

Big Shot 2771

Chapter 2771: But She's Not as Good-Looking as You

But Su Ze didn't expect Gong Zeli to react this way.

He didn't seem interested in Qiao Anxin at all.

Su Ze was afraid that he would implicate himself because of Qiao Anxin, so he had to cut ties with her at the crucial moment.

Su Ze waited for a while, but Gong Ze didn't say anything.

A little curious, he couldn't help but look up.

The handsome man sitting on the black leather chair seemed to be lost in thought.

Afraid of losing everything he had now, Su Ze decided not to care about Qiao Anxin's life and death anymore. He anxiously clarified their relationship again. "Chairman Gong, I didn't know Jiang Xinyue before. Someone introduced her to me. Actually, I didn't want to sign her, but she cried and told me that she really wanted to enter this industry and begged me to give her a chance. I admit... I only signed her out of pity because she looks similar to Qiao Mianmian.

"I also decided to groom her because she looks like Qiao Mianmian."

Feeling the cold gaze on him again, Su Ze said with difficulty, "After all, I've known Qiao Mianmian for so many years. Looking at her face, I really can't bear... to reject her."

"They look alike?" Gong Zeli finally asked.

This question surprised Su Ze.

Stunned for a moment, he then replied immediately, "Yes, I thought Chairman Gong had already seen her photo. She and Qiao Mianmian... I think they're at least 60% alike."

"60%?" Gong Zeli sounded a little strange.

Su Ze was stunned for a while before replying, "Yes, their eyes and noses are alike. When I first saw Jiang Xinyue, I thought she was Qiao Mianmian."

Gong Zeli fell into a strange silence.

A moment later.

"Alright, you may leave."

This sentence was like being pardoned from the death sentence to Su Ze. He let out a long sigh and wiped the cold sweat off his forehead. "Yes, Chairman Gong. I'll leave first."

With that, he didn't dare to stay any longer and quickly left the office.

...

After Su Ze left, Gong Zeli searched for Jiang Xinyue's photo.

Looking at the woman in the photo who looked like Qiao Mianmian, his gaze lingered on her dark eyes that were almost identical to Qiao Mianmian's. He pursed his lips, and his long and narrow eyes flickered.

He didn't expect Jiang Xinyue to be more like Qiao Mianmian than Su Su.

Her eyes... were too similar to Qiao Mianmian's.

Even the mole under the corner of her eye.

...

Qiao Mianmian waited at the hotel for the others.

Then, they took the bus with the production crew.

On the way, Zhan Bo whispered to her, "Qiao Mianmian, do you know that a newbie who looks like you is also participating in this show? She has the title of 'Little Qiao Mianmian' now.

"I heard that this newbie has a strong background. The show has already started, but she can still replace Zhizhi.

"I used my alternate account to watch her live stream. She does look a little like you. But she's not as good-looking as you. Your facial features are much more exquisite."

As cameras and cell phones were always facing them, they had to whisper to each other..

Chapter 2772: Good-Tempered

"I know." Qiao Mianmian lowered her voice. "Do you think her background is better than mine?"

Zhan Bo: "..."

This was definitely impossible.

Everyone knew who the person with the most powerful background in the entertainment industry was.

If Qiao Mianmian was second, no one would dare to be first.

Not only was her family impressive, but her husband was even more impressive. The other female artistes with powerful sugar daddies were nothing compared to her.

Their sugar daddies weren't even qualified to carry Mo Yesi's shoes.

Zhan Bo: "Of course it's you! You're Young Madam Mo, who in this industry can beat you!"

Qiao Mianmian said, "That's fine. Anyway, no matter how powerful her background is, she can't compare to me. Moreover, it's her company's business how they promote her. I don't care as long as it doesn't affect me."

Zhan Bo was a little speechless. "Sister, you're too big-hearted. She's on the same show with a face similar to yours, how can it not affect you? Don't you feel... disgusted?"

If it was him, he would definitely feel disgusted!

She was obviously here to ride on Qiao Mianmian's popularity.

Although many female artistes worked with him in the past, they weren't as blatant as Jiang Xinyue.

Anyone would feel disgusted by such behavior.

He felt that Qiao Mianmian was really good-tempered.

She didn't seem angry at all.

Perhaps this sort of person who lived too happily would be more tolerant than ordinary people.

Because life was too perfect, so perfect that she didn't need anything, she couldn't be bothered about it.

He couldn't understand it.

But he hoped that he could experience it one day.

"Disgusting?" Zhan Bo was one of Qiao Mianmian's few friends in this industry, so she was very calm in front of him and didn't hide anything. "To be honest, I'm a little disgusted. But I don't know what kind of person she is, maybe we will get along well."

Zhan Bo's lips twitched. "Alright, if you don't mind, what else can I say? But I can guarantee that this woman isn't simple. Just wait and see."

...

They arrived at the hotel. As they got off the car, they bumped into Qin Han, who was also here to report.

They were all familiar with each other and hadn't seen each other in a while, so they were naturally happy to meet again.

"Brother Han, I didn't expect you to join a variety show." Zhan Bo smiled and put his arm around Qin Han's shoulders. "I'm really curious, how did they convince you?"

Qin Han was a movie star.

Not to mention variety shows, he didn't even accept dramas.

In recent years, Bai Yusheng's drama was the only one he accepted.

Moreover, this was based on his good relationship with Bai Yusheng. If it was someone else, they probably wouldn't be able to sign him no matter how much money was offered.

Hence, it was rare for a big shot like Qin Han to attend a variety show.

Qin Han smiled and said straightforwardly, "No one is against money. I heard that you and Mianmian will be participating in this episode too, so I thought I could give it a try.

"I'll take it as a vacation.

"I heard that this show is about taking care of children. It doesn't feel difficult."

Qiao Mianmian was speechless.

Zhan Bo: "..."

Both of them wanted to say: Brother, are you mistaken? Why are you so naive? How can it be easy to take care of a child?

Chapter 2773: A Cold Rejection

When it was almost noon, Qin Han suggested. "Let's have lunch together. My treat."

Qiao Mianmian and Zhan Bo nodded. "Alright."

Zhan Bo was even more shameless. He even started searching for the most expensive and delicious restaurant in C City.

"Brother Han, this restaurant has a good rating. Why don't we eat there?" Zhan Bo soon found a high-end restaurant that cost more than 10,000 yuan for each meal. He wouldn't go easy on Qin Han.

Qin Han glanced at his cell phone symbolically. "Alright, then. Is it far from here?"

"It's not far. It'll only take about 10 minutes to get there." Zhan Bo knew the route very well. As a glutton, he naturally knew every place with good food.

Qin Han nodded. "Let's take a taxi."

It was lunchtime, and it wasn't easy to get a cab. They stood by the street for almost 10 minutes before they finally got a taxi.

They were about to get into the car when they heard a woman's voice behind them.

"Seniors, are you going to have lunch? Can you bring me along? I've just arrived here, and I'm not familiar with this place at all. I don't know which restaurant tastes better, so can I join you?"

Qiao Mianmian and the rest were stunned.

When they turned around and saw who was behind them, Zhan Bo and Qiao Mianmian looked surprised and shocked.

Zhan Bo looked at Jiang Xinyue standing opposite them and then at Qiao Mianmian. After a detailed comparison, he felt that Qiao Mianmian was much prettier.

No, it should be said that Qiao Mianmian's looks completely surpassed Jiang Xinyue's.

Jiang Xinyue's live stream was very similar to Qiao Mianmian's.

But in reality, they didn't look alike.

And Zhan Bo could tell that Jiang Xinyue had undergone plastic surgery.

Although it appeared natural, it showed after careful observation. Perhaps it wasn't so obvious with makeup, but it was definitely obvious in person.

Thinking that Jiang Xinyue must have done it to look like Qiao Mianmian, Zhan Bo was a little unhappy with this newbie.

It was fine if they looked the same, but to ride on someone's popularity and shamelessly participate in the same show as the main character. That was intolerable.

Hence, before Qiao Mianmian and Qin Han could say anything, Zhan Bo said impolitely, "I'm sorry, I'm afraid not. We have private matters to discuss. I'm afraid it's inconvenient if there are strangers around.

"Moreover, this is our first time in C City, so we're not familiar with this place. If you want to know which restaurant has good food, just ask a local."

What a joke.

Let this inferior version of Qiao Mianmian eat with them?

Even if Qiao Mianmian didn't mind, he wouldn't be able to eat well.

Qiao Mianmian was still thinking about how to reject her and hadn't thought of a suitable and reasonable reason when Zhan Bo reject her coldly.

Qiao Mianmian was speechless.

Wasn't Zhan Bo being too disrespectful?

He rejected her so bluntly.

Did he forget they were live-streaming?

Chapter 2774: Surpass Qiao Mianmian

It was obvious that Jiang Xinyue was just finding an excuse to join them. She definitely could find a place to eat.

Jiang Xinyue probably didn't expect Zhan Bo to reject her.

And he rejected her... so badly.

Qiao Mianmian couldn't help but look at her. Jiang Xinyue's expression wasn't very good. She was rejected by Zhan Bo without being given any face. She must feel embarrassed.

Zhan Bo didn't care if she was embarrassed or not. After saying that, he turned to Qiao Mianmian and said, "Mianmian, let's hurry over. That store has a time limit for lunch. If we're late, we won't have enough time to eat."

Qiao Mianmian was speechless.

Alright, since Zhan Bo didn't seem to care, she didn't have to be polite to Jiang Xinyue either.

She didn't really want to interact with her.

After all, she felt uncomfortable interacting with someone who had undergone plastic surgery.

"Alright, let's hurry over." Qiao Mianmian nodded.

"Brother Han, let's go." Zhan Bo placed a hand on Qin Han's shoulder. Besides refusing to let Jiang Xinyue tag along, he didn't talk to her anymore.

"Then, Miss Jiang, we'll take our leave first." As a model senior in the industry, even though Qin Han didn't really like Jiang Xinyue, he still did his part.

Qiao Anxin was furious.

She didn't expect Zhan Bo to be so disrespectful.

She was indeed using the excuse of not being able to find a place to eat to join them.

Qin Han was the most popular artiste in the industry.

Although Zhan Bo's status in the entertainment industry was not as good, he was still the most popular young hunk.

No matter who she got close to, it would be good for her in the future.

Since she chose to enter the entertainment industry again, she naturally had some ambition.

Her ambition was to surpass Qiao Mianmian.

She wanted to be better than Qiao Mianmian.

She could give up everything for this goal.

And quickly getting into Qiao Mianmian's circle would help her achieve her goals faster.

Qiao Anxin didn't think that Zhan Bo would reject her.

After all, the live stream was still ongoing, and many netizens were watching.

It would be too ungentlemanly of him to reject her.

And it was easy to be labeled as an outcast.

Hence, she thought neither Zhan Bo nor Qin Han would reject her request.

Unexpectedly, not only did Zhan Bo reject her in front of tens of millions of netizens in the live stream, but he also did it so bluntly and mercilessly.

He didn't hide his dislike for her.

But his attitude towards Qiao Mianmian was different. This stark contrast made Qiao Anxin feel even more embarrassed and angry and feel as if she'd been slapped.

She couldn't vent her anger.

She had to show that she didn't mind it.

"Alright, please take care. If I have the chance next time, I'll definitely treat you to a meal." Qiao Anxin took a deep breath and forced a smile before speaking..

Chapter 2775: Indeed a Green Tea B*tch

Qin Han nodded at her and followed Qiao Mianmian into the taxi.

At this moment, the live stream ended.

The staff in charge of the live stream said to the netizens, "Hello, everyone. This morning's live stream will end here. Our guests need to rest, too. I'll re-open the live stream when they're done. Everyone should have lunch and rest. Come and watch the live stream after 3:00 PM."

With that, the crew member waved goodbye to the netizens and ended the live stream.

The live stream was turned off, but many netizens were still watching.

New comments kept appearing in the comment section.

"Hahaha, did you see how awful Jiang Xinyue looked when Zhan Bo rejected her? I feel like she's going to die from anger."

"Although Zhan Bo is a little ungentlemanly, why do I feel so good watching it? This Jiang Xinyue is really a green tea b*tch. Isn't it enough to ride on Qiao Mianmian's popularity? Who does she think she is? She even wants to integrate into Qiao Mianmian and Zhan Bo's small circle."

"My brother isn't ungentlemanly. He's usually a gentleman. Can't you tell that he's standing up for Qiao Mianmian? He must be disgusted by Jiang Xinyue's actions, that's why he rejected her so disrespectfully. I don't think my brother did anything wrong. If it was me, I'd stand up for my friend too."

"That's right. Anyone with eyes can tell that Brother is standing up for his friend. He and Qiao Mianmian are usually very close."

"They're all seniors, is it really good to bully a newbie like this? Am I the only one who feels that Jiang Xinyue is rather pitiful? Everyone says that she's deliberately trying to ride on Qiao Mianmian's popularity, but who knows if she's doing it on purpose? Could it be that just because she looks like Qiao Mianmian, she's riding on her popularity? Then, everyone in the country who looks like her is also riding on her popularity?"

"You're the only one who thinks Jiang Xinyue is pitiful. You're the only retard here. Some professionals have already analyzed that Jiang Xinyue had plastic surgery, and it was done for her to look like Qiao Mianmian. She's even participating in the same show. It's disgusting."

"I think Zhizhi is the most pitiful. This kind of woman who used her backing to steal other people's resources is too disgusting."

Thankfully, Qiao Anxin wasn't watching the live stream.

If she saw so many netizens scolding her, she would probably be even angrier.

...

Qiao Mianmian and the rest got into the taxi and drove off.

After they left, only Qiao Anxin and a few crew members were left standing by the street.

One of the crew members looked at Qiao Anxin's pale face and felt that she was a little pitiful. He suggested kindly, "Miss Jiang, do you want to have lunch with us? We're going to have lunch, too."

The crew member was actually giving Qiao Anxin a way out of this embarrassing situation.

But Qiao Anxin rejected it. "No need, I've already made an appointment with my friend."

The crew member was confused.

She had an appointment with a friend?

But didn't she say that she wasn't familiar with the place and couldn't find a place to eat?

The few crew members who felt sorry for her immediately felt that Jiang Xinyue was really a green tea b*tch..

Chapter 2776: Be Careful

Zhan Bo probably knew what kind of person she was.

Otherwise, why would he treat a newbie like this?

It seemed like not only women had the ability to judge other women.

Men had the same ability.

...

Ten minutes later, Qiao Mianmian and the rest arrived at the restaurant.

They booked a private room.

Without the cameras, they didn't have to worry about anything.

"Zhan Bo, weren't you too disrespectful to Jiang Xinyue just now?" Qiao Mianmian was a little worried that he would be defamed because of this. "Actually, even if you reject her, you don't have to be so direct. You can find a more tactful reason.

"If you're too direct, people will think that you're bullying a newbie."

Qin Han nodded in agreement. "You can be more tactful."

Zhan Bo snorted. "I think that woman is very thick-skinned. You can't be tactful with someone like her, you have to be direct. She must think that we won't reject her if she asks to join us under such circumstances.

"I just want her to know that she can forget about scheming against us. Moreover, if she really wants to come with us, it'll affect our appetite. Qiao Mianmian, what's wrong with you? I'm helping you vent your anger, do you still think I'm wrong?" Zhan Bo glared at her, a little resentful.

"Of course, I'm not blaming you. I'm just afraid that you'll attract haters because of this." Qiao Mianmian had been defamed countless times and was already traumatized. Of course, she didn't want Zhan Bo to be targeted by haters just to stand up for her.

With Zhan Bo's current development prospects, many companies were eyeing him.

They must be hoping that he would do something wrong.

In that case, they could make use of the mistake to defame him.

This wasn't unprecedented in the industry.

Qiao Mianmian remembered that a rather popular young hunk was taken down like this. And that young hunk's situation was even worse. It wasn't his fault, but his fans'.

Because of that, his future was ruined.

Qiao Mianmian was afraid that Zhan Bo would encounter the same thing.

"Don't worry, it's not so easy to defame me." Zhan Bo didn't mind. "Moreover, even if I'm unlucky and really get defamed, not being able to survive in the entertainment industry anymore, the worst outcome is that I'll have to go back and take over my old man's billions of assets.

"I won't starve to death."

Qiao Mianmian was speechless.

Qin Han was speechless.

Why did this sound so annoying?

But Qiao Mianmian knew that Zhan Bo wasn't bragging. His family was indeed rich.

Although they weren't as rich as the Mo and Gong families, they were still considered rich.

Zhan Bo was in a mess because of the entertainment industry.

But if he really wanted to go back, his family would definitely let him.

"But seriously, Qiao Mianmian, you have to be more careful." Zhan Bo was like a worried mother.

"Although we just met, I can feel that Jiang Xinyue is really not simple. She's a rather scheming woman.

"Especially the way she looked at you. You didn't notice it, but I saw it clearly."

Qiao Mianmian was stunned. "How did she look at me?"

“How?” Zhan Bo thought for a while. “Jealousy? Hatred? Anyway, it was not a kind look.. I’ve never seen anyone look at someone they just met like that.”

Chapter 2777: You Have to Be Careful

“Zhan Bo is right. I noticed it, too.” Qin Han recalled the situation. “Mianmian, she didn’t look at you kindly. You don’t know her?”

Qiao Mianmian shook her head.

“I wanted to ask you the same thing. Do you know each other?” Zhan Bo frowned. “How could anyone be so mean to the person they met for the first time? Anyway, Brother Han and I can tell that she’s not a nice person. You have to be careful.

“I feel like this woman is up to something.”

Qiao Mianmian kept quiet.

She hadn’t noticed anything off about Jiang Xinyue.

Hence, she didn’t notice that Jiang Xinyue was looking at her with a friendly and hostile gaze.

But since Zhan Bo and Qin Han said so, it couldn’t be false.

So why was Jiang Xinyue hostile towards her?

Under normal circumstances, even if she didn’t like someone, she would only dislike them after interacting with them.

She didn’t know Jiang Xinyue.

There was no old grudge.

But if they didn’t have any old grudges, why would she be hostile towards her when they just met?

Qiao Mianmian couldn’t figure it out.

But she felt that no matter what kind of person Jiang Xinyue was, and whether she had any ulterior motives, it was useless to worry now.

She could only deal with whatever came her way.

...

Qiao Anxin was eating at a high-end restaurant when she received Su Ze’s call.

She had just eaten a tender steak. She sipped her red wine and said coquettishly, “What’s there to be afraid of? The more people scold me, the more popular I will be. Otherwise, can I always be on the trending searches? If the netizens like to scold me, then let them. It’s best if they scold me until everyone knows that I, Jiang Xinyue, exist. Then, my goal will be achieved.

“Didn’t you tell me that black is also a type of red? I remember that Qiao Mianmian was also trending on the negative news every few days. I’m just following her path now.

“Before I came to this show, I already knew that many people would scold me. As long as I can be on the hot searches every day, I can quickly become famous. They can scold me however they want.”

Su Ze kept quiet for a while before saying mockingly, “Qiao Anxin, your ability to resist pressure is much better than before. If it was in the past, you’d definitely tell me to get someone to clear your name.”

“That’s in the past.” Qiao Anxin took a sip of red wine and narrowed her eyes. “I’m different now. Also, didn’t I tell you to call me Jiang Xinyue? I’m Jiang Xinyue now!”

“Alright, why are you pretending in front of me?” Su Ze said disdainfully. “I call you Jiang Xinyue in front of others, but you’re still the Qiao Anxin I know. I know what you’re worried about. I’m at home alone now, and there’s no one else around. What are you afraid of?”

Qiao Anxin felt uncomfortable.

She used to be an idiot.

She changed her appearance and gave herself a new name just to have a new life.

A new life as glorious as Qiao Mianmian’s.

Chapter 2778: Gong Zeli Knows Me?

She didn’t want to hear anything about the past, but that damn Su Ze had to go against her!

One day, when she got what she wanted, the first person she would deal with would be him!

She would never forget the child she lost because of him.

She hated Su Ze, but she still had some use for him.

She couldn’t touch him before she achieved her goal.

Even though she hated Su Ze so much, she could only tolerate it for now.

“Oh right, I called you today to tell you something else.” Su Ze didn’t wait for her to ask what it was before continuing. “Gong Zeli knows about you and specially asked me about it.”

Qiao Anxin was stunned for a moment. The hatred immediately disappeared from her face, and the wine glass trembled as she shook.

Sitting up straight, she asked excitedly, “Gong Zeli knows about me?”

“Mm, he knows about you.”

“Then, does he knows what I look like?”

“Mm.” Su Ze paused for a while before saying, “Initially, I thought he was angry and wanted us to leave the Gong Corporation. But after I told him that you look like Qiao Mianmian, he became interested in you.”

“What you told me previously might really succeed.”

Qiao Anxin’s heart thumped.

“Su Ze, are you sure Gong Zeli is interested in me?”

“I can’t be sure, but when I told him that you look like Qiao Mianmian, I felt like his expression was different. I heard that Gong Zeli found a university student that looks a little like Qiao Mianmian.”

Qiao Anxin’s heart raced. “Have you seen her?”

“I saw her once.” Su Ze was silent for a while. “I went to the nightclub once and saw him get out of the car with her.”

“Then, between me and her, who do you think looks more like Qiao Mianmian?” Qiao Anxin asked eagerly.

“You,” Su Ze said unhappily. “That university student is only 30% similar.”

But the Qiao Anxin after undergoing plastic surgery was 60% similar.

After all, she was more similar to Qiao Mianmian.

Qiao Anxin smiled smugly.

The other party was just a little girl, but she could stay by his side and be his woman.

She was definitely more capable than that little girl.

As long as she could get close to Gong Zeli, then she would definitely get him!

The Young Master of the Gong family was the most eligible bachelor in Yuncheng City.

If she could take him down, even though the Gong family was slightly inferior to the Mo family, they were considered to be at the top in Yuncheng City.

If she became the Young Madam of the Gong family, she wouldn’t be inferior to Qiao Mianmian.

In the future, she and Qiao Mianmian would belong to the same class, and their status would be the same.

At that time, it would be much easier for her to deal with that slut!

Qiao Anxin couldn’t wait to see Gong Zeli. “Su Ze, I want you to arrange a chance for me to meet Gong Zeli.”

“The sooner the better.. I want to see him as soon as possible.”

Chapter 2779: Wait for My Good News

“Of course, I can arrange for you to meet. But Qiao Anxin, you have to promise me something.”

“Go on.”

“If you can really become Gong Zeli’s woman and get his love, don’t forget that I helped you. When you become a phoenix, you can’t forget how I helped you.”

“Of course, we’re on the same boat.” Qiao Anxin’s voice was smiling, but her eyes were cold. “If I can become Gong Zeli’s woman, of course, I’ll remember your kindness. I’ll definitely help you if you need my help in the future. This is what we agreed on, right?”

Su Ze smiled, obviously satisfied with her attitude. “Yes, this is what we agreed on long ago. Qiao Anxin, we’re in the same boat now. If I’m not good, you won’t be better. I put in a lot of effort to get you a spot for this show. Perform well, and I’ll arrange for you to meet Gong Zeli when the opportunity arises.

“Wait for my good news.”

With that, Su Ze hung up.

The moment the call ended, Qiao Anxin’s smile vanished.

“Su Ze, do you think I’m still the Qiao Anxin from the past that you can bully as you wish? I remember how you hurt me back then. Just you wait, I’ll settle the scores with you one by one.

“And Qiao Mianmian, just you wait, I won’t let you off either!”

...

Qiao Mianmian and Zhan Bo went back to the hotel to rest after dinner.

Back at the hotel, Qiao Mianmian called Mo Yesi. They chatted for about 10 minutes before hanging up. She set the alarm and took a nap.

At 3:00 PM.

Everyone gathered to report, and the recording officially began.

Qiao Mianmian saw Jiang Xinyue again.

Previously, Zhan Bo showed his dislike for Jiang Xinyue in front of so many netizens.

He didn’t give her any face.

Qiao Mianmian thought that Jiang Xinyue wouldn’t bother about them anymore.

At least, she wouldn’t take the initiative to greet them anymore.

But she didn’t expect Jiang Xinyue to greet them so politely.

“Seniors, are you resting well? I went to a Western restaurant with super good food this afternoon. The steak was amazing. Seniors, how was the place you went to today? Was the food there good? Can you tell the name of the restaurant to me?”

She had a sweet smile on her face, as if what happened previously didn’t affect her at all.

And she didn’t mind at all.

But Zhan Bo still didn't smile. He was still cold and distant. Even his voice was cold. "It's just an ordinary small restaurant. There's nothing to tell. Also, you don't have to call me senior anymore. It sounds awkward."

As the live stream was on again, the netizens saw Jiang Xinyue taking the initiative to greet Qiao Mianmian and the rest.

They could see how cold Zhan Bo was towards her.

"I think Zhan Bo and the rest are a little too much. She didn't do anything wrong, right? She even called them seniors. Her attitude was pretty good. There's no need to be so cold to her now.."

Chapter 2780: Did I Do Something Wrong?

"Yes, I didn't like Jiang Xinyue at first, but I feel that she's a little pitiful now. Zhan Bo is rather gentlemanly towards other female artistes. He's too cold towards her."

"Everyone says that Zhan Bo did that to stand up for his friend. They say he's loyal, but I think he's too much. Even if Jiang Xinyue took advantage to ride on Qiao Mianmian's popularity, she didn't offend him. He's a senior and a man, but he treats a girl like this. He's too uneducated and ungentlemanly!"

"I think I saw myself being ostracized. I think Zhan Bo went overboard, too. He shouldn't be like this."

"Brother isn't usually like this. I think he's like this because Qiao Mianmian said something to him. Sigh, my brother is a fool. He doesn't know what is going on even after being used. He wanted to help her, but in the end, he's the one being scolded and defamed."

"I hope Brother will keep a distance from Qiao Mianmian! She's a married woman, so her husband should be the one to stand up for her. Why does she keep getting Brother to help her do these thankless things?"

"That's right, silly brother. Qiao Mianmian is already a married woman, why are you still standing up for her? Does anyone want to remind him not to be so silly anymore, or he'll really be defamed."

Seeing the comments popping up on the live stream, Zhan Bo's fans were a little anxious.

They all told Zhan Bo to keep a distance from Qiao Mianmian and not stand up for her anymore.

Previously, the fans weren't too against Zhan Bo and Qiao Mianmian's friendship.

They were even happy about it.

Mainly because Qiao Mianmian was already married.

Moreover, Qiao Mianmian was the daughter of a rich family, and her husband was a super big shot. Zhan Bo and her becoming good friends was beneficial to his career development.

But now that Zhan Bo had negative news because of Qiao Mianmian, the fans couldn't wait for him to cut ties with her.

Qiao Mianmian and Zhan Bo naturally didn't know what was going on in the live stream.

Jiang Xinyue couldn't maintain her smile anymore.

"S-Senior Zhan, did I do something wrong to offend you?" Jiang Xinyue bit her lip and looked aggrieved.

Zhan Bo frowned and was about to speak when Qiao Mianmian quickly tugged at his sleeve and said, "The restaurant's name is Ma Xi's Kitchen. Zhan Bo doesn't think there's anything to recommend it because that restaurant's food is on the ordinary side and not very unique. Don't overthink it, he doesn't mean anything else."

As soon as Qiao Mianmian finished speaking, Jiang Xinyue turned to look at her.

The moment their eyes met, she felt a hint of coldness and hostility.

However, outwards, Jiang Xinyue sounded aggrieved. "Senior Qiao, is that true? Did I do something wrong to make you angry?"

Qiao Mianmian felt a sense of familiarity when she looked at her, but she still didn't know where it came from.

She was sure that she had never seen Jiang Xinyue before.

But she felt a sense of familiarity when she looked at her.

It was as if... they knew each other.

Also, Zhan Bo said that Jiang Xinyue was hostile towards her.

Qiao Mianmian also felt it this time.
