

Big Shot 2781

Chapter 2781: A Strong Feeling of Discomfort

Qiao Mianmian found it strange.

She really couldn't understand why.

Logically speaking, if she felt a sense of familiarity every time she saw Jiang Xinyue, they should have known each other before.

At least, she should have seen her before.

But how come she had no memory of her?

With this strange feeling, Qiao Mianmian looked at Jiang Xinyue again. The moment their eyes met, Qiao Mianmian felt an inexplicable sense of familiarity.

She frowned in confusion.

"Senior Qiao..." Jiang Xinyue sounded aggrieved.

Qiao Mianmian immediately snapped back to her senses and suppressed the strange feeling in her heart. "Don't think too much, it really has nothing to do with you. Also, don't call me Senior Qiao. We're about the same age, you can just call me by my name."

"Alright." Jiang Xinyue immediately agreed and said affectionately, "You're a year older than me. Can I call you Sister Mianmian?"

Qiao Mianmian didn't like the way she addressed her, she wouldn't mind rejecting her again.

It was true that their small group ostracized Jiang Xinyue.

She didn't care about the scandals.

Anyway, she used to be covered in scandals. This wasn't the first time.

But Zhan Bo was different.

He had always been a good idol with a positive image. He hadn't had any negative news since he debuted, and Qiao Mianmian didn't want him to start now.

Although Zhan Bo could inherit his father's billions of assets, he, a rich second-generation heir who didn't lack money, insisted on being in the entertainment industry because it was his hobby.

Since it was a hobby, he couldn't lose it because of her.

"Of course." Qiao Mianmian smiled kindly.

"That's great." Jiang Xinyue looked happy. She held Qiao Mianmian's hand happily and said affectionately, "Then, call me Xinyue. Sister Mianmian, I'm really happy. I've always liked you, especially that 'If You Can't Love' you starred in. It's so good. I've watched it three times.

“I really didn’t expect to have the chance to appear on the same show with you.”

Qiao Mianmian felt a strong feeling of discomfort and wanted to shake off Jiang Xinyue’s hand, but she resisted it.

“Sister Mianmian, this is my first time on such a show. I don’t know many things. If I have anything I don’t understand in the future, can I ask you?” Jiang Xinyue was like an innocent little girl, holding her hand affectionately.

Qiao Mianmian said, “...Mm, sure.”

Beside Qiao Mianmian, Zhan Bo’s sharp eyes saw through Jiang Xinyue’s feigned innocence. He resisted the urge to roll his eyes and pulled Qiao Mianmian. “Let’s talk later. Let’s go get the mission.”

At this moment, the person in charge of this episode, Brother Li, walked over. He glanced at the few people who arrived first and said to them, “Almost everyone is here, right? Then, I’ll start handing out missions.

“Now, you guys will draw lots to form a team. You will be divided into three groups, each with the same letter.. Alright, let’s start drawing lots.”

Chapter 2782: Can You Do It Again

Upon hearing the rules of the game, Zhan Bo was stunned. “Draw lots? We can’t form groups freely?”

He’d already told Qiao Mianmian that he wanted to be in the same group as her.

Moreover, he only wanted to be in the same group as Qiao Mianmian.

He wasn’t familiar with either Jiang Xinyue or Xu Min’er.

He found it awkward to be temporary parents with them.

Li Wei shook his head. “The first two episodes can be combined freely. But the rules for this episode have been changed. We have to draw lots to form a team.”

Zhan Bo: *?Damn!*

If he’d known this was the case, he wouldn’t have participated in this show.

...

A few minutes later, the results were out.

Qiao Mianmian and Qin Han both drew the “A” letter, and they formed a pair of temporary parents.

Xu Min’er and Xie Heng formed another pair.

The remaining pair was Zhan Bo and Jiang Xinyue.

Zhan Bo almost exploded when he found out that he was in the same team as Jiang Xinyue.

He was unwilling to pair with her.

He didn't want to acknowledge the outcome of the draw.

As the live stream was still ongoing, he couldn't lose his temper in public. Suppressing his anger, he pulled Li Wei aside, lowered his voice, and asked, "Brother Li, can we do this again?"

"Again?" Li Wei was stunned. "Are you dissatisfied with your pairing?"

"I'm not dissatisfied with drawing lots. It's just that I don't want to be on the same team as Jiang Xinyue." Zhan Bo didn't beat around the bush and said directly, "I can be on the same team as Xu Min'er, but not Jiang Xinyue."

The show would take half a month to finish.

The temporary parents would definitely have a lot of contact in the future.

After all, they would have to take care of a child together.

Thinking about how he was going to be with Jiang Xinyue for half a month, Zhan Bo had the urge to leave the show.

He didn't like Jiang Xinyue entirely because of Qiao Mianmian.

Although most of it was because of her.

Li Wei frowned when he heard his request. "Zhan Bo, I know you might have something against Jiang Xinyue, but the results are already out. If you ask for another draw, it will be too obvious.

"This isn't good.

"And this has never happened before. I think you can try to let go of your prejudices and interact with Jiang Xinyue. Perhaps she isn't a difficult person to get along with. Of course, if you insist on doing it again, I can discuss it with the other guests."

Zhan Bo kept quiet for a while before changing his mind. "Forget it, then."

If he asked to do it again, he would draw too much attention.

Anyway... it was only half a month.

He would just bear with it.

If Jiang Xinyue was too much for him, he would leave the show early.

...

After the pairs were confirmed, the next round was another draw.

Every team's temporary parents would draw their temporary child.

The two boys and one girl were participating in this episode.

One of the boys was a four-year-old, and the other was a five-year-old. The four-year-old was called Doudou, and the five-year-old was called Tong Tong.

The little girl was called Mengmeng. She was the youngest among the three children at only three-and-a-half years old.

These kids were also celebrities with millions of followers on Weibo.. Tong Tong was a child star and had already acted in several television dramas.

Chapter 2783: Do You Have to Keep a Face?

Before drawing lots again, Li Wei introduced the rules of the show to them. “In a while, you will also draw the children who are going to form a temporary family with you. Our program aims to serve these children. Hence, the production crew will arrange tasks for you every day. These tasks are related to taking care of the children.

“When the mission ends, the production crew and the audience will give you marks. Of course, your ‘children’ will also give you marks. The pair with the lowest score every day will be punished. Similarly, the pair with the best performance will also receive corresponding rewards.

“Is everyone ready? Let’s start drawing lots.”

Before coming, Qiao Mianmian had a basic understanding of the children who would be on this show with them.

According to her understanding, the oldest Tong Tong was a caring and gentle boy, and he was the most sensible and obedient of the three children.

It didn’t take much effort to take care of him.

Doudou was a timid and dependent child. Although he was a boy, his personality was more like a girl’s.

As for the youngest Mengmeng, Qiao Mianmian didn’t know much about her. She only knew that she was a little girl as cute as her name. Anyway, she looked obedient and cute, so it shouldn’t be difficult to take care of her.

...

Soon, the results were out.

Qiao Mianmian and Qin Han picked the only girl among the three.

Zhan Bo’s team picked the dependent and timid Doudou.

Xu Min’er’s team picked the most sensible Tong Tong.

Although Qiao Mianmian felt a little regretful that she didn’t get the best Tong Tong, she quickly accepted the result happily.

She liked girls more.

She hoped that she could have a beautiful baby girl in the future.

She felt that it was good to take care of a daughter.

Xu Min'er's team was also very happy. After all, everyone knew that Tong Tong was the easiest to take care of. Comparatively speaking, the difficulty of completing the mission was definitely the lowest.

Among the three of them, only Zhan Bo's team didn't have a good atmosphere. Zhan Bo wasn't smiling, and he didn't interact much with Jiang Xinyue. The two of them didn't look like teammates, but strangers.

There were over 15 million viewers in the live stream.

Many people were watching and discussing.

Zhan Bo and Jiang Xinyue's pair looked awkward, and more and more people criticized Zhan Bo.

"I feel like Zhan Bo is going overboard. Is there a need to keep a straight face? Jiang Xinyue is really unlucky to be in the same team as him."

"What's with Zhan Bo? Even if he really dislikes Jiang Xinyue, there's no need to make it so obvious."

"I think Zhan Bo is too much."

"I didn't like Jiang Xinyue at first, but I pity her now."

Zhan Bo's fans were also in the live stream. Seeing people criticizing their idol, they immediately jumped out to speak up for him.

"I really didn't expect someone to speak up for Jiang Xinyue. She's such a shameless woman for trying to ride on others' popularity and steal their show slot. Do you expect others to like someone like her?"

"That's right. How is my brother overboard? It's disgusting to be with such a shameless woman."

"I pity my brother. He's so unlucky to be with such a shameless woman!"

Chapter 2784: Her Heart Softened

The argument in the live stream was getting worse.

Zhan Bo was quickly trending because of the negative news.

Zhan Bo Coldly Assaults Jiang Xinyue

...

"Alright, the draw is over. Everyone has drawn their own children. Your next task is to bring your children back and prepare a meal for them.

"This is your first mission. The success of the mission is mainly determined by your children. If the meal satisfies them and they feel that it's delicious, then the mission is a success. On the other hand... it means that the mission has failed. When the time comes, you have to receive the corresponding punishment.

“The production crew has already placed the ingredients in the fridge in your room. The ingredients are for a day, and you can eat whatever you want for each meal. Now, the crew has gone to pick up your child. Please wait for a while.”

Qiao Mianmian heard a childish voice.

It was a girl’s voice.

“Uncle, I’ll be able to see my Dad and Mom soon.”

The crew member’s voice was very gentle. “Yes, Mengmeng will be able to see Daddy and Mommy soon. Is Mengmeng nervous?”

“Mengmeng isn’t nervous.” The little girl’s voice was loud and clear. “Uncle, you’re saying that Mengmeng’s dad is a hunk and her mom is a beauty, right!”

“Mm, Mengmeng’s new daddy is super handsome, and her new mommy is super beautiful.”

“Mengmeng loves handsome men and beautiful women! Uncle, let’s go faster. I want to see Daddy and Mommy soon!”

She sounded eager.

After a while, Qiao Mianmian saw the staff walking out of the elevator with a little girl in a pink princess dress.

The little girl had curly hair and a huge pink bow on her head. Her facial features were exquisite, and she looked like a doll.

“Uncle Li!” Seeing Li Wei standing outside, the little girl let go of the staff and ran towards him.

Li Wei immediately squatted down and hugged her.

The child hugged him and called out coquettishly, “Uncle Li!”

“Mengmeng, be good. Uncle Li will bring you to see your parents, alright?” Li Wei patted the little girl’s head and said gently.

“Alright!” she replied.

Li Wei held the little girl’s hand and stood up slowly. He then led her to Qiao Mianmian and Qin Han.

“Mengmeng, these are your parents. You’ll be with them. You have to listen to them, understand?”

The little girl looked up at them curiously.

After sizing them up for a while, she asked childishly, “Are you my Dad and Mom?”

This was the first time Qiao Mianmian was called Mom.

Although it was just temporary, her heart softened.

She immediately squatted down and reached out to touch the little girl’s head. Her voice subconsciously became gentle. “Mm, are you Mengmeng? Mengmeng is so good-looking, like a little princess.

“Mommy is so pretty too, like a big princess.”

Chapter 2785: Easy to Take Care Of

The little girl blinked and looked at Qiao Mianmian for a while. Suddenly, she threw herself into Qiao Mianmian’s arms and started to act coquettishly. “Mommy, you’re so beautiful, you look like a fairy.

“I like Mommy. Mommy is so beautiful.”

Qiao Mianmian’s heart melted. She hugged her “daughter” and kissed her on the cheek. “Mengmeng is a little fairy too. Mom likes her too.”

Ahhh, this little girl was too cute.

She was fragrant, soft, and tender. She felt so good in her arms.

At this point, Qiao Mianmian’s motherly love was fully aroused.

She didn’t find it troublesome at all.

She couldn’t help but wonder what it would be like if she and Mo Yesi had a daughter.

She would be a very, very beautiful little fairy.

She would be loved by everyone.

She really wanted a daughter.

“Mengmeng only likes Mom?” Qin Han squatted down and asked with jealousy.

The little girl in Qiao Mianmian’s arms heard Qin Han’s voice. She slowly turned her head and stared at him for a few seconds. Then, her big grape-like eyes lit up. “Are you Mengmeng’s dad?”

Qin Han smiled gently. “Yes.”

“Wow, Dad looks so good. Mengmeng likes Dad too!”

It was obvious that the little girl was obsessed with looks. Seeing her handsome father, she immediately opened her arms and wanted Qin Han to hug her.

“Dad, hug Mengmeng!”

Qin Han liked children, especially such a cute little girl.

He happily picked her up.

The little girl was obviously very satisfied with her new parents and liked them very much.

She leaned against Qin Han and kissed him on the neck. Then, she turned around and kissed Qiao Mianmian.

Seeing this, Li Wei smiled and said, "It seems like our little princess Mengmeng is very satisfied with her intern parents. Next, the parents will bring your little babies back to their rooms and prepare a sumptuous and delicious lunch for them."

The elevator doors opened again.

The production crew led the guests out.

As expected, the oldest Tong Tong was the most sensible and easiest to take care of. After the staff told him who his temporary parents were, he took the initiative to call them first. Soon, he established familiarity and intimacy with his temporary parents.

Then, Xu Min'er and Xie Heng took Tong Tong away.

Only the last guest, Doudou, was still looking at his "new daddy" and "new mommy" timidly. The little guy's eyes were red as if he was about to cry. Even though the staff told him that Jiang Xinyue and Zhan Bo were his parents, he still pursed his lips and didn't call them.

"Doudou, call Daddy and Mommy." Li Wei squatted down and whispered into his ear, "Daddy and Mommy like Doudou a lot. Does Doudou not like them?"

Qiao Anxin wanted to show off and build up her image as a gentle and virtuous mother. She squatted down and imitated Qiao Mianmian's actions. She reached out to pat Doudou's head and said gently, "Are you Doudou? Doudou is so handsome."

She thought that children were easy to coax, that it wasn't difficult to take care of them.

Unexpectedly, the little boy burst into tears.

Chapter 2786: Why Is Doudou Acting So Strangely Today?

The boy pushed her away and wailed. "I don't want you to be my mommy. I want my own mommy. I don't want to be here. I want to go home, I want to go home..."

Qiao Anxin didn't expect the boy to push her away.

Even though he was only four years old, he almost pushed her to the ground.

Her expression changed.

Just as she was about to flare up, she suddenly recalled that it was a live stream. She could only suppress her anger.

But she was furious.

Damn it.

What kind of lousy child was this?

She was so upset by his crying that she wanted to stuff his mouth with something.

Li Wei didn't expect the little boy to react this way. Seeing that he was crying so sadly, he quickly squatted down and comforted him. "Why is Doudou crying? No one bullied you. Before you came to the show, didn't you promise Dad and Mom that you'd be good and not cry so easily?"

"Uncle Li, I want to go home." The little boy was still crying.

Li Wei nodded. "Baby, you're here to record a show. Uncle can only send you home after the show is done. Didn't I tell you before you came? Didn't you agree? Why do you want to go home now?"

"Don't be afraid."

Li Wei pulled the boy out of his arms and pointed at Qiao Anxin. "This is your new mommy. You'll live with her for the next half a month. She'll take good care of you."

"Yes, Doudou, come with Mommy, alright?" Qiao Anxin pretended to be gentle and reached out to touch the little boy's head again, trying to regain her lost face. "Doudou, don't be afraid. Mommy isn't a bad person. Mommy will dote on you."

Who knew?

Before her hand could touch the boy's head, he quickly dodged it.

The little boy snuggled into Li Wei's arms as if he was avoiding something scary. "No, I don't want to. Uncle Li, I don't want her to be my mother. I don't want to go with her, I don't want to!"

Qiao Anxin couldn't maintain her smile anymore.

Even Li Wei felt a little awkward.

Although the other children had some problems, none of them argued like Doudou.

And Doudou had always been obedient.

Why was he throwing a tantrum now?

But he was a child, after all. He could only coax him.

Li Wei asked patiently, "Doudou, aren't you the most obedient? Tell Uncle Li, why don't you want to go with your new mommy? Don't you like her?"

The little boy glanced at Qiao Anxin and saw the darkness in her eyes. He buried his head in Li Wei's arms again and resumed crying.

Li Wei felt a headache coming on.

He could still handle it if it was something else.

But he couldn't do anything about it.

Why was Doudou acting so strangely today?

The netizens in the live stream couldn't help but discuss.

"This Doudou is so difficult to deal with. I feel like Li Wei can't handle it."

“The other two children are very obedient.. Doudou isn’t the youngest, why is he so insensible? He’s so timid and doesn’t want to participate in the show, they shouldn’t have let him come.”

Chapter 2787: Mocking Her for Not Knowing How to Coax Children

“Doudou is just a four-year-old child. Isn’t it normal for him to miss his parents and want to go home? The people criticizing him are too demanding. Moreover, wasn’t he fine when the staff member led him out of the elevator? He only started making trouble after seeing Jiang Xinyue.”

“I realized it too. Doudou didn’t cry or throw a tantrum initially. But when he saw Jiang Xinyue, he seemed shocked. He cried and threw a tantrum. He said that he didn’t want Jiang Xinyue to be his mother. This shows that he doesn’t like her.”

“Children are very sensitive. They can tell if the other party is kind or hostile. I think... Doudou might have felt something, that’s why he’s acting like this.”

The little boy hugged Li Wei and refused to let go. Li Wei tried to coax him for a while, but he still failed. Just as he was at a loss, Zhan Bo, who had been standing at the side and watching coldly, suddenly said, “Doudou, do you want to play games with me?”

The little boy stopped crying the moment he spoke.

Zhan Bo took out his cell phone calmly and opened King of Medicine. “If you stop crying and listen to me obediently, I’ll let you play a round. How about it, do you want to play? Do you want to listen to me?”

With that, he waved his cell phone at the little boy.

The little boy, whose eyes were red and tear-stained, looked at his cell phone and his eyes lit up.

Zhan Bo smiled and walked towards him slowly. He squatted down and asked, “Doudou, do you want to play a game?”

The little boy blinked and stopped crying as he looked at the cell phone. “Yes!”

“Mm, then listen to me obediently. I’ll let you play.” Zhan Bo reached out and pulled the little boy from Li Wei’s arms. Then, he picked him up easily. “Now, you’re not allowed to cry anymore. I know you have a father, but I’m your father now. You have to live with me for this period of time. Whether you like me or not, let’s make do with this half a month, alright?”

“After this half a month, no one will be able to control you whether you want to go home or what. But before that, you have to listen to me, your father. Do you understand?” Zhan Bo handed the cell phone to the little boy and carried him to the room behind them.

The group of people behind him widened their eyes as they watched the little boy, who had been crying non-stop, being coaxed by Zhan Bo with just a few words.

The little boy in Zhan Bo’s arms stopped crying and stopped making a scene. He obediently let Zhan Bo carry him away.

Li Wei stared at him for a while and sighed. "I didn't expect a young lad like Zhan Bo to be so good at coaxing children."

A crew member nodded. "Yes, Doudou became obedient in front of him."

Qiao Anxin's expression darkened.

She thought that Li Wei was mocking her for not knowing how to coax children.

And what did that damned comment mean?

They were in the same group now.

He actually left with that lousy child without saying a word to her!

What did he mean by that!

Was he deliberately neglecting her because of Qiao Mianmian?

Chapter 2788: Can't You Satisfy Her?

The slut really didn't change her nature.

She didn't forget to seduce men no matter where she went.

Could Mo Yesi not satisfy her?

She already had the most outstanding man in the world, and countless women envied her.

But she was still greedy.

She actually seduced another man outside.

In ancient times, such a promiscuous woman would be drowned in a pigpen.

Qiao Anxin really couldn't understand.

Why were so many men willing to fall for such a casual woman? It was fine if it was other men, but why couldn't a smart man like Mo Yesi see through her true colors?

And now...

He knew that Qiao Mianmian was already married, but he was still protecting her.

Qiao Mianmian was such a shameless slut!

She had to expose her hypocrisy and let everyone know how much of a slut she was!

...

After Qiao Mianmian and Qin Han brought their "daughter" to their room, Qiao Mianmian told Qin Han to keep an eye on Mengmeng. "You play with Mengmeng, I'll go to the fridge and see what's there. If it's just the three of us, I think four dishes and one soup will be enough."

Qin Han nodded. "Alright. If you need my help, just let me know. I'm not good at cooking, but I can be your assistant."

"Mm, I won't stand on ceremony if I need your help." Qiao Mianmian walked over and pinched Mengmeng's cheeks. "Mengmeng, Daddy will play with you. Mommy will cook for you, alright?"

"Do you have anything you want to eat? Tell Mommy."

Mengmeng looked up and said, "Mommy, I want to eat ice cream. Can I?"

"Ice cream?" Qiao Mianmian was stunned.

Although she had never taken care of a child before, she knew that children couldn't eat sweet food often.

And there probably wasn't any ice cream in the fridge.

She thought for a while and reached out to pat Mengmeng's head. "Baby, can we change to another one? Little kids will have tooth decay after eating sweet food. Our Mengmeng is so beautiful, it won't look good if her teeth get bad."

Little girls were so vain.

Even a three-year-old girl.

Hearing that tooth decay wasn't pretty, Mengmeng immediately shook her head and hurriedly said, "Then, Mengmeng won't eat ice cream."

"Mengmeng is so obedient." Qiao Mianmian cupped her face and kissed it. "Mommy will make you a steamed egg, alright? Smart and good-looking children like to eat steamed eggs."

The little girl blinked her big eyes curiously. "Will Mengmeng become smarter and prettier after eating steamed eggs?"

"Of course." Qiao Mianmian smiled. "Our Mengmeng is already very beautiful and smart. After eating the steamed egg, she'll become even smarter and better-looking. The other children will also like you more."

"Mengmeng wants steamed eggs, Mengmeng wants steamed eggs!"

Children were easy to coax.

As long as they were beautiful and smart, they wouldn't reject anything you said.

This was what Jiang Luoli taught Qiao Mianmian.

She didn't expect it to come in handy so soon.

Qiao Mianmian handed their "daughter" to Qin Han and went to the kitchen..

Chapter 2789: He Couldn't Wait to Bring Her Back

In Qiao Mianmian and Qin Han's live stream.

At the desk, the man's handsome face seemed to be covered in a layer of frost as he looked at the warm and harmonious scene in the live stream with a dark expression.

Wei Zheng felt pressured as he reported to his boss. Although he didn't know why his boss' expression suddenly changed, he didn't even dare to breathe.

He hadn't felt Chairman Mo's anger in a long time.

After all, Chairman Mo and Young Madam had such a good relationship now. As long as he didn't have any conflict with Young Madam, Chairman Mo wouldn't be in a bad mood.

In the past, work could still affect Chairman Mo.

But now, the only person who could affect him was Young Madam.

So...

Was Chairman Mo's sudden change be related to Young Madam?

But wasn't Young Madam recording a variety show?

Wei Zheng was confused, but he didn't dare to say anything.

He continued reporting on his work despite the low pressure from his boss. "Our cooperation with Hengda Corporation has been confirmed. If nothing goes wrong, we can successfully sign the contract this week.

"Also, the team in charge of the branch company in D City has been chosen. Chairman Mo, I've sent the name list of the branch company's leaders to your email. If you don't have any objections, I'll inform..."

The man slowly looked up.

His face was dark.

Wei Zheng was at a loss for words.

He felt as if his heart was frozen by the coldness in his boss's eyes.

He couldn't even move.

Oh my.

Chairman Mo's face was so dark...

How scary.

Did Young Madam do something to make him angry again?

"Chairman Mo, you..." Wei Zheng struggled to speak.

"I regret it." Mo Yesi suddenly said something that confused him.

Wei Zheng was confused.

His eyes were full of question marks. "Chairman Mo, w-what do you regret?"

The handsome and elegant man pursed his thin lips and looked angry. After a moment of silence, he said in a low voice, "I shouldn't have let her participate in that damn variety show."

He thought that this variety show with no ambiguous interaction was safer.

That was why he allowed her to attend.

But when he thought about the glaring scene he saw in the live stream, he couldn't wait to bring her back.

This damn show actually made her share a room with another man?

And made her husband and wife with another man?

And even arranged a daughter for them?

Although he hadn't seen any ambiguous interactions, this arrangement alone was enough to make him angry.

He should have known that this was what a parent-child variety show was like.

No matter what, he wouldn't let Qiao Mianmian participate in this show.

"Chairman Mo, are you referring to... the variety show Young Madam is recording?" Wei Zheng asked.

He knew that Chairman Mo wouldn't be so angry if it wasn't about Young Madam.

Only Young Madam could make him like this.

Mo Yesi said coldly, "She actually didn't tell me that this variety show is like this.. Wei Zheng, immediately do something about it."

Chapter 2790: No One Is Worthy Except Him!

Wei Zheng quickly said, "Chairman Mo, please instruct me."

Mo Yesi's cold gaze landed on the laptop screen in front of him again. The live stream still looked beautiful, warm, and loving.

Mo Yesi's wife was cooking for another man.

And that man called Qin Han was helping Qiao Mianmian with their so-called "daughter."

The little girl addressed Qin Han as her father and Qiao Mianmian as her mother.

What angered Mo Yesi even more was that many netizens in the live stream were spamming things like "What a warm family" and "Gao Yan is a family of three". Some even said that they thought Qiao Mianmian and Qin Han were a good match.

They said that if Qiao Mianmian wasn't already married, she would be a good match for Qin Han.

Mo Yesi's expression darkened as he read the comments. His handsome face seemed to be covered in a layer of frost. He just wanted to shut down the live stream immediately.

These netizens must be blind.

Not only were they blind, but he was also blind.

Hence, they felt that Qiao Mianmian and Qin Han were a good match.

Only one person in this world was compatible with Qiao Mianmian—him, Mo Yesi!

Qiao Mianmian was destined to be his woman.

No one could change it.

Mo Yesi looked at the comments for a while and got even more anxious. He took a deep breath and suppressed his anger. "Contact Tomato TV Station's Head and tell him that the Mo Corporation wants to invest 500 million yuan in 'My Intern Parents'.

"We can increase our investment based on the situation."

Wei Zheng was stunned.

Wasn't "My Intern Parents" the variety show Young Madam was participating in?

Why was Chairman Mo suddenly investing in this show?

Based on Young Madam's popularity, she had to be invited to these shows. There was no need to invest them.

Wei Zheng couldn't help but ask, "Chairman Mo, are you referring to... Young Madam's variety show?"

Mo Yesi looked up at him coldly. "Why are you asking when you already know?"

"Yes, Chairman Mo. I'll get it done right away." Wei Zheng trembled in fear.

Chairman Mo was obviously in a bad mood.

He would probably be sent to Country F.

"Tell the Station Head that we have to change some of the rules of Young Madam's variety show." Mo Yesi narrowed his eyes and said after a moment of silence, "Forget it. Get the Station Head to contact me, I'll tell him personally.

"Also, clear my schedule for the day after tomorrow. I have something to do."

...

Qiao Mianmian used the ingredients given by the production crew to make lunch.

She made four dishes and a soup.

One of the dishes was mainly for Mengmeng.

It was nutritious and delicious. It was very suitable for growing children.

There was also a braised lion head and a steamed bass. Then, she fried a lusheng, boiled cabbage, and made tofu soup.

These were common homemade dishes.

Making four dishes and a soup took her only an hour.

The variety show she was participating in this time was different from her previous “The Meaning of Traveling”.

“The Meaning of Traveling” was basically about abusing the guests the entire time.. The point was the usually glamorous superstar bidding farewell to his superior life and living a miserable life.
