

Big Shot 2311

Chapter 2311: She Really Managed to Train Him

"I never dreamed that you'd become a henpecked husband. Marriage is so scary." He teased him.

Mo Yesi couldn't be bothered. He asked Qiao Mianmian, "If you want to go, we'll go. If you don't want to go, pick a place you like."

He could do anything.

"Sis-in-law." Yan Shaoqing heard what Mo Yesi said and yelled, "Come over and play with us. There are so many people tonight, it'll be fun if you come. Don't be so strict with Second Bro. Other than work, he spends all his time with you. You have to give him some free time to accompany us."

In order to get Mo Yesi to go over, Yan Shaoqing even insulted himself.

His last sentence caused Qiao Mianmian to chuckle.

Yan Shaoqing was a clown.

Qiao Mianmian blinked and looked at the man's handsome face. She thought for a while and said, "Then, let's go."

"Alright."

After getting her approval, Mo Yesi replied to Yan Shaoqing, "We'll be there soon."

"Alright, alright. I got a few bottles of wine. I'll open them when you come over."

...

Nightlight.

The waiter brought Qiao Mianmian and Mo Yesi to a private room.

This private room was booked by them for a long time.

Even if no one did, it was reserved for them.

The waiter knocked on the door and opened it. "Young Master Mo, Miss Qiao, please come in."

Qiao Mianmian heard laughter from inside.

It was a mix of male and female voices.

A string of laughter rang out.

Mo Yesi also heard a woman's voice.

He frowned and stood at the door for a few seconds before entering with his arm around Qiao Mianmian.

"Sis-in-law, Second Bro, you're finally here." The moment they entered the private room, they were greeted by someone.

Mo Yesi glanced at the sofa.

His expression wasn't very good. "Since you know that your Sis-in-law is coming, why are there so many indecent women in the room?"

"Second Bro, you're maligning me." Yan Shaoqing quickly explained. "I don't have the guts."

Mo Yesi narrowed his eyes. "What's with those women? Am I seeing things?"

"No, no, no." Yan Shaoqing quickly said, "Second Bro, one of them is my cousin, and the other is her best friend. They're really not indecent women. I thought that Sis-in-law would be bored with us men, so I called them over.

"They're about the same age as Sis-in-law. I think they have a lot in common.

"With someone to play with, Sis-in-law won't feel bored."

Mo Yesi's expression softened.

He turned to look at Qiao Mianmian. "She's not a promiscuous woman."

Yan Shaoqing was speechless.

Damn it, he really couldn't understand.

How did his Second Bro become like this?

He really became a henpecked husband.

Who would believe this?

Even he felt like he'd seen a ghost.

He really wanted to know how Qiao Mianmian managed to train an iceberg like Mo Yesi.

Chapter 2312: You Won't Understand

He'd thought that the person being taken advantage of was Qiao Mianmian.

But now it was the opposite.

The person who was being taken advantage of became his second brother.

A man who'd never been close to a woman for over 20 years was now being taken advantage of by a woman.

It was obvious that many things were destined.

This was what it meant to have everything under control.

Yan Shaoqing felt that he couldn't be like Mo Yesi in the future. He couldn't be controlled by his wife every day.

He would never let a woman ride on his head.

No matter how much he liked that woman, it was impossible.

If any woman dared to ride on his head, he would definitely teach her a lesson.

He wasn't made of dough!

Yan Shaoqing sighed. "I really didn't expect Second Bro's marriage to turn out like this. Oh my, marriage is so scary. No wonder people say that marriage is the grave of love. In my opinion, it's more than a grave. It's scarier than hell."

"Or are you like me, free and unfettered in love? Tell me, how hard must I think to get married?"

Yan Shaoqing felt someone roll their eyes at him.

He turned around and saw that it was Lu Rao.

He recalled that Lu Rao was already married.

Yan Shaoqing frowned and asked, "Lu Rao, is your wife very strict with you too? Don't be like Second Bro and become a henpecked husband. It's so difficult to get him to come out and play now. If you do the same, it'll be meaningless in the future."

Lu Rao adjusted the gold-framed glasses on his nose bridge and smiled. "My wife won't control me, but as a married person, I have to be self-aware. So, try not to call me out in the future. I'm probably not free."

Yan Shaoqing was speechless.

"No..." Yan Shaoqing was speechless. "You don't have to be like this. It's just a marriage, not something dangerous. Do you have to be like this?"

"You're all big shots in their own fields, but you're all henpecked. Aren't you afraid of being laughed at?"

"What's there to joke about?" Lu Rao rolled his eyes again. "This isn't fear. It's respect, love. Forget it, a single person like you won't understand what I'm saying."

Mo Yesi nodded. "He's single, he really won't understand."

Qiao Mianmian pursed her lips and didn't say anything. Seeing Yan Shaoqing's flustered expression, she held back her laughter.

This society really discriminated against single people.

Yan Shaoqing was speechless.

Couldn't he speak nicely?

Why were they attacking him?

So what if he was single?

He never lacked women.

He just didn't like to give those women status, so most of the people around him were lovers.

“Tsk.” Yan Shaoqing shushed him. “I’d rather not understand it for the rest of my life. If I have to be like you and report to someone when I’m out to play, then I’d rather be single for the rest of my life.”

Lu Rao looked at him and smiled.

Which of them hadn’t thought of this before?

Who would believe that they would end up like this?

But if he really found the person he was destined to be with, any principle could be broken.

Willingly broken.

Chapter 2313: No Woman Is Worthy of Him

Lu Rao looked at Yan Shaoqing’s indignant expression and shook his head.

“Second Cousin, is Brother Yesi here?” A sweet voice sounded from behind Yan Shaoqing.

He turned around and looked at the girl behind him.

The person who spoke was his cousin, Lin Wanwan. She was 16 this year and came to his house for winter vacation.

The girl was pretty and young, like a budding flower.

Yan Shaoqing had several cousins, and this one was his favorite.

Deep down, he was a lolicon and liked lolitas.

Hence, he liked this cute cousin of his.

This was why he brought her along.

“Mm, it’s him.” Yan Shaoqing smiled. “You still remember him.”

Lin Wanwan kept quiet for a while. She recalled some scenes and nodded shyly. “Mm, I remember.”

“You only saw him once, and you were very young then. I remember that you were less than 10 years old. Do you remember what he looked like?”

Lin Wanwan nodded again and looked at the slender figure in front of Yan Shaoqing. She pursed her lips and said shyly, “Mm, I remember. Brother Yesi is such an outstanding person. Even if we only met once, he left a deep impression on me.”

Yan Shaoqing smiled. “That’s true. Any girl would have a deep impression of my Second Bro’s face. Sigh, you girls, regardless of age, like good-looking people.”

As a man, Yan Shaoqing was also very impressed by Mo Yesi’s looks.

His second brother’s looks were the sort that men and women would find handsome.

Not to mention a woman, even he would stare at Second Bro’s face in a daze, wondering how a man could be so good-looking.

He would like him too if he was a woman.

Lin Wanwan pursed her lips and kept quiet.

She had a deep impression of Mo Yesi from the first time they met.

After that, she'd never seen anyone better looking than him.

Even the most outstanding man around her couldn't compare to him.

At that time, Lin Wanwan had a bold idea.

She thought that when she grew up and could talk about marriage, she would fight for herself.

Unfortunately...

The Prince Charming she'd been secretly in love with for so many years got married before she even got the chance to fight for him.

Lin Wanwan felt uncomfortable at the thought of this.

Her Prince Charming was the most perfect man in the world.

No woman was worthy of him.

She wanted to see what the woman who snatched her Prince Charming looked like.

It was a pity that she was blocked by Yan Shaoqing.

"Second Cousin, is the lady beside Brother Yesi his wife?" Lin Wanwan asked tentatively.

"Mm." Yan Shaoqing recalled his cousin's temper and couldn't help but say, "Oh, right. Wanwan, come and see Sis-in-law quickly. This is your first time meeting her, don't be rude and let others say that our Yan family's girls are uneducated."

Lin Wanwan and her best friend stood up to see what Qiao Mianmian looked like.

Chapter 2314: Her Face Was Getting Hot

Actually, she'd seen Qiao Mianmian's photo.

She loved going online.

Qiao Mianmian was in the entertainment industry and was trending almost every day.

How could Lin Wanwan not know her?

However, she felt that she might look good in photos, but not in real life.

After all, this was the era of photoshop.

Even a woman with average looks could become a beauty if she was photoshopped well.

Qiao Mianmian's photo wasn't bad, but she might not look as good in real life.

If she really did, wouldn't she be a goddess?

Lin Wanwan was arrogant and proud. She liked to compare herself to others.

Few girls around her could compare to her in looks.

Hence, she didn't take Qiao Mianmian seriously.

She looked up, puffed up her chest, and walked towards Qiao Mianmian proudly.

It was a little dark in the private room.

When Lin Wanwan walked to Yan Shaoqing, her gaze didn't land on Qiao Mianmian immediately. Instead, she looked at Mo Yesi shyly and bit her lip. "Brother Yesi."

The girl's heart was pounding as she looked at the handsome man in front of her.

Compared to the first time they met, the man looked even more charming.

When she first met Mo Yesi, he was still a handsome young man. Back then, he was so good-looking that he looked like he'd walked out of a comic magazine. She was very tempted.

Back then, she was still young and didn't know about love.

She just felt that Brother Mo was good-looking like a painting. She liked him so much.

She dreamt of him every night.

It had been a few years, but the young man had grown into an even more attractive man.

He was handsome, charismatic, and powerful. Like the type she liked.

Compared to him, the so-called good-looking boys in her school were like little kids.

Not one of them was even a tenth of him.

Lin Wanwan's heart was beating even faster and faster than before.

...

Yan Shaoqing quickly realized that his little cousin was acting strangely. Seeing how Lin Wanwan was staring at Mo Yesi with a red face and a smitten expression, the corners of his lips twitched twice and he slapped her on the shoulder.

Lin Wanwan snapped out of her daze and turned around. "Second Cousin, what are you doing? My shoulder hurts."

Lin Wanwan's best friend was also staring at Mo Yesi.

She and Lin Wanwan were classmates.

She'd heard Lin Wanwan mention Mo Yesi before and didn't think much of it. She even thought that Mo Yesi was just an old man.

Lin Wanwan actually liked an old man.

But after seeing Mo Yesi in person, she was so entranced by this “old man” that she couldn’t take her eyes off him.

She didn’t expect it.

A man who was 10 years older than them actually looked so handsome and young.

He was even more handsome than the school hunk.

Yan Shaoqing looked at the two love-struck fools beside him and thought to himself that his Second Bro was really good at everything. Even a teenage girl was charmed by him.

His cousin had high standards.

Chapter 2315: This Sister Is So Pretty

Yan Shaoqing didn’t take his cousin’s infatuation too seriously. In his eyes, Lin Wanwan was just a little girl.

It was normal for a little girl to want to look at a good-looking big brother.

“You rude girl.” Yan Shaoqing glared at her. “You haven’t greeted Sis-in-law.”

“Shaoqing, it’s alright.”

Lin Wanwan heard an extremely pleasant voice. It was soft and sweet. Just hearing this voice made her feel comfortable.

She looked up.

Under the dim lights, Qiao Mianmian’s face was like a pearl in the dark night. It was so bright that she could barely open her eyes.

She widened her eyes and stared at Qiao Mianmian.

Lin Wanwan thought that Qiao Mianmian was at most a beauty, but there was still a gap between them.

But she didn’t expect her to look better in real life.

The real person was standing in front of her without photoshop. His facial features were even more three-dimensional and exquisite than in the photos. Her face was the size of a palm, and she didn’t look like a real person.

Qiao Mianmian looked even better in person.

Everyone who saw her would think so.

If you looked at her photo, you’d be amazed.

If you saw her in person, you would think that she looked twice as good as in the photos.

Moreover, Qiao Mianmian wasn’t dressed up today.

Lin Wanwan was still stunned.

She was shocked at first, but then envy and jealousy filled her heart.

She had always been proud of her looks.

But now that she saw someone who looked better than her, she felt terrible.

Lin Wanwan had a fresh and cute appearance.

But Qiao Mianmian's exquisite looks were stunning.

Lin Wanwan seemed to pale in comparison.

Even her best friend couldn't help but exclaim when she saw Qiao Mianmian. "Wow, this sister is so beautiful. She's like a fairy."

"What sister?" Yan Shaoqing corrected her. "Call her Sis-in-law. I call her Sis-in-law. Are you trying to take advantage of me?"

"No, Brother Shaoqing." Her best friend was first smitten with Mo Yesi, and now she was smitten with Qiao Mianmian. "If she's good-looking, we'll call her sister. I know this sister. Her drama is especially good. My mom and I watch her every day."

"Wow, she's even prettier in person than on television. Sister, can I take a picture with you? That way, I can post the picture on my WeChat Moments. Many of my classmates like you."

Qiao Mianmian was stunned.

Yan Shaoqing burst out laughing. "Sis-in-law, you didn't expect to meet one of your fans here, right? Your fan likes you so much, I think you should fulfill her wish and take a picture with her."

Qiao Mianmian really didn't expect to meet one of her fans here.

And a little fan at that.

She had always pampered her fans.

Moreover, this fan was Yan Shaoqing's cousin's classmate.

Qiao Mianmian smiled and nodded. "Of course, no problem."

Chapter 2316: Don't Hit Me

"Wow, really? Thank you, sister." Lin Wanwan's best friend was especially happy and immediately took a picture with Qiao Mianmian.

"The lighting here isn't too good." Qiao Mianmian took her cell phone and clicked on the beauty camera. She suggested, "Why don't we take a picture outside? It's brighter in the corridor."

"Alright, alright." Lin Wanwan's best friend quickly nodded. "Let's go out and take photos. Can I take a few more photos with you? I really like your drama. Even if it's only two episodes a day, it's not enough."

"Sister, do you know..."

Qiao Mianmian was dragged out of the private room.

Mo Yesi was speechless.

Seeing this, Yan Shaoqing was stunned for a few seconds before laughing out loud. "Sis-in-law is now a big star, and her fans are everywhere. You don't say, my relatives are also watching the television drama she's acting in. They all say that Sis-in-law is especially beautiful. When I tell them that I know her, do you know what they ask me?"

Mo Yesi looked at him coldly. "Ask what?"

Yan Shaoqing rubbed his nose. "Second Bro, are you sure you want to hear it? Don't hit me.

"They asked..." Yan Shaoqing dragged his voice and looked like a hooligan. "They asked me if Sis-in-law has a partner. They said that if she doesn't, they'd introduce her to someone." As soon as Yan Shaoqing finished speaking, he felt Mo Yesi's eyes turn cold.

He looked innocent. "Second Bro, I didn't say that. Don't be angry, I definitely told them that Sis-in-law is already taken. They didn't give up at first, but when I said that Sis-in-law was married to you, no one said anything anymore."

The two young masters of the Mo family were the best match.

There was no one better than them.

Hence, after knowing that Mo Yesi and Qiao Mianmian were married, no one dared to have any ideas.

Even if they felt that their son was outstanding, no one dared to say that they were better than Mo Yesi.

Mo Yesi glared at him. "What nonsense are you talking about? Tell them that Qiao Mianmian is my woman, don't get any ideas."

"Yes, yes, yes." Yan Shaoqing couldn't take it anymore. "Don't worry, no one will dare to snatch Sis-in-law from you. Sis-in-law belongs to you alone."

Mo Yesi ignored him and turned to look out of the private room.

Yan Shaoqing went forward and put his arm around his shoulder. "Second Bro, don't think about Sis-in-law all day long. You two usually spend time together like conjoined twins. Can't you let her be for a moment?"

"Come on, let's have a drink. We haven't drunk together in a long time."

Mo Yesi walked over.

Lin Wanwan's gaze followed his figure wherever he went.

"Wanwan, what are you still standing there for? Come over and pour the wine for me." Yan Shaoqing looked at Lin Wanwan, who was still standing at the same spot, smitten with Mo Yesi.

"Oh..." Lin Wanwan seemed to have just snapped out of her daze. She reached out to touch her burning cheeks and bit her lip as she walked over.

Mo Yesi sat on the sofa with his long legs crossed. The air conditioner in the room was on, but it still was a little hot. He reached out and unbuttoned his shirt.

Chapter 2317: Don't Talk Nonsense, Understand?

He then took off his black coat and handed it to the waiter.

He was also wearing a black shirt and black suit pants. He was black from head to toe and exuded an aura of abstinence.

But his face was especially attractive, especially those sexy lips.

Lin Wanwan couldn't help but wonder how it felt to kiss such a man.

As she thought about it, Lin Wanwan's face burned even more.

Yan Shaoqing looked up and saw her staring straight at Mo Yesi.

He was speechless.

This girl was too crazy.

She had been staring at him the moment he entered the room.

He had never seen her so smitten before.

Even if it was because Mo Yesi was too good-looking, it was rude to keep staring at him.

"Cough, cough." Yan Shaoqing covered his mouth and coughed a few times. "Wanwan, don't just stand there in a daze. Get me and your Brother Yesi a drink."

Lin Wanwan returned to her senses and looked at the two bottles of red wine on the coffee table. She picked up a glass and poured the wine, then held it with both hands and handed it to Mo Yesi shyly. "Brother Yesi..."

Mo Yesi looked up at the wine but didn't take it.

His eyes were lazy and cold. "Don't call me that. I don't casually acknowledge sisters. You can call me Young Master Mo or Mr. Mo."

Lin Wanwan was stunned.

Mo Yesi still didn't take the glass from her. Instead, he gestured for the waiter to pour another glass for him.

The atmosphere was a little awkward.

Lin Wanwan had been pampered since she was young and had never suffered any grievances. She felt extremely aggrieved after being ignored by Mo Yesi. Her nose burned and her eyes stung.

Yan Shaoqing immediately tried to smooth things over.

He reached out and took the glass of wine from Lin Wanwan's hand. He smiled and said, "Wanwan, Second Bro is married now. He's different from before. He's like Lu Rao. Now, he's henpecked. He's afraid of getting involved with other women.

"Forget it, sit down. You don't have to pour us any more wine."

Lin Wanwan's eyes were red, and she still looked aggrieved. She bit her lip and choked. "Is Brother Yesi's wife so unreasonable? Is Brother Yesi not allowed to have any contact with other women after he's married?"

"She's too strict."

Lin Wanwan felt a chill down her spine after saying that.

Yan Shaoqing saw Mo Yesi's darkened expression and immediately sat her down. He lowered his voice and warned her. "Wanwan, don't talk nonsense, alright? You can say it's anyone's fault, but you can't say it's Sis-in-law's fault.

"Otherwise, if you anger Second Bro, even if you're my sister, I can't help you."

Lin Wanwan had also noticed Mo Yesi's gloomy expression. Afraid and indignant, she complained to Yan Shaoqing angrily, "Second Cousin, why is Brother Yesi's wife like this? Can he actually take it?"

Chapter 2318: He Didn't Have a Good Ending

Yan Shaoqing glared at her. "Why do you care so much? They're husband and wife, it's fine as long as they can tolerate each other. Remember, don't talk nonsense anymore. Also, what happened to you just now? Didn't I ask you to call for help? Why didn't you say anything?"

"Second Cousin, I..."

"When Sis-in-law comes back later, take the initiative to greet her. If you don't listen, I won't bring you out next time."

"But I..."

"Don't say anymore, that's all. If you don't listen to me, you can go back now!" Yan Shaoqing stopped smiling and put on a fierce expression.

Although he doted on his cousin, he had his limits.

Compared to his cousin, Second Bro was definitely more important.

He didn't want this little cousin to cause any trouble.

It wasn't easy for him.

Mo Yesi was irrational when it came to Qiao Mianmian.

If he dared to say anything bad about her, Mo Yesi would fall out with him.

Lin Wanwan was a little afraid when Yan Shaoqing got angry.

This second cousin of hers was usually sloppy.

But no matter what happened, it was enough to scare people.

Lin Wanwan didn't dare to say anything else.

She didn't want to leave now.

She couldn't bear to leave.

If she left this time, she didn't know when she would see Mo Yesi again.

Seeing that she finally quietened down and sat down obediently, Yan Shaoqing was satisfied.

"Did you hear what I said?" He reminded her again. "Remember to take the initiative to say hi to Sis-in-law, got it?"

"Mm. Second Cousin, I got it," Lin Wanwan replied obediently.

Yan Shaoqing then returned to drink with Mo Yesi.

He called out to Lu Rao, who was sitting on the other side. "Old Lu, come, come, let's have a toast. Oh right, where's Bai Yusheng? I saw him just now, why isn't he here?"

Bai Yusheng was here too.

When he called Mo Yesi and Qiao Mianmian, Bai Yusheng was still in the private room.

Then, he said he was going to the washroom.

Yan Shaoqing realized that he hadn't returned after more than half an hour.

Was he constipated?

Did he have to stay in the washroom for so long?

"I don't know." Lu Rao raised his glass, looking relaxed. "Why worry about this? He's already so old, nothing will happen to him. He must have encountered something."

"What could have happened to him?" Yan Shaoqing mumbled. "But he doesn't seem right tonight. He seems distracted. Do you think this has something to do with that Gu Sheng?"

Yan Shaoqing had heard some rumors about Gu Sheng and Bai Yusheng.

Yan Shaoqing was a gossipy person and was most interested in adult matters.

Lu Rao swirled the wine in his glass and took a sip. "If you're so curious, you can ask him yourself."

Yan Shaoqing was speechless.

"Ah Si." Lu Rao suddenly thought of something and hesitated for a while before asking, "I heard something today and was shocked.. Someone said that your Big Brother has withdrawn from this year's election. Is this true?"

Chapter 2319: Not as Good-Looking as Her

“What?!”

Before Mo Yesi could say anything, Yan Shaoqing was shocked. “Brother Mo quit this year’s election? Lu Rao, where did you hear that? It’s scary.”

“Don’t you know?” Lu Rao’s expression was calm. “I thought you knew. Many people in the industry have already received the news.”

Yan Shaoqing looked at Mo Yesi in shock. “Second Bro, is this true?”

This matter was almost public.

But it hadn’t been announced to the public yet, so only some people in the industry knew.

Hence, Mo Yesi wouldn’t hide it.

He nodded. “It’s true.”

“Damn.” Yan Shaoqing was shocked. “Second Bro, what’s going on with Big Brother Mo? Didn’t we already say that he’s the president of this year? Why did he suddenly drop out?”

Lu Rao also looked at Mo Yesi.

He was curious too.

When he first found out about this matter, he was just as shocked as Yan Shaoqing.

After all, if nothing went wrong, Mo Shixiu would be the next president.

This matter was almost certain.

But why did Mo Shixiu suddenly give up?

“I’m not sure.” Mo Yesi didn’t answer their curiosity. “But Big Brother always has his own reasons for doing things. Since he decided to back out, it means that this is a better choice for him.”

“That’s the President’s position.” Yan Shaoqing found it unbelievable. “How many people would be willing to give up that position? Could it be that... Brother Mo was threatened?”

Mo Yesi rolled his eyes. “Who do you think can threaten the Mo family?”

Yan Shaoqing was speechless.

That was true.

The Mo family had always been the one threatening others.

He couldn’t think of anyone who could threaten the Mo family and even make Mo Shixiu give up the election.

But why would he give up?

...

Qiao Mianmian returned to the private room after taking a picture with the fan.

The fan was elated. She found Lin Wanwan and walked over excitedly.

“Wanwan, it was the right decision to come today.” The fan showed Lin Wanwan the photos of her and Qiao Mianmian. “Sister Mianmian is really too nice. She took so many photos with me. And she took every photo with her cell phone. But even though she was standing in front, her face was still so small and beautiful.

“She’s really beautiful. So beautiful that she looks like a fairy in every photo. She’s the first person I’ve seen who looks better in person. How could there be such a beautiful lady? I think even the school belle in our school isn’t half as good-looking as her.

“She and the big brother who came in with her are really a match made in heaven.”

The fan was still excited and couldn’t stop talking.

Lin Wanwan’s expression darkened.

The fan talked for a while, but Lin Wanwan didn’t respond. Thus, she looked up curiously.

Seeing how unhappy Lin Wanwan looked, she was stunned. “Wanwan, w-what’s wrong? Who offended you?”

Chapter 2320: What Else?

Lin Wanwan looked down at the photo on the cell phone screen. When her gaze landed on Qiao Mianmian’s exquisite face, her eyes revealed her unhappiness. She reached out and waved the cell phone away.

Her actions were a little rough, causing the cell phone to fall on the sofa.

The fan was stunned again. She picked up her cell phone and looked at Lin Wanwan curiously.

“Wanwan, what’s wrong?”

Lin Wanwan looked angry.

“What fairy? It’s not as exaggerated as you make it out to be. She’s not that pretty, just a little pretty.”

Lin Wanwan was indignant.

She knew that Qiao Mianmian was good-looking.

As a woman, she was stunned the moment she saw her.

But the more people praised Qiao Mianmian, the more upset she felt. She didn’t want to admit it.

Especially when the person was her best friend.

But now, she kept praising Qiao Mianmian.

This made her even more uncomfortable.

What was so good about her?

She just had a pretty face.

Besides that, what else did she have?

She heard that she was a female celebrity, an actress.

She didn't know why the Mo family would allow Mo Yesi to marry her.

Wasn't he afraid of being laughed at?

Although it was already known that Qiao Mianmian was the daughter the Bai family had been looking for for years, she felt that she might not be able to win their favor.

Firstly, she didn't grow up in the Bai family. Even if she was related to them by blood, their relationship definitely wasn't deep.

It could even be said that they didn't have many feelings for her.

Secondly, even though she was the daughter of the Bai family, she'd lived in an ordinary family since she was young. She was still different from the real daughter of a rich family.

Would the Bai family really like her?

If they really liked her and valued her, they wouldn't let her continue being a female celebrity in the entertainment industry.

In their eyes, celebrities were just actors.

It was impossible for the Bai family not to know this.

Thinking of this, Lin Wanwan didn't think much of Qiao Mianmian. She didn't think she belonged to the same world as them.

She didn't grow up in the Bai family.

She wasn't a real daughter.

Her best friend heard the hostility and unhappiness in her voice and was stunned. She couldn't help but look at her with eyes full of confusion. "Wanwan, are you alright? Who angered you? Are you in a bad mood?"

Lin Wanwan looked fine when she left.

Why did she become so weird the moment she came back?

Moreover, why did she feel like Lin Wanwan was hostile towards Qiao Mianmian?

Lin Wanwan narrowed her eyes and looked at her unhappily. "Xiaoyu, I think you've been seduced by Qiao Mianmian. The moment you came back, you kept praising her in front of me. I'm tired of hearing it. You like her so much, why are you still looking for me?"

Her best friend was stunned. She was sure that Lin Wanwan was unhappy with Qiao Mianmian now.

But what was the reason?

Qiao Mianmian and Lin Wanwan hadn't even spoken, so why was she hostile towards her?
