

## Big Shot 2541

### Chapter 2541: Break It Off Immediately

Shen Xin didn't say a word until Madam Shen finished speaking.

She guessed that Madam Shen was calling her because of Shen Rou.

But guessing was one thing.

It was another matter to hear Madam Shen say it herself.

At this moment, Shen Xin felt as if her heart had been stabbed.

Coming from the person closest to her, it was especially painful.

Indeed.

In front of the interests of the family, kinship was nothing.

Even though they knew that she had suffered, they still wanted her to take the blame for Shen Rou.

Even if they knew in their hearts that she would be ruined because of this.

But all of this was nothing compared to the interests of the family.

"Xiao Xin, did you hear what I just said?" Madam Shen didn't hear Shen Xin's response and raised her voice. "Go and post on Weibo now. If you don't know what to post, I'll send you the proposal. Just post it accordingly."

"Mom." Shen Xin's eyes were filled with sadness and disappointment. She called Madam Shen softly, "Mom, do you know what Sister did?"

"Of course I know." Madam Shen's voice was calm. "Your sister didn't do anything right, but I can understand why she did those things. That celebrity surnamed Qiao isn't a good person, to begin with. If it wasn't for her, your sister would have married into the Mo family long ago. If we became in-laws, our Shen family wouldn't have encountered danger. It's understandable that your sister is angry."

Shen Xin listened to Madam Shen's words and couldn't speak.

"That brat from the Gong family is too detestable. He was so devoted to your sister. I really thought that he was sincere to her. But who knew that they were all the same. He's not a good person.

"That vixen with the surname Qiao just casually hooked up with her and he changed his mind. That vixen is really scheming. She managed to hook up with the most outstanding unmarried young men in Yuncheng City.

"Such a restless vixen, and the Mo family is willing to let her in. I think they will get into trouble sooner or later!"

"Mom, Sister Qiao isn't the kind of person you're talking about." Shen Xin couldn't help but defend her when she heard how awful Madam Shen made Qiao Mianmian sound. "She didn't seduce Brother Zeli. She and Brother Yesi are also in love. They aren't..."

“Shen Xin, shut up! Is your surname Shen or Qiao? Why are you speaking up for an outsider?” Madam Shen sounded angry.

“I’m not.” Shen Xin closed her eyes and bit her lip. “Mom, you have a misunderstanding about Sister Qiao. I’ve seen her before. She’s really not the kind of person you’re talking about.”

“You’re still speaking up for that vixen? If she hadn’t snatched Mo Yesi away, her current position would belong to your sister. You’re really infuriating. I didn’t believe it when your sister told me that you might be in puppy love, but it seems like it’s true now.

“Shen Xin, answer me honestly. Are you dating Qiao Chen? Is that why you’re speaking up for his sister?”

Shen Xin was stunned.

She immediately denied it. “I’m not.”

“You’re still denying it? Then, why are you always speaking up for Qiao Mianmian?” Madam Shen was furious. “I don’t care if you are or not, I’ll put it out there now. It’s best if you don’t have anything to do with Qiao Chen. If you’re in a relationship with him, break it off immediately..”

#### **Chapter 2542: We Should Let Others Know the Truth**

“You can date anyone but Qiao Chen, do you hear me!

“If you’re with him, don’t call me Mom anymore. I don’t have such a disappointing daughter like you!

“Hurry up and record the video. Send it to us first. I’ll speak to you about Qiao Chen later. The most important thing now is to settle your sister’s matter.”

Madam Shen hung up.

Shen Xin was still thinking about what she said.

“You can date anyone but Qiao Chen.”

“If you’re with him, don’t call me Mom anymore.”

The corridor was quiet.

The super VIP floor wasn’t a place for ordinary people.

Not everyone could stay here.

Hence, there were very few people on this floor.

Shen Xin looked up and saw that she was alone in the empty corridor.

“Shen Xin.”

Just as she was lost in her thoughts, a voice sounded behind her and pulled her back from her wandering state.

She was still in a daze, and her face was still pale. She turned her head around in confusion.

Then, she met a pair of beautiful and warm eyes.

“Shen Xin, are you alright?” The young man’s exquisite face was filled with worry. His dark eyes, which were clearer than ink, were also filled with worry and concern. “I saw you standing at the door for a long time. I... was a little worried, so I came out to take a look.”

Qiao Chen looked at her pale face and placed a hand on her shoulder. “You know about your sister?”

Qiao Chen knew what Shen Rou did.

After all, he was the one who investigated her account and gathered the evidence that she hired the Internet Water Army to defame Qiao Mianmian.

Shen Rou made a clarification on Weibo and pushed all the blame to Shen Xin.

After seeing Shen Rou’s Weibo post, especially after seeing Shen Xin’s cell phone number being exposed, he was worried about her.

Qiao Chen’s heart ached for her.

She had obviously cried.

Shen Xin looked at him for a few seconds before nodding. “Mm.”

“Don’t... be sad.” Qiao Chen wanted to console her, but he didn’t know what to say.

He was the top student in the country, but he was helpless when it came to comforting girls.

He opened his mouth awkwardly.

“If you’re really sad, you... can talk to me. If you want to cry, you can lean on me. You don’t have to hold your emotions in front of me.”

He held it in for a while before speaking.

With that, he stared at her again.

“Qiao Chen, I called my sister just now.” Shen Xin didn’t look very sad. Her expression was calm. Under Qiao Chen’s worried gaze, her eyelashes trembled slightly. She lowered her eyes and said softly, “She asked me to take the blame. She told me that only by doing that can I protect the Shen Corporation.

“Otherwise, if my sister has negative news, it will definitely have a huge impact on the Shen Corporation. She wants me to record a video like she did and post on Weibo, admitting that I did everything.” Shen Xin seemed to be talking about someone else’s matter, and no other emotions could be seen on her face.

The calmer she appeared, the more worried Qiao Chen was.

“Shen Xin, are you alright?” Qiao Chen frowned. “I’ve said it before, you don’t have to hide your emotions in front of me. If you’re sad, you...”

“Qiao Chen, what do you think I should do?” Shen Xin interrupted him again. “My sister is the Chairman of the Shen Corporation now. If she has a negative image, it will really affect the company.

“Previously, the Shen family encountered a crisis and almost went bankrupt. Now that we’re finally safe, we can’t suffer any more blows. I’m the daughter of the Shen family. At this time, I should consider the overall situation and stand up for everything, right?”

Qiao Chen was stunned.

“Shen Xin, have you decided? Are you going to help your sister and take the blame for everything?” Qiao Chen looked at her with a complicated expression.

If Shen Xin was willing to take responsibility for Shen Rou, she would have a chance to clear her name.

But Qiao Chen wasn’t willing to let Shen Rou clear her name.

Shen Rou was the one who did the wrong thing.

Why should Shen Xin take responsibility for her?

Moreover, Shen Rou had hurt his sister.

Qiao Chen didn’t want to let Shen Rou off so easily.

If he let her off this time, she would frame Qiao Mianmian again.

Qiao Chen would never allow Shen Rou to hurt his sister again!

“Qiao Chen, if you were me, what would you do?” Shen Xin bit her lip, finally looking a little lost.

Qiao Chen kept quiet for a while.

He thought about it. If Qiao Mianmian was the one who did it, what would he do?

Was he willing to take the blame for his sister?

“I don’t know,” Qiao Chen replied.

Shen Xin didn’t seem to expect his answer. After hearing what he said, she nodded. “It’s the same for me now. I don’t know what I should do. If it’s for the Shen family’s good, I should admit that I did those things.

“But if I do that, it won’t be fair to your sister.”

Qiao Chen looked up in surprise. “You...”

“I saw what my sister said about your sister. My sister... is really too much.

“I think if someone spread rumors about her like this, I’d be so angry that I’d want to find out who it was and give them a good beating. Qiao Chen, are you feeling the same way now? You really want to beat my sister, right?”

“Shen Xin, I...”

“My sister is obsessed with Brother Yesi, so she hates your sister. This won’t be the last time.” Shen Xin’s eyes flickered as if she had made a decision. “I can take responsibility for her this time, but what about next time?”

“Moreover, if I do that, it won’t be fair to Sister Qiao Mianmian.

“People who did something wrong should be punished, right?”

When Qiao Chen realized what Shen Xin was going to do, he looked at her in shock. “Shen Xin, what are you going to do?”

Shen Xin pursed her lips. She knew the consequences of what she was about to do, but she didn’t hesitate anymore. “I think we should let others know the truth..”

### **Chapter 2543: A Reverse Video!**

“You’ve really thought it through?”

“Mm.”

“Do you know what will happen if you expose your sister?”

“I know.” Shen Xin smiled bitterly. “But if I help my sister this time, she’ll do something even worse next time. My conscience won’t let me.”

She’d thought about the consequences.

Shen Rou would definitely hate her.

Perhaps she wouldn’t acknowledge her as her sister anymore.

Father Shen and Mother Shen would definitely feel that she didn’t care about the overall situation and would be disappointed in her.

She would be seen as a sinner by the whole family.

But she still decided to tell the truth.

Even if she lost everything.

...

After Shen Rou spent a lot of money to hire the Internet Water Army to clear her name and was about to succeed, suddenly, a user named “Future Period” made a post on Weibo. The post quickly went on the trending list.

A few seconds after the netizens saw the trending topics and joined in the fun, they realized that the person who posted was actually Shen Xin, that vicious and scheming little slut sister?

Not only did she post on Weibo, she even recorded a video?!

Moreover, she was actually rather good-looking.

She looked like a pure and innocent student.

The netizens were even more shocked when they saw the video.

They had thought that it was an apology.

After all, she'd gone overboard. She should apologize to Qiao Mianmian and the netizens.

But no one expected that it was a reverse video instead!!

"I didn't do those things. I only found out about it from my classmate an hour ago. Sister Qiao and Brother Yesi are in love. I've always given them my blessings and never thought of doing anything behind their backs. Yes, I did feel sorry for my sister because she gave a lot in this relationship. I know how much she likes Brother Yesi.

"But I've always known that feelings can't be forced.

"I once tried to persuade my sister to give up, but she was too obsessed with this relationship.

"I think, no matter what, she shouldn't slander Sister Qiao behind her back. Even if she's my biological sister, it's still a mistake. I won't distort the truth and defend her. In the end, I want to apologize to Sister Qiao."

"I'm sorry, Sister Qiao. I know that an apology is useless and can't make up for anything. But I still have to apologize to you. What my sister did was really overboard, so I won't ask Sister Qiao to forgive her."

"The only thing I can do is tell the truth. No matter how many people believe me, I just want peace of mind.

"Finally, I apologize to everyone."

In the video, Shen Xin bowed deeply.

Her post was quickly reposted.

In just 10 minutes, the number of reposts reached tens of thousands.

This video was different from Shen Rou's video.

Shen Xin didn't pretend to be weak and pitiful.

From the start to the end, she was neither arrogant nor humble. At most, her eyes reddened.

Even though tears threatened to roll down her cheeks, none came out..

#### **Chapter 2544: Standing on Shen Xin's Side**

**Translator:** Atlas Studios **Editor:** Atlas Studios

But her strong and sincere image made people believe her words.

It didn't look like she was lying at all.

Moreover, Shen Xin's looks were more likable.

She wasn't as aggressive as Shen Rou.

Hence, Shen Rou had to act pitiful to gain sympathy.

But Shen Xin didn't need to.

Some netizens were already suspicious of Shen Rou's post.

They thought she was lying.

When Shen Xin posted this, they naturally trusted their judgment even more.

A few of the more rational verified accounts saw Shen Xin's post and reposted it.

The caption: The truth is here.

They hadn't taken sides.

This repost was on Shen Xin's side.

Someone in the comment section asked: "Brother T, so you think Shen Rou is lying too? Hiding it from her sister?"

"Brother T, are you on Shen Rou's side now?"

Brother T replied to a fan: "I think her sister's words are more believable than Shen Rou's. I believe in my intuition."

The fans continued: "They were the ones who posted the two videos. No one has any evidence to prove that the other person is lying. Brother T, aren't you afraid of being slapped in the face by taking sides so early?"

Brother T: "Who said there's no evidence? Didn't Huan Yu post evidence previously? I think the evidence is conclusive. Actually, a lot of Shen Rou's words in the video were flawed and couldn't withstand scrutiny. However, many people softened up when a beauty pretended to be pitiful. Even if they had doubts, they wouldn't bear to make things difficult for her."

Fans: "Brother T, do you dare to make a bet with us fans?"

Brother T: "What bet?"

Fans: "If Shen Rou is lying, then you win. If her sister is lying, then we win. Brother T, if you lose, you give us benefits. If we lose, you broadcast the treasure map."

Brother T: "Then, prepare the treasure map."

After the few verified accounts reposted and expressed their stances, the netizens felt that Shen Xin's words were even more credible.

After all, those verified accounts didn't take sides easily.

Those who could make them side with them were definitely not liars.

Something similar happened before.

Many netizens were slapped in the face.

But these verified accounts were all on the person's side.

Moreover, these verified accounts rarely paid attention to such gossip. It was rare for them to pay attention to it, so they naturally attracted attention.

Netizen A: “Even Brother T and the rest think that what Shen Rou’s sister said is true, then Shen Rou must be lying. I don’t believe anyone else, but I believe Brother T and Little Bear. They’re very good at judging people.”

Netizen B: “Brother T’s eyes are sharp. He won’t misjudge anyone. I felt that Shen Rou’s words were full of flaws and didn’t have any credibility at all. Some people even fought with me. Shen Rou doesn’t look good. Her sister looks much more honest. She actually treated her biological sister like this. She’s crazy.”

Netizen C: “I stand on her sister’s side too. It’s not based on what everyone’s saying. This time, I believe in my intuition.”

Those verified accounts had tens of millions of fans.

In terms of popularity, they weren’t inferior to many popular artistes.

With their reposts, Shen Xin’s post was forwarded by even more people.

The other verified accounts also reposted it.. Most of them stood on Shen Xin’s side and felt that her words were trustworthy.

## **Chapter 2545: God Wants Her Dead!**

**Translator:** Atlas Studios **Editor:** Atlas Studios

Some netizens noticed that Yan Shaoqing had quietly reposted Shen Xin’s post.

He even added a sentence: [Xiao Xin is a good girl, I like you.]

Lu Rao reposted it at the same time as Yan Shaoqing.

Doctor Lu is a good doctor: [I believe that Xiao Xin’s decision isn’t easy. No matter what, I’ll support you.]

None of them reposted Shen Rou’s post.

But they reposted Shen Xin’s post.

This represented their attitude.

They all thought that Shen Rou was lying.

...

Qiao Mianmian was shocked when she heard the truth from Linda.

She thought she heard wrong.

“Sister Xie, you said that Shen Xin posted on Weibo saying that Shen Rou is lying?”

“Mm, are you very shocked? When I first found out, I found it unbelievable too. I really didn’t expect a person like Shen Rou to have such a righteous sister. This time, it’s all thanks to her sister ‘placing righteousness before family’. Otherwise, Shen Rou would have been cleared of all charges.

“God wants her dead! God probably can’t stand it anymore, so He decided to teach her a lesson.

“In any case, she can forget about clearing her name. Most of the netizens believe in Shen Xin now. Moreover, a few famous verified accounts have expressed their support for Shen Xin. It won’t be easy for Shen Rou to clear her name.”

Qiao Mianmian was very surprised.

She was still thinking about how to settle this.

Unexpectedly, Shen Xin became the biggest help.

She solved the problem instantly.

Shen Xin was Shen Rou’s biological sister.

Qiao Mianmian was really surprised that she would do this.

“Oh right, let me tell you another piece of good news.” Linda seemed to be in a good mood. She smiled and said, “Do you know that Shen Rou is really unlucky this time? Not only has her reputation been ruined, but the Shen Corporation is also going to suffer with her.

“Henry Zhou was originally coming to Yuncheng City at the end of the month, but he has already canceled his itinerary. Do you know what this means? It must be because of Shen Rou’s matter that he’s unwilling to work with her after knowing her true character.

“This was the Shen family’s biggest trump card. Now, it’s gone.

“Also, the Shen Corporation’s stock price has been affected too. It has fallen a lot.

“Shen Rou must be furious now. Let’s see what excuse she’s going to give this time!”

Henry Zhou wanted to cancel his collaboration with the Shen Corporation?

This news surprised Qiao Mianmian.

Mo Yesi told her that the Shen Corporation must have something to do with Tang Ya to be able to invite Henry Zhou.

If Henry Zhou really canceled his collaboration with the Shen Corporation, what would happen to Tang Ya?

Was she not going to help Shen Rou anymore?

“Sister Xie, are you sure Henry Zhou canceled his trip to Yuncheng City?”

“I’m sure.” Linda was certain. “Moreover, the reason is definitely related to the Shen Corporation’s upcoming cooperation.

“Henry Zhou arranged for his assistant to come over for an inspection before the week ended. I’ve just received news that his assistant has decided to return to M Nation at the last minute. This also proves that the collaboration between Henry Zhou and the Shen Corporation has probably failed.

“Otherwise, his assistant wouldn’t have returned so quickly.

“She shot herself in the foot this time. If she’s not careful, the Shen Corporation might be ruined by her. I remember that the Shen Corporation’s share price kept falling, and it almost went bankrupt because of that. If the Shen Corporation goes bankrupt because of her, she’ll be a real sinner.”

Linda rambled on.

Half an hour later, the call ended.

...

Qiao Mianmian was energetic after the call.

She immediately opened Weibo and searched for Shen Xin’s post.

Shen Xin’s Weibo post had been reposted more than 200,000 times.

And the titles of the trending topics changed.

# Shen Rou’s sister exposed the truth on video #

# Shen Rou Lying #

# Shen Rou failed to clear her name #

# Exposing Best Actress Shen Rou’s True Colors #

A few minutes later.

Qiao Mianmian finished watching Shen Xin’s video.

She had mixed feelings.

Shen Xin and Shen Rou had different personalities.

This was what she knew.

Although Qiao Mianmian didn’t like Shen Rou, she wasn’t biased against Shen Xin.

On the contrary, she actually had a good impression of her.

Especially during this period, Shen Xin often went to the hospital to help take care of Qiao Chen.

She had already accepted that Qiao Chen and Shen Xin would be together.

She didn’t know if Shen Xin had chosen to step forward because of Qiao Chen, but she knew that with Shen Rou’s personality, Shen Xin would probably not have it easy in the Shen family.

Qiao Mianmian called Qiao Chen.

“Sister.” Qiao Chen picked up quickly.

Qiao Mianmian said directly, “Chen Chen, do you know that Shen Xin posted on Weibo and exposed Shen Rou’s lie? Did she tell you about this beforehand?”

“Mm, I know. Shen Xin came to see me this afternoon and told me about it.”

“Is she still with you?”

Qiao Chen was silent for a few seconds before saying, “She just went home.”

“She went home?”

“Mm.”

“Chen Chen, Shen Xin’s family will definitely be very angry about her post. Shen Rou won’t let it go so easily. She’ll definitely make a scene. Shen Xin’s life won’t be good when she gets home.”

Qiao Chen kept quiet for a few more seconds. “Mm, I know. Sister, I’ve told her that if she feels unhappy living at home, she can move out. Dad bought two properties for me. She can live anywhere she wants.

“In any case, I’ll take care of her. Even if she leaves the Shen family, she still has me.”

“Chen Chen...” Qiao Mianmian hesitated.

“Sister, what are you trying to say?”

“Chen Chen, your brother-in-law was very angry this time, so he taught the Shen Corporation a lesson. Now that the Shen Corporation’s share price has dropped drastically, and your brother-in-law lost a few big deals, the Shen Corporation might suffer a huge blow this time.

“Shen Xin will definitely know about this later. Although I don’t object to your relationship and I don’t have any objections if you two want to be together, the feud between the two families has indeed been formed. Can you really put aside this feud and continue to interact with her?”

Qiao Mianmian was worried that her brother was too deeply involved.

It would be a pity if it didn’t end well.

Qiao Chen would definitely be hurt too.

Previously, because the Mo family didn’t help and because of Shen Rou, the two families already had some grudges.

After this, the Shen family’s hatred towards the Mo family would probably deepen.

### **Chapter 2546: Untitled**

The relationship between the two families would never return to how it was in the past.

There were many practical problems to consider.

At that time, even if the Mo family didn’t stop Qiao Chen from interacting with Shen Xin, what about the Shen family?

Qiao Chen kept quiet.

“Chen Chen, I’m not objecting to your relationship. Shen Xin is a very good girl. If you like her and want to be with her, Sister will definitely support you. I’m just afraid that the relationship between the Shen and Mo families will worsen and affect you.

“If Shen Xin still cares about her family, she won’t completely ignore them. If she does, you guys...”

Qiao Mianmian stopped talking.

Qiao Chen was smart enough to know what she meant.

After a while, Qiao Chen’s emotionless voice sounded. “Sister, I’ve thought about what you said a long time ago. No matter what, I won’t give up on her. I have to give it a try.

“Even if she...” Qiao Chen’s voice grew a little hoarse. “Even if she decides not to interact with me because of her family, I won’t give up on her.”

The young man’s voice was hoarse but firm.

Every word sounded like an oath.

“Unless she marries, I won’t give up on this relationship.”

This was the first time Qiao Mianmian heard Qiao Chen’s attitude and plans for this relationship so clearly.

She knew that he liked Shen Xin.

But she didn’t expect him to have such deep feelings for her.

He was only 18, still a child in the eyes of many.

Many people wouldn’t take an 18-year-old’s words too seriously.

After all, who hadn’t fallen for someone in their youth?

How long could their relationship last?

He wasn’t mature enough yet.

But Qiao Mianmian knew her brother well.

The siblings shared the same views.

Shen Xin was Qiao Chen’s first love.

She meant a lot to him.

That was why Qiao Mianmian reminded him of some practical problems and not that this relationship wasn’t important.

Qiao Chen was young, but his mind was firm.

Once he made up his mind, no one could persuade him.

Including his sister, who was very important to him.

“Alright, since you’ve thought it through, I won’t persuade you anymore. Make your own decision. But there’s something I have to remind you of.”

“Sister, say it.”

“Well...” Qiao Mianmian pursed her lips. She thought about what she was about to say and pretended to cough. “Well, if... I mean if you two are together, it’s fine if you want to date. But before you graduate, you can’t cross the minefield. Unless you’re sure about marriage. Chen Chen, you’re a boy, you have to be more self-aware about this.

“Ahem, um... do you understand what I mean?”

Although he was her younger brother, he was still a big boy.

Qiao Mianmian was a little embarrassed about these sensitive topics.

But she was like a mother.

If she didn’t say it, who would?

Of course, she had confidence in her brother. She knew that he was a well-behaved child..

## **Chapter 2547: Untitled**

**Translator:** Atlas Studios **Editor:** Atlas Studios

But it was inevitable.

Qiao Chen was silent for a full minute.

Then, she heard the young man say uncomfortably, “Sister, I know.”

“Alright.” Qiao Mianmian was actually a little uncomfortable. She quickly ended the topic. “You’re an adult now, I believe you know what to do. Then, I won’t be long-winded.”

Qiao Mianmian then hung up.

...

At the same time, in the Shen family.

“Eldest Miss, Madam, Old Master, Second Miss is back.” The butler walked into the hall, followed by a petite figure.

The atmosphere in the hall was heavy.

The butler glanced at Shen Rou, who was sitting beside Madam Shen with an awful expression. He then looked at Shen Xin behind him and couldn’t help but worry for her.

This time, First Miss was very angry.

Everyone in the Shen family knew that Second Miss had angered First Miss. After First Miss came back, she lost her temper and smashed a lot of things. The group of people below them didn't dare to make a sound.

Old Master and Madam seemed angry too.

Second Miss might not be able to survive this.

Young Lady Shen was in charge now.

What Second Miss did had ruined Eldest Miss's reputation. It was said that the company was also affected.

He wondered how First Miss would treat Second Miss later.

Although the butler was worried, they were still biological sisters.

No matter how angry First Miss was, she couldn't really do anything to her sister.

At this thought, the butler looked at Shen Xin again and couldn't help but slow down. He then lowered his voice and reminded her, "Second Miss, First Miss is very angry now. Madam and Old Master are also very angry. In a while... speak better and take the initiative to apologize. Don't argue with them."

The butler retreated.

Shen Xin walked towards Shen Rou.

She looked at the sullen Shen Rou and then at Madam Shen and Father Shen. After a few seconds of silence, she said softly, "Dad, Mom, Sister, I'm back."

Shen Xin had just finished speaking when a shadow fell in front of her. Shen Rou got up and gave her a tight slap, causing her face to jerk to the side.

Her face swelled.

Shen Rou's actions shocked everyone in the hall.

Father Shen and Madam Shen were shocked too. Madam Shen stood up with wide eyes. "Rourou, why did you hit your sister?"

Shen Rou's eyes were cold and her expression was gloomy. She looked at Shen Xin without a trace of warmth. "Why can't I hit her? She's a traitor! She's eating the Shen family's food and using the Shen family's clothes. Her current superior life was all given to her by the Shen family. But at the crucial moment, she wants to push our Shen family into the fire pit for an outsider.

"Shouldn't we hit such a heartless ingrate?"

Madam Shen was stunned. She looked at Shen Xin's swollen face and felt sorry for her.

Madam Shen had always loved her younger daughter.

Although she was angry at her actions this time, her heart ached when she saw her beloved younger daughter being hit.

“Rourou, Xiao Xin was just confused.” Madam Shen couldn’t bear it.. She walked to Shen Xin’s side and held her hand.

#### **Chapter 2548: Untitled**

**Translator:** Atlas Studios **Editor:** Atlas Studios

“Xiao Xin is still young, so it’s understandable that she isn’t considerate enough. She did something wrong, can’t she just salvage it?”

“You’re biological sisters. Talk nicely. Don’t hit her so easily.”

Madam Shen’s protective behavior made Shen Rou even angrier.

She glared at Shen Xin. “What do you mean young? She’s not considerate enough. She doesn’t even care about her family anymore because of Qiao Chen.

“I’m her biological sister, but she actually helped that slut Qiao Mianmian! I think she’s blinded by love. She doesn’t even care about her family anymore.”

Shen Xin didn’t react to Shen Rou’s slap. She just covered her face and listened to the scolding.

She only looked up when Shen Rou mentioned Qiao Mianmian and Qiao Chen.

The girl looked at Shen Rou expressionlessly.

“Do you see that!” Shen Rou was even more furious when she saw her reaction. She pointed at her nose and sneered. “She didn’t react to everything I said. Now that I mention Qiao Chen, she looks at me like that.

“What’s wrong? Are you unhappy that I said that about him? Shen Xin, don’t forget your surname. Are you going to turn against your sister for a man? Let me tell you, the Shen family is relying on me now. If anything happens to me, do you think you can still have a good life?”

“Do you think that Qiao Chen would still think highly of you if the Shen family falls from power?”

“Do you think that by helping Qiao Mianmian this time, he’ll be grateful to you, develop a good impression of you, and fall in love with you? Stop dreaming. He didn’t like you when he was still a poor boy. Now that he’s the Young Master of the Mo family, he can’t possibly like you.

“Everything you’ve done was just to move him. He’s willing to interact with you now because he feels that you still have some value. Do you believe that after this incident, he won’t bother about you anymore? I really can’t understand how I have such a stupid sister like you. He’s just a man, and you’re already so infatuated with him that you don’t even care about your family.

Shen Rou’s words were harsh.

Shen Xin’s face turned pale.

“Sister, Qiao Chen isn’t this kind of person.” Shen Xin didn’t defend herself, but she couldn’t tolerate Shen Rou talking about Qiao Chen like this.

She knew very well what kind of person Qiao Chen was.

He had never used her.

“He’s not?” Shen Rou said angrily. “You’re confused by him, that’s why you can’t see clearly. The siblings are the same kind of people, they’re not good people. They use any means to get close to the rich and powerful.

“These two lowly people used tricks and schemes, and now they’ve become upper-class people.”

“Sister, you’re biased against them.” Shen Xin shook her head. “Qiao Chen has never used me, and he never asked me to do anything. I did everything willingly.

“I don’t agree with you.”

### **Chapter 2549: Untitled**

**Translator:** Atlas Studios **Editor:** Atlas Studios

Shen Rou’s expression was getting darker, but Shen Xin wasn’t afraid. She said what she wanted to say. “If Brother Yesi doesn’t like Sister Qiao, it’s useless no matter how scheming Sister Qiao is.

“Sister, don’t you know this best?” Shen Xin asked.

Shen Rou had liked Mo Yesi for over 20 years.

All these years, in order to make Mo Yesi like her, she’d actually done a lot.

But Mo Yesi still didn’t like her.

Shen Xin said this to let Shen Rou know that her so-called scheming methods were useless in front of Mo Yesi.

Many women used tricks on Mo Yesi.

If they could make him fall in love with them, Shen Rou wouldn’t have been in love with him for over 20 years.

Shen Xin’s words unveiled the scar that Shen Rou couldn’t face the most. She also unveiled her cover and instantly angered her.

Stunned, Shen Rou flew into a rage. She raised her hand and was about to hit Shen Xin again.

However, this time Shen Xin wasn’t so silly.

Before Shen Rou’s slap landed, she turned away.

Shen Rou’s hand fell on empty space. Seeing that Shen Xin actually dared to dodge it, she felt that her authority had been challenged and flew into a rage.

“Shen Xin, are you provoking me?” She said fiercely. “Do you want to go against me for Qiao Mianmian and Qiao Chen?”

Shen Xin looked up at the person in front of her.

She felt familiar, but also foreign.

Shen Rou just said that she'd lost herself because of a man.

But to Shen Xin, Shen Rou was the one who lost herself.

In Shen Xin's memory, her sister was a beautiful, confident, and charming woman.

She knew her goal all along.

Shen Rou had been outstanding in her studies since she was young.

She had always been the "other people's child" kind.

Just like Mo Yesi, she graduated from a prestigious university overseas.

Shen Xin worked hard because Shen Rou was a good role model for her.

She was very proud of having an outstanding sister.

She hoped that she could become as outstanding as her sister.

But she didn't understand why her outstanding sister became like this.

She'd fallen for someone and lost herself, becoming a stranger.

Shen Rou's obsession made her a scary person.

Shen Xin looked at her blankly and felt sad.

She knew that her relationship with her sister would never return to how it was in the past.

Unless she was willing to follow Shen Rou's instructions.

But that was impossible.

"Sister, can't you let go of your obsession? Let go of Brother Yesi, Sister Qiao, and stop paying attention to them. Can't you live well without him? Why do you have to do those things?"

"Are you really happy to see Sister Qiao and Brother Yesi in trouble?"

"Let go? Why should I?" Shen Rou's eyes were red. "That slut Qiao Mianmian ruined my life and stole everything that belonged to me. Why should I let her off?"

"I hate her. I can't wait for her to die. As long as I'm alive, I won't let that slut off."

"Shen Xin, post on Weibo again and deny what you said before. If you admit that you did everything, we can still be sisters."

"Otherwise..."

### **Chapter 2550: Untitled**

Shen Rou's eyes turned fierce. "We won't be sisters anymore!"

Shen Xin looked at her in shock.

Shen Rou sounded so determined.

Even Madam Shen and Father Shen's expressions changed.

"Rourou, what are you saying..." Madam Shen didn't want her two daughters to be in a bad relationship. If they really got into a fight, she didn't know which side to help.

"What do you mean by not being sisters anymore? You both came out from my womb. This blood relationship won't change no matter what. Be it you or Xiao Xin, you'll always be my daughter.

"We're family, let's talk about it. Don't say such hurtful words."

"That's right." Father Shen, who had been silent all this while, also said disapprovingly, "What do you mean you're no longer sisters? I don't like to hear these words. Don't say them anymore. Xiao Xin, your sister was too angry, that's why she said that. What happened to that Weibo post, did someone ask you to do that?"

Shen Xin pursed her lips and shook her head.

"No, no one asked me to do that. It was my own idea."

Madam Shen saw Shen Rou's gloomy expression and hurriedly tugged on her younger daughter's sleeve. She advised her nicely. "Xiao Xin, quickly make another post. Don't anger your sister anymore. Do you know how much impact your post had on your sister?"

"Even the Shen Corporation was affected. Have you forgotten how the outsiders treated us when our family was down? I don't want to experience such a life again. Dad and Mom have doted on you since you were young. Take it that you're helping us, alright?"

"Family have to help each other. Your sister is in trouble now, how can you leave her in the lurch?"

"Xiao Xin." Father Shen looked at Shen Xin seriously and sighed heavily. "Only you can help your sister. If your sister's matter can't be resolved, the Shen Corporation will be greatly affected.

"Our Shen family can't afford another blow.

"Be good and stop being willful. You're helping your sister and our family, do you understand?"

Shen Rou kept quiet.

As long as Shen Xin agreed, she would have a chance to clear her name.

Shen Xin looked at Madam Shen and Father Shen, who were looking at her expectantly.

She knew that what they said was true.

The Shen family couldn't take any more blows.

If Shen Rou's negative news wasn't resolved, it would have a huge impact on the Shen Corporation.

She had already heard that the Shen Corporation's stock price was affected by this incident.

If she was sensible and filial enough, she should have agreed.

“Xiao Xin.” Madam Shen waited for a while and couldn’t help but call her. “Why aren’t you saying anything? Are you still unwilling? Xiao Xin, you’re the daughter of the Shen family. If our family is in trouble, you won’t be fine too.

“What are you hesitating for?”

“Is it really as your sister said, that your family isn’t as important as an outsider?” Madam Shen was getting angry.

At this point, if her daughter was still insensible and disobedient, she would feel that she had raised her for nothing.
