

## **Big Shot 2601**

### **Chapter 2601: Untitled**

It was much simpler than other female artistes.

As Qiao Mianmian's facial features were already close to perfection, extra changes weren't necessary. It was good enough to follow her original outline.

In fact, she was done with Qiao Mianmian's makeup in less than half an hour.

The reason why it took another half an hour was that she felt that she was being perfunctory and not serious enough.

Hence, the next half an hour was just to make up the time.

Qiao Mianmian was a little embarrassed.

"That's all thanks to you." She pursed her lips and said, "Thank you for your hard work."

"No, no. It's not hard at all to work for Mrs. Mo. Is Mrs. Mo satisfied?"

"Mm, I'm very satisfied." Qiao Mianmian nodded.

"It's good that Mrs. Mo is satisfied. If there's anything you need to change, you can tell us. If Mrs. Mo doesn't have any other requests, we'll take our leave first."

"If you have something on, go ahead. I have nothing else to do here."

"Alright, goodbye, Mrs. Mo. Contact us if you need anything."

As soon as they left, Qiao Mianmian's cell phone rang.

She picked it up.

"Mianmian, how's your preparation? The award ceremony will be held at the Exhibition Hall at 8:00 PM. Don't forget. Do you need me to pick you up?"

It was Linda.

Qiao Mianmian looked at herself in the mirror and smiled. "Mm, I'm ready. I'll be there early, don't worry."

"Then, you don't need me to pick you up?"

"No need, the driver will send me there."

"Alright, we'll contact each other when we get there. Are you sure you're OK? Are you done with your makeup? Do you want me to send someone?"

Qiao Mianmian thought for a while, took a picture of herself in the mirror, and sent it to Linda.

About 10 seconds later.

Linda replied.

Linda: [Baby, you're so beautiful. Where did you get this dress? If it was anyone else, I'd think it's a fake, but it's definitely real. I'll have to touch it when we're at the gala. Damn, I didn't expect you to get this dress. It seems like you're destined to be the most eye-catching one on the red carpet tonight.]

Qiao Mianmian was a little stunned by Linda's reply.

Mianmian: [??? Is there anything special about this dress?]

Linda: [Don't tell me you don't know who designed this dress?]

Mianmian: [I really don't know. Why don't you tell me?]

Linda: [You actually don't know?! This dress was designed by the world's most famous designer, Alan. There are only two pieces in the world! One was given to a princess of the royal family, and the other is yours!]

Alan once said that he wanted to keep the other dress for himself and give it to the woman he loved in the future. Back then, a princess in Country Y wanted to buy the other dress and spent a lot of effort, but she didn't get him to sell it to her..

### **Chapter 2602: It's Better to Show Off**

Qiao Mianmian was speechless.

Why didn't she feel excited at all? Instead, she felt a little afraid.

She didn't want to be the main character.

She was a newbie.

Because of this nomination, some people were unhappy and felt that she had gone backstage.

If she became the most eye-catching person on the red carpet, more people would be unhappy with her.

They would feel that she was trying to steal their limelight.

They would feel that she was too arrogant to steal the limelight from the seniors.

She didn't have such thoughts.

But would others believe it?

They would only believe what they saw.

Although Qiao Mianmian wasn't afraid of trouble, she didn't want to cause any more trouble.

She thought for a while and replied to Linda: [Sister Xie, wouldn't it be too ostentatious for me to walk the red carpet like this? What will others say? If it's too high-profile, I'd better change into another dress.]

Although she liked this dress, she was really afraid of being brought up again.

She'd just replied to Linda when her cell phone rang. The words "Sister Xie" flashed on the screen.

Qiao Mianmian picked it up. "Sister Xie, why are you calling me?"

"It's more convenient to speak, it's too slow to type. Baby, let me tell you, don't think of being high-profile or low-profile. This is the first time you're attending such a prestigious award ceremony, you have to dress up well.

"Make yourself as beautiful as you can. It's better to be ostentatious. Only when you're ostentatious will people pay attention to you. Which female celebrity doesn't dress up well on the red carpet? Which female celebrity doesn't want to be the most beautiful and eye-catching person on the red carpet?"

"Keeping a low profile is good, but now isn't the time. You're not allowed to change out of your dress. Wear this dress, and we'll strive to be the most stunning one on the red carpet tonight."

Qiao Mianmian paused. "But I'm a newbie. If I'm so high-profile, won't others say that I'm rude and that I'm stealing the seniors' limelight?"

"Rules aren't used in such places, understand? It's right to be humble when it's time to give in to your seniors. But all the female celebrities who walk the red carpet, be it newbies or the seniors, do their best to dress up. Otherwise, why would the red carpet be described as a battle? Just listen to me, there won't be a problem."

Qiao Mianmian kept quiet for a few seconds before saying, "Alright, I'll listen to you."

Linda was a top manager in the industry. She had taken care of so many artistes and had been in the industry for so many years.

If she said it was fine, it should be fine.

Hence, Qiao Mianmian stopped thinking about it.

"Mm, listen to me. Oh right, did you prepare the jewelry?" Linda asked casually. She saw that Qiao Mianmian wasn't wearing any jewelry, so she asked. She knew that Qiao Mianmian wouldn't lack jewelry.

She was even wearing this dress.

Linda felt that it was normal for her to wear expensive jewelry.

"Jewelry?" Qiao Mianmian was stunned.

"That's right. You're wearing such a beautiful dress, you must have a suitable set of jewelry to match it. But I'm worried for nothing.. You're the Young Madam of the Mo family, you can't possibly lack jewelry.

### **Chapter 2603: Your Love Is the Most Important**

Linda didn't speak for too long.

The call ended a few minutes later.

Qiao Mianmian hung up, a little stunned.

If Linda hadn't mentioned it, she wouldn't have thought about the jewelry.

She didn't lack accessories, but she didn't prepare the jewelry for tonight.

But this wasn't a big deal.

Mo Yesi had given her a lot of jewelry before, and none of them were cheap.

She was about to pick out some jewelry when her cell phone rang again.

It was Mo Yesi.

"Baby, did you receive the dress I gave you? Do you like it?" The man's low and magnetic voice came from the phone. That alluring "Baby" seemed a whisper by Qiao Mianmian's ear. Even after hearing it thousands of times, Qiao Mianmian's heart still trembled.

"Mm." She couldn't help but smile. "I got it. It's beautiful, I like it."

"As long as you like it." Mo Yesi's magnetic voice was full of joy.

"Was this dress very difficult to get?" Qiao Mianmian saw that he had no intention of telling her how precious the dress was and took the initiative to mention it. "I heard from Sister Xie that there are only two pieces in the world. One was given to a princess, and the other was given to me by you. Is this true?"

"Mm, it's like this."

It was true.

Although Qiao Mianmian knew that Mo Yesi wouldn't give her an imitation, she was still a little shocked when he admitted it.

"How did you get this dress? I heard that the designer didn't even sell it to a princess. Why was he willing to sell it to you?"

Mo Yesi smiled. "Your husband can't buy what the princess can't? Baby, are you not confident in your husband's ability?"

"No, I..."

"Of course, I bought it with my own abilities. The process wasn't that smooth, but it's fine as long as the results are good. The most important thing is that you like it. Nothing else is important."

Qiao Mianmian's heart pounded again.

"The rarest thing is that you can't buy this dress. Don't you think this dress is exactly the same size as yours? So, it's destined to belong to you."

Qiao Mianmian had no objections.

This dress was indeed suitable.

It wasn't custom-made for her, but it was no different from a custom-made one.

Qiao Mianmian touched a small highlighter on the dress. "Isn't this dress very expensive? How much did you spend?"

Mo Yesi smiled. "It doesn't matter. It's too tacky to talk about money. It's fine as long as you like it."

Qiao Mianmian was speechless.

She didn't find it tacky.

She was just a vulgar person.

After a while, Mo Yesi said gently, "I'm sorry, there's something at the company that I have to settle personally. So, I can't send you to the gala tonight. But I'll pick you up when it's over.

"Baby, are you angry with me?"

"Angry? Why should I be angry with you?"

"Didn't you say that this award ceremony is very important to you? If I have the time, I can be there with you."

"I won't be angry with you because of this.. I'm not so petty."

#### **Chapter 2604: Thankfully, I Prepared It for You**

"I won't be angry with you because of this. I'm not so petty. Moreover, I'm confident that I'll attend this award ceremony in the future. If you can't come this time, you can come next time."

"Mm, that's true." She heard a chuckle. "You'll be nominated this time, and you'll get the award next time. When the time comes, I'll take the time to accompany you to the venue and witness the moment my baby gets the Best Actress Award."

Qiao Mianmian couldn't help but chuckle. "Alright, then. I'll take Mr. Mo's blessings. For your words, I'll work hard to get a Best Actress Award."

"Mrs. Mo, you're too kind.

"Oh right, have you prepared the jewelry you're wearing tonight?" Mo Yesi suddenly changed the topic.

Qiao Mianmian was stunned. "Not yet. I'm about to pick one."

"I knew it." Mo Yesi smiled. "Thankfully, I prepared it for you in advance. Although it wasn't for tonight, it can still be useful now."

"You prepared it for me?"

"Go to the safe and take out a purple box. Wear that set of jewelry tonight."

...

Qiao Mianmian followed Mo Yesi's instructions and found a purple box in the safe.

The box was exquisite.

Qiao Mianmian opened the box and saw a set of beautiful jewelry.

The design was simple, but the sapphire pendant on the necklace and the earrings and bracelet inlaid with the same sapphire matched her blue starlight dress very well.

This set of sapphire jewelry and her dress seemed to be from the same series.

The pendant was a teardrop-shaped sapphire. The earrings and the sapphire on the bracelet were also teardrops.

The sapphire embedded in this set of jewelry was the most beautiful and dazzling one Qiao Mianmian had ever seen.

She didn't know that sapphires could be so beautiful.

Although Qiao Mianmian didn't know the price of this set of jewelry, she could guess that it was definitely very expensive.

It might even be more expensive than the jewelry Mo Yesi gave her.

Most importantly, she fell in love with this set of jewelry at first sight.

Mo Yesi had given her a lot of jewelry.

Every set wasn't cheap.

But this set of sapphire jewelry was Qiao Mianmian's favorite.

She couldn't bear to part with it.

At this moment, her cell phone rang.

Mo Yesi sent her a WeChat message.

[Did you see the jewelry? Did you like it?]

Qiao Mianmian carefully placed the jewelry in the box and placed it on the table before replying to him.

Qiao Mianmian: [It's very pretty. I like it.]

Mo Yesi: [It's all worth it, then.]

Qiao Mianmian: [Is this set of jewelry super expensive? Tell me honestly, how much did it cost?]

Mo Yesi did spend some money, but it wasn't important. [As long as you like it, it's worth it.]

Qiao Mianmian: [I like it.]

[Mm, you will wear this set of jewelry to attend the award ceremony tonight. I believe my baby will be the most beautiful little angel at the ceremony.]

Qiao Mianmian was amused by Mo Yesi's reply.

## Chapter 2605: Who Did You Learn It From?

A straight man like Mo Yesi actually knew how to describe beautiful girls as little fairies?

She almost thought she'd seen it wrongly.

She replied while smiling: [Who did you learn it from?]

Mo Yesi: [?]

Qiao Mianmian: [You actually called me Little Fairy.]

Mo Yesi: [This is strange?]

Qiao Mianmian: [Mm, very strange. I thought that a man like you wouldn't know what Little Fairy is used to describe.]

Mo Yesi: [What kind of man am I in your eyes? A man who doesn't know how to please and how to praise girls?]

Qiao Mianmian: [Not really, I'm just a little surprised.]

Mo Yesi: [Your husband really doesn't know how to praise other women, but he does know how to praise you. If you like it, I'll praise you more often in the future. There are some things I'm not good at, but if you like it, I'm willing to learn it for you.]

Qiao Mianmian felt her heart start pounding again.

Mo Yesi was really... irresistible.

It was also very tempting.

It was so easy to fall for him.

This almost perfect man was almost every woman's dream lover.

Handsome, rich, loyal, and extremely obedient.

He could give you everything you wanted.

No woman could resist his charm.

Qiao Mianmian couldn't.

...

At the Golden Globe Awards gala.

The female celebrities competed for attention on the red carpet. Every female celebrity showed her most beautiful side and posed in front of countless cameras. They smiled their best smiles, just to be on the best-dressed rankings.

Every Golden Globe Awards party would have a male and female artiste on the best-dressed list.

They would select the top ten best-dressed people in the evening and create a list.

In addition to the professional judges, there was also a netizen voting channel.

Then, the judges and netizens voted for the top ten best-dressed artistes.

Every artiste wanted to be chosen.

Especially female artistes.

Three women made a scene.

Moreover, the Golden Globe Awards took up half of the entertainment industry, and the entertainment industry was where handsome men and beautiful women dealt the most damage.

When good-looking people gathered with other good-looking people, their desire to compete was even stronger.

The female celebrities were all dressed up beautifully. The reporters and fans were all enjoying themselves.

“Wow, my baby is so beautiful tonight.”

“My Linlin is so pretty. Sister is so beautiful.”

“Song Xi’s dress is too sexy. I like it. I didn’t expect her to be so good at it.”

“I’m so beautiful. This fairy dress is so beautiful. It’s too suitable for Baby Ying.”

“Gosh, Zhan Bo’s outfit tonight is too abstinent. It’s exactly the domineering style in novels.”

“I’m dead, I’m really dead. Brother is simply beautiful.”

The Golden Globe Awards ceremony was also broadcasted on Weibo.

When the netizens watching the live stream saw their idol appear, they all crazily scrolled through the comments. The whole screen was filled with comments like “Brother is dead” and “Brother is already dead” ..

### **Chapter 2606: Song Fei**

Especially when the post was released, the comments were so numerous that they couldn’t be seen clearly.

The fans were screaming non-stop.

“Feibao is out. Gosh, Feibao is so beautiful tonight.”

“If I’m not wrong, Feibao’s dress is a limited edition C brand. I heard that this dress is very expensive. A few top-tier actresses went to borrow it from the C brand, but they didn’t agree. Feibao is actually wearing this dress now. C brand really has good taste. Feibao’s aura really matches it.”

“The fact that C brand lent this dress to Feibao shows that they acknowledge her popularity and capability. It turns out that Card C’s judgment is right. Only Feibao can pull it off so well.”

“That’s right, that’s right. Feibao is so beautiful tonight. I think our Feibao is going to be the best-dressed winner tonight.”

The moment a young girl in a white tutu dress, with curly hair and a crystal crown on her head walked onto the red carpet, the live stream started flooding again.

Screams could also be heard.

Many fans waved at the young girl and screamed. “Song Fei, Song Fei!”

“Feibao, you’re so beautiful tonight!”

“Feibao, we’ll love you forever!”

“Feibao, ah, Mom doesn’t allow you to be so skinny. Eat more!”

The young girl turned around and waved at her fans.

The fans got even more excited.

“Gosh, Feibao smiled at me. She’s so beautiful when she smiles.”

“I’m going to faint from happiness. Feibao looked at me, Feibao looked at me.”

On the red carpet, the female artiste whom the fans affectionately called “Feibao” was called Song Fei.

Song Fei was the captain of a singing group.

There were five people in the female group.

Song Fei was the best one.

She was attending the gala as one of the best performers of a certain drama.

In other words, the judges had chosen a few theme songs for the television series, and Song Fei’s song was considered one of the best.

This was a very good result for her.

She was considered a newbie in the entertainment industry.

If she could win this year’s Golden Globe Award, her future would be completely different.

Although she was popular now, it wasn’t that stable.

If she won the award, it would be equivalent to being under the government’s seal. The resources she could come into contact with in the future would definitely be much better than now.

Song Fei was 18 this year and a university student. As she debuted in an idol group, her looks were passable.

Her group was called MoonStar.

Song Fei was both the captain and the best-looking girl in the group.

She had the most fans.

The live stream was full of praises for her. The screen was filled with comments such as “Sister Fairy”, “Goddess Looks”, and “The Most Beautiful Little Fairy”.

With this similar praise, a certain netizen’s unique comment was very abrupt and eye-catching.

If you scold me, I’ll hit you: [Uh, in terms of looks, Qiao Mianmian is still number one in my heart. Song Fei is also rather good-looking, but compared to Qiao Mianmian, she isn’t exquisite enough. The praises from the fans are a little embarrassing..]

### **Chapter 2607: It Must Have Been Qiao Mianmian’s Plan**

Many of Song Fei’s fans attacked this netizen.

The fans were angry. Their Feibao was also very exquisite. What the hell was Qiao Mianmian? How could her plastic surgery face compare to Feibao’s? No matter how good-looking she was, how could one be compared to the other?

“The fans are sorry, but we can’t appreciate a pretentious woman like Qiao Mianmian. A simple and pure girl like Feibao suits our tastes. Qiao Mianmian seems to be only two years older than Feibao, but she’s much more scheming. Our Feibao is younger than her, and she’s still studying obediently in school. She can’t wait to marry into a rich family at the age of 19. One is a scheming girl, and the other is an innocent and obedient student. Comparing our Feibao to her, I feel insulted.”

“That’s right, that’s right. Feibao is just a pure girl. She’s not shrewd at all. She got to where she is today all because of her own hard work. She’s nothing like that Qiao Mianmian. She should be studying, but she’s so focused on seducing men and scheming how to marry into a rich family. Pfft! Is a woman like her worthy of being compared to Feibao? Her looks are so fake. She probably has too much hyaluronic acid.”

“Our Feibao is younger than her, and her face is full of collagen. We don’t need to be like her.”

“That’s right. How could an old woman like Qiao Mianmian be compared to our Feibao?”

The fans were too young and protective of their idol.

Just because of what that netizen said, Qiao Mianmian was scolded by Song Fei’s fans.

The fans seemed to want to crush Qiao Mianmian and make her sound worthless.

Someone quickly stood up for Qiao Mianmian.

“No, I’m just a passerby. I was a little confused when I saw the comments from Song Fei’s fans. Qiao Mianmian is only two years older than Song Fei, how did she become an old woman?”

“I’m a pure passerby, too. Qiao Mianmian never did plastic surgery before. It’s obvious with one look. Even if the fans think your idol is prettier than her, you don’t have to slander her.”

“Why do I feel like Song Fei did plastic surgery? I’ve seen her before. When Song Fei participated in the audition, she was very different from now. Her face doesn’t seem to be the same.”

“Oh my, Song Fei’s fans are so scary. Why are they like a cult? Even if you don’t agree with that netizen’s point of view, you don’t have to make Qiao Mianmian sound like this. Qiao Mianmian and Song Fei are both attending the gala tonight. They might even greet each other when they meet. Is it really good for you fans to attract haters like this?”

Of course, these comments were quickly rebutted by the crazy fans.

And because someone stood up for Qiao Mianmian, the fans scolded her even more fiercely.

Qiao Mianmian must have arranged for these people who claimed to be passersby.

Otherwise, why would so many passersby help her?

It was obvious that Qiao Mianmian was jealous of their idol’s popularity and beauty and deliberately came to scam them.

Qiao Mianmian’s fans were watching the live stream too.

As Qiao Mianmian hadn’t appeared for a long time, her fans watching the live stream went to do something else..

### **Chapter 2608: Let’s Slap Face**

When they returned, they realized that their Mianmian had been attacked.

It was only because a passerby said that he felt that Qiao Mianmian looked more exquisite, and he liked her more.

Then, she was scolded so badly that her parents couldn’t recognize her.

Song Fei’s fans seemed to be on steroids as they surrounded this passerby and scolded him for a long time. They said that the passerby was blind and could only say such things. They even said that Qiao Mianmian must have paid this passerby and deliberately disgusted their idol.

Qiao Mianmian’s fans were gentle like her.

They were also afraid of trouble.

Normally, people wouldn’t attack others unless they were offended.

But if the other party started it first, the fans naturally wouldn’t be afraid of trouble.

Were they bullying her for not having fans, or did they think she was easy to mess with?

These brainless children were too much!

What sort of status did Feibao have to be trying to frame Mianmian?

How could Song Fei compare to Mianmian?

Was she prettier?

Was her figure better?

Was her family background more impressive?

Was she more educated?

Even if their family backgrounds weren't compared, based on their current status in the entertainment industry, Song Fei was at most a B-list actress, while Mianmian was a popular A-list actress.

Qiao Mianmian's fans were usually gentle little rabbits.

But even a rabbit would bite when forced into a corner.

Seeing that Song Fei's fans were still jumping around in the live stream, Qiao Mianmian's fans started to retaliate.

"You Song Fei fans must be out of your minds. Why are you biting people like mad dogs? You're saying that our Mianbao is trying to scam you. This is the funniest joke I've heard this year. Mianbao is a popular A-list actress, but you're saying she's trying to scam a B-list singer like Song Fei? I'm afraid that Song Fei wants to force Mianbao because of our popularity."

"That's right, it's so funny. I've never heard of an A-lister trying to cheat a B-lister. To think that some fans have the face to say it. Aren't they afraid of being laughed at? Do they think that our Mianbao and we fans have good tempers and can let you say whatever you want?"

"Saying that Mianbao did plastic surgery is a joke. Everyone knows that Mianbao is a natural. She's been beautiful since she was young. But some people choose different looks and competitions, and now they're the same. They're good at changing heads. You fans have to pretend that she's natural. Do you think others are as blind as you?"

"Plastic surgery isn't a big deal, but it's a little disgusting for a plastic surgery fan to say that natural beauty is a result of plastic surgery. Our Mianbao won't take the initiative to create trouble, but she's not afraid of it. If you want to cause trouble, Mianbao will accompany you to the end!"

Qiao Mianmian's fans and Song Fei's fans started fighting in the live stream.

Song Fei wasn't as popular as Qiao Mianmian, and she didn't have as many fans.

But her fans were crazier than Qiao Mianmian's.

It was like a cult.

Qiao Mianmian's fans weren't their match.

But her fans weren't easy to bully.

If I can't win against you, I won't try to.

Didn't you say that Song Fei was a natural?

Didn't you say that Song Fei was innocent and obedient?

Then, let us see what the real Song Fei is like.

We won't fight with you.

We'll slap your faces.

Soon, someone posted photos of Song Fei's hair changing technique on Weibo and even paid for it..

### **Chapter 2609: Song Fei Started It**

From the time Song Fei participated in the talent show until now, photos of every period were posted. They were even enlarged. The parts of Song Fei's body that had undergone plastic surgery were analyzed. Even her project was posted clearly.

It wasn't an exaggeration to say that Song Fei had changed her appearance.

Because her face had clearly undergone plastic surgery.

When she first participated in the talent show, she had a single eyelid, but now it was double eyelids.

Although her nose wasn't flat, it wasn't very upright.

Now, Song Fei's nose was tall and straight. Her nose had also shrunk a lot. Compared to before, it was small and exquisite. It could be considered a successful nose.

Her lips were also pouted, so she looked full and bouncy.

Her face was different from before. In the past, her face was a little square, but now, it was the standard oval face. It was obvious that she underwent bone-splitting surgery.

Everyone knew about Song Fei's plastic surgery.

She had changed so much.

Some changes couldn't be achieved without plastic surgery.

For example, her face shape, her nose...

Even Shen Fei's chest and buttocks were exposed.

She used to have a flat chest and a flat butt.

But her figure was very curvy.

# Digging up the plastic surgery history of the MoonStar's Leader, Song Fei. She's the most popular female artiste in history #

Song Fei was an idol.

She wasn't very popular, but it wasn't that bad.

This post attracted a lot of attention.

Many netizens saw it.

“Song Fei’s plastic surgery was too hardcore. If she hadn’t done it herself, her own mother wouldn’t have recognized her.”

“She was just an ordinary passerby during the audition, but now she’s a beautiful girl. Plastic surgery can really change a person’s life.”

“Isn’t Song Fei’s plastic surgery known to everyone? Anyone with eyes can tell. Why is there such news now?”

“Explain it to the netizens who are still unclear about the situation. It seems like Song Fei’s fans and Qiao Mianmian’s fans fought. Song Fei’s fans said that Qiao Mianmian had plastic surgery, and that’s why this news came out. But one of them is from the music industry, and the other is from the film industry. They don’t know each other, so how could they fight?”

“I’ll explain it to you. It was Song Fei who started it. When Song Fei’s fans praised her, a passerby said that she felt that Qiao Mianmian was prettier, thus angering Song Fei’s fans.”

“Song Fei’s fans are so domineering. Everyone’s aesthetics are different. Why can’t they allow others to think that other female celebrities are prettier? I’ve long heard that Song Fei’s fans are very good at tearing people apart. In the past, they only tore at those who weren’t as popular as Song Fei. I didn’t expect them to even dare to try this on someone like Qiao Mianmian. Do they not know who Qiao Mianmian is? Do they think that she’s like the female artistes they’ve torn apart in the past, so easy to bully?”

“To be fair, I think Qiao Mianmian is much prettier than Song Fei. Her looks are natural. Song Fei’s looks are clearly unnatural..”

### **Chapter 2610: Things Are Getting Out of Hand**

“I’ve long felt that Song Fei and her fan club are too arrogant. But they’re so arrogant because they aren’t afraid of anything. This time, I wonder if Qiao Mianmian herself will respond to this. I hope that the two main characters can fight and that Qiao Mianmian can teach Song Fei a lesson.”

Most of the netizens who knew about this fight were supportive of Qiao Mianmian.

Song Fei wasn’t very popular in the industry.

Everyone knew that she had a rich man and was groomed to her current position.

Moreover, she was now the top idol groomed by her management company. Hence, although she was a B-list celebrity, she was even more famous than many A-listers. Her temper was also famous for being bad, and many people in the industry had long found her unpleasant.

Only her fans thought that their idol was gentle, kind, and innocent.

Only Song Fei’s fans would tear others apart.

This time, it was finally her turn to be ripped apart.

Most of them were waiting to see how Qiao Mianmian would respond.

If the two sides really fought, Song Fei definitely wouldn't have a good time.

She couldn't beat Qiao Mianmian in terms of popularity or background.

No matter how powerful her sugar daddy was, was he more powerful than the Bai and Mo families?

Hence, Song Fei's fans had kicked a metal plate this time.

Either they apologized and that was that, or they continued to create trouble, and the matter would get bigger and bigger, involving Song Fei herself.

Normal fans would be smart enough to choose the former and end this farce.

But Song Fei's fans were relatively young, and the smart ones were the minority. Most of the fans chose the latter. After Song Fei's news was exposed, her fans were furious and started to attack Qiao Mianmian on a large scale.

Qiao Mianmian's old scandals that had already been sorted out were dug out by them.

Then, they embellished it and posted it on Weibo and various gossip platforms.

# Find out how the scheming b\*tch Qiao Mianmian managed to climb up the social ladder of the Mo family #

# Shocking! Popular star Qiao Mianmian was actually a public bus when she was a student. She even had an abortion in high school #

# Qiao Mianmian's unbearable past. Her university classmate revealed that she had four abortions a year #

# Qiao Mianmian four-timed in high school and targeted the rich second-generation heirs #

Song Fei's fans paid for the trending searches and posted all these scandals.

On other gossip platforms, they spent money to make these scandals stand out.

The fan club started to create hype on all the platforms.

...

Things were getting out of hand.

The fight between the two fanbases on Weibo was quickly found out by the management companies.

After Song Fei walked the red carpet and entered the venue, she received a call from her manager.

"Feifei, what happened between you and Qiao Mianmian? Why did you have to provoke her? Hurry up and tell your fans to calm down. Qiao Mianmian isn't someone they can tear apart."

Song Fei was stunned for a few seconds before asking, "Sister Li, I don't understand. What's wrong with Qiao Mianmian? What about my fans?"

The manager told her what happened on Weibo.
