

Big Shot 2591

Chapter 2591: She Couldn't Sacrifice Herself for Nothing

In less than 10 minutes.

Qiao Mianmian saw that not only did her fans not decrease, but they actually increased by 500,000.

She was speechless.

What was going on?

Did the company give her zombie fans?

Qiao Mianmian couldn't hold back her curiosity and clicked into the comment section. Then, she saw a huge group of self-proclaimed passersby saying that they became fans because of her personality.

Qiao Mianmian was confused.

Her mind was filled with questions.

She hadn't received such treatment before.

Why did she have so many fans now?

Could it be that everyone liked her true self?

People nowadays had really strange tastes.

On the other side.

When Little Xiao sent that apology statement, she really used some tricks.

The company forced her to make an apology.

The company had already said that if she didn't make an apology, leaving the industry was a small matter. A worse punishment might come later.

Not only that, but Little Xiao also received a stack of photos and videos.

Someone sent it to her email.

When she saw the videos and photos, Little Xiao almost fainted from anger.

This was because the contents were evidence of her sleeping with men in the past to gain resources.

There were producers, directors, artistes, hosts, and even lighting and makeup artists.

Her face was very clear in the photos and videos.

Anyone could tell that it was her.

Especially the mole near her eye. Her mole could be seen in the photos and videos.

Some photos and videos were very explicit.

Once this was exposed, she wouldn't be able to face anyone anymore.

The anonymous sender requested her to leave the industry and apologize to Qiao Mianmian.

Under the agency's threat and the anonymous email, Little Xiao had no choice but to apologize.

But she was still indignant.

Even if she wanted to leave the entertainment industry, she couldn't let Qiao Mianmian have it easy.

Her withdrawal must be meaningful.

She couldn't sacrifice herself for nothing.

Hence, she deliberately led people to guess if it was Qiao Mianmian who forced her to leave the industry.

Little Xiao didn't think she'd done anything wrong.

She was forced to do it.

She didn't want to leave the entertainment industry at all.

In order to enter this industry and become popular, she had sacrificed too much to get to where she was today.

But why did all her effort and sacrifice go to waste with just one sentence?

Besides accepting this unfair fate, she couldn't do anything else.

Qiao Mianmian ruined her world and left her with nothing.

She hated this slut.

Even if she died, she would drag this slut down with her.

In the beginning, things were indeed as Little Xiao had expected. She got many people to sympathize with her as she wished, and she also wanted people to think that Qiao Mianmian was too domineering and cruel. She wanted to make Qiao Mianmian a target again.

But...

Before she could rejoice for too long, she realized that the situation had turned around.

Because of Qiao Mianmian's repost, many people found out about her little scheme.. The comment section that was originally full of support for her suddenly became filled with green tea emojis.

Chapter 2592: Disappointed

Many netizens also marked Little Xiao in their comments, saying: "The sky and the earth are dry, drink some green tea."

And all of them had green tea emojis.

Little Xiao's scheme was seen through just like that.

Besides her fans, no one else supported her.

And not all of her fans supported her.

Quite a number of fans stopped following her because of what she'd done to Qiao Mianmian. The remaining minority were younger fans who weren't fully developed and were more easily brainwashed.

Because they didn't have a strong sense of right and wrong, they didn't think it was a big deal even if they knew what their idol had done.

In their opinion, it was fine as long as it wasn't murder.

Everything else could be forgiven.

Just because their idol made a small mistake, she was forced to leave the entertainment industry. Qiao Mianmian was too much.

Hence, Little Xiao's brainless fans teamed up to scold her in Qiao Mianmian's Weibo comment section.

"Bitch Qiao, you're too disgusting. What right do you have to force Little Xiao to leave the entertainment industry? In fact, you're just jealous that our Little Xiao is more popular than you. Besides your backing, how can you compare to our Little Xiao? Let me tell you, if Little Xiao really leaves the entertainment industry, we won't let you off!"

"Qiao Mianmian, why are you so disgusting? Are you trying to force Little Xiao to death? Do you think you're so amazing? The Bai and Mo families are very powerful. Do you think the entertainment industry belongs to your family? That you can do whatever you want? Even if Little Xiao did something wrong to you, she has already apologized. Can't you forgive her? As a senior, Little Xiao is willing to publicly apologize to a junior like you on Weibo. She's already very sincere, alright? Why are you still so unreasonable and insist on forcing her to a dead end?"

"Our sister suffered so much to stand where she is today. But just because of one word from you, her future is going to be ruined. What's the difference between that and forcing her to die! Sister just felt aggrieved and got someone to say a few words to you. Do you have to be so ruthless? Moreover, Sister is better than you in terms of qualifications, strength, and popularity. Anyone with eyes can see that the nomination spot should have been given to her. You stole Sister's spot, why can't she complain?"

These negative comments were quickly rebutted by Qiao Mianmian's fans and passersby.

They directly dissed Little Xiao's fans until their own mothers couldn't recognize them.

And because of her brainless fans, the passersby hated Little Xiao even more.

What kind of fans were they?

They actually felt that their idol was right after doing such a thing. They actually dared to come to the victim and scold her so arrogantly.

The quality of her fans was so poor, it was obvious that she wasn't any better.

Otherwise, look at Qin Han's fans.

How could his fans be like this?

These fans didn't even know what their values were.

Otherwise, they wouldn't have the face to scold Qiao Mianmian on Weibo.

Little Xiao's brainless fans naturally couldn't win against Qiao Mianmian's fans and righteous people.

Soon, the fans were scolded and left.

Seeing that not only was Qiao Mianmian not affected, but she also had a lot of supporters, and even her fans rapidly increased by millions, Little Xiao was so angry that she almost vomited blood.

Chapter 2593: I Can't Help You This Time

"Why is that slut Qiao Mianmian so lucky? Why!" Little Xiao's face was pale. She almost had a heart attack from scrolling through Weibo. She waved her hand and swept the red wine bottle on the table to the ground. Even after seeing a bottle of wine worth fifty to sixty thousand yuan being smashed on the ground, she still felt that it wasn't enough to vent her anger.

She then smashed a vase.

There was a crackling sound.

The floor was a mess.

"B*tch, b*tch, Qiao Mianmian, you b*tch." At this time, Little Xiao seemed to have gone crazy. If her fans saw her now, they would probably be shocked.

Just as she was gritting her teeth and thinking about how to retaliate, her cell phone rang.

The ringing was urgent.

Little Xiao walked over and looked down.

Seeing that it was her manager, she took a deep breath and picked up her cell phone.

"Sister Aisha."

"Little Xiao, didn't I tell you to apologize to Qiao Mianmian? Then, perhaps you'd still have a chance? But what did you do? Why did you anger her again? I can't help you this time."

Little Xiao panicked and quickly said, "Sister Aisha, I-I've already apologized to her. I heard what you said and apologized to her on Weibo. I didn't anger her."

Aisha was Little Xiao's manager.

She'd been with her since she was a newbie.

It could be said that Aisha had brought her to where she was today.

Hence, Little Xiao was very dependent on her. This time, when something happened, she kept begging Aisha to help her think of a way.

She was in trouble. Moreover, she offended someone she shouldn't have. It would be very difficult to solve the trouble she had caused.

But she was the one who groomed her, after all.

And Little Xiao was the company's money tree.

If she was really blacklisted, it would affect the company and her as a manager.

Hence, Aisha tried her best to think of a solution for her. She hoped that she could keep this money tree that she'd groomed.

"I've seen your Weibo post. You did apologize, but what did you say at the end? Little Xiao, don't tell me you didn't mean anything else. How can I not know what you're thinking? Do you want people to think that Qiao Mianmian forced you to leave the entertainment industry? Do you think your little tricks can bring you benefits? Stupid, really stupid. Now that you've caused this trouble, I won't clean up your mess.

"Don't even think about staying in the entertainment industry anymore. Just resign to fate and leave.

"I wanted to protect you this time on account of our many years of friendship. But since you did such a stupid thing, I can't protect you anymore. We've worked together for so many years, I'll apply for a severance fee from the company. This is the last thing I can do for you as your manager."

"Sister Aisha, I..."

"That's it. Are you going to get your own things from the company, or should I get someone to send them to your apartment?"

Little Xiao's face was pale.

Her manager was her last hope.

If even her manager gave up on her, then she really had no hope of staying in the entertainment industry..

Chapter 2594: Kneel and Apologize to Her

But was she really going to back out just like that?

Was she really going to give up all her hard work?

No, she was indignant.

"Sister Aisha, I don't want to leave the entertainment industry. Help me, help me." Little Xiao suddenly cried. "If I leave the entertainment industry, I'll have nothing. Sister Aisha, I beg you, can you help me? I can't leave the entertainment industry.

“Help me. On account of our many years of friendship, can you help me again? If you don’t help me, I can’t find anyone else. Besides you, I really can’t find anyone else to help me.

“I know, Sister Aisha. You love me. You won’t leave me in the lurch.”

Little Xiao fell on the sofa and cried.

“There’s one last way.” On the other side, Aisha finally spoke after a moment of silence.

“What way? As long as I don’t have to leave the entertainment industry, I can do anything.” Little Xiao suddenly looked up, her face showing ecstasy.

“If you find Qiao Mianmian and apologize to her in person, she might let you off.”

“What? You want me to kneel down and apologize to Qiao Mianmian?” Little Xiao’s expression turned extremely ugly as she yelled in disbelief.

“Even if you kneel and apologize, she might not forgive you. I’m just saying that she might forgive you if you do this. This is the only solution I can think of. It’s all up to you.

“Is your dignity or your career and future more important? Choose.”

Aisha hung up after saying that.

Little Xiao was still holding the phone, her face full of anger and humiliation.

Asking her to kneel down and apologize to Qiao Mianmian?

She would never do that.

She hated that slut.

She would never kneel to that slut.

Getting her to apologize to Qiao Mianmian on Weibo was already her limit.

Make her kneel?

She would never kneel.

Just as the netizens thought that Little Xiao’s matter was over, they didn’t expect the second wave of news about her to be unexpectedly exposed.

And compared to the first round of news, this time’s news was more interesting and exciting.

It satisfied the netizens’ gossipy souls.

First, an entertainment gossip account named “Entertainment Not Closing” suddenly posted a Weibo with an eye-catching title.

[Shocking! The jade girl Little Xiao turned into a lustful girl, and many indecent photos were exposed.]

Then, it was a long post.

This entertainment gossip account had a lot of followers, more than 10 million.

Once this post was posted, a group of excited netizens rushed in.

The netizens ate the freshly released melon with gusto. They expressed that it was rather exciting and interesting. Some reposted it, some commented on it, and many of their friends ate it together.

“Oh my, what did I see? It’s simply blinding. I didn’t expect Little Xiao to have such an open side. It seems like I really can’t judge a book by its cover in the future. Who would have thought that someone who debuted as a pure and innocent girl would be so open in private?”

“If I’m not wrong, she slept with several famous directors. And Little Xiao has been in their shows. So, this is how she did things?”

“No wonder Little Xiao’s resources weren’t good at first. She suddenly obtained a lot of good resources from a certain time period. I thought that the company was willing to groom her. I didn’t expect it, I didn’t expect it. I was too naive.”

“Tsk tsk tsk, what a mess.”

Chapter 2595: Never Be Clean Again

“I wonder if these photos and videos are a slap in the face to those who say that she got to where she is today through her own hard work. Mm, she’s really hard working. Even her grandfather’s men can talk. Not everyone can be cruel to themselves.”

“I want to say that Little Xiao is a famous vixen in the industry. Some people already know about this. But these things in the entertainment industry are very common, so everyone doesn’t think much of it.”

“Moreover, even if someone revealed it, not many people would believe it. This time, it must be because she offended someone. Sigh, she did offend someone she shouldn’t have. Just the Bai family alone isn’t a family anyone can offend, let alone the Mo family. She’s just a small artiste, but she provoked two of the richest families in Yuncheng City. Does she still want to live?”

Little Xiao’s indecent photos and videos were quickly reposted by various entertainment official Weibo accounts and big verified accounts. Together with the reposts and comments of the netizens, the scandal was exposed in less than 10 minutes and reached the top of the trending list.

Little Xiao’s Unglamorous Past

Shocking! Little Xiao is entangled with many married men

Little Xiao’s persona collapsed, the jade girl turned into a slut

Three trending topics.

These three trending topics were also the top three.

If it wasn’t because of negative news, Little Xiao would definitely be very happy.

Because she had been quiet for a while. As an artiste, the time when she lacked attention she was the most anxious and afraid.

She hadn't been on the hot searches for a long time.

It had been a long time since she was first on the trending list.

But she would rather not do it in this way.

...

Little Xiao naturally knew about it.

When she entered Weibo and saw the photos and videos that shouldn't have been taken, she felt as if someone had punched her in the head.

Her fingers trembled as she looked at them.

How could this be...

How could this be!

Why were there photos and videos?

There were no outsiders.

They couldn't have been taken secretly.

She was so careful, how could someone take these photos and videos?

They were even more popular than the ones sent by the anonymous person.

Didn't the anonymous person say that?

As long as she apologized to Qiao Mianmian, they wouldn't post these photos and videos.

But now... she was ruined.

She was completely ruined.

She was still hoping for a chance to make a comeback, she was still working hard...

But now, after seeing her private photos and videos exposed, she knew that she wouldn't have a chance to make a comeback.

Such a scandal.

No matter how she washed it, she wouldn't ever be clean again.

Moreover, she got with so many men in the industry. The other half of those men wouldn't let her off.

Especially Director Sun and Director Cheng's wives. They were known to be fierce women in the industry.. Previously, because their men cheated them with female artistes, not only did they get someone to teach those female artistes a lesson, they even forced them to leave the entertainment industry.

Chapter 2596: Let's Die Together

Back then, she took the risk to accompany them in order to get two roles.

She'd thought that she'd done a good job keeping it a secret.

In fact, no one noticed it.

Otherwise, she would have long been exposed.

She thought that no one would know about this. It had been so many years, and it was impossible for anyone to have any evidence against her.

But the person she offended this time was Mo Yesi.

Nothing was impossible to him.

"Qiao Mianmian, it must be that slut.

"That b*tch wants to kill me!

"Even if I die, I'll drag you down with me! Qiao Mianmian, you've hurt me so much. You've ruined everything. I won't let you off. I want you to die, I want you to die!"

Little Xiao seemed to have lost her mind as she screamed crazily.

Her eyes were filled with hatred.

There was only one thought in her mind.

If she was ruined, she wouldn't let Qiao Mianmian have it easy.

She was already in such a terrible state.

She'd been hurt so badly by Qiao Mianmian that she'd never have a chance to make a comeback in her life.

She could already see how terrible her future would be.

What was so scary about someone who had lost everything?

Even her last hope was ruined by that slut.

She had nothing to fear now.

She didn't have to worry anymore.

Since that slut wasn't willing to let her live, then let's die together.

A look of hatred flashed past her eyes.

...

"Did you get someone to expose Little Xiao's photos and videos?"

Qiao Mianmian asked Mo Yesi when she saw Little Xiao's trending topics.

“Mm, what’s wrong?” Mo Yesi nodded and admitted it. “Since she’s not sensible, of course she has to be taught a lesson.”

“Where did you get those photos and videos?” Qiao Mianmian was curious. “I didn’t know she had this past.”

“This isn’t difficult.”

Mo Yesi walked to her side and took the script away from her. He put his arm around her waist and chuckled. “They bought it from someone else when they had the money and the ability to use it. They even filmed it themselves. This is easier to find. It can be solved with some technology.

“If she apologized to you properly, this matter would have ended there. But since she dared to pour dirty water on you and get people to scold you, then I decided to teach her a lesson.”

Qiao Mianmian kept quiet for a while.

“What’s wrong? Do you think I went overboard?” Mo Yesi pinched her chin and looked at her gently.

“No.” Qiao Mianmian shook her head. She leaned against him and rested her head on his exposed chest. “I don’t think it’s overboard at all. You did this for me, how could you go overboard?”

“She did attack me. Moreover, the photos and videos aren’t fake. If she didn’t do those things, she wouldn’t have anything to worry about.

“She flirted with so many married men. She’s no different from a third party. This kind of immoral person should be taught a lesson.”

Mo Yesi looked at her in shock.

Chapter 2597: Assimilated By Him

“Why are you looking at me like that?” Qiao Mianmian looked up and blinked.

“I just feel that you’re a little different now.”

“How am I different?”

“If this was in the past, you would have pleaded for her and asked me to let her off.” Mo Yesi placed a hand on the top of her head and massaged it.

This time, it was Qiao Mianmian who was stunned for a few seconds.

“Was I so soft-hearted before?”

“Mm.” Mo Yesi’s slender fingers pressed against her scalp gently. The force was very suitable. “Don’t you know what you used to be like?”

Qiao Mianmian was speechless.

Alright.

She recalled that she used to be soft-hearted.

If it was the old her, she might have really asked Mo Yesi not to be too ruthless and let Little Xiao off.

Perhaps she'd been with Mo Yesi for too long.

She was slowly being assimilated by him.

She really didn't think Mo Yesi was that cruel.

He had no sympathy for Little Xiao.

She wouldn't feel that Mo Yesi was wrong and pity Little Xiao.

There was a saying: "A pitiful person is hateful."

She wouldn't take the initiative to cause trouble, much less harm anyone.

But if someone wanted to frame her behind her back, it would be disadvantageous to her.

She wouldn't be merciful now.

She understood that her kindness wouldn't earn her gratitude, and it wouldn't stop people from attacking her.

"Then, do you think I'm better now? Do you think I've become cruel?"

"What kind of silly question is that? Of course not. It's good that you're like this now. I like you more now. This way, you won't be at a disadvantage and won't be easily schemed against. I'm more at ease now."

"You mean you were worried about me before?"

"You used to make me worry." Mo Yesi smiled and said, "You grew up with Chen Chen, but compared to him, you're not as decisive and ruthless as him. As long as you have half of Chen Chen's means, I don't have to worry about you anymore."

"Chen Chen?" Qiao Mianmian was stunned. "You said Chen Chen is ruthless? Are you sure you didn't say anything wrong?"

"Of course not. Why? In your eyes, what do you think of Chen Chen? Do you still think he's an innocent little boy? In front of you, he's definitely obedient and sensible. He's your obedient little brother.

"But this doesn't mean that he's like this in front of others. But fortunately, Chen Chen can be ruthless when the time calls for it. He's going to take over Second Uncle's company in the future. If he isn't ruthless, he'll be eaten up sooner or later."

Qiao Mianmian sighed as she thought about Qiao Chen.

"Why are you sighing?" Mo Yesi asked.

"I just suddenly thought about Chen Chen and Shen Xin. Although Shen Rou's car accident wasn't caused by us, it has something to do with us. Moreover, you bought over the Shen Corporation. The Shen family probably hates us to the core now."

Qiao Mianmian felt a headache coming on.

“In the past, they objected to Shen Xin and Chen Chen’s relationship.. Now... I’m afraid it’s even more impossible for them to interact.”

Chapter 2598: A Gift

Qiao Mianmian sighed again.

This was really... an ill-fated relationship.

“No matter what, that’s their own business.” Mo Yesi finished massaging her scalp and combed her hair with his fingers. Then, he gently hugged her and placed his hands on her shoulders. “Baby, I’ve said it before. Chen Chen is already an adult. He’s no longer a child.

“And he’s much more mature than boys his age. This is his own relationship, he knows how to handle it. As his sister, you shouldn’t worry too much. Even if you do, you won’t be of much help.

“I think you should worry more about our child instead of Chen Chen.”

Qiao Mianmian was speechless.

She felt her face heat up as he stared at her.

How much did Mo Yesi want to be a father?

She felt that ever since she agreed to it, he had been nagging her more and more.

It was as if he could talk about the child every day.

Was this something she could worry about?

“We don’t have a child, how can I worry?” Qiao Mianmian couldn’t help but grumble.

“Mm, so we need to work harder. Baby, it’s getting late, let’s rest early today. Mm?”

She heard a chuckle and was picked up in the next second.

The man carried her slowly towards the big and soft black bed.

...

The Golden Globe Awards was held as scheduled.

That day, Qiao Mianmian received a gift.

The butler walked towards her with an exquisite blue box and said respectfully, “Young Madam, Assistant Wei just sent this over. He said that the Young Master prepared it for you. Young Madam, open it and see if you like it.”

Qiao Mianmian looked at the box and guessed what it was.

Mo Yesi knew that she was going to the Golden Globe Awards tonight. It should be a dress or shoes.

She took the box and felt its weight.

Although she'd guessed what was in the box from the start, she was still shocked when she opened the exquisite box and took out the sparkling blue dress.

The dress was too beautiful.

There was a pair of heels of the same color inside, and their surface was made of shiny material.

"Wow, the dress Mister gave Young Madam is so beautiful."

"Yes, yes. If Young Madam wears this dress to the Golden Globe Awards, she'll definitely be the most beautiful one."

"Mister has such good taste. The dress he picked for Young Madam suits you very well. Young Madam, quickly give it a try. It'll definitely be super beautiful."

The housemaids in the living room exclaimed in admiration.

Girls liked shiny things.

The starlight dress in Qiao Mianmian's hand was dreamy and beautiful. Even though she wasn't wearing it, it already made her look like a goddess.

The little glitter was very bright and eye-catching. It looked like the dress Cinderella wore at Prince's party, but even more beautiful and stunning.

Because no matter how beautiful Cinderella's dress was, it only existed in the fairy tale.

Chapter 2599: Untitled

Qiao Mianmian looked at the dress and the pair of blue high heels in the box and turned to ask the butler, "This dress and this pair of shoes were chosen by Mo Yesi?"

"I'm not sure if the Young Master picked it himself. But from what Assistant Wei said, it should be so. Does Young Madam like it?" The butler felt that he was asking nonsense.

How could Qiao Mianmian not like it?

A few housemaids were also standing by the side. Their eyes lit up when they saw the dress.

Hence, girls should like it.

"Mm, I do." Qiao Mianmian nodded. "The dress and shoes are very beautiful, I like them very much."

"That's good. If the Young Master knows that Young Madam likes the gift he picked for you so much, he'll be very happy."

...

Qiao Mianmian went upstairs to try on the dress.

Mo Yesi had good taste.

His taste was different from other straight men.

His taste was pretty good. Whether it was for himself or for her, he had high standards.

Moreover, the measurements were suitable.

It was as if it was custom-made for her.

When Linda informed Qiao Mianmian that she was shortlisted for the Golden Globe Awards, it was only a week away.

Qiao Mianmian didn't have time to customize a dress for the awards ceremony.

A high-end dress had to be custom-made a month in advance.

Especially handmade ones.

And it would take a long time.

But Qiao Mianmian didn't expect Mo Yesi to find such a suitable dress for her in just a week.

The dress fit her perfectly.

"Wow, Young Madam is so beautiful."

"Yes, yes. Young Madam looks like a goddess in this dress. She's so beautiful."

"Young Master has such good taste. This dress seems to be tailored for Young Madam. If Young Madam wears this dress to attend tonight's party, she'll definitely be the most stunning one."

The two housemaids who helped Qiao Mianmian try on the dress were stunned.

Qiao Mianmian's skin was fair.

The blue dress made her skin look even fairer.

The dress was off-the-shoulder, and the waist was well-tied. The long skirt made her legs look even longer.

Qiao Mianmian looked like a fairy from the heavens.

"There's no lack of beauties in the entertainment industry. Everyone will be dressed up tonight, there must be people more beautiful than me." Qiao Mianmian wasn't a narcissist, so she didn't feel much about the housemaids' flattery. She even corrected them.

It was fine if no one else heard it.

If she told others about it, she would probably be used as an article again.

"Yes, Young Madam is right." The housemaid quickly corrected herself. "But in my eyes, Young Madam is the most beautiful."

After trying the dress, Qiao Mianmian tried the shoes.

They were all very suitable.

After the fitting, the butler brought a few more people upstairs and explained to Qiao Mianmian, “Young Madam, these are the people Young Master arranged to do your makeup.. They will be in charge of Young Madam’s styling and makeup for the awards ceremony.”

Chapter 2600: Styling

“Hello, Mrs. Mo.”

Two women in fashionable clothes walked out from behind the butler and reached out to Qiao Mianmian with a smile. “I’m Emma. I’ll be in charge of your makeup later.”

“Hello, Mrs. Mo. I’m Wei Ya. I’ll be in charge of your hair later.”

“Hello. Sorry to trouble you.” Qiao Mianmian shook their hands.

...

Wei Ya and Emma were very efficient. It only took them two hours to do her hair and makeup.

Her makeup was a little thicker than usual.

Qiao Mianmian’s facial features were very exquisite, and she looked very good with light makeup.

With a little more makeup, her facial features became more prominent, making it even more exquisite and perfect.

She looked very pure wearing light makeup.

She didn’t look gorgeous, but she looked more charming and flirtatious than usual. There was a hint of femininity in her innocence, making her even more beautiful.

Her hair was tied into a thin braid behind her ear, and there was a crystal tassel in the braid. The tassel fell beside her ear and swayed gently as she walked. It echoed with the light on her dress, making her look shiny from head to toe.

What kind of beauties had Wei Ya and Emma not seen before?

There was no lack of good-looking people in the entertainment industry.

But after they were done with Qiao Mianmian’s makeup and styling, the two of them were rather stunned.

There were many good-looking female artistes in the entertainment industry.

But it was rare to see someone as beautiful as Qiao Mianmian.

The two of them looked at the beautiful girl in front of them and thought at the same time: “No wonder a pure man like Chairman Mo is willing to marry her. Which man would be indifferent to such a beauty?”

She was definitely like those kingdom-destroying beauties in the history books.

She was so beautiful, had acting skills, and had such a powerful backing...

Even if she was just playing around in the entertainment industry, she was destined to be popular.

“Why are you all staring at me like this?” Qiao Mianmian turned around and saw that Emma and Wei Ya were looking at her strangely. Feeling a little uncomfortable, she touched her face and hair. “Is something wrong?”

Qiao Mianmian rarely dressed up like this.

She had accompanied Mo Yesi to a banquet before, but it was different this time.

This was her first time attending the Golden Globe Awards party.

She valued it.

“There’s nothing wrong.” Wei Ya was the first to return to her senses. Smiling, she didn’t hide her admiration. “It’s just that Mrs. Mo is too beautiful, so I was a little stunned.”

“Mrs. Mo has the best foundation among all the female artistes I’ve worked with. It’s really easy and pleasant to do your makeup.” Emma was full of praise. “Mrs. Mo’s skin is very good. It’s not an exaggeration to say that it’s fragile. Moreover, your facial features are very good. I just need to deepen your original facial features. There’s no need to make any changes.”

Emma wasn’t flattering the rich lady, she was telling the truth.

It was easy to do Qiao Mianmian’s makeup
