Chapter 2321: Don't Even Think About Alcohol

The girl called Xiaoyu was confused. She couldn't guess what was wrong with Lin Wanwan.

She didn't expect her to fall for Mo Yesi.

After all, in her opinion, although Mo Yesi was very handsome, this sort of handsomeness couldn't make her have other thoughts.

In her eyes, Mo Yesi was a handsome big brother.

Xiaoyu liked boys her age.

On the other side.

When Qiao Mianmian entered the private room, Mo Yesi's gaze immediately landed on her, and he immediately got up to walk towards her.

He put his arm around her waist and looked down at her gently. "What do you want to drink? Or if there's anything you want to eat, I'll get someone to bring it to you."

Qiao Mianmian smiled and shook her head. "I'm not hungry."

"What do you want to drink, then?" He smiled and said, "Don't even think about alcohol."

He'd seen Qiao Mianmian's alcohol tolerance before.

She got drunk after drinking a little.

He didn't want anyone to see her drunk.

She could only show that side to him.

Qiao Mianmian didn't intend to drink. She thought for a while and said, "Then, I want a cup of yogurt."

"Yogurt?"

"Mm."

Mo Yesi nodded and called for the waiter. "Bring a few bottles of yogurt."

The waiter was stunned. "Mr. Mo, we... don't have yogurt here."

There was no yogurt in such an entertainment venue.

Who here wanted yogurt?

"No? Then..."

Qiao Mianmian wanted to say, "If not, then forget it."

But before she could finish, she heard Mo Yesi say in a low voice, "You don't know how to do it? Or is it that you can't even satisfy such a simple request?"

The waiter was so shocked by his cold and powerful aura that he didn't even dare to breathe. He immediately said, "Mr. Mo, Miss Qiao, please wait a moment. I'll get it right away."

The waiters in this place all knew that only people of high status could stay in this room.

They needed to serve him well.

If they offended anyone here, not to mention them, even this entertainment club with a powerful background couldn't bear the consequences.

He had actually made a very serious mistake.

That was, when Mo Yesi asked for yogurt, he actually said no.

Under normal circumstances, he should have agreed and bought it outside.

He couldn't just say no.

This was equivalent to rejecting the customer's request.

He made a mistake just now mainly because he didn't expect someone to order yogurt. He was a little stunned and didn't think in time.

Thankfully, Mo Yesi only asked him to think of a way and didn't vent his anger on him.

Thinking of the possible consequences, the waiter broke out in a cold sweat. He didn't dare to say another word and immediately left the room.

Having witnessed everything, Yan Shaoqing sighed again. "Sis-in-law, I think Second Bro has been taken advantage of by you. Sigh, you've only left for a while, but Second Bro seemed to have lost his soul. He was even distracted when drinking with us.

"But as soon as you came back, Second Bro's eyes lit up. It was as if his soul had finally returned to him."

Chapter 2322: It Made Her Feel Warm

"See, he only has eyes for you now. We're all air to him."

"Yan Shaoqing, shut up." Mo Yesi glared at him and threatened, "If you don't speak, no one will think you're mute."

Yan Shaoqing rubbed his nose and shrugged. "Isn't that the case?"

He turned around and sought Lu Rao's approval. "Old Lu, am I right?"

Lu Rao glanced at him and smiled.

Qiao Mianmian was a little embarrassed by Yan Shaoqing's teasing.

She felt that he was exaggerating.

He liked to joke around with her and Mo Yesi.

Hence, she ignored him and asked, "Where's my brother? Shaoqing, didn't you say that my brother was here too?"

She didn't see Bai Yusheng.

Unexpectedly, Yan Shaoqing also looked puzzled. "I also want to know where he went."

"What do you mean?" Qiao Mianmian frowned.

"Your brother went to the washroom half an hour ago and still hasn't returned. I'm worried that he fell into a trap."

Qiao Mianmian frowned again.

Mo Yesi led her to the sofa and smiled. "What's there to worry about? Your brother isn't a child. If you're really worried, you can just send him a message or call him."

"Oh, right." Qiao Mianmian knocked her head lightly and immediately took out her cell phone.

Then, she sent Bai Yusheng a WeChat message: [Brother, Ah Si and I arrived at Nightlight, but I don't see you. Where are you?]

She waited for about a minute before he replied.

Bai Yusheng: [I have something on, I'll come over later. You guys play first.]

Qiao Mianmian felt relieved after receiving his message.

Mo Yesi sat her down and whispered into her ear, "If you want to go home, let me know. We can go back anytime."

He knew that Qiao Mianmian didn't like such events.

"Mm, I know." His thoughtfulness warmed Qiao Mianmian's heart.

No matter what, he always valued her feelings and prioritized her.

That alone warmed her.

Marrying a man like Mo Yesi was really blissful.

...

Lin Wanwan's gaze landed on the two figures leaning against each other intimately. She couldn't help but feel bitter.

She snorted and bit her lip, then said sourly, "Some people are really good at acting. They actually want to drink yogurt in such a place. They're too f**king pure."

She didn't dare to say it too loudly. Only her best friend, Xiaoyu, could hear her.

Xiaoyu was stunned.

Although Lin Wanwan was also hostile towards Qiao Mianmian, she didn't show it too obviously.

But now, it was obvious.

Her eyes, face, and even her words showed how unhappy she was with Qiao Mianmian.

Xiaoyu hesitated for a while before asking, "Wanwan, you... don't like Sister Mianmian?"

She liked Qiao Mianmian.

She was pretty and had a good personality.

She was like a big sister next door.

"No." Lin Wanwan didn't hide her disgust towards Qiao Mianmian. "I hate women who like to pretend to be innocent. She's a green tea b*tch."

Chapter 2323: Could She Have Fallen for Him...

Xiaoyu kept quiet.

She didn't think Qiao Mianmian was a green tea b*tch.

But seeing how angry Lin Wanwan was, she didn't dare to say what she was thinking.

Saying it out loud would just add fuel to the fire.

Lin Wanwan continued, "This kind of green tea b*tch is the best at making men happy. She likes to pretend to be weak and innocent in front of them, arousing their desire to protect her and making men want to take care of them.

"Especially when she's just an actress."

"Wanwan, it's not good for you to say this." Xiaoyu couldn't help but retort. "Didn't you say Sister Mianmian is the daughter of the Bai family? It's her hobby. I think it's inappropriate for you to say she's just an actress."

Lin Wanwan turned around and glared at her. "Su Xiaoyu, whose best friend are you? Why are you speaking up for an outsider? She only took a few photos with you, and you think she's a good person?"

"Wanwan, don't be angry." Su Xiaoyu immediately said, "Of course I'm your best friend. I just feel that Sister Mianmian's husband and brother have a good relationship with your second cousin. I think your second cousin respects her, too. If your second cousin accidentally hears you saying this, he'll be angry for life."

"Hmph." Lin Wanwan's expression darkened. "Who does she think she is? If it wasn't for Second Cousin, do you think I would still give her face? I've already said this in front of her."

"Wanwan, why don't you like her? Did she do something to upset you?" Su Xiaoyu couldn't understand Lin Wanwan's "deep hatred" towards Qiao Mianmian.

This was the first time they met.

Logically speaking, she shouldn't have such high Hatred Points.

"No reason. I hate her whenever I see her." Lin Wanwan saw Qiao Mianmian in Mo Yesi's arms again. Mo Yesi lowered his head and whispered something into her ear, causing her to smile. Then, he lowered his head and kissed her on the lips.

She blushed and tried to push him away, but Mo Yesi grabbed her hand and kissed her again.

Lin Wanwan blushed.

It was as if Mo Yesi was looking at her with such a gaze. Her face was slightly flushed.

Su Xiaoyu turned around and saw Lin Wanwan's shy expression as she looked in a certain direction...

Su Xiaoyu followed her gaze and saw Mo Yesi and Qiao Mianmian hugging.

She was stunned for a few seconds. She looked at the shy Lin Wanwan, then at Mo Yesi and Qiao Mianmian. After a few seconds, a thought flashed through her mind, and she couldn't help but look incredulous.

Could Lin Wanwan have fallen for him...

Was that why she was so hostile towards Qiao Mianmian?

This thought shocked Su Xiaoyu.

How could Lin Wanwan...

Mo Yesi was 10 years older than them.

...

Bai Yusheng returned from the washroom and was about to return to the private room when he saw a familiar figure in the corridor.

His legs were rooted to the ground.

He stood there and watched the familiar figure walk out of the elevator. Then, she stood by the elevator and smiled.

Chapter 2324: Shengsheng, Does That Person Know Us?

Soon, a man walked out of the elevator.

The man was wearing a khaki-colored coat with a suit and trousers. He was tall and had a gentle and elegant appearance. He had a pair of gold-framed glasses on the bridge of his nose, and his temperament was gentle.

He was full of scholarly aura, looking like a cultured person who had grown up in a scholarly family.

And Gu Sheng, who had just walked out of the elevator, was smiling at him.

After the man walked out of the elevator, Gu Sheng walked alongside him.

They seemed to be chatting happily because he saw a smile on Gu Sheng's face.

When Gu Sheng talked to the man, the man lowered his head and looked at her gently. Bai Yusheng even saw a hint of affection in his eyes.

And Gu Sheng seemed to have a good impression of him. Her gaze was gentle as she looked at him.

They walked slowly as they talked, seeming to only have eyes for each other.

Although he was standing not too far away from them, Gu Sheng still did not notice him. All her attention was on the man beside her.

At this moment, anger surged from the bottom of his heart.

Bai Yusheng clenched his fists as he watched the two of them walk over while chatting. His expression turned cold.

She had an appointment with Boss Chen for dinner that night.

It had only been a few days, but she was chatting and laughing with another man.

Bai Yusheng was even angrier than on the night of the banquet.

After all, Boss Chen didn't look good. He didn't think that Gu Sheng would really be interested in such a man.

But this man...

Even though Bai Yusheng was about to lose his rationality from anger, he had to admit that this scholarly man was way better than Boss Chen in terms of looks and temperament.

He believed that Gu Sheng liked this type.

At the thought of this possibility, Bai Yusheng's anger rose.

If it was just a spark previously, now, the flame was already burning. The wind blew, and the flame was getting bigger and bigger.

Bai Yusheng stood there motionlessly, watching coldly as the couple got closer and closer.

He didn't say a word.

He wanted to see when Gu Sheng would discover him.

Was she that engrossed with that man?

...

"Shengsheng, does that person know us?" As Gu Sheng walked, the man asked her in a puzzled tone.

"Why is he staring at us? His eyes aren't very kind."

"What?"

Gu Sheng was stunned. Then, she looked up and saw someone standing a few meters away.

The man was expressionless. His dark brown eyes were cold, and his thin lips were pursed tightly as he looked straight at them.

He smiled the moment their eyes met, but the coldness in his eyes did not diminish.

Hence, even his smile seemed a little strange.

Gu Sheng's eyes widened in shock and she slowed down.

She stopped in her tracks, and after a few seconds, her expression returned to normal. She turned to the man beside her and said, "That's a teacher of mine who taught me for a semester. Wait a while, I'll go over and greet him."

Chapter 2325: Hello, Teacher Bai

"So, it's your teacher." The man nodded and smiled. "Since it's your teacher, let's go over and say hi."

Gu Sheng hesitated.

"What?" The man smiled. "If it's inconvenient, then forget it."

"It's not inconvenient." Gu Sheng took a deep breath and didn't hesitate anymore. "It's just that my teacher has a strange temper. He likes to scold people. I'm afraid he'll say something that'll make you unhappy."

"It's alright, it's just a greeting. We'll leave after that."

"Alright, then."

Gu Sheng nodded and looked up at Bai Yusheng. For some reason, she felt a little guilty.

She hadn't done anything wrong, but Bai Yusheng's gaze made Gu Sheng feel otherwise.

Gu Sheng didn't expect to meet Bai Yusheng here tonight.

She also didn't expect him to look at her for so long.

If it wasn't for the man beside her, she wouldn't have known.

It had been almost a month since the banquet.

She hadn't seen Bai Yusheng in all this time.

Gu Sheng rarely thought of this person.

She was busy.

After returning to China, she had to prepare for the art exhibition and attend many related meetings and lectures.

She had a fulfilling month.

It was so fulfilling that she didn't have the time to think about others.

Seeing Bai Yusheng again felt like a year had passed.

She couldn't understand why he was looking at her like that.

She thought about it but still didn't know how she made him unhappy.

Although they parted on bad terms at the banquet previously, a whole month had passed since then.

She wasn't angry with him anymore.

Was he still angry about what happened last time?

This man was too petty.

Given Gu Sheng's temper, if she was alone now, she would treat him like a stranger and not greet him at all.

But since her companion asked, she couldn't say that she didn't know him.

Under Bai Yusheng's menacing gaze, she walked towards him with the man.

"Teacher Bai." Gu Sheng smiled, and dimples appeared on her cheeks.

Her tone was full of respect for her teacher.

The man beside her also greeted him. "Hello, Teacher Bai."

The anger in Bai Yusheng's heart burned fiercely. The palm-sized fire instantly burned in his eyes, making them red.

He clenched his fists so tightly that his knuckles turned white.

The fire in his eyes was terrifying.

Gu Sheng felt like she was about to be burned and couldn't help but take a step back.

She felt that Bai Yusheng was very scary right now.

Even scarier than on the night of the banquet when he held her hand and refused to let her go.

Even her companion felt Bai Yusheng's anger. He frowned and instinctively reached out to shield Gu Sheng.

Chapter 2326: No Mercy at All

The man's actions made Bai Yusheng lose all rationality.

He sneered.

"Teacher?" He repeated the way Gu Sheng addressed him.

"Mr. Bai, what are you doing?" The man looked at the frightened Gu Sheng and immediately felt protective of her. After sensing the strong hostility from Bai Yusheng, he stopped calling him Teacher Bai.

Bai Yusheng didn't stand on ceremony with this man. He looked at him coldly, and upon closer inspection, a hint of hostility could be detected in his eyes.

He looked at him coldly and said, "Who are you? I'm talking to Gu Sheng, why are you interrupting?"

Bai Yusheng's words were completely ungentlemanly.

He was very mean.

This was very different from his usual personality.

Although he wasn't a good person and anyone could get close to him, he wasn't usually rude or mean.

Gu Sheng looked at him in surprise.

She had rarely seen Bai Yusheng treat anyone so rudely.

Especially when her companion had never offended him.

Bai Yusheng's temper was a little strange.

Gu Sheng felt that he was sick.

Moreover, ever since she returned to China and met him at the banquet, she felt that he was sick.

The Bai Yusheng she knew wasn't like this.

At least, he wouldn't lose his temper and embarrass himself.

The Bai family was prestigious.

Bai Yusheng was a young master of a rich family. When facing others, he always had basic etiquette and manners.

But at this moment, he didn't have any manners.

Her companion probably didn't expect his words to be so unpleasant and was stunned for a while before reacting. His gentle face slowly turned ugly.

He had thought that Gu Sheng's teacher was someone worthy of respect.

He didn't expect him to be such a person.

His words were rude and mean.

How could such a person be a teacher?

The man respected Bai Yusheng because of Gu Sheng.

Now that he felt that Bai Yusheng wasn't worthy of being a role model, the man's attitude became impolite. He pulled a long face and said coldly, "Mr. Bai, your words are too rude. Shengsheng is my junior and also my friend. Mr. Bai scared her just now, of course I can't ignore it."

"Shengsheng?" The way the man addressed Gu Sheng deepened the coldness in Bai Yusheng's eyes.

At that moment, a storm seemed to brew in his eyes as he sneered. "You're calling her so affectionately. I see that your friendship is ambiguous. I'm afraid that this friend will become a boyfriend soon."

Bai Yusheng could tell that this man liked Gu Sheng by the way the man's eyes turned gentle when looking at her.

Bai Yusheng was no stranger to such a look.

Because his brother-in-law, who was always cold and arrogant, often looked at Qiao Mianmian this way.

Chapter 2327: You're Actually in Such a Rush to Get Married

This man liked Gu Sheng.

And Gu Sheng actually let him address her so intimately.

Bai Yusheng didn't want to think about what this meant.

He was about to explode.

He had never called Gu Sheng that way!

"Bai Yusheng." Gu Sheng's face was hot as she glared at him. "Don't talk nonsense. Brother Qin is my senior. We don't have that kind of relationship."

"Brother Qin?" Bai Yusheng's focus was off. He didn't listen to Gu Sheng at all. He only heard her address him as Brother Qin, then his anger burned uncontrollably.

The man called her Shengsheng.

And she called him Brother Qin.

The two of them stood together. One was beautiful and charming, while the other was gentle like jade. They looked like a couple.

Anyone could tell that Gu Sheng was the same as the man beside her.

Anyone who saw them would think they were a couple.

They were still juniors.

This meant that they used to be in the same school.

They were still in contact after graduation, and Gu Sheng even asked to meet him after returning to China. This meant that their relationship must be pretty good.

Bai Yusheng thought of many things.

In just a few minutes, his expression was as dark as a storm.

He clenched his fists again.

"Gu Sheng, do you have to lie to me? Are you really just friends with him?" Bai Yusheng sneered. "What are you afraid of? Are you afraid that I'll do something to him when I find out about your true relationship?"

"I didn't expect you to be in such a hurry to get married."

"W-What did you say?" Gu Sheng widened her eyes.

Bai Yusheng was so angry that he was losing all rationality. He couldn't help but scold her. "You promised to have a meal with Boss Chen previously, and now, a senior has appeared."

“What are you doing, coming back for a blind date?”

His words were harsh.

Gu Sheng was stunned, and her expression changed.

The man’s expression darkened. He was about to reply when Gu Sheng grabbed his arm and shook her head.

The man frowned but didn’t say anything.

Gu Sheng smiled and looked at Bai Yusheng mockingly. “Bai Yusheng, don’t you think you’re funny?”

Bai Yusheng glared when she grabbed the man’s hand as if he wanted to chop his arm off.

The man couldn’t ignore such a strong and unkind gaze.

The man first felt that Bai Yusheng was rude and ungentlemanly, and even felt that Gu Sheng was an extremely strange person.

But slowly... the man started to realize some possibilities.

He saw that Bai Yusheng’s expression was dark and his eyes were filled with anger as he stared at his arm.

He then recalled Bai Yusheng’s sarcastic words.

A thought flashed across his mind.

The man’s expression changed slightly. When he looked at Bai Yusheng again, he was 30% nervous and 70% scrutinizing him from head to toe.

Chapter 2328: So This Hostility Was Because of Gu Sheng

He knew Bai Yusheng.

It was the name of a very famous director.

Not only that, but this name was also related to the Bai family in Yuncheng City.

A man with a rich family background, handsome looks, and talent...

This man was still single.

The man’s eyes were filled with hostility and fear.

He had to admit that Bai Yusheng’s condition was better than his in every aspect.

If such an outstanding man really had feelings for Gu Sheng, could she resist this temptation?

The man’s expression darkened.

Suddenly, as if he was declaring his ownership, he reached out and grabbed Gu Sheng’s arm.

Stunned, she looked up in surprise. “Brother Qin...”

Normally, Qin Mo would have already let go of her.

He had known Gu Sheng for three whole years and had always abided by the rules of etiquette. He was very respectful to this junior and had never taken the initiative to interact with her.

This was the first time he held Gu Sheng's wrist.

He blushed when he met Gu Sheng's surprised gaze, but he didn't let go.

Qin Mo could feel Bai Yusheng's gaze getting sharper, and his expression darkened. His cold and sharp gaze landed on the back of his hand as if he wanted to poke a few bloody holes in it.

He was now even more sure of his guess.

He and Bai Yusheng were meeting for the first time, and Bai Yusheng already showed deep hostility towards him.

"Mr. Bai, you're really funny." Qin Mo's voice was much colder than before. "Shengsheng has already told me that even though you're her teacher, you've only taught her for a semester. In other words, Shengsheng and Mr. Bai are not familiar with each other. What's Mr. Bai's stand on?"

"Don't you think your words are too much?"

"Moreover, whether Shengsheng came back for a blind date or is in a hurry to get married has nothing to do with you, right? Mr. Bai, aren't you being too nosy?"

Qin Mo said what Gu Sheng wanted to say.

Although Gu Sheng was a little surprised, she didn't say anything.

In Bai Yusheng's eyes, she agreed with what Qin Mo said.

At that moment, Bai Yusheng's anger burned in his heart, burning away all his rationality. Even his dark brown eyes were red.

At a glance, his eyes turned a terrifying scarlet red.

His brown eyes were lit up by the fire as he looked at the silent Gu Sheng and then at Qin Mo standing beside her. The veins on his forehead and on the back of his hand bulged. Even though he was extremely angry, he suddenly smiled.

"Good, very good." He gritted his teeth and sneered. "It seems like I'm being too nosy."

Gu Sheng frowned.

She felt that Bai Yusheng was a little too abnormal and scary.

He was like an enraged beast, ready to pounce on her at any moment.

Chapter 2329: Bai Yusheng Is Like a Lunatic

Gu Sheng already felt threatened.

She felt like Bai Yusheng was a lunatic.

Feeling danger, Gu Sheng just wanted to stay away from him.

She didn't want to be entangled with Bai Yusheng anymore.

She took a deep breath and bit her lip. Pretending to check the time on her cell phone, she looked up at Qin Mo. "Brother Qin, Senior Lin and the rest are already waiting for us. Let's hurry."

Qin Mo thought the same.

He could tell that Bai Yusheng's love was probably one-sided.

Gu Sheng didn't seem interested in him.

It wasn't easy to be with such a person. The best way was to avoid him.

Hence, when Gu Sheng suggested leaving, Qin Mo immediately retracted his gaze and nodded. "Mm, let's go."

As they spoke, they walked past Bai Yusheng.

Bai Yusheng stood still and watched them leave.

Gu Sheng couldn't help but look up at his red eyes. She realized that Bai Yusheng was looking at her too.

The man's eyes were filled with anger, as if a storm was brewing in them. Once she was swept in by that storm, she might be torn to pieces.

With just one look, Gu Sheng's heart thumped wildly. She lowered her eyes in fear and did not dare to look at Bai Yusheng again.

She felt like he wanted to tear her apart.

It was especially scary.

This was the first time she saw Bai Yusheng's terrifying side.

In the past, he'd always been indifferent to her. He'd never expressed his emotions so directly.

Not to mention that Gu Sheng had never seen Bai Yusheng angry before.

Hence, she didn't know what he looked like when he was angry.

She thought that Bai Yusheng's appearance at the banquet was already rather scary.

He didn't expect him to be so much scarier now.

Gu Sheng was timid and couldn't help but quicken her pace when he passed by him.

Bai Yusheng still didn't move, nor did he stop her.

She walked past him smoothly.

Just as Gu Sheng heaved a sigh of relief and reached out to wipe the sweat on her forehead, someone grabbed her wrist tightly.

She turned around and saw that it was Bai Yusheng.

“Gu Sheng, come with me.” Bai Yusheng pulled her to his side, wanting to leave.

Gu Sheng finally reacted and immediately struggled to shake him off. “Bai Yusheng, what are you doing? Let go.”

Bai Yusheng ignored her and turned around.

“Bai Yusheng, let go of me. I don’t want to go with you.” Gu Sheng struggled hard, but she couldn’t resist Bai Yusheng’s strength and was dragged away forcefully by him.

A few seconds later, Qin Mo finally reacted.

Seeing how Bai Yusheng completely ignored Gu Sheng’s struggle and was about to take her away like a robber, his expression darkened and he immediately chased after him.

“Bai Yusheng, let go of Shengsheng!”

Qin Mo was 1.8 meters tall and had long legs, so he quickly caught up with them.

He reached out to grab Bai Yusheng’s shoulder.

Chapter 2330: Do You Think I Don’t Dare?

He reached out to grab Bai Yusheng’s shoulder.

But just as his hand touched Bai Yusheng’s clothes, he turned around and hit him in the chest.

He didn’t hold back at all.

Qin Mo was caught off guard and saw stars. He lost his balance and took a few steps back.

“Brother Qin!” Gu Sheng turned around with Bai Yusheng. When he saw that Qin Mo had been hit, her expression changed.

She couldn’t break free from Bai Yusheng and kept hitting him with her other hand. “Bai Yusheng, you bastard. How could you hit Brother Qin? Let go of me, what are you trying to do?”

Gu Sheng felt guilty.

She never expected Bai Yusheng to be so ungentlemanly.

He actually hit Qin Mo.

He was really crazy.

Gu Sheng had no idea what Bai Yusheng was trying to do.

She didn’t know why he suddenly went crazy.

But Qin Mo was hit by Bai Yusheng because of her.

This made Gu Sheng feel guilty.

She was furious. Why did he hit her friend for no reason?

Qin Mo took a few steps back and regained his balance. Then, he looked up and glared at Bai Yusheng. "Bai Yusheng, let go of Shengsheng. What are you trying to do? Are you trying to kidnap her? Can't you see that Shengsheng doesn't want to go with you?"

"Don't think that you can do whatever you want just because you're the Young Master of the Bai family. If you don't let go of Shengsheng, I'll call the police." Qin Mo took out his cell phone with a sullen expression.

Bai Yusheng got even angrier.

Seeing how protective he was of her, his anger rose even higher. He gritted his teeth and sneered. "Alright, call the police. Tell the police that Bai Yusheng kidnapped a girl and get them to arrest me."

"Do you think I don't dare?" Qin Mo said angrily. "If you don't let go of Shengsheng, I'll really call the police."

"Then do it." Bai Yusheng looked nonchalant. After saying that, he pulled Gu Sheng towards the elevator.

"Stop, let go of Shengsheng." Qin Mo chased after him angrily when he saw that Bai Yusheng was so stubborn.

But this time, just as he took a few steps forward, two tall bodyguards in black came out from the corner of the corridor and stopped him.

These two bodyguards were brought over by Bai Yusheng.

They usually hid in the dark to protect him.

As the Young Master of the Bai family, Bai Yusheng couldn't possibly be left alone. Rich families definitely had people protecting their members.

Some of their bodyguards were out in the open, and some were in the dark.

The bodyguards blocked Qin Mo, and they only let him go when Bai Yusheng brought Gu Sheng into the elevator.

Once Qin Mo regained his freedom, he immediately called the police.

Seeing that he'd called the police, the bodyguards didn't stop him. After letting him go, the two bodyguards took the elevator down to the first floor.

In a private room along the corridor.

The group of people waiting for Qin Mo and Gu Sheng didn't receive their calls. One of them was on the phone, and the other wasn't picking up.. Shocked, they thought that something had happened to them.
