

Big Shot 2721

Chapter 2721: Found a Treasure

“Nonsense. Since when is it your turn to make decisions for me? Even now, you’re still unwilling to admit your mistake. You’re actually so stubborn. From today onwards, you’ll stay at Reflection Cliff and repent. Without my permission, you won’t take a step out of this place.” The man in white’s eyes were filled with disappointment. When he saw the beautiful girl kneeling in front of him with her face swollen, a hint of pain flashed past his eyes.

The girl in red kneeling on the ground looked up in disbelief. At this moment, the tears in her eyes finally fell uncontrollably, falling silently down her cheeks.

She couldn’t believe that her master, who had always loved her and treated her well, would hit her.

And it was because of that evil woman.

He had only known her for less than a month, but she had been by his side for 17 years.

“Master hit me...” The girl spoke with a trembling voice. Half of her face was stained with blood, but the other half was completely pale.

Her eyes were filled with tears.

The man in white seemed to be stunned for a while. He looked down and met her eyes. When he met her gaze, his usually calm and indifferent heart seemed to have been burned by something. This unfamiliar emotion suddenly made him a little uncomfortable.

He frowned and looked away.

“You should reflect on yourself.” With that, the man in white flicked his sleeves and left.

Behind him, the girl in red’s knees went weak the moment he turned around. She fell to the cold ground as if she’d lost her soul.

“Alright, cut!”

This scene ended.

The director walked up to Qiao Mianmian. She still hadn’t recovered from the scene just now. Her eyes were still tearing, still filled with pain as she sat on the ground.

“Qiao Mianmian, you did very well in this scene.” Although the director had strict requirements for actors, he wasn’t stingy with his praise for those who performed well.

He knew that Qiao Mianmian’s acting was good when she went for the audition.

But the audition only lasted for a few minutes.

Although he was satisfied with Qiao Mianmian’s performance, he was still worried that she wouldn’t perform well.

After all, she was a newbie.

She didn't have many works under her belt.

The second female lead had a lot of scenes with the male lead.

Not to mention a newbie with little experience, even many "veterans" who had been in the industry for many years might not be able to take it.

Hence, the director was a little worried before filming.

He was even mentally prepared for many NGs.

Who knew that Qiao Mianmian would give him such a huge surprise.

Not only did she manage to secure the role, but she even managed to get it done in one go.

Especially the crying scene.

Her tears came as she wished, and she cried so naturally. It made people feel that she was really experiencing the pain and not acting.

At this point, the director really felt like he'd picked up a treasure.

She was so beautiful and had such good acting skills. She could even increase the popularity and topics of their movies. Could he have a dozen of such actors?

He really needed it..

Chapter 2722: The New Generation Surpasses the Old

"Thank you for your affirmation." After a while, Qiao Mianmian regained her composure. She patted the snow on her hand and slowly stood up.

Seeing that the director was satisfied with her performance, she heaved a sigh of relief.

This director had high expectations for the actors.

He was a perfectionist.

He was very picky when it came to acting.

If there was anything he wasn't satisfied with, he would ask for a retake.

But because of this, almost all of his works became classics.

Not only did it sell seats, but it was also very popular.

Qiao Mianmian was very serious about it, but she couldn't guarantee that the director would be satisfied.

"You surprised me." The director didn't hide his admiration as he chuckled. "You performed much better than I expected. I didn't expect a newbie at your age to be able to follow Xu Jin's acting.

“You have to know that there aren’t many actors in the industry who can follow Xu Jin’s acting. Besides Shen Fei, you’re the second person to act with Xu Jin so easily.

“A newbie like you has a bright future.”

The director openly praised Qiao Mianmian and expressed his admiration for her. It was obvious that he was very satisfied with her.

Qiao Mianmian didn’t know that besides Shen Fei, she was the second actress to be praised by the director.

What she didn’t know was that the director had already decided to reserve a role for her in his next movie.

She just felt a little flattered and embarrassed.

“Thank you for your praise, Director. I’ll continue to work hard!”

“Mianmian, our Director Xie is a very demanding person. To be praised by him like this shows that Director Xie is really satisfied with you.” Shen Fei smiled and walked over and held Qiao Mianmian’s arm. “Director Xie, you can rest assured now.

“I told you long ago that Mianmian is fine.”

“Don’t worry, don’t worry.” The director laughed. “The new generation surpasses the old. Movie Queen Shen, this junior is so outstanding. Do you feel pressured as a senior?”

“Pressure, huh.” Shen Fei chuckled, her eyes full of confidence. “Only with pressure can we improve. I do hope that there will be more outstanding juniors in our industry. Only then can our industry develop better.”

Shen Fei felt a headache coming on as she thought about the so-called actors who managed to get past the lines.

But there were so many juniors in the industry.

As long as they were good-looking, even if they didn’t have any acting skills, their fans would still pay to watch their movies and television shows.

Because of this, fewer and fewer artistes were willing to work hard.

After all, it was so easy to rely on looks.

Who would be willing to work so hard to earn money?

And it was precisely because of this that artistes like Qiao Mianmian, who were willing to put their heart and soul into acting, were so precious.

The director naturally understood what Shen Fei meant. Thinking about the current situation in the industry, he couldn’t help but sigh. “You’re right. It’s good to have more newbies like Mianmian in our industry..”

Chapter 2723: Another Competitor

“Little Qiao did well just now.” Even Xu Jin, who had always been difficult, praised Qiao Mianmian after hearing the director and Shen Fei’s conversation. “Be it physical or emotional, she performed well.”

“See, even our Best Actor Xu feels that she’s not bad. Mianmian, do you know that it’s harder than ascending to the heavens to be praised by our Best Actor Xu?” Shen Fei smiled and said, “That mouth of his, who knows how many girls he has scolded and made to cry. This is the first time I’ve seen him praise someone like this.”

“Senior Xu, do you really think I did well just now?” Qiao Mianmian looked up at Xu Jin.

She was prepared to be scolded.

But she received a compliment instead?

“It was pretty good.” Xu Jin’s serious-looking “dean” face was actually gentle and even a little smiling. “Especially your crying scene. It’s really infectious.”

Qiao Mianmian was overjoyed. “Thank you for your affirmation, Senior Xu.”

She was even happier to be praised by Xu Jin.

“But...” Xu Jin suddenly changed his tone.

Qiao Mianmian immediately put on a humble expression. “Please enlighten me, Senior Xu.”

Xu Jin didn’t have a good impression of Qiao Mianmian.

He even felt some prejudice.

He heard that this pretty girl was from a rich family and married a powerful husband.

In Xu Jin’s opinion, such a person entering the entertainment industry was probably just for fun.

It was impossible to take acting seriously.

She must have relied on her connections to get the second female lead role.

But his prejudice against Qiao Mianmian vanished less than a minute after they officially entered the scene.

By the time the scene ended, Xu Jin’s impression of Qiao Mianmian had completely changed.

His initial prejudice turned into admiration.

Xu Jin was very willing to give advice to the younger generation he admired. He thought for a while and said seriously, “There’s no big problem, just some details. Once you’re immersed in a certain emotion, you’ll neglect some details.

“If only you could pay more attention to the details.”

Qiao Mianmian valued this valuable opinion and immediately nodded. “Thank you for Senior Xu’s suggestion, I’ll take note in the future.”

“Mm, there’s no rush. Take your time. When you film a few more shows in the future and gain more experience, you’ll naturally be able to do better.” Xu Jin saw that she was so upright and admired her even more.

This young lady was very polite. She didn’t feel superior just because of her status and background. She addressed him as “Senior” so easily.

Xu Jin really felt that this girl would become the second Shen Fei in the future.

She might even surpass her.

Shen Fei had another competitor for the next Best Actress Award.

...

The next two months of filming went very smoothly.

It went so smoothly that the supposed three months needed to film everything ended half a month in advance.

On this night, Qiao Mianmian couldn’t help but drink a little.

When she followed the crew out of the clubhouse drunk and saw a familiar tall figure standing beside a Lamborghini parked outside the clubhouse, she thought she was seeing things..

Chapter 2724: Why Aren’t You Obedient?

It was only when the man looked up and Qiao Mianmian saw his handsome face in the moonlight, and then when he walked towards her with gentle eyes, that Qiao Mianmian finally confirmed it.

A moment later.

The handsome man who was just a few meters away was already in front of her.

“Mianmian, Chairman Mo is here to pick you up. It seems like you won’t be having supper with us. I’ll go with them, then. Contact me if there’s anything.” Linda gestured to her.

She didn’t know if Qiao Mianmian heard her, but Linda didn’t see her reaction.

Linda thought that she was too happy to see Mo Yesi.

After all, it had been a while since they last met.

Linda wasn’t going to be a third wheel. After politely greeting Mo Yesi, she followed the rest of the crew to have supper.

A few young female artistes in the crew were stunned when they saw Mo Yesi. Even though they knew about his relationship with Qiao Mianmian, they couldn’t help but take a few more glances at him.

Then, they all thought about Qiao Mianmian’s good fortune.

The man she married was the best of the best.

Not to mention his status, just his face and figure were the best.

One of the best in the entertainment industry.

Moreover, he was the Chairman of the Mo Corporation, rich and powerful. How could anyone in the entertainment industry compare to him?

Many female celebrities married into rich families.

But what kind of man did they marry?

Or they were old enough to be their father, or they were ugly, fat, and greasy.

Moreover, most of them were fickle. Soon after marriage, all sorts of scandals were exposed.

What mistress? What woman? What illegitimate child?

Needless to say, those so-called rich and powerful families couldn't compare to the Mo family.

And such an outstanding man didn't have any scandals at all. He pampered his wife wholeheartedly after marriage.

The female artistes looked envious.

Qiao Mianmian was still in a daze. She looked at the man in front of her and asked, "Mo Yesi, why are you here?"

"What do you think?" The man couldn't hide his elegance as he caressed her slightly flushed face.

He placed his warm palm on her cheek and touched her face. "How much did you drink? Didn't I tell you not to drink outside? Why aren't you obedient?"

"Not much." Qiao Mianmian burped and quickly covered her mouth. "Just a little."

"A little?"

"Mm, just a little." She blinked like a child who had done something wrong and was caught by her parents. Her eyes were a little flustered. "I usually listen to you and don't drink. But tonight, I drank a little to celebrate the movie ending early.

"But it was just a small glass. Moreover, Sister Xie was with me, and everyone in the crew knows each other, so it isn't a problem." Mo Yesi had previously told her not to drink outside..

Chapter 2725: Qiao Mianmian's Back Ached Almost Every Day

Her alcohol tolerance was too low.

She could get drunk even if it was just a small glass.

It was also because of this that Mo Yesi was worried about her and forbade her to drink outside.

She was a little flustered now that he caught her.

“Not even a small glass.” Mo Yesi saw that she was obviously a little drunk and reached out to pull her into his arms. He reprimanded her with a straight face. “I’ll let it go this time. If I find out that you’re drinking outside next time, I’ll teach you a lesson.

“Unless I’m with you in the future, don’t touch a single drop of alcohol, got it?”

“Oh, I got it.” Although Qiao Mianmian was reprimanded by him, she wasn’t afraid at all. Because at this moment, she was full of joy.

She hugged him and smiled. “Didn’t you say you were busy recently? Why are you in Country Y?”

“Besides visiting a heartless little thing, what other reason could there be?” Mo Yesi pinched her cheek. “Otherwise, what do you think I’m here for? On vacation?”

Qiao Mianmian smiled heartlessly. “Then, why didn’t you tell me you were coming?”

It had been almost a month since they last met.

To be honest, Qiao Mianmian really missed Mo Yesi.

It was said that absence made the heart grow fonder. She felt the same way now.

“If I told you in advance, this wouldn’t be a surprise.” Mo Yesi carried her to the Lamborghini and opened the door.

Seeing that Qiao Mianmian was seated, he closed the door and went to the driver’s door.

After getting into the car, he buckled her seatbelt before putting on his own.

“Let’s go back to the hotel to pack your luggage. Then, we’ll go home.”

“We’re going back tonight?” Qiao Mianmian was stunned.

“Mm. Why? You don’t want to go home early?” Mo Yesi looked back at her.

“No, but there shouldn’t be any flights tonight.”

“There aren’t, so we’ll take the private plane back.”

Mo Yesi’s casual words made Qiao Mianmian fall silent.

Alright.

She’d forgotten about the private jet.

...

Back in China.

Qiao Mianmian slept for about 20 hours to catch up on her sleep.

After filming “Phoenix in Flight”, she gave herself a long vacation.

Linda had already given her instructions, so she didn’t accept any more jobs.

She was completely free.

She started preparing for pregnancy seriously.

Mo Yesi was even more proactive and hardworking than her when it came to preparing for pregnancy. He handed in two assignments every day.

This was the second time he compromised under Qiao Mianmian's strong protest.

After all, a man's energy was limitless.

If Qiao Mianmian didn't discuss it with him beforehand, she was afraid that her small body wouldn't be able to take it.

But she still couldn't take it.

A week after returning, Qiao Mianmian's back ached almost every day.

She couldn't help but complain to Jiang Luoli.

Qiao Mianmian: [Luo Luo, did Mo Shixiu really get you pregnant in one go?]

Jiang Luoli stayed at home almost every day to nurse her child. She was probably bored, too. Qiao Mianmian had just sent the message when she almost instantly replied.

Jiang Luoli: [Why are you suddenly asking this?]

Chapter 2726: He Seemed to Be in a Bad Mood

Qiao Mianmian: [Answer me first.]

Jiang Luoli: [Mm, didn't I tell you?]

Qiao Mianmian: [Why can you get pregnant after doing it with Mo Shixiu just once!! Mo Yesi tormented me so many times every day, why is my stomach so flat?]

Jiang Luoli: [So you're trying to show off that you and Prince Charming not only have sex every day but also many times during the day?]

Qiao Mianmian's lips twitched.

Could Jiang Luoli not tell that she was complaining!

She wasn't showing off at all.

Qiao Mianmian: [I'm not showing off. Luo Luo, you don't know how terrible I've been recently. Your Prince Charming wants a child so badly that his bones are about to fall apart. I can't understand why we've prepared everything well, but there's no good news. You and Mo Shixiu didn't even think of having a child back then, but you got pregnant in one go.]

Jiang Luoli: [Did you consider your ovulation period?]

Qiao Mianmian: [Forget it, it must be calculated. Mo Yesi remembers my ovulation period better than me.]

Jiang Luoli: [Have you and Prince Charming gone to the hospital for a check-up?]

Qiao Mianmian: [Go to the hospital for a check-up?]

Jiang Luoli: [Yeah. You and Prince Charming are still young. I think Prince Charming is in good health, too. Logically speaking, it should be easy for him to get you pregnant. I suggest that you both go to the hospital for a check-up. If there's nothing wrong with both of your bodies, there's no need to be anxious. You should be more at ease about this. The more anxious you are, the easier it will be to go against your wishes.]

Qiao Mianmian never thought of going to the hospital for a check-up.

She had never thought that not being able to have a child had something to do with the body.

She and Mo Yesi were still young and healthy.

But...

Seeing Jiang Luoli's reply, she really suspected that there was something wrong with her and Mo Yesi.

Mo Yesi worked out all year round. Every time he tormented her until she was half-dead, he would still look energetic.

Hence, the possibility of Mo Yesi having a problem was very low.

Was there something wrong with her body?

Qiao Mianmian's heart sank.

If there was really something wrong with her body and she couldn't get pregnant, then she and Mo Yesi...

...

Mo Yesi came back from work.

As soon as he entered the hall, Lei En, the butler, walked up to him and greeted him respectfully. He then looked up at him hesitantly.

He seemed to have something to say.

"Just say it." Mo Yesi could tell that he had something to say. He handed Lei En his suitcase and walked towards the staircase.

Lei En kept half a step behind him.

"Young Master, Young Madam seems to be in a bad mood. She's been sitting in the garden for the whole afternoon."

Mo Yesi stopped in his tracks and turned around. "Young Madam sat in the garden all afternoon?"

“Yes, it seems like something is bothering her.”

“She’s still in the garden?”

“Yes.”

Mo Yesi frowned and walked towards the garden without changing his clothes.

...

“Young Madam, the garden is humid at night. You’ve been sitting in the garden for so long, you should go back inside.”

A housemaid approached Qiao Mianmian and whispered to her.

“Don’t worry about me.” Qiao Mianmian looked at the housemaid, who had told her to go back inside for the third time..

Chapter 2727: Untitled

“Don’t worry about me.” Qiao Mianmian looked at the housemaid walking towards her for the third time and rubbed her temple. “I’ll be back inside soon.”

“But Young Madam...”

The housemaid was about to persuade her further when she heard footsteps approaching. Turning around and seeing who it was, she immediately bowed her head and greeted him respectfully. “Young Master.”

Qiao Mianmian looked up.

A handsome man in black walked towards her.

“I heard from Lei En that you’ve been sitting in the garden for the whole afternoon. Did something happen?” Mo Yesi looked down and saw the girl sitting on the bench with her brows furrowed and with a worried expression.

Seeing that Mo Yesi was here, the housemaid turned around and left, leaving the couple alone.

“You’re back.” Qiao Mianmian didn’t give him a hug after work as usual. She just turned to look at him and said weakly.

“Mm, I just got home.” Mo Yesi sized her up. “Lei En told me that you might be in a bad mood. What exactly happened to you? Why do you look so dejected? Is it about work or something else? Tell me.”

Ever since Qiao Mianmian felt that she couldn’t get pregnant because of her body, she felt very depressed.

She’d been mourning all day.

She even wondered if she and Mo Yesi would divorce because of this.

If she really couldn't get pregnant, then even if Mo Yesi didn't mind, the rest of the Mo family would.

A rich family like the Mo's definitely cared about offspring.

No matter how much Old Madam liked her, if she knew that she couldn't give birth, she would probably...

Not to mention Old Madam, even she minded it.

Mo Yesi wanted children so much, it meant that he liked them very much.

How could his wife not have children?

Qiao Mianmian felt sad again.

"Mo Yesi, I've been thinking about something for the whole day."

"What is it?" Mo Yesi reached out to pull her towards him. Seeing that her eyes were red, his expression darkened. "Did someone bully you? Tell me, what exactly happened? No matter what happens, I'll face it with you and help you settle it."

The more he cared about her, the worse Qiao Mianmian felt.

In the past, when she didn't have feelings for Mo Yesi, she wanted a divorce.

But now...

Just the thought of them getting a divorce was unbearable.

"Mo Yesi, why do you think I still can't get pregnant despite all our efforts?" Qiao Mianmian's voice was soft as she choked. "Big Brother and Luo Luo got pregnant after the first time. This means that the Mo family must have a good constitution.

"But why can't I get pregnant?"

"Tell me, tell me... is there something wrong with my body, that's why I can't get pregnant?" Qiao Mianmian looked up with reddened eyes. At this point, she couldn't help but tear up.

Her eyes were filled with worry and fear.. "If so, what if they ask us to divorce?"

Chapter 2728: So, My Answer Is the Same as Yours

"Mo Yesi, I don't want to divorce you. I don't want to leave you. I feel so sad when I think about how I won't have you by my side in the future."

Mo Yesi's heart ached when he saw her crying like this, but her words made him unsure whether to laugh or cry.

He took out a handkerchief and wiped her tears. "So, this is why you sat in the garden for the whole afternoon?"

Qiao Mianmian sobbed. "I'm just very upset. Mo Yesi, you haven't answered me. If I really can't get pregnant, what do you think we should do? If they really want us to divorce, what will you do?"

The man stopped wiping her tears.

He put the handkerchief aside and used his fingers to gently wipe the tears on her face. Only when he wiped her wet face completely did he ask in a low and sexy voice, "Are you worried that you can't get pregnant, or are you worried that I'll divorce you?"

"I'm worried." Qiao Mianmian's eyes were still red. She sniffed and bit her lip. "If I can't get pregnant, they'll definitely get us to divorce. You're the Chairman of the Mo Corporation, you can't be without an heir."

"So, you're worried that we'll get a divorce because of this? You're afraid that I'll leave you, right?"

The man's voice was extremely gentle, and his deep eyes were also very gentle.

Qiao Mianmian nodded.

Then, she saw a flash of light in his eyes.

She could feel that Mo Yesi seemed to be in a good mood.

"Baby, are you stupid?" Mo Yesi was indeed in a good mood. He couldn't help but smile. "How did you expect me to divorce you? Didn't I tell you long ago that I, Mo Yesi, will only have you as my wife in this lifetime?"

"The position of Mrs. Mo will always belong to you alone."

"I know." Qiao Mianmian had never been worried about Mo Yesi divorcing her. She was worried that others would force them to divorce, and she would probably take the initiative to divorce him.

He was so nice.

He couldn't lose a complete family because of her.

She'd thought about it.

She was going to the hospital for a checkup tomorrow.

If they found out that she couldn't get pregnant, she would take the initiative to divorce Mo Yesi.

Even if she couldn't bear to leave him.

Even if she was sad.

But she couldn't deprive Mo Yesi of his right to be a father.

He liked children so much.

"Then, what are you worried about?" Mo Yesi asked.

"Mo Yesi, if I really can't get pregnant, will you really not divorce me?" Qiao Mianmian didn't answer his question and asked him another question.

The man looked at her with his deep and dark eyes. He didn't answer her immediately. He reached out to pull her into his arms.

"Why do you think it must be because of us? Then, let me ask you. If it's because of me, will you divorce me?"

"Of course not," Qiao Mianmian replied without hesitation.

"So, my answer is the same as yours.."

Chapter 2729: Be My Secretary for a Few Days

Mo Yesi gently brushed a strand of hair off her forehead. "Mianmian, listen carefully. We'll never get a divorce. Moreover, didn't I say it before, how can you be sure that it's your problem?"

"Don't let your thoughts run wild. We'll definitely be fine. Didn't you say that we should let nature take its course? The more anxious we are, the worse it will be. If you're really worried, I'll accompany you to the hospital tomorrow.

"Moreover, even if one of us really has a problem, medicine is so advanced now, it can still be treated. Why do you have to think of the worst?"

Qiao Mianmian leaned into his arms and felt much more relaxed.

That's right.

Medicine was very advanced nowadays.

Even if she and Mo Yesi really had a problem, they could still take medicine to recuperate.

Weren't there many infertile couples who relied on medication to recover?

She and Mo Yesi were still young.

It wouldn't be too late to give birth in a few years.

Mo Shixiu only had a child at 30.

Mo Yesi wasn't even 28.

At this thought, Qiao Mianmian finally felt better. She nodded. "Mm, then I won't overthink it."

"You shouldn't have thought about it." Mo Yesi pinched her cheek. "You feel better now, don't you?"

"Mm, much better." Qiao Mianmian nodded again.

"I think you're thinking too much because you have nothing to do at home. Why don't you come to work with me tomorrow and be my secretary for a few days? That way, you won't have to think too much."

"Work with you?" Qiao Mianmian was stunned.

“Mm, you don’t have to wake up with me in the morning. You can go to the office after you’ve had enough sleep. Your time in the office is free, too. You can rest anytime if you’re tired, and you can also get off work early.”

Qiao Mianmian was tempted.

She did feel a little bored recently.

In the past, she could always ask Jiang Luoli out for a meal.

But now that Jiang Luoli was taking care of her child, Qiao Mianmian couldn’t ask her out anymore.

As for the others...

Linda was taking care of newbies, and her schedule was packed every day, so it was naturally difficult to ask her out.

As one of the top-tier celebrities in the industry, Zhan Bo’s schedule was even more packed. From what he said, his work schedule was already packed for the next year.

Qiao Chen also went overseas to university.

At that moment, Qiao Mianmian couldn’t even ask anyone out for a meal.

She used to want to rest when she was busy, but it was too boring to be idle.

“Then, what do I have to do as your secretary?”

“Professional secretaries will do the complicated work. You just have to do something simple.”

“Simple means...”

“Make coffee, make tea, and read some simple documents. Ask me if you don’t understand anything. Have lunch with me and chat with me when I’m upset. You can do this, right?”

“Yes, of course.” Qiao Mianmian nodded immediately. “I can do all of that.. But will I delay your work if I accompany you to work every day?”

Chapter 2730: Do You Understand What I Mean?

“Of course not.” Mo Yesi smiled. “You used to work with me at the company, too. Didn’t we work well together? Moreover, with you around, I think I can work twice as well.”

Qiao Mianmian smiled and hooked her arms around his neck. She tugged at his tie and made him lower his head. Then, she raised her head and kissed his sexy thin lips. “Alright, then I’ll be your secretary. But is there a salary?”

The man lowered his head cooperatively and said affectionately, “Baby, isn’t my money yours already? How much do you want?”

“I can ask for as much as I want? Aren’t you afraid that I’ll ask for an astronomical salary?”

“Mm, feel free.” Mo Yesi felt the sweetness of the girl’s lips. He narrowed his eyes and gently kissed her soft lips. His voice became low and hoarse. “Baby, I’m yours. I can give you my life, not to mention these worldly possessions...”

Qiao Mianmian opened her mouth and was about to say something when he kissed her.

Soon, she couldn’t say a word.

...

In order to reassure Qiao Mianmian, Mo Yesi accompanied her to the hospital early the next morning.

Lu Rao had already received Mo Yesi’s WeChat message and knew what kind of check they were going to do.

“Didn’t you do a checkup before? There’s nothing wrong with your body.” Lu Rao found an excuse to pull Mo Yesi aside and talk to him alone.

“Mm, this time it’s not for me, it’s for Mianmian.” Mo Yesi lowered his voice and said seriously, “You have to do this personally for her. It’s naturally for the best if there’s no problem. If not...”

He pursed his lips and kept quiet for a few seconds before saying, “If there’s really a problem, you can’t let her know. Do you understand what I mean?”

Lu Rao was silent for a few seconds. “From what you’re saying, you didn’t ask her to come to the hospital for a checkup?”

“Of course not.” Mo Yesi narrowed his eyes. “She insisted on coming to the hospital for a checkup. She suspects that her body has a problem, that’s why she can’t get pregnant. Lu Rao, I don’t mind even if Mianmian can’t get pregnant. At most, I’ll adopt a child with her.

“It’s fine even if she doesn’t want a child for the rest of her life. Anyway, Big Brother’s child can inherit everything. I don’t want her to feel pressured about this, and I don’t want her to feel like she owes me anything.”

Lu Rao kept quiet for a while.

He knew how much Mo Yesi cared about Qiao Mianmian.

Hence, it wasn’t strange to hear this from him.

Moreover, based on Lu Rao’s understanding of Mo Yesi, he wasn’t someone who liked children.

The only reason he was in such a hurry to have a child was because of Qiao Mianmian.

What he wanted was his and Qiao Mianmian’s child.

In other words, if the person giving birth to his child wasn’t Qiao Mianmian, he wouldn’t even give it a second glance.

“But even if we don’t let her know, she’ll still be suspicious if she can’t get pregnant. You...”

“So, if you find anything wrong with her body, I want you to give her a report that the reason she can’t get pregnant is because of me..”
