

Big Shot 2421

Chapter 2421: She Didn't Hit Him

"That's not what I meant." Qiao Mianmian pinched his cheek and smiled. "I'm not familiar with her, why would I ask you to bring her with you?"

"Then don't talk about her anymore." Mo Yesi didn't have a good impression of Lin Wanwan. "Let's eat."

He looked at the food on the table but didn't move. He pinched the tip of her nose gently. "Didn't I tell you not to wait for me?"

"I'm not very hungry. I was waiting for you. It's so boring to eat alone."

The two of them leaned against each other and chatted.

Qiao Mianmian suddenly felt a resentful gaze on her. She turned around and saw Lin Wanwan standing a few tables away.

Her eyes and half of her face were swollen. She looked at her with tears in her eyes.

The moment their eyes met, the resentment in Lin Wanwan's eyes deepened. It was as if she was looking at an enemy.

Qiao Mianmian was shocked.

Her shock came from Lin Wanwan's inexplicable hostility and resentment towards her.

Besides that night, she didn't have much contact with her.

But why was the girl looking at her that way?

It was as if she'd done something wrong.

For example, stealing her lover.

"What's wrong?" Mo Yesi looked at Qiao Mianmian's unusual expression and followed her gaze. When he saw that Lin Wanwan was still standing at the same spot and staring at Qiao Mianmian with red eyes, his eyes narrowed and his aura became dangerous.

Lin Wanwan was shocked by his warning. She immediately retracted her gaze and left.

"Mo Yesi, did you really help her?" Qiao Mianmian looked at him suspiciously.

"Mm." Mo Yesi nodded. "What's wrong?"

"Lin Wanwan... is she alright?"

"I'm fine. It was just a slap." Mo Yesi didn't know why she mentioned Lin Wanwan again, but he still answered her.

"That's all?" Qiao Mianmian frowned.

"Mm, that's all. Baby, what are you trying to say?" Mo Yesi smiled and rubbed her head. "Don't beat around the bush with me, alright?"

"I thought she was... what." Qiao Mianmian was puzzled by Lin Wanwan's look. "She looked at me with resentment as if I'd done something to her. I thought she was alright."

Even if Lin Wanwan was slapped, she wasn't the one who slapped her.

Qiao Mianmian didn't know why Lin Wanwan was so hostile towards her.

But Mo Yesi knew.

Shen Rou was an example.

Hence, even though Lin Wanwan was still young, Mo Yesi immediately distanced himself when he realized that she had such thoughts.

If it wasn't because of Qiao Mianmian, he would never have helped Lin Wanwan.

"Don't bother about her, she's not important." Mo Yesi stroked her head and picked up a fork and knife from the table. Then, he cut a steak and fed it to her. "Aren't you hungry? Eat first."

Although Qiao Mianmian found Lin Wanwan strange, she didn't think too much about it.

Just as Mo Yesi said, she was indeed unimportant.

Chapter 2422: You Don't Want Chen Chen to Be With Shen Xin?

After dinner.

They returned to the hospital.

Qiao Mianmian calculated the time. Qiao Chen should be awake by now.

Mo Yesi accompanied her to the ward.

The door was ajar. Qiao Mianmian was about to enter when she heard a girl's voice.

"Qiao Chen, how do you feel now? Are you thirsty? Do you want me to get you some water?"

The girl's voice was soft and sweet.

Qiao Mianmian was stunned and slowly retracted her hand.

This was... Shen Xin's voice?

Qiao Chen spoke. His voice was still weak. "I'm fine. Shen Xin, when did you come?"

"I just arrived."

It was indeed Shen Xin.

Qiao Mianmian's expression changed slightly. She stood at the door for a few seconds and then looked up at Mo Yesi. She lowered her voice and said, "Chen Chen's classmate is here to visit him. Let's return later."

"Alright."

Mo Yesi nodded and left with her.

...

"I didn't expect Chen Chen and Shen Xin to still be in contact. They seem... close."

There was a small park below the VIP inpatient Department. It was a place for patients to walk and relax.

Qiao Mianmian and Mo Yesi were walking along a small lake. There was a breeze on the lake, and the winter night wind stung their faces.

Qiao Mianmian rubbed her hands.

The next moment, a warm black scarf was wrapped around her neck, covering half of her face and blocking the wind.

She felt warmer.

Mo Yesi reached out and wrapped her hand in his.

"Wear more clothes when you come out next time." He held her hand tightly. "Your hands are cold, aren't you afraid of freezing?"

Actually, Qiao Mianmian was dressed pretty well.

Besides her work needs, she tended to dress appropriately. She was usually very careful about keeping warm.

She was wrapped in a huge down jacket, from her neck to her feet. She wasn't cold at all.

But her hand was exposed, and it was cold when the cold wind blew.

But now that her hand was held by Mo Yesi, the warmth from his palm seemed to envelop her cold hand. A little warmth seeped into her palm, and soon, she didn't feel cold at all.

Her neck felt warm.

She looked at the black scarf around her neck and looked up at him with a sweet smile. "Aren't you cold?"

"Do you think I'm you?" Mo Yesi rubbed her head affectionately. "I'm not cold."

"Oh." Qiao Mianmian touched the scarf around her neck and couldn't help but smile sweetly.

"Are you trying to tell me something?" Mo Yesi brought up the previous topic. "You don't want Chen Chen and Shen Xin to interact?"

"No." Qiao Mianmian shook her head. "Chen Chen can interact with whoever he wants. As long as it's not someone who wants to hurt him, I have no objections. I'm just thinking... If they get together one day, will the Shen family agree?"

She thought that Qiao Chen's feelings for her would fade after Shen Xin transferred schools, but it seemed she was wrong.

Chapter 2423: There's a Way, but It Might Not Be Nice

Shen Xin coming to the hospital to see him meant that they were still in contact.

Qiao Mianmian didn't object.

She didn't like Shen Rou, but she wasn't biased against Shen Xin.

If Qiao Chen and Shen Xin got together, as his sister, she would only wish them well.

But with the current relationship between the Shen and Mo families...

Even if she didn't object, it wouldn't be easy for them to be together.

"You're worried that the Shen family will object? Or rather, the Mo family won't agree?"

"Mm." Qiao Mianmian couldn't help but worry. "With the current relationship between the Shen and Mo families, do you think the two families can agree to them being together? Especially the Shen family."

Shen Rou hated the Mo family and Mo Yesi.

Not only was Qiao Chen from the Mo family, but he was also her brother.

Shen Rou would never let Shen Xin and Qiao Chen be together.

Qiao Mianmian was afraid that Qiao Chen would get hurt in the future.

She knew her brother.

Once Qiao Chen really liked someone, he would be very "stubborn".

"Mm, this is indeed troublesome." Mo Yesi didn't deny it. "The Mo and Shen families won't agree."

"So..." Qiao Mianmian frowned. "I'm really afraid that Chen Chen will be hurt emotionally. If he falls for someone, he'll only recognize that person. If he doesn't have a good ending, he'll definitely be very upset."

"But you can't stop matters of the heart." Mo Yesi hit the nail on the head. "Moreover, I think he has already acknowledged Shen Xin. Baby, Chen Chen has already grown up and isn't a child anymore."

"You can't worry about him forever."

"I know, but I..."

She was still worried.

Even if she became an old woman and Qiao Chen became an old man, she would still worry about him.

"Sometimes, getting hurt is a form of growth." Mo Yesi smiled. He stopped in his tracks and turned around to look at her. "Then, what do you want to do now? Stop them from continuing to interact? Or tell Chen Chen that he can't like Shen Xin?"

"I never thought of it that way." Qiao Mianmian kept quiet for a while before sighing. "I don't want to be the villain who breaks up my brother's love. I just don't know what to do."

“Mo Yesi, do you have any ideas...”

“Mm? Baby, what do you mean?”

“If Chen Chen and Shen Xin really get together one day, do you have any way to smooth things over for them?”

There was no need to break them up.

Mo Yesi was speechless.

He never expected this request.

Did she take him for Elder Moon?

But since his precious little wife had spoken, Mo Yesi had to think of a way.

Who cared if her request was reasonable?

He had to find a way to satisfy her.

She was the one who asked for the stars.

Thus, he had to find a way to satisfy her.

He looked down and thought for a while.

There was a way.

But it might not be nice.

Moreover, it all depended on Shen Xin and Qiao Chen.

“There’s a way...” Mo Yesi said slowly.

“What did you think of?” Qiao Mianmian tugged at his sleeve. “Tell me, what’s your idea?”

Chapter 2424: Is the Shen Family Doing This on Purpose?

Mo Yesi smiled and whispered into her ear.

Qiao Mianmian widened her eyes and looked up at him in shock.

“Are you kidding me?”

Mo Yesi looked at her deeply. “It’s not a joke. Baby, I’m serious. This is the most useful method.”

“Of course, this is the only way. There’s no need to do this unless it’s necessary.

“I don’t think the process matters as long as the outcome is good.

“Didn’t you ask me for a solution? You just want to see them end up together.”

“Yes, but...”

“So.” Mo Yesi caressed her fair cheeks and caressed her delicate skin with his slender fingers. “I think it’s feasible. Think about Big Brother and Jiang Luoli. They’re similar.”

Qiao Mianmian didn’t say anything.

Alright.

She had to admit that Mo Yesi made sense.

And his method was indeed more effective.

She felt that it wasn’t appropriate because she felt that it would aggrieve the girl.

But if Shen Xin was willing, it didn’t seem to be a problem.

“Alright, I don’t think you have to worry about this now. Isn’t it too early?” The fingers on her cheek slowly slid to her ear and pinched her petite earlobe. “They’re still young. To them, studying is the most important.

“Even if we can really do it, we still have a few years.

“They have just been separated. Time is the best way to dilute feelings.

“So, it’s not certain if they can really get together. There’s no need for you to be so prepared.”

Qiao Mianmian felt that she was worrying too early.

Qiao Chen was only 18 now.

It was still four years away from the legal marriage age.

During these four years, he and Shen Xin were going to different universities.

Mo Yesi was right. Time was the best way to dilute feelings.

Most long-distance relationships didn’t end well.

She really didn’t have to worry too much.

“Alright, then I won’t think about this anymore.”

...

After Qiao Chen’s surgery, Qiao Mianmian got busy again.

The jewelry store under the Mo Corporation officially announced that their company’s jewelry spokesperson for the next season was Qiao Mianmian.

The netizens commented on the official Weibo post.

“Hahaha, the Mo Corporation’s spokesperson for the next season’s jewelry is Qiao Mianmian? Is this keeping the goodies from others? I want to know how much the endorsement fee Chairman Mo gave his fiancée is. Or is Qiao Mianmian endorsing the jewelry under her fiancé for free?”

“Wow. Mianmian is so beautiful. The Mo Corporation’s jewelry has always been simple and elegant. Mianmian’s temperament is quite suitable. I don’t think it’s a big deal to endorse the jewelry of her fiancé’s company. Of course, we should give good resources to our own people. Moreover, with Mianmian’s current popularity and status, she can afford to endorse it.”

“The jewelry store under the Shen family has just officially announced the spokesperson for the new season. It’s actually Little Xiao. I remember that Little Xiao and Qiao Mianmian have had a conflict before. Is the Shen family doing this on purpose? They posted it on Weibo at the same time, and they even found Little Xiao to be the spokesperson.”

Chapter 2425: Explosive Post

“What? The Shen Corporation has also officially announced a jewelry spokesperson? Let me take a look.”

Less than 10 minutes after the Mo Corporation posted the official Weibo post, the Shen Corporation also posted a Weibo post.

Shen Corporation’s Official Weibo: [Weiai will spend the rest of her life with you @LittleXiao]

Little Xiao reposted it.

Little Xiao: [Pleasant cooperation. I’m very honored to be the spokesperson for Weiai Jewelry.]

They didn’t know if it was intentional, but the Mo Corporation’s official Weibo released a photo of Qiao Mianmian. In the photo, Qiao Mianmian was wearing a long white dress with a fairy-like aura. Her long hair was slightly curled, and she was wearing a garland made of jewelry. Her long dress was also decorated with jewelry, and she was sparkling like a fairy from heaven.

Shen Corporation’s official Weibo also posted a picture of Little Xiao. In the picture, Little Xiao was wearing a black-feathered dress, with hair tied up, and she was wearing a crown made of black jewelry. A few black jewels were also at the corners of her eyes. With thick smoky makeup, she looked like an angel who had fallen into darkness.

Her makeup was a stark contrast to Qiao Mianmian’s.

One was a beautiful swan.

The other was a black swan symbolizing darkness and depravity.

Their styles were very unique and good-looking.

The netizens started discussing who looked better.

“I think Little Xiao’s style is really weird. Qiao Mianmian’s looks are good too, but compared to Little Xiao, she’s a little lacking.”

“I like Qiao Mianmian’s looks. She’s very beautiful. Isn’t Little Xiao’s smoky makeup a little too much? It’s like she’s been hit by someone. I feel it’s too forced and looks unnatural.”

“That’s right. She’s probably trying to act like the most beautiful queen in the world. But she’s a little too forceful and unnatural.”

“Other things aside, Little Xiao’s face is far inferior to Qiao Mianmian’s. I choose Qiao Mianmian.”

“Qiao Mianmian’s face is better, but I think Little Xiao’s style is more unique.”

“My focus is on them announcing almost at the same time, and it’s also about the jewelry endorsement. One endorsed for the Mo Corporation, and the other endorsed for the Shen Corporation. Everyone knows that the Shen and Mo corporations aren’t on good terms now. Little Xiao and Qiao Mianmian weren’t on good terms before. Why do I feel like the Shen Corporation is doing this on purpose?”

“I also feel that the Shen Corporation is deliberately competing with the Mo Corporation. But the Shen Corporation is far inferior. They actually chose to release the jewelry brand at about the same time as the Mo Corporation. Aren’t they afraid that their sales volume will be too low?”

“Moreover, Little Xiao’s popularity isn’t as good as Qiao Mianmian’s now. It’s definitely impossible for her to suppress Qiao Mianmian.”

“So, what’s the Shen Corporation thinking? Are they courting death?”

Just as the netizens were speculating about why the Shen Corporation was “courting death”, another Weibo post was released half an hour later.

It was an explosive post.

Shen Corporation’s Official Weibo: [Let me introduce our new designer, the honorable Mr. Henry Zhou.]

Henry Zhou didn’t have a Weibo account, so they couldn’t @ him.

But they posted a photo.

“Damn, the Shen Corporation actually invited Henry Zhou to be their designer?!!”

Chapter 2426: The Mysterious MR.S

“Is this true? Did I see it wrongly? The Shen Corporation invited Henry Zhou to be their designer? Didn’t Henry Zhou only design jewelry for the royal family and some international superstars that he admires? He doesn’t lack money, so not many people can hire him. How did the Shen Corporation hire him? I’m a little suspicious.”

“This post was posted by the Shen Corporation’s official Weibo account. I don’t think they’re lying. But it’s true that Henry Zhou can’t be hired with money. If the Shen Corporation really managed to hire him, then the Mo Corporation might not be able to sell more jewelry than the Shen Corporation this season. Just based on Henry Zhou’s fame, the Shen Corporation’s jewelry for this season will definitely be sold out. Young Lady Shen is really impressive. She just took over the Shen Corporation not long ago and already showed such good results. If the Mo Corporation’s jewelry sales this season can’t beat the Shen Corporation’s, then it’ll be a little awkward. After all, their spokesperson is Qiao Mianmian. Someone will definitely use this matter to ridicule her.”

“I also feel that it would be awkward if the Mo Corporation’s sales can’t beat the Shen Corporation’s. Why do I feel that Shen Rou found a way to invite Henry Zhou after knowing that Qiao Mianmian was going to be the spokesperson for the Mo Corporation? She’s deliberately making Qiao Mianmian feel embarrassed. Previously, Mo Yesi and Qiao Mianmian had been showing off their affection everywhere,

and several times in front of Shen Rou. She must have been resentful for a long time after being slapped in the face time and time again. I have to say, she really did hold back this time and then invited Henry Zhou. I think Qiao Mianmian will be slapped in the face this time.”

“Unless the Mo Corporation hired someone better than Henry Zhou, they won’t be able to beat the Shen Corporation this time.”

“Someone better than Henry Zhou? I thought of someone, but I don’t think the Mo Corporation can hire that person. That person is much harder to hire than Henry Zhou. At least others can find Henry Zhou if they want to, but that person has always been very mysterious. The media has yet to find out who he is.”

“The person mentioned above, could it be MR.S? He’s indeed better than Henry Zhou. In the global jewelry design competition back then, his total score exceeded Henry Zhou’s by more than 10 points, and he got first place with an absolute advantage. After that, Henry Zhou was interviewed. Everyone said that he was indeed very talented, and he lost convincingly. But that person is really mysterious. He only got someone to submit his work, but he didn’t show himself. Even the award was given to him by someone else.”

“So, the Mo Corporation will definitely lose to the Shen Corporation, unless they got MR.S. But this is obviously impossible.”

The netizens were in an uproar.

At first, they were discussing Henry Zhou.

Later, it became a discussion about the mysterious MR.S.

To the netizens, the latter made them more curious and easily aroused their gossip.

After all, although Henry Zhou was very powerful, he was still seen in television and magazines.

He also frequented international fashion shows.

He wasn’t a mysterious person.

But that MR.S was different.

He was a more talented and famous jewelry designer than Henry Zhou.

But no one knew his true identity.

Moreover, although he was very talented in jewelry design, they had never seen his works other than in competitions.

Chapter 2427: Pretty Big Deal

In other words, he wouldn’t design anything for anyone.

This wasn’t just someone they couldn’t hire, they couldn’t even find him.

Soon, the topic #Mysterious MR.S# was trending.

...

Qiao Mianmian was filming a jewelry commercial.

She had shot a few commercials previously and already had relevant experience, so the morning shoot progressed very quickly. Almost all the scenes were done in one shot.

After she finished the last scene in the morning, the director gave her an “OK” sign and praised her performance.

“Mianmian, you’re really good at taking photos. I thought it would take at least four hours to finish the morning shoot, but it ended an hour earlier.

The director gave her a thumbs up, and his eyes were full of admiration. “This is the first time an artiste passed all the scenes in one shot. I hope that after this cooperation ends, we can still work together in the future.”

Qiao Mianmian immediately smiled and accepted the offer. “Thank you for your praise, Director Zhang. I’m very honored to be able to work with such an outstanding director. I hope we can continue working together in the future.”

The director for this commercial was him. His name was Zhang Feng.

Zhang Feng was a rather famous advertisement director internationally. He was also a director of many luxury brands’ commercials. The advertisements produced by him were comparable to blockbusters. They were very high-end. Moreover, like Henry Zhou, he was an especially proud person. He wasn’t easy to hire.

He rarely filmed commercials for domestic artistes.

Usually, only international superstars could get him.

Previously, Qin Han had taken on an advertisement for a luxury brand watch. And Zhang Feng was the director.

Qin Han’s fans bragged about it for a long time.

Because he was the first domestic artiste that Zhang Feng worked with.

Hence, Qin Han’s fans had the right to boast about it.

This was indeed enviable.

And now, Mo Yesi had invited Zhang Feng to shoot an advertisement for Qiao Mianmian. Her treatment was considered unique among female artistes.

Not only that.

Mo Yesi was really generous this time.

Qiao Mianmian’s clothes and accessories were all expensive.

The lighting artist, the photographer, the makeup artist, the image designer, and everyone in the team were top figures in their fields.

Just this commercial alone cost hundreds of millions.

Zhang Feng was a very proud person. Qiao Mianmian didn't know how Mo Yesi managed to invite him this time, but since Zhang Feng offered her an olive branch, she definitely couldn't ask for more.

Not everyone had such an opportunity to gain his recognition.

Zhang Feng smiled and nodded. "Previously, Card C wanted to shoot the perfume advertisement for the season, but I haven't found a suitable person. If you're willing, I can recommend you. I just don't know..."

"Thank you, Director Zhang." Qiao Mianmian looked happy and immediately replied, "I've always had a good impression of Card C.. If Director Zhang can introduce me, that would be great. But will this trouble you?"

Chapter 2428: But She Actually Ended the Shooting Early?

Card C perfume advertisement?

Qiao Mianmian tried to steady her racing heart.

Card C was one of the top luxury brands.

Just like the rich and powerful families, although they were both rich and powerful, there was a huge difference between them.

Card C was like the richest families.

As far as Qiao Mianmian knew, the endorsers used by Card C were all international superstars.

Qiao Mianmian didn't expect to get a Card C endorsement.

Card C didn't work with domestic artistes. No matter how popular an artiste was, they couldn't get an endorsement from the Card C Asia branch.

Hence, Qiao Mianmian didn't have much hope of getting an endorsement from them.

But she was grateful that Zhang Feng recommended her.

"It's no trouble. It's just a matter of words. I'm only responsible for introducing you. As for whether they're willing to use you, that's not up to me. So, don't thank me too early."

"I still have to thank Director Zhang. No matter what, Director Zhang has helped me."

"Hahaha, we'll talk about it later. Alright, go on with your work. We'll continue in the afternoon."

...

After work, Qiao Mianmian changed and went out.

She was wrapped in a huge down jacket, a hat, and gloves. Besides her face, she was practically covered.

Mo Yesi had prepared the hat, ear mask, and gloves for her.

He was afraid that Qiao Mianmian would freeze and requested her to wear them all.

But one way or another, Qiao Mianmian didn't feel cold at all.

Linda handed her a cup of hot water. "Have some water."

"Mm." Qiao Mianmian took it and drank a few mouthfuls. She felt even warmer and more comfortable.

She stretched lazily.

She'd just posed so many times in the recording studio, and each position had to be fixed at a fixed time. Her back was aching.

"Why did you come out early?" Linda asked. "Is it break?"

"We're done with the morning shoot." Qiao Mianmian took two more sips of water to moisten her throat. "We can leave now."

"You finished filming in advance?!!"

"Mm."

"You're awesome." Linda gave Qiao Mianmian a thumbs up, expressing her admiration. "I heard that Zhang Feng is super difficult to deal with. Shooting an advertisement with him is tough.

"His commercials usually require many NGs. Sometimes, just one scene might take an entire morning."

In short, Zhang Feng had high expectations for himself and others.

So high that it was a little... perverted.

Many artistes wanted to work with him but were afraid.

They wanted to work with him because of his fame, but they were afraid of being tortured.

Hence, Linda thought that Qiao Mianmian could only shoot one or two scenes in the morning.

"I also thought that he'd NG many times." Qiao Mianmian's eyes curved. "I didn't expect my luck to be so good. I only NG-ed once, and the other scenes were all done in one shot. Sister Xie, everyone says that Director Zhang has very high expectations and is very strict with his artistes. I don't think so. I think Director Zhang is very easygoing. He's quite an easygoing person."

Linda was speechless.

Chapter 2429: Qiao Mianmian Is Really Lucky

Of course you don't!

All your scenes were done in one shot, what else could you think!

Linda felt that Qiao Mianmian was really lucky.

It was probably because she caught Zhang Feng's eye that the shoot went so smoothly.

Otherwise, given Zhang Feng's level of craziness, he could make her cry.

Zhang Feng didn't care if she was the daughter of the Bai family or the Young Madam of the Mo family.

Zhang Feng treated everyone equally.

"Mianmian, don't tell this to anyone else."

"Why?"

Linda looked at her. "What do you think? You'll make people jealous.

"You don't know, but even a superstar like Elena has been scolded by Zhang Feng before. You're probably the first person he worked with that the filming has gone so smoothly."

This wasn't a matter of strength alone, there was also some luck.

To put it bluntly, Zhang Feng liked her.

That was why she felt so relaxed and that he was so approachable.

If she knew that Zhang Feng had scolded so many female artistes, she probably wouldn't think so.

"Really?" Qiao Mianmian was a little shocked. "You mean that others didn't do well in his hands?"

"More or less." Linda pouted. "Otherwise, there wouldn't be so many people saying that he's perverted. You're the first person to say that he's approachable. If you say that, others will definitely think you're masochistic."

Qiao Mianmian was speechless.

"But I really think Director Zhang is a good person. He even said he wanted to recommend me to the C Card perfume advertisement."

Linda was speechless.

"Zhang Feng said he wants to introduce you to the C Card advertisement?!"

"Yes. He said that he hasn't found a suitable spokesperson for the perfume advertisement for the next season. If I'm interested, he can introduce me."

Linda was shocked. "Are you serious? He really said that?"

"That's right." Qiao Mianmian nodded. "But I don't have much hope. C Card doesn't collaborate with domestic artistes. There's no such precedent."

Even if C Card was looking for a partner in the country, they wouldn't choose her.

Qin Han, Shen Fei, and so many capable artistes were available. It wasn't her turn.

Linda was shocked again and grabbed her hand.

Qiao Mianmian was stunned. She looked over and saw Linda's excited eyes. "Sister Xie, what's wrong..."

Why did she look like she'd won the lottery?

“Mianmian, do you know what Zhang Feng’s referral represents?” Linda’s voice trembled.

Qiao Mianmian blinked. “I know. With his recommendation, there will be more opportunities.”

But she couldn’t be the spokesperson for C Card.

“What do you know?”

“...”

“It seems like you still don’t know about Zhang Feng’s relationship with the chairman of C Card?”

“What relationship?” Qiao Mianmian was curious.

Could it be that Zhang Feng had another identity?

Linda looked at her speechlessly.

“You actually don’t know that Zhang Feng is the brother-in-law of C Card’s Chairman? His sister is the wife of C Card’s Chairman, his biological sister. Hence, Zhang Feng’s recommendation is definitely not just for show. If he’s willing to introduce you, you have a huge chance.”

Chapter 2430: No One Is Going Against Money

“Almost all of the spokespeople that C Card used previously was decided by Zhang Feng. In other words, Zhang Feng has a huge say in choosing a spokesperson. If he thinks you’re good, you might really be able to get the perfume endorsement.”

Linda felt that Qiao Mianmian was really lucky.

She actually caught the eye of such a picky person.

He even offered to introduce her.

Not everyone had such luck.

Previously, many superstars had taken the initiative to approach C Card when they were choosing their spokesperson. Many competed to be the spokesperson.

C Card was a top luxury brand.

They had always chosen a popular superstar as their spokesperson.

Being able to get a C Card endorsement was a symbol of power and status in the industry.

C Card was famous for being arrogant and picky. They were willing to approach no more than three artistes.

And those artistes were much better than Qiao Mianmian in every aspect.

Qiao Mianmian was only popular domestically.

And she’d only just risen to the A-list rankings. Her status wasn’t stable enough.

Any spokesperson signed by C Card was an international superstar.

Qiao Mianmian couldn't compare, be it in terms of fame or status.

But since Zhang Feng said that, Qiao Mianmian had a chance.

C Card had never used a domestic artiste before, but that didn't mean they wouldn't.

Over the years, many branded products had begun to be endorsed by domestic artistes. This was related to the increasing willingness of the public to spend on luxury goods. According to the statistics of the past two years, the consumption of the citizens of Country A overseas during every Golden Week vacation was rather shocking. Just a few days of consumption could exceed the total consumption of their own citizens for half a year.

As a result, the luxury brands overseas had all trained their employees.

After all, money was king.

No matter how arrogant a brand was, they had to earn money.

No one would go against money.

If C Card wanted to open up the domestic market, they would definitely use domestic artistes in the future.

It'd be meaningful if Qiao Mianmian could become their first spokesperson.

"Mianmian, if you can get this endorsement, this will be very useful for you to expand the international market in the future," Linda said excitedly.

She'd thought that making Qiao Mianmian a top-tier artiste in the country would fulfill her goal.

But now, this goal seemed to have been easily achieved.

She hadn't even done anything, but Qiao Mianmian was already a top-tier actress.

Qiao Mianmian was definitely the fastest and easiest artiste she'd ever groomed.

She was just a manager.

Thinking of Qiao Mianmian's two huge backers, Linda was no longer satisfied with the current situation.

She wanted Qiao Mianmian to have a place in the international scene.

Moreover, she felt that as long as she had the support of the Mo and Bai families, this could be achieved.

Qiao Mianmian was good and capable.

What was impossible with enough resources?
