

Big Shot 2701

Chapter 2701: She Didn't Dare to Ask For It

"Mm, I will." Mo Yesi tidied her hair and took a step back.

"Don't just agree." Qiao Mianmian knew this man too well. She bit her lip and hooked the platinum button on his coat. "I want Wei Zheng to keep an eye on you."

He chuckled. "No, I'll keep my promise. What's the point of getting Wei Zheng to keep an eye on me? He's my subordinate, and he gets his salary from me. Do you think he listens to you more, or me?"

Qiao Mianmian was speechless.

"So, instead of asking Wei Zheng to keep an eye on me, why don't you check on your own?"

"Of course, I have to check the shift too." Qiao Mianmian pretended to be domineering. "So, you'd better be more self-aware. Before you eat, take a video or photo of your food every day and let me see what you're eating. Take a video too before you get off work."

"Alright." Mo Yesi's eyes were full of affection.

"Ahem, um... Mianmian, we have to go to the security check." Linda looked at the time and reminded her.

Qiao Mianmian also looked at the time and reluctantly extricated herself from Mo Yesi's arms.

"Alright, go to the security check." Mo Yesi patted her head. "Remember to call me when you land."

"Then, I'm leaving." Qiao Mianmian suddenly felt reluctant to part with him. This reluctance was something she didn't feel last night. But now, she suddenly couldn't bear to part with Mo Yesi, especially when she saw the same reluctance in his eyes.

This was the first time she'd be so far away from him.

"Mm, go on." Mo Yesi was the opposite.

No matter how much he couldn't bear to part with Qiao Mianmian, he controlled his emotions when they were about to separate.

"Miss Xie."

He turned around and said to Linda, "This is Mianmian's first time going so far away from me. I'm really worried. Miss Xie is her manager and is a few years older than her. Miss Xie has to take care of her."

Mo Yesi was very polite.

With his status, Linda naturally didn't dare to take his politeness for granted.

If it wasn't for Qiao Mianmian, someone like Mo Yesi would never be so polite to her.

Linda immediately smiled. "Chairman Mo, you're too kind. Even if Chairman Mo doesn't want me to, I'll still take good care of Mianmian."

Mo Yesi nodded. "Miss Xie, do you have my contact details?"

"Ah? No. But I have Assistant Wei's number." Linda was stunned.

She only had Wei Zheng's contact details.

In the past, she would call him if anything happened.

Mo Yesi's contact details?

Linda was a senior in the industry. The new generation of artistes had to greet her politely.

But in front of a big shot like Mo Yesi, her aura was completely suppressed.

Linda was a little afraid of Mo Yesi.

Hence, if she could avoid interacting with him, she definitely would do so. She never thought of getting his contact details.

"Remember, you can contact me directly if anything happens."

Chapter 2702: I Don't Want to Take Any More Work

Besides Qiao Mianmian, Mo Yesi had never taken the initiative to give other women his contact details.

He gave it to Linda only because he was still worried.

Linda couldn't contact Wei Zheng as quickly as she could.

Linda was stunned for a few more seconds. Seeing Mo Yesi frown impatiently, she snapped back to her senses. She immediately unlocked her cell phone and saved Mo Yesi's cell phone number in her contact list.

...

Qiao Mianmian felt a little lost after they boarded the plane.

She looked out of the window.

"You can't bear to part with Chairman Mo?" Linda smiled and said, "This time, you are really going overseas. You'll probably only meet once in a long time. It's normal that you can't bear to part with him.

"But there's a first time for everything. You'll have to get used to this life when you go overseas for filming in the future. In this industry, you'll be apart from each other many times. Actually, I'm surprised that Chairman Mo supports you in your acting career."

When other female celebrities married into rich families, they basically left the industry.

Unless something happened to their marriage and they didn't have a good future, they might choose to come back and earn money.

After all, the rich cared a lot about their image. They felt that it wasn't good for female celebrities to continue showing their faces after marriage.

Moreover, the concepts of rich families were mostly traditional.

After marrying someone, they would ask you to stay at home to provide for your husband and children.

Especially the Mo family.

The older generation in the family probably didn't want Qiao Mianmian to continue staying in the entertainment industry.

As for Mo Yesi...

Although she hadn't seen him so many times, Linda felt that Mo Yesi was very possessive of Qiao Mianmian.

He definitely didn't like his wife acting with other men.

But Qiao Mianmian was still in the entertainment industry, which meant that Mo Yesi really liked her.

"Sister Xie, he actually doesn't like my job," Qiao Mianmian said honestly. "But I insisted, so he had to agree."

"That means Chairman Mo cares a lot about you." Linda looked at her enviously. "Mianmian, Chairman Mo treats you really well. A few artistes under me have married into rich families. They and their husbands look like a loving couple on the surface, but do you know, they often complain to me in private that their husbands have several mistresses outside and even have illegitimate children? Even if they know, they can only feign ignorance.

"Few female celebrities are truly happy to marry into a rich family, but many feel wronged. This is the first time I've seen someone as loving as you and Chairman Mo."

"Mm, he's really good to me." Qiao Mianmian smiled blissfully. "That's why he compromised for me. I want to compromise for him, too. Sister Xie, I've never told you that I'm preparing for pregnancy now. After this movie, I should have a long vacation.

"Mo Yesi really wants a baby, so I don't intend to take on any more jobs."

Linda was shocked.

"You're preparing for pregnancy?" Qiao Mianmian hadn't told her about this before.

"Mm. I'm sorry to only tell you now." Qiao Mianmian looked apologetic. "But I only agreed to it recently. If you have any good resources on hand, you can assign them to newbies with potential. I know you just brought one.."

Chapter 2703: It Wasn't the Same For Qiao Mianmian

Linda kept quiet for a while. Although she felt that it was a pity, she had to accept it.

Qiao Mianmian was popular now.

If she took advantage of this momentum and developed for a year or so, she would definitely become even more popular. Her future would be limitless.

She had the backing of the Mo and Bai families, and she was also very capable. The company was also willing to groom her now. Now that Linda had a huge pile of high-quality resources, she had already planned Qiao Mianmian's career development for the next year.

But now, Qiao Mianmian suddenly told her that she was preparing for pregnancy. This meant that Linda was going to lose a popular artiste temporarily.

To Linda, Qiao Mianmian's temporary retreat would definitely affect her interests.

But Linda knew that Qiao Mianmian was different from other artistes.

For most artistes, if they chose to return to their families during the peak period, it would be difficult for them to make a comeback in the future.

But it wasn't the same for Qiao Mianmian.

It wouldn't affect her much whether she chose to retire or return.

Because whenever she made a comeback, she would have the best resources to choose from. Moreover, even if she left the entertainment industry, she could still live a superior life. Being an artiste wasn't her best choice.

And it wasn't her only choice.

"Chairman Mo treats you so well, and you're also married. Since he wants a baby, he should be satisfied. To be honest, I really can't bear to let you go.

"I've just interacted with a few top-tier brands, and they're all interested in signing you as their spokesperson. There are also a few very good scripts, the kind that will definitely explode when they go on air. A few variety shows with very good ratings have also sent you invitations..."

Linda sighed and felt that it was a pity. "You've just been nominated for a Golden Globe Awards and even won an award. Your future resources will be even better. It's such a pity to take a long vacation now."

"Sister Xie, I..."

"But I can definitely understand you. No matter what, family is the most important. If it was me, I'd value my outstanding and loving husband. But I still want to confirm. Have you really considered it?"

"Yes." Qiao Mianmian didn't hesitate. "I've already considered it."

"Will you come back in the future?" Linda sighed.

"I will. After I give birth, I'll continue acting. Sister Xie, I'm not going to leave the entertainment industry completely. I'm just taking a break for a year or two. Filming well and becoming an actress that everyone praises has always been my dream. I won't give up easily."

“You’re still young.” Linda thought for a while and nodded. “It’s not too late to rest for a year or two before coming back. Alright, since you’ve decided, I wish you a healthy and beautiful baby!”

“Sister Xie, thank you for your blessings. If I come back to film in the future, can I still choose you as my manager?” Qiao Mianmian had a good working relationship with Linda and was used to her being her manager. When she returned in the future, she naturally hoped that Linda could continue being her manager.

Linda smiled and agreed readily. “Of course.. You can look for me anytime.”

Chapter 2704: But the Person You Love Is the Most Important

Although Linda felt that it was a pity that Qiao Mianmian chose to return to her family when she finally became popular, she would definitely make the same choice if she was in her shoes.

Her career was important.

But the person she loved was the most important.

If it wasn’t for her bad luck, she would have already met a man who could settle her down.

She wouldn’t have to work so hard, then.

...

It was nine o’clock in the evening when they arrived in Country Y.

The plane slowly glided along the runway. Qiao Mianmian turned her phone on and called Mo Yesi.

The call went through.

“Baby, I’ve been waiting for your call.” A low and magnetic voice came from the other end of the line. “How’s the weather over there? Is it cold at night?”

“I haven’t gotten off the plane yet.” Qiao Mianmian glanced out of the cabin. The plane was still gliding, and the sweet and gentle voice of the flight attendant came from the radio, reminding everyone to get their belongings and get ready to get off.

“But I’ve taken out my jacket, I’ll put it on later. Where are you now, are you home from work? Did you work overtime today?”

“I just finished talking to a client, and I’m going home now.” Mo Yesi explained honestly. “I worked overtime for two hours today, but I ate on time. When I get back, I’ll take a shower and sleep.”

Yuncheng City was close to Country Y.

Qiao Mianmian looked at the time on her cell phone and was a little surprised. “You’ll sleep so early today?”

A sexy chuckle came from the phone. The man’s voice was gentle and loving. “I promised you I wouldn’t stay up late. Of course, I have to sleep early.”

Qiao Mianmian couldn't help but smile. "So obedient?"

"Mm, I've always listened to my wife." The man was usually very cold and wouldn't even look at others. But in front of his wife, he was like a child waiting to be praised. It was very different from his usual image.

If outsiders saw it, they would definitely be shocked.

Qiao Mianmian's smile widened. "Mr. Mo, you're so obedient. Should I praise you? Tell me, how do you want me to praise you?"

The man chuckled again. "Mr. Mo doesn't want any praise. Mr. Mo just wants to hug and kiss Mrs. Mo."

"Then, it seems like I can't satisfy you." Qiao Mianmian pretended to sigh helplessly. "Your Mrs. Mo doesn't have clones, so I can only trouble Mr. Mo to wait."

The plane finally stopped.

The surrounding passengers were already getting their luggage and getting ready to get off the plane.

Qiao Mianmian was about to end the call. "Mo Yesi, I'll have to hang up for now. I have to get off the plane. I'll call you when I settle down at the hotel."

"Alright, be careful on the way. Let me know when you get to the hotel." Mo Yesi also got into the car at this moment. Qiao Mianmian heard the door close. A few seconds later, the man gently reminded her, "When you get to the hotel, eat something before sleeping. Don't sleep with an empty stomach, alright?"

"Alright."

...

At the hotel, Qiao Mianmian and Linda stayed in separate rooms. After saying goodnight to each other, Qiao Mianmian got the hotel waiter to move their luggage into the room.

Qiao Mianmian was so tired that she couldn't even move her fingers.

Chapter 2705: She Couldn't Tell What Was Strange

She opened WeChat and prepared to sleep after wishing Mo Yesi good night.

Just as she was about to close WeChat, she saw a red "1" appear on the contact list. She opened the contact list and saw that someone had requested to add her as a friend.

The person who asked to add her as a friend was a pure white man with the nickname "Z".

The source showed that he had added her through the search.

This "Z" person requested to add her as a friend, and there was no verification information. His Moments were also closed, and there was no useful information. Qiao Mianmian hesitated for a while before rejecting him.

Unexpectedly, the next moment, he sent another friend request.

This time, probably because he was afraid that she would reject him again, he added, "I'm from XX agency. Miss Qiao, please accept."

Qiao Mianmian looked at the new verification and hesitated for a few seconds before nodding.

She didn't add strangers.

But if the other party was someone in the industry who knew her, she wouldn't reject him even if she wasn't familiar with him.

She didn't know whether they could work together in the future.

In any case, she felt that adding another person wasn't a big deal. Moreover, this might be an opportunity for many newbies.

She clicked on the add-on, and the person sent her a WeChat message.

Z: [Hello, Miss Qiao.]

Out of courtesy, Qiao Mianmian replied: [Hello, may I know who sent you my WeChat? Do you have anything to discuss with me?]

Z replied quickly: [Yes, I got it from a friend. I'm very interested in Miss Qiao's temperament and image. I have an advertisement to discuss with Miss Qiao. I wonder if Miss Qiao is interested?]

So, he wanted to talk to her about an advertisement.

Qiao Mianmian was very popular now, and many brands wanted her endorsement.

But Z was the first person to add her on WeChat.

Qiao Mianmian felt that this person was a little strange.

Under normal circumstances, such matters were discussed with her manager.

It wasn't common to look for artistes directly.

But although Qiao Mianmian had some doubts, she didn't think too much about it. Although such a situation wasn't common, it wasn't unheard of.

It was probably because there were too many people looking for her to be their spokesperson. The competition was huge, and the other party felt that it was better to find her in person.

Qiao Mianmian had just told Linda that she wanted to retire temporarily, so she naturally didn't want to take on any other jobs.

She politely declined: [I'm sorry, please talk to my manager about work. I won't talk about this directly.]

Z replied quickly: [I'm sorry to disturb Miss Qiao.]

Before Qiao Mianmian could reply, Z sent another message.

Z: [It's so late, Miss Qiao should be resting. Then, I won't disturb Miss Qiao's rest. Good night.]

Qiao Mianmian was stunned by the last “good night”.

She felt strange, but she couldn’t put her finger on it.

But out of politeness, she still replied: [Alright, good night.]

After replying, Qiao Mianmian deleted the chat and exited WeChat.

After flying for a full 10 hours and almost two hours at the hotel, Qiao Mianmian was exhausted and sleepy.

She put her cell phone aside and turned off the lights.. After a while, she fell asleep.

Chapter 2706: Extremely Doting

“Young Master Gong, what good news did you receive? You look so happy. Tell us so that we can share the good news.”

At the largest entertainment venue in Yuncheng City.

A group of people was sitting in the VIP room. A group of rich playboys from Yuncheng City were gathered together, and all of them had a hot and sexy beauty in their arms. Only the host of the gathering, Gong Zeli, was empty-handed.

The others stayed away from him.

He was sitting alone in a corner.

Previously, he exuded an “unapproachable” cold aura, and his expression and eyes were very cold. This made the group of rich playboys play cautiously, afraid that they would accidentally offend him.

Normally, these rich playboys were the young masters that others didn’t dare to offend.

But in front of Gong Zeli, they were just a bunch of underlings.

If they angered Gong Zeli, they wouldn’t even dare to say a word.

At this moment.

Someone realized that Young Master Gong, who had been keeping a straight face, seemed to have encountered something. He was smiling, and his aura wasn’t as cold as before.

It was like an iceberg melting.

Someone mustered up the courage to tease him.

Everyone else realized that Gong Zeli was in a good mood because of this.

He was looking down at his cell phone. It was still lit.

Someone mustered the courage to glance at his cell phone and recognized that the image on his cell phone screen was the WeChat interface. Although he couldn’t see what exactly it was, he could guess that Gong Zeli’s sudden change in mood was probably related to this chat.

All of a sudden, these rich playboys were interested in the person Gong Zeli was talking to.

Who could have made him so happy so quickly?

Could it be Su Su?

They heard that Gong Zeli brought this female university student to many events. He even brought her along when he went out to discuss business.

He seemed to dote on her.

“That’s right. Young Master Gong, what good news did you receive? Tell us so that we brothers can be happy, too.” With someone to liven up the atmosphere, the other hedonistic sons echoed.

“I bet Young Master Gong was so happy just now because he was chatting with a beauty. Only a beauty can make Young Master Gong so happy.”

“Is it the little beauty that Young Master Gong brought out previously? Why didn’t Young Master Gong bring her along today?”

“The little beauty is still a student and is innocent. Look at you hooligans. Young Master Gong is afraid that you’ll scare his little beauty.”

“You’re the f*cking hooligan! What nonsense are you talking about? We brothers are obviously good citizens, unlike you, who looks like a shoehorn. I’ll have a f*cking nightmare if I take another look!”

Seeing that Gong Zeli was in a good mood, the atmosphere in the room was different from before.

After the group of rich playboys relaxed, they returned to their usual selves.

In the corner.

Gong Zeli didn’t bother about them. His deep eyes were still staring at the cell phone screen..

Chapter 2707: Indescribable Disgust

He had already repeated that simple “good night” over and over again, but he couldn’t get sick of it.

Even if he knew that this was just a polite reply from Qiao Mianmian and that she would have replied to other people like this too, he was still happy.

She said good night to him.

No matter what, he was happy.

This was the first time she spoke to him so gently.

He even successfully added her on WeChat.

He could look at her Moments anytime.

Although she didn’t post often, it was better to know about her current situation than nothing.

“Mianmian, good night.” Gong Zeli’s thin lips moved silently, and his eyes were filled with gentleness. After a while, he turned off his cell phone and looked up at the group of playboys.

This group of people was already having fun.

The beauties in their arms were already half-naked. A group of men and women were entangled as if no one was around. Some even couldn't help but hug a beauty and rush to the washroom.

As for what they were going to do there, that was pretty obvious.

This was what everyone used to do.

Previously, Gong Zeli didn't think much of this. Even if he wasn't so impatient outside, he didn't care how others played.

But at this moment, Gong Zeli suddenly felt that the scene before him was blinding.

He suddenly felt disgusted by this extravagant lifestyle.

These women were cheap and vulgar.

They couldn't even compare to Qiao Mianmian.

Gong Zeli hated himself for letting such women stay by his side.

In Qiao Mianmian's eyes, he must be a dirty man.

She definitely despised him.

In the past, he'd mocked Mo Yesi for being old-fashioned and boring. He'd even mocked him for being an old man. But now, all of the above had become something he envied.

Compared to him, Mo Yesi's relationship history was at least "clean."

Even if Qiao Mianmian wasn't married yet and wasn't with Mo Yesi, if she had to choose between them, she would definitely choose Mo Yesi.

She wouldn't choose him, who had a rich history and countless women around him.

The bathroom door wasn't closed.

He didn't know if it was because the person who entered was too anxious and didn't close it on purpose, but a woman's intermittent screams came from inside, and the voice was getting higher and higher...

Gong Zeli's expression darkened as he kicked the table, causing the drinks on the table to fall.

The sound shocked the group of rich playboys who were immersed in the amorous environment. When they turned around and saw Gong Zeli's dark expression, they were so shocked that they trembled. They didn't dare to move anymore.

"Young Master Gong..."

"All of you, get out!" Gong Zeli kicked the table again, sending a bottle flying towards a rich playboy opposite him. The man was so shocked that he paled. He immediately pushed the woman in his arms away and ran out of the private room..

Chapter 2708: A Lunatic

The rest of them couldn't sit still and quickly left the room.

Everyone was afraid of Gong Zeli's anger.

After all, everyone knew that he had once beaten his classmate into a vegetable.

And his illness...

It was said that it had never been cured.

Hence, his illness could act up at any moment.

But no one wanted to be beaten into a vegetative state by him. In less than a minute, the group of playboys left the private room.

Only the person in the washroom didn't know what was happening outside.

In the washroom, the two of them were in a heated argument.

It was only when Gong Zeli kicked the door open that the person inside heard the commotion and stopped.

"Which bastard..." The dissatisfied man was fuming with anger after being interrupted. But the woman in his arms exclaimed, "Y-Young Master Gong..."

"What, Young Master Gong?"

The man was stunned and turned around. Seeing Gong Zeli standing at the door of the washroom with a dark expression and a murderous look, his face turned pale. He immediately reached for his pants and stuttered, "Y-Young Master Gong, why are you..."

Gong Zeli didn't say a word. He stepped forward and kicked the man, sending him to the ground.

The woman beside him screamed.

"Scram!" Gong Zeli's eyes were full of disgust. "All of you, get lost."

No one knew why he suddenly lost his temper.

He seemed to be in a good mood previously.

But now, no one had the time to think about this. The man who was kicked to the ground was so frightened that he didn't even have time to put on his pants. He picked himself up from the ground and stumbled out of the washroom.

Not fully dressed, the woman held her chest and stumbled out.

This Young Master Gong was indeed a lunatic!

One after another!

If he wasn't born in the Gong family, if he wasn't the only heir, if he didn't have a good-looking face, which woman would like his temperamental and volatile temper!

The room fell silent.

Everyone was gone, leaving Gong Zeli alone.

He stood in the private room for a while before turning around and walking out slowly.

...

Cars sped on the streets.

The night was the most prosperous place in the city center. Even though it was late at night, it was still a bustling scene.

Gong Zeli was escorted out of the door.

“Young Master Gong, take care. Be careful of the steps.” The people behind him were respectful as they carefully sent this God of Fortune off.

Gong Zeli didn't have a good reputation in Yuncheng City.

Everyone knew that he had a bad temper and was easily angered. He wasn't someone to be trifled with.

But because of his status, many people fawned over him.

He was a VIP customer of the night establishments.

The amount of money spent in one night was enough to feed most people.

The employees here were naturally very respectful towards this God of Fortune.

The valet had already driven his sports car over. He bent down and jogged to him, handing him the car keys respectfully.. “Young Master Gong, your car keys.”

Chapter 2709: Who Exactly Are You

Gong Zeli took the keys and walked towards his car.

He was about to get into the car when he heard a woman's voice behind him. “Mr. Gong, please hold on.”

Gong Zeli stopped in his tracks and turned around.

A beautiful and charismatic woman stood behind him. She was dressed very well and had an elegant smile on her face. Seeing Gong Zeli turn around, she smiled again and said, “Mr. Gong, my name is Tang Ya. You might not know me, but I'm familiar with Mr. Gong.

“Mr. Gong, can you give me a few minutes? I have something to talk to you about.”

Gong Zeli looked at the unfamiliar woman expressionlessly and narrowed his eyes. “You have something to talk to me about?”

“Yes.”

Unlike other women who tried to curry favor with him, this woman was very calm. His status as the Young Master of the Gong family didn't seem like much to her.

She smiled. "There's a cafe nearby. Can I invite Mr. Gong for a cup of coffee?"

Gong Zeli narrowed his eyes and sized her up coldly. "If you want to talk to me about business, make an appointment with my assistant first. I don't talk to strangers about private matters."

"Mr. Gong, you'll definitely be interested in what I have to say." The woman said confidently, "I want to talk to Mr. Gong about Miss Qiao Mianmian. Mr. Gong, are you really not willing to give me some time?"

Gong Zeli's expression changed when he heard that. "Who exactly are you?"

"Mr. Gong, since you're curious, why don't you take a seat at the cafe? It'll only take a few minutes of your time. Are you worried that I'll do something to you, so you don't dare to go?" The woman deliberately provoked him.

"Do you think you can goad me?" Gong Zeli sneered. "I don't care who you are. It's stupid to do this in front of me. It'll only disgust me."

The woman wasn't angered by his words. She maintained her elegant smile and said, "Mr. Gong, you're a smart person. You saw through my little trick. Do you still want to drink coffee, Mr. Gong?"

Gong Zeli didn't say anything. He looked at the woman in front of him with a dark and sharp gaze.

A moment later, he closed the door. "I'll give you 10 minutes."

...

In the elegantly decorated high-end cafe.

Tang Ya flipped through the booklet and smiled at him. "What would you like to drink, Mr. Gong?"

"Miss Tang, you only have 10 minutes," Gong Zeli said expressionlessly. "There are only 9 minutes left."

"Alright. Then, I'll order what I like." Tang Ya didn't ask him anymore. She waved and called the waiter over to order a cup of black coffee.

After the waiter left, she picked up a glass of lemonade and took a sip. She then looked up at him and said, "Mr. Gong, we don't have much time. I'll keep it short."

"I want to discuss a cooperation with Mr. Gong."

"Cooperate?" Gong Zeli asked coldly. "What cooperation?"

"I know that Mr. Gong is no longer friends with Chairman Mo Yesi.. I also know why you broke up your brotherhood."

Chapter 2710: This Woman Is Not Simple

"Mr. Gong must be upset to see the woman he likes marry another man."

As soon as Tang Ya said that, she felt the temperature drop as the handsome man opposite her exuded a cold aura.

His eyes were sharp and threatening and filled with murderous intent.

“Mr. Gong, I sincerely want to work with you.” Tang Ya ignored his domineering aura and said calmly, “Now that the Mo and Gong families are at odds, Mo Yesi even attacked the Gong Corporation, causing them to suffer a lot.

“The Mo family is the only powerful family in Yuncheng City. No matter how powerful the Gong Corporation is, it’s still inferior to the Mo Corporation. Mo Yesi is an ambitious person. Since the Mo and Gong families are already at odds, I’m afraid he won’t let the Gong family off.

“In addition, if the Mo Corporation wants to expand, the first one to be eliminated is naturally the Gong Corporation, which is the most competitive with the Mo Corporation. In the past, you and Mo Yesi still had some brotherly ties, so even if he wanted to make a move, he had some reservations. But now, you’re not brothers anymore. I believe Mo Yesi won’t be so generous to a man who’s eyeing his wife.”

“What are you trying to say?” Gong Zeli’s cold voice was laced with killing intent. “You dare to sow discord between the Gong and Mo families in front of me. Do you know the consequences?”

“Mr. Gong should know very well whether it’s a provocation or not.” Tang Ya smiled. “Mr. Gong, if we cooperate, the Gong Corporation will have a chance to defeat the Mo Corporation. In the future, the boss of Yuncheng City will be your Gong family.

“At that time, can’t Mr. Gong just snatch whoever he likes? If the Mo family loses to the Gong family, will Mo Yesi still have the ability to compete with you? Is Mr. Gong going to resign himself to fate and let the woman he likes become his lifelong regret?”

Tang Ya said patiently, “Finding a substitute won’t solve anything. Since Mr. Gong really likes her, then snatch her. To be honest, such a beauty is really rare. Even a woman like me is tempted.”

“You have a feud with the Mo family? Who exactly are you?” Gong Zeli didn’t take Tang Ya seriously at first, but now, he finally started to examine her seriously.

He could feel that this woman wasn’t afraid of him.

Even when he threatened her, her expression was still calm. There wasn’t a hint of panic or fear in her eyes.

Gong Zeli quickly realized that this woman wasn’t simple.

To be able to speak to him so calmly and know so much about the Gong and Mo families, she obviously came prepared this time.

She must have investigated him.

She’d also investigated Mo Yesi.

“Mr. Gong, would you believe me if I said that I don’t have any grudges with you? That’s right, I do have some personal grudges with the Mo family, that’s why I came to look for you. Mr. Gong, what I want is for the Mo family to decline. Once the Mo family declines, not only can your Gong family become the boss of Yuncheng City, you can also get the beauty. This cooperation is very beneficial to both sides. As long as you’re willing to join forces with me, I guarantee that the Mo family won’t be our match.”

“Why should I believe you? With your ability to boast?”
