

Big Shot 2691

Chapter 2691: Officially Started

Mo Yunchen hesitated for a few more seconds but didn't chase after her in the end.

He really spoiled her.

He remembered that Shangguan Wenpei wasn't like this when they first got married.

Back then, she was really gentle and sensible. She really managed the family well.

She was too nice back then, so he wanted to pamper her and treat her well.

But he didn't expect to spoil her so much.

Thinking about Madam Mo's scary expression, Mo Yunchen felt that Old Madam was right.

He couldn't indulge her anymore.

It might be a good thing for her to suffer outside.

It would be great if she could change her temper and think things through.

...

Madam Mo left home for the second time.

The last time she left home, she didn't last long before returning to the Mo Residence.

And this time, Madam Mo seemed to have made up her mind. After leaving the Mo Residence, she never contacted anyone in the family again.

Soon, a week passed.

Qiao Mianmian and the rest of the juniors only found out about the conflict at the Mo Residence the next day.

As their daughters-in-law, Qiao Mianmian and Jiang Luoli didn't comment on this.

On the other hand, Mo Yesi and Mo Shixiu, as biological sons, had the same attitude towards Madam Mo's actions this time. No one thought of looking for her, and they felt that it was a good thing for her to suffer outside.

Both sons had the same attitude.

Qiao Mianmian and Jiang Luoli were even more speechless.

After all, they didn't like their mother-in-law.

As long as they didn't live with her, Madam Mo's actions had nothing to do with them.

Especially Jiang Luoli.

She was happily feeding her child every day, and even Mo Shixiu, her husband, was neglected by her. How could she have the mood to care about Madam Mo?

Qiao Mianmian was free for two days before getting busy again.

After the Golden Globe Awards came to an end, the annual blockbuster fantasy movie “Phoenix in Flight” was officially launched. As the second female lead, Qiao Mianmian had to follow the crew overseas for almost three months.

Qiao Mianmian’s previous television series “If You Can’t Love” and the variety show were shot domestically. Hence, although she had been overseas for a few months, she and Mo Yesi still saw each other often and didn’t spend much time apart.

Back then, convincing Mo Yesi was only a little difficult.

Domestic flights usually took only two to three hours, after all.

Hence, as long as Mo Yesi had some time, he could fly back and forth that day.

It didn’t affect his work much.

But this time was different.

The country Qiao Mianmian went to required ten hours of flight.

It would take a day to fly back and forth.

This meant that it wouldn’t be easy for them to meet again.

Especially since Mo Yesi was starting to get busy.

The Mo Corporation had to clean up the Shen Corporation’s mess after acquiring it, and the Shen Corporation had too many messes.

It wasn’t easy to turn a big bankrupt company’s losses into profits.

No matter how capable Mo Yesi was, he couldn’t solve all these problems overnight.

Chapter 2692: I’m Really Worried About You

“The plane leaves at 9:00 AM tomorrow. We’ll contact each other when we reach the airport! Alright, I won’t disturb you anymore. You’ll have to stay there for at least three months. You and Chairman Mo should make the best use of your time.”

Qiao Mianmian threw her cell phone aside and went to the changing room to pack her luggage.

The bedroom door was pushed open, and a slender figure walked in. Seeing Qiao Mianmian walk towards the changing room, the man’s low and magnetic voice sounded behind her. “Are you going to pack your luggage? I’ll help you. You can’t do it yourself.”

Mo Yesi quickly walked towards her.

“Just pack up the skincare products you use daily. Leave the rest to me.”

Mo Yesi would help her pack every time Qiao Mianmian went overseas.

He did pack better than she did.

Not only did he pack everything neatly, but he also arranged the space in the luggage very well. Qiao Mianmian usually used two suitcases to pack everything, but Mo Yesi only needed one.

Although he was a rich young master who grew up with a silver spoon in his mouth and never lacked people serving him, after living with Mo Yesi, Qiao Mianmian realized that this man’s various life skills were much better than many people from ordinary families.

An ordinary family would also pamper a “giant baby” who knew nothing.

And for a true prestigious family like the Mos, the education and grooming of their descendants were usually much higher than that of ordinary families.

Both Mo Yesi and Mo Shixiu were outstanding in all aspects.

Mo Shixiu took good care of Jiang Luoli throughout her pregnancy.

“Alright.” Qiao Mianmian didn’t stand on ceremony with him and nodded. “I’ll leave the luggage to you. Oh, right. I checked. It’s pretty hot in Country Y, and it’s already summer. I have to bring some summer clothes.”

Mo Yesi smiled. “I know, I’ve already gotten someone to check. Although it’s rather hot over there, it’ll still be a little cold sooner or later. You still have to bring a few thin jackets.”

“You got someone to check? When?”

“Of course.” Mo Yesi pinched her chin and said gently, “When have I ever not been concerned about you? This is the first time you’re going somewhere far away from me, and I can’t visit you as often as before. I’m really worried about you.”

Qiao Mianmian’s heart trembled when she met his gentle and affectionate gaze. “Mo Yesi, I’m not a child anymore. Don’t worry, I’ll take good care of myself.”

“But in my eyes, you’re a child that I miss and worry about. Baby, I’m really worried about you.” The man sighed softly, his eyes full of reluctance. “I shouldn’t have agreed to let you go so far away.”

The man paused for a while, and a hint of hesitation appeared on his handsome face. After a few seconds, he still asked tentatively, “Must you film this movie?”

Qiao Mianmian saw the reluctance and worry in his eyes and felt especially sweet, warm, and blissful inside.

Chapter 2693: Mo Yesi, I Can’t Bear to Leave You Too

She felt so lucky to have a husband who loved her so much.

A wave of sweetness filled her heart. She couldn't help but stand on her tiptoes and hook her slender arms around the man's neck. Her black and soft eyes were fixed on the handsome and dazzling man in front of her. "Mo Yesi, I can't bear to leave you too. I know you're worried about me, but I'm already an adult, and I have basic life skills. I really can take good care of myself.

"Moreover, Sister Xie and Nana will come with me this time. They'll take care of me, too. So, don't worry. I won't let myself live badly. And I heard that our production team is very generous this time. They gave special treatment to the actors. Whether it's food or accommodation, it's very high standards.

"Don't think that I'm going there to suffer. Actually, filming isn't as tough as you think. Moreover, everyone knows that I'm Chairman Mo's wife and your precious. Do you think anyone dares to treat me badly?"

"Even if they're not afraid of offending me, they wouldn't dare to offend you, Chairman Mo!" Qiao Mianmian said cheekily.

Mo Yesi was amused. He smiled and looked down at her. "You don't mind others thinking that you're a string-puller now?"

Qiao Mianmian said, "I didn't mind it for a long time!"

"Mm? You don't mind it?"

"Mm! I didn't mind it for a long time! So what if I'm a string-puller? Anyway, I don't care what others say. I just have to do my job well. I believe that as long as I work hard, others will definitely see my worth! If some people still think I'm a string-puller, then it can only mean that I haven't done well enough. One day, I'll rely on my strength to remove this label!" She clenched her fists with firm eyes and voice.

Mm, this was her goal.

She believed that it would come true someday.

By then, no one would think that she became popular because of the Bai or Mo families.

"Alright." Mo Yesi's eyes were full of love as he looked at his enthusiastic and energetic wife. He reached out to pat her head and said gently, "I believe you can do it. Baby, you can do it."

"Mm, I'll do my best!"

"I know a few old acquaintances in Country Y. I'll talk to them later. If you need anything, you can contact them to settle it."

Qiao Mianmian smiled and nodded. "Alright."

"Of course, you can call me too. It's the same if you ask your husband for help. Although I can't rush over immediately, I'll help you settle it."

"Alright."

"If you're not used to the food there, I can arrange for a chef to cook for you."

“Alright.”

“You might not be able to adapt to the weather in Country Y. If there’s any problem, don’t force yourself. You have to see a doctor immediately.”

“Alright.”

“It’s not very safe there at night. Stay in the hotel after work. Don’t go out at night.”

“Alright.”

“You have to video call me every day to let me know your situation.”

“Alright.”

The man explained carefully.

He was worried about her.

After a moment of silence, he seemed to be thinking about whether he had anything else to say.

Chapter 2694: Don’t Fight With Me About This

“Mm, Mo Yesi, I’ll listen to you.” Qiao Mianmian leaned against his chest gently. She could hear his steady and strong heartbeat and smell the man’s warm scent. At this moment, she felt very blissful.

“If I have the time, I’ll come back to see you.”

“What are you running around for, just wait for me to come over and see you.” Mo Yesi couldn’t bear to let her be burdened. “I have more free time. Moreover, there are a few orders to discuss in Country Y next month. Just wait for me there obediently, don’t run around on your own, understand?”

“I’m not running around...”

“Baby, be good. Listen to me.” Mo Yesi’s gentle voice was a little domineering. “Don’t fight with me about this.”

Qiao Mianmian was speechless.

“Alright.” She nodded. “I won’t fight with you anymore. I’ll listen to you. Alright? Then, can you let go of me now? I have to clean up.”

“Go on.” Mo Yesi seemed satisfied. He smiled and rubbed her head. “When you’re done packing, I’ll help you check again to see if anything is missing.”

...

Qiao Mianmian had brought enough luggage for three months.

Mo Yesi used two huge suitcases to put her things in.

After packing up, Qiao Mianmian felt hungry, so the two of them went downstairs for supper hand in hand.

Thinking about how they were going to be apart for a few months, Qiao Mianmian suggested that she cook supper for him.

“Tell me, what do you want to eat? I’ll make it for you.” Qiao Mianmian tied her hair into a bun and put on an apron. She opened the fridge as she spoke.

Mo Yesi stood at the kitchen door and smiled when he saw how enthusiastic she was. “Do you feel that I’ve worked hard packing your luggage just now and want to cook for me personally?”

“Sort of.” Qiao Mianmian smiled and nodded. “You helped pack my luggage, so I’ll make supper for you. Moreover, I haven’t cooked for you in a long time. Didn’t you say you like my food?”

“Since you want to cook for me, I can’t let you down.” Mo Yesi smiled as he looked at the exquisite girl in front of him. “I love it as long as it’s made by you. You can decide.”

“I can decide?”

“Mm. I’ll eat whatever you cook.” The man’s voice was low and magnetic. “I’m not picky as long as it’s made by you.”

In other words, only Qiao Mianmian’s food was good enough for him.

He was actually a very picky person.

“Alright, I’ll see what’s in the fridge.” Qiao Mianmian looked into the fridge and saw that it was filled with all sorts of food.

“It’s not good to eat greasy food at night. I’ll make a few light dishes, then. I’ll make vegetable porridge, too. What do you think?”

“Mm, not bad.”

“Then, don’t stand there. Go out and wait.” Qiao Mianmian took out a few dishes from the fridge and waved at him. “I’ll feel uncomfortable if you stand there watching me cook.”

“Alright, I’ll go out then. Are you sure you don’t need my help?”

“No need, just go out and wait.”

“Alright.. Then, I’ll wait for your supper.”

Chapter 2695: Don’t Worry, I Won’t Do Anything

Mo Yesi looked at her affectionately and left the kitchen with a smile.

After marrying Mo Yesi, Qiao Mianmian rarely cooked.

Although Mo Yesi said that he liked her cooking, he actually rarely let her cook. Qiao Mianmian usually cooked for him when she was in the mood.

He would eat it all whether it was good or bad.

Qiao Mianmian was very good at making home-cooked dishes. She made three dishes in less than half an hour.

The porridge was just done.

After washing her hands and taking off her apron, she got a housemaid to bring the dishes out.

"It's all done?" Mo Yesi was sitting in the living room watching the news. He immediately stood up when he saw her coming out of the kitchen.

"Mm, it's done. I fried a prawn, and the other two are vegetable dishes. Come and see if you like them."

"I've said it before, I like it as long as it's made by you." Mo Yesi smiled and walked to her side, putting his arm around her waist.

They walked towards the dining room together.

Qiao Mianmian's culinary skills weren't very good, but they were above average among ordinary people. The dishes looked good, smelled good, and tasted good. Although they weren't delicacies, in Mo Yesi's eyes, his wife's food was always the best.

He ate delicacies every day and was sick of them.

"It smells so good." He walked to the table and praised her before he even started eating. "It looks delicious. I just wanted porridge and some side dishes. This supper really suits my appetite."

"You haven't even eaten, and you already know that you like it." Qiao Mianmian sat down and picked up a prawn with her chopsticks. She then called out to him. "Try it and see how it tastes. I haven't cooked for a long time, I wonder if my culinary skills have deteriorated."

"Alright." Mo Yesi sat down beside her and ate the prawn.

"How is it?" Qiao Mianmian asked.

"It's delicious." Mo Yesi commented seriously. "The prawn is very tender, and the freshness is retained. The fire control is very good."

"Really?" Qiao Mianmian was rather happy to receive such high praise from him. Her eyes lit up. "I was afraid it would be too dry and that it wouldn't taste good."

"The texture is very suitable." Mo Yesi tasted another vegetable and praised it generously. "This dish tastes good, too."

"Then, eat more." To the chefs, the first thing they did was to confirm their culinary skills.

Especially since Mo Yesi was a very picky person.

Even though she knew that he was just praising her, who wouldn't be happy to hear that?

Mo Yesi looked up, his dark eyes full of affection. "Alright. I'll try my best to finish the love supper that my wife made."

...

After dinner, Qiao Mianmian took a shower and lay on the bed lazily.

Her side was slightly dented, and a warm breath surrounded her from behind. Her back was against the man's firm chest, and her slender waist was wrapped by a pair of equally warm arms.

"Mo Yesi..." Qiao Mianmian stiffened.

"Don't worry, I won't do anything." The man's voice was low and sexy as he whispered into her ear, "I know you have to wake up early tomorrow. I just want to hug you."

She relaxed.

Chapter 2696: Let's Talk About Our Wedding

Mo Yesi felt her change and laughed. "You're so afraid of me? I said I wouldn't touch you, so I won't. Even if I tired you before, I already let you rest long enough. Your body is so delicate, hasn't it recovered?"

The petite woman in his arms shifted her body like a worm and turned to face him. "Yes, I'm delicate, but I haven't recovered! I've said it before, don't even think about it before your hand recovers."

Mo Yesi raised an eyebrow. "Baby, I remember telling you that my hand has recovered. Even Lu Rao said that my hand can be used normally. It's fine if you don't believe me, but you don't believe Lu Rao?"

As Mo Yesi spoke, he showed that his hand had already scabbed and had a new layer of skin. "If you still don't believe me, how about checking it?"

Qiao Mianmian looked down and smiled. "Mm, It's fine now. But you just said that you won't touch me tonight. Mo Yesi, you can't go back on your words. I have to wake up early tomorrow, so I have to sleep early."

She heard an even more helpless sigh. "Yes, what did I promise you? I just want to hug you and talk to you. Is that alright?"

"Mm, sure." Qiao Mianmian snuggled into his arms and leaned against his chest comfortably. "What do you want to talk about?"

"Let's talk about our wedding. I want to hold our wedding after you're done with the movie." Mo Yesi had been thinking about this for a long time. Now that he and Qiao Mianmian had made it public, everyone knew that they were already married, but he still owed her a grand wedding.

There was no need to hide their relationship.

Everything had to be done properly.

"Wedding?"

"Mm."

Qiao Mianmian thought for a while and nodded. "Mm, I think so too. Let's hold the wedding after I'm done with this movie."

Even though he knew that she wouldn't reject him, the moment she agreed, Mo Yesi couldn't help but smile charmingly. "I remember you saying that you like weddings by the sea?"

"Mm."

"Have you thought of the specific address for the wedding?"

Qiao Mianmian was stunned. "Not yet..."

"Do you want to choose the place yourself, or do you want me to help you?"

"You do it." Qiao Mianmian looked up and smiled sweetly. "Mo Yesi, can I be a lazy person who doesn't participate in the process and only enjoys the finished product? I think your taste is good. I like everything you pick, so I think it's good to let you organize our wedding.

"It's fine as long as it's your decision."

Mo Yesi was stunned for a while. Then, he chuckled and looked at the woman in his arms affectionately. "You're a little lazy. I thought you'd like to organize our wedding."

"With you around, it's fine even if I'm lazy." Qiao Mianmian hooked her arms around his neck and smiled. "My husband is too capable. He can do anything and everything well."

She acted coquettishly.

The man was complaining, but he really liked how sweet she looked.. He was even more attracted to her.

Chapter 2697: Wedding on the Same Day

"I really can't do anything to you." Mo Yesi pretended to flick her forehead lightly, then lowered his head to kiss her between her brows. He sighed in amusement and helplessness. "You've already said so, how can I not follow you?"

"Alright, you don't have to worry about anything. Leave the wedding to me."

He would definitely give her a surprise.

"Mo Yesi, I suddenly have an idea about the wedding. I don't know if I should say it."

"Just say it if you want to. What's there to worry about in front of me?"

"Even Big Brother and Luo Luo haven't held a wedding yet. What do you think if we hold our weddings on the same day? Don't you think this will be especially memorable?"

This was what Qiao Mianmian and Jiang Luoli had agreed on.

If they had the conditions, they could pick a place to hold the wedding together.

Mo Yesi was stunned. "Wedding on the same day as Big Brother?"

“Mm. How is it, is it possible?” Qiao Mianmian’s eyes were full of anticipation. “Luo Luo and I had an agreement before. If we can find a partner we can marry at the same time, we’ll hold the wedding on the same day.

“You and Big Brother are biological brothers, and Luo Luo and I are best friends. I calculated the time. It’ll take me about three months to finish filming the movie. By then, Luo Luo’s body will have recovered. It’ll be perfect if we can hold the wedding on the same day!”

Mo Yesi didn’t answer her immediately. He thought for a while before saying, “I have no objections. Get Jiang Luoli to ask Big Brother. If he agrees, then let’s do it.”

“Really? That’s great!” Qiao Mianmian was excited. “Brother dotes on Luo Luo so much, he’ll definitely agree to it. Then, it’s settled. We’ll hold our wedding together with Luo Luo’s. God, this is amazing. I’m already looking forward to the wedding day.”

Mo Yesi was speechless.

She hadn’t said that she was looking forward to their wedding.

Jiang Luoli was more important than him.

Forget it.

Jiang Luoli was already married to his brother and had a child.

Mo Yesi suppressed the jealousy in his heart and smiled as he agreed with his wife. “Mm, it’s pretty good.”

“Mo Yesi, I really feel so happy now.” Qiao Mianmian narrowed her eyes and rubbed her soft and fair face against his warm and firm chest. “I feel like God is especially generous to me. Many things I’ve hoped for have been fulfilled now.”

“Mm? What have you hoped for?” The man liked being so close to her. He stroked her head lovingly, and his low magnetic voice was indescribably gentle.

“Let me think.” Qiao Mianmian blinked and recalled all the things she’d hoped for in the past. She then pursed her lips and smiled. “I used to hope that my future partner would be someone who understands me and dotes on me. I’ll like him very much, and he’ll like me very much.”

The man smiled. “You’ve fulfilled this wish?”

“Mm, it happened!” Qiao Mianmian looked up and smiled. “You’re the perfect husband God gave me.”

Mo Yesi enjoyed her words.. He narrowed his eyes and seemed to be in a good mood. “Perfect Hubby?”

Chapter 2698: Wow, Is That Qiao Mianmian?

“That’s right!”

“Am I perfect in your eyes?” The man’s smile deepened.

“Mm!”

“What about other men?”

Qiao Mianmian blinked in confusion.

“Like that Qin Han,” Mo Yesi said seriously. “Isn’t he your idol? Who do you think is more perfect?”

Qiao Mianmian was speechless.

Why was Qin Han involved?

And Mo Yesi... minded him?

Gosh.

Qiao Mianmian was speechless.

She really didn’t know what to do with such a jealous husband.

He knew that Qin Han was just her idol.

“Why aren’t you saying anything?” The man raised her chin and frowned. “Is this question so difficult for you to answer?”

“No, why are you comparing yourself with Qin Han? To me, Qin Han is both my idol and my senior. There are many things about him that I should learn from. And you’re my husband, the person I love the most. In my eyes, you’re the best.”

Qiao Mianmian knew what Mo Yesi liked to hear, so she told him that. “Although Qin Han is a senior worthy of my respect, of course, he can’t compare to my favorite husband.”

This reply caused the man to smile.

Qiao Mianmian felt like she was coaxing a child, but Mo Yesi always liked this, so this tactic worked on him.

After chatting for a while, Qiao Mianmian yawned lazily.

“Tired?” Mo Yesi looked down at her and asked softly.

“Mm, I’m a little sleepy.”

“Then sleep.” Mo Yesi covered her eyes and pressed his warm palm against hers. “It’s getting late, it’s time to sleep.”

“I don’t think I’ve set the alarm...”

“Don’t worry, I’ll wake you up. It won’t take up too much time.”

“...Mm. Then, I’ll sleep. Remember... remember to wake me up early. I can’t be late.”

“Mm, go to sleep. Good night, Baby.” Mo Yesi kissed her on the forehead.

She was getting sleepy.

Qiao Mianmian slowly closed her eyes and fell asleep in his warm and safe arms.

The next morning, after Qiao Mianmian got up and packed up, Mo Yesi sent her to the airport.

Although she was disguised and wrapped herself up tightly, she was already very popular now, so she was quickly recognized by her fans and some passersby.

“Wow, is that Qiao Mianmian? She looks like her.”

“I saw Mianbao and Mianbao’s husband! Gosh, Mianbao’s husband is so handsome. He looks so much better in person.”

“It’s really Mianbao. Yesterday, the official Weibo account of ‘Phoenix in Flight’ posted that all the crew members will be flying to Country Y for a three-month shoot today. This must be Mianbao. Although she’s wearing sunglasses and a mask, I definitely can’t be wrong!”

The fans ran towards Qiao Mianmian excitedly.

“Mianbao, Mianbao!”

Qiao Mianmian had just finished her luggage transfer and was walking towards the VIP lounge with Mo Yesi when she heard a scream behind her and turned around..

Chapter 2699: Can’t Understand Such Actions

She saw a group of young girls holding their cell phones and running towards her excitedly.

As they ran, one of them screamed. “Oh my God, it’s really Mianbao! Mianbao heard us calling her and turned to look at us!”

The passersby hadn’t recognized Qiao Mianmian yet.

But seeing that the fans were all running towards her and taking photos of her, and hearing someone call her name, the passersby quickly got excited and took out their phones to take photos of her.

Although they weren’t Qiao Mianmian’s fans, they had heard her name before.

A popular female celebrity was standing right in front of them. Even if they weren’t a fan, they wanted to take a video or photo to post on their WeChat Moments.

Soon, a group of people gathered around Qiao Mianmian.

Mo Yesi immediately hugged her waist and pulled her into his arms.

He was afraid of meeting crazy people like Huang Yilin and Little Xiao again.

The fans screamed again.

“Ah, Chairman Mo’s posture is full of charisma!”

“Wow, Mianbao’s 1.68m goddess looks are so petite and cute in front of Chairman Mo. Chairman Mo is too tall. Gosh, look at her long legs, they’re too outstanding!”

“Mianbao, I really like you. I’ll support you forever!”

“Mianbao, you have to take good care of yourself when you’re in Country Y. Don’t let Chairman Mo worry about you!”

“Mianbao, look here. Mommy loves you!”

“Wow, I’ve finally met Mo Yesi in person. He’s so handsome. Gosh, is such a handsome man real? Mianbao is so lucky to have such a handsome husband.”

Seeing that her fans recognized her, Qiao Mianmian took off her mask and sunglasses and let them take as many photos as they wanted.

Her actions caused the fans to scream.

Mo Yesi frowned at the noise around him. He tightened his arms around Qiao Mianmian’s waist and looked at the excited fans cautiously, afraid that they would do something irrational.

He’d never chased stars.

Hence, he couldn’t understand how fans felt when they saw their idol.

At this moment, he felt like these young girls were on steroids. They kept calling his wife’s name and taking photos of her.

A few girls even started crying.

Mo Yesi couldn’t understand this.

In his eyes, this group of people looked like they were crazy.

The more agitated the fans were, the tighter he held Qiao Mianmian, on guard against anyone harming his wife.

“Chairman Mo, can you turn around and look at the camera? We’re your Mianbao’s loyal fans. You and Mianbao are really compatible! Chairman Mo, you must treat Mianbao well and make her happy for the rest of her life.”

“Chairman Mo, we’re handing Mianbao to you. You must treat Mianbao well and not let her down. Otherwise, all of us will denounce you!”

Mo Yesi’s expression softened when he heard the fans’ instructions.

Chapter 2700: Married Early

He even fulfilled the fan’s request and turned around so that they could take a picture of him.

The fans cheered and immediately took the opportunity to take photos of him.

“Mianbao, you and Chairman Mo must be well.”

“Mianbao, you and Chairman Mo will be happy forever.”

“Mianbao...”

Qiao Mianmian had always pampered her fans, so she allowed them to take photos and videos for more than 10 minutes. After the fans were satisfied, she waved goodbye to them.

The fans posted the photos and videos on Weibo.

Mianmian Bing: "I'm so excited! I bumped into Mianbao and her husband at the airport. Mianbao is so beautiful, I'm crying! Her husband is also super handsome, many times better looking than in the photos!!"

The fans posted the original photos.

Moreover, the angle was so close to the camera that not many artistes could withstand it.

But both Qiao Mianmian and Mo Yesi resisted it.

Not only did he resist it, but he was also very good-looking.

Any photo taken from any angle was good. There was no need for any embellishment.

Moreover, such photos showed how good Qiao Mianmian's skin was. After all, they couldn't find any flaws in her skin at close range. Not everyone could be in such a state.

In less than 10 minutes, thousands of comments and videos were forwarded.

"Ah, ah, ah, ah. Mianbao's too good. She was already caught unprepared, but she's still so beautiful. If she isn't a fairy, what is!"

"To be honest, there are a few photos that no one can resist. Only Qiao Mianmian can be so beautiful and willful. And these photos are all raw. They're so beautiful, it's obvious that she's a fairy."

"I'm not a fan of Qiao Mianmian, but I really like her looks. To put it bluntly, she's really good-looking, and one of the top beauties in the entertainment industry. Her photos can be posted directly, and I feel that her raw photos are much better than photoshopped ones."

"Don't you guys think her husband is very handsome? Ahhh, with this face, he can debut directly! Are the rich kids nowadays so popular? Not only are they rich and powerful, but they're also so handsome."

"Her husband is really handsome. It's a pity that they got married early."

"It's a pity they got married early+1."

"It's a pity they got married early+2."

"It's a pity. They're a match made in heaven. How could you demons and ghosts object!"

With just a few photos and videos, Qiao Mianmian and Mo Yesi quickly became trending.

QiaoMianmian went overseas for filming, rich husband sending her off at the airport

...

At the security checkpoint.

The tall and handsome man hugged the petite woman in his arms tightly and whispered into her ear, "Baby, call me when you land."

"Alright."

"I checked the time. It'll be almost nighttime when you land. Remember to wear your coat before you get off the plane. Don't be cold."

"Alright."

"I'm almost done. Do you have anything to say to me?"

"Yes." Qiao Mianmian slowly looked up from his arms. "Mo Yesi, you have to take good care of yourself when I'm not around. You're not allowed to work late, and you're not allowed to stay up too often.. Remember to eat your meals on time."
