

Big Shot 2511

Chapter 2511: She Won't Be Soft-Hearted Again

"You feel aggrieved?" Gong Zeli's cold voice reached her ears. He suddenly sneered. When he spoke again, his voice was so cold that Shen Rou couldn't help but shiver.

"Shen Rou, do you think I don't know the despicable things you did behind my back? You asked for it. You don't have to pretend to be aggrieved. Remember, you deserve all of this.

"Also, since you took the initiative to call me, it saves me the trouble of finding someone to inform you. In the future, the Gong Corporation will definitely compete for your Shen Corporation's business. From this moment on, I declare that we're officially enemies."

"What did you say?" Shen Rou widened her eyes in disbelief. "Gong Zeli, you're doing this to me?! For what, just for Qiao Mianmian?"

"Yes, just for her." Gong Zeli didn't hide his feelings anymore.

"You really fell in love with her?"

Shen Rou was a little excited. She didn't expect Gong Zeli to admit that he was doing this for Qiao Mianmian.

Although she was angry, she was even more excited to have her way.

She had recorded this call from the start.

She no longer had any hopes for Gong Zeli.

From the moment he posted on Weibo, they were destined to be enemies.

He didn't care about her because of Qiao Mianmian. He obviously didn't have any feelings for her anymore.

Then, she wouldn't be soft-hearted anymore.

From then on, she and Gong Zeli were true enemies.

She had never really liked him.

She just felt that he was pretty good and treated her well. Being protected by a man like this made her feel very satisfied.

Then, the Shen family was forced into a dead end.

She was forced to go on blind dates.

After seeing so many people, she realized how outstanding he was. Thinking about their past, she started to like him.

If Gong Zeli was willing to accept her, she would be happy to marry him and be with him.

But if he chose to be her enemy. So be it.

He was heartless to her, so he couldn't blame her for being mean to him.

Gong Zeli didn't answer her immediately. Their conversation went silent.

Shen Rou waited for a while, but he didn't reply. She couldn't help but say, "Gong Zeli, say something. Are you in love with Qiao Mianmian?"

"Shen Rou, are you recording this call?" Gong Zeli sounded dangerous.

Shen Rou's expression changed as she gripped her cell phone tightly. "I'm not. Gong Zeli, I'm not as dirty as you think."

"Really? I think you're dirtier than I thought."

"Gong Zeli, you..."

"Do you know what it means to be too smart for your own good? Do you think I don't know your tricks?" Gong Zeli sneered. "Shen Rou, I've always been too good to you. So, you don't seem to know the consequences of angering me? You don't really know what kind of person I am."

Gong Zeli spoke calmly, but Shen Rou suddenly shivered.

She suddenly felt fear.

"Gong Zeli, w-what do you mean? Are you threatening me?"

"Threatening?" Gong Zeli laughed again, but the coldness in his voice was even more terrifying than before. "No, you're wrong. This isn't a threat. I'm just informing you in advance. I'll let you know what kind of person I am."

With that, Gong Zeli hung up.

Chapter 2512: Only One Step Left

Shen Rou's face turned pale as she listened to the disconnected tone.

Her fingers dug into her palm, and her pale face was distorted by hatred.

"Gong Zeli, are you going to stand up for that slut? Are you coming after me? Alright, come on. I, Shen Rou, am not afraid." She was so angry that she lost all rationality and threw her cell phone on the ground.

The new cell phone that she had just bought shattered.

"Alright, I want to see who's the unlucky one first. I didn't want to deal with you initially, but if you insist on standing up for her, then... you can die with that slut."

...

On the other side.

Qiao Mianmian sent all the evidence Qiao Chen gathered to Linda and instructed her to hand it to the Public Relations Department.

Linda looked at the evidence first.

After reading it, she was in high spirits. No longer frustrated and helpless, she held her cell phone and said excitedly, "This evidence is too hardcore. It's impossible for her to refute it.

"Mianmian, how did you get this evidence? Did you hire a hacker? No wonder you're not anxious at all. You've already thought of how to retaliate. Your way of handling it is indeed much better than deleting the trending topics and asking for the Internet Water Army's help.

"We can crush Shen Rou with this evidence. Let's see how she's going to act in the future!"

Qiao Mianmian looked at her excited expression and smiled. "I didn't hire a hacker, but I have an even better one helping me. It was actually very easy to get this evidence."

"Someone better than a hacker? Who?" Linda was curious.

"Mm, my brother."

"What?"

It wasn't just Linda. Nana was shocked too.

Wasn't Qiao Mianmian's brother Qiao Chen?

A slender figure appeared in Linda and Nana's minds.

The young man had a handsome but pale face.

They also found out from Qiao Mianmian that Qiao Chen had heart disease.

Of course, he was fine now.

He had undergone cardiac surgery and was recovering well.

Neither of them could associate the powerful hacker with the handsome young man.

"You mean... Qiao Chen?" Linda snapped out of her shock.

"Do I have another brother?" Qiao Mianmian was amused.

"Wow, Brother Qiao Chen is actually so good?" Nana exclaimed. "He's really good at hiding his abilities. He's indeed the top student in the country with his college entrance examination results. We're all human, why are our brains so different?"

"Their heads are filled with wisdom, while ours are filled with water."

"No wonder you made us wait." Linda sighed. "To get this evidence, we really had to wait patiently. Then, I'll go to the company and hand this information to the public relations department. Later, I'll get Huan Yu's official account to post the evidence."

"There's still one last step. Sister Xie, wait for another 10 minutes." Qiao Mianmian took out her cell phone.

"What are you doing?" Linda was curious.

“Calling someone.” Qiao Mianmian smiled. “Now, we’ve just one step left.”

Chapter 2513: Got the Last Piece of Evidence?

Linda was a little confused. “One step left? Which step? Don’t we have evidence now?”

“Mm, we have evidence. But I want to be sure.”

Qiao Mianmian dialed a number.

She got Shen Rou’s number from Yan Shaoqing.

She had enough evidence.

But in order to prevent Shen Rou from quibbling and blaming everything on others, she still needed to give her a call.

As long as she got Shen Rou’s IP address through this call, it would be useless even if she argued later.

She had tolerated it for so long...

Since she was going to fight back, she had to succeed.

Qiao Mianmian gestured for Linda and Nana to be quiet and waited patiently.

After three or four rings, the call went through.

“Hello, who is it?” Shen Rou’s voice came from the phone. She was probably in a bad mood, so she sounded cold.

“It’s me.” Qiao Mianmian didn’t beat around the bush. “Qiao Mianmian.”

There were at least 10 seconds of silence.

If Qiao Mianmian hadn’t glanced at the screen, she would have thought that Shen Rou had hung up on her.

“So, it’s you.” Shen Rou finally spoke again. “Qiao Mianmian, why are you calling me? I don’t think we have anything to say to each other.”

“You know very well why I called you. It was you who hired the Internet Water Army to defame me on Weibo. Shen Rou, I have nothing against you, why won’t you let me off? What exactly do you want? Do you think you can ruin me like this?” Qiao Mianmian said.

“God knows what you’re talking about.” Shen Rou seemed to be a little angry. She sounded like she was gritting her teeth. “It’s your own business to be slandered on Weibo. It has nothing to do with me. That only shows that you’re hated. Many people hate you. You deserve it.

“Don’t blame me for everything. I don’t like you, but I don’t care to do those things.”

“Is that so?” Qiao Mianmian smiled mockingly. “Then, do you dare to swear?”

“Swear? Swear what?”

“Swear that if you hired the Internet Water Army to defame me on Weibo, you’ll die immediately.”

“What!” Shen Rou raised her voice as if she was angry. “I said I didn’t do it, so I didn’t. What right do you have to make me swear? Why should I listen to you?”

Qiao Mianmian said calmly, “I’m not qualified. But since you didn’t do it, why are you afraid of swearing? Anyway, you won’t swear, right?”

“Your reaction makes you guilty.”

“You’re crazy! Qiao Mianmian, if you called me just to say this, then we have nothing more to speak about. I’m very busy, I don’t have time to talk nonsense with you. If you want to go crazy, go find someone else!”

“Beep, beep, beep...” Shen Rou hung up.

Qiao Mianmian smiled nonchalantly.

“Have you gotten the last piece of evidence?” Linda waited for her to finish the call before asking.

Qiao Mianmian nodded and smiled.. “Mm, I got it.”

Chapter 2514: She Even Sent an Audio

“Then, we can fight back officially?” Linda was excited.

“Mm.”

“Alright, I’ll go to the office immediately. Just let me know what you need.”

...

At the Shen Corporation.

After Shen Rou picked up Qiao Mianmian’s call, she sneered and said to herself, “You still want to fight with me with this little trick. Qiao Mianmian, don’t even think about making a comeback this time. I won’t give you the chance.

“Don’t you think you’re already a winner in life? I want you to know that you can’t be glorious forever. I’ll be satisfied even if I can’t completely overthrow you and make you despised by everyone.”

Shen Rou had always been clear that she couldn’t completely defeat Qiao Mianmian.

Although the Shen family was much better now with Tang Ya’s help, the family was still in its prime.

As for the Bai family, they and the Shen family used to be on par.

Now that the Shen family was recovering, they were no longer comparable to them.

Qiao Mianmian had the Bai family behind her and Mo Yesi protecting her.

No matter how much she hated her, she had to know the truth.

But to her, ruining Qiao Mianmian’s reputation was a form of revenge.

She would be happy as long as she could make that slut unhappy.

That slut called just now to get her to talk.

Of course, she wouldn't let that slut have her way.

That slut wanted to turn over a new leaf, but she refused to let her!

Shen Rou's lips curled into a cold smile. She opened Weibo and posted the content she had already edited. She even attached an audio clip.

After doing all of this, she turned off her computer.

She coldly muttered, "Gong Zeli, remember, you forced me to do this."

...

"Gosh, there's a new melon. Everyone, take a look!"

"Shen Rou personally posted on Weibo to deny Gong Zeli's words. She said that Gong Zeli is defending Qiao Mianmian and framing her. Moreover, she even posted an audio clip. I heard it just now. The man's voice was really Gong Zeli's. He actually admitted that he fell in love with Qiao Mianmian!"

"Gosh, really? This is too exciting. I'll go take a look immediately."

"The person who listened to the audio clip came back. A technical expert analyzed it and confirmed that it wasn't made in post-production. I didn't expect Gong Zeli and Qiao Mianmian to really have an ambiguous relationship. Gong Zeli actually framed Shen Rou for her. He's too heartless. No matter what, Shen Rou has known him for many years. Doesn't he care about their relationship at all? It's too scary to frame someone for a new woman."

"I also think that a man like Gong Zeli is so scary. I heard that he treated Shen Rou especially well previously. Many people in the industry think that he really loved her. Sigh, now he doesn't care about his old love for his new lover. No man is reliable in this day and age."

"I think Shen Rou is very pitiful. The man who used to dote on her changed his heart and fell in love with another woman. Not only did he cut ties with her because of this, but now he's framing her for that woman."

Chapter 2515: Everyone Can Figure It Out

"Thankfully, she didn't accept Gong Zeli in the past. If she was betrayed after they got together, that would be hopeless."

"With Shen Rou's qualifications, Gong Zeli isn't worthy of her at all. What Young Master Gong? He's too disgusting. No matter how handsome and rich he is, his character is terrible. No wonder Shen Rou has never accepted him. It's probably because they've known each other since they were young that she knows what kind of person he is. Shen Rou won't accept such a man."

"Shen Rou is the Chairwoman of the Shen Corporation now. She's rich, good-looking, and capable. She can be beautiful alone. I don't think she's pitiful. After experiencing all these terrible things, she can become stronger and stronger. Nothing will defeat her in the future. After she blooms and a butterfly

emerges, the transformed Young Lady Shen will definitely find a better partner than Gong Zeli and Mo Yesi.”

On this day, the netizens felt like they were going crazy.

They’d never eaten so many melons in one day.

And these melons were so exciting.

Shen Rou’s post quickly went viral.

The netizens went to her Weibo to join in the fun.

Shen Rou’s Weibo hadn’t been verified before. She’d probably verified it before posting her clarification today.

Her verified name was her real name.

Shen Rou.

She only posted three sentences.

Shen Rou V: [I’ve always believed that there’s justice in people’s hearts. Everyone can differentiate between right and wrong. We’ve been friends for 20 years, and you have to sacrifice me like this to protect her. This time, I’m really disappointed. Forget it, from now on, let’s just treat each other as strangers.]

An audio file was attached to the post.

The netizens opened it and heard a conversation between Shen Rou and Gong Zeli.

“So, you can treat me like this because of Qiao Mianmian... Gong Zeli, is Qiao Mianmian the only person in your eyes, and the rest are things you can sacrifice at any time?”

“You asked for it. Remember, you deserve it.

“In the future, the Gong Corporation will definitely fight for your Shen Corporation’s business. From this moment on, I declare that we’re officially enemies.”

“Gong Zeli, you’re doing this to me?! For what, just for Qiao Mianmian?”

“Yes, just for her.”

“You really fell in love with her?”

“Do you know what it means to be too smart for your own good? You don’t seem to know the consequences of angering me.”

From the audio, it was obvious that Gong Zeli didn’t deny that he sacrificed Shen Rou to protect Qiao Mianmian.

He didn’t deny that he was in love with Qiao Mianmian.

He also admitted that everything he did was for Qiao Mianmian.

Moreover, he threatened Shen Rou and said that they would be enemies in the future.

Anyone who listened to this recording would think that Gong Zeli wasn't human.

He treated his old love so cruelly for his new love.

Moreover, he was worried that his old love would expose this and threaten him.

This was no ordinary scum.

This was terrible.

How disgusting was he to do this?

Before this, many female netizens were Gong Zeli's fans.

Although everyone knew that Gong Zeli had a bad temper, he was handsome, rich, and powerful. Many women fell for him.

Chapter 2516: Supporting Shen Rou to Sue Gong Zeli!

After the scandal between Gong Zeli and Qiao Mianmian, these female fans spoke up for Gong Zeli.

But now...

After Shen Rou's Weibo and audio came out, Gong Zeli became the public enemy.

The female fans defended him previously because they felt that there was nothing between him and Qiao Mianmian.

Now that he'd fallen in love with Qiao Mianmian and lost his rationality for her, the female fans naturally couldn't accept it.

Even if they couldn't get Gong Zeli, they didn't want to see him fall head over heels for another woman.

Moreover, this woman was married.

These female fans were instantly upset. They, who were defending Gong Zeli at the start, hated him because of their love.

Everyone was scolding Gong Zeli for being a jerk. He was crazy to defend Qiao Mianmian.

Even Qiao Mianmian was scolded.

This was because someone in the comment section said that Qiao Mianmian was the one who instructed Gong Zeli to do this.

Want to watch my Weibo: "Actually, Gong Zeli wasn't such a jerk. He and Shen Rou know each other for so many years, and he used to really like her. Even if he doesn't love her now, he shouldn't be so heartless. The insider information I know is that Qiao Mianmian made him do this. This is the same as when she made Gong Zeli and Shen Rou cut off their friendship. Just because Shen Rou and Mo Yesi grew up together and they almost got married, Qiao Mianmian has always been upset about this. She's very upset about Shen Rou and Mo Yesi's past relationship, so she wants to use this opportunity to ruin Shen Rou's reputation. I think Gong Zeli is a jerk, but the real vicious person is Qiao Mianmian."

Because of this information, those who were scolding Gong Zeli started scolding Qiao Mianmian again.

“Damn, Qiao Mianmian is too vicious.”

“Can’t a vicious woman like Qiao Mianmian just die? She’s polluting the world!”

“I think this is very true. I also think that Gong Zeli wouldn’t do such a thing. It must be that vicious woman Qiao Mianmian who bewitched him and made him do this.”

“Qiao Mianmian is indeed vicious, but this isn’t a reason to clear Gong Zeli’s name. If Qiao Mianmian asks him to do something, he’ll do it. Isn’t he a jerk? If he had a shred of consideration for his past relationship with Shen Rou, he wouldn’t have done such a thing. These two are scum and slut, neither of them can be cleared!”

“That’s right. Gong Zeli is a jerk. This adulterous couple is too disgusting. Can someone punish them?”

Just as the netizens were feeling indignant for Shen Rou and scolding Qiao Mianmian and Gong Zeli, Shen Rou posted another Weibo post.

Shen Rou V:[@GongZeli, your slander has caused great harm to me and my reputation. I’ll get the lawyer to file a lawsuit later.]

“Damn, Shen Rou is too impressive! Supporting Shen Rou to sue Gong Zeli!”

“Miss Shen, 666, I support you!!”

“Chairman Shen, tell that scumbag Gong Zeli! Also, don’t let Qiao Mianmian off! Beat them up!”

“CALL for Miss Shen! From today onwards, I’m your fan! Boohoo, Sister, I want to be your fan for the rest of my life.”

Chapter 2517: Do You Think You Can Fight Me?

Shen Rou actually wanted to sue Gong Zeli for slandering her.

Initially, many people were still waiting to see what would happen. But after seeing Shen Rou’s latest post, more and more people started to side with her.

If Gong Zeli hadn’t made up a lie to frame her, where would she get the guts to sue him?

If what she said was true and Gong Zeli really did this to protect Qiao Mianmian, he was too inhuman.

He was completely bewitched by her beauty.

In an instant, Shen Rou’s image as a “victim” was deeply rooted in the hearts of the netizens, and she became the target of compassion and sympathy. The netizens gathered on her Weibo to defend her, scold Qiao Mianmian and Gong Zeli for her, cheer her on, and encourage her to live a good life.

As for Qiao Mianmian and Gong Zeli, their image was negative.

Their Weibo comment section was filled with insults. When she opened the comment section, she saw that it was filled with all sorts of vulgarities.

Scum and slut.

If it was in ancient times, the two of them would probably be surrounded by people.

Gong Zeli's Weibo comment section wasn't closed.

Qiao Mianmian didn't close it.

The two of them were scolded by hundreds of thousands of comments.

The netizens were clamoring for the two of them to be beaten up together. They even said that they had to publicly apologize to Shen Rou. Otherwise, the netizens wouldn't let this adulterous couple off.

...

At the Shen Corporation.

Shen Rou was sitting at her desk with a happy smile on her face as she stared at the computer screen.

The screen showed the Weibo page.

The trending topics were all denouncing Qiao Mianmian and Gong Zeli.

Shen Rou smiled in satisfaction and tapped her long red nails on the computer screen. When her fingers touched Qiao Mianmian's name, she paused and sneered. "Qiao Mianmian, you want to fight with me, are you even qualified?"

"Do you think you can beat me?"

"Even if Mo Yesi and Gong Zeli protect you, so what? You're still under my control. I want to see how you're going to make a comeback in this battle. Qiao Mianmian, you deserve it. Who asked you to go against me and make me unhappy?"

"If I'm unhappy, don't even think about being happy!"

"And you!" Her red nails moved slowly, and when they landed on Gong Zeli's name, her expression was a little complicated. It was filled with hatred, resentment, and a little hurt. "Gong Zeli, you asked for this! I never thought of doing this to you. You're the one who forced our relationship to the end! Since you have to go against me for this slut, I won't let you have it easy!"

"Since it's something I, Shen Rou, can't get, then I'll destroy it!"

If she couldn't get it, she couldn't let others have it!

"You deserve it, you deserve it!" Scenes of the past surfaced in her mind. When she recalled the past, a few seconds of nostalgia appeared in her eyes, but soon, it turned into deep hatred.

They used to be so close.

Their relationship couldn't be changed by outsiders.

She thought that they would always be good.

But she didn't expect the balance to be broken because of a slut.

If it wasn't for Qiao Mianmian, their relationship wouldn't have turned out like this.

Chapter 2518: You Think You're the Only One With a Recording?

If it wasn't for Qiao Mianmian...

She might already be married to Mo Yesi.

Even if he didn't marry Qiao Mianmian, she would definitely be his wife in the future.

She was definitely the most suitable for him among all the women around him.

They were meant to be together.

It was all because of Qiao Mianmian.

So, that slut deserved to die!

As long as Shen Rou was still alive, she wouldn't let Qiao Mianmian off so easily!

But the thrill of Shen Rou's revenge didn't last long. It was interrupted when she suddenly saw a new trending topic.

Gong Zeli released all the audio and sued Shen Rou for slandering him

Shen Rou's expression froze for a few seconds when she saw this trending topic. Then, her expression changed and she immediately clicked on it.

Gong Zeli: [Anyone with a brain would know who's spreading rumors and who's slandering who. Since you want to sue me, don't just put on an act. If you want to learn from me, the Gong Corporation's lawyer's letter has already been sent out. I've made up my mind to sue you. Also, do you think you're the only one with a recording? Shen Rou, I've said it before. You're too smart for your own good. I've already guessed your tricks.]

Gong Zeli also posted an audio clip.

Shen Rou's face turned even paler when she saw it.

A guess flashed past her mind.

She couldn't remain calm anymore.

Did Gong Zeli...

Her heart pounded and her fingers trembled as she clicked on the recording.

A moment later.

Shen Rou listened to the entire recording.

Her fingers trembled even more, and her face turned even paler.

In an instant, she was engulfed by panic and anger. Her eyes were filled with helplessness and panic at one moment, and then they were filled with anger and hatred at the next. A few emotions surged in her body, causing her mind to go blank.

Her guess was true.

Gong Zeli recorded it too.

She thought that he didn't...

Hence, she dared to edit the recording and post it on Weibo to confuse the netizens.

It was because the voice in the recording was Gong Zeli's, so a tech could tell that it wasn't edited.

Shen Rou had considered this before she posted the recording.

She'd thought that if she couldn't get any useful information from Gong Zeli, she'd find someone who sounded like him and make a fake recording.

But the latter method was a little risky.

It wasn't a problem to lie to ordinary netizens, but it was easy to recognize the more powerful ones.

Thankfully, she managed to get some useful information from Gong Zeli.

Hence, she edited the original recording and made it the most beneficial recording for her.

Even if a tech analyzed it, they would discover that the voice was indeed Gong Zeli's.

And it turned out that her move was very successful.

Everything went according to her plan.

It went even smoother than she expected.

Because of that recording, she'd beaten Gong Zeli to death.

No one suspected that it was edited.

Chapter 2519: A Turn of Events

Everyone started to support her.

And Qiao Mianmian and Gong Zeli became the targets.

She was very satisfied with this outcome.

She thought that neither Qiao Mianmian nor Gong Zeli could come up with a solution.

They'd just spend money to remove the trending topics and block the account of the person who posted it.

But the more they did this, the more guilty they would appear.

This would only make the netizens believe their scandals even more.

Hence, Shen Rou thought that she had won.

No matter how Qiao Mianmian and Gong Zeli dealt with this battle, their image in the hearts of the netizens couldn't be restored.

Especially Qiao Mianmian.

Her reputation was definitely ruined.

But she never expected Gong Zeli to record it too.

Why would he think of doing this?

Initially, she thought that victory was in her hands and that all the public opinion was in her favor. But after Gong Zeli's Weibo post, Shen Rou saw that the public opinion was changing.

Gong Zeli posted the complete recording.

Anyone who listened patiently would understand that the previous recording was edited.

As for why she edited it, anyone with a brain could guess it.

The netizens felt sorry for Shen Rou and felt that she was bullied by Qiao Mianmian and Gong Zeli. They felt bad for her and wanted to stand up for her.

She was the kind of person who would help others count money after being sold.

The netizens felt that their IQ had been insulted by Shen Rou.

An insult!

They felt so wronged for Shen Rou just a moment ago, and now they felt so foolish!

"A reversal? I just finished listening to the recording. This is the complete recording, right? Shen Rou's was edited. From this recording, I didn't hear Gong Zeli admit that he fell in love with Qiao Mianmian. Moreover, I don't know if you've noticed, but Gong Zeli said something else. It seems like there's an inside story."

"From the full recording, Gong Zeli did threaten Shen Rou, but it seems like she did something to anger him first. And he also said that he helped Qiao Mianmian because she saved him in the past. He was just repaying her kindness. Shen Rou is too scheming. She actually edited the recording to be completely beneficial to her, making Gong Zeli seem like a bully. I really want to know what Gong Zeli meant when he said he knew clearly. What did Shen Rou do to make him so angry?"

"I didn't expect this turnaround. Thankfully, I don't take sides easily. I've seen too many of such things. Until the last moment, I don't know who's right or wrong."

"Oh my, Shen Rou is too disgusting. She even said that Qiao Mianmian is scheming. I think she's the scheming b*tch. She edited the recording to benefit her and then posted it on Weibo to gain the netizens' sympathy and get them to stand up for her. No matter what happened between her and Gong Zeli, this is disgusting."

"This turn of events has embarrassed so many netizens. Let's see how Shen Rou will reply."

How could Shen Rou reply?

She didn't know how to.

Chapter 2520: Finally Responded

She could deny that she'd lied to Gong Zeli.

He didn't have any concrete evidence.

But Gong Zeli had already exposed her editing.

She couldn't deny it.

Her mind was in a mess as she hurriedly called her assistant.

A while later, someone knocked on the door.

"Come in." Shen Rou took a deep breath and looked up.

The door opened and the assistant walked in.

Seeing that Shen Rou's expression wasn't right, the assistant was stunned and quickly walked towards her. "Chairman Shen, what's wrong? What happened?"

Shen Rou's face was as pale as a ghost.

There was no color.

She looked flustered as if she had encountered something unsolvable. Seeing her assistant, she turned to him for help. "What should I do? What should I do now?"

The assistant was stunned again. "Chairman Shen, w-what do you mean?"

"He posted on Weibo again. I didn't expect him to record it, either. Now everyone knows that my recording was edited. Th-they won't believe me anymore. What should I do? I have to respond, but how should I respond?"

Shen Rou was a little incoherent.

But this time, the assistant understood.

"Chairman Shen, do you mean that Young Master Gong posted on Weibo? He recorded your conversation with him?"

"Yes, that's right. Tell me, what should I do? I have to think of a way!"

The assistant frowned.

It was obvious that he found this difficult.

"You have to settle this for me." Shen Rou's tone suddenly turned fierce. "Otherwise, I'll fire you!"

No matter what, she couldn't lose!

She couldn't lose!

The assistant's expression changed when he heard that. He immediately lowered his head and said respectfully, "Yes, Chairman Shen. I'll definitely settle this. I'll go to the public relations department now and get everyone to think of a solution."

Shen Rou waved him off.

But...

Before the public relations department could think of a solution, Weibo exploded again.

Qiao Mianmian finally responded.

First, it was a Weibo post by Huan Yu, the company Qiao Mianmian signed with.

The post was very long. It was first posted by Huan Yu's official account, and then by Qiao Mianmian.

Besides refuting the rumors, Huan Yu also posted a lot of data.

Every statistic was solid evidence. It proved that Qiao Mianmian was framed from beginning to end, and the scandals online were all done by that person's fake reviewers.

At the end of the post, she directly pointed out that person's name.

Huan Yu Online: [Miss Shen Rou, I don't know what feud you have with Qiao Mianmian for you to maliciously defame her on Weibo. Especially spreading rumors that she has an ambiguous relationship with another man. It can't be said that it's not vicious. Although the Shen family is big and powerful, I, Zhao, will definitely do my best to seek justice for my artistes. No matter what we have to pay for this lawsuit, no matter if we can win in the end, we're determined!]

Qiao Mianmian V: [I'm sorry to make everyone wait for so long. I'm late because I had to gather some evidence. Please take a look at the Weibo post posted by the company's official account. I have the same attitude as the company. I will definitely fight this lawsuit to the end. It's because of me that Weibo is in a mess. I'm really sorry. I always believe that justice is in the hearts of people. Everyone should know what's right and wrong after reading the post.]
