

Big Shot 2581

Chapter 2581: Untitled

Her cell phone suddenly rang.

Qiao Mianmian looked down and saw that it was Linda. She wiped her mouth with a napkin and opened the WeChat page.

Linda sent her a few messages.

Linda: [The Golden Globe Awards has posted the list of nominees on Weibo. Because of this, you're trending again.]

Linda: [Some of them said that you were shortlisted because of your background.]

Linda: [The company has already made a statement, saying that they want to sue the person who spread this rumor. But the topic of you being nominated using your connections is still ongoing. Do you want to clarify this yourself? Of course, if you don't think it's necessary, then forget it. The company can handle it.]

Linda: [I just feel that this nomination is very important to you. You're shortlisted because of your capability. If you're influenced by those people, it won't be good if those people who don't know the truth think that you were shortlisted because of your connections. So, I suggest you post something on Weibo.]

Qiao Mianmian was stunned.

Her first reaction was shock.

She was trending again?

Was she being led by the haters again?

Couldn't they let her have a good dinner?

Now that she heard that she was on the trending list, she felt uncomfortable and even instinctively felt afraid because she'd been on the hot searches so many times, and many of those times weren't because of something good.

Hence, she really didn't want to be on the hot searches at all. She was afraid.

"What happened?" Mo Yesi didn't miss the subtle change in her expression. He saw her frown as she put down the cutlery.

"It's nothing." Qiao Mianmian bit her lip and said, "Sister Xie said that I'm on the hot searches. She suggested that I reply on Weibo."

"Mm? You're trending? What for?"

Mo Yesi's expression was calm when he heard that Qiao Mianmian was trending again.

It was as if he was used to it.

“It’s about me being nominated for the Best Female Lead Award.”

“Mm, this doesn’t sound like a bad thing. Why are you frowning?” Seeing that her plate was empty, Mo Yesi couldn’t help but cut a few more pieces of steak and put them on her plate.

Ever since he got together with Qiao Mianmian, whenever they ate together, Mo Yesi couldn’t help but “serve” her.

He didn’t find it troublesome.

On the contrary, he enjoyed it.

He enjoyed the fact that he was willing to “serve” her.

Especially when he saw her eat the food he fed her, he felt very satisfied.

If he could make her fatter, he would feel even more accomplished.

“Because I’m the only newbie who was shortlisted, and I was shortlisted for only one representative work. So, a group of people on Weibo are saying that I was shortlisted because of my connections. Mm, they’re saying I relied on my relationship with the Mo and Bai families to get shortlisted.”

Mo Yesi understood.

He narrowed his eyes and thought for a while before saying in a low voice, “Your development is too smooth now. The situation is too good. It might affect the development of some of your opponents.. Or it might be because of your nomination that some artiste with high hopes of being shortlisted lost their qualification.”

Chapter 2582: Aren’t You Afraid of Being Blacklisted?

“So, the other party got someone to spread rumors about you being shortlisted because of your connections. It’s very simple to get to the bottom of this. Let me get someone to investigate it. Don’t be in a rush to respond, I’ll get Wei Zheng to investigate it immediately.”

With that, Mo Yesi picked up his cell phone and called him.

Wei Zheng picked it up immediately.

Mo Yesi didn’t waste any time. “Find out what happened to Young Madam on the hot searches today. Find out if someone planned it or did it on their own. I’ll give you 10 minutes.”

Mo Yesi ended the call.

He placed his cell phone on the table and turned to look at Qiao Mianmian. “Don’t worry, Wei Zheng is already checking. We’ll find out what happened soon. When he finds out, you can think of a response.”

“Mm, I’m not in a hurry.” Qiao Mianmian nodded calmly. “It’s fine even if some people think that I was shortlisted because of my connections.”

“You don’t mind?” Mo Yesi was a little surprised.

“It’s not that I don’t care, it’s just that I can’t control other people’s thoughts.” Qiao Mianmian blinked. “If people really think that I relied on connections, it’s useless no matter how I try to clarify it.”

“I was also expecting this to happen.”

“Really?”

“Mm. I’m the only newbie among all the nominees, and I’m the only one who got shortlisted with a single work. It’s understandable that someone doubts that I got shortlisted because of the Mo and Bai families’ power. It’s not necessarily a bad thing to slander others. I’ll definitely prove my capability in the future, and there’ll be a day when they approve of me because of my abilities. I believe in myself!”

“I believe in you, too.” Mo Yesi saw that she really didn’t care and wasn’t affected much, and was instantly relieved. “But this matter has to be investigated clearly. If someone is deliberately spreading rumors about you, we have to find that person.”

...

“What are you thinking, offending her at a time like this? If she finds out that you’re behind this, do you think you will be able to continue in the entertainment industry? Aren’t you afraid of being blacklisted?”

“Eldest Young Lady Shen provoked her. Look at the outcome now. Did you know that someone revealed that Eldest Young Lady Shen’s car accident wasn’t entirely an accident? Do you know what this means?”

“Aren’t you afraid that you’ll become the next Young Lady Shen?”

“Sister Aisha, I wasn’t the only one who sent Qiao Mianmian onto the hot searches. People were already questioning this, I just added fuel to the fire. How could I offend her?”

In a high-end condominium, a woman in a red nightgown was lying lazily on the sofa, with a glass of red wine in her hand.

She obviously didn’t agree with what her manager said.

“Little Xiao!”

“Alright, alright, Sister Aisha.” Little Xiao dragged her voice and sat up a little. She swirled the red wine in her glass and took a sip. “Don’t worry, it’ll be fine.”

“My company is owned by a friend. He’s very careful and won’t be found out. Moreover, this isn’t an important matter. How is it as serious as you say? I can’t take it lying down..”

Chapter 2583: Untitled

“If it wasn’t for Qiao Mianmian, I would definitely have been nominated. She was the one who snatched the spot that originally belonged to me. So what if I’m angry? She’s a newbie and only has one work. What right does she have to be nominated for the Best Female Lead Award? I think it’s a problem for her to be nominated. Although the Golden Globe Awards has always been known for its fairness, the Bai and Mo families are so powerful. If they use their power to suppress others, it’s not impossible to force the judges to give Qiao Mianmian a spot.”

“I’ve been waiting for this nomination for so many years, and she snatched it away from me just like that.

“Also, the Shen Corporation’s endorsement deal was ruined because of her. My luck hasn’t been good ever since I met this slut. First, she snatched my endorsement, then she went on a variety show with me, stealing the limelight. In short, with Qiao Mianmian around, I haven’t been successful. She made me so unlucky, why should she be happy?”

“What can you do?”

“Even if I can’t do anything, I’ll still feel good about adding fuel to the fire.”

Before Qiao Mianmian, she was the most popular actress.

But now, her original position had been snatched by Qiao Mianmian.

Some of the endorsements they’d agreed on previously were gone for no reason.

She got someone to ask around and found out that the advertisers who wanted to sign her were all looking for Qiao Mianmian.

She was so angry.

Little Xiao knew that with Qiao Mianmian’s current status, she couldn’t scheme against her.

Hence, she could only create some negative news for Qiao Mianmian.

She didn’t expect this to go anywhere.

She just wanted to vent her anger.

So what if Qiao Mianmian was nominated?

If everyone felt that she was shortlisted because of her background, then there was no point in it.

“You’re really...” The manager frowned. “It’s fine if they can’t find out that it has something to do with you. If they find out... the company won’t be able to protect you if they pursue it.”

“Sister Aisha, don’t worry. I’ve said it before, she won’t be able to find out. Don’t bother about this anymore. Help me think of a way to take on more jobs. If I continue to be so idle, I’ll soon be forgotten. It wasn’t easy for me to get to where I am today. I don’t want to return to my previous life.”

At this time, Little Xiao didn’t know, but she’d soon lose everything because of her impulse.

Not only did she return to her normal life overnight, but her future was even worse than that.

...

Mo Yesi gave Wei Zheng 10 minutes.. In less than 10 minutes, Wei Zheng, who had always been efficient, found out everything.

Chapter 2584: I Can Only Help Her

“Mm.” Mo Yesi said casually, “Then, let’s blacklist her.”

He didn’t want her to continue causing trouble in the future.

With just a few words, he had determined a person’s career, life, and future.

But this was a small matter to Mo Yesi.

If it wasn’t for Qiao Mianmian, how could a small artiste like Little Xiao be qualified for him to waste his time on her?

“Yes, Chairman Mo,” Wei Zheng replied calmly. He wasn’t surprised by Mo Yesi’s decision.

Not to mention blacklisting a small artiste, Chairman Mo would never forgive anyone who offended Young Madam.

Even someone like Young Master Gong, who Chairman Mo knew since he was young. The Gong family was also rich and powerful. Chairman Mo fell out with them because of Young Madam.

So, that female artiste named Little Xiao was really stupid.

Since she was courting death, he could only fulfill her wish.

“Mo Yesi, I heard you say something about blacklisting someone. Did... Wei Zheng find out what happened?” Qiao Mianmian asked curiously as she saw Mo Yesi hang up.

“Mm, Wei Zheng found out that it was a female artiste named Little Xiao’s doing. Do you know this person?” Mo Yesi placed his cell phone back on the table.

“Little Xiao?” Qiao Mianmian was stunned for a while before nodding. “I know her. I’ve been on a variety show with her before. You’re saying that Little Xiao is behind this?”

Qiao Mianmian was a little surprised to hear that it was Little Xiao spreading rumors about her.

A long time ago, because of an endorsement, she and Little Xiao had some unhappiness.

But it was a misunderstanding.

She thought that it was fine now that the misunderstanding was over.

After all, when she and Little Xiao went on a variety show together, although their relationship couldn’t be said to be good, they had nothing against each other.

Little Xiao didn’t show any dissatisfaction towards her.

Hence, Qiao Mianmian never expected that it would be her.

“But why would she do that?”

Was it because of the misunderstanding from before? Was she still holding a grudge?

But it had been so long.

Why did she only do this now?

“It’s one of the reasons. She was one of the finalists. Between you and her, the judges chose you.

“Maybe she felt indignant that you snatched her spot.

“That’s why she got someone to spread rumors on Weibo that you were shortlisted because of the Mo and Bai families’ power.”

Qiao Mianmian kept quiet for a while.

Then, she said, “Perhaps she really thinks that I used my connections to snatch her spot. That’s why she was indignant and found someone to defame me on Weibo. The person you blacklisted just now... Is it Little Xiao?”

“Mm, for her to do such a thing, it means that she’s already unhappy and jealous of you. This won’t be the last time. She’ll do it again when she has the chance.

“Blacklisting her and making her disappear from the entertainment industry is the safest option for you.” Mo Yesi’s voice was very calm when he spoke about this, and his eyes were a little cold.. The coldness in his eyes made him seem a little unfamiliar.

Chapter 2585: Her Husband Is Really a Domineering CEO

It wasn’t the usual him Qiao Mianmian knew.

“Baby, don’t try to plead for mercy. Even if this incident didn’t cause any serious consequences, I won’t let her off just like that. I’ve said it before, I want to protect you. I won’t let you fall into any danger again.

“So, even if you plead for mercy, I won’t change my decision.”

She was just an unimportant artiste.

Mo Yesi didn’t think it was overboard to blacklist her.

She touched the person he loved the most.

This punishment was already considered light.

Qiao Mianmian was speechless.

She looked at Mo Yesi’s serious expression and found it funny. “You’re overthinking it. I won’t plead on her behalf. But she seems to be the pillar of their company. They can’t just blacklist her.

“Are they willing to do this?”

Little Xiao was the breadwinner of their agency.

Although her popularity wasn’t so high now, the company wouldn’t abandon her so easily.

After all, there was still a chance to make a comeback in the future.

It was common in this industry.

Mo Yesi smiled. "Whether you're willing or not, you have to listen to your husband. Otherwise, I have a thousand ways to destroy her agency, let alone a small artiste like her.

"So, her agency better be sensible and know what to do. If they really want to go against the Mo Corporation for a small artiste, there's no need to keep them."

Qiao Mianmian was speechless.

If he didn't say such arrogant words, she would think that he was bragging.

But Mo Yesi...

She knew that he definitely had the ability to make these words come true.

She still remembered how Sheng Hui went bankrupt overnight.

It was all because of Mo Yesi.

Such a huge corporation went bankrupt just like that.

Alright, her husband was really a domineering CEO.

What else could she say with such a domineering husband?

If she was in a game, he would probably be the kind of super-god who could easily get five kills and then let a salted fish like her cheat.

"Alright." Qiao Mianmian touched the tip of her nose. "This is good, too. It can serve as a deterrent. When others want to defame me in the future, they'll probably think twice."

There were too many messy things in this industry.

There were also many people who got red-eyed.

Someone like Little Xiao wouldn't be the first or the last.

If blacklisting Little Xiao could serve as a warning to others, it would be good to lessen her troubles in the future.

"Mm, leave this to me. You don't have to worry." Mo Yesi was talking to her, but his eyes were always on her plate. When he saw that it was empty again, he habitually picked up some food and put it on her plate.

"Have a good meal and don't think about anything else. Where do you want to go after eating? I'll accompany you."

...

Qiao Mianmian's trending topics were quickly removed.

The related topics were also quickly deleted.

A while later, she reposted the post from the Golden Globe Awards' official Weibo account with a caption.

Qiao Mianmian V: [I heard that I got shortlisted after going backstage. Why didn't I know? Is it because of my outstanding beauty that everyone can't see my capability?]

Chapter 2586: Such a Funny Female Artist

She even added an emoji.

This joke-like text didn't make people feel disgusted. Instead, it made them feel that she was real.

Compared to the official way of refuting rumors and explanations, her words made people feel that she was sincere.

The fans were overjoyed to see the post.

"Hahaha, so cute. I thought you'd respond to the trending searches seriously. I didn't expect a person like you to think that you have outstanding beauty. Do you really think you're beautiful? Mm, that's right, I think so too!"

"Mianmian finally responded. I really can't stand those haters. Could it be that just because our Mianmian is too outstanding, and her production can be nominated for the Best Female Lead Award, so she has to have used her backing? It's possible to get other awards through connections, but can the Golden Globe Award be won through connections? Have you all forgotten that someone tried to bribe the judges and was banned?"

"Mianmian, don't bother about those haters. It's obvious that someone is envious and jealous, that's why they used such despicable means to spread rumors about you. The more haters there are, the more popular our Mianmian becomes. This is actually a good thing, it indirectly proves Mianmian's popularity!"

"Not to mention anything else, our Mianmian's beauty is indeed invincible. Those who criticize Mianmian for not having acting skills are probably blinded by your outstanding beauty."

The passersby saw Qiao Mianmian's Weibo post and felt that the young lady was rather honest. People who had no feelings for her actually had a better impression of her because of this reply.

"Just a passerby, hahaha. I didn't expect Qiao Mianmian to be such a funny female artiste. There aren't many female artistes who dare to praise their beauty like this, right? Anyway, I haven't seen any. But one thing is for sure, this young lady is really pretty. I guess it's because she's too good-looking that she gives people the feeling of a vase, causing people to misunderstand that she doesn't have acting skills."

"As a passerby, let me make an objective comment. 'If You Can't Love' was the only television drama I've watched since the beginning, there's definitely nothing wrong with Qiao Mianmian's acting. Those who say that she doesn't have any acting skills are either anti-fans or have too high expectations. Even Qin Han praised her acting skills. I really don't know how some people can continue to defame her."

At the same time.

After Qiao Mianmian reposted the post from the Golden Globe Awards' official Weibo account, it quickly posted another post.

The content was the same.

The 23rd Golden Globe Awards Official Weibo: [Absolute justice and fairness are the core reason why the Golden Globe Awards can be held for so many years and be recognized by everyone in the industry. Rumors stop at the wise. Justice is in the hearts of people. We are never afraid of power or wealth. We can guarantee that every nominee was chosen justly. There's no need to explain too much. Thank you for everyone's attention. We will work harder.]

The post by the Golden Globe Awards' official Weibo account was obviously a statement.

Many artistes reposted it.

All the nominees reposted it and posted: [We believe in the Golden Globe Awards' fairness. We look forward to the Golden Globe Awards' opening in a week.]

Anyone who could win a Golden Globe Award was a top-tier figure in the industry..

Chapter 2587: Shockingly-High Driven Traffic

This included many top-notch and capable actors. Not only that, but there were also all sorts of top-notch scriptwriters, producers, directors, and songwriters. It could be said that the most capable people in the entertainment industry were included.

This group of people's reposts had a shocking amount of traffic.

Many fans followed suit.

In less than 10 minutes, the announcement was reposted by hundreds of thousands of people.

Qin Han reposted it too.

Moreover, unlike other artistes, he and Zhan Bo posted their own Weibos.

Qin Han: [I've said it before, I admire Qiao Mianmian's acting. She's a very smart actress. As the person in the show who has the most experience with her acting, I know best her acting skills. It's more convincing to criticize her for being a big shot and having a bad temper than to criticize her acting. The Golden Globe Awards' fairness goes without saying. If a Golden Globe Award can be obtained through connections, wouldn't that be questioning every winner and insulting the judges' professionalism?]

Zhan Bo: [Who set the rule that newbies can't be nominated? Who set the rule that those on their first work can't be nominated? You can't be thinking that Qiao Mianmian is just a pretty face and doesn't have any acting skills, right? Not to mention anything else, just based on her gaming skills and ability to fly me, I have to say something for her. I don't care about other people, but my fans and babies definitely can't participate in those dirty things. Qiao Mianmian is my master in the game, you support her means you support me.]

Zhan Bo: [Alright, my teammates are still waiting for me to play. That's it. Be good, everyone. Don't cause trouble for me.]

Qin Han and Zhan Bo both represented the absolute traffic in the industry.

One was a talent, while the other was top-notch.

Their posts showed their support for Qiao Mianmian.

Especially Qin Han.

He had won a few Best Actor awards.

His evaluation of Qiao Mianmian's acting was even more convincing.

How could her acting skills not be good?

Moreover, someone said that Qin Han supported Qiao Mianmian because of the power of the Mo and Bai families.

But now...

He was afraid that people would make an issue out of this again, so he added a subtext to show that he wasn't being forced.

Hence, if anyone wanted to say that Qin Han was forced to speak up for Qiao Mianmian, it wouldn't make sense.

"LOL, Qin Han's nickname is hilarious. I'm afraid that some people will use him again."

"I'm dying of laughter too. Hahahaha. But you can't blame Qin Han for thinking too much. Didn't someone say that he had no choice but to side with Qiao Mianmian because he was forced? If he doesn't make a statement this time, he might really be used as an article."

"Let's not comment on Qiao Mianmian's acting first. I think she's a good person. But can Qin Han and Zhan Bo be friends with her? Whenever she has something on, Qin Han and Zhan Bo stand up for her. They must be very close in private."

"Yes, I can tell that Qiao Mianmian has a good relationship with people. Not to mention anything else, her character must be pretty good."

"My friend is a photographer. He told me that Qiao Mianmian is a very good person, has a good temper, and treats people well. He doesn't think that she's superior to others just because she's a rich missy.. She even knows how to cook."

Chapter 2588: Untitled

"Yes, my friend has been with Qiao Mianmian for a while. She's just a small fry, but Qiao Mianmian would invite the crew for afternoon tea every time. She also told me that Qiao Mianmian has a good personality and is rather popular with the crew. Everyone likes her."

With the support of Zhan Bo and Qin Han and the announcement from the Golden Globe Awards, so many artistes expressed their opinions.

Soon, the public opinion was reversed.

Actually, many people had spoken up for Qiao Mianmian before.

But they couldn't beat Little Xiao's fake review team.

Even if someone spoke up for her, the comments were quickly drowned out by the malicious slander of the Internet Water Army.

The comment section was filled with comments.

With a professional team of Internet Water Army, how could a few netizens turn the situation around?

But it was different now.

After Wei Zheng found out who was behind this, the Mo Corporation's public relations team quickly resolved this matter. In less than five minutes, all of Qiao Mianmian's negative trending topics were removed.

The related topics were also deleted.

As for the fake reviewers, they were already scared out of their wits after the Mo Corporation's legal team sent the lawyer's letter.

Without the manipulation of the Internet Water Army, public opinion was quickly taken over by the real netizens.

The haters were the minority.

Qiao Mianmian was at her peak and had a lot of fans.

Some netizens who were led by the haters and believed in the trending topic slowly regained their rationality and realized that they had made a wrong judgment.

Hence, Qiao Mianmian's negative news was settled.

She was trending again.

But it was no longer trending on negative news.

Golden Globe Awards Supporting Qiao Mianmian

Qin Han and Zhan Bo posted for Qiao Mianmian, the three of them have a good relationship

All the stars support the Golden Globe Awards and indirectly support Qiao Mianmian

Qiao Mianmian scrolled through Weibo, thinking that this matter was over.

But half an hour later, she received the latest news on Weibo.

Little Xiao issued an apology.

Qiao Mianmian clicked on it and saw that Little Xiao had sent her an apology letter.

She said she was the one who made Qiao Mianmian trending.

She was the one who got the Internet Water Army to spread the news.

She felt indignant that Qiao Mianmian had taken her spot. Hence, she wanted to find someone to defame Qiao Mianmian and vent her anger.

Jealousy blinded her rationality and made her do those bad things on impulse.

At the end of the statement, she apologized to Qiao Mianmian sincerely and said that she knew she was in the wrong. She had let Qiao Mianmian down, and she didn't expect Qiao Mianmian to forgive her. She had done such a terrible thing, and she had let down the trust and love of her fans, as well as the masses who had been deceived by her.

She was a sinner.

An artiste with bad morals like her wasn't suitable to stay in the entertainment industry.

Hence, she decided to leave the industry.

From then on, her Little Xiao left the entertainment industry and would never enter it again.

"Goodbye to those who like me and to those who don't. You might see me somewhere else in the future.."

Chapter 2589: Is This Little Xiao's Final Struggle?

"Perhaps... you won't be able to see me anymore. I actually can't bear to, but I have no choice. Entering the entertainment industry, acting the scenes I like, and filming with the people I like, was my first dream to enter this industry. But now... I have to say goodbye to all of this.

"At this point, my tears started flowing. I really can't bear to leave my fans. I'm really sorry. I'll definitely disappoint you. Without me, the babies have to take good care of themselves. Only then can I leave in peace."

Qiao Mianmian spent two minutes reading the apology statement.

Little Xiao's apology letter had a lot of information.

Especially the last few paragraphs. Anyone could tell that her decision to leave the industry wasn't voluntary.

She said she couldn't bear to, that she had no choice but to leave the industry.

She meant that she was being forced.

As for who forced her, it was obvious.

Qiao Mianmian sneered.

Was this Little Xiao's final struggle?

Even if she had to leave the industry, she would take the opportunity to defame her?

She wanted people to think that she'd just made a small mistake, but Qiao Mianmian had forced her to a dead end.

She wanted to use this to gain sympathy.

Qiao Mianmian clicked into the comment section. As she expected, the comments section was just as she thought. A group of fans was clamoring that their Little Xiao had only made a small mistake and was about to have her future ruined by a vicious woman like Qiao Mianmian.

The fans were consoling Little Xiao and scolding Qiao Mianmian.

They were saying—

“Qiao Mianmian was just temporarily defamed, but our idol lost her most important career.”

“Damn, Qiao Mianmian is too cruel. Little Xiao is just jealous. She used some tricks to vent her anger, but Qiao Mianmian actually used her power to blacklist Little Xiao.”

“Little Xiao, don’t cry. No matter where you go in the future, we will always be your backing. MD, Qiao Mianmian, this kind of trash that suppresses others with power, actually has so many people supporting her. I didn’t expect that even Qin Han and Zhan Bo would become her lackeys. She has the Bai and Mo families backing her up. Our Little Xiao is just an ordinary and powerless artiste, how can she beat her? She’s really too much to suppress Little Xiao like this. Our Little Xiao is really pitiful. I’m crying. My heart aches.”

“Little Xiao is in the wrong. However, just because she made a mistake, she has to leave the industry? Isn’t this punishment too heavy? For an artiste, being forced to leave the industry during the rise of her career is no different from killing her.”

“Little Xiao didn’t mean to defame her, alright? If I were in Little Xiao’s position now, I’d also suspect that the Golden Globe Awards opened a backdoor for Qiao Mianmian. The spot was originally Little Xiao’s, but it was snatched away by Qiao Mianmian.. It can’t change anything. Isn’t it normal to do irrational things when you feel aggrieved? The people who think she committed a terrible crime, are you all saints? Have you never done anything wrong since you were born?”

Chapter 2590: It’s Better to Be Happy

“Little Xiao, don’t cry. No matter what, I’ll only be your fan in this life.”

“Boohoo, Sister Little Xiao, don’t leave the entertainment industry. I hate that bad woman Qiao Mianmian. How can she be so bad?”

Fans had their own filter and double standards for their idols.

If this happened to other artistes, they would definitely feel that it was too much.

But when it came to their idol, even if they knew that their idol had done something wrong, they would find thousands of excuses to prove that their idol hadn’t done anything wrong. They would even feel that their idol had been wronged and that everyone was a bad person who bullied their idol.

Little Xiao’s fans were very good at double standards.

In their eyes, Qiao Mianmian was a bully.

Qiao Mianmian left the comment section with a sneer.

She thought for a while and reposted Little Xiao’s apology post.

There was a caption.

Qiao Mianmian V: [If an apology is useful, why do you need the police? I'm sorry, you really shouldn't expect my forgiveness. I'm just petty and narrow-minded, so I won't accept an apology. Also, the weather has been dry these few days, I'll treat everyone to a cup of green tea.]

In the end, she even attached an emoji with a few teacups filled with green tea.

Qiao Mianmian knew that this repost might attract another wave of negative news, but she didn't care anymore.

Even if she didn't do anything, there was no lack of negative news.

If someone wanted to defame her, it wouldn't change anything.

She might as well be happy.

She was tired of being careful when posting on Weibo. She had to think about every word and about the consequences.

If posting on Weibo was so tiring, she felt that she probably didn't want to go on Weibo anymore.

A few minutes later.

What Qiao Mianmian didn't expect was that not only did her honest words not cause any negative effects, but they also added a lot of random fans to her.

"Hahaha, Qiao Mianmian is actually so fun. As a passerby, I express my love."

"I didn't expect that one day I'd be a fan of an artiste, not because of her work, but because of her personality? Damn, I like Qiao Mianmian's temper. She says whatever she wants. There are too few artistes like her in the entertainment industry these days."

"I didn't understand it wrongly, right? Was that green tea hinting at a female artiste with the surname X? I think that female artiste with the surname X is pretty green tea too. The entire apology statement feels like a b*tch. Just apologize properly, as if she's the victim."

"The female celebrity's apology is indeed a little slutty. I think all girls can tell. Hahaha, Qiao Mianmian's green tea emoji really makes me laugh. She's too daring. Qiao Mianmian's a genius."

Qiao Mianmian was a little stunned when she saw that the number of her fans increased instead of decreasing.

Why didn't things go as she expected?

She thought that someone was going to accuse her again.

This wasn't unprecedented.

But there seemed to be a change this time?
