

## Big Shot 2741

### Chapter 2741: So Rich and Willful

“We didn’t do it before because I promised you not to publicize our relationship for the time being. Now, we don’t have to hide our relationship from anyone anymore.”

Qiao Mianmian was stunned for a while.

Mo Yesi had told her that they would hold their wedding after she was done filming.

She almost forgot something so important.

Although Qiao Mianmian had almost forgotten about the wedding, it didn’t mean that she didn’t value it.

She and Mo Yesi had already confirmed that they were husband and wife, but she was still looking forward to their wedding.

It should be said that every girl looked forward to their wedding. They would imagine what it would be like and what their wedding day would be like.

Qiao Mianmian quickly got back to work.

Linda accepted a skincare product advertisement and a watch advertisement for her. These two brands were top-tier, and their previous spokesperson was also a big-shot celebrity.

Logically speaking, although Qiao Mianmian was very popular and an A-list artiste now, her qualifications were too shallow. These two endorsements wouldn’t land on her so easily.

But she had two other identities besides being an A-list celebrity.

One was the daughter of the Bai family.

The other was the Second Young Madam of the Mo family.

These two brands had previously collaborated with the Bai and Mo Corporations, so when a new spokesperson for the new season was going to be decided, the first person they thought of was Qiao Mianmian.

On one hand, Qiao Mianmian’s current popularity was very high, and her ability to carry goods must be very good. Signing her would increase their sales.

On the other hand, it was also a good way to form a good relationship with the Bai and Mo Corporations to facilitate future cooperation.

Both companies were big shots in Yuncheng City.

Qiao Mianmian told Linda that Mo Yesi would send her to F City.

Linda expressed her envy and jealousy before asking, “Then, should I book an extra first-class ticket? Or are you and Chairman Mo not coming with us? Are the two of you going to F City by yourselves?”

“I haven’t asked him yet. Wait a minute, I’ll ask him.”

Qiao Mianmian sent Mo Yesi a WeChat message asking him about this.

Qiao Mianmian: [Sister Xie just asked me, are we going with them or alone?]

Mo Yesi replied quickly and simply: [Together.]

Qiao Mianmian: [Then, should we book the tickets, or should we get her to?]

Mo Yesi: [No need.]

Qiao Mianmian was speechless.

Mo Yesi quickly sent another message: [There’s a private plane.]

Qiao Mianmian: [!!!]

Mo Yesi: [What’s wrong?]

Qiao Mianmian: [It’s only two hours, do you need a private plane?]

Wouldn’t it be a waste of money!!

Mo Yesi: [What has it got to do with time? Isn’t it good to take a private plane?]

Qiao Mianmian was speechless.

Of course, it was good to take a private plane. It was big and spacious, and there was everything inside. The entire time, they enjoyed a five-star treatment.

She flew back from Country Y on a private plane. She didn’t feel uncomfortable at all for the 10-hour flight.

After all, they ate well and rested well.

A moment later.

Qiao Mianmian told Linda about Mo Yesi’s decision.

Linda was silent for a full two minutes. When Qiao Mianmian thought that she had disconnected, she finally sighed and said, “Chairman Mo is really rich.”

...

On the day of the trip.

Linda was sitting in the luxurious private plane, enjoying the steak cooked by the international chef. She took a sip of the red wine that was worth hundreds of thousands of yuan and looked at the fruits and snacks on the table. She couldn’t help but post a photo on Weibo.

Call me Miss Lda: [It’s not like I’ve never sat in a private plane before, but this is the first time I’ve sat in such a luxurious one. I’m on Chairman Mo’s private plane with Young Madam Mo.. At this moment, I just want to say: poverty limits our imagination. People can be very willful with money!]

## Chapter 2742: Shameless!

Soon, some netizens noticed Qiao Mianmian and Mo Yesi in the bottom-right corner of the photo.

Normally, it wouldn't be discovered unless it was enlarged.

But if one was more careful and enlarged the photo, they could see them sitting in the front row opposite Linda.

In the photo, Mo Yesi seemed to be feeding Qiao Mianmian something.

The way the handsome man looked at her was so gentle and loving.

The netizens went crazy.

"I enlarged the photo just now. Is this how Qiao Mianmian and Mo Yesi usually interact? It's too sweet."

"I advise all of you not to upload the photos. Otherwise, you won't even know how you got abused. Of course, if you like dog food, pretend I didn't say anything."

"Boohoo, it's so sweet. And the way Mo Yesi looks at Qiao Mianmian is so loving. It's said that you can't hide the look in your eyes when you like someone. I believe it now. I feel like Mo Yesi really loves Qiao Mianmian."

"Their relationship is already very good. Have you seen any scandals between Mo Yesi and any woman? My friend working at the Mo Corporation told me that Mo Yesi treats Qiao Mianmian especially well. Every time she goes there, Mo Yesi will get his secretary to prepare her favorite snacks in advance. If it isn't because he loves her, would he take her so seriously?"

"I heard that Mo Yesi is accompanying Qiao Mianmian because she's going to F City to shoot an advertisement. Ahhh, I'm so envious of Qiao Mianmian. Not only is her husband rich, but he's also very handsome and treats her so well. What a wonderful husband. So many female celebrities in the entertainment industry married into rich families, but she's definitely the best."

"I also think that Qiao Mianmian is the best among all the female artistes who married into rich families. But other than being a female celebrity, she's also the daughter of a rich family. Marrying Mo Yesi is a good match, unlike those female celebrities who lower their stance and curry favor with their husbands after marrying into rich families."

...

At this moment.

On a plane to Yuncheng City.

Before the plane took off, a sexy woman in sunglasses and curly hair was sitting by the window.

She looked down at her cell phone and saw the Weibo page.

Her gaze landed on the trending topic.

# Qiao Mianmian's Manager's Photo for Mo Yesi #

# Qiao Mianmian and Mo Yesi Showing Their Love #

The woman stared at the two trending topics for a while, then her aura turned cold. Even the man sitting beside her felt the abnormality. He turned to look at her and asked, "What's wrong? What are you looking at?"

The woman didn't say anything. She pursed her lips and opened the second trending topic.

A moment later.

She threw her cell phone to the side and cursed. "B\*tch, shameless!"

"Who are you scolding? Why did you smash your cell phone?" The man looked at her strange behavior and picked up her cell phone. Then, he swiped the screen and saw the Weibo post she was reading.

A few seconds later.

The man's expression turned cold.

He took a deep breath and threw the cell phone to the woman. "Why are you scolding Mianmian?"

#### **Chapter 2743: Even If He Knew She Was a Fake**

"Why are you scolding Mianmian? Are you upset to see her living well? I thought you'd have become more mature and sensible after spending so much time outside.

"I didn't expect you to still be so impatient."

"Upset?" The woman seemed to be agitated by his words. She turned around and sneered at him. "Su Ze, am I upset, or do you feel worse? Do you think I don't know that you haven't given up on Qiao Mianmian?"

"You must be upset to see how loving she is with another man."

"Qiao Anxin, you..." The man's expression darkened.

"My name is Jiang Xinyue, not Qiao Anxin." The woman took off her sunglasses, revealing a beautiful face. She narrowed her eyes and said fiercely, "Don't call me by the wrong name in the future. The person you mentioned has already died. In the future, there's only Jiang Xinyue in this world."

The man stared at the unfamiliar face in front of him and recalled her previous appearance. He stared at her for a while and sneered. "You look like a different person now.

"I wouldn't have recognized you if I didn't know who you are.

"I hope you didn't spend all that money for nothing. This time, I convinced the higher-ups to spend a huge sum to sign you. If you can't create considerable benefits for the company, I'll be implicated by you."

"Hmph, don't worry. As long as you have enough resources, I'll be able to earn that money back soon."

“I hope so.” Su Ze looked at her again and felt that the plastic surgery was too good. She was obviously the same person, but after all the plastic surgeries, she could actually look like another person.

He slept with Qiao Anxin for two years.

But if he hadn't known that she had gone through plastic surgery, he would never have thought that this woman who looked so much like Qiao Mianmian was the Qiao Anxin of the past.

Su Ze looked at her face and was confused.

Ever since Qiao Anxin underwent plastic surgery, even though he knew who she was, Su Ze was still mesmerized by her face.

Qiao Anxin looked too similar to Qiao Mianmian.

She was comparing herself to Qiao Mianmian.

Although she wasn't as pretty as Qiao Mianmian, nor did she have Qiao Mianmian's temperament, and was at most a high-end imitation, she was still pretty.

She looked much better than before.

Su Ze hated Qiao Anxin.

If it wasn't for her lies, he wouldn't have broken up with Qiao Mianmian. Every time he thought of this, his hatred for Qiao Anxin was brought to the forefront again.

But now...

Su Ze couldn't find it in himself to hate this face.

Qiao Anxin looked up and met Su Ze's confused gaze. She smiled mockingly and touched his face. “Su Ze, do you think I look good now? Do you like my face?”

Her voice was charming and sweet.

Even their voices were similar.

Su Ze was stunned.. He wanted to mock her, but he couldn't bring himself to.

#### **Chapter 2744: Do You Like It Here?**

Qiao Anxin smiled again. “Isn't my face especially similar to Qiao Mianmian's now? I know that you like my face even if you don't say anything. Your eyes tell me everything. Su Ze, you're obsessed with my face, right?”

Su Ze was a little embarrassed by her words. He looked away, but he couldn't help but sneer. “So what if you look alike? It's still fake in the end. Don't overthink it. I'm not interested in high-quality imitations at all.”

“Haha, a high-quality imitation?” Qiao Anxin was angered by his words. She gritted her teeth and sneered. “Then, weren't you captivated by my high-quality imitation just now? If you're really not interested, why did you stare at my face for so long?”

“Su Ze, don’t think you’re so great. We’re not any nobler than each other now. Do you think others can look down on you just because you look down on me? Do you think you’re still the Young Master Su that everyone treats kindly wherever you go?”

“Don’t forget, the Su Corporation has long been acquired by the Mo Corporation. You’re still working for the Young Master Gong, relying on him to give you a meal!”

Su Ze turned around and glared at her. “You...”

“What about me? Am I wrong?” Qiao Anxin wasn’t afraid of him at all. She smiled mockingly and continued to add fuel to the fire. “Su Ze, look at yourself. Ever since you fell from grace, who else in your circle is willing to continue interacting with you?”

“Only me...” Qiao Anxin didn’t seem to notice Su Ze’s increasingly awful expression. She smiled and leaned closer to him, her breath landing on his face. She looked at Su Ze’s eyes, which were gradually becoming infatuated again.

“Su Ze, you only have me by your side now. So, don’t look down on me. We’re on the same boat now. Only by working together can we get better in the future.”

She caressed Su Ze’s handsome face and smiled. “I need you to make me popular. I want to take back everything that once belonged to me.”

Including the man she couldn’t forget.

...

Qiao Mianmian stayed in F City for three days. After the advertisement, she flew back to Yuncheng City.

She had promised Mo Yesi that she would spare a few days to take their wedding photos. After resting for a day and recovering her energy, Mo Yesi took her overseas.

The location he had chosen to take their wedding photos was a beautiful island.

The island was decorated as beautifully as a fairytale. It was enough to satisfy Qiao Mianmian’s heart.

“Mo Yesi, this place is so beautiful.”

There was a white castle on the island. Qiao Mianmian stood on the highest level and looked down. It was sunset, and the sky seemed to be burning. The orange sky reflected into the sea, making it look like it was burning from afar.

The sea breeze blew against her face.

Behind her, the man’s warm and firm chest pressed against her back, and his arm wrapped around her slender waist. His low and alluring voice was accompanied by the sea breeze. “Baby, do you like it here?”

“Mm, I like it!” Qiao Mianmian’s eyes sparkled. “This place is too beautiful, I like it so much.. Mo Yesi, how did you know about this place?”

**Chapter 2745: Mo Qiao Island**

The man behind her chuckled. "I knew you'd like it. Baby, if you like it, I'll give you this island, alright?"

"For me?!" Qiao Mianmian was a little shocked. She turned around with wide eyes and looked at the man behind her. "W-What does this mean?"

"The literal meaning, of course." Mo Yesi lowered his head and rubbed it against her forehead. "This island was originally bought for you. Didn't you say that you liked the place by the sea? This island is surrounded by the sea. No matter where you look, you can see the sea on all sides.

"And this castle, I remember you saying that you like castles. Everything here was arranged according to your preferences. Of course, the facilities aren't fully operational. I just got someone to decorate it. In the future, you'll be the mistress of this island. Whatever you like and want to add is up to you."

Seeing that he wasn't joking, Qiao Mianmian murmured dreamily, "You've already bought this island?"

"Mm."

"You're giving me this island?"

"Mm."

Mo Yesi looked at her dazed expression and pinched her cheek. "What? You don't like it? Aren't you happy that I gave you this island?"

"No, I like it, I really like it," Qiao Mianmian murmured. "I'm also very happy. But I'm too shocked."

"Mm? What are you shocked about?"

"I never thought you'd give me such a beautiful island." Qiao Mianmian felt like she was dreaming. "Mo Yesi, are you really giving me this island?"

Mo Yesi was amused. "Do I look like I'm lying? Or do you think your husband can't even afford a small island?"

"Then, I'm the owner of this island from now on? This island is mine?" This was the first time she received such a special gift. This was more surprising than any expensive jewelry or luxury cars.

This was an island!

In the future, the entire island would belong to her, Qiao Mianmian!

This was too cool.

Seeing how happy she was, Mo Yesi smiled and said, "Mm, you'll be the owner of this island in the future. You can name it."

"I can I name it?"

"Of course."

“Let me think about it.” Qiao Mianmian was excited. She tilted her head and thought for a while. Then, she tugged at his sleeve and looked up at him with sparkling eyes. “Then, let’s call it Mo Qiao Island, alright?”

“Mo Qiao Island?” Mo Yesi instantly understood the meaning of this name. The man’s eyes seemed to have fallen into a sea of stars as he looked at the woman in his arms affectionately and gently. “Alright, this island will be called Mo Qiao Island in the future.”

“Mo Yesi, can we stay here for a few more days?”

“Of course.”

“Can we come to this island every year for a few days?”

“Of course. This is a vacation island for you.”

“I want to plant a large patch of tulips on the island. Is that alright?”

“You can plant anything you want. This is your island, you have the final say.”

“Then, we’ll get an orchard and a vegetable garden. We can eat fresh fruits and vegetables when we come over in the future.”

“Alright.”

...

After Qiao Mianmian and Mo Yesi took their wedding photos, they stayed on Mo Qiao Island for a few more days.

They returned to Yuncheng City a week later.

### **Chapter 2746: A Little Amorous**

When she returned, Linda picked up a variety show for her. It was to be filmed in C City, three hours away from Yuncheng City.

The shoot wasn’t long, just half a month.

Moreover, Zhan Bo and Qin Han would also be attending this variety show.

When Linda told Qiao Mianmian about this, Zhan Bo asked her on WeChat.

Master Zhan: [Mianmian, my manager told me that you’ll be participating in this episode’s “My Intern Parents”. Is that true?]

“My Intern Parents” was a variety show focused on children.

An intern’s parents, as the name implied, were the production crew inviting a few pairs of guests each episode. Then, they would assign a child to each pair of male and female guests, letting them bear the responsibility of temporary parents.

Every pair would receive some missions, and the results would depend on their performances. The artistes invited by the production crew would be given marks, and the highest group would receive a reward. The lowest group would be punished.

“My Intern Parents” had already been filmed several times, and the ratings for each episode were very good.

Hence, the invited guests were mostly popular artistes.

Qiao Mianmian had seen this variety show before. It focused on family warmth and happiness. The focus was on how parents interacted with their children. There were rarely ambiguous relationships.

For Qiao Mianmian, who had been preparing for pregnancy for a while, this sort of show could really let her experience life after having a child.

After this episode, she would definitely have some experience in raising children. In the future, after she had her own child, she wouldn't be so flustered and not know where to start.

Qiao Mianmian felt that she really had to participate in this variety show.

Hence, she agreed without discussing it with Mo Yesi.

When she saw Zhan Bo's message, she replied: [Mm, it's true. Sister Xie told me you'll be there, too?]

Master Zhan: [I didn't want to go, but since you're going, I'll go too.]

Qiao Mianmian: [What has it got to do with me? You're making it sound like you're not going if I don't go.]

Master Zhan: [It's true. If it wasn't for you, I wouldn't have agreed.]

This was rather ambiguous.

Thankfully, Mo Yesi wasn't by her side and didn't see these words. Otherwise, that jealous lover would definitely be jealous again.

Then, she'd have to coax him for a long time.

Qiao Mianmian: [You're not going if I don't go? What about your previous variety shows? I didn't participate in them, why did you still go?]

Master Zhan: [It's different this time. You know that my manager doesn't like female artistes trying to get together with me. This kind of parent-child show must have a pair of parents at the last minute. The other female artistes are still single, so it's definitely risky to form a team with them. But you're married. No one will try to CP us with I form a team with you.]

Qiao Mianmian was speechless.

So, he was using her to avoid danger.

Master Zhan: [Of course, it's not entirely because of this. It's not so boring to have acquaintances together. We can play together again.. Let me tell you, my jungling skills are soaring now, I can definitely bring you along when the time comes!]

## Chapter 2747: She Should Keep a Low Profile

Qiao Mianmian thought about his stingy actions and was very suspicious. [Your skills are soaring? Are you sure? It can't be another fierce operation with a score of 0-5-0.]

Master Zhan: [You can doubt my personality, but you can't doubt my skills. Come, come, come online now. Let me show you what high-end operations are!]

Qiao Mianmian ignored him and replied casually. She then sent Linda a WeChat message asking her to send her some details about "My Intern Parents".

She learned from her that this variety show didn't have a script.

It was different from before.

It was much easier to record a variety show with a script.

Without a script, they had to perform on their own.

It was easy to expose an artiste's true self.

This situation was both good and bad.

On the good side, some artistes could rely on their true personalities to gain points.

The bad side was that some artistes would ruin themselves.

Qiao Mianmian knew that an artiste with a good reputation had lost a lot of fans after going on the show. He even lost some good resources.

Hence, the netizens called this variety show the "demon mirror."

...

When Mo Yesi returned from work, Qiao Mianmian told him that she was going to appear in "My Intern Parents" in a few days.

Mo Yesi agreed to let her join the variety show after finding out that "My Intern Parents" was a parent-child variety show.

"When are you going? I'll get Wei Zheng to empty the schedule for that day. I'll send you there."

"You don't have to send me. It's just a three-hour drive. And..."

"And what?" Mo Yesi changed into a gray casual outfit and walked out of the changing room. He walked behind Qiao Mianmian and pulled her into his arms. "It's not too far, so it's convenient for me to send you there."

"You can also take a look at the environment for the recording. If it's similar to the place you went to last time, then don't record it. Come back with me directly."

Mo Yesi frowned when he thought of the small village Qiao Mianmian went to previously.

He would never let her go to such a remote place again.

“It isn’t in a village. It’ll be recorded in C City.” Qiao Mianmian was also traumatized by the mountain village she’d been to previously, so she specially asked Linda where the show was being filmed. She wouldn’t dare to go if it was a remote place.

She didn’t want Mo Yesi to send her to C City because the way they filmed this show was different.

Previously, they had recorded a portion of it before editing it and broadcasting it.

And this time, it would be a live stream on Weibo.

The other artistes would go on their own. If Mo Yesi sent her, the netizens would definitely say that they were showing off their affection.

Moreover, she felt that with Mo Yesi’s personality, he definitely wouldn’t like to be filmed.

“Then, why don’t you let me send you?” Mo Yesi lowered his head and smelled the fragrance in her hair. “I was afraid that others would know about our relationship before. What’s there to be afraid of now?”

“Because...”

Qiao Mianmian was about to tell him the reason when she felt a warm breath by her ear. The man’s low voice became a little hoarse.. His warm lips were almost against her earlobe as he whispered, “You showered? You smell so good.”

#### **Chapter 2748: Related to Country F**

Qiao Mianmian was speechless.

They had been married for so long, how could she not understand this hint?

She nodded. “Mm, I just took a shower.”

“No wonder it smells so good.” The sexy lips by her ear moved down slowly.

“Mo Yesi...” Qiao Mianmian’s ears went soft. “You haven’t showered.”

“Mm.”

The next moment, Qiao Mianmian was carried up horizontally. Her body swayed, and she hurriedly wrapped her arms around his neck.

Mo Yesi turned around and strode towards the bathroom.

Recalling what happened in the bathroom before, Qiao Mianmian’s legs went weak and her heart started racing. “Mo Yesi, we haven’t had dinner. We...”

The man had already pushed open the bathroom door. “Eat later. We have more important things to do now...”

...

Two hours later.

Mo Yesi got the housemaid to bring dinner to the bedroom.

Qiao Mianmian lay on the bed weakly. She was so tired that she didn't even want to move her fingers. Mo Yesi fed her every bite.

The man was too energetic. After two hours of torment, only Qiao Mianmian was exhausted, but he still looked energetic.

After the meal, Qiao Mianmian started to feel sleepy.

"Sleepy? Go to sleep first." Mo Yesi was still very energetic in his black bathrobe. He didn't look sleepy at all. Seeing that Qiao Mianmian was so sleepy that she couldn't even open her eyes, he reached out to touch her head and pulled the blanket over her.

"Aren't you going to sleep?" Qiao Mianmian was really sleepy. She yawned widely and mumbled weakly.

"I have something on, so I'll be in the study for a while. Go to sleep first, I'll leave when you're asleep."

"Oh, alright. I'll sleep first, then." Qiao Mianmian was really too sleepy. She forced herself to say a few words to him and then slowly closed her eyes. Her voice got softer and softer. "Mo Yesi, good night."

"Mm, good night, Baby." Mo Yesi kissed her on the forehead. "Good dreams."

...

After Qiao Mianmian fell asleep, Mo Yesi tucked her in and left the bedroom.

He walked out of the bedroom and closed the door before receiving a call from a subordinate.

A respectful voice came from the other end of the line. "Chairman Mo, I have some detailed information on the matter you asked me to investigate."

Mo Yesi paused. "Speak."

"We've already found out the main members of the most powerful families in Country F. After elimination, we can now confirm that the woman called Tang Ya is related to the royal family of Country F."

"Continue."

"Yes. A few days ago, during our investigation, we unintentionally obtained a very important piece of information. A female star from Country F attended a birthday party of a member of the royal family. She sang for the royal family member, Duke Henry, and even took a picture with him and his wife.

"In the photo was a woman who looked like Tang Ya.."

#### **Chapter 2749: Continue Investigating**

When he reached the study room, Mo Yesi got a housemaid to make him a cup of coffee and then sat down at the desk. "Who's her?"

“She’s Duke Henry’s wife. I heard that she used to be a housemaid. After half a year, she married him and became his wife.

“She’s very doted on by Duke Henry. After marrying him, the Duke even built a castle and manor for her and even gave her countless expensive gifts. But after being married to the Duke for less than two years, the Duke fell seriously ill. Before he died, he announced that he’d leave all his inheritance to her alone.

“Duke Henry was extremely rich. After inheriting the duke’s inheritance, she became the youngest and richest woman in the royal family.

“Although we can’t be completely sure that Tang Ya is the Duchess, the possibility of them being the same person is very high. If Tang Ya is the Duchess, then the source of the money she used to fund the Shen Corporation is very reasonable.

“And we also found out that the Duchess hasn’t been in Country F recently.”

Mo Yesi’s eyes turned cold. After a moment of silence, he said, “Continue investigating. Find what she did before she became Duke Henry’s housemaid.”

“Yes, Chairman Mo. Oh right, Chairman Mo, we found out that the Duchess has a son who just turned three this year.”

“Get someone to keep an eye on her son.”

“Yes.”

The call ended.

Mo Yesi got up and looked out the window.

Duchess...

The Mo family and the royal family of Country F. One was a prominent family in Country A. The other was the royal family of Country F. The two families had always minded their own business.

The Mo family and Duke Henry’s family had nothing against each other.

Based on the information they had gathered, it was almost certain that Tang Ya was the Duchess.

If they were really the same person...

So, what kind of feud could Tang Ya have with the Mo family?

The fact that she could leave Country F under disguise and stay in Yuncheng City for so long showed that her feud with the Mo family wasn’t ordinary.

This person was indeed very dangerous.

But no matter how dangerous she was, he wouldn’t let her hurt anyone around him.

Even if she really was the Duchess, as long as she dared to lay a hand on the Mo family, she wouldn’t be able to escape unscathed.

...

The next day, the official Weibo account of “My Intern Parents” announced the guests for the next episode.

There were three new couples.

Besides Qiao Mianmian, Zhan Bo, and Qin Han, the other three guests were two newbies and a famous swimmer.

One of them was Xu Min’er, and the other was Zhizhi.

The swimmer was called Xie Heng. He had won countless gold medals and was considered a national treasure. Most importantly, Xie Heng could debut as a celebrity in terms of looks and figure.

Hence, although he was an athlete, he had quite a number of female fans.

Generally speaking, athletes weren’t allowed to participate in these types of variety shows.

But for a popular athlete like Xie Heng, he had a mission to attend a variety show. While he could increase his popularity on the show, he could also help promote his swimming team. Hence, he was specially allowed to participate in some variety shows.

When the guest list was out, the comments section became very enthusiastic.

“Wow, Zhan Bo is also participating? Then, I have to watch this episode!”

“There’s actually Qin Han. The production crew is so impressive to be able to invite him.. I thought he wouldn’t be participating in these variety shows.”

### **Chapter 2750: These Fans Are Too Much**

“Wow, so many of the invited guests this week are my favorites. The lineup is so attractive.”

“Hahaha, I can see Qiao Mianmian and Zhan Bo being funny on the show again.”

“I’m so happy to see Xie Heng. I really like him!”

“Wow, the invited guests for this episode are great. They’re all my favorites. I feel like this episode will definitely be super good. I’m looking forward to it!”

After the official Weibo account of “My Intern Parents” announced the guest recording for the next episode, the invited guests all reposted it.

Qin Han: [It’s my first time doing a variety show. I’m a little nervous. I hope I won’t disappoint everyone.]

Zhan Bo: [I only have one request for this show. I hope that the tasks given to me won’t be too difficult.]

Xie Heng: [I’m very honored to be invited as a guest for the next episode of “My Intern Parents”.]

Xu Min’er: [Baby, you have to lock onto the next episode of “My Internal Parents”.]

Zhizhi: [Sigh, I’m so happy to be able to record this episode with so many seniors.]

Qiao Mianmian reposted it too: [I'm looking forward to it, but I'm also a little afraid. I hope I can be a qualified intern mother.]

After she reposted it, her fans mocked her in the comment section.

Baby Qiao: [Hahaha, Mianbao, are you afraid that you don't know how to take care of children?]

Mianbao's Little Wife: [Mianbao will have experience in raising children after this episode. I can consider having a baby with Chairman Mo when I get back!]

Mo Qiao's CP remained the same for a hundred years: [Why would Mianmian suddenly participate in this show? Is she really planning to have a baby with Chairman Mo! Mianmian and Chairman Mo are both so good-looking, you have to have more babies. Otherwise, it'll be a waste of your exceptional genes!]

The comment section was filled with comments asking Qiao Mianmian and Mo Yesi to have more babies.

Some even said that Qiao Mianmian had to go through menopause.

Qiao Mianmian: "..."

The fans were too controlling.

They tried to control the world, and now they were even trying to control her childbirth.

What was worse was that they said she had to give birth to eight or ten children.

Qiao Mianmian didn't know that not only were her fans making a furor on her post, but they were also rushing Mo Yesi's Weibo.

A bunch of fans posted on Mo Yesi's Weibo account, asking him when he was planning to have a baby with Qiao Mianmian.

When Qiao Mianmian found out that her fans actually went to Mo Yesi's Weibo to urge him to give birth, she was angry and amused.

She thought Mo Yesi was going to complain to her.

Unexpectedly, the man smiled and said, "Your fan's suggestion isn't wrong. With good genes, we should have a few more children."

Qiao Mianmian couldn't believe her ears. "Mo Yesi, you actually agree with them? Don't tell me you really want me to give you more children?"
