

Big Shot 2791

Chapter 2791: A Giveaway Question

How bitter.

For example, having only 200 to 300 yuan a week.

For example, having to do farm work every day to earn money.

For example, having to stay in lousy rooms like ordinary people.

Celebrities made money quickly and had high social status. They usually led a superior life that ordinary people envied.

Suddenly, a show wanted them to suffer and embarrass themselves. It wanted them to show a completely different side to them. The audience was naturally interested and curious.

But “My Intern Parents” was a parent-child variety show, so there was no need for the guests to suffer. On the contrary, the production crew was very generous and prepared a lot of material for the guests.

They lived in a high-end district.

The guests’ rooms were also decorated comfortably. All the appliances were prepared, and every room had a central air conditioner. It maintained a very comfortable and pleasant temperature 24 hours a day.

The ingredients in the fridge were exceptionally rich. There was a box full of everything.

Moreover, there was no need to keep their cell phones for this show.

In other words, the guests could use their phones during the filming process.

It was very humane.

To Qiao Mianmian, not only was this show very humane, but even the tasks were much simpler than the previous variety show.

The first day’s task was actually just to make food for the child.

As long as the food was approved, the mission was considered completed.

Such a task was naturally easy for Qiao Mianmian.

This was like a giveaway question.

She could pass it even with her eyes closed.

Qiao Mianmian was confident in her culinary skills.

As long as Mengmeng wasn’t as picky as Mo Yesi, she felt that her culinary skills could conquer the other party.

...

Qiao Mianmian's four dishes and one soup were very popular.

The meal was almost entirely finished.

The little girl ate the steamed egg with prawns specially made for her.

Not only did she finish it, but she also got Qiao Mianmian to make it more for her.

This was an affirmation of her culinary skills.

Qin Han was also full of praise for her culinary skills. "I didn't expect you to cook so well. Mengmeng and I are so lucky to be in the same group as you. Then, I'll leave the three meals a day to you. I'll do the dishes."

Qin Han didn't know how to cook.

Hence, he suggested that he wash the dishes after the meals.

Qiao Mianmian didn't stand on ceremony with him and nodded. "Alright. I'll cook, you can wash the dishes."

She and Qin Han were teammates now.

The housework had to be done.

Even if Qin Han was her senior, Qiao Mianmian couldn't possibly do everything by herself.

After the meal, Qin Han rolled up his sleeves and went to the kitchen to wash the dishes. Qiao Mianmian accompanied Mengmeng in the living room to watch cartoons. The little girl was much easier to take care of than she imagined. After watching two episodes, Qiao Mianmian coaxed her to take a nap.

Qiao Mianmian sat by the bed and sang the lullaby for a while.

After Mengmeng fell asleep, Qiao Mianmian covered her with the blanket and left the bedroom quietly.

She closed the door gently.

Qin Han came out of the kitchen after washing the dishes and wiping his hands. Seeing her coming out of the bedroom, he asked, "Is Mengmeng asleep?"

Chapter 2792: Are We Moving Out Now?

"Mm." Qiao Mianmian turned around and lowered her voice. "She just fell asleep."

Qin Han smiled. "She's pretty obedient. She went to sleep after eating. I thought it would be difficult to take care of children, but it's much easier than I thought."

Qiao Mianmian nodded in agreement.

She'd thought that children were hard to take care of.

Especially such a delicate little girl.

But she didn't expect Mengmeng to be so easygoing.

It wasn't troublesome at all.

She ate her food obediently and watched the cartoon. Qiao Mianmian said that she could only watch two episodes, and Mengmeng didn't insist on watching more.

She quickly fell asleep.

Qiao Mianmian felt that if children were so easy to raise, she wouldn't mind having two.

After all, she only wanted to have a child previously because she felt that it was too troublesome to take care of them.

She felt that she wouldn't be able to take care of the child.

But now, she was taking care of Mengmeng so easily. She naturally didn't find it troublesome anymore.

"Yes, Mengmeng is really obedient and easy to take care of." Qiao Mianmian smiled. "It seems like our first day's task can be easily completed."

"It's a good thing I was paired with you." Qin Han was generous with her praise. "You're good at cooking, and Mengmeng likes it too. If both of us didn't know how to cook, I'm afraid the first task would be a failure."

"It wasn't just me. Although you don't know how to cook, I think you're pretty good at coaxing children. If you hadn't coaxed Mengmeng, I wouldn't have been able to focus on cooking."

"Alright, let's not keep praising each other." Qin Han smiled. "Do you want to take a nap? Go to my room."

After the pairing, a man and a woman shared a room.

Two rooms were available for the guests.

Qiao Mianmian had just carried Mengmeng into her bedroom.

Qin Han was a gentleman, so he lent his room for Qiao Mianmian to take a nap.

"I..." Qiao Mianmian was about to say that she wasn't sleepy and didn't need her lunch break when she heard a knock on the door.

She and Qin Han exchanged glances. Qin Han walked to the door and opened it.

Li Wei stood outside.

Qin Han smiled and asked, "Brother Li, what's the matter?"

"Mm, there's something." Li Wei nodded. He looked past him at Qiao Mianmian, who was standing behind him. He paused for a while before saying, "The higher-ups have just informed us that some of the original arrangements have to be changed. Pack your luggage. The production crew has arranged a new room for the male guests. The male and female guests won't live together anymore."

Qin Han was stunned for a while but quickly regained his composure. "Are we moving out now?"

"Mm." Li Wei nodded and looked at Qiao Mianmian. "Move out now."

"Alright." Qin Han didn't ask why he suddenly asked all the male guests to leave, but he could guess why.. Li Wei's eyes were on Qiao Mianmian when he spoke to him just now.

Chapter 2793: Requested by a Big Boss

This probably had something to do with Qiao Mianmian.

Of course, this request wasn't made by Qiao Mianmian.

It was probably her possessive and jealous husband.

It wouldn't be strange if it was Mo Yesi's request.

The Chairman of the Mo Corporation was a super big shot. As long as he asked, no matter how tricky and rude his request was, the production crew wouldn't dare to disagree.

But...

Qin Han smiled and turned to look at Qiao Mianmian.

It seemed like the rumors were true.

Mo Yesi really cared about Qiao Mianmian.

"Then, pack up first. Other crew members will bring you to your new place later. It's not far, just the first floor downstairs. I have to inform the others, I'll get going first." Li Wei then turned to inform the other male guests.

Qin Han waited for Li Wei to leave before returning to the living room.

"Brother Han, what's the matter?" Qiao Mianmian asked.

"Brother Li said that the male guests have to move to another room." Qin Han didn't think it was a big deal to have a room for each guest.

This way, they could avoid sensitive topics.

But...

He wondered if he could still eat Qiao Mianmian's food after moving out.

Qiao Mianmian's food was good and suited his taste.

It would be a pity if he couldn't eat it.

Qiao Mianmian was stunned. "Why?"

“I’m not sure. I think the production crew feels that this arrangement is more suitable.” Although Qin Han said he didn’t know the reason, he was thinking that this was requested by her husband. Mo Yesi didn’t want Qiao Mianmian to share a room with another man.

Even if they shared a bedroom, nothing could happen with the cameras on all day long.

“Then, do you need me to help you pack your luggage?” Qiao Mianmian didn’t ask further because she didn’t expect it to be her husband’s work.

“No need, I don’t have much luggage. I’ll pack it soon. You’ll have the room for yourself when I’m gone. You can have a good afternoon nap.” With that, Qin Han went to the bedroom to pack.

At this moment.

The netizens started discussing this change.

“Guess why the production crew suddenly asked the male guests to move to another room?”

“Maybe because it’s not suitable for men and women to live together?”

“It can’t be. Didn’t they live together in the previous few episodes? And it’s not like they are squeezed in the same room. They have their own bedrooms. It’s not convenient to look after the child if they are separated. It doesn’t make sense for the male and female guests to live separately.”

“I heard that it was requested by a big shot. I heard that the big shot got jealous when he saw his wife sharing a room with another man. Hence, he invested a huge sum of money into the show and asked them to change it.”

“Big boss? Big boss’s wife? Mo Yesi?”

“Qiao Mianmian is probably the only female artiste who has a big boss for a husband.”

“The domineering CEO is jealous?”

...

Qin Han didn’t have much luggage.

After packing his luggage, he left with the crew members waiting for him.

As soon as Qin Han left, Qiao Mianmian received a message from Linda.

Linda: [I heard that Chairman Mo invested 500 million yuan in “My Intern Parents” just to get Qin Han to move out of your room? Is this true?]

Chapter 2794: You’re Unhappy?

Qiao Mianmian: [??]

Linda immediately sent another WeChat message: [Don’t tell me you didn’t know. Now the whole internet knows that Chairman Mo is a jealous lover. He’s petty. Because he minds that his wife is staying

in the same room with another man, he directly invested 500 million yuan into the show and requested for the production crew to arrange a separate room for the male guests.]

Linda: [Just because of this, he actually invested 500 million yuan. 500 million yuan! Although it's said that money is king, Chairman Mo is too capricious. Is he throwing money at a disagreement?]

Qiao Mianmian was speechless.

Qiao Mianmian: [You said that Mo Yesi was the one who requested the male and female guests to stay separately?]

Linda: [Yeah, that's what everyone is saying. I just got someone to ask, and it's true. Chairman Mo did invest 500 million yuan in the show.]

Qiao Mianmian: [I don't know, I'll ask him.]

Qiao Mianmian really didn't know about Mo Yesi's investment.

After the meal, she watched cartoons with Mengmeng and then coaxed her to sleep. She had no time to look at her cell phone.

Only now did she have the time to look at her cell phone.

Hence, she didn't even see that the news of Mo Yesi investing in the show had already spread on Weibo.

Everyone knew that the Chairman of the Mo Corporation was a jealous lover.

Qiao Mianmian sent Mo Yesi a WeChat message.

Qiao Mianmian: [You invested 500 million yuan in the show? Is this true?]

Mo Yesi replied shortly.

Mo Yesi: [Mm, what's wrong?]

Qiao Mianmian felt a headache coming on.

Mo Yesi was such a prodigal!

Was he too rich?

This was 500 million!

Not 50,000 yuan, 500,000 yuan, or 5 million yuan. It was 500 million yuan!

Did he invest so much just for the production crew to separate the male and female guests?

Qiao Mianmian felt bad for the money.

Even if he was rich, he couldn't be so willful.

500 million yuan could buy luxury cars, jewelry, clothes, bags, and cosmetics. Wasn't it good?

Qiao Mianmian was a little angry. [You're doing this because you don't want me to live with Qin Han? So you're using this investment to make us live separately?]

This time, Mo Yesi didn't reply immediately.

He waited for about a minute before replying: [You're unhappy?]

Qiao Mianmian: [Although the male and female guests live together, they have their own bedrooms. And there are cameras everywhere, so it's impossible for something ambiguous to happen.]

A minute later, Mo Yesi replied: [So, you're unhappy?]

He seemed to be very concerned about this.

Qiao Mianmian didn't hide her feelings.

Qiao Mianmian: [Mo Yesi, I don't think you have to do this. I still have to film with male actors in the future. Sometimes, I can't avoid intimate scenes. Do you have to settle it this way? Unless I don't want to be an actress anymore and leave the entertainment industry.. No, no, even if I leave the entertainment industry, I can't possibly avoid other men for the rest of my life.]

Chapter 2795: I Can Only Accept It

Mo Yesi: [I'm not stopping you from interacting with the opposite sex.]

Qiao Mianmian: [Did you ask the production crew for the male and female guests to live separately?]

Mo Yesi: [I did. But I don't think I did anything wrong.]

Qiao Mianmian was about to reply when he called.

Qiao Mianmian picked it up.

"I was waiting for your call today. I know you're busy and can't contact me, so I've been waiting for you to contact me. I waited for half a day and finally got your WeChat message. Are you planning to fight with me?"

Qiao Mianmian could hear the hint of grievance in his low and alluring voice.

Before she could say anything, the man continued, "Baby, I miss you."

Qiao Mianmian was speechless.

She didn't intend to fight with Mo Yesi, she just wanted to reason with him.

But now, his "Baby, I miss you" made Qiao Mianmian forget what she wanted to say.

"Have you thought about me?" Mo Yesi didn't seem to want to continue the unpleasant topic. He only wanted to tell his wife how much he loved her.

Qiao Mianmian said, "We've only been apart for a few hours..."

"Mm, to be precise, four and a half hours."

Qiao Mianmian was speechless.

“Every minute is a long time for me without you.”

“Mo Yesi, aren’t you exaggerating?” Qiao Mianmian was amused.

The man sounded a little aggrieved. “I’m telling the truth. How could a heartless little ingrate like you know how important you are to me? So, you haven’t thought of me?”

“Uh...” Qiao Mianmian opened her mouth.

“I knew you were a heartless ingrate.” Mo Yesi sighed and admitted defeat. “I must have owed you in my previous life to make me like you in this life.”

Qiao Mianmian was amused by his bitterness. “It’s not too late to regret it now.”

“It’s too late.” Mo Yesi sighed again. “My heart has been stolen by you, you ingrate. I can only accept it. Forget it, it’s fine if you don’t miss me. You just have to know that I miss you.”

Qiao Mianmian put it on speaker.

Hence, her conversation with Mo Yesi was heard by the netizens on the live stream.

And they heard it clearly.

The live stream was in an uproar because of the call.

“Damn, Chairman Mo looks so cold and abstinent, but this is how he talks to his wife in private?”

“It turns out that the purer and more abstinent a man looks, the more passionate he is. Oh my, Chairman Mo’s sweet words are so mushy. It turns out that he and Qiao Mianmian are so romantic in private. I thought that a cold man like him wouldn’t know how to coax women.”

“Hahaha, did Qiao Mianmian forget she’s in a live stream? I wonder how Mo Yesi will feel if he found out that his sweet words were heard by us netizens.”

...

Qiao Mianmian had really forgotten that she was in a live stream.

Otherwise, she wouldn’t have put it on speaker.

She was a little confused and thought that she was still at home.

After she ended the call with Mo Yesi, she wanted to go to the live stream to take a look. Only when she saw the comments did she remember that she had turned on the speaker!

She blushed as she read the comments.

Chapter 2796: How Awkward

Ahhh.

How awkward.

So her conversation with Mo Yesi was overheard by the netizens?

Qiao Mianmian blushed again as she thought of their intimate words.

They didn't say anything outrageous, but Qiao Mianmian still felt a little embarrassed that so many people had heard their intimate conversation.

She didn't even know how could she make such a low-level mistake.

The netizens in the live stream saw that her face was as red as a tomato and started joking.

"Hahaha, I knew it. Mianbao must have forgotten she was in a live stream."

"Thank you, Mianbao. Otherwise, we wouldn't know that Chairman Mo is such a flirt in private."

"Ahhh, Mianbao and Chairman Mo are so sweet in private. Although we've been fed dog food, we are willing to eat it! I hope Mianbao and Chairman Mo can be happy forever."

"Was everyone paying attention to that call? Am I the only one watching the show seriously? I'm so embarrassed watching the live stream next door. Didn't you guys watch it?"

"Mm? What's wrong with the live stream room next door, sister? Whose live stream are you talking about?"

"She's probably talking about Zhan Bo and Jiang Xinyue's live stream. I saw a little of it, it was really awkward. The atmosphere isn't as good as Qiao Mianmian's live stream. I just watched for a few minutes and couldn't bear to watch anymore."

...

The atmosphere in Qiao Mianmian's live stream was harmonious and happy.

On the other hand, Jiang Xinyue and Zhan Bo's live stream was filled with an awkward atmosphere.

The netizens were embarrassed.

The two of them felt even more awkward.

Jiang Xinyue was the most embarrassed.

After successfully coaxing Doudou, Zhan Bo carried him back to the room assigned to them.

Doudou was hungry and wanted to eat.

Zhan Bo didn't know how to cook.

He only knew how to cook instant noodles.

But obviously, he couldn't make instant noodles for Doudou.

The production crew had requested that the ingredients in the fridge be used.

Zhan Bo didn't want to bother about Jiang Xinyue, but Doudou kept saying that he was hungry. He had no choice but to ask her, "Erm... Doudou said he's hungry. Can you cook?"

If only he was paired with Qiao Mianmian.

She cooked really well.

Zhan Bo didn't have much hope for Jiang Xinyue. After all, she looked like she didn't know how to do anything.

Not many female artistes could cook and cook well.

He was ready to fail the mission.

This was the first time Zhan Bo took the initiative to talk to Qiao Anxin.

Although she was unhappy with his previous actions, Zhan Bo took the initiative to look for her this time. She felt that she could use this opportunity to change his impression of her and get closer to him.

Once she got close to Zhan Bo, it wouldn't be difficult to get closer to Qin Han.

By then, Zhan Bo and Qin Han wouldn't just be around Qiao Mianmian.

Moreover, Qiao Anxin already knew that she would be scolded by netizens for having such a similar face to Qiao Mianmian.

Even if she was criticized, she would definitely be popular.

Chapter 2797: Untitled

Hence, her initial plan was to rely on negative reviews to gain fame and then rely on this variety show to clear her name.

As long as she successfully cleared her name, she could easily occupy a place in the entertainment industry.

Many artistes relied on variety shows to clear their names.

And the success rate was very high.

Qiao Anxin believed that she could clear her name too.

And now was her chance to gain popularity.

That was her wishful thinking. Hence, even though she didn't know how to cook, when Zhan Bo asked her, she still lied and said that she knew how to cook.

"You can cook?" Zhan Bo was a little surprised.

Qiao Anxin blinked guiltily and nodded. "Mm, I know some basic home-cooked dishes."

But in fact, she didn't know how to cook.

Like Zhan Bo, she only knew how to make instant noodles.

She had been pampered in the Qiao family all these years, so how could she do any housework?

Lin Huizhen felt that her daughter was destined to marry into a rich family. Many people would be serving her in the future, so she naturally wouldn't teach her anything.

Qiao Anxin thought so too.

"You really know how to cook?" Zhan Bo was surprised. He was just asking casually and didn't hold much hope.

"Just simple dishes." Qiao Anxin lied. She felt so guilty that she didn't dare to look him in the eye and kept blinking. "Doudou is hungry. Why don't I go to the fridge and see what dishes are there?"

Zhan Bo stared at her for a few seconds, and his expression suddenly became unnatural. He covered his mouth and coughed. "Mm. Then, I'll have to trouble you. I don't know how to cook, so I'll help you wash the vegetables?"

"No need, no need." Qiao Anxin waved her hand as if she was very hardworking. "I can do it alone. Let me see what's in the fridge first. Since there are three of us, I think we can make one meat dish and two vegetable dishes. What do you think?"

Zhan Bo's expression became even more unnatural.

He recalled how unfriendly he was to Jiang Xinyue previously, but she didn't mind it at all. Compared to her magnanimity, it seemed like he wasn't magnanimous enough.

Thinking of this, Zhan Bo felt bad.

His tone wasn't as cold and distant now. It was more approachable and friendly. "Anything is fine. Just make it simple. I'm not picky, I'll eat whatever you cook. But do you really not need my help?"

Qiao Anxin could feel the change in his attitude towards her.

Elated, she pretended to be more gentle. "There's really no need. I can do it alone. When I'm done, Senior can come in and serve the dishes."

The more Qiao Anxin didn't want Zhan Bo to help, the more he felt bad.

The more he thought about it, the more he felt that he'd gone overboard.

Did he misunderstand Jiang Xinyue?

Perhaps she wasn't such a scheming woman, and neither was she trying to ride on Qiao Mianmian's popularity?

Perhaps she wasn't as bad as he thought?

Chapter 2798: Untitled

Qiao Anxin was delighted by Zhan Bo's change in attitude.

Everything seemed to be going according to her prediction.

As long as she took down Zhan Bo and Qin Han first, they would be on her side.

Then, the netizens' impression of her would change from negative to good.

Zhan Bo and Qin Han were the most popular in the industry.

They had countless fans.

With them on her side, the fans couldn't say anything.

Qiao Anxin was happy and wanted to take the opportunity to gain more affection.

Looking at Doudou watching television on the sofa, she thought for a while, then squatted in front of him and reached out to touch his head. "Doudou, do you have anything you want to eat? Mommy is going to cook. Mommy can make anything you want to eat."

Qiao Anxin thought that Doudou wouldn't be so against her anymore.

She thought he was just too timid in front of strangers.

Unexpectedly, she was once again rejected by Doudou.

Seeing that she was about to touch him, Doudou jumped off the sofa and ran to Zhan Bo's side as if he was shocked. He hugged Zhan Bo's leg, and the rejection on his face was obvious. "Daddy Zhan~"

He called out to Zhan Bo, wanting to hug him.

Zhan Bo looked down at Little Doudou, who was hugging his calf with a terrified expression on his face. He couldn't help but have some doubts.

He bent down and picked him up.

"Doudou, didn't you say you were hungry? Mommy is going to cook for you, why did you run away?" Zhan Bo found it strange. He wondered why Doudou disliked Jiang Xinyue so much.

Logically speaking, this was the first time Doudou and Jiang Xinyue met.

Jiang Xinyue didn't do anything bad to him.

If he was afraid of strangers, then he would be afraid of him too. But that didn't happen.

But why was Doudou so afraid of Jiang Xinyue?

This wasn't the first time he rejected her.

Doudou buried his head in Zhan Bo's arms and said in a muffled voice, "Daddy Zhan, Doudou wants to eat your food. Can you cook for Doudou?"

Zhan Bo was stunned. Then, he looked a little embarrassed. "Doudou, Daddy Zhan doesn't know how to cook. Mommy cooks very well. Can we eat Mommy's food? If you have anything you want to eat, you can tell Mommy. She'll make it for Doudou.

"Don't be afraid, Doudou." Zhan Bo could feel the little guy's uneasiness and reached out to pat his head. He said gently, "Isn't Daddy Zhan here? We're men, men have to be more daring. The uncles and aunts here like Doudou very much. No one will treat Doudou badly.

“So, you don’t have to be afraid, alright?”

Zhan Bo had never interacted with a child before.

He didn’t know how to coax him.

He thought that if he couldn’t handle this child, he’d go and learn from Qiao Mianmian.

Thankfully, his words were enough to calm Doudou down.

He looked up from Zhan Bo’s arms and looked at him with his big black eyes. He had a finger in his mouth and tilted his head as if he was thinking about something.

After a while, he asked softly, “Daddy Zhan, can I have a sandwich and fries?”

Chapter 2799: Never Thought This Was the Reason

“Sandwich and fries?”

Zhan Bo turned to ask Jiang Xinyue. “Doudou said he wants to eat sandwich and fries. Do you know how to make them?”

Qiao Anxin was furious that Doudou rejected her again, but she couldn’t show it because of the cameras.

She never liked children.

Doudou embarrassed her again and again.

She was cursing him inside.

But no matter how angry she was, she couldn’t show her true emotions.

Not only must she not show it, but she must also be very magnanimous and patient. She must also continue to use her hot face to stick to others’ cold buttocks.

Hence, when Zhan Bo asked her if she could make them, she immediately smiled and said, “French fries and sandwiches, no problem. Hahaha, children really like to eat these. I’ll go to the kitchen to make them for him now.”

Qiao Anxin quickly went to the kitchen.

After she left, Zhan Bo carried Doudou back to the sofa and asked, “Doudou, Daddy Zhan wants to ask you a question. Can you answer Daddy Zhan softly?”

Doudou blinked his big black eyes and looked at him curiously.

Zhan Bo asked, “Do you dislike Mommy Jiang?”

“Why didn’t you let Mommy Jiang touch you?”

Doudou blinked again and said after a while, “I don’t dislike Mommy Jiang.”

Zhan Bo was even more curious. "Then, why don't you let her touch you?"

"Because Mommy Jiang doesn't like Doudou."

"She doesn't like Doudou? Why? Did she tell you that?"

"No." Doudou shook his head and pouted. "Doudou sensed it himself."

Zhan Bo was stunned.

"You sensed it yourself?"

"Mm!" Doudou nodded. "Daddy Zhan, Doudou knows that you like Doudou. Doudou also knows that Mommy Jiang doesn't like Doudou."

Zhan Bo was shocked.

He hadn't expected this.

He thought that Doudou didn't like Jiang Xinyue.

But now, Doudou said that Jiang Xinyue didn't like him.

Zhan Bo didn't think that Doudou was spouting nonsense just because he was young. He kept quiet for a while before asking seriously, "But Daddy Zhan thinks that Mommy Jiang likes Doudou. Look, she's even making good food for Doudou."

But Doudou shook his head. "She doesn't like Doudou. She's the same as Aunt Cheng. They don't like Doudou."

"Aunt Cheng?" Zhan Bo was confused.

...

Qiao Anxin had never cooked before, but she was willing to make a sandwich and fries for Doudou.

This was because she thought cooking was very simple.

After entering the kitchen, she went to the fridge and looked at the fresh vegetables and fruits, but she had no idea where to start.

She searched how to make sandwiches and fries on her cell phone.

She heaved a sigh of relief.

Thankfully, Baidu's methods seemed simple. Although she hadn't done it before, it shouldn't be difficult.

...

Zhan Bo was watching cartoons with Doudou in the living room as they waited for Qiao Anxin to cook.

Fifteen minutes after Qiao Anxin entered the kitchen, Zhan Bo suddenly heard a scream, followed by the sound of something falling.

After a series of loud noises, thick white smoke came out of the kitchen.

Chapter 2800: The Kitchen Was Burning

Zhan Bo and Doudou were shocked, especially Doudou. He was so frightened that he wrapped himself around Zhan Bo like a koala as he looked towards the kitchen.

Zhan Bo immediately stood up with Doudou in his arms.

Thick smoke came out of the kitchen.

Zhan Bo was about to go over to see what had happened when the door was pushed open.

The next moment, Qiao Anxin ran out of the kitchen with a pale face.

Before Zhan Bo could ask her what happened, she screamed and ran behind him. She grabbed his clothes and said in shock, "Fire, the kitchen is on fire."

Zhan Bo was uncomfortable by her touch.

He was about to push her away when his expression changed. "What, the kitchen is on fire?"

Qiao Anxin nodded, still in shock. "A huge fire. Quick, get someone to put it out."

There was a fire extinguisher in the corridor outside the room.

Zhan Bo picked up Doudou and ran out.

Qiao Anxin followed him.

...

The commotion was so huge that the smoke had spread to the corridor. The crew members had already noticed the abnormality and came over to ask about it.

They were shocked when they found out that the kitchen was on fire.

"Where's Zhan Bo?" Li Wei also came over and asked hurriedly when he didn't see him.

"He went to put out the fire." Qiao Anxin was still a little pale.

Her face was on fire.

How much effort had she put into her face?

If it was burnt...

Qiao Anxin touched her face and thought that it was a good thing she ran away quickly.

Li Wei frowned when he heard this.

Agreements were signed to ensure the guests' safety.

They wouldn't be able to afford it if something happened to Zhan Bo and the rest.

Li Wei immediately brought two crew members to look for Zhan Bo. As they entered the room, they saw him walking out of the kitchen with a fire extinguisher.

“Brother Li, why are you here?” Zhan Bo was stunned when he saw them.

Li Wei quickly went forward. “Someone said your room caught fire. Zhan Bo, are you alright?”

“I’m fine.” Zhan Bo’s face was sweaty. He reached out to wipe his sweat and panted. Then, he said, “I’ve extinguished the fire. It’s fine.”

Zhan Bo couldn’t help but frown as he recalled the mess he’d just seen.

The kitchen was in chaos.

It was like a battlefield.

He’d never seen such a messy kitchen.

Thinking about the fire and the messy kitchen, Zhan Bo frowned even harder.

He couldn’t help but doubt it.

Could Jiang Xinyue really cook?

If so, how could the kitchen become like that?

How could she burn the kitchen?

He’d seen Qiao Mianmian cook before.

The kitchen was clean from start to finish.

The meal was done quickly and without much fuss, leaving the kitchen almost spotless.

It wasn’t messy.

It was even more impossible for the kitchen to be filled with vegetables.
