

Big Shot 2271

Chapter 2271: But Shen Rou Didn't Think So

"You don't have to respond to this. I'll handle it." Mo Yesi looked at his cell phone again and saw the news.

He had never thought of going against the Shen Corporation.

After all, he had no feud with the Shen family.

He had already taught her a lesson.

But Shen Rou's actions and what happened today...

Mo Yesi's eyes turned cold.

He didn't want to do anything to the Shen family, but Shen Rou didn't think so.

In that case, he wouldn't show them mercy.

"What are you going to do?" Qiao Mianmian asked curiously.

Mo Yesi was about to answer her when Wei Zheng entered.

"Chairman Mo, our collaboration with Yu Lin has indeed been cut off. The Shen Corporation moved Yu Lin with a very low price. If nothing goes wrong, Yu Lin will sign the contract with them."

"Is that so?" Mo Yesi smiled after hearing his report. "Just as I guessed. How much is the Shen Corporation offering?"

"300 million."

"300 million? Can this price be done? I'm afraid they'll lose money in the end."

"Yes. This price is considered good even if we don't earn a single cent. The possibility of losing money is very high. Chairman Mo, we..."

"Don't worry about it. Since Yu Lin has chosen the Shen Corporation, let them work together smoothly. Such an unstable partner isn't the best for our Mo Corporation's long-term goal."

"Yes, but I just received news that the Shen Corporation has made a move on our other business partners." Wei Zheng paused for a while before continuing, "It seems like the Shen Corporation is deliberately going against us. Chairman Mo, what should we do next?"

Mo Yesi narrowed his eyes. "Nothing."

Wei Zheng was stunned. "Nothing?"

"If the Shen Corporation wants to snatch our business, they have to offer a lower price. Otherwise, their chances of winning aren't high. Although the Shen Corporation's economic situation is improving, it won't be able to last long if they keep making losses."

“Even if she loses eight hundred yuan, she might not be able to make me lose one hundred yuan. She’s just making things difficult for me.”

“I understand, Chairman Mo.”

“But there’s something you have to investigate.” Mo Yesi recalled what Yan Shaoqing told him a few days ago, and his eyes darkened. “Get someone to investigate Tang Ya. If you can’t find out through normal means, then use some special means.”

“Perhaps she’s the main focus of our attention, not the Shen Corporation.”

Wei Zheng nodded. “Yes, Chairman Mo. I’ll get it done immediately.”

He then quickly left.

Qiao Mianmian asked impatiently, “What did Wei Zheng say just now? Is the Shen Corporation targeting the Mo Corporation?”

“Don’t worry.” Mo Yesi rubbed her head and said casually, “The Mo Corporation isn’t so easy to deal with. I can handle it.”

Qiao Mianmian believed that too.

It wasn’t surprising that Shen Rou would do something so extreme.

Qiao Mianmian was even more curious about something else.

“You got Wei Zheng to investigate Tang Ya. Is there something wrong with her?”

“Mm.” Mo Yesi nodded. “This person is very problematic. But we haven’t found out her background yet.”

Qiao Mianmian kept quiet for a while before saying, “I think this Tang Ya is a little strange, too.”

Chapter 2272: Even Your People Can’t Find Out?

She felt this way the first time she met Tang Ya.

Although she couldn’t pinpoint what was strange, it was weird.

It was probably based on a woman’s intuition.

Although she didn’t know Tang Ya, she wouldn’t feel that way with someone she didn’t know.

“You find her strange too?” Mo Yesi looked at her in surprise. “Why?”

“I don’t know. Anyway, I felt this way when we first met. Have you found anything?”

“Mm.” Mo Yesi nodded. “Not only is she close to my mom, but she’s also in contact with Shen Rou. If I’m not wrong, the Shen family received a huge investment previously, and that should be related to her.”

Qiao Mianmian was shocked. “She’s with Shen Rou too?”

“Mm.”

“...Then, there must be something wrong with her. Her family background must be extraordinary for her to invest such a huge sum of money in the Shen Corporation. Have your people found out who she is?”

“Not yet.”

Qiao Mianmian was even more shocked. “Even your people can’t find out?”

It should be easy for Mo Yesi to investigate someone.

But now, he couldn’t find out Tang Ya’s background, which meant that she wasn’t simple.

Moreover, Tang Ya had dealings with Shen Rou and invested in the Shen Corporation...

How could she not know about the conflict between the Shen and Mo families?

What was her motive?

Qiao Mianmian felt a chill down her spine.

At first, she was worried that Shen Rou would do something bad to the Mo Corporation.

But now, she felt that Tang Ya was the one they should take seriously.

Moreover, Qiao Mianmian had a feeling that it wasn’t a coincidence that Tang Ya and Madam Mo met.

Perhaps she didn’t even come to Yuncheng City for a vacation.

If this person came with a motive and had a strong background, she would be a terrifying potential enemy.

“Mm, I haven’t found out yet.” Mo Yesi frowned slightly. “I suspect that Tang Ya isn’t her real name. Moreover, she might know that I’m investigating her, so many of the traces she left behind might be deliberately misleading us. So, the clues we found might be fake.”

Qiao Mianmian frowned.

Why did she feel that this Tang Ya was a little scary?

It was really scary if someone deliberately created an identity and got closer to the person beside you, and you found out that her ultimate goal was you.

“What’s this Tang Ya trying to do?” Qiao Mianmian bit her lip. “If her identity is fake, she must have a motive for coming here. Mo Yesi, do you think she’s trying to get close to Mom?”

Mo Yesi nodded. “That’s possible.”

Madam Mo wasn’t someone easy to get close to.

Not long after Tang Ya came to Yuncheng City, she met Madam Mo and became good friends with her.

That alone was suspicious.

“I think this Tang Ya is a little dangerous.” Qiao Mianmian tugged at Mo Yesi’s sleeve and said worriedly, “You have to be careful.”

"I will."

Chapter 2273: Some Things Have to Be Clear

Mo Yesi looked at her and was a little worried. "You too, you have to be careful. Although we don't know who she's coming for, she's really dangerous."

"Mm." Qiao Mianmian nodded.

"Then, go to work. I won't disturb you anymore." Qiao Mianmian jumped out of his arms. "Luo Luo asked us out for dinner tonight. You should have time, right?"

Mo Yesi thought for a while and nodded. "Mm, no problem."

"It should be around 7:00 PM. If there's no problem, I'll confirm it with her?"

"Alright, are you sure?"

"Okay."

Qiao Mianmian took out her cell phone and sent Jiang Luoli a WeChat message.

Mo Yesi also picked up his cell phone and called Wei Zheng. "Arrange for a few reporters to come over and say that I'm willing to accept their interviews."

Qiao Mianmian had just sent Jiang Luoli a message, and she looked up at this. "You want to be interviewed?"

"Mm." Mo Yesi hung up. "I have to clarify some things. I can't let others think that I'm just using you."

"But I've already clarified it. Moreover, I think if others want to think this way, let them. Anyway, I won't lose anything."

"No." Mo Yesi rejected her without thinking. "I can't let my woman suffer. I think it's very important what others think of you. I have to let them know how important you are to me."

"This has nothing to do with anything else."

...

Jiang Luoli was preparing dinner.

Her pregnancy was already showing.

Previously, Mo Shixiu didn't allow her to do this and that. But now, he wasn't so strict with her.

It was the first three months of pregnancy.

Now that her pregnancy was stable, as long as she didn't do any strenuous exercise, it was fine to move occasionally.

Sister Lin was helping her in the kitchen and teaching her how to cook.

"Young Madam, we have to cook this first. When it's half cooked, we can cook it again. This way, it'll taste better."

"Alright." Jiang Luoli was cooking with her hair in a bun and wearing an apron.

She was extremely bored during her pregnancy.

Hence, she learned cooking from Sister Lin.

After learning for a while, she felt that her skills were pretty good now, so she decided to cook a meal for herself.

Of course, treating was secondary.

She was just finding a reason to get together with her good friend.

Jiang Luoli knew how possessive her brother-in-law was, so she couldn't ask Qiao Mianmian out every now and then.

Sister Lin stood by the side and watched her do it. As a teacher, she felt a sense of achievement. She nodded and said, "Young Madam's culinary skills are getting better. In the future, Young Master will be blessed."

Jiang Luoli turned around, her face red from the steam rising from the pot. "I'm still far from you, Sister Lin. I'm just afraid that since he's used to your food, he won't like mine."

"No way. As long as Young Madam makes it, Young Master will definitely like it. As long as Young Madam has this intention, it's more important than anything." Sister Lin smiled. "I remember that Young Madam cooked a bowl of noodles for Young Master one night. Young Master ate it cleanly."

"Do you know, this is the first time I've seen Young Master eat noodles so cleanly."

Jiang Luoli blinked. "Is that strange?"

Chapter 2274: Madam Is Here

"Of course. Young Madam, you don't know that Young Master doesn't like noodles, right?"

Jiang Luoli was stunned.

Mo Shixiu didn't like noodles?

She really didn't know.

She always thought that Mo Shixiu liked noodles.

Hence, she would always cook noodles for him.

Because the first time she cooked noodles for him, he ate it all and even praised her for making it delicious.

Sister Lin knew the answer from Jiang Luoli's expression.

She smiled and said, "Young Master definitely didn't tell you."

Jiang Luoli shook her head.

“Young Master has never liked noodles since he was young. He doesn’t like it no matter how good it is. But as long as it’s Young Madam’s food, Young Master will like it no matter what it is. After getting together with Young Madam, Young Master’s taste has really changed a lot.

“A lot of things that he didn’t like to eat in the past, he’ll eat some now.”

This was true.

Jiang Luoli knew it, too.

As she was pregnant, her taste was special, so Mo Shixiu didn’t like many things she ate.

But even if he didn’t like it, he still ate with her.

And it wasn’t just about food.

Mo Shixiu accommodated her in many ways.

Jiang Luoli never thought that someone would be willing to change so much for her.

This person was someone she thought she would never be able to touch.

How lucky was she to have met Mo Shixiu?

And how lucky she was to be favored by him?

Meeting Mo Shixiu and being with him probably spent all her luck in life.

“Young Madam, Young Master treats you really well.” Sister Lin couldn’t help but sigh. “Although I didn’t watch Young Master grow up, I’ve been by his side for many years. He’s a responsible person. The person who marries him will definitely be happy.”

“Young Master looks a little cold, so many people think that he doesn’t dote on people. Actually, if it’s someone he cares about, he goes the extra mile to help them.”

Jiang Luoli knew this very well.

If she wasn’t with Mo Shixiu, she wouldn’t know that a man like him would pamper women too.

...

Jiang Luoli and Sister Lin were busy in the kitchen when a housemaid suddenly came over and said, “Young Madam, Madam is here.”

Jiang Luoli was cutting vegetables, and she almost cut her finger at this news.

The housemaid said, “Madam is waiting for you in the living room.”

Jiang Luoli put down the knife and wiped her hands. “Madam is here?”

“Yes.”

Madam Mo had been coming over frequently recently.

At least once a week.

Every time she came, she would bring supplements. It seemed like she was very concerned about Jiang Luoli.

But Jiang Luoli had never taken any of them.

It wasn't that she didn't like it, but she didn't dare to take it.

Although she felt that no matter what Madam Mo did, she wouldn't do anything to the Mo family's bloodline. But before her child was born, besides the few people she trusted, she didn't believe anyone else.

Especially Madam Mo.

Jiang Luoli thought that Madam Mo had brought more supplements.

She felt that Madam Mo was too diligent this week.

After all, she'd been over just two days ago.

"Madam is here. Young Madam, please go quickly. I'll prepare the rest of the dishes," said Sister Lin after taking Jiang Luoli's hand.

Chapter 2275: You Jinx

"Mm, I'll have to trouble you then."

No matter how much Jiang Luoli disliked Madam Mo, she still had to put up a front.

Just like how Madam Mo didn't like her, she at least didn't show it on the surface.

Sister Lin smiled. "Young Madam, don't stand on ceremony with me."

Jiang Luoli took off her apron and followed the housemaid out of the kitchen.

After leaving the kitchen, the housemaid looked at her and hesitated for a few seconds before saying, "Young Madam, I think Madam is very angry. Y-You better be careful later."

Jiang Luoli stopped in her tracks and looked at the housemaid. "Madam is very angry?"

"Mm." The maid nodded.

There was something she hadn't said.

Madam Mo didn't just look angry.

Her expression was terrifying.

The housemaid was wondering if she should inform Sister Lin and get her to call Mister.

She felt that Madam was here for Young Madam.

Young Madam was pregnant now. She was really worried that something bad would happen.

If anything happened to Young Madam, Mister would definitely not let them off.

As the housemaid hesitated, Jiang Luoli had already walked into the living room.

She saw Madam Mo standing in the living room.

Even from a distance, Jiang Luoli could feel Madam Mo's "hostile" aura.

No wonder the maid said she was angry.

Madam Mo did look angry. She wasn't smiling, and her eyes were cold.

When Madam Mo visited her previously, no matter what, she was at least friendly.

She smiled, too.

Not knowing what had happened, Jiang Luoli walked over and called softly, "Mom."

Hearing her voice, Madam Mo turned around.

As soon as she saw her, her eyes widened in anger. She stormed towards Jiang Luoli and gave her a tight slap.

"Young Madam."

Seeing this scene, the housemaids in the living room were shocked. They quickly ran to Jiang Luoli and helped her up.

Madam Mo's slap was very strong.

Jiang Luoli didn't expect it and staggered backward.

She was stunned.

It took her a few seconds to realize what had happened.

The housemaid looked at Jiang Luoli's face and asked anxiously, "Young Madam, are you alright?"

Before Jiang Luoli could say anything, she could taste blood in her mouth.

She slowly looked up at Madam Mo.

Madam Mo glared at her, clearly still angry. She gritted her teeth and said, "Jiang Luoli, what exactly did you say to Shixiu? You jinx, if you dare ruin my son's future, I won't let you off!"

Jiang Luoli touched her face and felt the blood.

Madam Mo's ring injured her.

Jiang Luoli gritted her teeth and resisted the urge to slap her.

"Mom." She took a deep breath. "I don't know what you're talking about."

"You don't know?" Madam Mo grew even angrier.

Chapter 2276: This Shameless B*tch!

Her eyes were filled with daggers, and she wanted to stab Jiang Luoli to death. “Why are you playing dumb with me? Did you make Shixiu withdraw from the election?”

“You jinx. Ever since he got together with you, Shixiu has never been well. It’s fine if your family background isn’t good enough, but seeing that you’re carrying the Mo family’s heir, I reluctantly accepted you. I originally thought that if you lived a peaceful life, I wouldn’t have to make things difficult for you. But you actually dared to interfere in Shixiu’s future, bewitching him into quitting the election. I definitely can’t tolerate you!”

“Even if Shixiu is here, I’ll still punish you!”

Before Jiang Luo could say anything, Madam Mo tried to slap her again.

Jiang Luoli didn’t expect Madam Mo to hit her again.

Of course, she wouldn’t just stand there and let Madam Mo slap her again.

Hence, she avoided her slap.

Seeing that Jiang Luoli still dared to dodge, Madam Mo got even angrier.

This shameless slut!

She actually wanted to destroy her son!

Her son was going to do big things in the future, how could he be ruined by a vixen?

Madam Mo was trembling with anger. She gritted her teeth and ordered a housemaid, “Arrest her. I want to teach her a lesson.”

The housemaid stood still and hesitated.

Although they didn’t dare to disobey Madam Mo’s orders, the person she was telling them to catch was Young Madam.

Young Madam was pregnant. If anything happened, Young Master wouldn’t let them off.

But if they offended Madam Mo, they wouldn’t have a good ending.

Just as the housemaid was at a loss, Sister Lin walked into the living room.

The housemaids instantly heaved a sigh of relief.

“Madam, what’s wrong?” Sister Lin smelled the smoke in the air and saw Madam Mo’s furious expression. She hurriedly walked to Jiang Luoli and stood in front of her.

Seeing the red fingerprint on Jiang Luoli’s cheek, Sister Lin was shocked. She didn’t dare to imagine what Mo Shixiu would do when he returned and saw that Jiang Luoli had been hit.

Mo Shixiu reminded her every day to take good care of Jiang Luoli.

But now, Jiang Luoli was hit.

“Madam, calm down first. Eldest Madam is carrying the Mo family’s bloodline now, Madam’s grandson. Madam, no matter what, you can’t touch Eldest Madam.

“If anything happens to Young Madam, I’m afraid I won’t be able to explain it to Young Master. Madam, you know Young Master’s personality.”

“Sister Lin, are you threatening me?” Madam Mo’s face was pale. “Don’t forget who’s the true master of the Mo family. Are you going against me for a vixen?”

Sister Lin’s expression changed. “Madam, of course I don’t dare to go against you. Eldest Young Madam is First Young Master’s legal wife, your legal daughter-in-law. I’m afraid it’s a little inappropriate to address her as a vixen.”

Chapter 2277: There Are Some Things I Have to Do

“If she isn’t a vixen, would she have bewitched Shixiu to drop out of this election? With what she did, I can’t possibly let her stay by Shixiu’s side anymore. So what if they got their marriage certificate? She has to divorce Shixiu now.

“Our Mo family can’t tolerate such a vixen!

“Sister Lin, if you’re sensible, don’t go against me. Don’t think that I won’t dare to do anything to you just because you’ve worked for the Mo family for a long time. Don’t forget, I’m the master and you’re the servant. If I want to punish a servant, no one can protect you!

“Get out of my way now!”

Madam Mo had just finished speaking when she heard footsteps.

A group of tall bodyguards in black uniforms entered the scene.

Sister Lin’s expression changed when she saw them.

She grabbed Jiang Luoli’s hand tightly.

“Young Madam.” Sister Lin turned around and said nervously, “Go to Young Master’s study and lock the door. Don’t come out no matter what happens. Young Master is already on his way back. He’ll be home soon.

“You just have to hold on until Young Master comes back.”

Jiang Luoli looked up at the bodyguards and asked, “Sister Lin, who are they?”

“Madam’s bodyguards. They must be up to no good. Young Madam, don’t say anymore. Hurry up and go upstairs!”

Those people were Madam Mo’s bodyguards?

Jiang Luoli quickly guessed what Madam Mo wanted to do.

Her expression changed instantly. Seeing the group of bodyguards walk over, she turned and ran upstairs.

Madam Mo's expression changed when she saw that. She ordered the bodyguards, "Catch her!"

"Madam, what are you doing? You can't do this." Sister Lin spread her arms and tried to stop them, but the bodyguard pushed her away.

They saw that Jiang Luoli had already gone upstairs and quickly chased after her.

"Madam." Sister Lin walked towards Madam Mo and said in a trembling voice, "Madam, you can't do this. Have you thought about how you're going to face Young Master if you do this? If Madam doesn't approve of Young Master's withdrawal, you can have a good talk with him. You can't treat Young Madam like this.

"It'll affect your relationship with Young Master."

Madam Mo looked up with a cold expression. "Even if Shixiu blames me for this, I still have to do it. Jiang Luoli can't stay by Shixiu's side anymore. Since you've been by his side for so long, you should know that I'm doing this for his own good.

"This woman will ruin Shixiu."

"But she's someone Young Master cares about. Madam, Young Master has only liked this woman since he was young. Can't you be more tolerant of her on account of your relationship with Young Master?"

"Moreover, Young Master didn't ask Young Madam to do this. Young Master did it on his own account. I swear Young Madam never persuaded him to do it."

"So what." Madam Mo was determined to get Jiang Luoli away. She was unmoved. "Even if she didn't persuade him, he still did it because of her. Just based on this, she's a disaster.

"If Shixiu can't bear to deal with her, then let me be the villain. Whether he hates me or not, there are things I have to do."

Chapter 2278: Never Let Her Return to Yuncheng City

"I don't care about anything for my son."

Sister Lin could tell.

Madam Mo was determined to deal with Jiang Luoli.

Sister Lin didn't dare to think about how she would treat Jiang Luoli if Madam Mo took her away.

Previously, she thought that even if Madam Mo didn't like Jiang Luoli, she would take the baby into consideration and not fuss over it.

At least to guarantee Jiang Luoli's pregnancy was safe.

But she was wrong.

Madam Mo didn't even care about Jiang Luoli's child anymore.

Sister Lin knew that Mo Shixiu was planning to withdraw from this presidential election.

Although she felt that it was a pity, Sister Lin had always supported his decisions.

Moreover, she didn't really want Mo Shixiu to be in that position.

If he really did run for president, he would be even busier in the future.

By then, he wouldn't be able to care about his family.

Moreover, it was tiring.

He might as well go to a more relaxed department. Although his position wouldn't be high, he'd have enough power to protect the Mo family for the rest of his life.

But she knew that Madam Mo valued her sons' future.

Especially Mo Shixiu.

Madam Mo wanted Mo Shixiu to run for president. This way, the Mo family's power and status would increase.

Now that Mo Shixiu had dropped out of the election, it meant that Madam Mo's hopes had been dashed.

She naturally couldn't accept this.

Sister Lin could understand why Madam Mo was so angry, but she didn't expect her to push all the blame to Jiang Luoli.

"Madam, please reconsider." Sister Lin knew that she couldn't persuade her, but she still tried her best. "Madam, Young Madam is pregnant, she can't be frightened. If anything happens to her child, I'm afraid Madam won't be able to explain it to Old Madam.

"This is the first great-grandchild of the Mo family, and Old Madam values it very much. If anything happens to the child, Madam, have you thought about how you're going to answer to Old Madam? Are you ready to bear Old Madam's anger?"

Madam Mo wasn't afraid of anyone but Old Madam.

Hence, Sister Lin brought Old Madam out.

As expected, Madam Mo's expression changed, and her eyes wavered.

But soon, they became firm again. She narrowed her eyes and said coldly, "When the time comes, I'll explain it to Mom. I believe that if she knows the reason, she can understand my actions.

"Moreover, I didn't say I would do anything to the child. I don't like that vixen, but she's carrying the Mo family's bloodline. I naturally won't let anyone hurt it."

"Then, Madam, you..." Sister Lin didn't understand.

"The child belongs to the Mo family. I'll let the child be born safely. But Jiang Luoli can't stay by Shixiu's side anymore."

Madam Mo hadn't thought of doing it now.

She had suggested that Jiang Luo leave the country to nurse her pregnancy because she wanted to trick her.

As long as she got her overseas, she could follow the original plan.

When the time came, she would find a place to imprison Jiang Luoli and let her give birth to the child safely before sending her to an unknown place.

She would never be able to return to Yuncheng City.

Chapter 2279: This Is Not Something You Can Control

She would never be able to bewitch her son again.

But that vixen was smart enough to find a reason to reject her.

Old Madam was on her side too, so Madam Mo couldn't insist on her going overseas to recuperate.

If she insisted on it, people might suspect her.

Madam Mo wanted to find an excuse to get Jiang Luoli overseas, but before she could think of a perfect excuse, she found out that Mo Shixiu had withdrawn from the election.

Mo Shixiu had prepared for this election for several years.

Hence, Madam Mo didn't believe that her son had given up willingly.

It had to be that vixen's fault.

Madam Mo couldn't wait to get rid of Jiang Luoli.

Sister Lin slowly understood what she meant.

She widened her eyes. "Madam, y-you're going to take Young Madam away? Where are you taking her?"

Madam Mo looked at her and said coldly, "This isn't something you can interfere with."

Someone knocked on the door upstairs.

Sister Lin turned pale and looked up.

Madam Mo also looked up. Her eyes were cold.

Today, she would take Jiang Luoli away no matter what!

Before Madam Mo came, she had checked Mo Shixiu's schedule and found out when he usually got off work.

Hence, she knew that he was rushing home.

But she had already gotten someone to create a little accident on his way back.

Hence, Mo Shixiu wouldn't be back anytime soon.

She had enough time to get Jiang Luoli away.

At this thought, Madam Mo smiled and felt much better.

As long as she got rid of Jiang Luoli, everything would be back on track.

...

Upstairs.

Jiang Luoli followed Sister Lin's instructions and locked the door after entering Mo Shixiu's study.

After locking the door, she walked to the window and closed it.

The reason Sister Lin wanted her to go to Mo Shixiu's study room was that the door was much sturdier than the other doors, and the security settings were especially good.

This was Mo Shixiu's usual office, and some confidential documents were stored there.

Hence, when he renovated the study, security was always the main focus.

Jiang Luoli knew that she had locked the door from the inside, so the people outside wouldn't be able to enter anytime soon.

But she still felt insecure.

She took out her cell phone and called Mo Shixiu.

The door was slammed.

Her hand trembled and her cell phone almost fell to the ground.

She heard the bodyguard outside say, "Young Madam, you'd better come out yourself. Don't force us to use violence."

At this moment, the call went through.

Jiang Luoli heard Mo Shixiu's voice. "Luoli."

She was still panicking, but when she heard his voice, she seemed to calm down and wasn't so afraid anymore.

She tightened her grip on her cell phone. "Mo Shixiu, how long till you get home?"

Just then, there was another loud knock on the door. "Young Madam, did you hear me? If you don't come out, we're going to smash the door."

"What's that sound?" Mo Shixiu's voice became serious. "Luoli, where are you now? What happened?"

"N-Nothing.." Jiang Luoli took a deep breath and walked towards the window. "Mo Shixiu, where are you? How long till you get home?"

Chapter 2280: She Would Be Afraid Too

"I encountered something here and got stuck." Mo Shixiu's voice was obviously anxious. "Sister Lin called me just now and said that something is happening at home. She asked me to go back immediately. What exactly happened? Luoli, don't lie to me. I'm very worried about you.

"Mom went to look for you? What did she do?"

Jiang Luoli kept quiet.

There was another knock on the door. It was quick and violent.

Mo Shixiu heard the noise and said, "Luoli, say something. What did Mom do to you? Is someone knocking on the door? What happened?"

"Are you trying to make me anxious?"

Jiang Luoli didn't intend to ruin Mo Shixiu's relationship with Madam Mo.

But now, this couldn't be avoided.

She originally thought that even if Madam Mo didn't like her, she was still carrying the Mo family's bloodline. On account of the child, Madam Mo wouldn't do anything to her.

But she was wrong.

She thought too kindly of Madam Mo.

At this point, she had nothing to worry about.

No matter what, she had to protect herself and the baby.

No one could hurt them.

"Mo Shixiu, she knows about your withdrawal from the election. She thinks I'm behind this, so she brought a group of bodyguards over. The knocking you heard just now was them smashing the door.

"I'm hiding in your study room, but I don't know how long the door can last. I also don't know where they'll take me and what your mom will do to me and the child. Mo Shixiu, to be honest, I'm really afraid now." Jiang Luoli wasn't a timid person, but she was really afraid now.

She thought Mo Shixiu would be back soon.

But when he said that he was stuck on the road, she panicked.

She wasn't as bold as she thought.

If something happened, she would be afraid too.

Jiang Luoli's voice was a little choked as she spoke. "Mo Shixiu, I don't know what I did wrong. Why does your mom think that I'm the one who harmed you? Do you think we're really not suitable for each other?"

"Did I really harm you? If you weren't with me, you wouldn't have made the decision to withdraw from the election."

Hence, just as Madam Mo said, she was really a jinx.

She affected Mo Shixiu's future.

"What nonsense are you talking about?" Mo Shixiu lowered his voice. "Luoli, no matter what Mom says to you, don't take it to heart. Remember, you're my wife. You're living with me, not with her."

"I know best whether you're good or not. I've said it before, everything is up to me. You don't affect me in any way. It doesn't matter what others think of you. You just have to care what I think of you. Don't let your thoughts run wild and don't worry. I'll rush back immediately."

"The door to the study room has been specially processed. As long as you don't open it, no one can enter. Just stay inside and wait for me. At most, wait for another 10 minutes before I appear beside you. Luoli, trust me. I'll protect you and our baby."
