

## Big Shot 2571

### Chapter 2571: He Wasn't Even Interested in Taking a Look at Them

"Oh? Familiar?" Gong Zeli smiled. "Chairman Zhao, what do you find familiar?"

This smile made the middle-aged man shudder.

He didn't dare to speak the truth.

Unless he wanted to die.

Speaking of which, he had worked with the Gong Corporation a few times and was considered Young Master Gong's business partner.

But he didn't dare to offend him.

Everyone in Yuncheng City knew Young Master Gong's temper.

This man was temperamental and could turn hostile at any time.

He might be smiling at you now, but it might be hiding a knife.

Hence, even if the middle-aged man guessed something, he didn't dare to say it.

"Hahaha, my eyes were playing tricks on me just now. Now that I look at her again, she doesn't look like her anymore. Since Young Master Gong has an appointment with a beauty, I won't disturb you anymore. When Young Master Gong is willing to give me face, I'll treat you to a drink.

"Young Master Gong, I'll make a move first. See you another day."

With that, the middle-aged man turned around and left.

He walked quickly as if someone was chasing him.

Gong Zeli looked in the direction he left in and sneered.

"Fourth Bro, I didn't expect you to arrive before me."

Just as the middle-aged man left, Gong Zeli heard a voice behind him. He turned around and saw Yan Shaoqing walking towards him with a hot female companion.

It was another unfamiliar face. It seemed like Yan Shaoqing's new lover.

The woman was very beautiful. At first glance, she was stunning. She could be considered a top-notch beauty.

But Gong Zeli only looked at her for a second before looking away.

Except for her, he found other women boring no matter how beautiful they were.

He used to think that he liked Shen Rou, but he didn't feel this way towards her.

He didn't have a strong desire for Shen Rou.

And he wasn't interested in other women because of her.

But he felt differently towards Qiao Mianmian.

After realizing that he liked her, there were no other women around him.

Those women weren't her.

He wasn't even interested in taking a look at them.

He finally knew what it was like to really like someone.

He finally understood that he had never really liked Shen Rou.

Even before he knew the truth, his feelings for Shen Rou were just gratitude. It had nothing to do with love.

Yan Shaoqing walked towards Gong Zeli with his new lover in his arms. He was smiling, but when he saw the petite figure standing behind Gong Zeli, he was shocked and speechless.

"Fourth Bro, why are you still..."

Yan Shaoqing was about to ask why he hadn't sent this little girl away when he suddenly recalled how he scared her to tears last time. He changed his words. "Doesn't this little girl have to go to school? Why is she here with you?"

"The internship period is more relaxed," Gong Zeli said calmly.

"Oh." Yan Shaoqing nodded.

"Y-Young Master Yan."

Su Su walked out from behind Gong Zeli and looked at Yan Shaoqing timidly..

### **Chapter 2572: Watch How You Address Her in the Future**

Su Su walked out from behind Gong Zeli and looked at Yan Shaoqing timidly.

Yan Shaoqing pursed his lips. "Mm."

He was giving Gong Zeli face.

He really didn't like this little girl called Su Su.

She looked timid, and his voice alone was enough to scare her.

It was as if he was a wolf.

Was this a joke?

Yan Shaoqing had good looks, a good figure, good family background, and was gentle and caring towards women.

When women saw him, they were only charmed and not afraid of him.

It was the first time in his life that he was guarded against like a monster. He was unhappy.

Moreover, Su Su was Qiao Mianmian's substitute.

This made Yan Shaoqing even more uncomfortable.

What a joke. Who could replace a goddess like Sis-in-law?

Su Su looked a little similar, but she was nothing compared to Sis-in-law.

There was a difference in looks, temperament, and personality.

He really didn't know what Fourth Bro was thinking. He thought that after talking to him for so long, he would have sent Su Su away long ago. He didn't expect him to keep her by his side.

Su Su could tell that Yan Shaoqing didn't like her, so she stood aside after greeting him.

She knew why Yan Shaoqing didn't like her.

She knew that if she had a backbone, she should have left Gong Zeli.

But... she couldn't.

She really liked Gong Zeli.

She liked him so much that she was willing to stay by his side even though she was just a substitute.

She even humbly thought that it was fortunate that she looked like the woman he liked, so she had the chance to be by his side.

"Does this little girl know how to play basketball? Bring her here." Yan Shaoqing glanced at Su Su, who had her head lowered and her hands crossed in front of her. "If she doesn't, won't she be bored watching us play?"

"She doesn't know. We can get someone to teach her." Gong Zeli turned and walked towards the changing room. "She can wait for us at the rest area. If she's really bored, she can go back anytime."

Yan Shaoqing immediately caught up with him.

He shrugged. "Alright, you can arrange everything for your woman. I'm worrying for nothing."

Su Su heard what Yan Shaoqing said.

The word "your woman" made her heart race.

She blushed and looked up at Gong Zeli.

Would he admit it?

Admit that she... was his woman.

Gong Zeli stopped in his tracks and turned to look at him.

Yan Shaoqing stopped in his tracks and raised an eyebrow. "What's wrong?"

"Mm, you're wrong," Gong Zeli said expressionlessly. "She's not my woman. Watch how you address her in the future."

"Not your woman?" Yan Shaoqing raised his brows even higher. He glanced at Su Su, whose face had turned pale..

### **Chapter 2573: This Guy Is Really Heartless!**

"Not your woman?" Yan Shaoqing raised his brows even higher. He glanced at Su Su, whose face had instantly turned pale, and pondered over this sentence. Then, he smiled and said, "Fourth Bro, are you trying to tell me that you spent money to raise this little girl just to look at her?"

"You haven't..."

"You can shut up now." Gong Zeli interrupted him coldly. "Do you want to play basketball or not? If not, you can go back now."

Yan Shaoqing was speechless.

Damn.

Gong Zeli's attitude deserved a beating.

Had Fourth Gong forgotten who invited who?

As a brother, after receiving the invitation, he gave up the afternoon sea party without thinking and came here to play golf with a man.

If they hadn't been brothers for so many years, would he be able to do this?

One had to know that the gathering in the afternoon was filled with top-notch beauties from all over the world.

Such gatherings were only held once a year.

If he missed it this time, he would have to wait for next year!

He even gave up so many beauties for his brother. It was fine if Fourth Gong wasn't touched, but why was he being so mean to him?

He was furious.

Yan Shaoqing was furious. "Fourth Bro, you have no conscience. If it wasn't for your call, I would have been hugging beauties and enjoying myself now. Do you know how many beauties I've thrown away because of you?"

"Oh, is that so?" Gong Zeli's expression was still calm. "It's not too late to go now. I won't stop you."

Yan Shaoqing was speechless.

Damn, Fourth Gong was really heartless!

He must be out of his mind to give up his beauties for this ingrate.

“Forget it, forget it. It’s not like I didn’t know what kind of person you are.” Yan Shaoqing glared at him for a while and seemed to accept his fate. “Don’t think of calling me out next time. Let me tell you, I won’t be so easy to date in the future.”

Did Yan Shaoqing not care about his reputation?

“Oh.” Gong Zeli still sounded indifferent. “So, are you leaving or not?”

Yan Shaoqing was speechless.

Damn it!

Why didn’t he know that Gong Zeli was capable of angering people to death?

“I won’t argue with you! Do you think I’m as petty as you? Anyway, I haven’t exercised in a long time, it’s not bad to play and relax.

“I’m going to change my clothes. We’ll have a good PK later. The loser will have all the money and a car tonight. Do you dare to bet?”

Gong Zeli smiled. “If you insist on giving me money, I have no reason to reject you.”

“Haha.” Yan Shaoqing sneered. “It’s not certain who will give the money to who. Aren’t you afraid of being slapped in the face if you say it so early?”

“Let’s give it a try.”

“Alright, let’s give it a try.”

They quickly went into the changing room to change.

The female companion that Yan Shaoqing brought along also walked towards the ladies changing room. After taking two steps, she saw that Su Su was still standing there with a pale face, so she called her. “Little girl, aren’t you going to change your clothes?”

Su Su snapped out of her daze.

She was too young to hide her feelings.

Her eyes were full of disappointment and sadness.

Although she knew that she wasn’t Gong Zeli’s woman, she still felt sad when he denied it.

Yes, he’d raised her.

But he had never touched her.

Su Su knew why he didn’t touch her.

He had someone in his heart.

Because she looked a little like that person, she was lucky to be by his side.

But that was all.

He treated her as that person's substitute, but he knew that she wasn't that person.

Hence, he would never touch her.

Why would he touch a substitute?

"Little girl, do you like Young Master Gong?" The woman Yan Shaoqing brought was smart enough to read Su Su's mind. She found it funny and tried to persuade her. "Little girl, I've been through this before. Listen to me. In our line of work, it's taboo to lose your heart.

"Don't be silly.

"Young Master Gong and the others live in a different world. It's not good to harbor ill intentions towards them."

Su Su blushed and quickly denied it. "You've misunderstood. I don't have any feelings for Young Master Gong."

"Is that so? It's best if you don't." The woman looked at her coquettishly and smiled. "Otherwise, you'll be the one suffering in the end. People like us are like cats and dogs to them. If they're in a good mood, they'll give you some benefits and tease you. If they're in a bad mood, they'll kick you away.

"We can covet their money and power, but we can't covet their hearts. Sister saw that you're young and was afraid that you wouldn't be able to control yourself, so she said a few more words to you. I heard that Young Master Gong is rather generous. Since you have the chance to stay by his side, you might as well think about how to gain more benefits from him.

"Don't think about anything else."

The woman didn't say anything else and went to the changing room.

Whether the other party would listen to her kind reminder depended on whether she had a clear mind.

Su Su was still standing rooted to the ground when the woman entered the changing room.

The biggest taboo was losing her heart.

But what to do?

She'd lost her heart the moment she saw Gong Zeli.

...

Only Gong Zeli and Yan Shaoqing were in the changing room.

Yan Shaoqing changed his clothes first, but he didn't leave immediately. Instead, he turned around and looked at Gong Zeli, who was putting on his sportswear.

He thought for a while and said, “Zeli, about Su Su... do you still want her to stay by your side?”

#### **Chapter 2574: Untitled**

Yan Shaoqing saw the way Su Su looked at Gong Zeli.

She was obviously in love.

Once a girl like her fell for someone, she would be very stubborn and easily get into trouble.

It was easy to go to the extreme in the future.

Anyway, it would be troublesome.

Of course, they weren't soft-hearted.

It was possible to resolve such a problem.

But if the other party was seeking death, it would be troublesome. Hence, it was best not to get involved.

He'd met one before.

He was afraid of this type of woman.

Hence, if anyone were to talk to him, he would feel it was even scarier than a ghost. He would definitely escape faster than a rabbit.

“I know what to do.” Gong Zeli was still nonchalant. After changing, he turned and left.

Yan Shaoqing was speechless.

Damn.

It seemed like he was being too anxious.

“Fourth Bro, don't take it too seriously.” Yan Shaoqing was so angry that he almost stomped his feet. If he didn't think that this was too feminine, he would have really done it. “I've suffered in such matters before, I won't lie to you.

“Let me tell you, that little girl is definitely attracted to you. If you don't get rid of her now, it won't be so easy for you to get rid of her in the future. Moreover, have you forgotten how Shen Rou became like this? Don't underestimate a woman's jealousy. Once she knows who the person in your heart is, she won't be able to help but be jealous of that person.

“Do you want Shen Rou's tragedy to repeat itself? Even if you don't care about Su Su's life, what about Qiao Mianmian's...?”

Yan Shaoqing tried to persuade him, but Gong Zeli didn't seem to listen. He thought for a while and had no choice but to bring Qiao Mianmian out.

Fourth Bro didn't care about anyone else, but he definitely cared about Qiao Mianmian.

Indeed.

Gong Zeli was already at the door when he stopped in his tracks.

Yan Shaoqing followed him.

“Even someone as proud as Shen Rou would do those things out of jealousy. Do you think that Su Su can’t do it? Even if she can’t do it now, it’s hard to guarantee that she won’t hurt Qiao Mianmian in the future.

“If you really want to protect Qiao Mianmian, you shouldn’t have involved Su Su in this matter.

“That’s all I have to say. Think about it yourself.”

Yan Shaoqing patted Gong Zeli on the shoulder and walked in.

Gong Zeli stood at the door with narrowed eyes.

...

Su Su changed and waited for Gong Zeli outside the men’s changing room.

She waited for a while and saw the door open. Her eyes lit up and she took a step forward.

Before he could say “Mr. Gong”, she saw that it wasn’t Gong Zeli but Yan Shaoqing.

She was stunned for a moment before she wiped the smile off her face. “Young Master Yan.”

Yan Shaoqing nodded and stopped beside her.

Su Su stiffened and looked nervous.

She knew that Yan Shaoqing didn’t like her.

Hence, she was a little afraid whenever she saw him..

### **Chapter 2575: Untitled**

“Y-Young Master Yan, what’s the matter?” Su Su took a small step back and distanced herself from him.

Yan Shaoqing smiled and said lazily, “Little girl, you should know very well why you can stay with Fourth Bro, right?”

Stunned, Su Su looked up.

She saw Yan Shaoqing’s long and narrow eyes staring at her.

He usually looked frivolous and unreliable, but at this moment, being stared at by him, Su Su felt like his peach blossom eyes had a penetrating power, instantly seeing through her thoughts.

She was flustered.

“Young... Young Master Yan, what do you mean? Su Su doesn’t understand...”

“It doesn’t matter if you really don’t understand or if you’re pretending.” Yan Shaoqing looked down at her. His eyes were very calm, very different from his usual playful look. “Fourth Bro only left you by his side in a moment of folly. When he understands, return to where you came from. You won’t stay by his side for too long, so it’s best to behave yourself. Don’t think about things you shouldn’t.

“And don’t do anything you shouldn’t do just because of that.

“Don’t worry. You’re with Fourth Bro, he won’t mistreat you.”

Su Su’s eyes widened and she turned pale.

Yan Shaoqing looked at her again. “Stay in peace until the day you leave. What you get is enough for you to live a carefree life. Otherwise, not only will you not get anything, you won’t have a good life in the future either.

“Little girl, be smart. You should know what’s best for you.”

With that, Yan Shaoqing ignored the person who was about to faint and walked past her.

He wasn’t trying to humiliate her.

But he was worried that history would repeat itself.

That was why he said it first. Even if the other party had any intentions, it would serve as a deterrent.

It all depended on how smart Su Su was.

If she was like those scheming women, having thoughts she shouldn’t have, but hoping for something she shouldn’t have, then she’d definitely ruin her future.

He hoped she was smart.

Otherwise, Fourth Bro would really be in trouble.

Not long after Yan Shaoqing left, the changing room door was pushed open again.

Gong Zeli walked out in his sports attire.

Seeing him, Su Su couldn’t help but smile shyly and sweetly. Her eyes lit up as she took two steps forward and called softly, “Mr. Gong.”

Gong Zeli looked at her and nodded.

Su Su’s gaze landed on him. She was stunned for a few seconds when she saw him in his black sports attire.

Gong Zeli was different from usual.

He was usually dressed in black and had a cold aura.

Although he was still in black today, he looked much more casual in sportswear..

**Chapter 2576: Falling for It Without any Respect**

He was no longer unapproachable.

It was the most common style, but it looked especially good on him.

Su Su blinked and her eyelashes trembled. She glanced at his unusually fair and handsome face and her heart raced.

Mr. Gong was really good-looking.

She had never seen a better-looking man.

She knew that she shouldn't have fallen for him.

They were from two different worlds. If she liked him, nothing good would come of it.

But she couldn't control herself.

Even if she knew that once she fell into it, she might not be able to escape, she still fell for him.

She didn't expect too much.

She was already very happy and satisfied to be able to stay by his side and see him often.

She was willing to be his substitute for the rest of her life.

But her eyes dimmed when she thought about what Yan Shaoqing said.

Was it a dream to be by his side?

...

An hour later.

Yan Shaoqing called for a pause.

"Stop, stop. I'm so tired. Let me rest for 10 minutes before continuing."

His face was full of sweat. He threw his club to the attendant at the side and took a bottle of cold mineral water from the beauty he brought. He drank half a bottle.

On the other side.

Gong Zeli looked more relaxed than him.

There was no sweat on his face, and his breathing was steady. It didn't look like he had just played golf for an hour.

Gong Zeli handed the club to the attendant calmly.

He glanced at Yan Shaoqing and smiled. "You're so young, but your body is already so weak. I advise you to control yourself. Otherwise, you'll be completely useless in a few years."

"What useless? I'm healthy. You're the useless one. Your whole family is useless."

How could a man tolerate being thought of as weak?

Yan Shaoqing immediately rebutted.

Gong Zeli ignored him and sat down. "You lost the match just now. Do you still want to compete with me?"

"Of course, we have to compete. It's too early to say who won or lost. Don't forget that we agreed on three rounds to decide the winner." Yan Shaoqing was already badly abused in the first round, but he wouldn't admit defeat just like that.

How embarrassing.

Even if he lost, he had to lose fair and square!

"Alright, I'll make you admit defeat." Gong Zeli smiled.

"Mr. Gong, have some water." Su Su took a cup of tea from the attendant and placed it in front of him. "The temperature is just right."

Gong Zeli looked up at her. "Why aren't you playing? Didn't I arrange for a coach to teach you?"

Su Su pursed her lips. "I-I can't learn it well. It's the same when I watch Mr. Gong play with Young Master Yan."

"If you're bored, go back first." Gong Zeli looked into her eyes and softened his voice. "I'll get the chauffeur to pick you up for dinner tonight."

"Not at all.."

### **Chapter 2577: Secretly Looking at Her Life**

Gong Zeli looked at Qiao Mianmian's WeChat profile picture and smiled.

Her WeChat name was "Mianmian isn't soft and cute".

The profile picture was of a fat orange cat.

It was a good match for the big yellow cat.

But that fat cat didn't match her temperament and looks. Although it looked cute, it looked like a greasy middle-aged cat.

Gong Zeli felt that if Qiao Mianmian was a cat, she should be a sweet and obedient cat.

For example, a Ragdoll or a Ginger.

Gong Zeli didn't know that the cat on Qiao Mianmian's profile picture was the orange cat raised by Mother Bai.

Gong Zeli opened her Moments.

He felt like a voyeur.

He was secretly looking through her life.

And this was something he'd never done before.

He wasn't interested in anyone's life.

Not to mention trying to find out about it secretly.

He hadn't seen her in a long time.

He found out about her recent situation from her Weibo account and Yan Shaoqing.

He wanted to see her.

He wanted to see her so badly, but he could only bear with it.

When had he, Gong Zeli, become so pathetic?

He despised himself for his actions now.

But this was the only way he could get to know her better and get closer to her.

It was a good way to understand someone.

Gong Zeli originally thought that Qiao Mianmian would be like other girls, posting more frequently on her Moments, and most of them should be her selfies. But he didn't expect that when he opened Qiao Mianmian's Moments, it was different from what he imagined.

Qiao Mianmian didn't update too often.

She didn't set any rules about who could see her Moments.

Hence, Gong Zeli could see all her updates.

It was surprisingly few.

It seemed it was updated weekly.

Most of the time, it would only be updated once a month.

At times it was only updated once every two months.

There weren't many selfies in her friend circle.

She updated her daily life.

For example, she had a good meal one day.

For example, she met a stray cat one day and felt that it was very pitiful. She especially went to the supermarket to buy ham sausage to feed the cat.

Or maybe she went to watch a movie she thought was very good.

One of the few selfies was one where she showed two pimples on her face and said in an aggrieved tone that she'd only eaten hot pot for three days. She didn't expect to have pimples.

There was also a selfie with dark eye circles.

Unlike some girls who photoshopped to look good, she not only did not use makeup, but she also used her original camera.

Her face was so close to the camera, but she was still so good-looking.

Her skin was fair and smooth. Even without photoshop, no flaws could be seen.

Gong Zeli looked at the selfie with pimples and the one with dark eye circles. He narrowed his eyes and looked at them for a long time.

No matter how he looked at it, Qiao Mianmian looked adorable in the two selfies..

### **Chapter 2578: Uncontrollable Jealousy**

Even her pimples were cute.

Gong Zeli saw Qiao Mianmian's last post.

It was about a week ago.

There was only one sentence: [Someone has been getting naggy recently. Is he entering menopause early?]

Yan Shaoqing even commented on this post: "Sis-in-law, Second Bro only nags at you. He doesn't even say anything unnecessary to us. This isn't the prelude to menopause, this is how he loves you."

Qiao Mianmian replied to him.

Mo Yesi also replied: "I think Shaoqing is right."

Qiao Mianmian: "Then, can you do it another way?"

Mo Yesi: "Like what? In the future, we'll use kissing?"

Qiao Mianmian was speechless.

Yan Shaoqing: "Please be good. Can you consider my feelings as a single person? Can you not show your affection in the comment section? Can't you do it in private?"

Mo Yesi: "If you're envious, find a wife soon. I can tell Old Master Yan to arrange a few blind dates for you."

Yan Shaoqing: "No, Second Bro, I was wrong. I'll go offline. You and Sis-in-law can pretend that I don't exist. You can chat however you want."

From the interactions in the comment section, it could be seen that they had a good relationship.

It was obvious that Qiao Mianmian and Mo Yesi had a good relationship.

Gong Zeli looked at this post and couldn't help but feel jealous.

At that moment, he couldn't tell if he was jealous of Yan Shaoqing's good relationship with Mo Yesi and Qiao Mianmian, or jealous of the sweet happiness between Mo Yesi and Qiao Mianmian in their daily replies.

Or both.

He looked at it for a while, and it was only when Yan Shaoqing started to urge him that he quickly recorded Qiao Mianmian's WeChat message and pretended to make a call.

...

Qiao Mianmian was shortlisted for the 23rd Golden Globe Award for Best Female Lead because of her first television drama "If You Can't Love".

The Golden Globe Awards' official Weibo posted the nomination list.

Almost all the nominees were capable and experienced actors with several representative works.

For example, Shen Fei, Qin Han, and Jiang Yanling.

As for the rest, even if they didn't receive any awards, they were all rather reputable in the industry.

As the only newbie, Qiao Mianmian stood out.

When the fans saw this list, they were naturally happy for their idol.

"Wow, Mianmian was nominated for the Golden Globe Award for Best Female Lead for her first television drama. Our Mianmian is too amazing. As a member of Mianmian's fan club, I'm too proud!"

"The first television drama that Mianmian starred in has the best viewership ratings this year. The viewership ratings alone are already very good, and now she's been shortlisted for such an amazing award. This is a form of proof of Mianmian's capability. Her first production has such good results, and her future development is limitless. But as Mianmian's fans, we can't be proud. You have to know that arrogance leads to defeat. Mianmian is still a newbie, and there are still many things to learn in the future."

"To be honest, I'm not surprised that Mianmian was nominated for the Best Female Lead Award. Her performance in 'If You Can't Love' was really good. She wasn't at all inferior to Qin Han.."

### **Chapter 2579: Suspected**

"Moreover, Qin Han has publicly praised her several times. These are all recognition of her capability. One of the sisters is right. Mianmian is really amazing as a newbie. Her future is limitless. The other seniors who were nominated for the Best Female Lead are all amazing seniors, so I don't expect Mianmian to win the award. But being nominated is a recognition of her capability. I'm already very happy that she was nominated."

"Mianmian, you're the best! We'll always support you!"

There were praises and slander.

Some were skeptical and unconvinced of Qiao Mianmian's nomination.

"Did I see wrongly? Qiao Mianmian was actually nominated for the Best Female Lead Award? Look at the other three female artistes who were nominated with her. Which of them isn't a capable senior in the industry? She's just a newbie, and she just starred in her first television drama. How can she be nominated? Can she compare to the other seniors? Is there some shady deal?"

"Objectively speaking, Qiao Mianmian's performance in 'If You Can't Love' is alright. But she's not good enough to be nominated for the Best Female Lead Award. I agree with the other three female artistes, but she's really not convincing."

"Did she spend money or use her connections to get the nomination? After all, she has a rich and powerful husband, and her family is very impressive. With the power of the Bai and Mo families, it's not impossible to change the rules of the Golden Globe Awards."

"What the hell, Qiao Mianmian's Mary Sue-like acting can be nominated? The Golden Globe Awards has become so lousy now?"

The fans were naturally dissatisfied with the slander.

How could they slander Mianmian?

Their Mianmian was nominated based on her capability, alright? What were the motives for those people to say that?

They just didn't like Mianmian.

"Mianmian was nominated based on her own capability, alright? The comment section is criticizing her for spending money and using her connections. Before you criticize Mianmian, you should at least understand how strict the Golden Globe Awards are. If you can get an award just by spending money, can the most authoritative and professional award still be recognized by the industry?"

"The haters are all orphans without an M, right? They're still blind and can't see Mianmian's acting in 'If You Can't Love'. Even Best Actor Qin Han and Best Actress Shen Fei praised her acting, and you think you can't do it? You're the hammer."

"Take Mianmian away, we won't date her. Please be merciful."

"Yes, yes, yes. Our Mianmian doesn't have any acting skills. She spent money and used her connections to be nominated. Does this mean that the haters are happy? Is it easy for Mianmian? She's been in the industry for a few years. In the beginning, she was suppressed by her scheming sister and could only act as a passerby. It wasn't easy for her to get the female lead role. She clearly made it based on her own ability, but rumors were still spread by the blind and evil haters. Those who spread rumors should die together, alright?"

After the list of nominees for the Golden Globe Awards was released, Qiao Mianmian's fans and haters had a huge fight in the comment section.

In just half an hour, there were tens of thousands of comments.

Hence, Qiao Mianmian, who hadn't done anything, made it to the hot searches again..

## Chapter 2580: Once in a While Is Fine

# Qiao Mianmian's nomination for Best Female Lead is being questioned #

# Qiao Mianmian's fans VS passersby, the comment section is abuzz with comments #

# The Golden Globe Awards' fairness is questioned, and actors or actresses are shortlisted #

Qiao Mianmian became the most discussed artiste that day.

Of course, Linda called her the moment she got on the trending list.

...

At this moment, Qiao Mianmian was having a romantic candlelight dinner with Mo Yesi at a high-end restaurant.

She was the one who chose the restaurant.

She chose a revolving restaurant that she and Mo Yesi had been to a few times before.

The atmosphere and the environment were good, and the food was delicious.

Qiao Mianmian had a good dinner.

Mo Yesi knew about her nomination and congratulated her.

Not only that, but he also got Wei Zheng to get him a bouquet of flowers.

"Baby, I wish you'll win the Best Female Lead Award. Although you're already the Best Female Lead in my heart, I still have to congratulate you." Mo Yesi handed Qiao Mianmian the bouquet.

He was holding a huge bouquet of fresh lilies. They had just been picked and were still wet.

Qiao Mianmian took it and said with a smile, "Mr. Mo, thank you for the flowers. But I was only nominated for the Best Female Lead Award, I'm not sure if I can win the award. The other three seniors who were nominated with me are all very impressive, so I don't have much hope of winning the award. Anyway, I'm already very happy to be nominated."

"You're still young." Mo Yesi knew how to console her. He smiled and said, "There will be many opportunities in the future. It's already very good that you were nominated for the first time as the main lead. It's only a matter of time before you get the Best Actress Award."

"Moreover, if you win the Best Actress Award so early, you'll have less motivation to work hard in the future. It's better to take it one step at a time. It's more fulfilling that way."

"Yes, I think so too." Qiao Mianmian held the flowers and leaned in to smell them. "If I get an award now, I'll feel it isn't real. Moreover, many people might think that I got it through connections."
