Chapter 2491: You Have to Take Good Care of Me

Linda could talk to Huan Yu's president like friends.

But in front of Mo Yesi, she couldn't let go. The fear and nervousness in her heart came from her bones.

It was as if people were born to fear God.

Mo Yesi nodded as a form of greeting.

"Take good care of her," he said in a low voice. "I've handed her to you. You have to take good care of her for me."

"Chairman Mo, don't worry." Linda lowered her head. "We'll take good care of Mianmian."

"That's good." Mo Yesi didn't speak to them anymore. He reached out to Qiao Mianmian, gesturing for her to approach him.

"Is there anything else?"

Before the door closed, Qiao Mianmian walked over and got into the car.

Mo Yesi wrapped his arm around her waist and tightened his grip. Qiao Mianmian had no choice but to lean closer to him.

The moment she lowered her head, he kissed her.

"I'll pick you up when you're done. Call me if there's anything. Remember, don't push yourself. If it's something that you can't solve, let me help you, alright?"

Qiao Mianmian blushed a little at the thought of Linda and Nana watching at the side.

Mo Yesi pinched her cheeks. "Alright, I'll get going then."

...

After Mo Yesi left, Qiao Mianmian turned around and met two pairs of mischievous eyes.

Nana's eyes were bright and she looked a little excited. "Wow, Mianmian, you and Chairman Mo have a good relationship. Chairman Mo looks so pure and innocent, but he's really passionate in front of you."

Qiao Mianmian was speechless.

"Chairman Mo and Mianmian have always had a good relationship." Linda nodded and smiled. "You two are the most enviable couple in the entertainment industry now."

"That's right. I'm so envious. Chairman Mo is so handsome, rich, and capable. His figure is especially good, especially his waist..." At this point, Nana lowered her voice and smiled a little wretchedly.

"Waist?" Qiao Mianmian asked before she could react. "What's wrong with his waist?"

"Ahem..." Nana blinked. "His waist... is very good. Mianmian, do you feel especially blissful with Chairman Mo's waist?"

Qiao Mianmian was stunned for a few seconds before suddenly realizing what Nana was looking at.

Qiao Mianmian was speechless.

She was wondering why Nana suddenly became so greasy. That wretched expression...

What was this girl thinking about all day?

“Alright, stop teasing Mianmian.” Linda poked Nana’s head. “This is a private matter between husband and wife. If you ask, can Mianmian tell you? If you’re really envious, can’t you just find a boyfriend with a good waist?”

Nana pouted. “If we’re looking for someone like Chairman Mo, I think we’d better wait for the next lifetime. Anyway, there’s no hope in this lifetime. But I feel so proud that a hunk like Chairman Mo can be taken down by someone I know!”

Linda was amused. “What has it got to do with you? What face do you have?”

“Since Mianmian has Chairman Mo and I’m her assistant, doesn’t that mean I know Chairman Mo too? It’s a very prestigious thing to be able to get to know someone like Chairman Mo!”

Chapter 2492: I Won’t Let Her Have Her Wish

“Mianmian, have you seen the latest trending news?” Linda frowned as they entered the elevator.

Although Qiao Mianmian said that she wasn’t in a hurry to settle this matter, she also said that she would definitely settle this.

But her artiste was now being slandered all over the internet. How could she not be anxious?

She was afraid that if the public opinion continued to spread, it would be difficult to clean up the mess.

After all, even if they could find a way to clarify the rumors, many people chose to believe them first.

They might not believe it.

That would be disadvantageous to Qiao Mianmian.

She was a rising star.

The negative news would definitely have a huge impact on her.

Previously, many top-tier advertising brands had approached Qiao Mianmian and wanted to work with her. If they saw these scandals, they might choose to stop working with her...

There were also some television dramas and movie invitations.

They were all very good resources.

Qiao Mianmian could randomly choose one. As long as she did well, the box office would be very good.

Linda frowned even harder as she thought about this. She looked at Qiao Mianmian “Mianmian, new informants have fabricated stories about your previous scandals. The current situation is really disadvantageous for you.”

“Those people even... dragged Prince Gong into it.” Linda glanced at Qiao Mianmian’s expression and saw that she didn’t have much of a reaction. She pursed her lips and continued, “They said that you and Prince Gong have an ambiguous relationship. In order to isolate Shen Rou, you even made Chairman Mo’s friends alienate her.

“Not only that, even Qin Han and Zhan Bo are involved. Mianmian, are you really not going to do anything? Are you going to let them continue to defame you? I don’t know what you’re waiting for and how long you have to wait. But if this drags on, even if Chairman Mo deals with it for you, I’m afraid...”

The dirt was already spreading.

Many people believed it too.

It wouldn’t be of much use if she took too long to clarify.

“Sister Xie, are you afraid that no one will believe me even if I deny it?” Qiao Mianmian turned around and interrupted her with a smile.

Linda nodded. “Yes.”

“I’ve actually thought of all your considerations.” Qiao Mianmian was silent for a while before saying, “I just don’t want such things to happen again in the future. I hope that not only can I resolve this matter, but I can also resolve all future troubles.

“I’ve taken note of what you said. Don’t worry, it won’t take long. I’ll settle this today.

“I know what she’s up to. I’m not a fool, I won’t let her have her way.”

“That’s good.” Linda felt a little more at ease. “I mean, it’s best to settle today and not drag it out until the next day. Some things can’t be resolved overnight.

“Since you have your own considerations, I won’t nag anymore. Do as you deem fit.”

Qiao Mianmian nodded and took out her cell phone.

She logged into Weibo.

Linda glanced at her cell phone screen and immediately asked, “Mianmian, what are you going to do? Make a post?”

Chapter 2493: It Was Destined From the Start

“Mm,” Qiao Mianmian answered.

She hadn’t intended to post it now.

She planned to post all the evidence on Weibo to refute the rumors.

But seeing how worried Linda was, she wanted to comfort her first.

“You’re posting it now? What are you planning to post? Didn’t you say...”

“I haven’t gathered enough evidence yet. I’m not trying to clarify the rumors. I’m just informing the netizens.”

As Qiao Mianmian spoke, she posted on Weibo.

Qiao Mianmian V: [I'm sorry for causing so much trouble today. All the negative news are rumors. I'll provide concrete evidence later. As for the person who spread the rumors, I'll sue them. Don't even think of escaping.]

After posting, Qiao Mianmian didn't look at the netizens' reactions and directly exited Weibo.

Linda was smart.

She quickly understood that Qiao Mianmian was doing this to reassure her.

Her heart warmed.

Given Qiao Mianmian's current status, she actually couldn't say anything to her.

She was Qiao Mianmian's manager, but she couldn't manage Qiao Mianmian the way she managed other artistes.

As the Madam of the Mo Corporation, even Huan Yu's president had to curry favor with her.

Hence, Qiao Mianmian didn't have to care about her feelings.

But she still took it into consideration.

Even though she was the daughter of the Bai family and the Madam of the Mo Corporation, she still treated her with respect.

She gave her enough face.

Thinking about Qiao Anxin...

She was just Su Ze's girlfriend, but she still ordered her around.

She didn't take her manager seriously at all.

Qiao Mianmian was way better than Qiao Anxin.

No wonder Qiao Anxin had to spend so much effort to get Su Ze.

And Qiao Mianmian easily won over such a good man.

The two sisters were on completely different levels.

Even if Qiao Mianmian wasn't the daughter of the Bai family, Qiao Anxin was far inferior to her.

It was obvious that everyone's fate was destined from the start.

It was because of Qiao Anxin that Qiao Mianmian got to know Mo Yesi.

Otherwise, she might have already married Su Ze.

And how could Su Ze compare to Mo Yesi? Even a hundred Su Zes couldn't beat one Mo Yesi.

Moreover, Qiao Mianmian was actually the daughter of a rich family.

In terms of family background, the Su family was far inferior to the Bai family.

Thankfully, God was wise to let everything return to its rightful place.

He had already punished those who deserved it.

...

At the Shen Corporation.

Shen Rou was sitting in her office with the Weibo page displayed on her computer screen.

She browsed through the posts insulting Qiao Mianmian and even liked her own account.

“Qiao Mianmian is a green tea b*tch and a fake daughter. Who does she think she is? She might even be a fake daughter. She has no right to be compared to Shen Rou. Shen Rou is the real daughter of a rich family. Qiao Mianmian’s just a clown! She snatched someone else’s things by scheming. This person will get her retribution sooner or later. I believe she won’t be able to survive for long. Wait for her retribution. This person won’t have a good ending.”

Chapter 2494: The More Miserable the Slut Is, the Happier I’ll Be

Shen Rou liked this post.

Her Weibo account was: Good Times.

She even commented on it.

Good Times: “Qiao Mianmian really can’t compare to Shen Rou. She only managed to get her way with some underhanded means. But Young Lady Shen doesn’t even care about those means. Hence, Shen Rou didn’t lose to her. She lost to herself.”

The netizen quickly replied: “You’re right, she must have used some underhanded means to seduce men. Most people, as long as their values are normal, would be as shameless as her. She’s a vixen, clinging onto men the moment she sees them. I’ve never seen such a disgusting woman.”

The netizen was Zhan Bo’s wife fan.

Seeing the news and knowing that Qiao Mianmian had hooked up with her idol, she naturally saw Qiao Mianmian as an enemy who had killed her father.

The fan was very agitated and scolded Qiao Mianmian to the skies.

Shen Rou looked at the ugly words and felt very comfortable.

Today was the happiest day in the past few months.

She felt extremely happy seeing Qiao Mianmian being scolded online like a rat on the street.

She couldn’t help but smile.

Qiao Mianmian was such a slut, she deserved it.

She deserved everything that happened to her today.

Who asked this slut to snatch everything from her?

She had no self-awareness at all.

Did this slut really think she couldn't do anything to her?

Didn't she want to be in the entertainment industry?

Then she wouldn't be able to survive!

Not only that, but she also wanted Qiao Mianmian to be despised by everyone!

To experience what it felt like to be a rat on the streets!

The cell phone on the table suddenly rang. Shen Rou looked down and picked it up after a few seconds.

"Miss Shen, we've already done as you instructed. I wonder if Miss Shen has seen it. Are you satisfied?"
A man's voice came from the phone.

Shen Rou closed the browser page and smiled. "Mm, you did well this time. I'm very satisfied."

"Then, the compensation..."

"I'll give you the rest of the remuneration immediately. Of course, if you can do better, the remuneration can be increased."

The man's ingratiating laughter came from the phone. "Of course. Miss Shen, you can rest assured that we will not disappoint you."

"That's good." Shen Rou narrowed her eyes. "As long as Qiao Mianmian can become a hated rat and be despised by everyone, I'll definitely reward you."

"The more miserable the slut is, the happier I'll be."

If Qiao Mianmian could die immediately, this would definitely be the happiest thing in her life.

If it wasn't for the lack of opportunities, she'd have long made Qiao Mianmian disappear from this world!

But just because there wasn't a chance now didn't mean there wouldn't be one in the future.

One day, she would make that slut disappear from her world.

Chapter 2495: What's With Finding a Substitute?

Yan Shaoqing looked at the girl beside Gong Zeli for the third time.

There was a hint of curiosity on his face as he swirled the wine glass in his hand. Looking at the girl's familiar face, he thought of a possibility and couldn't help but frown.

He had heard about this from someone else a few days ago.

He was so curious that he asked Gong Zeli out.

Unexpectedly, Gong Zeli brought his new lover along.

Yan Shaoqing couldn't help but think about it.

This little girl called Su Su was indeed similar to Qiao Mianmian.

Especially her eyes.

Yan Shaoqing started to worry.

What was Gong Zeli doing?

He couldn't get the real one, so he got a substitute that looked like her?

Yan Shaoqing never expected Gong Zeli to do something so ridiculous.

It was fine if he knew about this, he wouldn't say anything.

But if Mo Yesi found out...

Yan Shaoqing didn't dare to think about the war that would erupt between them.

"What are you looking at?" When he looked at Su Su again, Gong Zeli looked at him expressionlessly.

"Su Su is shy. Why are you staring at her?"

The girl sitting at the side blushed when she heard Gong Zeli's protective words.

She touched her face and said, "Young Master Yan, is there something on my face?"

"No." Yan Shaoqing took a deep breath and looked away. "I just feel that Little Sister Su looks familiar."

Perhaps it was because Qiao Mianmian was his sister-in-law.

Hence, Yan Shaoqing felt uncomfortable when he saw her.

Speaking of which, this girl called Su Su resembled his sister-in-law a little.

But compared to her, she was still far from it.

Not to mention her looks.

Even in terms of temperament, she was far inferior.

Yan Shaoqing still remembered the first time he saw Qiao Mianmian.

She was amazing.

As for Su Su...

Although she looked a little like Qiao Mianmian, she was far from stunning.

Yan Shaoqing didn't understand what Gong Zeli was thinking.

What did he find a substitute for?

A substitute was a substitute after all, how could it be the same as the original?

They looked alike, but their personalities, their thoughts, and their souls were different.

Wasn't he deceiving himself?

"Is, is that so?" Su Su was stunned for a while before replying softly, "Young Master Yan, do I look familiar because I look like someone you know? A friend of yours?"

"We're from the same generation, so just speak normally. Don't use such formalities with me. I'm not used to this." Yan Shaoqing narrowed his peach blossom eyes and looked at Su Su. He couldn't help but smile. "You're Gong Zeli's woman now, you don't have to be afraid in front of us.

"Otherwise, people who don't know the inside story would think that someone bullied you. Don't you think so?"

Yan Shaoqing smiled.

But Su Su's expression froze.

She was sensitive.

She could tell that Yan Shaoqing was unhappy with her, even though he didn't express his dissatisfaction directly.

Su Su bit her lip and blinked. Her eyes moistened.

"Alright, stop it. Don't be like this." Yan Shaoqing saw that her eyes were red and frowned. The unhappiness in his heart intensified. "Miss Su, I didn't bully you, right? Why are you crying?"

Chapter 2496: Since She's So Timid, Why Bring Her Out?

Seriously.

Where did Fourth Bro find this substitute?

She looked like she was about to cry.

If he was seen by someone who didn't know the truth, they might really think that he was so ungentlemanly.

Su Su's eyes were red.

Then, he saw the tears in her eyes. She was really crying.

Yan Shaoqing was speechless.

No way, she really cried.

He didn't say anything.

"No, young lady, why are you crying? I didn't bully you, right? I didn't say anything harsh to you. Why are you crying, why are you crying?" Yan Shaoqing was speechless.

He had always been gentle.

Girls were soft and gentle in front of him.

He had never made a girl cry before.

But now, Gong Zeli's substitute actually cried because of a few words from him. She even looked so aggrieved and hurt, as if he really bullied her.

Yan Shaoqing wasn't such an ungentlemanly man.

He wouldn't bully a woman.

Moreover, she looked so young.

Because he liked Sis-in-law, he felt a little uncomfortable seeing this substitute.

But he never thought of embarrassing her.

"I, I..." Su Su looked at Yan Shaoqing with fear in her eyes. She bit her lip and was a little speechless. She had just said two words when her tears fell again.

Yan Shaoqing was speechless.

What was wrong with her!

He really didn't say anything.

But now that she was crying, Yan Shaoqing felt like a villain.

He looked at Gong Zeli and gritted his teeth. "Fourth Bro, don't look at me. I didn't bully her. Where did you find such a girl? She's too timid. She cried before I said anything.

"Since she's so timid, why bring her out? Isn't it good to let her stay at home?"

Yan Shaoqing was harsh because he was angry.

"Young Master Gong, I-I didn't do anything wrong." Su Su's eyes were even redder now. She looked up at him with tears in her eyes, looking pitiful. She bit her lip and sobbed. "If Young Master Yan doesn't like Su Su, Su Su can... go back now."

Yan Shaoqing hated seeing women cry.

Especially beautiful women.

When a woman cried in front of him, he couldn't help but feel pity for her.

But this was the first time he saw a woman cry, and not only did he not pity her, but he was also angry.

In the past, he and Gong Zeli used to play together, and they always had female companions.

Their female companions were all sensible people.

This was the first time Yan Shaoqing saw such an insensible woman.

This woman was actually brought by Gong Zeli.

How could he tolerate such a pretentious woman?

Based on his understanding of Gong Zeli, this sort of woman who cried so easily was definitely not his type.

Chapter 2497: Come Out With Me

Like him, Gong Zeli didn't like women with this personality.

Was it because she looked like Qiao Mianmian?

So, she was an exception?

If that was the case, Gong Zeli was really possessed.

"You don't have to bother about him. That's his personality. He's not unhappy with you." Gong Zeli and Yan Shaoqing looked at each other for a few seconds before looking down at the girl beside him.

"But, but Young Master Yan..." Su Su sobbed.

"If you feel uncomfortable staying here, I'll tell the driver to send you back first," Gong Zeli interrupted her.

Stunned, Su Su stopped crying.

Yan Shaoqing smirked.

"Fourth Bro, come out with me. I have something to say to you." Yan Shaoqing threw his wine glass on the table, stood up, and left the private room.

Gong Zeli watched him leave the room with narrowed eyes. A few seconds later, he got up and followed him out.

"Young Master Gong..."

Su Su called out to him anxiously.

"I'll be back in a while. Eat first if you're hungry." Gong Zeli didn't stop walking and left the room.

At that moment, only Su Su and the two waiters were left in the room.

Su Su wiped the tears off her face and bit her lip.

She could feel that Yan Shaoqing didn't like her.

She could guess why.

Although she was young, she knew everything.

Nightlight had so many women who were prettier and better at currying favor with others, but Gong Zeli didn't like them.

Why was she treated differently?

Everyone thought that she was lucky and that Gong Zeli liked her.

But she knew that wasn't the case.

She knew her place.

Her looks weren't outstanding, and her personality was ordinary.

She didn't even know how to please a man.

At first, she didn't understand why Gong Zeli chose the ordinary her out of so many women.

He brought her out of Nightlight and found a good place for her to stay. He even gave her a bank card, telling her that she could use it.

He would give her expensive jewelry, clothes, bags, and shoes.

Every time he visited her, he would bring her gifts.

Those gifts were all very expensive. She didn't even dare to think about them.

Then, he would ask her if she liked them.

When she said she liked them, he seemed to be in a good mood.

He didn't have any requests for her. He didn't need her to please him or anything. His only request was for her to smile and talk to him more.

Most of the time, he wouldn't say anything. She was the only one talking.

He seemed to like listening to her.

He enjoyed watching her smile.

He liked it when they were alone.

She didn't dare to at first.

But under his insistence, she still called him.

She could clearly feel that when she called his name, his eyes would move quickly.

Chapter 2498: What's the Point of Doing This?

At first, she didn't understand.

She didn't understand why this man wouldn't touch her even after spending money to raise her.

He took her away and raised her, but he didn't want her.

What did he want?

She had always been puzzled and couldn't guess the real reason.

Until today.

She finally knew.

She finally understood.

It turned out that her good luck came from another person.

It came from that female artiste called Qiao Mianmian.

Yan Shaoqing didn't like her because of this female artiste.

Those rumors might not be 100% true, but they weren't completely fabricated.

At least, as the news said, Gong Zeli did have feelings for Qiao Mianmian.

Moreover, he was really protective of her.

From these two points alone, Qiao Mianmian... was really a very attractive woman.

The most outstanding men in Yuncheng City were all in love with her.

After knowing that she might have become someone else's substitute, Su Su felt extremely sad and disappointed.

But she didn't dare to confirm it with Gong Zeli.

She was afraid that if she exposed this, she wouldn't even have the chance to stay by his side.

She pretended not to know anything. At least she could stay by his side.

Even if he couldn't fall for her and only used her as a substitute, she didn't want to leave him.

Even though she knew that falling in love with this man meant that her disaster had begun, she still couldn't control herself.

What could she do?

She'd fallen for him the moment she saw him.

...

Yan Shaoqing was smoking in the corridor.

He narrowed his eyes when he saw Gong Zeli walking over.

He turned around and let out a puff of white smoke.

"Do you want to smoke?" he asked.

Gong Zeli shook his head. "No need."

Yan Shaoqing stopped asking.

"What is it?" Gong Zeli asked directly.

Yan Shaoqing didn't beat around the bush. He nodded and straightened his back. "Then, I'll be frank. Zeli, what's with the girl you brought today?"

Gong Zeli looked at him expressionlessly. "What do you mean?"

“Don’t play dumb with me.” Yan Shaoqing took another puff of his cigarette and exhaled the white smoke slowly. “That little girl is 30% similar to Sis-in-law. I heard that she used to work at Nightlight? You brought her out because she looks like Sis-in-law?”

“Zeli, do you know what you’re doing? You’re lying to yourself, do you understand?” Yan Shaoqing frowned and said, “Why did you find a substitute? A substitute is just a substitute. So what if they look alike? They’re not the same person.

“What’s the point of doing this?”

Gong Zeli listened to him expressionlessly. “Is that all you want to tell me?”

“Yes, that’s all.” Yan Shaoqing was a little angry when he saw his indifference. “I really don’t know why you suddenly have a crush on Sis-in-law. You used to target her all the time. Haven’t you always hated her?”

Chapter 2499: Maybe Someone Already Saw Her

“I’ve never hated her.” Gong Zeli’s voice was still calm, and so were his eyes.

“You don’t hate her? Then why were you so mean to her previously? Alright, if it’s because of Shen Rou, then shouldn’t the person you like be Shen Rou? What exactly happened? Your heart suddenly changed?”

“Is there something I don’t know?”

Yan Shaoqing was especially curious about this.

He had been Gong Zeli’s friend for many years, so he naturally knew that he had always liked Shen Rou.

Gong Zeli wouldn’t change his mind so easily.

His sudden alienation of Shen Rou and his feelings for Qiao Mianmian were incomprehensible.

Gong Zeli looked at him. “Why are you so worried? It has nothing to do with you.”

Yan Shaoqing was speechless.

He took a deep breath and said, “Alright, alright, I won’t worry about it. It’s fine if you don’t want to say it. I don’t care who you like. Actually, I don’t care if you find a substitute, this has nothing to do with me. But at this juncture, don’t you think you’ll be harming Sis-in-law by finding a substitute?”

Gong Zeli’s expression finally changed.

He was stunned. “What do you mean? This... has nothing to do with her?”

“You don’t know?” Yan Shaoqing frowned.

“Know what?” Gong Zeli was confused.

“A lot of Sister-in-law’s scandals were exposed today.” Yan Shaoqing saw that he really didn’t know, so he didn’t keep him in suspense. He said, “Someone who claims to know us and is very close to us revealed a lot of scandals about Sis-in-law.

“One of the scandals is about you and Sis-in-law. He said that Sis-in-law seduced you to drive a wedge between us and Shen Rou. You were bewitched by her and became her henchman. Sis-in-law was the one who told you to alienate Shen Rou. She was also the one who told you to not help the Shen Corporation.”

Gong Zeli’s expression darkened.

His eyes were cold as if they were frozen. “When did this happen? Why are you only telling me now?”

Yan Shaoqing was speechless.

What did he mean by only telling him now?

He didn’t ask.

Moreover, was there a need for him to say it?

As a person who didn’t like to gossip, his cell phone was constantly being shown on the news today. Even if he didn’t want to know, he couldn’t help but see it.

And this matter had blown up.

He’d always thought that Gong Zeli knew.

But it appeared he didn’t.

“Just what happened today. The news is all over the place, you just didn’t pay attention to it. Zeli, many people believe the scandal between you and Sis-in-law, and now Sis-in-law is being scolded like a dog.

“If someone with a heart saw the little girl you brought along this time, what would they think? Even if there’s nothing between the two of you, would others believe it? You already have a substitute by your side, would others still believe that there’s nothing between the two of you?”

“Maybe someone has already seen her. I don’t know what’s wrong with Second Bro. He actually let the negative news hang on Weibo’s hot searches. Didn’t he see it too?”

Chapter 2500: It’s Not Like That

Yan Shaoqing was really confused about this.

This was definitely not Mo Yesi’s style.

They knew how much Mo Yesi loved Qiao Mianmian.

It wasn’t an exaggeration to say that he treated Qiao Mianmian like an ancestor.

He could tolerate her suffering like this?

How could he tolerate his precious woman being insulted on Weibo?

Yan Shaoqing didn’t believe it.

But now that Qiao Mianmian’s scandals had been exposed for so long, Yan Shaoqing didn’t believe that Mo Yesi hadn’t seen it.

Even if he didn't see it, his employees would have.

Qiao Mianmian's team definitely knew about it.

But the situation now was that neither Mo Yesi nor Qiao Mianmian's company had any intention of settling this matter.

Even the company that Qiao Mianmian signed with didn't post an explanation.

This was too unusual.

Gong Zeli's expression darkened.

He really didn't know about this.

He never cared about the gossip in the entertainment industry, and his subordinates would never tell him about it.

Although he registered on Weibo, he didn't go on it often.

He took out his cell phone and logged into Weibo, which he hadn't done for a long time.

The moment he opened Weibo, he saw Qiao Mianmian's name on the trending topics.

Qiao Mianmian and Gong Zeli have an ambiguous relationship

Related crew members revealed that Qiao Mianmian, Zhan Bo, Qin Han, and other male artistes were in an ambiguous relationship

Qiao Mianmian snatched the daughter of the Shen family's man

Qiao Mianmian Get Out of the Entertainment Industry

Qiao Mianmian Black Heart Lotus

Gong Zeli looked at the trending headlines and suppressed his anger.

When he looked up again, Yan Shaoqing met his cold eyes and shuddered.

Fourth Bro's eyes... were so scary.

It was as if he wanted to eat him.

Yan Shaoqing knew that he must have seen the trending topics.

"Fourth Bro, don't glare at me like that. I didn't do it." Yan Shaoqing touched his nose. "I don't care what you think of Sis-in-law now. But if you really care about her, you'd better be careful.

"The substitute you found... I don't think you should bring her out these days. If someone finds out, it'll harm Sis-in-law."

Gong Zeli's face seemed to be covered in a layer of frost.

He pursed his lips and kept quiet for a while before saying, "I got it."

Yan Shaoqing nodded and kept quiet.

Some things shouldn't be mentioned.

As a friend, he could only remind him.

It was best if Gong Zeli listened.

If he didn't listen, there was nothing he could do.

Thankfully, Gong Zeli seemed to have taken his words to heart.

He definitely knew how bad it would be for Qiao Mianmian if someone saw her substitute.

He couldn't possibly be unscrupulous as long as he still cared about Qiao Mianmian.

"Alright, then. We..."

Yan Shaoqing was about to say that they should return to the private room when he heard Gong Zeli say, "It's not like that."

"What?" Yan Shaoqing was stunned.

After a moment of silence, Gong Zeli said, "The reason Shen Rou and I ended up like this has nothing to do with Qiao Mianmian. It's because she lied to me about something important, and I can't forgive her."
