Chapter 2341: He's Not That Great

Perhaps she liked him.

But this liking wasn't so strong.

In this relationship, he had given more.

When she got jealous over him, it meant that her feelings for him had deepened.

"Mo Yesi, what's wrong? Are you unhappy?" Qiao Mianmian was slow in certain aspects, but she was still sensitive when it came to Mo Yesi's emotions. She quickly realized that he seemed a little down.

"I'm fine." Mo Yesi shook his head and looked at her affectionately. "I'm not unhappy."

"You're lying. I can tell that you're unhappy." Qiao Mianmian blinked and touched his face. "Tell me, why are you unhappy? Did I say something wrong?"

"No, it has nothing to do with you."

He was just being silly.

He'd thought that since they were already married, he could slowly nurture their relationship.

It didn't matter even if she didn't like him that much.

They still had a long way to go. They still had enough time to cultivate their feelings.

As long as he treated her well and pampered her, she would care about him as much as he cared about her.

He shouldn't be so anxious.

But even though he thought so, he couldn't help but feel disappointed.

Everyone expected a return in their investments, be it money or feelings.

He wasn't that great, but he had given his all. Even if he didn't expect her to reciprocate his feelings fully, he still hoped that she would care about him more.

Qiao Mianmian frowned.

"Alright, Baby. I'm really not angry." Mo Yesi smiled and kissed her on the lips. "Don't let your thoughts run wild. If you think I went overboard just now, I'll take more care in the future. Are you satisfied now?"

The man's voice was low and gentle, and his eyes were full of love.

Qiao Mianmian couldn't resist when he lowered his voice and coaxed her.

Even if she still felt that he'd gone overboard, she couldn't say anything more about him. She nodded slightly. "Mm, alright."

On the other side.

Yan Shaoqing watched as his cousin cried and left, but he didn't chase after her.

He frowned and seemed to be deep in thought.

He went through Lin Wanwan's actions after seeing Mo Yesi and realized something shocking.

Did Wanwan fall for his second brother?!

At first, he thought that she was simply smitten by good-looking men.

But now that he thought about it, something felt wrong.

Yan Shaoqing was a little upset when he realized this.

He looked up at Mo Yesi.

Did Second Bro realize something, that's why he was so cold and distant to Wanwan?

The more Yan Shaoqing thought about it, the more he felt that it was true.

He was speechless.

How could Lin Wanwan fall for Second Bro?

They were a full 10 years apart.

In terms of a generation gap, there were two rounds.

Chapter 2342: Between Me and Qiao Mianmian, Who Do You Think Is Better?

If that was the case, Yan Shaoqing felt that it made sense.

It was normal for Mo Yesi to be cold.

Thinking about how Shen Rou had liked him for so many years and how they grew up together, but his attitude towards her had always been cold.

Moreover, he didn't know that Shen Rou liked him.

When he found out, he became much colder towards her.

Yan Shaoqing thought about his cousin's personality and couldn't help but frown. He started to worry.

Mo Yesi didn't just hurt Lin Wanwan.

He was worried that given her proud and willful personality, and now that she had such thoughts about Mo Yesi, she might do something bad in the future.

Just like Shen Rou.

The Mo family, who had always been on good terms with the Shen family, actually stood by and did not help them at all when they faced trouble. This had a lot to do with Shen Rou.

She had done something bad to Qiao Mianmian out of jealousy and angered Mo Yesi.

This caused the friendship between the Shen and Mo families to crumble completely.

Now, Shen Rou saw Mo Yesi as an enemy.

Lin Wanwan's personality was very similar to hers, so he was worried that she would follow in Shen Rou's footsteps.

Yan Shaoqing was even more worried that Lin Wanwan would affect the relationship between the Mo and Yan families, as well as his relationship with Mo Yesi.

He didn't want to be a second Gong Zeli.

He really liked his Second Bro.

He wanted to be Second Bro's buddy for the rest of his life.

When he returned, he had to talk to Lin Wanwan and get her to give up on those unrealistic thoughts.

He couldn't be implicated.

If that little girl was disobedient, he would have to abandon her even if she was his cousin.

...

Lin Wanwan covered her face and rushed out of the room, crying.

"Wanwan, wait for me." Her best friend, Xiaoyu, caught up to her and held her hand. "Wanwan, don't cry. Don't be sad. Mr. Mo seems to be like this to everyone. He didn't mean to be so cold to you."

"Xiaoyu, do you think I look good?" Lin Wanwan stopped in her tracks and wiped her tears. She looked at her best friend with swollen eyes and a pale face full of tears.

Xiaoyu was stunned. Although she didn't know why she suddenly asked this question, she still nodded honestly. "Yes, very good."

How could she not look good?

Lin Wanwan was the school belle.

"Then, between me and Qiao Mianmian, who do you think is better?" Lin Wanwan wiped the tears off her face again. When she mentioned Qiao Mianmian, she couldn't help but think of her exquisite and beautiful face.

Xiao Yu was stunned and didn't answer her immediately.

She felt that Qiao Mianmian looked better.

In fact, Lin Wanwan and Qiao Mianmian were incomparable.

If she wasn't compared to Qiao Mianmian, Lin Wanwan would definitely be an eye-catching beauty.

But compared to a beauty like Qiao Mianmian, Lin Wanwan looked too plain.

She wasn't stunning enough.

Most people, including her, would notice Qiao Mianmian the moment they stood together.

Chapter 2343: Help Me Think of a Way

But Xiaoyu didn't dare to speak the truth.

Lin Wanwan was a competitive person and would definitely not allow herself to be inferior.

"Why aren't you saying anything?" Lin Wanwan was unhappy with her silence. "Do you think Qiao Mianmian looks better?"

"No." Xiaoyu immediately said, "I don't think you're the same type. You're both pretty."

She couldn't go against her conscience and say that Lin Wanwan looked better.

But this answer didn't satisfy Lin Wanwan.

She was still unhappy. "If you have to choose someone, who will you choose?"

"Wanwan..."

"Who will you choose? Who do you think is better? I don't want to hear anything nice. I want you to choose someone."

Xiaoyu looked at Lin Wanwan's angry face and swallowed her saliva. She felt that her best friend had become a stranger.

She was a little afraid.

"Of course, Wanwan, you're better looking. Wanwan, you're the school belle. Your background is good too. How can others compare to you?"

"Is that so?"

"Of course!"

Lin Wanwan finally looked satisfied. She raised her chin like a proud peacock. "That's more like it. It seems like there's nothing wrong with your eyes. So what if Qiao Mianmian is good-looking? She's already an old woman. Men don't like old women."

Xiaoyu wanted to remind her that Qiao Mianmian was only 20.

She was only four years older than them.

She wasn't an old woman.

But seeing how abnormal Lin Wanwan looked now, she kept quiet.

"Then, tell me, since I'm prettier than Qiao Mianmian, why does Brother Yesi only have eyes for that old woman?" Recalling Mo Yesi's coldness, Lin Wanwan's expression darkened again. "That old woman is really shameless. She keeps sticking to Brother Yesi. Does she have any sense of shame?"

Xiaoyu was stunned.

She couldn't help but say, "But, but they're husband and wife. Isn't that normal?"

It was normal for couples to hug each other.

Not to mention a married couple.

That could only mean that they were harmonious and loving.

How was this related to shamelessness?

“So what?” Lin Wanwan seemed a little angry and growled. “Even if they’re husband and wife, they should pay attention outside. That old woman is so shameless. She keeps clinging to Brother Yesi like she has no bones.”

“...”

“Xiaoyu, help me think of a way.”

“...What, what way?”

“What do you think will make Brother Yesi like me?”

“Wanwan, you, you...” Xiaoyu was shocked speechless again.

Had she guessed correctly?

Wanwan really liked Mo Yesi?

“What are you talking about?” Lin Wanwan glared at her. “What’s there to be shocked about? Brother Yesi is such a perfect man, who wouldn’t like him? He’s so handsome, mature, elegant, and charismatic...”

“Can you find a better man?”

Chapter 2344: You Don’t Have to Persuade Me

Xiaoyu shook her head.

She really couldn’t think of anyone better than Mo Yesi.

“Mr. Mo is very outstanding, but...”

He was already married.

And he was 10 years older than them.

“No buts.” Lin Wanwan cut her off. “I just want to be with him. Xiaoyu, help me think of a way to make Brother Yesi like me.”

“Wanwan...”

“Don’t persuade me. I don’t want to hear it. If you still treat me as your best friend, help me. Otherwise, we’ll break up!”

“Wanwan...”

“Help me, or we’ll break up. You choose!”

...

“Shixiu, are you sure?” In the Old Madam’s room, she looked up at her eldest grandson standing tall and straight and asked calmly.

Mo Shixiu nodded. “Yes, Grandma.”

“You aren’t going to change your mind?”

“No.” There was no hesitation in his voice.

Old Madam was silent for a moment.

“Grandma.” Mo Shixiu was silent for a while before saying, “Our Mo family’s current status is stable and outstanding. It’s indeed good to be in that position, but it’s too eye-catching.

“I’m afraid it won’t be good if I attract too much attention.”

“Oh?” Old Madam knew that her eldest grandson wouldn’t say such things casually. “Shixiu, did you encounter something? Did someone secretly do something to our Mo family?

“Or is someone plotting against you?”

Who wouldn’t want to be the President?

Those who could enter the final round were all very powerful people.

The Song family in F City was on par with their Mo family.

The Song family’s heir, Song Shijie, was Mo Shixiu’s strongest opponent in this election.

If Mo Shixiu withdrew, then there was a 90% chance that Song Shijie would be chosen.

“Is it the Song family...”

“No.” Mo Shixiu shook his head. “Grandma, don’t worry. No one wants to harm our Mo family.”

“Then, you mean...”

“I just feel that the tall trees attract the strongest wind. In terms of business competition, our Mo family is already number one. Sometimes, taking a step back might be safer. Moreover, even if I withdraw from this election, our family’s status won’t change. Grandma, don’t worry. Since I’ve decided to leave, I’ve found a way out.

“I have the Mo family’s bloodline flowing in me. Like you, I value our family’s honor very much. I won’t let the family be affected.”

He sounded confident.

This confidence infected Old Madam.

Although she was still a little worried, since her grandson said that it would be fine, it must be so.

Her two grandsons had never made her worry about such matters.

“Alright, since you’ve already made up your mind, Grandma can’t say anything else. But your mom...” Old Madam didn’t want their relationship to be too tense, although she felt that her daughter-in-law had gone overboard.

Mo Shixiu’s expression darkened. “Grandma, you don’t have to persuade me.”

Chapter 2345: Did I Wake You?

“There’s nothing to say about this. If she doesn’t realize her mistake and decides to change for the better, our mother-and-son relationship won’t return to how it was before.”

He said firmly, “We can compromise on anything, but not this.”

He’d already compromised once.

That was the chance he gave her.

Unexpectedly, not only did his mother not restrain herself, but she even went overboard by hurting the pregnant Jiang Luoli.

Mo Shixiu’s expression darkened as he thought of Jiang Luoli’s swollen cheek and how she cried pitifully in his arms. “She hurt Luoli more than once. If I compromise and forgive her this time, she’ll probably do worse next time.

“On the day I got married to Luoli, I said that I’d definitely protect her and not let her suffer any grievances. I’ve already gone back on my word about her. I can’t disappoint her again.

“So, Grandma...”

The handsome man’s eyes were as dark as ink, and his deep eyes were filled with determination. “Let’s not talk about this. I know what to do.”

Old Madam was silent for a moment.

“Sigh. Alright. Your mom should give her a cold shoulder too. Luoli suffered this time, you have to appease her. Oh right, did you get the doctor to check her? Is the child alright?”

“Grandma, don’t worry. Luoli and the baby are fine.”

“That’s good.” Old Madam nodded. “Nothing must happen to the child in Luoli’s belly. Shixiu, let me ask you one last time. Was the main reason for your withdrawal from the election really not because of Luoli?”

“No.” Mo Shixiu said without hesitation. “It has something to do with her, but she’s not the main reason. Before I met her, I’d already considered quitting. Even without her, I’d still make the same choice.”

“You’re not lying to Grandma?”

Mo Shixiu looked at the Old Madam calmly. “No.”

“Alright, I’m tired. I’ll rest for a while. Go accompany Luoli.”

...

Mo Shixiu closed the door gently.

Actually, he lied to Old Madam just now.

He lied to Jiang Luoli too.

The main reason was her.

Everything else was secondary.

But he couldn't tell them the truth.

If he did, Old Madam would definitely have something against Jiang Luoli.

And Jiang Luoli would blame herself for it.

So, he lied.

He used to hate lies.

But now, he had become a liar.

Mo Shixiu returned to the bedroom.

Jiang Luoli was leaning against the bed frame with the blanket covering her. She seemed to be asleep.

As he tiptoed towards the bed, the girl opened her eyes.

"Mo Shixiu, you're back."

Jiang Luoli sounded a little sleepy.

She was asleep just now, but not deeply.

Hence, she woke up when she heard Mo Shixiu's footsteps.

"Mm, I'm back." Mo Shixiu sat down by the bed and touched her head. He pulled the blanket back and covered her tightly. "Did I wake you?"

Chapter 2346: Mo Shixiu's Level Is Too High

"No." Jiang Luoli shook her head. "I wasn't really asleep."

"Mo Shixiu."

"Mm?"

Jiang Luoli blinked. "What... did you talk to Grandma about?"

"Nothing important." Mo Shixiu smiled. "Are you hungry? Do you want to eat something?"

Jiang Luoli frowned. "You haven't answered my question."

"Mm?"

“What did you and Grandma talk about?” Jiang Luoli had more or less guessed it. Old Madam specially called Mo Shixiu to her room to talk to him alone. What else could they talk about besides that?

This time, they were called back because of Mo Shixiu’s withdrawal from the election.

Although Old Madam didn’t blame her, it didn’t mean that her feelings for her hadn’t changed.

Jiang Luoli cared about this.

“You should have guessed it.” Mo Shixiu looked at her gently. “Grandma asked me why I withdrew from the election, and I told her the reason. That’s all.”

“What did you say?” Jiang Luoli looked at him without blinking.

“Of course, I told the truth.” Mo Shixiu felt her nervousness and stroked the top of her head warmly. He said lightly, “I told Grandma that I’m thinking for the entire Mo family. I already had the idea of withdrawing before we met.

“Moreover, you’re pregnant now. I hope to spend more time with you. So, I made up my mind.”

Jiang Luoli blinked. “Grandma believed it?”

“Mm.”

“She didn’t doubt you?”

“What’s there to doubt?” Mo Shixiu chuckled. “I didn’t lie to her. I told the truth.”

“Then, Grandma... didn’t she blame me?” Jiang Luoli asked hesitantly.

“Why would she blame you? I’ve said it before, Grandma isn’t unreasonable.”

Mo Shixiu looked especially good when he smiled. His cold eyes were filled with a faint smile, and they seemed to warm up.

He looked so warm and gentle.

There was a saying that a woman was beautiful when she smiled gently.

Jiang Luoli felt that Mo Shixiu’s smile was worthy of this description.

At this moment, Jiang Luoli looked at the handsome face in front of her, and her heartbeat quickened.

The highest level of being a good-looking man was to be able to sleep with the person he felt was the most impossible in his life.

Like Mo Shixiu.

Before she got together with him, she never imagined that they would be married one day.

After all, Mo Shixiu’s level was too high for her.

He was a man she didn’t even dare to think about.

Back then, Mo Shixiu was like a god in her heart.

How could a mortal dare think about a Heavenly God? Just thinking about it was blasphemy.

But now...

This man, whom she thought she would never interact with in her life, had become her husband.

She even gave him a baby.

It was amazing.

Even though they were already married, Jiang Luoli often felt a little dazed.

Chapter 2347: You're Not Allowed to Smile at Others in the Future

She often wondered if she and Mo Shixiu were really married.

Did this perfect man without any detectable flaws really belong to her?

How could his face be so beautiful?

It was as if... every part of his face grew according to her preferences.

"Mo Shixiu..." Jiang Luoli was a little intoxicated by the beauty in front of her.

"Mm?" Mo Shixiu looked down.

"You're not allowed to smile at others in the future." Jiang Luoli poked the corner of his lips and said domineeringly, "That smile just now, you can only use that smile at me. Understand?"

He was so charming when he smiled.

Even living under the same roof and sleeping on the same bed every day, she would still be mesmerized by him.

Not to mention others.

Hence, she didn't allow him to smile at other women.

Only she could see his most charming side.

Mo Shixiu was stunned.

"Did you hear that!" His hesitation made Jiang Luoli unhappy. Her tone became even more domineering and unreasonable. "You're not allowed to smile like that to other women. I want you to promise me immediately."

"Alright." Mo Shixiu looked at the aggressive little woman in front of him as if looking at a kitten baring its fangs at him.

The affection in his eyes was overflowing.

Jiang Luoli smiled in satisfaction. "Really?"

"Mm."

“You really won’t smile like that to other women?”

“No.”

“Don’t lie to me.”

“I’m not lying.”

In fact, he would do it even without her request.

His smile was meant for her alone—exclusive.

“Mo Shixiu.” The man’s cooperation made Jiang Luoli happy. She reached out and said coquettishly, “Hug.”

Mo Shixiu was rendered speechless.

“Hug.” Jiang Luoli’s hand was still stretched out, and her voice got coquettish. “I want a hug~”

The next moment, she fell into a warm and comfortable embrace.

The man’s scent was pleasant; his chest was firm and warm, and he exuded a feeling of safety.

Jiang Luoli wrapped her arms around his waist and rested her head on his firm chest. She felt that his waist was very strong and warm.

She suddenly recalled something.

Besides the fact that he didn’t have any experience the first time and performed poorly, she could give him 90 out of 100 marks for the next few times.

She would leave the remaining 10 points when they went a step further in the future.

Chapter 2348: I Don’t Want to Be a Resentful Woman

Ever since they started living sleeping on the same bed, Jiang Luoli felt that Mo Shixiu was actually passionate.

But this man had good self-control.

He resisted the urge to touch her.

Moreover, there were two times when Jiang Luoli saw how hard he held it in. She suggested that he could give it a try, but he rejected her firmly.

Jiang Luoli was starting to doubt her own charm.

She thought Mo Shixiu had lost interest in her.

After all, she sometimes... wanted to.

At this thought, Jiang Luoli blushed and rubbed her face against the man’s chest. “Mo Shixiu, let me ask you a question. You have to answer me honestly.”

“Alright.” Mo Shixiu hugged her gently and kept a distance from her belly, afraid that he would squeeze the baby.

Jiang Luoli looked up at his handsome face. “Do you think I’ve become ugly?”

She wasn’t fat, but she had gained about four to five kilograms over the past few months.

In fact, she hadn’t gained much weight.

But she felt that the fat had gone to her face and waist, so she seemed to have gained a lot of weight.

Mo Shixiu was stunned. He didn’t expect her to ask such a question.

Jiang Luoli pinched his waist. “Don’t lie to me. I want to hear the truth.”

Mo Shixiu looked down at her as if he was sizing her up.

A moment later, his thin lips moved. “No.”

“No?”

“Mm.”

“You’re not lying to me?”

“I’m not lying to you.”

“Don’t you think I’ve gained weight? My face is so round,” Jiang Luoli said as she pinched her cheeks.

She really had a lot of flesh on her face now.

Mo Shixiu looked at her for a while before nodding. “It’s a little round.”

Jiang Luoli immediately said, “So you think I’ve gained weight too. I won’t eat so much anymore. I’ve decided that from today onwards, I won’t eat supper anymore.”

“Isn’t it good to be a little fatter?” Mo Shixiu frowned in disapproval. “You can’t reduce your food. Your food intake has been arranged. If you don’t eat supper, you’ll be hungry at night.”

“But I can’t continue to gain weight.” Jiang Luoli was bitter. “What if I become a big fatty in the future? It’s easy to gain weight, but hard to lose it. I wanna be a hot mom.

“Don’t you think that because of my weight, my looks have dropped? You don’t want your wife to become a big fatty, right? You definitely won’t like it if I lose my figure.”

Jiang Luoli imagined all sorts of scenarios where Mo Shixiu despised her after she became fat and ugly. She muttered, “When the time comes, you’ll definitely despise me and cheat on me. I’ll definitely be very sad and jealous because. Then, I’ll argue with you and eventually become a resentful woman.

“Gosh, that’s scary. I don’t want to become a resentful woman.”

Mo Shixiu was speechless.

What was she thinking!

Were women all such strange creatures?

Chapter 2349: He Likes Her

Just because she had gained weight, she could think of so many impossible things.

“Luoli.” Mo Shixiu smiled and looked at the woman in his arms lovingly. He said gently, “No matter what you become, I’ll still like you. It’s not a bad thing to be a little chubby. You’re quite cute.

“I won’t cheat on you, don’t think too much.”

Mo Shixiu felt that Jiang Luoli was doing well.

But he thought she was too skinny.

He wanted to tell her that her worries were unnecessary.

He liked her.

Her weight gain wouldn’t affect him at all.

Because he’d still like her no matter how fat or skinny she was.

If it wasn’t the woman he liked, he wouldn’t feel anything even if she was a top-notch beauty.

He’d been tempted a lot in the past.

If he gave in to such a temptation, he wouldn’t have come this far with her.

The man’s words didn’t comfort Jiang Luoli.

“Even if you don’t mind, I do. I don’t want to be chubby and cute. Anyway, I don’t care. From today onwards, I won’t eat supper anymore.”

“Luoli...” Mo Shixiu looked at her helplessly. “Don’t be childish. You should know that you’re not alone now. Even if you don’t want to eat it, what about the baby?”

“Even if you’re not hungry, the baby will be. Can you bear to starve our baby?”

Jiang Luoli was speechless.

Mo Shixiu was really good at controlling people.

Jiang Luoli’s determination wavered again.

“There’s really nothing bad about being a little fatter.” Mo Shixiu pinched her waist gently and coaxed her like she was a child. “Moreover, I think you’re still as good-looking as before. You haven’t changed at all.”

“No way.” Jiang Luoli didn’t believe him. She bit her lip and hesitated for a while before saying softly, “Then, how did you...”

“Mm?” Mo Shixiu looked at her. “What about me?”

Jiang Luoli looked at his handsome face and felt her heart race. "Why did you reject me the previous two times? You're obviously despising my figure."

Mo Shixiu was stunned and took a while to react.

"So, you think I rejected you because you've gained weight?"

"Of course." Jiang Luoli was upset. "Why else? Don't say you didn't want to, I clearly felt it..."

The girl blushed. Even though they were already husband and wife, she still felt a little embarrassed when it came to that.

After all, she had only done it with him twice.

Mo Shixiu didn't expect Jiang Luoli to care about this.

He didn't expect her to think he rejected her because of her figure.

If she hadn't said it herself, he would probably never think of this.

He was stunned for a moment before realizing that he had to explain this matter seriously. Otherwise, she would really think that he despised her figure.

"Luoli." Mo Shixiu kept quiet for a while before looking down at the girl in his arms.. Then, he said with a serious expression, "Your figure has nothing to do with the reason I rejected you the previous two times."

Chapter 2350: Thankfully, the Worst Thing Didn't Happen

"I'm afraid that something will happen to our baby. I've said it before, I don't want to take any risks with you and the baby. I don't want you and the baby to be in danger because of my selfish desires."

"Just because of the baby?" Jiang Luoli blinked.

"Luoli." Mo Shixiu sighed. "Of course it's because of the baby. Otherwise, what else could it be?"

The man paused for a while before saying, "You know how much I want you, right? I believe you can feel it."

Jiang Luoli pursed her lips.

She could feel it.

She felt that Mo Shixiu couldn't control himself anymore and would lose control.

But she didn't expect this man to be so controlling.

Jiang Luoli felt that he could tolerate it because she had gained weight and her figure wasn't as good as before.

After all, men were visual creatures.

She herself was attracted to good-looking people.

She would mind it if her other half became fat and ugly.

“Luoli.” Mo Shixiu sighed again and caressed her cheek. “Don’t overthink it. How could I despise you?”

“I won’t let you down. I can swear with my life that if I break my promise one day, I’ll...”

Jiang Luoli immediately covered his mouth.

“Alright, I believe you.” Jiang Luoli bit her lip and looked at him with misty eyes. “I won’t overthink it.”

“Mm.” Mo Shixiu smiled and planted a gentle kiss on her lips. “So, you have to eat your meals on time, got it? I have two months of leave to spend with you at home.

“I’ll watch you finish every meal in the future.”

Jiang Luoli was shocked. “You want to rest for two months?”

“Mm.”

“Why?”

“The baby will be born in two months. I want to stay at home with you and wait for our baby to be born.”

“Is this alright? You can rest for so long?” Jiang Luoli liked it when Mo Shixiu was at home with her.

Although Sister Lin usually accompanied her, she still felt bored and lonely.

Mo Shixiu was her husband, the person closest to her, and the father of her baby.

It was naturally different for him to accompany her.

“Sure.” Mo Shixiu nodded. “The new department won’t be as busy as before. I can hand over my work two months later.”

Actually, Jiang Luoli was still a little afraid after what Madam Mo did today.

She wondered what she would face if Madam Mo took her away.

Could she and Mo Shixiu still meet in the future?

Madam Mo was unhappy with her and naturally didn’t want her to be with her son. If she was taken away, she might never see Mo Shixiu again.

Thankfully, the worst thing didn’t happen.

Although Madam Mo didn’t succeed this time, Jiang Luoli was still worried that she wouldn’t take things lying down and would attack her again.

But she wouldn’t have to worry if Mo Shixiu was by her side.
