

Big Shot 2211

Chapter 2211: Suddenly Taken Away

Shen Rou and Chairman Chen stiffened.

Everyone looked in the direction of the voice.

At the front row, Mo Yesi calmly raised his bidding sign.

Seeing that, Yan Shaoqing smiled. "I knew it. Second Bro, I knew you'd definitely make a move. But you're too ruthless. If you were a second later, this jewelry set would have become someone else's."

"Mo Yesi, what are you doing?" Qiao Mianmian tugged at his sleeve and winked at him. "Didn't I tell you that I don't want it? Why are you bidding for it?"

She lowered her voice so that only the two of them could hear.

Mo Yesi looked down at her. "Don't you like it?"

Qiao Mianmian was speechless.

She did like it, but she'd told him that she simply thought it was nice and that she appreciated it.

This prodigal!

This was 30 million, not thirty thousand!

"Take it if you like it." Mo Yesi rubbed her head and smiled affectionately. "Moreover, I don't want others to call me a miser toward the woman I love. It's fine if they say I'm nothing, but I won't allow others to laugh at you.

"No one laughs at my woman."

Although Mo Yesi couldn't hear them clearly, he did hear some of them.

As he said, he didn't care what others thought of him.

But he couldn't tolerate others laughing at Qiao Mianmian.

"Impressive, really impressive." Yan Shaoqing gave him a thumbs up. "Second Bro, I just realized that you're even mushier than me when you say sweet nothings. I'm impressed by your self-taught skills."

Mo Yesi glared at him expressionlessly.

"30 million. Mr. Mo has offered 30 million. Is there anyone willing to bid higher?" The auctioneer's excited voice sounded again.

Mo Yesi's bid surprised and shocked everyone.

The women who were envious of Shen Rou turned to look at Qiao Mianmian.

"Who was the one who said that Mo Yesi wasn't willing to spend on Qiao Mianmian? I knew it. Chairman Mo doesn't lack money the most. Why would he be unwilling to spend tens of millions?"

“Did you see that? Shen Rou’s face seems to have turned green. She must be furious. She thought that the jewelry was hers, but it was suddenly taken away.”

“Do you think Young Master Chen will continue bidding for it? If he’s unwilling, wouldn’t Shen Rou lose face if Mo Yesi takes the jewelry set?”

“Continue? Isn’t that embarrassing? In terms of money, who can compare to the Mo family?”

“That depends on how much he values Shen Rou. Is he willing to spend a huge sum to fight for her face?”

Shen Rou didn’t expect Mo Yesi to do this at the last moment.

She was stunned for a while before coming back to her senses.

Chairman Chen was also shocked.

Mo Yesi immediately offered 30 million yuan.

That 20 million yuan was already enough to make Chairman Chen’s heart ache.

He hesitated when the auctioneer asked if anyone was bidding higher.

Chapter 2212: Already Out of Their Expectations

He really wanted to please Shen Rou.

But it was Mo Yesi.

He knew very well that no matter what, he couldn’t win against him.

Shen Rou was already in a difficult position.

Everyone knew that he was bidding on the jewelry set for her.

If he suddenly stopped now, wouldn’t she lose face?

Shen Rou turned around and looked at him. Seeing his hesitation, she pretended to be understanding and sighed. “Chairman Chen, forget it. You can’t win against him. Let them have this jewelry set. I don’t want it.

“I don’t want Chairman Chen to be so hard on yourself just for me.”

Originally still hesitating, the man was so agitated by her words that he blurted out, “If Miss Shen likes it, I’ll find a way to get it for you no matter what. Even if I have to go bankrupt.”

The man knew that Shen Rou still had Mo Yesi in her heart.

Her words meant that she felt that he wasn’t as capable as Mo Yesi.

Although it was the truth, no man could accept it if the woman he liked said he was worse than another man.

Hence, the more understanding Shen Rou was, the more he wanted to please her.

If he couldn't even give her this jewelry set, what would Shen Rou think of him in the future?

Would he still have a chance?

"But Chairman Chen, it's really too expensive." Shen Rou bit her lip and looked like she couldn't bear it. "You don't have to spend so much on me. Actually, I don't like it this much. Forget it."

"How could I?" The man frowned. "I promised to give it to Miss Shen. How can I go back on my word?"

"Chairman Chen..."

"Miss Shen, you don't have to try to persuade me anymore. Just you wait, I'll definitely get this jewelry set for you," the man said.

With that, he raised his bidding sign. "35 million!"

"Wow, Young Master Chen is fighting for the beauty."

"It seems like he really has feelings for Shen Rou. He's too willing. But, can he win against Mo Yesi?"

"There's going to be a good show. It's all about getting jewelry to please a woman. Let's see who's more willing."

"Although Shen Rou isn't with Mo Yesi, she must be happy to meet a man who is willing to spend money on her."

"35 million!" The auctioneer shouted excitedly. "Is there a higher bid?"

This figure was already beyond their expectations.

They thought that it would only fetch 30 million yuan at most.

But looking at the situation now, it would probably reach 40 million yuan.

Whether it was the auctioneer or the others sitting below the stage, they were all waiting to see how high the price would go.

Who would get the last laugh?

Mo Yesi smiled and said, "50 million."

A gasp sounded.

He directly added 15 million.

Chairman Chen's expression stiffened again.

But looking at Shen Rou sitting beside him, gritted his teeth and continued bidding. "55 million."

Mo Yesi said calmly, "70 million."

Chairman Chen's face turned red.

Chapter 2213: Why Did Mo Yesi Insist on Going Against Her?

This was the first time he met someone like Mo Yesi.

He was too willful.

The man couldn't imagine how ridiculous the price would be if he continued bidding.

Even if he wanted to gain Shen Rou's favor, this price wasn't something he could afford.

It was only at this point that he realized how huge the gap between him and Mo Yesi was.

"It's already 70 million. Does anyone want to bid higher?" The auctioneer was also very excited.

There was silence for a few seconds.

"Is anyone bidding higher?" the auctioneer asked again.

Shen Rou clenched her fists and looked at the man beside her.

Chairman Chen turned around and said apologetically, "I'm sorry, Miss Shen. I can't win against Chairman Mo. I said I'd give you this jewelry set, but I've to go back on my word. I'm really sorry.

"If it was someone else, I could still fight for it. But I can't win against Chairman Mo no matter what. Miss Shen, I, I really tried my best." The man's voice was low and a little defeated.

When Mo Yesi said 70 million yuan, Shen Rou no longer counted on the man beside her.

She could tell that Mo Yesi wanted this jewelry set.

Who could compete with him for what he wanted?

Hence, Shen Rou didn't blame Chairman Chen.

A second ago, she was still being envied.

But in the next second, she lost face in front of so many people.

She didn't understand.

Why did he have to make her lose face in public and become a joke?

How could he do this to her!

No, he didn't do it on purpose.

It must be Qiao Mianmian.

Qiao Mianmian made him do it.

That slut didn't want her to steal the limelight and deliberately used this to embarrass her!

"Chairman Chen, you don't have to blame yourself. This isn't your fault." Shen Rou bit her lip and looked at the front row with hatred. "You really can't win against Mo Yesi. Forget it, since they want that jewelry set so much, then let's give it to them."

“Is anyone bidding higher? 70 million going once, 70 million going twice, 70 million going thrice! Deal! Queen Eleena’s favorite jewelry set belongs to Mr. Mo.”

The auctioneer made the final decision, and Mo Yesi won the jewelry set.

Shen Rou’s expression was terrible.

The others who witnessed the exciting bidding were discussing fervently.

“I knew it. If Mo Yesi makes a move, no one will be able to beat him. He actually spent 70 million yuan on a jewelry set. The Mo family’s financial resources are too strong. Although the Chen family isn’t bad, they can’t compare to the Mo family.”

“It’s a good thing that Young Master Chen knows his place and didn’t continue. Otherwise, what if he can’t get off the stage?”

“Mo Yesi spent 70 million yuan on a jewelry set for Qiao Mianmian, and it’s equivalent to stealing it from Shen Rou. Shen Rou is probably furious. She was supposed to be in the limelight, but now it’s a slap to her face.”

Shen Rou heard the discussions around her and felt her teeth sink into her lips.. Her face burned as if she had been slapped.

Chapter 2214: Baby, Our Family Doesn’t Lack Money

“Mo Yesi, are you crazy?” Qiao Mianmian’s heart was bleeding.

Mo Yesi spent 70 million yuan on a jewelry set for her.

All the women in the venue looked at her with envy.

But Qiao Mianmian didn’t feel pleased.

She was a little pained.

She felt that Mo Yesi must be crazy.

He was a prodigal.

70 million yuan.

Even though Qiao Mianmian was rich now, she still felt that it was a huge sum.

She felt that it was worth it to spend 70 million yuan on a villa.

But spending 70 million on a jewelry set definitely wasn’t.

Even if she liked it, she couldn’t bear to spend so much money on it.

Mo Yesi looked down at her. “Baby, what’s wrong?”

“Why did you spend so much money on it? It’s too expensive. You shouldn’t have spent so much money on it.” Qiao Mianmian felt the pinch.

After all, she was already married to Mo Yesi.

His money was her money.

“Whatever you like, it’s worth it no matter how expensive it is.” Mo Yesi looked at her pained expression and smiled. He then reached out and rubbed her head. “Baby, our family doesn’t lack money. Buy whatever you like, there’s no need to consider money.

“Your husband’s biggest motivation to earn money is to spend it on you. If you can’t bear to spend it, then what’s the point of me earning money? Not to mention 70 million, even 700 million yuan is worth it as long as it can make you happy.”

Yan Shaoqing was stunned by his words. He looked at Mo Yesi as if it was his first time meeting him.

He really didn’t know Mo Yesi well enough.

Was the Mo Yesi he knew so good at sweet-talking?

He was even better than him at coaxing women.

Yan Shaoqing thought that it was a good thing that Mo Yesi was different from them. Before Qiao Mianmian appeared, he had never been with a woman.

Otherwise, wouldn’t all the beauties be taken away by him?

...

Shen Rou left early.

She left after Mo Yesi took the jewelry set.

She felt that she had lost all face and became a joke in everyone’s eyes.

Thus, she didn’t have the face to stay at the banquet anymore.

She didn’t want to see Qiao Mianmian and Mo Yesi being so loving.

She was afraid that she would lose control of her temper and do something irrational.

An hour later.

At the Shen Residence.

Shen Rou heard laughter after she got out of the car and entered the living room.

She looked up and saw Shen Xin sitting beside Mother Shen. Mother Shen was holding her hand and seemed to be saying something to her.

A housemaid greeted Shen Rou respectfully. “First Miss.”

“Rourou, you’re back.” Mother Shen waved at her and smiled. “What a coincidence. Your sister arrived 10 minutes earlier than you. She asked me where you were, and now you are back.

“Didn’t you go to the banquet? Why are you back so soon?”

Shen Rou didn’t answer her. Instead, she looked down at Shen Xin.

Shen Rou didn't seem happy to see her sister's return.

Especially when she saw Shen Xin's innocent and sweet face, her expression became even colder.

Chapter 2215: How Could Her Sister Be Like That Slut!

She actually saw Qiao Mianmian in Shen Xin.

Shen Rou was very unhappy that during the period when the Shen family was in trouble, the Shen family placed all the burden on her alone.

But Shen Xin didn't have to do anything.

Father Shen and Mother Shen gave the reason that Shen Xin was still young.

But Shen Rou couldn't accept this reason.

In her eyes, Father and Mother Shen were biased towards Shen Xin.

Moreover, she knew about Shen Xin and Qiao Chen. Because of her hatred for Qiao Mianmian, she hated Qiao Chen too.

The boy her sister liked was someone she disliked.

Shen Rou couldn't accept it.

And because of this, Shen Rou had something against Shen Xin.

"Sister," Shen Xin called softly when she saw Shen Rou looking at her.

Shen Rou nodded. "Mm."

She didn't say anything else.

Mother Shen was a little unhappy with her attitude, but she didn't dare to say anything.

The Shen Corporation was able to survive the crisis and was rescued from the brink of bankruptcy because of Shen Rou.

After that, Shen Rou was the one who settled the Shen family's business.

Hence, Father Shen decided to let her manage the Shen Corporation.

Now that Shen Rou was the head of the family, Mother Shen had to consider her words and actions.

"Rourou, quickly go upstairs and change your clothes. Oh right, have you eaten dinner? If not, I'll make supper for you and your sister later."

"Mom wants to cook personally?" Shen Rou asked.

Mother Shen smiled and nodded. "I'll cook noodles for you and your sister. Do you want some?"

Shen Rou smiled and said, "Then, I'll have to take advantage of Xiao Xin. Xiao Xin, do you know that Mom usually doesn't cook? Only when you come home does she personally cook."

“Look, Mom dotes on you so much.”

The hall fell silent.

Mother Shen’s expression stiffened for a few seconds.

“Rourou, look at what you’re saying. If you want to eat Mom’s food, tell me. Mom can cook for you anytime.” Madam Shen looked a little embarrassed.

Shen Rou smiled faintly. “There are servants and chefs at home, how could I bear to let Mom cook? Moreover, if some things are requested by myself, then their nature will change.

“I’m not hungry. Just cook supper for Xiao Xin. Don’t worry about me.”

With that, Shen Rou turned around and walked upstairs.

“This, Xiao Xin, your sister...” Mother Shen looked aggrieved as if she was hurt by Shen Rou’s words.

“What’s wrong with your sister?” Mother Shen’s eyes were a little moist. She wiped the corners of her eyes and sobbed. “Did I say something wrong? I seem to have angered her.”

“Mom, it has nothing to do with you.” Shen Xin bit her lip. She knew very well why Shen Rou was unhappy. “Perhaps Sister encountered something unhappy at the banquet, so she came back early.

“Mom, wait for a while. I’ll go upstairs to see Sister.”

“Mm, that might be the case. Then, quickly go upstairs and ask her what happened.” Mother Shen sighed. “Your sister hasn’t been in a good mood recently. If I’d known, I wouldn’t have brought her to the Gong family that day.”

Chapter 2216: He Said He Has Someone He Likes

“The Gong family?” Shen Xin was stunned. “Why did you bring Sister to the Gong family?”

Mother Shen kept quiet for a while before saying, “Previously, the Gong family wanted to ally with our Shen family through marriage. I thought that since your sister and that child from the Gong family knew each other since they were young, and the two families knew each other well. Moreover, that child from the Gong family liked your sister since she was young. If your sister married him, she definitely wouldn’t suffer any grievances.

“If the marriage between the two families was successful, it would be beneficial to both families. I asked your sister’s opinion, and she agreed.

“But I didn’t expect...” Mother Shen’s expression darkened as she recalled what happened that day.

Shen Xin was stunned for a few seconds.

She didn’t know about this.

But she knew that Gong Zeli liked her sister for many years.

But the person her sister liked was Mo Yesi.

“What happened that day?” Shen Xin asked curiously.

Mother Shen nodded, and her expression darkened. "I thought this was a sure thing. But I didn't expect Gong Zeli to be unwilling even after your sister agreed. You don't know how badly he rejected your sister that day.

"He didn't give our Shen family any face at all. Not to mention your sister, even I was furious. What's wrong with our Shen family now? Is Rourou not worthy of Gong Zeli? It's good enough that Rourou doesn't despise him for being sick, but he's still putting on airs."

Shen Xin was shocked. "Brother Zeli rejected Sister? How is that possible? Doesn't he like Sister a lot and always wanted to marry her?"

"That's right. He always showed his love for your sister. We also thought that he liked Rourou very much, so the two families had this intention. Who knew..." Mother Shen said angrily, "He said that he has someone he likes. Hehe, I don't believe that there's a woman more outstanding than Rourou. He'll regret it sooner or later!"

Shen Xin was shocked that Gong Zeli would reject her sister.

Shen Xin could understand if Gong Zeli was unwilling to marry her out of consideration for the Gong family's interests.

After all, liking someone wasn't enough.

Families like them prioritized benefits.

But now, the Shen family was out of trouble.

Moreover, from what her mother said, the Gong family was the one who initiated the marriage proposal.

Then why did Gong Zeli reject it?

"Brother Zeli likes Sister. He's definitely willing to marry her. If he rejected her, there must be a reason," Shen Xin said.

"What reason?" Mother Shen didn't think much of it. "He had a change of heart and likes another woman now. I want to see what kind of woman he likes."

"Mom, don't be angry." Shen Xin patted her mother's arm and comforted her gently. "Sister is so outstanding, she'll definitely find me an outstanding brother-in-law in the future. Actually, I think it's a good thing that Gong Zeli rejected her."

"A good thing?"

"Mm, I think Brother Zeli's personality isn't compatible with Sister's. They might not be happy if they really get together."

"That's true. My daughter is so outstanding, she won't have to worry about marriage."

"Let me ask Sister." Shen Xin got up and said, "Mom, I'll accompany you later."

Chapter 2217: Are You Still in Contact With Qiao Chen?

Shen Xin went upstairs and stood outside Shen Rou's room for a while before gently knocking on the door.

"Who?"

"Sister, it's me. Can I come in?"

The person in the room was silent for a while before saying, "Mm, come in."

Shen Xin pushed the door open and entered Shen Rou's bedroom.

Shen Rou had already changed out of her dress. She was wearing a purple silk robe and was removing her makeup.

"Sister." Shen Xin stopped behind her.

Shen Rou didn't turn around. "Is there something you need?"

Shen Xin felt bad hearing her cold voice.

Actually, she already felt that Shen Rou had something against her.

Although her sister hadn't pampered her much since she was young, Shen Rou used to treat her pretty well.

She wasn't as cold and distant as now.

Shen Rou's attitude towards her changed, probably because she knew about Qiao Chen and her.

Then, something happened to the Shen family.

Because she spoke up for Qiao Chen, Shen Rou felt that she was siding with an outsider.

"Mm. Sister, Mom is worried about you, so she asked me to come up and take a look."

"Mom is worried about me?" Shen Rou was removing her eye makeup. After removing it from one eye, she threw the dirty cotton on the table and turned around. Her red lips curled into a mocking smile.

"Xiao Xin, do you know that you're not good at lying? Because once you lie, your expression will change.

"Others might not be able to tell, but we've lived together for more than 10 years."

Shen Xin's expression stiffened. "Sister, Mom is indeed worried about you. Why do you think I'm lying?"

"Ha, worried about me? When did she worry about me? She's only worried about you. After all, you're her precious daughter."

Her words put Shen Xin in an awkward position.

"Sister, why do you say that? Mom loves you, too."

"Yes, she dotes on me. But compared to her precious daughter, she doesn't dote on me that much."

Shen Rou couldn't bear to think about how her parents forced her to go on blind dates when the family was in trouble.

Shen Xin bit her lip and didn't know what to say.

Shen Rou looked up at her and thought of Qiao Mianmian.

That slut was the same.

She looked so charming and innocent and harmless.

She could tell that she was a scheming bitch.

But so many men took the bait.

She was a born vixen.

Shen Rou got angry.

Shen Xin's heart skipped a beat when she saw the vicious look in her sister's eyes.

She felt that Shen Rou had changed.

This person in front of her was her sister from the same father and mother, but at this time, she felt like a stranger.

"Xiao Xin." Shen Rou suddenly called her. "Are you still in contact with Qiao Chen?"

Shen Xin panicked.

Shen Rou saw her reaction, and her eyes turned even colder. "You're still in contact with him, right? Didn't I tell you not to contact him anymore? Didn't you hear me?"

Chapter 2218: None of the Mo Family's Men Are Good

"Sister, I'm not..." Shen Xin quickly tried to explain.

"Xiao Xin, you should know very well how the Mo family treated our family previously, right? Qiao Chen is the Young Master of the Mo family now. The Mos are our enemy, and you're still contacting them? Xiao Xin, how can you face your surname!"

Shen Xin knew that she couldn't anger her now.

But hearing that, she couldn't help but defend Qiao Chen. "Sister, the Mo family didn't help our family. But this can't be blamed on Qiao Chen. He's just a junior, and he was just taken back. Even if he wants to help, he can't."

"Hmph." Shen Rou sneered. "So what? He's our enemy as long as he's a member of the Mo family. You're not allowed to interact with him anymore!"

Shen Xin felt like her sister was a stranger.

"Sister, I haven't been in contact with Qiao Chen for a long time. I've already left Yuncheng City, and I won't have much contact with him in the future. But he isn't my enemy. He didn't do anything to let me down.

"I won't blame him for the Mo family's unwillingness to help."

Even though she knew that Shen Rou would be angry, she still said it.

As expected, Shen Rou's expression darkened. "So, you won't listen to me? You still want to keep in contact with Qiao Chen?"

Shen Xin thought for a while and said seriously, "Sister, I'm not a child anymore. Don't treat me like one. I know how to handle my relationship with Qiao Chen."

"Shen Xin!" Shen Rou's face darkened. "I won't allow you to interact with Qiao Chen anymore. Listen up, I'm in charge of the family now. If you don't listen to me, I'll block all your access cards. Don't think of getting a single cent from me in the future."

Shen Xin was stunned and looked at her in disbelief.

Shen Rou was domineering before, but not like this.

"You can date any other guy, but not Qiao Chen!" Shen Rou gritted her teeth. "If you still acknowledge me as your sister, then listen to me."

"Sister, why? Just because Qiao Chen is from the Qiao family?" Shen Xin hesitated for a few seconds before saying, "The real reason is still Qiao Chen's sister. Because his sister is with Brother Yesi, you don't like her, so you also dislike Qiao Chen."

Shen Rou's expression darkened.

She glared at Shen Xin.

"None of the Mo family's men are good. Do you think that Qiao Chen is a good person? Everything I'm doing now is for your own good. You're still young and insensible, and you'll be easily deceived by them.

"Do you think I'm harming you?"

"Sister, I know you're doing this for my own good, but..."

"Then listen to me." Shen Rou cut her off forcefully.

...

After leaving Shen Rou's room, Shen Xin stood at the door in a daze.

Shen Rou was against her having any contact with Qiao Chen.

She even threatened to cut off her source of income.

This was the first time Shen Rou was so domineering.

Shen Xin felt that her sister had changed a lot. She felt like a stranger.

Chapter 2219: Should I Help Him?

No wonder even Mother Shen said that Shen Rou had changed.

Shen Xin didn't doubt Shen Rou at all.

She was no longer the same person.

...

Qiao Mianmian and Mo Yesi also left the banquet early.

In the car, Mo Yesi recalled what he'd seen and asked, "What's with your brother?"

"Mm?" Qiao Mianmian looked at him in confusion.

Mo Yesi fiddled with the diamond ear stud on her earlobe as he smiled and said, "I saw him pulling a girl. They seem to have an extraordinary relationship."

"You saw it, too?" Qiao Mianmian was shocked.

"Mm? So you saw him with that girl?"

"Mm." Qiao Mianmian nodded. "I saw it."

"Do you know that girl?"

"No. My brother said that he and that girl are old acquaintances. That girl's name is Gu Sheng. She was overseas previously and only returned recently. I wanted to ask you about their relationship, but it turns out you don't know either."

"Gu Sheng?" Mo Yesi thought for a while before saying, "This name sounds a little familiar. I remember now, she and your brother do know each other."

"You know her?" Qiao Mianmian immediately asked curiously. "She and my brother are just ordinary friends?"

"Of course not. Bai Yusheng wouldn't act like that toward a normal friend."

"Then, they..."

"They're friends, good friends. She used to be your brother's student."

"What? My brother was a teacher?" Qiao Mianmian was shocked.

"He was a visiting professor at an art school for a year. Gu Sheng was a student in that school. Your brother met her there."

Mo Yesi smiled.

"What are you smiling at?"

"There were some rumors at that art school. Are you interested in hearing them?"

Qiao Mianmian immediately nodded. "Yes!"

Mo Yesi thought for a while and said, "Back then, someone said that your brother and Gu Sheng were in a relationship, but it was later refuted."

Qiao Mianmian was speechless.

A teacher-student relationship?!

"I thought it was a rumor, but it seems like it's true."

“You mean...”

“I’ve never seen Bai Yusheng act like that with any woman,” Mo Yesi said.

Qiao Mianmian understood.

“Do you think he likes her?”

“It might not be like that. But it’s definitely not just friendship.”

Qiao Mianmian kept quiet.

She realized it, too.

But Bai Yusheng refused to admit it, so what could she do?

And Qiao Mianmian felt that he probably didn’t realize it himself.

Just like how she’d long liked Mo Yesi and only realized it recently.

“But my brother said that he treats Gu Sheng as a sister.” Qiao Mianmian bit her lip and sighed. “Do you think he didn’t realize that he likes her? If that’s the case, shouldn’t I help him?”

She was afraid that her slow-witted brother would miss out on such a good prospect.

“That’s not impossible. But I think it’s better to let him handle this himself. Let’s not interfere too much. Baby, your brother is already 30. Men at this age are already mature. He knows what to do.”

Chapter 2220: You’re My True Love

“We don’t know what’s going on between them. Sometimes, being nice might help. What do you think?”

Qiao Mianmian thought for a while and nodded.

Alright.

She just wanted her brother to get into a relationship as soon as possible.

Mo Yesi made sense.

“I’m just afraid that my brother won’t be able to see through his heart and will do something he’ll regret. Since you say so, I won’t bother.”

Mo Yesi smiled. “If he really can’t see his own heart, it means that this relationship isn’t fated to be. Many things rely on fate. For example, you, Big Brother, and Jiang Luoli. When fate comes, what’s yours will always be yours. What shouldn’t belong to you can’t be forced.”

“Wow.” Qiao Mianmian blinked and sighed.

“Mm?” Mo Yesi raised an eyebrow. “What’s wrong?”

Qiao Mianmian couldn’t help but laugh. “Your words are so philosophical. I didn’t expect you to believe in fate, too. I thought you wouldn’t be so superstitious.”

“Mm? This isn’t superstition.” Mo Yesi knocked her on the head lightly. “I didn’t believe in this at first, but ever since I met you, I feel that fate does exist.”

Otherwise, how could he explain that he was allergic to other women but not her?

How could it be explained that after Mo Shixiu being single for 30 years and not liking anyone, Mo Shixiu found Qiao Mianmian’s best friend, Jiang Luoli?

He married Qiao Mianmian, and Mo Shixiu married Jiang Luoli.

And Qiao Mianmian and Jiang Luoli were best friends.

Some things were so coincidental that he had to believe in fate.

“Is that so?” Qiao Mianmian looked up and smiled. “So, you believe that I’m your destined one?”

“Mm, I do.” Mo Yesi smiled, looking at her with eyes full of love. “Baby, you’re my true love.”

Qiao Mianmian smiled in satisfaction and kissed him on the lips. “Then, you’re my true love too.”

“Oh right, how’s Chen Chen’s surgery going?” Qiao Chen was done with his college entrance examination and the surgery time was set. Although Mo Yesi was the chief surgeon and he promised her that the surgery would be successful, Qiao Mianmian was getting more worried as the surgery day approached.

She trusted Mo Yesi’s skills.

But she was too worried about Qiao Chen.

“Of course not.” Mo Yesi smiled and pinched her cheek. “Baby, didn’t I tell you? Don’t worry, Chen Chen’s surgery will definitely be successful. After the surgery, he’ll be like any normal person.”

“I know.” Qiao Mianmian sighed. “I just can’t control myself and can’t help but worry. Do you find me annoying? I’ve asked you so many times, but I still don’t believe you.”

“No.” Mo Yesi’s eyes were gentle. “You’re worried about him because you care too much about Chen Chen. I understand.”

Qiao Mianmian leaned into his arms. “Mm. Although Chen Chen isn’t my biological brother, in my eyes, he’s no different from one. Ever since our adoptive mother and grandmother passed away, Chen Chen and I practically relied on each other in the Qiao family. Chen Chen had a harder time than me when he was young, and now that he’s back in the Mo family, he’s really doing well, but his situation isn’t very good. I really hope Chen Chen’s life will get better.”
