

Big Shot 2481

Chapter 2481: She Didn't Give Up

"Gosh, after reading your analysis, I really think Qiao Mianmian is scary."

"So, her marriage with Mo Yesi was stabilized by the Bai family recognizing her, the Shen family and Mo family fell out, the Su family went bankrupt, and Qiao Anxin left the industry. All of this was planned by her? Damn, Qiao Anxin and Shen Rou are really unlucky to have met such a scheming woman. Who can predict what she will do?"

Qiao Mianmian never thought that her marriage certificate with Mo Yesi would cause new trending topics.

Moreover, it was negative news.

Qiao Mianmian schemed step by step

Qiao Mianmian and Mo Yesi's Contract Marriage

The real-life version of Gong Doutian, Qiao Mianmian teaches you how to marry into a rich family

Qiao Anxin suspected of being framed, Qiao Mianmian cheated

A few fresh trending topics occupied the top ten list. Before the netizens could recover from the shock of Qiao Mianmian's marriage, they were bombarded by these new posts.

Oh my.

The trending topics today were too explosive.

It was really exciting and interesting to be able to eat so many melons in a day.

The netizens were very excited.

Qiao Mianmian looked at the new trending topics and her expression turned cold.

Anyone who wasn't a fool could tell that the trending topics were deliberately controlled.

Someone was targeting Qiao Mianmian.

And now, they were trying to frame her.

Not only that.

They seemed to want others to think that she wasn't really the daughter of the Bai family. Instead, she used tricks to cheat them and snatched her identity.

Most of the netizens seemed to believe it too.

They started scolding Qiao Mianmian again.

Her good reputation and popularity from the shows "The Meaning of Traveling" and "If You Can't Love" seemed to be diminishing rapidly.

The netizens could tolerate an actor who didn't have good acting skills or a bad temper.

Even if they didn't like her, they wouldn't criticize her too much.

But if it was a matter of morals, it wasn't easy to forgive.

Even though no one could prove that Qiao Mianmian cheated on Su Ze, about the story behind her marriage, and that she cheated her of her identity as the daughter of the Bai family, many netizens were already scolding her.

Qiao Mianmian looked at the scolding on Weibo and felt as if she had returned to the days when she was often defamed.

Her cell phone suddenly rang.

Seeing that it was Linda, Qiao Mianmian picked it up. Linda said angrily, "Mianmian, have you seen the new trending topics? Who's behind this? They actually said that you broke up with Su Ze because you cheated on him first. They even said that you..."

"Sister Xie, I saw it all." Qiao Mianmian interrupted her.

"You saw it all?" Linda paused for a few seconds before saying through gritted teeth, "All your trending topics today were controlled by the person behind the scenes. I thought that since you and Chairman Mo revealed your marriage certificate, this matter would end here. I didn't expect them to still not give up.

"They're trying to ruin you!"

Chapter 2482: Shen Rou Is Evil

"Who exactly is it that has such deep malice towards you? Don't they know your background now? They actually dare to target you like this. Mianmian, can you guess who is behind this? Our public relations department is already investigating, but we haven't found the person behind it yet."

Qiao Mianmian had already guessed who the mastermind was.

If she wasn't sure at first, she confirmed it now when the new trending topics came out.

Qiao Mianmian read the latest post.

The person who exposed it did know a lot.

For example, why she first got together with Mo Yesi.

Also, about Madam Mo not liking her and liking Shen Rou.

Some things were unknown to most people.

But the person who exposed it knew a lot about her and Mo Yesi.

It was obvious.

The person who exposed it did know them.

Not only did they know them, but they were also very familiar with them.

At least, that person was very familiar with Mo Yesi.

Mo Yesi didn't have many true friends.

Among his few friends, only one of them was hostile towards her.

Initially, Qiao Mianmian thought that Qiao Anxin was the one who framed her.

But after reading the post twice, she felt that it couldn't be her.

If it was Qiao Anxin, the post wouldn't have mentioned that Madam Mo liked Shen Rou and that the Mo and Shen families were thinking of a marriage alliance.

This information was said in a way to make people think that the person who should have married into the Mo family was Shen Rou and not Qiao Mianmian.

To make people think that she was the one who schemed and messed up a good marriage, that she was a bad woman who would do anything to marry into a rich family, that she was the one who stole Shen Rou's happiness.

This post was intended to lead the way.

Qiao Anxin would never do this.

Hence, after eliminating one of the two most likely suspects, only one remained.

Besides Shen Rou, Qiao Mianmian couldn't think of anyone else.

"Sister Xie, if I'm not wrong, it should be Shen Rou," Qiao Mianmian said.

"Shen Rou?" Linda raised her voice. After a few seconds of silence, she gritted her teeth and said, "It's very likely her. No one in the industry should dare to offend you, but she's not from the entertainment industry. She's not afraid of being found out."

"Moreover, she has liked Chairman Mo for so many years and has long wanted to marry him. She must feel that you snatched him away and hates you. That's why she hired the Internet Water Army to spread rumors that you and Chairman Mo aren't on good terms, making people think that you and Chairman Mo will definitely break up.

"She definitely didn't expect you to post your marriage certificate. In her anger, she actually became even crazier. Now, she's even framing you for cheating on her and saying that you ruined her relationship with Chairman Mo.

"The netizens are really brainless. They actually believe her nonsense. Now, all of them are denouncing you on Weibo. I just looked around on Weibo and was almost angered to death. How can a rich young lady like her be so shameless? I feel that she's even more disgusting than Qiao Anxin."

Shen Rou was evil.

Chapter 2483: Another Post

In the eyes of outsiders, she was the elegant and gentle daughter of the Shen family. She was almost perfect.

No one would believe that Young Lady Shen would do such a despicable thing.

Even if she was exposed, they would say that she was framed.

She was definitely innocent.

Such a person was the worst.

Qiao Mianmian was really angered at this moment.

She was furious.

But after receiving Linda's call, she slowly calmed down.

She knew what kind of person Shen Rou was.

She never thought of challenging her.

But now, since Shen Rou wasn't willing to let her off, Qiao Mianmian wasn't afraid of trouble anymore.

Just because she didn't take the initiative to pick a fight didn't mean that she had to continue tolerating others.

"Damn, is this Shen Rou never going to stop? Damn it, I'm so angry. I really want to beat her up personally. I want to beat her up until her parents don't recognize her!" Linda suddenly scolded angrily.

"Sister Xie, what's wrong?" Qiao Mianmian asked.

Linda took a few deep breaths to suppress her anger. "The person who claimed to know you and Chairman Mo made another post. Do you know what they said? They said that not only did you seduce Chairman Mo, but you also seduced Gong Zeli after marrying him.

"They said that Gong Zeli has always liked Shen Rou. Because of what happened between you and Chairman Mo, Shen Rou was very upset, so Gong Zeli was very hostile towards you. You couldn't stand how Gong Zeli protected Shen Rou and wanted to drive her away from their little group, so you seduced him.

"Because you're really powerful, Shen Rou can't beat you at all. Gong Zeli was bewitched by you and slowly distanced himself from Shen Rou. You even made Gong Zeli cut ties with Shen Rou and never interact with her again.

"Gong Zeli was so charmed by you that he agreed to it. Later, Mo Yesi found out about you two being together, so he and Gong Zeli suddenly fell out.

"The person who exposed it said that you're a disaster. Just because of you, the few people they were closest to now are strangers.

"You're right. Shen Rou must be behind this. She wants to ruin your reputation and make you despised by everyone. She also wants you to be unable to continue in the entertainment industry. Things are very disadvantageous to you now. If the netizens believe her, things will become very bad."

After all, no one was going to verify the truth.

Rumors were always easily believed.

Moreover, many netizens felt that this news was credible.

For example, the scandals between Qiao Mianmian and Gong Zeli.

Although they had already refuted the rumors and said that it wasn't true, some people felt otherwise.

At that time, Qiao Mianmian and Gong Zeli were really intimate.

Another example.

It was no secret that the Young Master of the Gong family had always liked Young Lady Shen.

But later on, they did drift apart.

Then, when the Shen family was in trouble, not only did the Mo family not help, but the Gong family did not help either.

Chapter 2484: If We Wait Anymore, Public Opinion Will Be Hard to Suppress

Based on Gong Zeli's feelings for Shen Rou, he couldn't possibly refuse to help her.

Unless he had a change of heart and liked someone else.

That person didn't allow him to help the Shen family.

Another example.

Mo Yesi and Gong Zeli's conflict was because of a woman.

Later, it was refuted.

But now that they thought about it, perhaps the rumors were true.

Gong Zeli and Mo Yesi had been buddies for so many years, but they suddenly fell out.

What unforgivable thing had happened for them to end up like this?

It made sense if it was because Qiao Mianmian and Gong Zeli had an affair.

No man could tolerate being made a cuckold.

And by his best friend, no less.

Everything that the person revealed was very reasonable and didn't seem to be made up.

The netizens analyzed it and believed in their own judgment, believing that the information revealed was the truth.

At once, Qiao Mianmian became the target of public criticism.

The insults being hurled at her were getting more and more vicious.

Linda turned pale from anger.

She couldn't imagine how angry Qiao Mianmian would be if she saw it.

"Mianmian, we can't let Shen Rou's Internet Water Army defame you like this. I'll talk to the public relations department immediately and get them to remove the trending topics. Shen Rou hired the Internet Water Army to defame you, so we have to hire the Internet Water Army to control the comments."

Unlike Linda's anger, Qiao Mianmian was surprisingly calm.

"Sister Xie," she called out to her softly. After a few seconds of silence, she said, "Don't worry about this. I'll handle it myself."

"You'll handle it yourself?" Linda was stunned.

"Mm, I can handle it myself. I don't think there's a need to rush. Let's wait and see."

"You still want to wait?" Linda was puzzled. "Many netizens believe what the whistle-blower said. Things now are disadvantageous to you. Get someone to delete the trending topics immediately and block the whistle-blower's account. We must suppress this as soon as possible."

"If we wait any longer, it won't be easy to suppress the public opinion."

"We'll see." Qiao Mianmian narrowed her eyes. "I want to see what else that person has. I'll wait for her to expose everything she has."

Linda said, "But..."

"Sister Xie, trust me. I can definitely settle this. I'm not a fool. I won't let others defame me without doing anything."

Linda was silent for a while.

"Sigh, alright. Then, we'll do as you say and wait a while more. But are you sure you can settle this? You really don't need the company's help?"

"I'm sure. Sister Xie, have you forgotten? I'm not alone. Don't you always say that I have powerful backers? Even if I don't handle it well, you should believe that the Bai and Mo families can handle this well."

Qiao Mianmian paused for a while before saying, "I just feel that since we're going to settle it, it's best to settle it once and for all. Otherwise, if another whistle-blower appears in a few days, wouldn't it be endless?"

Chapter 2485: Untitled

"Alright, let's do as you say. My cell phone is on 24/7. You can call me anytime if you need anything. I'll hang up, then. I have a meeting later."

"Alright."

After ending the call, Qiao Mianmian checked Weibo again.

Now, because of the new post by the informant, Qiao Mianmian wasn't only labeled as a third party, but she also became a villain who seduced other men. Her actions were extremely improper, sowing discord among others, and even caused her husband's good buddy to turn against him.

She caused public anger.

Qiao Mianmian Get Out of the Entertainment Industry

Qiao Mianmian's malignant tumor

Shocking news! Qiao Mianmian cheated on her husband with Gong Zeli!

There were a few trending posts about her.

Coupled with the previous trending topics, she basically occupied the top 10.

Anyone on Weibo could see that Qiao Mianmian's name was all over the list.

And elsewhere...

As soon as it was refreshed, dozens of new posts insulting Qiao Mianmian would pop up. Moreover, the insults were so vicious that the netizens would shout and hit her as if she was their father's enemy.

"How could there be such a disgusting woman like Qiao Mianmian? Can she die? I don't want to see her anymore. It hurts my eyes!"

"I didn't expect such a pure-looking girl to be so scheming and scary. If her mother transmigrated to a dynasty's harem to be a concubine, probably no one can beat her. She's definitely the kind of person who can live to the end."

"Qiao Mianmian and Gong Zeli? Oh my God, they really have something going on. No wonder there were always scandals about them. I remember Gong Zeli even came out to refute the rumors, saying that the reporters were making things up and suing them. If Qiao Mianmian really had an ambiguous relationship with Gong Zeli after marrying, then she's too disgusting. A rabbit doesn't eat the grass by its nest. She could seduce anyone, but she seduced Gong Zeli. Gong Zeli and Mo Yesi have known each other for many years."

"Today's melon is too damaging. I had a good impression of Qiao Mianmian after watching 'The Meaning of Traveling'. The television drama she starred in was also pretty good. I was already her fan, but I didn't expect her to be such a person. Pfft, pfft, don't be her fan anymore. So what if she's good-looking? So what if she acts well? Even her basic character is problematic. Such an artiste isn't fit to stay in the entertainment industry. I suggest banning her!"

"Let me ask, how many times has Bitch Qiao died?"

"Everyone has a responsibility to boycott Bitch Qiao! The entertainment industry can't tolerate such a malignant tumor. Bitch Qiao, get out of the entertainment industry immediately!"

"I feel that Shen Rou is so pitiful after seeing what happened today. The man she likes was snatched away by Qiao Mianmian, and the man who likes her was also snatched away by Qiao Mianmian. Now, these two men are even fighting because of her. Damn, what's going on? How can there be such a

scheming and vicious woman? She looks so peaceful on Weibo every day, but she's so vicious deep down. How can there be such a bad woman? Mo Yesi and Gong Zeli are both graduates of top-notch overseas universities. Their IQ is pretty good, too. Why are they being led by the nose by a woman?"

"Who knows where Bitch Qiao is now? I want to kill her."

Chapter 2486: Untitled

"Who knows where Bitch Qiao is now? I want to kill her."

"Bitch Qiao will die a horrible death."

"Boycott Bitch Qiao, get out of the entertainment industry."

Qiao Mianmian's expression remained calm as she scrolled through Weibo.

The two posts that the whistle-blower posted had been reposted hundreds of thousands of times.

Qiao Mianmian's popularity was at its peak. When "If You Can't Love" reached its finale, the viewership ratings were shocking.

As the female lead, Qiao Mianmian was naturally very popular.

Hence, after the negative news about her was exposed and someone deliberately manipulated it, its popularity quickly rose.

It could be said that Qiao Mianmian took over all of Weibo today.

The informant said that there would be new news later and that the people who wanted to see it would pay attention to him.

In just two hours, he had over a million followers.

The fans were urging him to quickly release the news, saying that they couldn't wait anymore.

"Stop looking."

A hand covered her cell phone screen, and the next second, her cell phone was taken away.

Qiao Mianmian looked up and blinked. "Aren't you handling some documents? Why are you here again?"

"I was outside and heard you talking on the phone." Mo Yesi sat down beside her and patted her head. "I came in to see if anything happened. Who called you?"

"Sister Xie."

Qiao Mianmian wasn't sleepy at all. She had to go to the recording studio to shoot an advertisement, so she didn't have time to sleep.

She lifted the blanket and was about to get up.

Mo Yesi took her coat from the rack and helped her wear it. "Your manager called you? What did she say to you? Is it because of the trending topic?"

“Mm.” Qiao Mianmian put on her clothes. Mo Yesi sat in front of her, his slender fingers pinching the buttons of her down jacket and buttoning it up for her.

Then, he zipped it up for her.

Qiao Mianmian looked down and saw that after the man zipped her up, he took a scarf and tied it around her tightly.

He didn't look impatient or unwilling at all.

It seemed to have become his daily habit.

He had been served since he was young, but now he was serving her like this.

It seemed like when she was with Mo Yesi, she became a useless person.

She was afraid that her life skills would deteriorate if she stayed with this man for too long.

Just as she thought of this, her body suddenly felt lighter. Mo Yesi picked her up from the bed and carried her out.

“Mo Yesi, put me down. I can walk on my own.” Qiao Mianmian wrapped her arms around his neck and looked up at his handsome face, wriggling in his arms as if she wanted to get off.

“Don't move.” Mo Yesi patted her back lightly, not intending to put her down. “Secretary Li sent some desserts in just now, you'll definitely like them. Eat them first, I'll send you to the recording studio later.”

Qiao Mianmian's favorite cakes and milk tea were on the coffee table.

There were also some fresh fruits that she liked...

Chapter 2487: Can You Promise Me Something?

Mo Yesi carried her to the coffee table and gently placed her on the soft sofa. Then, he bent down and rubbed her head again. “Eat these first, don't think about those annoying things. Don't worry. No matter what happens, I'll settle it for you.

“With me around, no one can hurt you.”

Qiao Mianmian trusted Mo Yesi's abilities.

This wasn't the first time she'd been defamed.

Hence, she wasn't flustered at all.

She knew that this matter would be resolved eventually.

And this time, she intended to settle it personally.

With that, Mo Yesi picked up a cup of milk tea from the coffee table, inserted the straw, and handed it to her. “Don't you like milk tea the most? I got Secretary Li to get you a big cup.”

Mo Yesi usually didn't allow her to drink milk tea.

He felt that it wasn't good for her health.

He must have seen that she was in a bad mood today. Thus, not only did he take the initiative to buy it for her, but he even bought a huge cup.

The milk tea was still steaming in Qiao Mianmian's hands.

This was from her favorite milk tea shop, and Mo Yesi had ordered it for her.

She took a big gulp. The smoothness and sweetness in her mouth made her happy.

This moment was so satisfying...

"Does it taste good?" Mo Yesi smiled when he saw her happy eyes.

It seemed so easy to make her happy.

A cup of milk tea and some dessert could make her so happy.

"Mm, it's good." Qiao Mianmian smiled. "How did you know I like this milk tea?"

Mo Yesi smiled and rubbed her head. He slowly sat down beside her and put his arm around her shoulders. "I know all your hobbies."

"Is that so?" Qiao Mianmian took another sip of milk tea.

It had to be said that desserts could make one happy.

She felt much better.

She felt like she was cured by a cup of milk tea.

"Of course, there's no need to doubt it." He knew more about her preferences than she did.

"This milk tea is really good. Do you want some?" Qiao Mianmian took another sip and brought the straw to his mouth, blinking and looking at him expectantly.

Mo Yesi was speechless.

He didn't like desserts.

He also didn't like milk tea.

But...

He couldn't bring himself to reject her.

Sigh, forget it. Just a sip.

He wouldn't die if he took a sip.

He took a sip of milk tea.

The moment the milk tea entered his mouth, he frowned.

How could so many people like this sweet instant drink?

Mo Yesi swallowed the milk tea with difficulty.

Just as Qiao Mianmian was about to persuade him to take another sip, he rejected her firmly. “Baby, I’m not drinking anymore. Drink it slowly.”

Qiao Mianmian saw his reaction and didn’t ask if it was good.

It was indeed impossible to have the same taste.

She didn’t force Mo Yesi to drink anymore.

“Mo Yesi, can you promise me something?” Qiao Mianmian suddenly thought of something after drinking half the cup of milk tea.

Chapter 2488: She Believed That Mo Yesi Must Have Gussed It Too

“Mo Yesi, can you promise me something?” Qiao Mianmian suddenly thought of something after drinking half the cup of milk tea.

“Alright, I promise.” Mo Yesi agreed.

Qiao Mianmian said, “You don’t even know what I’m going to say, and you’re already agreeing?”

Hearing a chuckle, she looked up and met a pair of dark eyes.

Mo Yesi’s voice was extremely gentle. “I’ll agree to it no matter what request you make.”

Qiao Mianmian’s heart raced.

She pressed her chest and waited for her heartbeat to return to normal before saying, “Are you going to get someone to delete all the trending topics?”

“Of course,” Mo Yesi replied without hesitation.

“Don’t. Also, don’t block the whistle-blower’s account.”

“What?” Mo Yesi frowned. “Why?”

“I want to see what else the whistle-blower is going to expose.” Qiao Mianmian bit her straw and narrowed her eyes. “I’ll deal with him later.”

“Baby, are you sure? Can you tolerate him defaming you on Weibo? Do you know how bad things are for you?”

“Mm, I’m sure. Mo Yesi, don’t worry. I’m not a saint. If others treat me like this, how can I let them off?” Qiao Mianmian’s voice was soft, but her eyes were cold. “I want to see if I can settle this by myself. But there’s something I need your help with.”

Mo Yesi kept quiet for a while. “What is it?”

“If we find out who the mastermind is, can you help me deal with that person?”

Qiao Mianmian had already guessed who it was.

It was much better to let him deal with Shen Rou himself.

“Alright.” Mo Yesi agreed without hesitation.

“What if that person is someone you know?” Qiao Mianmian asked.

“No matter who it is.” Mo Yesi seemed to have thought of something as his eyes turned cold. “As long as they hurt you, they’ll have to pay the price.”

...

As Qiao Mianmian told Linda and Mo Yesi not to bother about her being defamed, the latest trending topics were still on the trending list.

After a few hours, the situation worsened.

Many voices were denouncing her on Weibo.

The netizens didn’t vent their anger enough by scolding her on the trending topics. They flooded her Weibo and started scolding her in her latest post’s comment section.

Qiao Mianmian received hundreds of thousands of scolding comments.

The netizens were asking her to give an explanation.

Even Huan Yu’s official account was attacked by the netizens.

“Your artiste is so shameless and has no moral bottom line. Aren’t you going to terminate your contract with her?”

“Just because of Qiao Mianmian’s identity, Huan Yu doesn’t intend to punish her at all. If you don’t punish such a scheming person, then everyone will collectively boycott Huan Yu. Although my brother is also an artiste of Huan Yu, I don’t have to worry so much in front of the big picture.”

“You have to terminate the contract with Qiao Mianmian immediately! Also, don’t let her be a coward. She owes all of us an explanation. Don’t think that this matter will pass just by pretending to be dead!”

Chapter 2489: Green Tea

“Get Qiao Mianmian out here and let her give us an explanation!”

“Qiao Mianmian, come out!”

“Qiao Mianmian...”

Most of them were women.

And many of them were Gong Zeli’s fans.

Some of them were Mo Yesi’s fans.

Although the netizens couldn’t get them, and they could only fantasize about them in real life, they didn’t want others to get them either.

Although many blessed Qiao Mianmian and Mo Yesi, many were also jealous.

But back then, Qiao Mianmian didn’t have any scandals.

Moreover, many people were afraid of Mo Yesi's power. So, even if they were unhappy, they wouldn't say anything extreme on Weibo.

But this time was different.

This time, Qiao Mianmian was being beaten up by everyone.

Many people who were unhappy with her finally found a chance to vent.

Qiao Mianmian was such a shameless woman.

Mo Yesi was such a perfect man. It was bad enough that she managed to get him through scheming, but she was still unsatisfied and wanted to seduce Gong Zeli.

How many women in Yuncheng City wanted to marry Young Master Gong?

The top five most eligible bachelors in Yuncheng City were Mo Yesi, Mo Shixiu, Gong Zeli, Bai Yusheng, and Lu Rao. She was the only one who grabbed two of the top five.

As for the remaining three, Mo Shixiu had become her brother-in-law, and Bai Yusheng was her biological brother. As for Lu Rao, they heard that he wasn't single anymore.

Otherwise...

This shameless woman would probably seduce him too.

After all, she had no morals.

Besides the rich and handsome men in the upper-class circle, many outstanding men in the entertainment industry had scandals with her.

Tu Yilei, who used to be a top-tier celebrity, had ruined his future for her.

Qin Han also spoke up for her on Weibo.

Although Qin Han was good-tempered and easy to get along with, he wasn't so nice to others.

He didn't have much interaction with Qiao Mianmian in the past and had only worked with her in "If You Can't Love" before. But he was willing to help Qiao Mianmian like that. It was obvious how scheming she was and how good she was at pleasing men.

And Zhan Bo.

They'd only been on a variety show once, and they were already on good terms.

On that Weibo Awards night, Zhan Bo even took off his jacket for her. They even walked the red carpet together.

It seemed like every man Qiao Mianmian interacted with ended up getting rather intimate with her.

Wasn't such a woman a super slut in real life?

Men liked it. Women found it disgusting.

Moreover, some newly registered accounts came out to expose that they had been on the set previously and saw Qiao Mianmian hook up with him.

These people were all very detailed. Many people in the comment section claimed to know the inside story and said that they were telling the truth.

For example: "A friend of mine was in the crew of "If You Can't Love". He said that Qiao Mianmian was famous for being a green tea b*tch and hooked up with Qin Han many times in the dark. But he's a very self-disciplined artiste and didn't pay much attention to her."

Another example: "I have a friend who's a photographer. Do you know what he saw one other night? He actually saw Qiao Mianmian hand Qin Han her room card, but he didn't accept it."

Chapter 2490: Qiao Mianmian, How Could She!

These people claimed that they had a friend on set who saw how Qiao Mianmian seduced Qin Han.

Best Actor Qin had seen all sorts of things, so he wasn't fooled by her.

Someone asked: "Since she didn't succeed in seducing Qin Han, why did he speak up for her again and again?"

Someone replied: "Of course it's because Qiao Mianmian has a powerful background. Bai Yusheng is her biological brother, and Mo Yesi is her fiancé. Would Qin Han dare to offend her? Although Qin Han is very powerful in the entertainment industry and he received a Best Actor Award, he's nothing compared to someone with power and influence. What if Qiao Mianmian gets revenge if he refuses to help her?"

Many people believed this person.

Yes, Qin Han must have been forced.

He had never spoken up for a female artiste on Weibo before.

Why should he help Qiao Mianmian?

And he helped her again and again.

Moreover, Qiao Mianmian's reputation wasn't good.

Qin Han knew that many netizens, including his fans, didn't like Qiao Mianmian.

Under normal circumstances, he wouldn't speak up for her.

Besides being forced by power, what else could it be for?

Because of this new revelation, Qiao Mianmian was scolded even worse.

Qin Han was the Movie King. He was good-looking, had good acting skills, and had a good character.

Not only was he the most capable in the industry, but he was also the most popular. He had countless fans.

Previously, Qin Han's fans didn't really like Qiao Mianmian.

But because Qin Han admired Qiao Mianmian and had a good relationship with her, the fans forced themselves to accept her.

Now...

With this news, Qiao Mianmian not only seduced Qin Han during filming but also gave him a room card. She even forced him to put in a good word for her on Weibo.

How could the fans tolerate it?

The brother they idolized was actually being wronged by this shameless woman.

Qiao Mianmian, how could she!

Offending Qin Han's fans had serious consequences.

The fans started to denounce Qiao Mianmian and asked her to apologize to Qin Han.

In an instant, Weibo was unprecedentedly active. The traffic exploded, and the entire Weibo was paralyzed for at least 10 minutes.

The Weibo programmers didn't expect this day to be so lively.

The top 10 trending topics for the whole day were occupied by a female artiste.

This had never happened before.

...

Mo Yesi sent Qiao Mianmian to the filming location. Linda and Nana were already waiting at the door.

After Qiao Mianmian got out of the car, they immediately went forward.

Linda and Nana greeted Mo Yesi respectfully. "Chairman Mo."

Although Mo Yesi wasn't their boss, when they saw Mo Yesi, they couldn't help but respect him. They were even more nervous than when they were in front of their boss.

Mo Yesi had the aura of someone in power for a long time, and his aura was much stronger than the president of Huan Yu.

Huan Yu's president couldn't be compared to Mo Yesi.

They weren't in the same league.
