

Big Shot 2761

Chapter 2761: Just Qiao Mianmian

She woke up just in time.

She solved their problem in time.

If she slept for a few more hours, they might really have to stop the live stream.

Mo Yesi doted on his wife too much.

There were many loving couples in the entertainment industry. Some female celebrities who married into rich families often brought their husbands out to show their affection. Outsiders who didn't know them would think that their relationship was really good.

But only the people in the industry knew that nine out of ten couples were putting on a show for others.

The entertainment industry was too chaotic.

Because there were too many handsome men and beautiful women, the temptation was much greater compared to ordinary people.

Moreover, these handsome men and beautiful women often filmed intimate scenes together, so it was inevitable that they would have a lot of physical contact during filming. Hence, it wasn't uncommon for celebrities to fall in love, and it was even more common for couples to form in the crew.

The so-called crew couple lived together like a couple during the filming period, and they would go home after the filming ended.

Most of them had families.

But to outsiders, they were still good husbands and good wives, a loving family that ordinary people envied.

As for the female celebrities who married into rich families, it wasn't a secret that their husbands kept mistresses outside.

But Mo Yesi and Qiao Mianmian were so loving.

Especially Mo Yesi.

This man was an absolute exception among all the rich husbands.

He wasn't interested in having fun.

He was even less interested in women.

They heard that before he met Qiao Mianmian, he was so distant from women that people thought he liked men.

Hence, anyone could go out and mess around. But it was impossible for him.

It was rare for a rich, handsome, clean, and dedicated man like him to work.

Not to mention the wealthy circle.

Moreover, he doted on his wife so much.

Although they were men, they were envious of Qiao Mianmian now.

The best female celebrity in the entertainment industry was Qiao Mianmian.

Unlike other female celebrities, who married old men who could be their father or were ugly, her husband was not only rich but also good-looking.

Mo Yesi's looks, figure, temperament...

Not to mention those rich playboys who only knew how to eat, drink, and play with women, even the new celebrities in the entertainment industry couldn't compare.

But not everyone had such good fortune.

Qiao Mianmian was the only one in the entire entertainment industry.

"Miss Qiao, it's alright. We just got out of the car." The crew member raised the camera and said, "We've already arrived at the accommodation arranged by the production crew. Miss Qiao, you can grab your luggage first and then sign it."

Qiao Mianmian nodded.

Mo Yesi turned around and took her luggage out from the backseat. She didn't have much luggage, but it was full.

There weren't many clothes in the luggage, just some food.

Afraid that she wouldn't be used to the food in C City, Qiao Mianmian bought a lot of hot pot packets and some fast food. Just the food alone took up one-third of the luggage..

Chapter 2762: This Couple's Relationship Is Really Good

The number of viewers decreased when Qiao Mianmian was sleeping.

But the number increased again when she woke up.

The live stream was very lively.

"Wow, Chairman Mo dotes on Qiao Mianmian too much. Did you see that scene just now? In order to let Qiao Mianmian sleep a little more, he got off the car and waited outside, not allowing the crew members to wake her. This is too sweet. Old Aunt's maiden heart is about to burst out."

"I feel like Qiao Mianmian is Chairman Mo's little princess. Chairman Mo really pampers her!"

"It's another sour lemon day."

“Am I the only one who feels that Mo Yesi’s actions are very selfish? Qiao Mianmian is considered to be working, right? Just because he wants her to sleep for a few more hours, he wants the crew members to keep waiting? Why should they sacrifice their working hours to accommodate the couple’s public display of affection? If everyone is like Qiao Mianmian, will this episode still be recorded?”

“Girls, pay attention. The haters are here again. Ignore her. Just treat her as air and let her hop around alone.”

...

The production crew arranged for them to stay in a high-class district.

After entering the district, Mo Yesi looked at the environment and facilities and was satisfied.

In his opinion, although this neighborhood wasn’t very good, it wasn’t too bad.

At least, it seemed safer.

It wasn’t like the remote mountain village Qiao Mianmian went to previously.

If the production crew arranged for Qiao Mianmian to go there again, Mo Yesi would definitely not allow her to.

Even if Qiao Mianmian had something against him, he would never let her face such danger again.

Other workers came out to pick them up when they reached the district.

The production crew rented a floor and made up a room number for the guests.

The staff brought them to their accommodation.

Qiao Mianmian realized that she was the first to arrive.

This episode was the same as when she participated in “The Meaning of Traveling”. They both had a host.

The emcee was called Li Wei, and he was usually called Brother Li.

Li Wei was a very approachable person. Moreover, he was a very famous variety show host at Tomato TV Station. He was a big brother in the industry.

Having been in the industry for so many years, he was considered experienced and knowledgeable.

He was a very stable person.

But even such a big brother couldn’t remain calm after seeing Mo Yesi.

He was actually nervous like the other crew members.

“Did Mr. Mo accompany Miss Qiao? Why didn’t he tell us beforehand? It’s not good for us to entertain Chairman Mo now...” Li Wei looked at the handsome man in front of him. He wasn’t as calm as before, and there was obvious nervousness on his face.

He didn’t know that Mo Yesi would send Qiao Mianmian over.

Hence, he was rather shocked to see him.

Of course, he had heard how Chairman Mo pampered his wife.

But he didn't expect him to be so worried about his wife that he would personally escort her.

This couple was really close.

But to be honest, this Chairman Mo was really a dragon among men. His looks and temperament were top-notch. His noble aura wasn't something ordinary people could compare to.

With his looks, he would definitely be popular if he made his debut in the entertainment industry..

Chapter 2763: She Really Didn't Understand

"You don't have to entertain me. Just take good care of my wife." Mo Yesi held Qiao Mianmian's hand and said to Brother Li seriously, "I don't have any other requests, but you have to ensure her safety.

"I'll give her to you unscathed. When she comes back, I hope she'll be fine too."

"Of course, of course." Brother Li immediately smiled and said, "Mr. Mo, don't worry. It's our responsibility and obligation to ensure the guests' safety. We will definitely take good care of Miss Qiao."

"That's good." Mo Yesi nodded. "I believe you can take good care of her, too."

"Definitely." Brother Li smiled again. "We've already rented this floor. Miss Qiao is the first to arrive, so she can choose her room first. I'll take Miss Qiao to see the layout of each room and see which one she likes."

...

There were four rooms on the first floor.

The production crew had pasted numbers on each door.

They were Room 1, Room 2, Room 3, and Room 4.

Li Wei brought Qiao Mianmian to take a look at each room. The size, layout, and decor were the same. The only difference was that one room was slightly bigger and had two bathrooms.

Qiao Mianmian finally chose the room with two bathrooms.

It was Room 3.

After choosing a room, Mo Yesi carried her luggage to Room 3 and helped her hang the clothes in the closet.

Mo Yesi did everything alone.

Qiao Mianmian sat at the side and watched.

As the live stream was always on, the crew set the cell phone in the best spot.

Cameras were set up elsewhere in the room.

In the live stream.

When the netizens saw how Mo Yesi helped Qiao Mianmian unpack her luggage, they all felt that she was lucky to have married such a good man.

It wasn't unusual for a husband to help his wife unpack her luggage.

But Mo Yesi wasn't an ordinary man.

He was the Second Young Master of the Mo family, the richest family in Yuncheng City, and the current President of the Mo Corporation. It wasn't normal for someone of his status to take care of his wife.

Moreover, Qiao Mianmian seemed used to it.

This meant that Mo Yesi usually did this.

Only true love could make such a respectable and handsome man lower his status and pamper his wife like this.

Soon, there was a trending topic.

...

Qiao Anxin watched as the handsome man in the live stream helped Qiao Mianmian unpack her luggage like a house husband. He even helped her change the bedsheet and blanket.

He was so familiar with unpacking and changing the bed cover that it was obvious that he'd done it before.

The comments section was filled with envy and jealousy. They were all envious of Qiao Mianmian's good fortune. They were all envious of her marrying an exceptional husband.

Qiao Anxin was envious, too.

She was so envious that she wanted to rush into the screen and replace Qiao Mianmian.

Chapter 2764: Why Does This Woman Look So Much Like Qiao Mianmian

Was he still not sick of her after so long?

With his status, why should he lower himself to serve her?

What right did Qiao Mianmian have!

It was just a vixen's face, but no matter how pretty she was, he should be sick of it after looking at it for so long.

Qiao Anxin always thought that Mo Yesi and Qiao Mianmian's marriage wouldn't last.

Qiao Mianmian was just new to him.

Hence, she had been waiting for news of their marriage to spread and for Mo Yesi to divorce Qiao Mianmian.

But she'd waited so long for nothing.

Not only did Qiao Mianmian and Mo Yesi not divorce as she wished, but their relationship actually got better.

Qiao Anxin felt that the image of Mo Yesi pampering Qiao Mianmian was too harsh on her. She thought about her current situation, the life she'd led overseas, and how Qiao Mianmian was living such a comfortable and glamorous life now. She felt anxious.

She wanted to find someone to vent her anger on.

She hated Qiao Mianmian.

She hated this slut!

She was living such a terrible life because of that slut.

Qiao Mianmian ruined everything.

Hence, she would never let her off!

She wanted Qiao Mianmian to lose everything she had now!

Knock, knock.

At this moment, someone knocked on the door.

Qiao Anxin took a deep breath, kept her cell phone, and adjusted her expression before walking to the door.

She opened the door and saw a few people standing outside with cameras and cell phones. The person in the lead introduced himself. "Hello, Miss Jiang. We're the crew members of 'My Intern Parents'."

"Hello, I'm Jiang Xinyue. Thank you for coming so early. Please come in and have a seat." Qiao Anxin looked up at the crew members and smiled sweetly.

The moment Qiao Anxin looked up, the crew members were stunned.

Everyone was shocked.

This Jiang Xinyue... looked too much like Qiao Mianmian.

Although they could still tell the difference, if they didn't look carefully, she would definitely be seen as Qiao Mianmian.

Of course, her looks weren't as exquisite as Qiao Mianmian's.

Although they looked alike, she wasn't as pretty as Qiao Mianmian.

She was just a low-quality model.

But she was considered pretty if she wasn't compared to Qiao Mianmian.

As the crew had already started the live stream, the moment Qiao Anxin's face appeared, the netizens were all stunned.

Qiao Anxin debuted under Jiang Xinyue's name. Without any works under her name, she was considered a newbie.

Hence, she didn't have many fans.

But there were close to 20,000 people in her live stream.

"Damn, am I seeing things? Why does this woman look so much like Qiao Mianmian?"

"What's Jiang Xinyue's background? I just heard that Zhizhi was replaced. She must have been replaced because of her. Although I'm not a fan of Zhizhi, this last-minute change is too disgusting.."

Chapter 2765: Must Be Planning Something

"Damn, I thought Qiao Mianmian was doing another live stream. What's the production crew doing? How did they get a newbie who looks so similar to Qiao Mianmian to join this episode? Also, why did they change Zhizhi? I like her."

"Just now, Zhizhi posted on Weibo that the production crew unilaterally breached the contract and requested for it to be terminated at the last minute. In order to groom such a newbie, the production crew doesn't even have the basic integrity? What exactly is this woman's background? Isn't the production crew afraid that they will be affected?"

"I just checked. This Jiang Xinyue is a newbie signed by the Gong Corporation's entertainment company. From the looks of it, they're preparing to groom her."

"An artiste under the Gong Corporation who looks like Qiao Mianmian? I suddenly recalled the rumors between the Young Master of the Gong family and Qiao Mianmian. Could this woman be a substitute that the Young Master Gong got? He couldn't get the original, so he got a substitute to pamper?"

In less than 10 minutes.

This was the first time Qiao Anxin appeared on trending.

Newbie Jiang Xinyue Looks Like Qiao Mianmian

Qiao Mianmian and Jiang Xinyue

...

Mo Yesi didn't stay long after sending Qiao Mianmian to C City. He packed everything up and returned to Yuncheng City.

The camera was placed indoors, and there was no need for the crew to follow Qiao Mianmian.

Hence, she was left alone in the room.

Qiao Mianmian asked Zhan Bo when he would arrive, and he replied that he would be there in half an hour.

The cell phone on the bed rang.

Qiao Mianmian walked over and saw that it was Linda. "Sister Xie."

"Damn, Mianmian. Did you see the trending searches?" Linda sounded out of sorts.

Qiao Mianmian asked, "Not yet, I just got my cell phone. Did something happen?"

Although she didn't know what it was, Qiao Mianmian was sure that it had something to do with her.

After all, if it had nothing to do with her, Linda wouldn't have called her.

"I don't know what the production crew is doing. They suddenly replaced Zhizhi. And do you know, the newbie they put in her place is actually a newbie who looks like you? The netizens are all discussing this."

Qiao Mianmian was stunned.

Linda continued, "And this newbie is from the Gong Corporation's entertainment company. Do you know who's in charge of the company now? It's that jerk Su Ze!"

"Say, that jerk Su Ze made a newbie who looks like you participate in the same show as you. What exactly is he up to? I feel like he definitely doesn't have good intentions. He must be plotting something."

"The Su Corporation was acquired by Chairman Mo. He went from a young master of a prestigious family to trash. He must be bearing a grudge. Otherwise, he wouldn't have gone to Gong Zeli's company after breaking his relationship with Chairman Mo."

Qiao Mianmian frowned. "Zhizhi was replaced? When?"

"Just now," Linda said angrily. "Zhizhi's fans are asking for an explanation on the production crew's official Weibo account because of this. A newbie is making her debut on such a good variety show.. Does Su Ze want to groom Jiang Xinyue like he did Qiao Anxin in the past?"

Chapter 2766: Why Do I Feel That This Woman Did Plastic Surgery?

"He must know that you're participating in this episode, so he got that newbie to come. He must be trying to ride on your popularity."

"This way, everyone will know who she is now. Hmph, he's really scheming. He easily made that newbie gain fame."

"Despicable, too despicable. Isn't he too disgusting?"

Before Qiao Mianmian could say anything, Linda went on a furious tirade.

Qiao Mianmian could imagine how angry she must be.

Linda and Su Ze had old grudges. She got angry every time Su Ze was mentioned.

Qiao Mianmian had just gotten her cell phone, so she didn't know that the production crew would change Zhizhi at the last minute for a newbie who looked like her.

This newbie was actually from an entertainment company under the Gong Corporation.

Linda and Qiao Mianmian weren't the only ones thinking about this.

She didn't believe it.

It was fine if it was someone else, but that newbie was signed to an entertainment company under the Gong Corporation, and Su Ze was managing the company now.

Su Ze couldn't be completely unaware of this.

If he knew about it but still sent her here, Qiao Mianmian would feel disgusted by his actions.

"In any case, you have to be careful. She must be another Qiao Anxin," Linda reminded her worriedly.

"Mm, I'll be careful."

Qiao Mianmian hung up after a while.

She opened Weibo and saw the trending post about "Little Qiao Mianmian".

It was trending. When Qiao Mianmian saw it, the comments were already close to 100 million.

This statistic was rather impressive for a completely unknown newbie.

Just as Linda said, the popularity of the trending searches rose because of the name "Little Qiao Mianmian". Regardless of whether the other party was deliberately trying to ride on her popularity, this wave of popularity was real.

Even though Qiao Mianmian already knew that a newbie named Jiang Xinyue looked like her, she was still shocked when she saw her photo.

Jiang Xinyue did look like her.

No wonder people called her Little Qiao Mianmian.

Qiao Mianmian looked at Jiang Xinyue's photo for a while and felt strange.

For some reason, she felt a sense of familiarity.

But she couldn't tell where this sense of familiarity came from.

But she was sure that Jiang Xinyue didn't look familiar because of her looks.

She received a message this moment. It was from Linda.

Linda: [Have you seen Jiang Xinyue's photo? What do you think?]

Qiao Mianmian replied honestly: [Mm, she looks like me.]

Linda: [I went to see her again. Why do I feel that this woman did plastic surgery?]

Qiao Mianmian was speechless.

Linda: [Many people in this world look alike. It's not surprising that someone looks like you. But don't you realize that even the mole under her eye is the same? Isn't this too much of a coincidence?]

Jiang Xinyue also had a mole at the corner of her eye?

Chapter 2767: I Think There's Something Wrong With This Woman

Qiao Mianmian didn't notice it just now. But now that she saw Linda's message, she opened Jiang Xinyue's photo and took a closer look.

She saw a mole at the corner of her eye.

It was slightly bigger than her mole.

And coincidentally, Jiang Xinyue's mole was exactly the same as hers.

Even Qiao Mianmian felt that this was too much of a coincidence.

Linda: [Did you see it?]

Qiao Mianmian closed Jiang Xinyue's photo and replied to her: [Mm, I saw it.]

Linda: [Mianmian, I think there's something wrong with this woman. She definitely underwent plastic surgery to look like you. Now, she's using the name "Little Qiao Mianmian" to appear on the same show as you. She's either trying to gain popularity or for other reasons. You have to be careful.]

Qiao Mianmian: [I got it.]

After chatting with Linda, Qiao Mianmian opened Weibo again.

The number of trending topics regarding "Little Qiao Mianmian" surpassed 100 million.

The netizens also had mixed opinions about this newbie called Jiang Xinyue.

But overall, there were more people scolding than not.

Jiang Xinyue was known as "Little Qiao Mianmian" the moment she debuted. She even had the same face. No matter how one looked at it, she was trying to ride on her popularity.

Qiao Mianmian didn't mind it.

She knew how hard it was to be a newbie.

But this newbie... was really just trying to ride on her popularity?

It wasn't that simple.

At this point, the netizens in Qiao Mianmian's live stream were also talking about Jiang Xinyue.

"Mianmian, do you know that a shameless woman is using the name 'Little Qiao Mianmian' to ride on your popularity?"

“What ‘Little Qiao Mianmian’? I just went to the live stream room to take a look. She looks a little like Mianbao, but her looks are worlds apart from Mianbao’s. And that woman is so f*cking pretentious. Her voice is so coquettish that it makes me want to puke. She looks like a b*tch.”

“Yes, yes, yes. I went to the live stream, too.”

“Is the production crew crazy? Even if they changed Zhizhi at the last minute, they should at least put someone with a similar reputation. What the hell is that Jiang Xinyue? I can’t find her information on Baidu. Also, the production crew found someone who looks like Mianbao. Are they trying to disgust her?”

“I think Jiang Xinyue is pretty, too. Of course, compared to Qiao Mianmian, she’s just a low-quality version.”

“I feel like this Jiang Xinyue is trying to ride on Qiao Mianmian’s popularity to become famous. Moreover, she succeeded. She’s just a newbie without any fame, but she’s already in the top five of the trending list. Although this way of becoming famous is a little shameless, the effect is really good. Her company probably planned it this way. After all, Qiao Mianmian is so popular now.”

...

In a spacious and luxurious office.

The laptop screen that was usually used for work was not showing the office page, but a live stream page.

A girl walked out of the bathroom with her hair in a bun and slowly walked to the laptop.

She bent down and looked at her cell phone screen. Then, she smiled sweetly and said, “I just went to wash my face. I feel much better. What are you guys talking about? It seems very lively..”

Chapter 2768: Investigate Someone

A few seconds later, after seeing what the netizens were discussing, Qiao Mianmian’s expression didn’t change. She still smiled and said, “So, everyone is talking about this. If you ask me what I think, I don’t have any opinion.

“I think this is very normal. There are many people in this world who look alike.”

In the live stream, the netizens were discussing “Little Qiao Mianmian”.

They saw Qiao Mianmian and asked her if she knew about this and what she thought of Jiang Xinyue.

Of course, Qiao Mianmian wouldn’t say her true thoughts.

She hadn’t seen Jiang Xinyue in person.

Hence, she wasn’t sure what kind of person Jiang Xinyue was and if she had any ulterior motives.

Moreover, she couldn’t possibly say it on a public platform even if she minded it.

Unless her brain was damaged.

“Mianbao, you’re too magnanimous. That woman is obviously trying to ride on your popularity. You don’t mind, but we fans are just angry and don’t like her!”

“That’s right, she can rely on her own efforts to become famous. Using this method to gain popularity is shameless!”

“I hate Jiang Xinyue, I hate her!”

“What Little Qiao Mianmian? I think she’s not even comparable to Mianmian’s toe! It’s not glorious even if she becomes famous in this way. Besides being scolded, what else can she get!”

...

The handsome man in luxurious clothes looked at the comments on the live stream and frowned. He made a call.

Soon, someone knocked on the door.

“Come in,” the man said.

The door opened, and a man in a gray suit entered. He looked at the handsome man sitting in the black leather chair and greeted him respectfully. “Chairman Gong.”

“Investigate someone immediately.” Gong Zeli narrowed his eyes.

The man’s heart skipped a beat, and a layer of cold sweat broke out on his forehead.

It seemed like Chairman Gong was in a bad mood.

As long as Chairman Gong was in a bad mood, the entire Gong Corporation would be afraid.

Of course, that included him.

Even though he’d been Gong Zeli’s assistant for many years, he’d always been afraid of his eccentric boss.

“The person Chairman Gong wants to investigate is...” the assistant asked cautiously.

“A woman called Jiang Xinyue from the entertainment industry.” Thinking of the comments he saw in the live stream, he frowned again and said, “I want to know the details about her in 10 minutes. Go out and check it now.”

...

In less than 10 minutes, the assistant found out about Jiang Xinyue.

He reported everything to Gong Zeli.

Gong Zeli frowned. “Is she a new artiste signed by the Gong Corporation?”

“Yes. And I heard that this newbie was personally signed by Manager Su. Manager Su is prepared to groom her.”

Su Ze signed her?

Gong Zeli narrowed his eyes. "Call Su Ze and tell him to come here."

"Yes, Chairman Gong."

...

Su Ze was a little shocked when he found out that Gong Zeli was looking for him.

He wasn't at the Gong Corporation every day.

The entertainment company under the Gong Corporation was located elsewhere. Su Ze would come over once a month to report on the revenue..

Chapter 2769: It Didn't Feel Like Anything Good

Gong Zeli never saw him when he came to the Gong Corporation.

The entertainment company wasn't very important to the corporation.

Hence, he didn't have to report it to the company's president.

This was the first time Gong Zeli wanted to see him, and Su Ze was naturally surprised.

But he felt even more uneasy.

He couldn't help but ask, "Assistant Chen, do you know why Chairman Gong is asking for me?"

"Chairman Gong didn't say. Manager Su will see Chairman Gong soon. You'll know in a while."

Su Ze kept quiet, but he felt even more uneasy.

Although he didn't know why Gong Zeli was looking for him, Su Ze's heart was in a mess.

It didn't feel like anything good.

In fact, this uneasiness had been with him ever since he entered the Gong Corporation and started working under Gong Zeli.

Before the Su family fell, he had interacted with Gong Zeli a few times.

Back then, he felt that Gong Zeli wasn't someone to be trifled with.

In the past, the Su family couldn't even get close to the Gong family.

After the Su family fell, Gong Zeli took the initiative to send him an invitation to manage the entertainment company under the Gong Corporation. Su Ze didn't think that he invited him because he admired his talent.

But if he didn't admire his talent, what was it?

Su Ze didn't dare to think too much about it.

He was very satisfied with what he had now. He didn't want to return to those days where he had nothing.

Su Ze took the elevator to the CEO's private floor and walked to Gong Zeli's office. He took a deep breath and stood at the door to mentally prepare himself before gently knocking on the door.

He said respectfully, "Chairman Gong, it's Su Ze."

"Come in."

Su Ze shuddered as he pushed the door open.

Walking into the office, Su Ze looked at the man sitting lazily in the black leather chair. He couldn't help but shudder.

Gong Zeli looked at him expressionlessly.

The moment their eyes met, Su Ze felt as if he was being stared at by something scary.

"Chairman Gong, why are you looking for me?" Su Ze quickly lowered his head, not daring to look Gong Zeli in the eye.

Gong Zeli didn't say anything, causing Su Ze to become even more uneasy.

It felt like every second of silence was torture to him.

He waited patiently for a while. Just as he was about to speak again, the man who made him afraid finally spoke. "You just signed a newbie named Jiang Xinyue?"

Su Ze looked up.

He didn't expect Gong Zeli to ask him about this.

Signing a newbie was a very small matter.

Gong Zeli had never asked about this before.

But why... was it because...

At the thought of that possibility, Su Ze couldn't help but recall the scandal between Qiao Mianmian and Gong Zeli. He felt a little unhappy, but he didn't dare to show it.

He replied respectfully, "Yes, Chairman Gong. Is there a problem?"

The man sitting on the black leather chair narrowed his eyes..

Chapter 2770: What Do You Mean?

Su Ze could feel that cold gaze on him even with his head lowered.

A few seconds later, he felt a chill down his spine, and a cold sweat broke out on his forehead.

He stood rooted to the ground.

When he was still the Young Master of the Su Corporation, he was afraid of Gong Zeli too.

Moreover, he was relying on Gong Zeli to survive now.

He was more afraid of him than before.

Su Ze felt like he couldn't breathe.

He didn't know why Gong Zeli was concerned about him signing Qiao Anxin.

Gong Zeli had never asked even about the most popular artiste in the company.

But he took the initiative to ask about Qiao Anxin.

Was it because... Qiao Anxin underwent plastic surgery to look like Qiao Mianmian?

So, the rumors about Gong Zeli and Qiao Mianmian were true?

Recalling how Gong Zeli protected Qiao Mianmian previously, Su Ze was almost sure that he was interested in Qiao Mianmian.

Was this the reason?

Gong Zeli was interested in Qiao Anxin now?

Just as Su Ze was thinking about this, he heard Gong Zeli's cold voice again. "I heard you're planning to groom her? The sum of money you asked for from me was for her?"

Su Ze immediately snapped out of his daze. Not daring to look Gong Zeli in the eye, he replied, "Yes, Chairman Gong. I think Jiang Xinyue has a lot of potential. As long as she has the right resources, she'll definitely become popular."

"A lot of potential?" Gong Zeli sneered.

The next moment, the coffee cup on Gong Zeli's table was already in front of him.

He was shocked, but he didn't dare to dodge. The cup of hot tea hit his chest, causing his white shirt to become wet.

"Chairman Gong!"

"You found a woman who looks like Qiao Mianmian, and you're even planning to groom her. Su Ze, what's your intention?"

"Chairman Gong, I-I don't mean that." Su Ze was shocked by Gong Zeli's words and quickly explained, "Jiang Xinyue and Mianmian..."

Sensing that his gaze had turned colder, Su Ze quickly corrected himself. "No, it's Qiao Mianmian. They do look a little alike, but I didn't sign Jiang Xinyue because she looks like Qiao Mianmian. I just think that she has a good image and can become popular. I really don't have any other thoughts.

"If Chairman Gong doesn't like her, I can terminate the contract with her immediately."

At this crucial moment, Su Ze naturally wouldn't care about Qiao Anxin.

If Qiao Anxin hadn't promised him that she could get Gong Zeli, Su Ze wouldn't have taken the risk to sign her.

He thought that Gong Zeli would be interested in Qiao Anxin.

As long as he had feelings for Qiao Mianmian, he would definitely be interested in Qiao Anxin.

Although Qiao Anxin was a low-quality imitation of Qiao Mianmian, she did resemble her.

Just this 60% resemblance was enough..
