

Big Shot 2681

Chapter 2681: Aren't You Afraid of Spoiling Me?

Now, their child was born.

It wasn't too early to start discussing the wedding because it had to be prepared a few months in advance.

Especially for rich families like the Mo family.

Mo Shixiu would definitely give Jiang Luoli a grand wedding.

"Me?" Jiang Luoli sniffed.

Mo Shixiu found this action cute. He couldn't help but pinch the tip of her nose. But he didn't dare to exert any force, as if he was touching something fragile.

"Mm, what's your favorite wedding like?"

Jiang Luoli thought about it seriously and then said, "I prefer the outdoors. Pick a sunny day, one that isn't cold or hot, preferably with a breeze, and our wedding venue will be somewhere beautiful."

Her eyes were filled with longing as she imagined the beautiful scene. "Don't invite too many people, just some close friends and relatives. As for the format, I prefer Western-style. It feels more beautiful and romantic."

Mo Shixiu listened to her seriously and imagined the scene with her. After a while, he smiled gently and said, "It sounds wonderful. If you like such a wedding, we'll do it this way."

"What about you?" Jiang Luoli looked up at him and smiled. "Don't you have your own thoughts? What kind of wedding do you like?"

"What you like is what I like." Mo Shixiu's voice was soft and gentle. He reached out and brushed away a few strands of hair on her cheek. "I don't have any thoughts. Your thoughts are my thoughts."

Jiang Luoli was speechless.

Her heart pounded when she saw the gentleness in his eyes.

This man had always been like this.

He was... completely obedient to her.

Jiang Luoli felt that Mo Shixiu was spoiling her.

Ever since she moved to Mo Shixiu's place and started living with this man, she had been living a good life. Yes, it was nice to call it a good life. If she was more direct, she felt like she was living a useless life.

After being with Mo Shixiu, she even lost her basic life skills.

It seemed like no matter what request she made, whether it was reasonable or unreasonable, he never rejected her.

His temper was so good that Jiang Luoli felt that he didn't have a temper.

But she had seen what Mo Shixiu was like in front of others.

She had seen how he scolded his subordinates.

Even Assistant Xu, who had been with him for many years, was in awe of him.

It seemed like she was the only one who wasn't afraid of Mo Shixiu.

Not only was she not afraid, but Jiang Luoli would also flare up at him from time to time.

But he was still tolerant of her wilfulness.

He pampered her so much that she couldn't help but think about how could she, Jiang Luoli, be able to meet a man who pampered and loved her so much? Most importantly, this man was f*cking good!

"Mo Shixiu, aren't you afraid of spoiling me?"

Chapter 2682: Have You Fallen for My Good Looks?

Jiang Luoli blinked and rubbed her head against his hand. "Do you know that spoiled women become very willful and unreasonable?"

"Haven't you noticed that my temper has been getting worse recently?"

Mo Shixiu loved it when Jiang Luoli showed her reliance on him. When she rubbed the back of his hand gently, the man's warm hand reached over and stroked her head affectionately. "It doesn't matter what you become.

"You can be willful or bad-tempered in front of me. Moreover, I don't think your temper has worsened. I think you're pretty good."

Jiang Luoli was speechless.

Was he serious?

She didn't feel comfortable anywhere near her due date.

As a good-looking person, she'd always felt that as long as the other party was good-looking, he'd be more tolerant towards her.

There was a saying that went "values follow the facial features".

The same thing happened to good-looking people.

But at that time, her temper was so bad that she couldn't tolerate Mo Shixiu's good looks.

At that time, she especially liked to pick a fight.

He was the type to cause trouble.

Even the fact that the moon wasn't full one night and the rain was too heavy one night could be the reason for her anger.

Now that she thought about it...

Jiang Luoli felt that she was too scary back then. It was as if she had changed into a different person.

But Mo Shixiu actually endured it.

And now he was saying that she was good.

Could it be that beauty was in the eye of the beholder?

Or was Mo Shixiu crazy about her?

"Mo Shixiu, do you like me a lot?" Jiang Luoli asked.

She thought that Mo Shixiu would either want to answer later or refuse to answer. After all, she was being too direct.

Unexpectedly, the man chuckled and nodded. "Mm, I like you."

Jiang Luoli was a little stunned.

She looked at the man's handsome face in a daze. He was really attractive.

Such a face, such a man, when he said the words "like" with such a gentle expression, it was even more tempting.

"But, but what do you like about me?" Jiang Luoli looked stunned. "I don't think I have any other good points besides my looks. Have you fallen for my good looks?"

Jiang Luoli wasn't being narcissistic.

But she really felt that compared to Mo Shixiu, her looks were the only advantage.

He had always been a top student.

In terms of talent, Mo Shixiu was not only proficient in many languages, but he was also proficient in various instruments and sports. Compared to him, Jiang Luoli felt that she was just making up the numbers.

Mo Shixiu was the kind of person that others would praise from a young age.

And she...

She was a woman with nothing but beauty.. Of course, she felt that Mo Shixiu liked her beauty.

Chapter 2683: You're the Most Beautiful in My Heart

Otherwise?

What else could he see in her?

Moreover, Jiang Luoli wasn't confident in anything else. But she was confident in her looks.

"Mm, you're right. I like your good looks." Mo Shixiu actually cooperated with her narcissism. The man's cold and dark eyes were filled with affection as he chuckled. "Not only that, but I also like your inner beauty."

Jiang Luoli's lips twitched.

Inner beauty?

What inner beauty could she have?

She had always felt that she was a superficial woman. Her inner beauty didn't exist!

And Mo Shixiu could actually see her inner beauty and even like it?

Jiang Luoli felt that it was too fake.

"Ahem, alright, alright." Even the thick-skinned Jiang Luoli was a little embarrassed now. She didn't want to continue being narcissistic. "Mm, I believe you. So, my outer and inner beauty attracted you?"

Mo Shixiu smiled and nodded.

"Then, if you meet a woman more beautiful than me in the future, will your heart change?"

"A woman more beautiful than you?"

"Mm!"

"I don't think I can."

"Why?" Jiang Luoli was curious.

Mo Shixiu smiled and combed her hair with his slender fingers. "The woman you're talking about doesn't exist, so I won't meet her."

Jiang Luoli was even more curious. "Why doesn't she exist?"

No matter how narcissistic Jiang Luoli was, she knew that there were too many people in this world who were more beautiful and outstanding than her.

Countless.

For a man like Mo Shixiu, with his looks, identity, and status, he definitely didn't lack any women around him.

"No woman is more beautiful than you." Mo Shixiu combed her hair and placed his warm palm on her smooth forehead. "You're the most beautiful in my heart."

Jiang Luoli was stunned.

She felt like her heart was going to jump out of her chest.

How could Mo Shixiu say such sweet words so seriously?

She really couldn't handle this man.

"What's wrong?" Mo Shixiu saw her looking at him blankly and chuckled. He asked gently, "Why are you looking at me like that? Did I say something wrong? In my heart, you're the most beautiful."

"So, you don't have to worry about me having a change of heart. I can't handle you alone. I don't have the time or energy to deal with others."

"I only have one thought now." Mo Shixiu paused and looked at her gently with his cold eyes. He then turned to look at the sleeping baby. "I just want to take good care of you and Yueyue for the rest of my life. Nothing else is important to me."

"Luoli." Mo Shixiu's voice was very soft and gentle as he looked at her. "Don't think too much. Yueyue and you are very important to me. Believe me, I won't let you down."

Jiang Luoli looked up at him and smiled.. "Mm, I believe you."

Chapter 2684: Untitled

"Aren't you sleepy?" Mo Shixiu stroked her head. "You really don't want to sleep for a while?"

"I feel a little sleepy now." Jiang Luoli blinked and yawned.

"Then, sleep for a while." Mo Shixiu adjusted the blanket for her. "You need a good sleep. Do you need me to sing a song for you?"

"Alright." Jiang Luoli yawned again, then said lazily, "I want to hear the goodnight song you often sing to me."

Mo Shixiu treated her like a child.

At home, he had developed the habit of singing to coax her to sleep.

Hence, whenever Jiang Luoli wanted to sleep, Mo Shixiu would sing for her.

Such a request was too unreasonable for an adult, but Mo Shixiu was willing to pamper her.

One of them was willing to fight, while the other was willing to take the beating. They were originally a couple with very different personalities, but unexpectedly, they got along very well.

Previously, Assistant Xu felt that Jiang Luoli wasn't suitable for Mo Shixiu at all.

He felt that it was just a moment of novelty. It definitely wouldn't last.

After all, their personalities, habits, and environments were too different.

Initially, even Qiao Mianmian felt that Jiang Luoli and Mo Shixiu weren't suitable.

To put it bluntly, they weren't from the same world.

But who would have thought?

This pair that no one thought highly of made it this far.

Not only did they not separate as others thought, but their relationship was even getting better.

Jiang Luoli slowly closed her eyes as she heard Mo Shixiu humming a familiar tune.

His voice was low and gentle as if he was whispering sweet nothings...

Jiang Luoli's eyelids became heavy. She fell asleep before Mo Shixiu finished singing.

Mo Shixiu looked at her for a long time after she fell asleep.

It was only when he heard a familiar voice from the corridor and heard footsteps approaching the door that he stood up and looked out.

"Why are you here?" Mo Shixiu walked out of the room and closed the door. He looked at Madam Mo coldly.

"Shixiu, I..."

"Luoli just fell asleep, don't wake her up. Let's talk somewhere else."

Mo Shixiu interrupted Madam Mo coldly and turned to walk towards the rest area.

Madam Mo looked at her son, whose expression was cold and indifferent. She felt terrible and angry.

Now, she was a sinner in everyone's eyes.

Not to mention her son, even her husband, who had always treated her well, was a little cold to her recently.

Everyone felt that she had done something wrong.

Madam Mo had been suffering in the Mo family recently. She felt especially aggrieved. Her mother-in-law, her two sons, and her husband were all treating her differently because of an outsider.

Old Madam told her to reflect.

Her husband also told her to reflect on herself.

But what was there to reflect on?

She didn't think she'd done anything wrong.

Everything she did was for the good of the Mo family, but why did no one support her?

Instead, a little girl who was nothing had become the treasure of the family.

Chapter 2685: You Mean It's All My Fault?

Madam Mo followed him, full of dissatisfaction and grievance.

Mo Shixiu only stopped when they were a distance away from Jiang Luoli's room.

He turned around and saw Madam Mo walking towards him. When she got closer, he asked directly, "Mom, what are you doing in the hospital?"

Because Madam Mo wanted to take Jiang Luoli away previously, Mo Shixiu had officially fallen out with her. He, who had always been filial and close to his mother, showed a cold attitude.

Madam Mo felt even more aggrieved after hearing his question and seeing his cold expression.

"Can't I come to the hospital?" She was angry and aggrieved. "Why are you so nervous? Are you afraid that I'll do something to Jiang Luoli? Shixiu, I'm your mother. I gave birth to you and raised you. I'm your closest kin. Why are you so guarded against me?"

In the past, if Madam Mo complained about her grievances to her sons, she would definitely be comforted by them.

But now...

Mo Shixiu looked at her indifferently. "I don't want to guard against you, but have you forgotten what you've done to Luoli?"

"I haven't. So, I can't believe you now."

"Shixiu, you!" Madam Mo's face darkened at his blunt words. "I'm your mother! Am I not better than Jiang Luoli in your heart?"

"Are you really going to disregard our mother-son relationship for that woman?"

"Mom, you're my family, and Luoli is my lover. Both of you are equally important to me. Luoli didn't do anything to let you down, but you targeted her time and time again just because you felt that her family background wasn't enough and she wasn't worthy of me.

"As her husband, I naturally have to protect her when someone hurts my wife. If you can treat Luoli well, our family can be harmonious."

"So, you mean it's all my fault? I'm the one who made this family unhappy?" Madam Mo raised her voice.

Mo Shixiu looked at her calmly. "It's really because of you. Because of you, the entire family is in conflict. Mom, haven't you figured it out recently? Don't you think you've done something wrong?"

"W-What did I do wrong!" Madam Mo bit her lip. She actually regretted it a little, but she still refused to admit it. "Everything I did was for the good of this family. You don't understand me! If you'd listened to me and married a girl of equal social status, would I have objected!"

"Even if we don't find someone like that, they must at least be from a scholarly family. But that Jiang Luoli isn't even from a scholarly family, and her family is even messier. How can I accept this!"

Madam Mo got more agitated as she spoke.. "With our Mo family's qualifications, what can't we find? There are a lot of girls in the circle waiting for you to pick them, but you picked the worst one. Are you trying to anger me to death? So what if I object, I won't..."

Chapter 2686: More and More Disappointed in You

Mo Shixiu frowned. Seeing how Madam Mo despised Jiang Luoli, his expression darkened and he interrupted her coldly. "If you insist on criticizing Luoli, then stop. I'm not interested."

"You can go back now."

Seeing Madam Mo's shocked and awful expression, Mo Shixiu's eyes grew a little cold. "Luoli has just given birth to a child for me and helped our Mo family grow. At this time, not only do you not feel any heartache for your daughter-in-law, but you even said so many disdainful words."

"Mom, you've also been someone's daughter-in-law. If Grandma treated you like this back then, what would you think?" Mo Shixiu's voice became colder and colder. "Everything you've done to Luoli has made me more and more disappointed in you."

"I never thought that the mother I loved and respected since I was young would treat my wife like this."

"Don't worry, I won't let you meet her again. You don't like her, but your son does. I have to go back and take care of Luoli. Please see yourself out."

With that, Mo Shixiu turned and left.

Madam Mo stood rooted to the ground with a terrible expression. Seeing that Mo Shixiu really left just like that, she said angrily, "Shixiu, stop right there! What do you mean by that? What do you mean by never letting us meet again? Tell me clearly."

"If you don't like her, then you don't have to meet her. Of course, I'll always be with her. Wherever she is, I'll be there."

"You mean you won't see me anymore?!" Madam Mo slowly understood what he meant. Her expression turned even uglier as she felt a lump of blood in her throat. "You really want to abandon your mother for a woman?"

Mo Shixiu looked at her coldly. "I'll say it again. She's my wife and the mother of my child. It's you who can't tolerate her, not the other way around. You're the one who forced me to make a choice. You want me to abandon my wife and child for the so-called filial piety. Forgive me for not being able to do it."

Looking at her son being so cold to her, Madam Mo thought about the coldness she had been receiving recently. Her anger deepened.

She still insisted that she hadn't done anything wrong.

Hence, she blamed everything on Jiang Luoli.

If Jiang Luoli hadn't seduced her son, he wouldn't have ended up like this.

It was all because of Jiang Luoli!

She would never accept that shameless woman!

Madam Mo gritted her teeth and said coldly, "You want to force me to accept her? Let me tell you, I will never accept Jiang Luoli as my daughter-in-law! I heard that she gave birth to a daughter. I came to the

hospital today just to take a look at our Mo family's bloodline. Get someone to take the child out for me to take a look. I'll leave after that. You're right, I don't want to see Jiang Luoli. It's best if I don't!"

"Yueyue is Luoli's daughter. If you can't accept Luoli, then Yueyue won't acknowledge you as her grandmother. I won't let Yueyue acknowledge someone who despises her mother as her grandmother. Yueyue won't want to see someone who despises her mother, either.. Go back."

Chapter 2687: Is She Worthy of a House Worth More Than a Billion Yuan?

Mo Shixiu didn't care how Madam Mo felt after hearing this. He left after saying that.

This time, no matter how Madam Mo called him from behind, he didn't stop.

...

Madam Mo returned home full of anger and resentment.

Just as she reached the living room, she heard Old Madam say happily, "Yueyue is the first child of Shixiu's generation and my first great-grandchild. Her 100-day banquet must be grand. When the time comes, invite all the famous people in Yuncheng City to celebrate.

"Oh right, Luoli has helped the Mo family a lot. We have to reward her.

"I think the house in the east is pretty good, so I'm thinking of giving it to her as a reward. What do you think?"

The house in the east?

Having just entered the living room, Madam Mo heard this and couldn't help but stop in her tracks. The anger in her heart rushed to her head!

That house was worth more than a billion yuan!

And she planned to give it to Jiang Luoli just like that?!

Madam Mo came from a prestigious family, rich and powerful. She naturally wouldn't be jealous of such a thing.

Because she gave birth to Mo Shixiu and Mo Yesi, Old Madam also gave her a reward of equal value.

Hence, Old Madam wasn't biased.

But she despised Jiang Luoli from the bottom of her heart. The Jiang family was like an ant in her eyes. She felt that Jiang Luoli wasn't worthy of such a reward.

A poor girl who grew up in a slum.

She would definitely be happy with any reward.

Was she worthy of a house worth more than a billion yuan?

Another gentle voice sounded. It was her husband's voice. "It's only right. Mom, it's fine as long as you've decided. I have no objections."

"Then, let's do it this way. I'll get someone to settle this tomorrow. Oh right, get someone to invite Master Chen over and get him to calculate Yueyue's name as soon as possible. Also, get someone to tidy up a nursery for the next few days. Yueyue can't come back without a place to stay."

"Alright."

"Now that I'm satisfied, I have no regrets." Old Madam said happily, "I'm just waiting for Yesi and Mianmian to give me another great-grandchild. My life will have been worth it, then."

"Mom, you're a blessed person. You'll also be blessed in the future."

"I'm not greedy. I'm satisfied now. I'll give the extra blessings to you juniors. I don't have much to ask for now. I'll be happy as long as I see that our family is harmonious."

"Yes, everything will go as you wish," Mo Yunchen said gently.

"There's nothing for me to worry about in the family now. The only thing I'm worried about is Wenpei." Old Madam changed the topic and sighed. "She has too heavy a mindset about family background, that's why she doesn't like Luoli. If she continues to cause trouble, this family won't have a peaceful day anymore."

"Yunchen, persuade her not to be so stubborn. Now that the two children have fallen out with her, she should reflect on herself. How much longer does she want to continue being like this?"

"Mom, I'll persuade her." Mo Yunchen sighed. "She was wrong this time. It's my fault, too. I've spoiled her."

"You finally know? I've told you before that you can spoil your wife, but you have to have a limit. Wenpei wasn't like this in the past.. She just became more and more insensible because of you."

Chapter 2688: Why Can't Anyone Understand Her!

"Yes, Mom. You're right. I regret it now."

"Regret it? I'm not an unreasonable person. I want to see the two of you get along well. But there has to be a limit to everything. It depends on whether the person being pampered can handle it. Ah Si and Shixiu dote on their wives, but Mianmian and Luoli aren't arrogant.

"You have to take good care of your wife. Wenpei is really too much now. If she continues like this, when will this family be harmonious? If she continues like this, I, an old woman, can't handle her constant fussing. I think you guys should move out and not live with me.

"I don't want to have a heart attack because of her. I want to live for a few more years. I don't want to end up being angered to death."

"Mom, you're being too serious. You'll definitely live a long life. Wenpei did wrong, and this is my fault too. I shouldn't have spoiled her too much. Don't worry, I'll have a good talk with her later."

“Mm, I won’t pursue how she treated Luoli in the past. But now that Luoli has given birth to the Mo family’s bloodline, the child needs a happy family. If she causes any trouble in the future and hurts Luoli and her child, I won’t forgive her!”

Old Madam’s voice turned stern.

Not far away.

Madam Mo heard the conversation between her husband and mother-in-law with a stiff expression.

She bit her lip and trembled with anger.

The husband who doted on her and protected her the most actually regretted it?

He actually admitted to spoiling her and thought that she was wrong.

Old Madam said that she was in the wrong and was biased towards Jiang Luoli. Although she was angry, she wasn’t disappointed.

She didn’t have much of a relationship with Old Madam.

Although they had lived together for many years, Madam Mo wasn’t very close to her.

Naturally, Old Madam also wasn’t very close to her.

The mother and daughter-in-law just maintained a superficial relationship.

But now...

Because of Qiao Mianmian and Jiang Luoli, she couldn’t even maintain her harmony with her.

The relationship between the mother-in-law and daughter-in-law was very tense now.

Old Madam didn’t have a good expression when she saw her.

But Madam Mo could tolerate it!

She didn’t need to gain Old Madam’s favor!

She just wanted her husband to love her!

Madam Mo had always thought so.

Mo Yunchen had pampered her for decades, and Madam Mo had always been treated like a “princess”. She only valued her husband the most. She always thought that it didn’t matter if the Old Madam didn’t like her. She only wanted her husband to like her.

Moreover, Mo Yesi and Mo Shixiu treated her very well. Madam Mo was spoiled by her husband and sons.

She never thought that they would stop pampering her one day.

But now, her husband and sons, who had always pampered her, were ignoring her because of outsiders.

They all felt that she was wrong.

But she was doing this for the good of the family, why couldn't anyone understand her!

Chapter 2689: No Place for Her Anymore

Madam Mo was still upset and angry at Mo Shixiu.

Now that she saw that her husband actually thought that she'd done something wrong and was criticizing her behind her back with the Old Madam, she was even more disheartened and angry.

She felt like she'd been abandoned by the world.

The person she trusted the most had abandoned her.

There was no place for her in this house anymore.

She was now the sinner of the whole family, and everyone despised her.

"Mo Yunchen, do you regret it!" Madam Mo rushed to Mo Yunchen with reddened eyes. She glared at him and yelled, "Do you regret marrying such an unreasonable wife like me? What do you mean? Are you starting to despise me? What do you want to do? What are you going to talk to me about? Are you going to divorce me and find a sensible wife?"

Madam Mo suddenly rushed over and screamed, startling the Old Madam and Mo Yunchen.

Especially Mo Yunchen.

He was shocked at his wife's ferocious expression.

Madam Mo was usually very gentle in front of him.

Mo Yunchen had always felt that his wife was a gentle and understanding woman.

But this woman who was screaming at him and gnashing her teeth made him feel unfamiliar.

Madam Mo was even angrier when he didn't say anything. She thought he was ignoring her on purpose.

Hence, she got even angrier. "What? Did I hit the nail on the head? You're guilty and don't dare to say anything? Mo Yunchen, you bastard!

"I'm old now, and you despise me. How could I marry a heartless man like you? How could I, Shangguan Wenpei, have such a bitter life? Let me tell you, I won't agree to a divorce! Unless I die, don't even think of bringing back the vixen from outside!"

Mo Yunchen was confused by her unreasonable crying.

When did he want to divorce her?

When did he have a woman outside?

He was labeled as a "heartless man" for no reason. No matter how good-tempered he was, he was a little angry now.

He looked at Madam Mo, who was crying and refusing to let go. His expression darkened as he said coldly, "Wenpei, what nonsense are you talking about? When did I let you down? What nonsense are you saying!"

The Old Madam's expression darkened as well. "Wenpei, what are you doing? Can't you see the harmony in this family? You'll only be happy if something happens! After messing with Luoli, you're here to mess with Yunchen now?"

Madam Mo couldn't take it anymore.

She was even more certain that Mo Yunchen despised her because she was old and had a vixen outside. He wanted to replace her, a wife who couldn't give him any fresh feelings.

He'd never been so cold to her.

What else could it be?!

At this thought, sadness, grievance, anger, disappointment, and all sorts of negative emotions filled her heart, causing Madam Mo to lose all rationality.

Chapter 2690: There Will Be a Day When a Dodder Flower Turns into a Tigress

She looked at her cold husband and then at the old lady beside him. A few seconds later, she suddenly sneered. Retreating, she gritted her teeth and said, "Alright, are you and your son going to work together to deal with me?"

"I can tell that I'm an extra in this house now. You guys can't wait for me to leave, right?"

"Old Madam despises me, my two sons despise me, and now even my husband despises me!"

Mo Yunchen frowned. "Wenpei, I don't despise you. What's wrong with you? Why are you saying this?"

"Ha." Madam Mo sneered. "I heard what you said. Mo Yunchen, you regret marrying me. Do you think I can't tell?"

"I'm doing this for the good of this family. I don't want my son to marry a useless woman. Did I do something wrong! Jiang Luoli is a jinx. If it wasn't for her, Shixiu wouldn't have withdrawn from this year's elections! He could have been chosen to be the president this year! She's the one who harmed Shixiu and the entire Mo family. She's a jinx. As long as she's in this family, we won't have a day of peace!"

"Why are you all protecting that jinx? Have you all been tricked by her!"

"Alright, my good intentions have been treated as ill intentions by you! Now, you all want to deal with me for that jinx. I can't stay in this family anymore. Since you don't want to see me and think that I ruined the family's harmony, I'll leave now!"

"But Mo Yunchen, don't be happy too soon. Even if I don't stay in the Mo family, I won't let you marry the vixen outside!"

Mo Yunchen was speechless as he looked at his wife who had lost her rationality.

He had never seen his wife so unreasonable and terrifying.

This was his wife, but Mo Yunchen felt that she was so foreign.

They'd lived together for decades, but he suddenly realized that he didn't know her well enough.

He always thought that she was gentle, elegant, and weak...

She was so weak that she needed to rely on her husband to survive.

Mo Yunchen felt that his wife was a weak and beautiful flower.

But he didn't expect that she would become a tigress one day.

"You're all protecting that jinx now. Just wait and see, you'll regret it one day! You'll know that I'm right, you'll regret treating me like this!"

Madam Mo turned and ran out of the hall after saying that.

Mo Yunchen was stunned for a few seconds before remembering to chase after her.

But Old Madam stopped him.

"Yunchen, let her go."

Mo Yunchen hesitated. "But Wenpei isn't safe outside. She can't take good care of herself."

Old Madam sneered. "Do you still think your wife is weak and easy to bully? Don't worry, this isn't the first time she left home. She's Madam Mo, she won't suffer anywhere.

"There's nothing unsafe about having bodyguards protecting her.

"If she wants to leave, let her go.. When she's alone for a while, she might be able to figure it out. I hope she'll suffer a little so that she can recognize herself! She won't be so unreasonable then!"
