

## **Big Shot 2331**

### **Chapter 2331: Shengsheng Will Be Fine With Him**

Gu Sheng and Qin Mo had sent them a WeChat message when they arrived.

Under normal circumstances, they should have already reached the room.

But they had waited for almost 20 minutes, and there was still no one.

What were they doing?

"I just called Qin Mo, and he's still on the phone. He didn't reply to my WeChat messages. Shengsheng hasn't picked up, either. This situation... isn't normal."

"It's a little abnormal."

"Why don't we go look for them? Didn't they say they were already here? Perhaps one of the waiters saw them."

"Mm, then go out and search. Don't let anything happen."

After deciding on a course of action, they left the private room.

The group went downstairs and saw Qin Mo outside.

He stood by the street, looking in a certain direction.

"Qin Mo, so you're here. I couldn't contact you and Shengsheng just now and thought something had happened." A few friends walked towards him and realized that Qin Mo's face was pale.

"What's wrong? Why do you look so awful? Also, where's Shengsheng? Isn't she with you?"

"Yes, Qin Mo. Where's Shengsheng? I called her, but she didn't pick up."

Qin Mo tightened his grip on his cell phone and looked up.

Seeing a few friends, he grabbed one of their hands as if he had seen his savior. "Shengsheng has been taken away."

"What? Shengsheng was taken away? What happened? Why was Shengsheng taken away? Did you call the police?"

"I called the police." Qin Mo thought about the phone call and clenched his fists in anger. "But the police said that I must have made a mistake. They said that that person wouldn't do that."

"Who took Shengsheng away?"

"Bai Yusheng."

"Bai Yusheng? Are you talking about that famous director, Bai Yusheng? The Young Master of the Bai family, one of the four great families in Yuncheng City?"

"It's him!" Qin Mo's face turned pale. "He took Shengsheng away by force. We have to find him now. Otherwise, if he does something to Shengsheng..." Thinking of the terrible consequences, Qin Mo didn't finish his sentence, but his face turned even paler.

His friends were anxious when they heard that Gu Sheng had been abducted.

But after knowing that it was Bai Yusheng who took her away, everyone fell silent and revealed meaningful expressions.

Qin Mo furrowed his brows. "Why aren't you guys saying anything? Shengsheng has already been captured. Aren't you worried about her?"

"Erm..." One of them coughed. "Qin Mo, I think... we shouldn't look for Shengsheng. Don't worry, she'll be fine."

Gu Sheng was with Bai Yusheng, how could anything happen?

"Why?" Qin Mo asked anxiously. "I don't think Bai Yusheng is a good person."

"Qin Mo, Bai Yusheng is Shengsheng's teacher. Shengsheng will be fine with him."

"I know. But Shengsheng..."

"Qin Mo, Shengsheng will be fine." The few of them knew that Qin Mo liked Gu Sheng, so they couldn't say it too clearly. Hence, they tactfully said, "Shengsheng and Bai Yusheng... Their relationship is a little complicated. They aren't just teacher and student."

### **Chapter 2332: Why? Is Your Heart Aching?**

"You and Shengsheng only met after she left the country, so there are some things you don't know.

"But we can guarantee that Shengsheng will be fine. Although Bai Yusheng isn't a gentleman, what you're worried about won't happen.

"And..."

"And what?"

"Moreover, Shengsheng's return this time... is mostly because of Bai Yusheng."

Qin Mo was stunned and widened his eyes in shock. When he realized what she meant, the blood drained from his face.

...

Gu Sheng was pulled into Bai Yusheng's car. When he closed the door and was about to go to the driver's seat on the other side, Gu Sheng opened the door again.

"Gu Sheng, try running now." Bai Yusheng didn't stop her and only looked at her coldly. "Is your brother working at the Mo Corporation? Do you believe that if you run now, he'll lose his job tomorrow?"

Gu Sheng stopped in her tracks, turned around, and blushed. "Bai Yusheng, you're despicable. What are you trying to do?"

“What am I trying to do?” Bai Yusheng was stunned.

He didn’t know.

He didn’t know why he took Gu Sheng away, but he didn’t want her to be with that bespectacled nerd.

“Yes, what are you trying to do?” Gu Sheng was so angry that her body was shaking. “Bai Yusheng, I didn’t offend you, right? Don’t you think you’re acting very strange? You said those strange words first, then hit Brother Qin inexplicably. What are you trying to do now?”

“Where are you taking me? What do you want to do to me?”

“Who are you to hit Brother Qin? He has nothing against you.”

Bai Yusheng had been listening to her, but when she spoke up for the nerd again, the anger that he had just suppressed flared up again.

He narrowed his eyes and sneered. “Why? Is your heart aching? Do you like him?”

He asked casually, but only he knew how he felt.

After asking this question, he clenched his fists. His heart seemed to have been lifted, and a hint of nervousness appeared in his eyes.

Gu Sheng was stunned.

Then, she smiled and said nonchalantly, “Does my heart ache for him? What has it got to do with you? Bai Yusheng, don’t you think you’re interfering too much? Our relationship isn’t so good that I have to tell you this, right?”

“Even my parents didn’t ask me about this. What right do you have to ask me?”

Bai Yusheng’s lips were pursed into a straight line, and the anger in his eyes was about to spew out.

She didn’t deny it.

Although she didn’t admit it, she didn’t deny it.

This meant that she really liked that nerd.

This realization made him feel as if something had stabbed his heart. He suddenly felt a sharp pain in his chest.

A wave of even greater anger burned in his heart.

He felt as if he was on fire.

The anger was choking him.

He tried his best to suppress it and took a few deep breaths before he felt a little better.

### **Chapter 2333: Cook for Me**

“Get in,” he said before he lost his rationality, then got into the car.

Gu Sheng stood still for a few seconds, but in the end, she didn't dare to anger him. She turned around and entered the car.

Bai Yusheng was a lunatic now.

She believed that if she didn't do as he said, her brother would lose his job.

Gu Sheng had an older brother, a biological one, who was a high-level employee in the Mo Corporation.

In the past, she might not have taken Bai Yusheng's threat seriously.

She felt that the Chairman of the Mo Corporation couldn't possibly fire his own employee just because Bai Yusheng asked.

But now...

She'd already heard that Chairman Mo had a fiancée called Qiao Mianmian.

And she was actually the daughter the Bai family had been looking for for over a decade.

Mo Yesi doted on Qiao Mianmian a lot, so if Bai Yusheng really asked his sister to help him, her brother might really lose his job.

...

After getting into the car, Bai Yusheng didn't say another word to her.

Gu Sheng asked him several times where he was taking her, but Bai Yusheng didn't say anything.

He only stopped when they arrived at a high-end condominium.

After getting off the car, Gu Sheng stood with him in the underground car park and looked around. After Bai Yusheng parked the car and walked towards her, she couldn't help but ask again, "Bai Yusheng, where is this? Why did you bring me here?"

Bai Yusheng turned to look at her and finally said, "This is my place."

"What?!" Gu Sheng widened her eyes in shock. "This is your place?"

"Mm."

"Then, why did you bring me here?"

"I'm hungry." Bai Yusheng didn't answer her question and walked straight ahead.

Gu Sheng was stunned. She couldn't keep up with his train of thought and stood still, looking at his back view. She said angrily, "What has your hunger got to do with me? Bai Yusheng, you haven't answered my question. Why did you bring me here?"

Bai Yusheng stopped in his tracks and turned around. His dark brown eyes were like glass beads, reflecting her figure. He smiled. "Cook for me."

Gu Sheng widened her eyes again.

She couldn't understand.

“You brought me here just to cook for you?”

Of course not.

He just didn't want her to be with that nerd.

As for bringing her to his apartment, it was a last-minute decision.

He definitely couldn't return to the Bai Residence with Gu Sheng.

Mother Bai would go crazy.

If he dared to bring Gu Sheng home, Mother Bai would immediately ask him to marry her.

After thinking about it, he brought Gu Sheng here.

This was his own apartment. He usually lived alone, and the nanny would come every day to clean it.

Besides himself, he hadn't brought anyone else here.

“Mm, I have something else to discuss with you. I'll tell you when I'm full.” Bai Yusheng nodded.

Gu Sheng was speechless.

She felt that Bai Yusheng was really crazy.

Feeling like she was being played with, she turned around.

Bai Yusheng didn't stop her. He stood behind her and said slowly, “Aren't you afraid that Gu Lin will lose his job? I heard that your brother has been doing very well recently. The higher-ups are preparing to promote him.”

#### **Chapter 2334: What Else Do You Want to Do?**

“If nothing goes wrong, he should be promoted by the end of this month.”

Gu Sheng was speechless.

Bastard!

She gritted her teeth. “Chairman Mo isn't the sort to fire his own employees just because someone else asked!”

“Mm, indeed not.” Bai Yusheng said in an annoying tone, “Of course, my words aren't that useful. But if my sister asks, he'll definitely agree.

“My brother-in-law is a very principled person, but he doesn't have any principles in front of my sister. So, as long as my sister asks, there's nothing he can't agree to.

“He can even give up his relationship with the Gong family, let alone a mere executive. Gu Sheng, if your brother loses his job because of you, will you feel guilty?”

“Bai Yusheng, you...” Furious, Gu Sheng pointed at and scolded him. “How can you be so despicable? The Young Master of the Bai family is using such despicable means to threaten someone. Aren't you ashamed?”

Bai Yusheng smirked. "What's there to be ashamed about? If you think I'm despicable, then so be it. Anyway, I've never been a gentleman. Gu Sheng, this isn't our first time meeting, right?"

Gu Sheng knew that Bai Yusheng wasn't a gentleman.

She knew it when he was still her teacher.

But Bai Yusheng had never been so shameless.

He had never threatened her with anything.

This wasn't like him at all.

Gu Sheng couldn't help but wonder what happened to him when she was overseas.

Why did he become like this?

He became... a stranger.

"Let's go. Don't look as if I'm going to eat you up. I'm just asking you to make me a meal. It's not too much to ask you to make a meal for your teacher, right?"

Gu Sheng was speechless.

She glared at Bai Yusheng.

It wasn't a big deal for a student to cook for her teacher.

But which teacher would threaten their student?

Moreover, he'd only taught her for a semester.

And it was an elective class.

He was barely a teacher. There was still a gap between him and a real teacher.

"Is a meal really enough?" Gu Sheng stood still at the same spot, looking at him cautiously.

She didn't believe that Bai Yusheng brought her here just to make him a meal.

This reason was too ridiculous.

Did the Young Master of the Bai family lack someone to cook for him?

But Gu Sheng couldn't think of any other reason.

She wasn't worried that Bai Yusheng would do anything to her.

Back then, Bai Yusheng was drunk that night. He even pushed her away decisively.

He rejected her when she threw herself at him.

How could he have any feelings for her now?

"Otherwise?" Bai Yusheng raised an eyebrow. "What else do you want to do?"

He sounded ambiguous.

Gu Sheng blushed. "Bai Yusheng!"

"I'm hungry." Bai Yusheng frowned, looking a little impatient. "It's just a meal, I'll let you go if you let me eat my fill."

### **Chapter 2335: Don't Answer His Call**

"I don't have the habit of letting women stay here. I'm afraid you can't even stay for the night."

Gu Sheng was speechless.

Her face burned even more.

She felt that Bai Yusheng's "I'll let you go if you let me eat my fill" was very ambiguous.

She knew that she was overthinking.

"Who wants to stay at your place!" She was so angry that her face turned red. She finally walked towards him. "Alright, I'll make you a meal. I'll leave after I'm done."

Seeing her walk towards him, Bai Yusheng finally smiled.

Gu Sheng was an obedient girl.

She was still the most obedient.

He still remembered how obedient she was when she was still his student.

Why was she so aggressive now?

She looked like a soft and cute kitten, but she had sharp claws.

Perhaps he didn't know her well enough.

Perhaps this was Gu Sheng's true appearance.

Gu Sheng had just walked to his side when her cell phone rang. She picked it up and saw that it was Qin Mo.

There were also a few missed calls.

They were from her friends.

Bai Yusheng was dragging her away, so she couldn't answer them. Now that she was free, she was about to pick up Qin Mo's call when a hand suddenly snatched her cell phone away.

Gu Sheng was stunned. She turned and saw her cell phone in Bai Yusheng's hand.

She said angrily, "Bai Yusheng, what are you doing? Give me back my cell phone."

Bai Yusheng saw that it was Qin Mo, and his mood turned bad.

This guy was really persistent.

He hung up and turned around. "Don't answer his call."

"Bai Yusheng, you're being unreasonable." Gu Sheng said angrily, "I can pick up the call of whoever I want, who are you to not allow it? Return the phone to me. Brother Qin must be worried about me, that's why he called. I have to tell him that I'm safe."

"That's right, I'm unreasonable." Bai Yusheng placed the cell phone in his coat pocket. It seemed like he didn't intend to return it to Gu Sheng. "Leave your cell phone with me for now. I'll give it to you when you leave."

"Based on..."

"You want to ask me why?" Bai Yusheng cut her off and sneered. "Because you have to listen to me now. Otherwise, your brother..."

He didn't finish his sentence, but Gu Sheng definitely knew what it meant.

She never thought that Bai Yusheng would become so shameless and despicable.

Moreover, he was very thick-skinned.

He didn't even seem bothered when she scolded him.

Gu Sheng was so angry that she almost vomited blood. Taking a deep breath and suppressing the urge to rush over and fight with him, she thought for a while and changed her way of talking to him. "Bai Yusheng, you don't want me to pick up Brother Qin's call. Alright, I won't.

"I'll send him a WeChat message telling him that I'm safe, instead. Is that alright?"

"I'll give you my cell phone after I send the message, alright?"

She softened her tone as if she was begging him.

She actually knew Bai Yusheng's temper a little.

This man was a classic example of being amenable to coaxing but not coercion.

### **Chapter 2336: Don't Push Your Luck**

Gu Sheng was furious with him previously, so she didn't want to give in to him.

There was nothing she could do now.

This move was indeed useful.

Bai Yusheng looked down at her. "Just sending a message to say you're safe?"

"Mm, just a message to assure him of my safety." Gu Sheng nodded.

Bai Yusheng looked at her for another two seconds. "I'll do it, then."

Gu Sheng was speechless.

"Why? What's the difference between me sending the message and you doing it?" Bai Yusheng raised an eyebrow. "Don't you want to report your safety? Isn't it the same no matter who does it?"

Gu Sheng was speechless.

Bai Yusheng didn't say anything else. He took her cell phone and opened WeChat.

He quickly found Qin Mo's WeChat.

That was because Gu Sheng had saved Qin Mo's contact by his name.

This comment made Bai Yusheng feel better.

Because he saw that the names Gu Sheng gave others were also their names.

This meant that Qin Mo was nothing special to her.

This realization made him feel better. He opened the chatbox and sent a message: [I'm fine, don't call me again.]

Qin Mo immediately replied: [Shengsheng, where are you now? Bai Yusheng... didn't do anything to you, right? If he did, just tell me. You don't have to be afraid of him.]

"Hmph."

Looking at Qin Mo's reply, Bai Yusheng snorted and sent a reply: [He treats me very well. I've known him for almost six years, and our relationship is better than you think. Don't worry. My cell phone is running out of battery.]

Bai Yusheng exited the chat and turned off the cell phone.

"What message did you send?" Gu Sheng frowned and leaned over to take a look.

Bai Yusheng put the cell phone back into his pocket and said, "I told him that you're safe with me and that he doesn't have to worry."

Gu Sheng didn't believe him and reached out for the cell phone. "Let me see."

"Gu Sheng, don't push your luck." Bai Yusheng looked down at her. "I've already reported your safety according to your wishes. From now on, the cell phone is staying with me. If you continue to push your luck, I won't return it to you."

Gu Sheng wanted to swear.

What did he mean by not pushing her luck!

The cell phone was hers.

She wanted it back, how was she pushing her luck!

...

"Sister Mianmian, I'll toast you."

In the private room, Lin Wanwan was holding a glass of wine and was about to toast her.

She pursed her lips and said softly, "I'm very happy to meet Sister Mianmian. My name is Lin Wanwan, and I'm 16 years old this year. Second Cousin's mother and my mother are biological sisters, and our

relationship is very good. Second Cousin and I have a very good relationship. Every year during the holidays, I'll go to Second Cousin's house to play with him.

"Second Cousin told me previously that Brother Ye—" Lin Wanwan was about to say "Brother Yesi" when she felt a cold and piercing gaze land on her. Stunned, she immediately changed her words. "He said that Mr. Mo is married and that his wife is very beautiful. That's why I've always wanted to get to know Sister Mianmian. I finally have this chance today. Sister Mianmian, can Wanwan be friends with you?"

Lin Wanwan blinked innocently.

Qiao Mianmian was stunned.

### **Chapter 2337: Only in Front of Qiao Mianmian**

She was drinking the yogurt that the waiter had just sent over. It was strawberry-flavored and especially delicious.

Suddenly, Lin Wanwan came over to toast her.

And she said so much.

A 16-year-old girl was rather cute. She even said that she wanted to know her and be friends with her.

Qiao Mianmian felt that it wasn't appropriate to reject her.

She looked at the wine glass left in front of Mo Yesi and was about to pick it up when someone grabbed her hand.

She blinked and looked up into a pair of dark and charming eyes.

"Didn't I tell you not to drink alcohol?" The handsome man held her hand and put the wine glass aside.

"Uh..." Qiao Mianmian was stunned. "But, she wants to toast me. I..."

She couldn't possibly not drink it.

If she didn't drink it, people would think that she wasn't willing to give the other party face.

"That won't do," Mo Yesi said domineeringly. "I said not to drink it, not even a drop."

Qiao Mianmian was speechless.

Mo Yesi was domineering a second ago, but the next moment, he patted her head and coaxed her gently. "Didn't I get you a few bottles of yogurt? Drink it. If you want to drink alcohol, I'll drink with you. You're not allowed to drink outside."

At least when she was drunk at home, only he could see her alluring side.

"But..." Qiao Mianmian looked up at Lin Wanwan, who was still holding the wine glass, but now looking a little upset.

Mo Yesi looked up too.

Not as embarrassed as Qiao Mianmian, he said coldly, "She doesn't drink. If you want a toast, you can toast others."

Lin Wanwan's face was still hot and a little shy when she met his gaze.

But Mo Yesi's words embarrassed her.

She tightened her grip on the wine glass as tears welled up in her eyes. She looked at this extremely handsome but cold man with a grievance.

Just a moment ago, when he was talking to the woman in his arms, his eyes were still so gentle.

But in the next second, his eyes were this cold.

"Second Bro." Yan Shaoqing watched from the side. Seeing the tears in his little cousin's eyes, he came out to help her. "Don't be so fierce. You scared Wanwan."

With that, he waved at Lin Wanwan. "Wanwan, come over to Second Cousin. Your Sis-in-law really doesn't drink outside. Come over, Second Bro will drink with you."

Lin Wanwan stood still, looking aggrieved.

She blinked, causing tears to fall.

Yan Shaoqing frowned. "Wanwan, you're really crying. Second Bro is like this to everyone. Don't cry."

When Mo Yesi first got together with Qiao Mianmian, Yan Shaoqing thought that he had recovered.

But he later realized that Mo Yesi's illness wasn't cured at all.

Besides Qiao Mianmian, his attitude towards other women was no different from before.

He only showed his gentle side in front of Qiao Mianmian.

In front of other women, he was still the cold and arrogant "freak" who had no interest in women.

Mo Yesi had always been this cold to women.

### **Chapter 2338: This Charming Man Is Also Very Dangerous**

But this little cousin of his had been pampered by her family since she was young, and she had many admirers in school. The little princess who had always been sought after by others would definitely find it unacceptable if she met a nail in the coffin with Mo Yesi.

Qiao Mianmian felt bad seeing Lin Wanwan cry because of Mo Yesi.

She tugged at his sleeve and glared at him. "Why are you so fierce to a little girl? Even if I don't drink alcohol, I can drink something else."

Mo Yesi's cold face seemed to melt when he faced her. "How am I fierce? I usually talk like this. It's not the first time you're seeing this."

Qiao Mianmian was speechless.

This wasn't the first time she found out.

She also knew that besides her, Mo Yesi was cold to everyone else.

But seeing that Lin Wanwan was frightened to tears by him, she still felt that he was too cold to others.

After all, Lin Wanwan was still a little girl.

Qiao Mianmian was rather tolerant towards little girls.

A sixteen-year-old girl.

She was very innocent.

Qiao Mianmian didn't expect that an innocent girl would do something crazy out of jealousy.

"Mr. Mo, I-I don't mean anything else." Lin Wanwan sobbed. "I just wanted to toast Sister Mianmian and be friends with her. I didn't know that Sister Mianmian can't drink outside.

"This is just a bit of red wine. Even someone with a low alcohol tolerance wouldn't get drunk."

She sounded aggrieved.

She didn't mean to get Qiao Mianmian drunk. She just wanted to get to know her.

But Mo Yesi's reaction made it seem like she was trying to get Qiao Mianmian drunk.

He had wronged her.

"Mr. Mo, you're too worried about Sister Mianmian. Has Sister Mianmian really never touched alcohol at all since she was young? You're not treating her well this way. Since she never touched alcohol before, wouldn't she get drunk if she touched alcohol in the future?"

As soon as Lin Wanwan finished speaking, she felt that cold gaze on her again.

The man's gaze was even colder than before.

She looked up and was shocked by the coldness in Mo Yesi's eyes. She felt as if a chill had seeped into her bones.

At the same time, Lin Wanwan shut her mouth and didn't dare to say another word.

The man in front of her was really charming.

She'd never seen a man more perfect than him.

The most outstanding boy in her school was nothing compared to him.

But this charming man was also very dangerous.

Lin Wanwan's feelings towards Mo Yesi were very complicated. She admired him, but she was also afraid of him.

She felt that he was like a deadly poppy. She knew that he was dangerous and couldn't be approached easily, but she was deeply attracted to him. No matter how afraid she was, she couldn't help but want to be close to him.

“I’ve said it before, she doesn’t drink outside. As a student, you’re not suitable to be her friend. There’s a generation gap between the two of you.”

### **Chapter 2339: As If She Was Transparent**

With that, Mo Yesi looked at Yan Shaoqing threateningly. “Yan Shaoqing, why aren’t you calling your cousin over? You don’t have to call me if you bring more children over in the future.”

Mo Yesi wasn’t such an unreasonable person.

If Lin Wanwan was just a normal junior, he wouldn’t be so cold towards her.

He had this attitude towards her because he could tell what she was thinking.

He’d seen many women’s adoring eyes.

This sixteen-year-old admirer didn’t make him feel that his charm was limitless.

He only felt that it was troublesome.

Having a lot of admirers was a way to prove your charm. It would satisfy your vanity and confidence.

But to Mo Yesi, besides trouble, it was still trouble.

To him, women’s love was nothing but trouble.

Especially now that he had Qiao Mianmian.

He didn’t want his wife to be unhappy with him because of this.

Although it seemed like Qiao Mianmian had never been jealous of another woman and lost her temper with him, Mo Yesi still had the self-awareness of a married man. Before the rotten peach blossoms around him fully bloomed, he had already ruthlessly uprooted them.

He would never give these rotten peach blossoms any chance to grow.

Lin Wanwan’s expression turned ugly again.

She bit her lip as tears rolled down her cheeks.

She had never met such a cold man.

She had many admirers ever since she was young. Many men liked her.

In order to please her, those boys were so passionate towards her. Even though she rejected them coldly, they still refused to give up. They even became braver and braver.

Especially now.

A 16-year-old girl had already grown up. She had a beautiful figure, a beautiful face, and a noble background. She became the most perfect and unattainable goddess in the hearts of all the boys in school.

The love letters she received every day could fill a trash can.

Growing up in such an environment, she had never encountered any setbacks.

The first setback in her life was given to her by Mo Yesi.

Those boys liked her so much that every word she said was like an imperial edict.

But in front of Mo Yesi...

Even though her eyes were red and swollen from crying, the man's eyes were still cold and distant. He didn't even look at her.

It was as if she was invisible.

This was the first time in Lin Wanwan's life that she suffered such a blow. She felt as if her pride and dignity as a girl had been trampled on.

"Mr. Mo, since you don't like Wanwan staying here, Wanwan can disappear immediately. Wanwan will leave immediately. I won't stay and be an eyesore to Mr. Mo." Lin Wanwan covered her mouth and ran out of the room.

Yan Shaoqing widened his eyes in shock.

"Wanwan..." Xiaoyu stood up and chased after her.

#### **Chapter 2340: She Didn't Care About Him**

Mo Yesi didn't react to Lin Wanwan's actions. His gaze landed on the petite wife in his arms. Seeing that she had finished a bottle of yogurt, he took another bottle and opened the cap before handing it to her. "Do you want more?"

Qiao Mianmian took it out of habit and took a sip.

This bottle of yogurt was mango-flavored.

She took a sip of the yogurt before looking up. "Mo Yesi, did you anger the girl away? Aren't you going overboard with your words? Did she offend you when I wasn't around?"

Qiao Mianmian couldn't think of any other reason.

Why was Mo Yesi competing with a little girl?

Even if he was cold to others, he shouldn't be like this.

"She didn't offend me." Mo Yesi's voice was calm.

"Then, why did you..." Qiao Mianmian frowned slightly. "Girls have thin skin, and she's just a teenage girl. Your words must have hurt her pride.

"She's Shaoqing's cousin. You really... shouldn't be like that."

Mo Yesi pursed his lips and looked down at her. He rubbed her head and sighed.

His wife seemed different from other women.

Didn't they say that women had very sharp instincts when facing a love rival?

Didn't she know what he was thinking?

But why didn't his wife notice anything?

Otherwise, she wouldn't blame him like this.

"Baby, can't you tell?" Mo Yesi had to remind his slow-witted wife.

"Mm?" Qiao Mianmian blinked. "See what?"

Mo Yesi was speechless.

He shook his head and smiled bitterly. "It seems like you don't care about me at all."

Qiao Mianmian was speechless.

Why did it suddenly have to do with whether she cared about him or not?

She looked confused. "Mo Yesi, what are you trying to say? I don't understand... what do you mean?"

Mo Yesi didn't intend to continue.

"Forget it, it's fine if you don't understand." Mo Yesi sighed again.

It was enough that he understood.

He just had to be self-aware.

Anyway, even if she understood, she wouldn't do anything.

Shen Rou and he grew up together. She knew that Shen Rou liked him, but she had never been jealous of her.

Others definitely wouldn't make her jealous.

Sometimes, Mo Yesi wanted Qiao Mianmian to be a petty woman. He hoped that she would be like other women, jealous of the women trying to get close to her husband.

She'd said she liked him too.

But she had never been jealous of him. Mo Yesi felt that she didn't care about him that much.

He cared about her, so he would mind any man around her.

But she didn't care.

She didn't seem to care about other women around him.

The reason she gave him was that she trusted him.

But Mo Yesi felt that this reason wasn't enough.

He trusted her, too.

But he would still mind other men coveting her, just like how he minded Su Ze and Gong Zeli. Seeing them appear in scandals with her made him very angry.
