his head to listen, and his side profile was full of gentleness and affection.

That gentleness and affection were like a stab to Shen Rou's heart.

She clenched her fists.

If she had a knife in her hand now, she really wanted to stab Qiao Mianmian in the heart.

The man beside her saw her pale face and thought that she was unwell. He immediately showed his concern and asked, "Miss Shen, are you unwell? Do you need to see a doctor?"

"No, it's nothing." Shen Rou bit her lip and looked away.. She controlled her emotions and said, "Perhaps the cold air in the hall is too strong."

Chapter 2206: If You Don't Know How, I'll Teach You

"Miss Shen, do you feel cold?" How could the man miss such a good opportunity to perform? He immediately took off his suit jacket and wanted to put it on her. "Miss Shen, put on my jacket. Don't catch a cold."

Just as the man's coat was about to touch her, Shen Rou's eyes flashed with disgust and she reached out to block it.

"Chairman Chen, there's no need. It's cold in the hall, you'd better wear it yourself. I'll get someone to get me a blanket." Shen Rou immediately called a staff member over. "I'm a little cold, please get me a blanket."

"Alright, Miss Shen. Please wait."

The employee immediately went to get her a blanket.

The rejected man was still holding the jacket, looking a little embarrassed.

He could tell that Shen Rou was still concerned about Mo Yesi.

This made him even more determined to do something to please her tonight.

...

A while later, the auction officially began.

The first item was a painting. It was the work of a famous artist in the Republic of China.

It was a landscape painting.

Although it was from the Republic of China, and it wasn't an antique, the artist was rather famous, so the price wasn't low.

The starting price was 500,000 yuan.

The venue wasn't short of money, and in less than 10 minutes, the painting was finally auctioned off for two million yuan.

The second item was a blue and white porcelain vase.

It was quickly bought for 5 million.

Although many people participated in the bidding for the first few items, they didn't attract much attention.

This auction was small-scale, so not many items were being auctioned.

"You don't like it?" Mo Yesi turned around and asked Qiao Mianmian. "If you're interested, you can join in. Do you know how to bid? If not, I'll teach you."

Qiao Mianmian was about to speak when she heard the person on stage introduce excitedly. "I believe most of the ladies present are very interested in this treasure that we're going to auction next. This is also the finale for today's auction."

"That's right. I'm talking about the set of sapphire jewelry you're looking at now. This set of jewelry was a love token given to his favorite woman, Queen Eleena, by King Henry VII of the Middle Ages. It later became Queen Eleena's favorite set of jewelry. There's even a sentence engraved on this set of jewelry, 'Love of Life.' Later, Henry VII really fulfilled his promise to Queen Eleena. He only loved her in his life.

"So, this set of jewelry also symbolizes loyal love. I know that many people are interested in this set of jewelry, but I don't know who will win it in the end. Alright, let's move on to the auction.

"Queen Eleena's favorite jewelry set starts at 10 million yuan. Everyone can start bidding."

The jewelry set was placed under the strong light and displayed to the audience.

The blue gem was like the eyes of a fairy in the deep sea.

Sapphires weren't rare, but the one in the jewelry on stage was a thousand times more beautiful.

It was the best sapphire.

The entire set was mainly made of sapphires, with other gems embedded at the edges.

Chapter 2207: Is He Pursuing Shen Rou?

Under the bright light, the gemstones were so bright that they were almost blinding.

"Wow, it's so beautiful."

"So beautiful."

The women in the venue were all amazed by the jewelry set.

Qiao Mianmian also stared at the stage and couldn't help but sigh. "It's pretty. No wonder it became Queen Eleena's favorite jewelry set."

Yan Shaoqing gave Mo Yesi a look.

Mo Yesi looked up at the stage and quietly said, "You like it?"

Qiao Mianmian felt her ears itch.

She looked up and casually said, “Mm, I do.”

Which girl didn't like shiny things?

And this jewelry set had been around for hundreds of years, but its luster was still so good.

“Alright.”

With that, Mo Yesi picked up the bidding sign and prepared to bid.

“Wait.” Qiao Mianmian suddenly reacted and grabbed his hand. “What are you doing?”

Mo Yesi looked at her. “I'll buy this jewelry set for you.”

Qiao Mianmian was shocked.

She didn't say she wanted it.

Was he planning to bid for it just because she said she liked it?

She really liked it, but she never thought of bidding for it.

This jewelry set was beautiful, but it wasn't suitable for daily wear. It'd probably be kept locked at home.

The starting price was 10 million yuan.

She wondered how much it would cost.

Qiao Mianmian didn't feel the need to spend so much money to get it for her collection.

Even though she knew that her husband was very rich.

“Why? I didn't say I wanted it.”

“Didn't you say you liked it?”

“I do, but it's not like I have to have it.”

“Since you like it, then take it.”

“I just think this jewelry set looks good. Don't bid for it. I won't wear it even if you buy it. Why waste money?”

Qiao Mianmian wanted to snatch the bidding sign from Mo Yesi.

At this moment, she heard a man's voice behind her. “11.5 million.”

The voice was very close.

Qiao Mianmian turned around and saw a man sitting in the row behind them.

She even saw Shen Rou.

She was sitting beside him.

Qiao Mianmian heard Shen Rou ask the man, "Chairman Chen, are you interested in this jewelry set? Are you buying it for someone?"

The man turned and looked at her affectionately. "Miss Shen, didn't you say you liked it? I'm buying it just to make you smile."

"Chairman Chen, are you giving it to me..."

"As long as Miss Shen likes it, I'll buy it for you. Moreover, I don't think there's anyone else more suitable besides Miss Shen to wear it."

The people around heard their conversation and were envious.

"Who's that man? Is he pursuing Shen Rou? How generous."

"Don't you know? That's the Young Master of the Yuanheng Corporation. The Yuanheng Corporation has been developing well these few years, and they have a lot of money. Although he isn't as handsome and rich as Mo Yesi, he's not bad. He's a good marriage prospect."

Chapter 2208: What Can They Use to Fight With Her?

"That's why Young Lady Shen is Young Lady Shen. She's never short of suitors, and they're all eligible."

"That's right. After all, the Shen family has already survived the crisis. There are still many people willing to marry her. Speaking of which, Shen Rou's conditions are still very good. As long as the Shen family doesn't have any problems, she'll still be the Young Lady of the Shen family that many men pursue. So, don't mock her. No matter what, her life won't be bad. Even if she can't marry Mo Yesi, the man she marries in the future will definitely be good."

"That's true. She can't marry Mo Yesi, but she can't possibly marry someone with poor qualifications. I can only say that she definitely can't find a man with better qualifications than Mo Yesi. But it's not a problem to find someone with good qualifications."

"That jewelry set is really nice. Aren't you going to bid for it?"

"The starting price is 10 million yuan. I'm sure it'll reach 30 million. Forget it, let's just watch the fun. It's too extravagant for me to spend tens of millions on a jewelry set. After all, we don't have such good lives. There aren't any men willing to buy it for us."

"Say, if Qiao Mianmian also likes this jewelry set, won't the situation be especially interesting later?"

"Qiao Mianmian? If she likes it too, then Shen Rou definitely won't have a share. The sum of her and that man's entire wealth can't compare to Mo Yesi's wealth. Moreover, Qiao Mianmian has the Bai family behind her. What can they use to fight with her?"

"Now that you mention it, I suddenly want to see Qiao Mianmian bid for that jewelry set, too."

In the front row.

After the man beside Shen Rou placed a bid, another elegant woman quickly joined in.

"11 million yuan. Madam Rong has offered 11 million yuan. Is anyone willing to bid higher?"

“12 million.” The man beside Shen Rou raised the bidding sign without hesitation.

Madam Rong didn’t back down and immediately placed a higher bid. “15 million.”

She raised three million in one go.

Someone exclaimed, “15 million. Madam Rong has bid 15 million. Is there anyone who wants to bid higher?”

The man beside Shen Rou frowned, but he quickly raised his bid again. “18 million.”

“18 million! Mr. Chen has already bid 18 million! Is there a higher bid?” the person on stage said excitedly.

Madam Rong frowned.

She really liked that jewelry set. Before coming to the banquet, she was filled with confidence.

But this price made her hesitate.

If this continued, this jewelry set would exceed 20 million yuan.

Even if it was Queen Eleena’s favorite set, and it had an extraordinary meaning and was worth collecting, if she had to spend more than 20 million, she had to consider if it was worth it.

Madam Rong hesitated for a while before looking up at the dazzling jewelry on the display stand.

She still liked it. She would do it one last time.

She hesitated for a moment before raising her bid again. “20 million.”

Chapter 2209: Her Desire to Win

Madam Rong set a final price for herself.

If it exceeded 20 million, she would give up on it.

“20 million! Is there anyone bidding higher than Madam Rong?”

This figure made the man beside Shen Rou hesitate.

After all, although he wanted to make Shen Rou happy, she hadn’t confirmed anything with him yet.

Was it worth it to spend 20 million on a woman?

Just as the man was hesitating, the discussions started again.

“Do you think Young Master Chen will continue bidding? I think he’s hesitating.”

“He’s bidding for this jewelry set for Shen Rou, right? Now that everyone knows about this, wouldn’t Shen Rou feel embarrassed if he gave up?”

“That’s right. If it was Mo Yesi, he’d probably spend a hundred million yuan to get it. If he doesn’t, it means that Shen Rou’s worth is only 20 million yuan in his heart. Isn’t this a slap to her face?”

This group of people discussed as they watched Shen Rou.

Shen Rou wasn’t interested in the man beside her.

Hence, she didn’t feel anything about him spending money on jewelry to please her.

But hearing the discussions around her, her expression changed.

Seeing that this group of people seemed to be waiting to see her make a fool of herself, she bit her lip. Her competitive spirit was triggered, and she couldn’t stay calm anymore.

She turned around and pretended not to know that the man was bidding for the jewelry to please her. She whispered to him, “Chairman Chen, this set of jewelry is very beautiful. I like it very much. Chairman Chen, can you kindly stop raising the price? Give this jewelry set to me.”

“Miss Shen likes it?”

“Yes, this jewelry set is too beautiful. I liked it the first time I saw it. I want to take a picture of it. I wonder if Chairman Chen can...”

The man was entranced by her beautiful face.

Shen Rou lowered her voice as if she was whispering sweet nothings into the man’s ear. “Chairman Chen, can I? I really want this jewelry set.”

The man was still hesitating whether to continue bidding.

Hearing Shen Rou’s gentle voice beside his ear, he felt as if his bones were melting. He was so excited that his blood was boiling. He immediately said, “If Miss Shen likes it, I’ll give it to you.”

“How can I do that? How can I let you spend on something I want?” Shen Rou rejected him decisively.

The more she rejected it, the more the man wanted to give it to her.

“Why not? Miss Shen’s liking is more important than anything else. Such jewelry is meant for a beauty like Miss Shen. Besides Miss Shen, no one else is worthy of this jewelry set.”

“But it’s too expensive...” Shen Rou looked conflicted.

“As long as Miss Shen likes it, it doesn’t matter how expensive it is.” The man looked at her with infatuation and expressed his loyalty excitedly. “Miss Shen, please don’t reject me. Give me a chance to gift it to you.”

With that, as if afraid that Shen Rou would reject him again, the man immediately raised his bidding sign. “25 million.”

“Wow!”

The crowd gasped.

“Young Master Chen is so generous to Shen Rou. He must really like her.”

“No one should be participating in this bid anymore.. It seems like this jewelry set is going to fall into Shen Rou’s hands.”

Chapter 2220: You’re My True Love

“We don’t know what’s going on between them. Sometimes, being nice might help. What do you think?”

Qiao Mianmian thought for a while and nodded.

Alright.

She just wanted her brother to get into a relationship as soon as possible.

Mo Yesi made sense.

“I’m just afraid that my brother won’t be able to see through his heart and will do something he’ll regret. Since you say so, I won’t bother.”

Mo Yesi smiled. “If he really can’t see his own heart, it means that this relationship isn’t fated to be. Many things rely on fate. For example, you, Big Brother, and Jiang Luoli. When fate comes, what’s yours will always be yours. What shouldn’t belong to you can’t be forced.”

“Wow.” Qiao Mianmian blinked and sighed.

“Mm?” Mo Yesi raised an eyebrow. “What’s wrong?”

Qiao Mianmian couldn’t help but laugh. “Your words are so philosophical. I didn’t expect you to believe in fate, too. I thought you wouldn’t be so superstitious.”

“Mm? This isn’t superstition.” Mo Yesi knocked her on the head lightly. “I didn’t believe in this at first, but ever since I met you, I feel that fate does exist.”

Otherwise, how could he explain that he was allergic to other women but not her?

How could it be explained that after Mo Shixiu being single for 30 years and not liking anyone, Mo Shixiu found Qiao Mianmian’s best friend, Jiang Luoli?

He married Qiao Mianmian, and Mo Shixiu married Jiang Luoli.

And Qiao Mianmian and Jiang Luoli were best friends.

Some things were so coincidental that he had to believe in fate.

“Is that so?” Qiao Mianmian looked up and smiled. “So, you believe that I’m your destined one?”

“Mm, I do.” Mo Yesi smiled, looking at her with eyes full of love. “Baby, you’re my true love.”

Qiao Mianmian smiled in satisfaction and kissed him on the lips. “Then, you’re my true love too.”

“Oh right, how’s Chen Chen’s surgery going?” Qiao Chen was done with his college entrance examination and the surgery time was set. Although Mo Yesi was the chief surgeon and he promised her that the surgery would be successful, Qiao Mianmian was getting more worried as the surgery day approached.

She trusted Mo Yesi's skills.

But she was too worried about Qiao Chen.

"Of course not." Mo Yesi smiled and pinched her cheek. "Baby, didn't I tell you? Don't worry, Chen Chen's surgery will definitely be successful. After the surgery, he'll be like any normal person."

"I know." Qiao Mianmian sighed. "I just can't control myself and can't help but worry. Do you find me annoying? I've asked you so many times, but I still don't believe you."

"No." Mo Yesi's eyes were gentle. "You're worried about him because you care too much about Chen Chen. I understand."

Qiao Mianmian leaned into his arms. "Mm. Although Chen Chen isn't my biological brother, in my eyes, he's no different from one. Ever since our adoptive mother and grandmother passed away, Chen Chen and I practically relied on each other in the Qiao family. Chen Chen had a harder time than me when he was young, and now that he's back in the Mo family, he's really doing well, but his situation isn't very good. I really hope Chen Chen's life will get better."
