

Big Shot 2711

Chapter 2711: Such an Arrogant Person

"Mr. Gong, in order to show my sincerity and to reassure you, I can make an investment in the Gong Corporation first." Tang Ya obviously knew that Gong Zeli wouldn't believe her easily. Thus, she showed her sincerity. "I'll be the one to pay the most for our future cooperation. Mr. Gong, you just have to pay the remaining small portion.

"Such sincerity should be enough. Or, what do you think I should do to show my sincerity?"

Her offer was tempting.

It was very sincere.

But Gong Zeli still looked indifferent, as if he wasn't interested in her conditions at all.

He said coldly, "The Gong Corporation doesn't lack investments. Miss Tang, there's something you haven't figured out. No matter how estranged the Gong and Mo families are now, no matter what my relationship with Mo Yesi is now, it has nothing to do with you.

"Even if I want to deal with the Mo family, that's my own business. I don't need to work with any outsider. You've found the wrong person."

Tang Ya had always been calm and composed.

At this point, her expression finally cracked. She no longer looked like she didn't care about anything.

Her expression stiffened and she frowned. "Mr. Gong, can you reconsider? I don't want your answer immediately. It's a win-win situation for us to work together. You don't have to reject me so quickly."

"No need." Gong Zeli said expressionlessly, "If I, Gong Zeli, want to do something, I don't need the help of an unrelated person. Miss Tang, the ten minutes are up. Our conversation is over."

"Mr. Gong, we..."

"Miss Tang, I don't care what feud you have with the Mo family, nor do I care who you are. But remember, Qiao Mianmian isn't someone you can touch. If you dare touch her, I won't let you off."

Gong Zeli left.

Tang Ya's face darkened.

She watched as Gong Zeli walked out of the cafe.

She bit her lip as she stirred the coffee.

Gong Zeli!

She didn't expect him to be uninterested in her suggestion.

She didn't expect him to be such an arrogant person.

She thought that this was a simple task.

Her conditions were good enough.

She thought that Gong Zeli would never reject her.

As long as Gong Zeli agreed to work with her, it would be much more useful than working with the Shen family to deal with the Mo Corporation.

Shen Rou was just a pillow.

The Shen family was far inferior to the Gong family.

Now that the Shen Corporation had been acquired by the Mo Corporation, she had to find another partner.

And the Gong Corporation was undoubtedly the best choice.

Her power wasn't in Yuncheng City.

There were many things that she couldn't do without her partners.

She needed to find a partner in Yuncheng City who wasn't much weaker than the Mo family.

She didn't have a choice previously. Hence, even though she knew that the Shen family wasn't up to the task, she still chose to work with Shen Rou.

But now, the Gong and Mo families were no longer friends. Gong Zeli and Mo Yesi even broke their brotherhood because of a woman.. She thought this was a good opportunity.

Chapter 2712: Madam Mo Is Simple-Minded

As long as Gong Zeli was willing to work with her, then her chances of winning would be very high.

She'd gotten someone to investigate beforehand. She thought that Gong Zeli would definitely be tempted if she used Qiao Mianmian as bait.

After all, he'd broken up with Mo Yesi because of her, and he even found a substitute who looked like Qiao Mianmian. This meant that Qiao Mianmian was very important to him.

Given his personality, he definitely wasn't willing to give up his beloved woman.

But unexpectedly, he actually rejected her.

She had thought that it was just a simple matter, so Tang Ya never expected to be rejected. She, who always thought that everything was under her control, was now full of anger and hated Gong Zeli for being ungrateful.

Tang Ya was angry and regretful that she lost the best choice. But she couldn't force him if Gong Zeli was unwilling to cooperate with her.

Moreover, with his personality, Tang Ya knew that there was no turning back.

It seemed like she could only start with Madam Mo.

Thankfully, Madam Mo was simple-minded and easy to control.

The Mo family...

Damn the Mo family. Damn the Mo family.

She must make them pay!

...

Qiao Mianmian thought that she wouldn't be able to sleep well, but she only woke up when the alarm rang.

After a night of rest, she got up and unpacked her things. Then, she followed Linda and Nana to the place arranged by the crew.

First, it was at the hotel.

Many people were already there when Qiao Mianmian arrived.

She saw many familiar faces.

Even though she knew that a big production like "Phoenix in Flight" would definitely be very picky, and many famous artistes signed up for the audition, Qiao Mianmian was still very surprised when she found out that many A-list popular female artistes were actually playing the third female lead, the fourth female lead, and even two or three extra roles.

She suddenly realized how lucky she was to be the second female lead.

Because the female artistes chosen were all capable and famous.

And she was just a newbie.

The female lead was Shen Fei.

The male lead was an experienced and capable uncle named Xu Jin. He was in his forties and had a good temperament. He looked mature and charming.

Qiao Mianmian saw Shen Fei and greeted her. "Sister Fei, good morning. When did you arrive?"

"It's Mianmian. I just arrived. How about you?" Shen Fei turned around and smiled when she heard her.

"I just arrived, too." Qiao Mianmian was very happy to see someone she knew. After all, she was going to be in a foreign country for a few months. It would be a lot more reassuring to have someone she knew with her.

Moreover, she had many scenes with Shen Fei.

Shen Fei had won the Best Actress Award a few times. She was definitely capable.

Qiao Mianmian could learn a lot from her.

Shen Fei smiled and asked, "How is it? Are you used to the weather here? Are you acclimatized yet? I heard that a few artistes in the crew had diarrhea and vomited last night. They even ran to the hospital in the middle of the night."

"I'm fine, I'm used to it. How about you, Sister Fei?"

"I'm fine, too. Oh right, have you had breakfast?"

Qiao Mianmian shook her head.. "Not yet."

Chapter 2713: Isn't This the Second Female Lead He Wants?

"Let's have breakfast together after we register. I haven't eaten yet."

"Alright."

"Mm, let's register first."

...

Qiao Mianmian thought that the shoot would start on the first day.

But in fact, they only arranged for the main characters to have their makeup done.

Qiao Mianmian's role was a stunning beauty, so her style was naturally very beautiful.

In the script, she was dressed in a red dress all year round and wore a black bun with a red coral headdress. Every time she appeared, people would smell the fragrance of red spider lilies before they saw her.

When she appeared, her eyes were red.

The girl wore a long, blood-red dress, and a red mark could be seen between her brows. She was so beautiful that she didn't seem like a fairy.

The crew strictly followed the image written by the scriptwriter as they styled Qiao Mianmian. She was the second female lead in the script.

Her stylist was Li Ping, a renowned stylist who had won several international awards.

The film and television series that Li Ping was involved in had 100% good reviews on the actors' styles.

After Qiao Mianmian was done with her makeup, changed her clothes, and was done with her hair, the whole place was silent for a while.

She was beautiful.

She was a natural beauty without makeup.

This time, she was acting as a stunning beauty. The effect of adding makeup was naturally stunning.

The crew members behind were all stunned.

They knew that Qiao Mianmian's style would definitely be beautiful, but they didn't expect her to be so beautiful.

They finally understood what "beauty that could overthrow a city" meant.

They also understood why the kings in ancient times would do such ridiculous things.

Beautiful to the extreme.

She could do whatever she wanted.

The director was also present.

Back then, the director had set Qiao Mianmian as the second female lead not entirely because he admired her. Although he felt that Qiao Mianmian's acting was good, he wasn't very satisfied with her outer appearance.

Qiao Mianmian was beautiful, of course.

But the second female lead in the script was a stunning beauty.

The director felt that Qiao Mianmian was beautiful, but not beautiful enough.

But at that time, the scriptwriter thought highly of Qiao Mianmian and felt that she was very suitable to be the second female lead. The script was written by the scriptwriter, and the scriptwriter had the right to speak and choose the actors. Since she asked, the director couldn't possibly not give her face.

Hence, he decided on Qiao Mianmian.

Although the person was confirmed, the director was still dissatisfied.

Hence, after knowing that Qiao Mianmian was done with her styling, the director came to see the effect.

He was overjoyed.

Wasn't this the second female lead he wanted?

It was even better than he thought.

He didn't expect Qiao Mianmian to look so good with makeup.

As she stood there, the words "stunning beauty" naturally appeared in everyone's minds.

"Director, is there a problem?" Li Ping asked when he saw the director staring at Qiao Mianmian.

The director had informed him that he would come over to take a look after Qiao Mianmian's styling.

"No problem.. Good, very good!" The director finally looked away and turned to Li Ping. "Qiao Mianmian's style is very good, I'm very satisfied!"

Chapter 2714: Looks Like You're Satisfied With Her

"Master Li is indeed Master Li. You've really won my heart." The director patted Li Ping's shoulder and smiled happily. He looked so satisfied it was as if he'd picked up gold.

Li Ping also smiled. "We've worked together so many times, of course, I know you. To be honest, you've found a good second female lead. She's really a beauty. Her looks are top-notch in the entertainment industry."

The director was even more amused. He placed a hand on Li Ping's shoulder and said smugly, "Of course, my judgment isn't bad. Let me tell you, not only is she good-looking, but her acting is also very good."

"When she first came for the audition, I thought she was just a pretty vase. I didn't expect her acting skills to surprise me. At that time, I thought that her looks and aura were too delicate, and I was worried that she wouldn't be able to play this role. But now, it seems like this role was made for her."

Thankfully, he gave this role to Qiao Mianmian.

No matter how he looked at it now, he felt like he'd earned it.

Back then, Qiao Mianmian was still a newbie.

And now, she had become the most popular starlet.

She was far more popular than she was back then.

Qiao Mianmian could already bring a lot of popularity to this movie.

"It seems like you're very satisfied with her." Li Ping glanced at Qiao Mianmian and had to admit that this actress was indeed very beautiful. She was so beautiful that even he, who was used to seeing beauties in the entertainment industry, was stunned.

She really deserved to be called a beauty.

She didn't need any makeup or filter. She was already shockingly beautiful in real life.

"It's really good." The director looked delighted.

"It's good that you're satisfied." Li Ping looked at the time on his wrist and said, "Is there any problem? If not, I'll leave first. I have to go style the others."

"No problem, go on with your work."

"Alright."

After speaking with Li Ping, the director smiled and walked towards Qiao Mianmian. He then said to a crew member beside him, "You can take Qiao Mianmian for the photoshoot."

...

The photoshoots for the main cast were quickly taken. After they were done, the official Weibo account of "Phoenix in Flight" posted the finished products.

They were posted one after another.

First the male and female lead, then the second female lead and the second male lead.

"Wow, so elegant."

“Sister Fei looks so domineering. She’s like a queen!”

“Brother Jin looks good, too. He looks like a hero.”

“Just by looking at the photos, I can tell that the quality of this movie is going to be very high. This outfit is very textured, as expected from Li Ping!”

The few photos were well-received by the netizens.

They couldn’t wait to watch the movie.

The second male lead was a popular new actor. He had just become popular and had a lot of fans.

The comment section was filled with “I can do it”.

After the second male lead’s photo, the official account showed Qiao Mianmian’s photo.

Qiao Mianmian was wearing a long red dress and standing in the white snow. She was holding a long sword and looking coldly in a certain direction. In less than a minute, the comments had already exceeded 10,000..

Chapter 2715: The Most Beautiful Qiao Mianmian

“Damn, this is my Mianbao? She’s so beautiful!”

“Gosh, how can Mianmian be so beautiful? This photo is too amazing. I can see the storm crying!”

“I’m dead, I’m dead. Qiao Mianmian is too beautiful.”

“I thought that Qiao Mianmian’s looks were only suitable for more ethereal styles. I didn’t expect her to turn into such a beautiful and alluring beauty. Li Ping is really impressive. The style he designed for Qiao Mianmian is really nice!”

“I heard that the second female lead is a stunning beauty? It was the right choice to choose Qiao Mianmian for this role. Her looks are very good, and her acting is pretty good too. I feel like she’s super beautiful. Just looking at this makeup photo makes me look forward to this movie.”

“She’s so beautiful! Gosh, how could she be so beautiful? I’m going to die from her beauty!”

The comment section was filled with netizens amazed by Qiao Mianmian.

Among them were her fans and many passersby.

In just a few minutes, this post had been reposted more than a hundred thousand times.

Qiao Mianmian even made it onto Weibo’s trending list with this photo.

Beautiful Qiao Mianmian

Qiao Mianmian’s “Phoenix in Flight” photoshoot

The Most Beautiful Qiao Mianmian

Even the screenwriter of “Phoenix in Flight” reposted it.

Screenwriter Yu Wei: [This second female lead is very satisfactory.]

The screenwriter of “Phoenix in Flight” personally stamped Qiao Mianmian as the second female lead, expressing her satisfaction. Such recognition was undoubtedly extremely high praise. Even some haters who wanted to slander Qiao Mianmian for not being suitable for the second female role were at a loss.

Even the scriptwriter was satisfied.

How could they defame her?

“Wow, even the screenwriter approved of our Mianmian. Mianmian is really too outstanding!”

“Thank you for your affirmation, Great Screenwriter. I’ll definitely work hard to act in this movie!”

“I’m looking forward to ‘Phoenix in Flight’ and Mianbao’s new role. Mianbao is the best. We’ll always support you!”

“I heard that this scriptwriter is rather picky. In order to get the female lead role in her previous script, she auditioned over a hundred first-tier female artistes. It seems like she’s really satisfied with Qiao Mianmian to make such a public statement.”

...

Qiao Mianmian was very satisfied with her new look.

Hence, she took a selfie before removing her makeup and posted it on her WeChat friend circle.

The caption was: [The new model of the movie is super satisfying! I can’t help but be narcissistic. I’ll post a selfie.]

Qiao Mianmian quickly received dozens of likes and comments.

Zhan Bo: [You’re flattering me again. Oh right, I’ll be at your place next Monday. I’ve already made an appointment with Sister Fei. Let’s have a meal together. Don’t forget that you still owe me a meal. I’ll pick the most expensive restaurant in the area!]

Nana: [Where did this fairy come from? She’s so beautiful.]

Qiao Chen: [You look good, but your looks are a little unrealistic. Sister, I think you look better without makeup. You’d better not do it next time.]

Jiang Luoli: [Wow, my Baby is so beautiful. She looks so good. Prince Charming is drooling!]

Yan Shaoqing: [Tsk tsk, Sis-in-law is so beautiful.]

Chapter 2716: Break Your Legs

Yan Shaoqing: [Tsk tsk, Sis-in-law is so beautiful. Second Bro is really lucky to be able to marry a fairy like you. If I were Second Bro, I’d be so blissful that I’d wake up laughing in my dreams. Sigh, I’m so envious.]

Qiao Mianmian looked at the hundreds of likes and comments and chose a few familiar people to reply to.

She replied to Zhan Bo: [Alright, you pick the place!]

She then replied to Qiao Chen and Jiang Luoli: [You're a straight man, how could you say that? It's fine as long as the photos of girls are beautiful, why do you care about looks!]

[Baby Luo Luo loves you. I'm super satisfied with this look, too!]

Finally, she replied to Yan Shaoqing: [If you're envious, hurry up and find one. Your Second Bro and I are waiting for your wedding banquet.]

Yan Shaoqing was probably bored. Qiao Mianmian had just replied to him, and he quickly replied: [If I can find a fairy like Sis-in-law, I want to get married as soon as possible too. But the people around me are all ordinary. Sis-in-law, do you want to introduce someone to me?]

Qiao Mianmian knew that Yan Shaoqing once had a woman he liked, but that woman didn't like him.

She despised him for being a playboy.

Because of this, Yan Shaoqing was hurt for a while.

Of course, he seemed to have recovered.

As for whether he still liked that woman, Qiao Mianmian wasn't sure.

But regardless of whether Yan Shaoqing had someone in mind, Qiao Mianmian couldn't possibly introduce someone to him.

Everything else aside, Qiao Mianmian felt that Yan Shaoqing's attitude towards relationships was too casual.

She didn't dare to introduce the people she knew to him.

Qiao Mianmian joked. "If you don't even like the beauties around you, then the people I know aren't suitable. You'd better tell Mo Yesi about this and let him introduce you to a few people."

Yan Shaoqing immediately replied: [Second Bro? Sis-in-law, are you kidding me? Second Bro is an insulator. Besides you, are there other women around him? If I count on him, I can only be a bachelor for the rest of my life.]

As soon as Yan Shaoqing replied, Qiao Mianmian saw Mo Yesi reply: [Then, you can be a bachelor for the rest of your life. I think being alone for the rest of your life suits you.]

Yan Shaoqing protested. [Second Bro, how could you say that? You can't disregard your brother's happiness just because you have Sis-in-law.]

Mo Yesi: [You want to find someone like your Sis-in-law? Not in your dreams, not in your next life. I think it's better if you stay single for the rest of your life.]

Yan Shaoqing: [Damn, this is too cruel!]

Mo Yesi: [You dare to dream of your Sister-in-law? Don't let me see you again, or I'll break your legs.]

Qiao Mianmian couldn't help but laugh.

The next moment, Mo Yesi called her.

She picked it up with a smile. "Why are you and Shaoqing arguing again? You're already so old, why are you still acting like children?"

"I'm not arguing with him, I'm just educating him." Mo Yesi seemed to be laughing, too. His low and sexy laughter came from the cell phone as if he was right in front of her. "He's getting bolder, daring to say that he wants a wife like you."

This jealous lover was probably jealous again.

Qiao Mianmian laughed. "It's not like you don't know Shaoqing. He's just a little talkative. Why are you always fussing over this with him?"

"He can't covet my wife."

Chapter 2717: It Made Her Uncomfortable

Qiao Mianmian was speechless.

Alright.

If he said it was wishful thinking, then it must be wishful thinking.

She couldn't be bothered to argue with him.

"Are you off work?" Qiao Mianmian changed the topic.

"Not yet. There's a meeting later. I can get off work after the meeting."

"Oh." Qiao Mianmian thought for a while and asked, "Have you visited Yueyue at Big Brother's place?"

"I'll be there after work. Big Brother called me early in the morning and asked me to have dinner at his place."

"Oh, that's great. I want to see Luo Luo and Yueyue, too. I miss them so much."

"You miss them so much, but have you ever thought about me?" The man's low and sexy voice seemed to carry a hint of dissatisfaction. "You haven't even said that you miss me. In your heart, where exactly do I rank as your husband?"

Qiao Mianmian was speechless.

"Mo Yesi, it's fine if you're jealous of Luo Luo, but are you jealous of Yueyue too? She's a little baby who's not even a month old. If you're jealous of a little baby, others will definitely laugh at you!"

"Mm, so you admit that I'm not as important as a baby in your heart."

"...Can you not be so unreasonable?"

“Do you miss me?”

“I do!” Qiao Mianmian didn’t dare to say otherwise. She immediately coaxed him. “I even dreamed of you last night. I dreamed that you came to Country Y to see me.”

“You dreamed of me last night?” The man’s voice rose slightly with a hint of laughter. “Are you serious?”

“Of course!”

“Mm, since you want me to visit you so much, I’ll find some time to visit you someday.”

“Aren’t you very busy? Mo Yesi, don’t misunderstand. I’m not hinting at anything.” Qiao Mianmian quickly interrupted him when she heard that he was coming over. “Come and see me when you’re free.”

She couldn’t bear for him to go anywhere.

Even if he said he wasn’t tired, she couldn’t bear for him to be so tired.

And once the movie officially started, she would be very busy in the early stages.

“I’m busy, but if my baby wants to see me, I’ll take the time out.”

“Then, I can’t bear to see you work too hard and tire yourself out. I’m serious. Let’s talk about this when you’re free. I know you’ve been especially busy recently. You should focus on your work.”

“Mm. I’ll see you when I’m free.”

After chatting for a while, Qiao Mianmian heard Wei Zheng call him for a meeting.

“Baby, I have to go to the meeting. I’ll call you when I’m back.”

“Alright, go on.” Qiao Mianmian hung up first.

After ending the call with Mo Yesi, she checked WeChat again.

There were more than 50 messages.

With her OCD, she clicked on it, and the comments quickly popped up.

They were all people with whom she had worked together before and added each other on WeChat. Qiao Mianmian didn’t have a good relationship with them, but everyone would usually comment on her Moments posts.

Qiao Mianmian even saw that the person who added her on WeChat last night also Liked her comment.

Z: [It looks good. You can post more selfies in the future.]

Qiao Mianmian was speechless.

This person’s comment made her feel uncomfortable.

They weren’t close at all.

She didn’t even know who he was, but the tone of his comment made Qiao Mianmian feel like they knew each other..

Chapter 2718: Dean

Someone who added her on WeChat last night and she didn't even know what he looked like told her to post more selfies in the future?

It wasn't that Qiao Mianmian was too sensitive and narcissistic, but she really felt that this Z person was a little strange.

She felt that this person was a little strange last night.

And this strange feeling appeared again.

Qiao Mianmian stared at the comment for a while before ignoring it.

...

After taking the photoshoot, the shoot officially started the next day.

Qiao Mianmian was the second female lead, and she had a lot of scenes.

Not only did she have many scenes with the female lead, but she also had many scenes with the male lead.

The male lead, Xu Jin, was a very serious person. He was famous for his bad temper in the industry. Many actresses who worked with him were asked for interviews and asked about their impression of Xu Jin. They all said that they were afraid when they first interacted with him.

When they saw Xu Jin, they felt like they were looking at the dean.

And Xu Jin was really like the dean.

As for the actresses who acted with him, if they made him unhappy, he wouldn't be tactful at all. He would directly and seriously point out where they didn't do well. If they made him unhappy many times, he would get even angrier.

Whether it was a man or a woman, regardless of whether the other party was a junior or of the same level as him, he treated them equally.

Hence, all the artistes who had worked with him before were afraid of working with him again.

It was too stressful to act with him.

They were worried that he would be unhappy if they did anything wrong.

But everyone admired Xu Jin's character and acting.

Xu Jin was a little serious and had high expectations for the actors he worked with. But he was a senior worthy of admiration and learning.

They could learn a lot from him.

He would share his years of experience and insights with them, and he was also willing to guide them.

Towards the juniors he admired, he couldn't wait to impart all his experience and knowledge on acting to them. If there was a chance, he would also be willing to guide them.

He was similar to Qin Han in this aspect.

The first scene was between Shen Fei and Xu Jin.

One was the Best Actress, and the other was the Best Actor. Both of them were absolute actors. When they acted together, neither of them lost to the other. All the scenes only needed one shot.

The director was so satisfied that his eyes were narrowed into a line. He clapped and praised. "Good, your scene just now was handled very well. As expected of people who have won Best Actress and Best Actor several times. It was really satisfying to watch your act."

Xu Jin had always been harsh and demanding, but he was also very satisfied with Shen Fei's acting. He nodded after hearing the director's words and expressed his approval. "Mm, Shen Fei's acting is really good. I've worked with her several times, it's the easiest to act with her.."

Chapter 2719: He Might Scold You on the Spot

Shen Fei smiled charmingly. "Best Actor Xu rarely praises people. Being praised by you is something that makes me happier than anything else."

Xu Jin turned to look at her. Although he still had a serious expression, his eyes were gentle. "You did well, of course, I have to praise you. Your acting has improved a lot compared to two years ago.

"Now you know what I'm trying to say."

"Is that so?" Shen Fei smiled. "If Best Actor Xu continues to praise me like this, I'll be proud."

"You can be proud." Xu Jin was very harsh to everyone, but he was very friendly to Shen Fei. "You have the right to be proud."

"Alright, alright." Shen Fei smiled and gestured for him to stop. "Best Actor Xu, don't praise me anymore. I can't take compliments. If you praise me too much and I get carried away, my acting might drop next time.

"You'll have to scold me again. I don't want to be scolded by you."

Xu Jin was stunned. He opened his mouth to say something, but Shen Fei turned around and walked towards the director.

She looked at the replay.

Xu Jin looked at her graceful back and swallowed his words.

He stood rooted to the ground for a few seconds before turning around to look at the replay.

...

The second scene was in the afternoon.

Qiao Mianmian, Xu Jin, and Shen Fei had their own scenes.

At lunch, Linda specially instructed her. “Mianmian, you have a scene with Xu Jin in the afternoon, right? I heard that he’s very strict with the actors who act with him. Very few people can satisfy him. If he feels that your performance is bad and NGs delay him too much, he might scold you on the spot.

“That’s his personality. Many young actresses have been scolded by him. So, if he scolds you or something, don’t take it to heart. Just take it that his menopause has come and he can’t control his temper.”

Linda was afraid that Qiao Mianmian wouldn’t be able to tolerate Xu Jin’s temper.

If she quarreled with Xu Jin...

Although she felt that Qiao Mianmian wouldn’t do that, she still felt a little uneasy.

Qiao Mianmian’s negative news had just dissipated.

The more popular she was now, the more haters were eyeing her.

As long as she made the slightest mistake, those haters would make a big fuss out of it.

“Sister Xie, don’t worry. I know Senior Xu, too. Actually, I hope he can be harsh to me.” Qiao Mianmian knew that Linda was worried about her causing a conflict with Xu Jin, so she deliberately said this to her.

But Linda was overthinking.

Others might be afraid of Xu Jin, but Qiao Mianmian wasn’t afraid at all.

She was even looking forward to the afternoon.

She wanted to know how Xu Jin viewed her acting.

To her, as long as she could get Xu Jin’s comment, even if he criticized her, she would find it precious.

Only with criticism could she improve.

“You want him to be harsh to you?” Linda thought she heard wrongly.

“Mm.” Qiao Mianmian nodded. “Although he’s harsh on others, he’s also harsh on himself. I can definitely learn a lot from acting with him. I can also know where I’m lacking..”

Chapter 2720: I’m Sorry, I Did Think This Way Before

“I think it’s good to work with such a senior.”

Linda was stunned again. Then, she looked at Qiao Mianmian in admiration. “It’s good that you think this way. Mianmian, you really like acting, huh.”

“Mm? Does Sister Xie only believe that I really like acting now? Don’t tell me you’ve always thought that I was playing around?”

Linda kept quiet for a few seconds and looked a little embarrassed. “I’m sorry, I did think this way before.”

After all, she was the daughter of a rich family and the Madam of the Mo Corporation. Linda didn't think she really liked to be an actress.

In the eyes of prestigious families like the Bai and Mo families, actors were equivalent to performers.

Although Mo Yesi supported Qiao Mianmian's acting career, the others in the Mo family were different.

Especially the elders.

Hence, when Qiao Mianmian said that she was planning a pregnancy, Linda actually thought that this might be an excuse for her to leave the entertainment industry.

She said that she would continue acting after giving birth.

But if she didn't want to come back, who would dare to say anything?

But Qiao Mianmian's words let Linda know that she was wrong.

If she didn't love this industry, she wouldn't have said those words.

Who would like to be scolded?

Qiao Mianmian pretended to be sad and put a hand to her chest. "So, Sister Xie never believed that I really liked this line of work. I'm so sad that you don't trust me."

"Mianmian, are you angry? I..." Linda thought that she was really shocked and quickly tried to explain.

"Hahaha, I'm kidding." Qiao Mianmian laughed when she saw that Linda was serious. "How could I be angry with you over such a little thing? But Sister Xie, can you believe me from now on? I really like acting. I've never thought of giving up on this industry."

"Mm, I believe you." Linda relaxed when she saw her smile. She looked at the girl's beautiful face and said sincerely, "Mianmian, you're really talented in acting. I really think it's a pity if you give up this industry."

...

There were still two hours of rest after lunch.

Qiao Mianmian didn't sleep at all. She quickly read the script of the two scenes that would be filmed in the afternoon several times, especially her and Xu Jin's scenes.

When it was time to start filming, the first scene was between her and Xu Jin.

They got into position, and Xu Jin immediately got into character.

He looked coldly at the girl in red kneeling in the snow. Anger burned in his eyes, but he suppressed it.

But he couldn't control the veins on his forehead.

"Tell me, why did you stab her! Do you know your mistake now?"

“Master, I’m not wrong.” The red-dressed girl knelt in the snow with her back straight. Her eyes were already red, but she still said stubbornly, “That woman approached you with a goal. You’ll be harmed by her if you don’t stay away from her.

“Disciple just doesn’t want Master to be harmed by her. Killing her will prevent future trouble. Disciple...”

Bam!

The girl was slapped hard.
