

Big Shot 2731

Chapter 2731: Nothing Wrong

Lu Rao was speechless.

Mo Yesi had really lost his life to Qiao Mianmian.

“Ah Si, have you really thought it through?” Lu Rao asked again even though he knew what Mo Yesi’s answer would be. “Are you really going to take all the blame on yourself? But I think you’re overthinking it. Your bodies are very normal. There are many cases of couples having a child after several years.”

Mo Yesi nodded. “Mm, if there’s a problem, do as I say. I also believe that there won’t be any problem with her, but if we don’t check, she’ll keep letting her imagination run wild. It’ll make her feel more at ease.”

“Alright, then.”

...

After Lu Rao and Mo Yesi returned to the office, Qiao Mianmian pulled Mo Yesi’s sleeve and asked softly, “What were you talking about? Is there a problem with the checkup?”

“Don’t overthink it. We haven’t even checked, what problem could there be?” Mo Yesi patted her head and said gently, “It’s because the Lu family is running some businesses, so we chatted a little more.”

“Yes, our family encountered some business matters, and I just asked Ah Si about it. After all, he’s an expert in this area.” Lu Rao lied calmly with Mo Yesi. “Sister-in-law, don’t think too much. Ah Si told me your worries. He said that Sister-in-law suspects something is wrong with her body and wants to do a checkup.

“In my opinion, since you want to do a checkup, you should do it together. After all, this might be your problem or Ah Si’s problem. Of course, it’s also possible that both of you are fine.”

Qiao Mianmian was a little embarrassed. “Doctor Lu, please give us a checkup.”

“It’s no trouble at all. Also, Sister-in-law, don’t call me Doctor Lu anymore. This is too formal.” Lu Rao waved his hand and smiled. “You can just call me by my name.”

Qiao Mianmian hesitated for a while before nodding. “Alright, I’ll call you by your name in the future. Lu Rao, I’ll have to trouble you later.”

Lu Rao waved his hand again. “It’s a small matter. If Sister-in-law is ready, I’ll bring you for a checkup now.”

...

The checkup was done quickly, and the results were soon out.

While Qiao Mianmian was waiting for the report, she grabbed Mo Yesi’s sleeve nervously.

When she saw Lu Rao walking out of the department with two reports, she got up and quickly walked towards him.

“Are the results out? Are there any problems?” She looked at the report in Lu Rao’s hand with clenched fists.

She felt conflicted.

She wanted to know the results immediately, but she was also a little afraid.

She was afraid of the outcome.

Although Mo Yesi comforted her for a long time yesterday, if the outcome was really what she was most afraid of, she couldn’t ignore it.

“Sister-in-law, don’t worry. You and Ah Si are fine.” Lu Rao could tell that she was nervous and afraid. So, he didn’t beat around the bush and told her the results directly. “Both of you are very healthy. There’s nothing wrong with you.”

“Really?” Qiao Mianmian relaxed when she heard this.

“Of course it’s true. This is the report. Take a look.” Lu Rao handed it to her with a smile..

Chapter 2732: His Actions Now Were Really a Slap in the Face.

Qiao Mianmian immediately took it. Although Lu Rao had already told her the results, she still read it carefully.

After looking at hers, she looked at Mo Yesi’s too.

Then, she was completely at ease.

Holding the two reports, she turned around and happily threw herself into Mo Yesi’s arms. “Mo Yesi, that’s great. We’re fine.”

Mo Yesi held the little woman firmly in his arms. “There shouldn’t be any problem. I already said that you’re too free at home, that’s why you’re letting your thoughts run wild.

“The results are good, too. Can you rest assured now?”

“Mm, don’t worry!” Qiao Mianmian smiled. “I won’t think about it anymore.”

“Pregnancy can’t be rushed.” Lu Rao looked at the couple hugging each other and laughed. “As long as your bodies are fine, you’ll have a baby sooner or later. I suggest you relax now and not think about this all the time. It’s best if you pretend it never happened. If you keep thinking about it, you’ll feel more pressure.

“Things won’t go according to plan, then.

“Sister-in-law is still young. Ah Si, you’re also very young. You don’t have to be in a hurry to have a child at this age. Especially Ah Si. You really don’t have to be too anxious. Life as a nanny isn’t as easy as you think. You’re hoping for a child now, and you might complain to us in the future.”

Lu Rao knew.

It wasn’t Qiao Mianmian who was anxious to have a child, but Mo Yesi.

She was just a young lady, she definitely didn’t want to be a mother so soon.

But Mo Yesi wasn’t in a rush to be a father.

Lu Rao couldn’t understand why Mo Yesi was in such a hurry to have a child.

Moreover, he remembered Mo Yesi saying that children were the most troublesome and detestable creatures in the world.

...

They left the hospital.

Qiao Mianmian’s mood changed. She now looked relaxed and happy.

On the other hand, Mo Yesi seemed to have something on his mind.

“Mo Yesi, what’s wrong?” Qiao Mianmian could tell that he wasn’t in a good mood and asked with concern. “Why are you in a bad mood when we’re fine? Don’t tell me... the results are wrong?”

“Don’t overthink it. How could the results not be accurate?” Mo Yesi rubbed her head. “I’m just thinking, am I really too anxious? Mianmian, have I given you too much pressure recently?”

That was why she was overthinking.

Before Qiao Mianmian could reply, he thought for a while and continued, “I thought about it seriously just now. What Lu Rao said isn’t without reason. Since our bodies are fine, maybe I was too anxious and gave us too much pressure, so you couldn’t get pregnant.

“If you feel bored staying at home, you should continue working.” Mo Yesi said his decision after serious consideration. “As long as you don’t have to stay overseas for a long time, you can take on domestic work if you want.”

“Mo Yesi, you...” Qiao Mianmian looked up at him in shock..

Chapter 2733: Giving Birth to a Child Just for His Wife to Be Stolen?

“Why are you looking at me like that?” The man’s hand landed on the top of her head and rubbed it gently. “I just feel that maybe we should let nature take its course. You’re still young. If you don’t want to be a mother too early, it’s alright to wait two or three years.”

Mo Yesi suddenly understood.

He’d always wanted Qiao Mianmian to bear him a child because he didn’t feel safe enough.

He felt that if they had a child, their relationship would be even more stable.

But now, he felt that Qiao Mianmian agreeing to it was a form of acknowledgment.

He wanted a child that belonged to them, not because he liked children.

In fact, he didn't want to be a father too early.

He wanted to spend more time with Qiao Mianmian.

If she had a child, everything would be different.

Mo Yesi suddenly recalled that two days ago, Mo Shixiu had complained to him that Jiang Luoli had been focused on her child and neglected him.

If he and Qiao Mianmian had a child, would she be like Jiang Luoli, putting all her attention on her child and treating him like a dispensable husband?

If that was the case, he didn't have any intention of having a child.

He wasn't willing to.

"Are you serious?" Qiao Mianmian was shocked. "You mean, we don't have to rush to have a child now? I can continue working?"

"Mm." Mo Yesi pinched her cheek and smiled. "Let nature take its course. I won't force you anymore. Lu Rao is right. If I'm too anxious, it'll put pressure on us.

"The greater the pressure, the easier it is to go against your wishes.

"Moreover, if the child snatches my wife, it's better for him to come out later."

Qiao Mianmian was speechless.

So the real reason why he suddenly changed his mind was that he was afraid that the child would snatch her away from him?

He hadn't even seen the baby yet, but this man was already jealous of him.

Qiao Mianmian was suddenly worried about something.

Would Mo Yesi despise their baby when it was born?

She felt that it was possible...

...

"Are you sure? Didn't you say you wanted to focus on preparing for pregnancy and wouldn't take a job for a year?" Linda was very surprised when she received Qiao Mianmian's call.

"Mm, I decided to focus on preparing for pregnancy. But Mo Yesi suddenly told me that we don't have to be in such a rush to have a child anymore. It's fine to wait for another two to three years. So, I can continue working now.

"But it's better not to take on overseas jobs."

“Chairman Mo suddenly changed his mind?”

“Mm.”

“Why?”

“There’s no reason. Maybe he suddenly figured it out. Sister Xie, am I giving you a hard time? If...”

“There’s nothing difficult about it. Actually, I’ve arranged a lot of work for you previously. Because you said you wanted to take a long vacation, I planned to allocate your resources to other artistes. Since you’ve decided to come back, let’s continue on our previous schedule..”

Chapter 2734: Maybe He Suddenly Figured It Out

Qiao Mianmian hesitated. “Can we do that?”

“Of course. It isn’t easy to give away your resources. Not to mention anything else, just the endorsements for your advertisements are all from top-tier brands. The newbie I’m managing isn’t popular enough yet. Even if I want to give her the resources, the brands won’t agree. I was having a headache over this. I didn’t expect you to solve this problem for me.

“Let’s put it this way. I think Chairman Mo doesn’t want you to go too far away from him. I have a few commercials that I’m currently discussing in the country. If you’ve really decided to come back to work, I’ll sign them with the person in charge.”

“Alright, thank you.”

“Don’t stand on ceremony with me. See you later.”

...

Qiao Mianmian hung up and looked out of the window.

When they passed by a department store, she called the driver. “Uncle Li, stop here for a while. I’m going to the mall to buy something.”

Qiao Mianmian was going to see Jiang Luoli.

She wanted to buy some gifts for Yueyue at the mall.

Uncle Li slowed down and parked the car by the street.

“Young Madam, do you need me to go with you?” Uncle Li asked politely after parking the car.

Qiao Mianmian took out her hat and sunglasses from her bag and put them on. Then, she opened the door. “No need, I’m just going to buy some small things. I’ll be back soon.”

“Alright, Young Madam. Call me if you need anything.”

...

It wasn't the weekend, but this department store in the city center was still crowded. Qiao Mianmian had come to this department store several times before, so after she entered the elevator, she directly pressed the floor for women's and children's clothes.

Besides her, a few other people were in the elevator.

Thankfully, they were all aunts in their fifties or sixties. These aunts didn't usually chase after celebrities. Qiao Mianmian was standing very close to them, so no one recognized her.

Even if one or two of them took a few more glances at her, they only felt that her clothes were a little strange.

That was all.

Seeing that no one recognized her, Qiao Mianmian felt a lot more relaxed. She found a corner and quietly curled up, trying to lower her presence.

When she reached, she was alone in the elevator.

She walked out of the elevator and went straight to a shop that she'd bought from a few times.

A shop assistant immediately came forward to welcome her. "Hello, Miss. May I know what type of item you want to buy?"

"I'll take a look myself." Qiao Mianmian lowered her voice.

She didn't like being followed as she shopped.

This made her feel uncomfortable.

"Alright. Take your time, Miss. Let me know if you need anything." Thankfully, the shop assistant wasn't thick-skinned. After Qiao Mianmian rejected her, she didn't follow her anymore.

Qiao Mianmian shopped in the store for a while before finally picking two sets of clothes and some toys.

She was preparing to head over to the cashier to pay for them when she heard a familiar voice..

Chapter 2735: Why Are You Here?

"How could that be? I was bored at home today when I received your call. It's better to go out for a walk than to be alone at home."

"Is that so?" The familiar voice was full of smiles. "That's good, I'm just afraid you'll feel bored."

"Auntie, are you buying something for your granddaughter?"

"Mm, I want to see her tomorrow."

"But didn't Auntie say that your conflict with your daughter-in-law hasn't been resolved? If you go over, will she be unhappy and not let you meet your granddaughter?"

“Hmph, that’s the Mo family’s bloodline. As her grandmother, I have the right to meet her. What right does she have to stop me from seeing my granddaughter?”

“That’s true.”

Their voices were getting closer and closer to her.

Qiao Mianmian heard footsteps behind her and stopped.

“Eh?”

“What’s wrong?”

“Oh, this lady looks familiar. She looks a little like Aunt’s other daughter-in-law.”

“Let me see…”

A few seconds later.

“Qiao Mianmian?” A puzzled voice sounded. Before Qiao Mianmian could respond, the person standing behind her had already circled around her.

It was Madam Mo.

After all, she was her daughter-in-law.

Even though most of Qiao Mianmian’s face was covered, Madam Mo quickly recognized her.

Although Madam Mo was no longer dissatisfied with Qiao Mianmian’s family background after she was acknowledged by the Bai family, Qiao Mianmian always protected Jiang Luoli, causing Madam Mo, who didn’t like Jiang Luoli, to dislike her too.

Madam Mo’s gentle expression immediately changed when she recognized her.

Although her expression wasn’t cold, it definitely wasn’t good.

“Qiao Mianmian, it’s you. Why are you here?”

Qiao Mianmian glanced at her, then turned to look at Tang Ya, who was standing behind her, before looking back at Madam Mo.

She didn’t expect Madam Mo and Tang Ya to still be in contact.

And their relationship was obviously as good as ever.

Didn’t she know that Tang Ya was secretly targeting the Mo Corporation?

She didn’t seem to know.

“Mom, I’m here to buy some baby products.” Qiao Mianmian felt that Madam Mo was asking the obvious.

“Baby products? Who are they for, Jiang Luoli’s child?” Madam Mo couldn’t help but frown at the mention of Jiang Luoli.

Qiao Mianmian couldn't help but defend her best friend and rebutted Madam Mo in an unpleasant tone. "That's Big Brother's child, your biological granddaughter. Mom, why are you here too?"

Madam Mo's face stiffened. Just as she was about to speak, Tang Ya walked over and held her hand. "Auntie wants to buy something for her granddaughter. I didn't expect to meet Miss Qiao here.

"Miss Qiao bought these baby products for Miss Jiang too, right? Since we happened to bump into each other, why don't you help Auntie pick a gift? I heard that you and Miss Jiang are very good friends. You must know her well and know what to give her."

Qiao Mianmian turned to look at her and said calmly, "Miss Tang, you might have misunderstood."

Chapter 2736: Untitled

"I know her, but the gift is for her daughter. I don't know what her daughter likes.

"Since Miss Tang is accompanying me, I believe Miss Tang is more suitable to help me pick something like this."

Tang Ya's smile faded.

Qiao Mianmian didn't intend to deal with them for too long. She didn't care if Madam Mo was happy or not. Not bothering about her anymore, she handed a card to the cashier. "The bill, please."

The cashier couldn't help but steal a few glances at her.

After settling the bill, Qiao Mianmian took her card and was about to leave.

"Mom, I have an appointment. Since Miss Tang is accompanying you, I'll take my leave first." Qiao Mianmian took the bag and left.

Madam Mo was her mother-in-law in name, but Qiao Mianmian had long treated her as a stranger.

She was willing to do this because she cared about Mo Yesi and didn't want to ruin their relationship, but this didn't mean that she took Madam Mo seriously.

Madam Mo was furious that Qiao Mianmian didn't take her seriously.

Seeing this, Tang Ya comforted her gently. "Aunt, don't be angry. It might hurt your health. I think Miss Qiao really has something on. She probably has an appointment with Miss Jiang to see the child."

It was fine if Tang Ya didn't console her, but Madam Mo felt even angrier.

Qiao Mianmian was already at the door.

The cashier and a few other employees suddenly ran towards her. "Wait, are you Qiao Mianmian? We're all your fans, can you give us an autograph?"

Qiao Mianmian stopped in her tracks.

A few employees had already run up to her and were looking at her with sparkling eyes. The cashier stared at her for a few seconds before asking cautiously, "Are you Qiao Mianmian, the Qiao Mianmian who acted in 'If You Can't Love'?"

Qiao Mianmian looked at the excited shop employees and then took off her sunglasses.

The moment she did so, a few employees screamed excitedly. "Ahhh, you're really Qiao Mianmian. We're all your fans, we like you so much. W-Would you give us an autograph?"

Qiao Mianmian had always pampered her fans.

It wasn't too much to give a few fans autographs. She smiled and nodded. "Sure."

"Really?" They got excited again. "Then, then, can we take a picture with you? Just the few of us."

"Mm, sure. I can take a selfie with each of you." Since they were fans, she had to pamper them to the end.

"Wow, really? That's great."

"Mianmian, you're so nice to your fans. I'm so touched!"

"Mianmian, when will your new movie be released? We have to buy more movie tickets to support you."

Behind them.

After witnessing this scene, Tang Ya looked at Madam Mo's expression and casually said, "Miss Qiao is a big star now. So many people like her. She's really amazing.."

Chapter 2737: Perhaps I Have a Way

Madam Mo was already very dissatisfied with Qiao Mianmian entering the entertainment industry. Moreover, Qiao Mianmian had publicly embarrassed her just now. Hearing what Tang Ya said, she couldn't help but feel angry.

She sneered. "A big star? She's just an actress. Instead of being the Young Madam of a rich family, she entered the dirty entertainment industry and made people laugh at our Mo family. She's really good at bringing shame to the family."

"Aunt, don't say that. Miss Qiao is different from others. She's a celebrity. With the Mo and Bai families protecting her, even if the entertainment industry is dirty, she can't be dirtied. Moreover, even your son supports her. It's useless even if you don't agree."

Madam Mo was very angry when she heard that. "She and Jiang Luoli are both vixens who have bewitched my two sons. If it wasn't for them, would Yesi and Shixiu have fallen out with me?"

"I wonder what sin I've committed for God to send two vixens for my sons."

"Aunt, calm down first." Seeing that Madam Mo was so angry that her chest was trembling, Tang Ya patted her on the back and comforted her gently. "No matter what your two sons do to you, it's only temporary. After all, you're their mother. They'll definitely be filial to you."

"Filial to me? It's good enough that they didn't anger me to death." Madam Mo was getting angrier. "If I'd known that my two sons would be so unfilial, I wouldn't have given birth to them."

“Aunt, don’t speak out of anger.”

Tang Ya tried to appease Madam Mo, but her words only added fuel to the fire. “They were just confused. Aunt, everything you’ve done is for their own good. They’ll know it in the future.”

“In the future?” As expected, Madam Mo was even angrier. “We can’t even count on them now, what’s there to talk about in the future? As long as those two vixens are by their side, they won’t be able to wake up.

“Unless they can disappear from Shixiu and Yesi’s side.”

So what if Qiao Mianmian was the daughter of the Bai family?

Although the Bai and Mo families were indeed compatible, she wanted a good daughter-in-law.

Not a daughter-in-law who looked down on her.

She’d rather find someone with a lower status. As long as she was obedient, this daughter-in-law would be easier to control.

Tang Ya was shocked.

“Madam, perhaps I have a way...”

...

When Qiao Mianmian saw Jiang Luoli, she had just coaxed the baby to sleep.

“Didn’t I tell you many times? You can just come. You don’t have to buy gifts for Yueyue every time. Why did you buy so many again? You only bought a few clothes the last time, and Yueyue hasn’t even worn them. You bought more now.”

Jiang Luoli took the bag from Qiao Mianmian and looked at the pile of clothes and toys.

“Not much. I saw that the clothes in a shop were nice, so I picked two. I know Yueyue doesn’t lack them. I heard that the clothes and toys Big Brother bought for her are enough to open a few shops. But this is a little token from her godmother..” Qiao Mianmian sat down beside Jiang Luoli and looked around. “Big Brother isn’t home?”

Chapter 2738: Untitled

“Mm, he has something on. He just left.”

“Oh.” Qiao Mianmian thought about how she met Madam Mo at the shop and hesitated to tell Jiang Luoli.

It seemed like Madam Mo wanted to come over to see the baby.

But...

Jiang Luoli and Madam Mo were on bad terms now. If she came over, they might argue again.

She decided to say it.

“Luo Luo, I bumped into Madam Mo and someone else when I was shopping. She said she’s coming over to visit Yueyue soon.”

“She’s coming to see Yueyue?” Jiang Luoli was still smiling and peeling an orange for Qiao Mianmian. But in the next second, her smile vanished.

“Mm.”

“Someone else?” Jiang Luoli turned around. “Who are you talking about?”

“It’s a woman called Tang Ya.” Qiao Mianmian didn’t have any secrets with Jiang Luoli. She told her about Tang Ya working with the Shen Corporation to deal with the Mo Corporation.

A moment later.

Jiang Luoli was shocked. “So, Tang Ya’s target is the Mo family? What feud does she have with the Mo family? Her identity is so difficult to find out that even Mo Yesi can’t with the Mo family’s power.”

“Mm, it seems like her target is indeed the Mo family. As for the feud, I don’t know before I find out her identity. But she’s definitely not simple. Anyway, I felt uncomfortable the first time I saw her.”

Jiang Luoli’s expression was a little serious. “From what you said, this person is indeed not simple. Even the Mo family can’t find anything about her. Her background must be very powerful. I think it’s rather dangerous for someone with a powerful background and an unknown identity to deal with the Mo family.

“She must have ulterior motives for getting close to Madam Mo.”

“Mm.” Qiao Mianmian nodded. “I just don’t know what she wants. The Shen Corporation has already been acquired by the Mo Corporation, so she’ll definitely find a new partner. Such a dangerous person has now become Madam Mo’s good friend. I feel like she might be trying to do something through Madam Mo.”

“I think so, too.” Jiang Luoli agreed. “She definitely wants to use Madam Mo to do something. No, we can’t let Madam Mo continue interacting with her. Otherwise, I’m really worried about our safety.

“Baby, we have to let Madam Mo know that Tang Ya isn’t a good person.”

...

Qiao Mianmian accompanied Jiang Luoli for the whole afternoon. Mo Yesi came to pick her up after work, and they stayed for dinner.

In the car.

Qiao Mianmian looked out the window at the dark night sky and felt an inexplicable sense of unease.

This uneasy feeling came after meeting Tang Ya and Madam Mo.

“Mo Yesi, I bumped into Mom when I went to get a gift for Yueyue today.” Qiao Mianmian held back her uneasiness and looked out of the window.

“You bumped into Mom? She was at the shop, too?” Mo Yesi sounded calm.

“Mm, she seemed to be buying a gift for Yueyue too.”

“She bought a gift for Yueyue? Didn’t Big Brother forbid her from seeing Yueyue?”

“Although Big Brother doesn’t want her to meet Yueyue, she’s still Yueyue’s grandmother. She might want to see her granddaughter..”

Chapter 2739: Already Have Some Clues

“Then, what did you say? She went shopping alone?”

“I just greeted her and said a few words. She wasn’t alone. Tang Ya was with her.” Qiao Mianmian paused for a while before continuing, “Mo Yesi, shouldn’t you tell Mom about what Tang Ya did?”

“She’s still in contact with her. Won’t it be dangerous if she has bad intentions?”

“Tang Ya?” Mo Yesi narrowed his eyes.

“Mm, didn’t you say that Tang Ya is against the Mo Corporation? If she has a feud with the Mo family and she’s deliberately approached Mom, I really don’t know what terrible thing she will do.”

Mo Yesi kept quiet for a while. “I’ve told Mom about Tang Ya, but she doesn’t believe me. She trusts Tang Ya now. No matter what we say, she’ll think that we’re defaming Tang Ya.”

“She knows about Tang Ya and still wants to keep in touch with her?” Qiao Mianmian found it unbelievable. “She doesn’t even believe you?”

“She feels that Big Brother and I have forgotten about her and have many complaints about us. In addition to Grandma and Dad, she feels that the whole family is targeting her and making her angry. This is the easiest time for her to trust others.

“Tang Ya is the person she trusts the most now. Even if Big Brother and I tell her about Tang Ya secretly attacking the Mo Corporation, she’ll only think that we’re framing her.”

Qiao Mianmian was speechless.

She didn’t even trust her own sons, but trusted an outsider so much?

She really couldn’t understand Madam Mo’s thoughts.

But this also proved that Tang Ya was a dangerous person.

And such a person wanted to deal with the Mo Corporation.

Even though Qiao Mianmian knew that the Mo family was very powerful and that Mo Shixiu and Mo Yesi weren’t people that others could easily deal with, she was still worried.

“Mo Yesi, is this Tang Ya so powerful? Can’t you find out her true identity?”

“It’s not impossible.”

The traffic light turned red, and Mo Yesi stopped the car. He turned around and saw Qiao Mianmian's uneasy and worried expression. He gently held her hand. "Don't worry. No matter who she is, no matter what her motive is, she won't succeed."

"We already have some clues about her true identity. We'll be able to find out in a while."

Qiao Mianmian looked up. "What clues?"

"We've already found out where her power base is located. We'll know who she truly is as long as we investigate properly."

"Really?" Qiao Mianmian heaved a sigh of relief. "We'll be able to find out her true identity soon?"

Chapter 2740: We Have to Take Our Wedding Photos

"Mm, so you don't have to worry." Mo Yesi patted her head. "Even if she really has an impressive identity, this is Yuncheng City, where the Mo family's power lies. She won't be able to do anything here."

"Then, Mom..." Although Qiao Mianmian felt more at ease after hearing what he said, she was still worried when she recalled that Madam Mo was still with Tang Ya.

Madam Mo trusted Tang Ya so much.

She was afraid that Tang Ya would use her to deal with the rest of the Mo family.

This was indeed a problem.

Mo Yesi frowned.

Madam Mo left the Mo family after a huge fight with Mo Yunchen that night.

She hadn't gone back until now.

Based on Madam Mo's personality, she shouldn't be able to last this long.

But this time, she didn't go home for months.

This must have had something to do with Tang Ya.

Qiao Mianmian was afraid that Madam Mo would be brainwashed by Tang Ya and would even harm her own family.

Mo Yesi kept quiet for a while before saying, "I'll talk to Mom tomorrow."

Qiao Mianmian nodded.

Letting Mo Yesi or Mo Shixiu talk to Madam Mo was the best solution.

If Madam Mo still refused to listen to them and insisted on interacting with Tang Ya, then there was no other way.

"Oh right, I called Sister Xie today and got her to take on a new job for me." Qiao Mianmian glanced at Mo Yesi's expression as she spoke. Seeing that his expression was still the same and didn't show any

unhappiness, she continued, "Sister Xie said that she accepted two commercials for me, and I have to go to F City to shoot them in two days. It might take three to four days."

"F City isn't too far from Yuncheng City." Seeing how careful and afraid Qiao Mianmian was and he would get angry, Mo Yesi smiled and said gently, "I can spare some time in a few days. I'll send you there."

"You're sending me?"

"Mm, I'll send you. I'll stay in F City for a day, then return to Yuncheng City. I'll pick you up after your work over there is over."

"Won't this be troublesome? You don't have to pick me up. It's just a two-hour flight. Just pick me up at the airport."

"It's no trouble." Her hair was smooth and soft, Mo Yesi couldn't help but touch it a few more times. "I'm going to pick up my wife, what's the trouble? Or, do you not want me to pick you up?"

"No." Qiao Mianmian immediately said, "If you have time and you don't find it troublesome, you can pick me up if you want."

"After you finish filming the advertisement, come over for a few days. Don't take up another job immediately."

"Mm, I know." Qiao Mianmian nodded obediently. "I'll rest for a few days and accompany you at home."

"I'm not asking you to accompany me at home." Mo Yesi chuckled and looked at her lovingly. "Baby, before the wedding, we have to take our wedding photos."

"Wedding photos?" Qiao Mianmian was stunned.

"We haven't taken our wedding photos, and I haven't officially proposed to you. I've said it before, we have to perform all the proper rituals. What we didn't have previously, we have to make up for it now." Mo Yesi looked at her deeply, as if he wanted to suck her in. "I can't let you follow me like this.

"If we don't perform these basic rituals, others will say that I don't value you.."
