Chapter 2281: Divorce If He Can't Accept It

"No one can hurt you."

"But your mom..."

"Even if it's my mom, she can't hurt you. You're her daughter-in-law, and you're carrying her grandchild."

Jiang Luoli smiled bitterly.

That was true, but when had Madam Mo ever treated her as a daughter-in-law?

Never.

After all, in Madam Mo's eyes, a scheming girl like her who deliberately seduced her son and wanted to marry into a rich family to change her social status wasn't worthy of being her daughter-in-law.

"But now, she's doing something to hurt me." Jiang Luoli finally understood that no matter what she did, Madam Mo was dissatisfied with her and wasn't willing to acknowledge her as her daughter-in-law.

In the past, because Mo Shixiu treated her well, she thought that since she had married into the Mo family and was carrying his child, it was good to live with Mo Shixiu.

She didn't hold it against Madam Mo anymore.

As long as Madam Mo didn't do anything overboard, she would tolerate it.

Because she liked Mo Shixiu and cared about him.

Hence, she didn't want to see him being stuck between her and Madam Mo.

It didn't matter if she suffered.

But her concession didn't change anything.

Madam Mo's slap woke her up completely.

Jiang Luoli decided not to be silly anymore.

She'd thought about it.

She liked Mo Shixiu and wanted to spend the rest of her life with him.

But if Mo Shixiu was still on Madam Mo's side in the end, she might have no choice but to part with him.

She didn't even want to maintain harmony on the surface.

Anyway, she wouldn't hide her true opinion and attitude towards Madam Mo.

If Mo Shixiu could accept it, they would continue living together.

If he couldn't accept it, she'd divorce him.

She knew very well that if she really divorced Mo Shixiu, she would definitely be in pain.

She might even regret it.

After all, she would never meet another man like him in her life.

She probably couldn't even find a man half as good as him.

It wasn't that she wasn't confident in herself, but a man like Mo Shixiu was hard to come by.

How many times could a person be lucky in their lifetime?

Hence, if she wasn't forced to, she wouldn't consider divorcing Mo Shixiu.

She hoped that he wouldn't disappoint her.

"Mo Shixiu, your mom is hurting me now. I can tell that she hates me. She feels that I've affected your future. I'm a disaster, and she wants to get rid of me.

"I've tried to treat her as my mother-in-law, but I don't think it's possible now. I understand now that no matter what I do, as long as I don't have a good background, I'll never catch her eye."

She couldn't possibly be like Qiao Mianmian, who suddenly had an impressive background.

She was just an ordinary citizen. There was no way she could counterattack.

Hence, if she didn't divorce Mo Shixiu, she would probably have to go against Madam Mo for the rest of her life.

"Luoli, I'll definitely give you an explanation for this. I'll definitely do what I promised you. But the most important thing now isn't this. You have to protect yourself."

Chapter 2282: She Really Likes Him

"Remember, don't go anywhere before I return. Stay in the study room, got it?"

Jiang Luoli knew that this wasn't the time to be bothered about Madam Mo.

She took a deep breath and suppressed her anger. "Mm, I got it."

"Don't be afraid." Mo Shixiu comforted her gently. "As long as you don't leave the study, they won't be able to enter. Moreover, there are bodyguards at home. If anything really happens, they will protect you.

"Anyway, trust me. Nothing bad will happen.

"Luoli." Mo Shixiu called her name softly. "Are you willing to believe me?"

Jiang Luoli's nervousness and fear gradually faded as he comforted her.

She was willing to believe him.

She could only trust him.

He was her husband, the person closest to her now.

If she couldn't trust him, their marriage would be meaningless.

"Mm, I believe you."

So, he couldn't disappoint her.

She really liked him.

"Wait for me, I'll be back soon." Mo Shixiu hung up.

Jiang Luoli looked out of the window and clenched her fist.

Mo Shixiu, you have to come back soon.

Because I'm really afraid.

She placed a hand on her belly. "Baby, Mom will definitely protect you. No one can hurt you. Mom can do anything for you."

Although the baby wasn't born yet, Jiang Luoli's motherly love was already aroused.

The people outside knocked on the door for a while. Seeing that Jiang Luoli didn't respond, they started to slam it.

Bam! Bam! Bam!

Thankfully, as Mo Shixiu said, the door had been specially processed, so it was locked from the inside. It couldn't be opened from the outside.

Not even if it was smashed.

She thought that it was all thanks to Sister Lin's quick reaction that she was able to hide in the study.

She just had to wait for Mo Shixiu to come back.

He said that he would definitely give her an explanation.

She wanted to see what he was going to do.

...

Downstairs.

Sister Lin lost her composure.

Seeing that Madam Mo wasn't moved at all, she said anxiously and angrily, "Madam, stop this. It's not too late."

Madam Mo sat on the sofa with a dark expression. "I've said it before, Jiang Luoli has to leave Shixiu."

"Madam, why are you forcing First Young Master and Young Madam apart? Do you want to see First Young Master alone for the rest of his life? First Young Master finally got a woman, and now he has a child on the way. Madam, what are you not satisfied with?"

Madam Mo looked up coldly. "My son is so outstanding, the person worthy of him has to be on par with him. Not only is Jiang Luoli's family background lowly, but she also doesn't know her place. Now, Shixiu has made an extremely irrational decision. Such a woman cannot continue to stay by his side.

"Without her, a woman who's compatible with Shixiu in all aspects will definitely appear in the future. Sister Lin, this isn't something you should worry about. I know very well what I'm doing. This is for Shixiu's own good."

Chapter 2283: So He's Mo Shixiu

Seeing how stubborn Madam Mo was, Sister Lin knew that she couldn't persuade her anymore.

She only hoped that Mo Shixiu would come back soon and end this farce.

Young Master, come back quickly.?Sister Lin prayed in her heart.

...

After Mo Shixiu hung up Jiang Luoli's call, he looked at the car accident that hadn't been settled. He frowned and asked the driver, "When can this road be opened?"

He faced a traffic jam caused by a car accident when he was rushing home.

Mo Shixiu had been blocked for almost 10 minutes.

Normally, he wouldn't be so anxious.

But the thought of Jiang Luoli waiting for him at home made him uneasy.

"Mister, the car in front hasn't left yet. I don't think we can leave anytime soon. If Mister is in a hurry to go home, we can take a detour."

"Take a detour? How long will it take?"

"It might take an hour or so. The detour is very far, but there shouldn't be any traffic."

An hour?

Mo Shixiu frowned.

That was impossible.

He couldn't possibly make Jiang Luoli wait for him for so long, and he wasn't at ease.

Mo Shixiu looked at the long queue outside and made a call without hesitation.

Soon, a respectful voice was heard. "Minister."

"I'm stuck at XX Street. I have to go home immediately. Make the arrangements."

A moment later, Mo Shixiu hung up.

Less than five minutes after he hung up, a police car arrived beside his Rolls Royce.

A middle-aged man in a uniform got out and walked to the back of the Rolls-Royce with a respectful expression.

The window was half-opened.

The man looked into the car and saw the person sitting in it. He immediately bent down and called out respectfully, "Minister Mo, I've already gotten a car for you. Please follow me."

Mo Shixiu looked at the person standing outside and immediately got out.

The moment he got out of the car, a few policemen immediately came over to protect him and helped him into the police car.

Mo Shixiu had a special identity. The police station was afraid that he would be recognized and cause a commotion, so they arranged for a few people to escort him into the car.

But even so, someone recognized Mo Shixiu.

He was over 1.8 meters tall, taller than the police officers. Walking with them caused a visual effect.

Those that recognized Mo Shixiu were in the cars parked beside him.

"Eh, why does that person look so familiar? I think I've seen him somewhere before."

"Isn't that our Minister of National Security, Mo Shixiu? He was in the Rolls-Royce beside us?"

"It's really Mo Shixiu. Did something happen to him? He looks anxious."

"Mo Shixiu got into the police car and left through another road."

"No wonder he can leave in a police car while we're blocked here. So he's Mo Shixiu. I was wondering who was so impressive to receive such special treatment."

...

At this time, in the police car.

Mo Shixiu was no longer blocked by the traffic jam, but his brows were still furrowed.

He wasn't worried that Madam Mo would take Jiang Luoli away.

As long as Jiang Luoli stayed in the study and didn't open the door for them, they couldn't take her away.

Chapter 2284: Our Relationship as Mother and Son Will End Here

Mo Shixiu was worried that Jiang Luoli would be shocked.

She was still pregnant.

If something happened to the child...

At this thought, Mo Shixiu clenched his fists. This was the first time in his life he acted unruly. He instructed the driver, "Drive faster."

The policeman driving immediately replied respectfully, "Yes, Minister Mo."

He could tell that Mo Shixiu was in a hurry and immediately sped up.

After a while, Mo Shixiu looked at the time and frowned. He urged the driver again. "Faster."

"But Minister Mo, the speed is already..."

"Do as I say." Mo Shixiu interrupted him in a low voice.

"...Yes."

No one could afford to offend him.

No matter what he said, the people in the car had to listen to him unconditionally.

The driver looked at the rearview mirror and saw the handsome man in the backseat frowning and looking anxious. He couldn't help but wonder: What exactly happened to Minister Mo for him to be so anxious?

After all, they could only watch Mo Shixiu on television.

The him on television was always calm and composed.

This was the first time they saw Mo Shixiu so anxious.

The driver sped up again.

Mo Shixiu was anxious. He looked at the buildings flying past outside the car window and was still worried. He took out his cell phone and called Madam Mo.

It rang a few times before Madam Mo picked it up.

"Shixiu, why are you calling me? What's the matter?" Madam Mo asked.

"Mom, you don't have to pretend to be confused. I know everything." Mo Shixiu didn't stand on ceremony with her. He said coldly, "I just want to say this. If anything happens to Luoli, our relationship as mother and son will end here."

He sounded serious and heartless.

Madam Mo was stunned. She kept quiet for a while before saying, "You want to cut ties with your biological mother because of that scheming woman? Shixiu, I thought that no matter what, you'd be more rational than your brother and wouldn't be bewitched by a woman."

"It seems like these vixens have extraordinary means. Even you can say such things to your biological mother for her. I won't let such a terrifying woman stay by your side."

Madam Mo's tone was firm. "Even if you want to break off our mother-son relationship, I'll get this woman away from you. I can't let my son be ruined by her."

Mo Shixiu's eyes darkened when he heard the determination in her tone.

The few policemen sitting in the car trembled from the cold aura.

It was winter, and the car wasn't air-conditioned.

But it was even colder.

The moment Mo Shixiu's aura turned cold, no one dared to breathe.

At the same time, they started to gossip.

Was Mo Shixiu calling his mom?

Who was Luoli?

For this person, he was willing to sever ties with his biological mother. This showed that this person was someone he cared about very much.

Could it be a woman?

Chapter 2285: Try It Then

"Try it, then." Mo Shixiu didn't hold back at all. He said each word firmly and coldly, "I never threaten anyone with lies. I'll say it again. If anything happens to Luoli because of you, then our mother-son relationship will end here.

"Y-You really want to cut ties with your biological mother because of a woman? Mo Shixiu, you're heartless, disloyal, and unfilial! I carried you for 10 months and gave you life. I gave you a superior material life. I raised you up with all my might. Is this how you treat me?"

Mo Shixiu's expression was very calm as he listened to her complaints. "Mom, I don't expect you to care about her as much as I do. Even if you don't like her, you shouldn't have hurt her. You know how important she is to me, but you still did this to her. When you decided to do this, you didn't care about our mother-son relationship. Even if you had the slightest scruple, you wouldn't touch the person I care about.

"Since you don't care, why should I?"

With that, Mo Shixiu hung up before Madam Mo could say anything.

...

Madam Mo's expression darkened.

She didn't believe that her eldest son, who had listened to her the most and was the most filial to her since he was young, would actually say such heartless words to her.

And everything was for that woman called Jiang Luoli.

Before he met that woman, her son wasn't like this.

Why did her two sons become strangers to her after getting married?

Madam Mo was extremely disappointed.

She felt like a failure.

The two sons she'd raised were separated from her because of women.

She had suffered so much during her pregnancy, and the two sons she gave birth to were now someone else's.

Madam Mo was furious, upset, and helpless.

She felt indignant that her efforts weren't reciprocated.

What right did other women have to enjoy the happiness of the sons she raised painstakingly?

Even if they were her daughters-in-law in name, she couldn't.

Her sons were hers.

No one could compete with her!

Madam Mo didn't realize that her mentality wasn't normal.

It wasn't easy for her to give birth to Mo Shixiu and Mo Yesi, so she had always felt that her two sons were her private property.

Even with Mo Yunchen's love, she wasn't satisfied.

She hoped that everyone would pamper her.

Especially the two sons she had painstakingly given birth to. They couldn't go against her at all.

They should respect her and listen to her.

Whether it was Jiang Luoli or Qiao Mianmian, in Madam Mo's heart, they were two bad women who snatched her sons away.

Madam Mo was still dissatisfied with Qiao Mianmian, but because of the Bai family, her dissatisfaction lessened, and she stopped thinking about Qiao Mianmian.

She didn't want to become enemies with the Bai family.

Hence, she could only bully Jiang Luoli.

The Jiang family was small. Even if she did anything to Jiang Luoli, she wasn't afraid of them finding trouble with her.

Not only did Mo Shixiu's call not make Madam Mo give up on her crazy idea, but it also angered her.

Chapter 2286: Both of Them Are Stubborn

Madam Mo stood up when she heard the door being slammed.

She said angrily as she stormed upstairs, "A bunch of trash. You haven't opened the door after so long."

Sister Lin followed her.

...

Upstairs, she saw a group of bodyguards standing outside the study room. Two of them were slamming the door.

They exerted all their strength, and their faces were red from holding it in, but the door still didn't budge.

"What's going on? There are so many of you, why haven't you opened the door?" Madam Mo looked at the bodyguards standing outside with anger.

"Madam." The bodyguard immediately turned around and bowed when he saw her. "This door is rather special. We tried many ways but still couldn't open it. Eldest Young Madam is in the study and refuses to come out. We, we can't..."

Madam Mo's expression darkened.

"There's nothing you can do?"

"Yes, Madam." The bodyguard looked at her gloomy face and broke out in cold sweat. "This door, this door is very sturdy. We, we really can't break it."

"A bunch of trash!" Madam Mo glared at them and walked to the door.

The door of the study was closed. She couldn't see anything.

Madam Mo's sharp gaze landed on the heavy door. "Jiang Luoli, do you think I can't do anything to you just because you're hiding inside? If you have the ability, don't come out for the rest of your life. Let me tell you, don't think that Shixiu can protect you. As long as I take you away, even he can't do anything.

"He's my son, he'll naturally listen to me. Come out now and follow me obediently. On account that you're carrying the Mo family's bloodline, I won't mistreat you. If you don't understand the situation and insist on going against me, don't blame me for being heartless.

"If you really anger me, you won't get any benefits."

Madam Mo looked calm on the surface, but she was actually very anxious inside.

She only said this to get Jiang Luoli to come out.

Mo Shixiu had just called her and spoke so harshly.

Madam Mo knew her son well.

Her two sons had very similar personalities. Once they decided on something, whether it was a person or an object, it was hard to change their minds.

Both of them were stubborn.

Hence, Mo Shixiu obviously wouldn't listen to her.

Not only did he not listen to her, he even said that he wanted to break off their mother-son relationship.

Madam Mo felt a little regretful.

She felt that she was too impulsive this time.

She was really angered by Mo Shixiu's withdrawal from the election. At that time, she didn't think about anything and rushed over with her people.

Now that Jiang Luoli was hiding in the study, no one else could enter.

How was she going to get Mo Shixiu back later?

Jiang Luoli didn't say a word.

Madam Mo was anxious and said fiercely, "Jiang Luoli, if you don't come out, I'll get someone to arrest your parents and brother immediately."

No sound came from the study.

Madam Mo was really anxious.

Chapter 2287: Madam Mo Has Gone Mad

She arranged for someone to create the car accident on Mo Shixiu's way back.

She knew very well that the car accident could only delay him for about 20 minutes.

Mo Shixiu would be back soon.

Madam Mo wanted to get Jiang Luoli away, so she couldn't waste any more time.

She suddenly saw Sister Lin standing behind her, and her eyes flashed. She pulled Sister Lin in front of her and ordered in a low voice, "Sister Lin, get her out. You have a good relationship with her, she'll definitely listen to you."

Sister Lin widened her eyes. "Madam, I won't persuade Young Madam to come out."

"You've been in the Mo family for more than 20 years. Shixiu is the child you watched grow up. Do you really want that jinx to harm him? Don't be silly. If you help me this time, I won't forget your contribution."

Sister Lin shook her head. "Madam, don't say anymore. I won't do that. It's precisely because I watched Young Master grow up that I won't do such a thing to hurt his heart. Madam, please stop. Don't continue on this path."

Seeing that she wasn't willing to help at all, Madam Mo grabbed her hand angrily. "What exactly do you want to help me? I'll give you money, is 10 million enough? This amount is enough for you to not worry for the rest of your life."

Sister Lin shook her head. "Madam, I don't want money. I just want to see Young Master happy."

"You old fogey!" Madam Mo was so angry that her face turned green. "Shixiu won't be happy if this woman stays by his side for a day!"

“Madam, you’re the stubborn one.” Sister Lin looked at Madam Mo coldly, and her tone wasn’t as polite as before. “What I see is that after Young Master got together with Young Madam, he’s much happier than before.”

“In the past, Young Master’s life was filled with work every day. Besides work, I couldn’t see any joy in him. He was like a machine that never knew fatigue. He lived a boring life.”

“Young Madam’s appearance changed him. Young Master is really living his life now. Madam, Young Master and Young Madam are doing well. They’re really happy. Why do you insist on breaking them up?”

“I gave birth to Shixiu. I know better than anyone what kind of lifestyle is most suitable for him. I spent so much time grooming him to be such an outstanding person, not to let him idle at home and have romantic relationships.”

“Madam.”

“Enough, don’t say anymore. Let me ask you one last time, are you going to help me or not?” Madam Mo had completely lost her rationality. She was the mistress of the Mo family, but even a servant was helping that vixen.

She glared at Sister Lin and threatened. “Don’t forget that your son is working in the Mo Corporation. With just a word from me, I can make him go home immediately. You have to think clearly whether you want to help that vixen or your son’s future.”

Sister Lin looked at Madam Mo in disbelief.

She felt that Madam Mo had gone completely crazy.

She could no longer see any elegance in her.

The current Madam Mo was more like the evil mother-in-law from the dramas.

Just as Sister Lin was at a loss, she heard footsteps coming from the stairs.

Chapter 2288: Shocked

She turned around and saw a familiar figure.

Sister Lin was stunned. She looked excited and called out happily, “Mister.”

Mo Shixiu was finally back.

Seeing him, Sister Lin seemed to have seen her savior. She immediately turned around and walked to him. “Mister, you’re finally back.”

Mo Shixiu’s cold gaze landed on Madam Mo and the group of bodyguards standing outside the study. There was no warmth in his eyes. He then looked down at Sister Lin. “Is Young Madam inside?”

“Yes.”

“Is she alright?”

“This...” Sister Lin hesitated. “Young Madam has been in the study the whole time, so I’m not sure. Mister, quickly go in and take a look.”

Mo Shixiu nodded and didn’t say anything else.

He then glanced at Madam Mo and the bodyguards.

It was just a glance, but it was enough to make the bodyguards pale.

Hence, when Mo Shixiu walked over, the bodyguards quickly stepped aside. No one dared to block the door.

The man didn’t say a word.

He didn’t even look angry.

But sometimes, the silent treatment was more terrifying.

Mo Shixiu’s silence was really scary.

Madam Mo also felt uneasy.

But she was different from the bodyguards. This person was her son.

Hence, she had nothing to be afraid of.

She hadn’t done anything to Jiang Luoli.

And so what if she had?

She didn’t believe that her son would fight with her.

Madam Mo raised her chin. She was obviously nervous, but she still looked arrogant. “Shixiu, you’re back. You’re much faster than I expected. Why are you so anxious to come back? Are you worried that I’ll do something to Jiang Luoli?”

“Since you’re back, hurry up and call her out. I just wanted to take her overseas to recuperate, but she felt that I wanted to harm her and refused to come out.

“I was worried that it wouldn’t be safe for her to be alone in there. I was afraid that something would happen to her, so I got someone to open the door.

“I was talking to her just now, but she didn’t say anything. I don’t know if something really happened.” Madam Mo lied without blinking. “Anyway, I didn’t do anything to her. If anything happens to her, she can’t blame me.”

Madam Mo felt the temperature drop.

It was as if a gust of cold air had enveloped her. The heater in the room was on, and she was wearing thick clothes, but she still felt a chill at that moment.

She couldn’t help but tighten her clothes. She looked up and met Mo Shixiu’s cold eyes.

She was shocked.

Mo Shixiu looked at her coldly and knocked on the door. "Luoli, I'm back. Open the door."

Although the door was very sturdy, he could still see the marks on it.

Looking at the marks on the door and thinking about what had happened here, Mo Shixiu narrowed his eyes.

Chapter 2289: She Asked for It!

"Mo Shixiu, is that you?"

After a while, Jiang Luoli's voice could be heard from inside.

"It's me." Mo Shixiu lowered his voice. "Luoli, I'm back."

The door opened.

Jiang Luoli didn't care if someone was standing outside. She rushed into Mo Shixiu's arms and hugged him.

"Mo Shixiu, you're finally back." She looked up, her eyes red.

Mo Shixiu was stunned for a while before hugging her gently.

He lowered his head and kissed her forehead. Seeing her reddened eyes, his heart ached. His voice softened as he coaxed her softly. "Mm, don't be afraid. I'm back. With me around, no one can hurt you."

Mo Shixiu checked her carefully. After confirming that she was fine, he heaved a sigh of relief.

Madam Mo looked at the two of them hugging as if no one was around.

This vixen.

She was still present, and she was already throwing herself at her son.

If she wasn't around, wouldn't this vixen seduce her son?

Seeing how much Mo Shixiu treasured Jiang Luoli, Madam Mo felt uncomfortable. She couldn't help but say sarcastically, "Who are you showing this aggrieved look to? Do you mean that I've wronged you?"

"I didn't do anything to you. Don't talk nonsense in front of Shixiu."

Mo Shixiu turned around with Jiang Luoli in his arms.

Madam Mo immediately kept quiet when she met his gaze.

Mo Shixiu had never looked at her with such a cold and strange gaze.

Madam Mo immediately felt guilty.

"Luoli, what's wrong with your face? When I left this morning, your face was fine. Why is one side of your face so swollen now?" Mo Shixiu asked Jiang Luoli, but his eyes were on Madam Mo.

Mo Shixiu's voice was very calm, but the veins on his forehead and his clenched fists showed his true emotions.

At this moment, Madam Mo was very sure.

If this person wasn't her son, she would have been slapped.

Realizing this, Madam Mo was upset and angry.

Didn't she just slap that vixen?

Wasn't it normal for a mother-in-law to teach her daughter-in-law a lesson?

When she was young, she had also suffered at Old Madam's hands.

How could she not feel aggrieved at all?

Jiang Luoli moved her lips and was about to speak when Madam Mo said angrily, "I hit her. I'm her mother-in-law, and she did something wrong. Can't I discipline her?"

Mo Yesi's eyes turned cold. "Mom, you hit her?"

"Yes, I hit her." Madam Mo looked as her son defended the vixen and felt upset. She said angrily, "It's because of her that your bright future is ruined. Everyone says that a virtuous man has to marry a virtuous woman. This woman not only didn't help her husband at all, but she even harmed you. Shouldn't I hit her? Even if I kill her, she asked for it!"

When she said the word "kill", the surrounding temperature dropped drastically.

Chapter 2290: I Only Want Her

A gust of cold air entered her body, making Madam Mo shiver.

"Why? Are you going to slap me back for this woman?" Madam Mo was afraid and angry, and she tried to cover up her panic.

Mo Shixiu just looked at her coldly and didn't say anything.

Madam Mo felt even more guilty.

But she felt that she hadn't done anything wrong.

She had just slapped that vixen.

What was wrong with teaching a junior a lesson?

"Shixiu, listen to me. You can't be with her." Madam Mo felt that her son was completely bewitched. Now that he was so bewitched by this vixen, what would happen in the future?

Who knew what this vixen would entice him to do in the future?

No.

She had to get this vixen away from her son.

"Shixiu." Madam Mo grabbed his arm. "Jiang Luoli will really hurt you. She'll ruin you. Everything Mom did was for your own good. She can't stay by your side anymore."

“There are many girls in this world who are better than her. You’re the Young Master of the Mo family and have a high status. You don’t have to worry about not being able to find someone suitable for you. You...”

“But there’s only one Jiang Luoli in this world.” Mo Shixiu interrupted her. “No matter how good other women are, it has nothing to do with me. I only want her.”

He made it clear.

He sounded firm.

Jiang Luoli’s eyes reddened.

She looked up at the man’s beautiful jawline, his thin lips, high nose bridge, and his deep and charming eyes.

He was almost perfect in every aspect.

This was a man that any woman would fall for.

This man was her husband.

This man said: “There’s only one Jiang Luoli in the world.” He also said: “No matter how good other women are, it has nothing to do with me.”

He didn’t hide his thoughts at all.

He really cared about her.

She was worried that he would side with Madam Mo. But now she knew that her worries were unnecessary.

She was even a little ashamed.

Why did she think that Mo Shixiu might be on Madam Mo’s side?

She knew that he wouldn’t do such a thing.

Jiang Luoli was moved to tears, but Madam Mo was so angry that her face turned green.

“Y-You’re possessed!”

Madam Mo pointed at him angrily.

“So what if I am?” Mo Shixiu said nonchalantly. “Even if I’m possessed, I’m willing. Mom, Luoli is still pregnant. I thought that you wouldn’t touch her no matter what.

“But you actually hit her.”

Mo Shixiu’s voice was very calm, but there was no emotion in his eyes. “I’ve said it before. If Luoli is hurt, our mother-and-son relationship will end here. Go, don’t come again. I won’t let you in. Unless you realize your mistake and are willing to change, we’ll be strangers in the future.”
