

## **Big Shot 2801**

### **Chapter 2801: I'm Sorry for Causing Trouble**

And when he went in to put out the fire, he saw a ball of black stuff in a pot on the stove.

He couldn't tell exactly what it was.

Li Wei sized him up from head to toe and heaved a sigh of relief after confirming that he was alright.

"It's good that you're alright." He patted his chest, wanting to say that he was scared to death just now. Thankfully, the fire was out and he was fine.

"Why did the kitchen catch fire?" Li Wei asked with a frown.

There was a smoke alarm in the kitchen.

The sound of the alarm was probably heard from upstairs and downstairs.

Hence, he hurried over.

Zhan Bo kept quiet for a while before saying, "Jiang Xinyue was cooking. I'm not sure about the details, I'll ask her later."

Li Wei was speechless when he heard that.

But he didn't say anything else. He nodded and said, "Mm, let's go out first. The smoke in the house is rather heavy, don't choke on it. I'll have to get someone to clean the kitchen later. I don't think you can stay in this room."

Zhan Bo nodded.

When they walked out of the room, they saw the other guests waiting outside. Seeing Li Wei and Zhan Bo come out, Qin Han went forward and asked, "I heard that there was a fire. Is it serious? Has it been put out?"

"It's been put out." Zhan Bo looked at Jiang Xinyue and saw that she was standing there in a daze. She didn't even have the intention to greet him. He couldn't help but feel uncomfortable.

After all, this fire was caused by her.

Qiao Mianmian and the rest came too.

The smoke in the corridor was so thick that everyone in the other rooms could smell it.

"Zhan Bo, are you alright?" Qiao Mianmian asked worriedly.

She heard that he went in to put out the fire.

Although the fire wasn't very big, it was still dangerous.

"Mm, I'm fine, don't worry." Qiao Mianmian's greeting warmed Zhan Bo's heart.

He looked at Jiang Xinyue again and thought that no matter how similar her face was, she was still different.

He didn't expect her to be grateful.

But at least, she should show some concern.

Or rather, thank him.

She shouldn't think that everything he did was natural.

His change in opinion of Jiang Xinyue was quickly lost.

"How did it happen?" Qin Han asked.

Zhan Bo was about to answer when he heard a childish voice say, "She did it."

Doudou pointed at Jiang Xinyue. "She set the kitchen on fire. Daddy Zhan carried me out, and she ran out too. Then, Daddy Zhan ran in again."

Everyone turned to look at Jiang Xinyue.

Qiao Anxin wanted to perform well, but she didn't expect to cause a fire.

She didn't do well and even caused trouble.

The target of everyone's gazes, she was furious, but when she turned around, she looked weak and pitiful.

She bit her lip as her eyes reddened. "I'm sorry, I've caused trouble for everyone. I didn't expect it to be like this. I don't know why the kitchen caught on fire. I didn't do it on purpose, I really didn't..."

Tears rolled down her cheeks.

The others couldn't say anything.

## **Chapter 2802: So, You're Blaming Me?**

"It's alright, you didn't do it on purpose. Thankfully, the fire was put out in time and didn't cause any serious consequences." Li Wei couldn't bear to see a girl cry, so he comforted her instead.

"Yes, it's a good thing that it didn't cause any serious consequences. Just be careful in the future." Qin Han also couldn't bear to see a girl cry.

"Thank you for your understanding. I'll be more careful in the future." Qiao Anxin wiped her tears and looked guilty.

"The person you should be thanking the most isn't us, but Zhan Bo." Li Wei reminded her in real-time. "Your teammate went back to put out the fire. Otherwise, the fire would have gotten bigger and bigger."

With Li Wei's reminder, Qiao Anxin seemed to have just recalled that Zhan Bo went in to put out the fire. Stunned for a while, she turned to look at him with tears in her eyes. "Senior Zhan, it's all thanks to you just now. I'm sorry, I wanted to cook a good meal for you and Doudou, but I didn't expect the oil to ignite.

"It's all my fault for not being meticulous enough. Otherwise, I wouldn't have burned the kitchen down and made everyone so worried." With that, her tears fell again.

She cried so pitifully that the male crew members around couldn't bear to see it.

But Zhan Bo didn't have much of an expression on his face. He only replied calmly, "Since you didn't do it on purpose, you don't have to apologize to me. But if you don't know how to cook, you should have told me earlier and not forced yourself to do it.

"It's not embarrassing to not know how to cook. You don't have to lie about this.

"Thankfully, this fire didn't cause much damage. If it jeopardized my safety, it wouldn't be something that can be resolved with just an apology."

Zhan Bo's casual words stunned everyone.

Qiao Anxin's expression changed. "Senior Zhan, w-what do you mean? Are you blaming me?"

Zhan Bo looked at her indifferently. "Because of your stubbornness, you almost caused a huge disaster. Fortunately, everyone is fine, so this matter is over. But I hope that the next time something like this happens, you won't lie and force yourself to save face."

She could feel that Zhan Bo's attitude towards her had changed.

Hence, when he suddenly spoke to her in a cold tone, Qiao Anxin panicked. She looked up and teared up. "Senior Zhan, are you blaming me?"

"I admit... I lied. I actually don't know how to cook. But I wanted to perform well in front of Senior and Doudou. I wanted you to have a good impression of me like Senior Qiao.

"Because I'm really envious of Senior Qiao. She's on good terms with everyone, unlike me..." She wiped her tears and turned to look at Qiao Mianmian with envy and a little heartache. "Everyone doesn't seem to like me. I just wanted to do more so that everyone will have a better impression of me, but I didn't expect that I would cause this.

"I'm sorry, I'm really sorry..."

"I really didn't do it on purpose."

Qiao Anxin cried again to try to gain sympathy.

### **Chapter 2803: Offended a Bunch of People**

She knew that showing weakness and tears were women's best weapons.

No matter what she did, as long as she cried and acted pitiful, there was a high chance that everything would be resolved.

This move was especially useful on men.

When she cried just now, Li Wei and Qin Han spoke much more gently.

She could feel it.

And Qiao Anxin even mentioned Qiao Mianmian this time.

It was obvious that Zhan Bo and Qin Han didn't like her because of Qiao Mianmian.

The deeper meaning was that Qiao Mianmian didn't want Zhan Bo to interact with her.

She didn't understand what she meant.

But for people like Zhan Bo, Qin Han, and Li Wei who had been in the entertainment industry for many years, they could easily tell.

Qiao Anxin had no idea.

Her "everyone doesn't seem to like me" didn't get what she wanted. Instead, she offended a group of people.

Previously, Qin Han and Li Wei spoke up for her.

At this point, their expressions were obviously a little unhappy.

Because Qiao Anxin's words were easily understood as being ostracized by everyone.

Even if she didn't mean it, in the eyes of others, it sounded like she was blaming everyone.

"I don't know if you want everyone to have a good impression of you. But since you call Qiao Mianmian your senior, you should know what kind of situation she was in before. So, you really don't have to envy her. She wasn't able to get to where she is today just by saying a few words.

"It's not just her. There are many types of people in this industry. Who can get along well with everyone the moment they debut? Everyone has been through a lot.

"If your psychological endurance isn't good enough, you're not suitable for this industry."

Qiao Anxin's expression darkened.

This time, even though she tried her best to control her emotions, she still couldn't hold it in.

She still looked pitiful.

After Zhan Bo said that, her expression stiffened.

His words were like a slap to her face.

If she said she was envious of Qiao Mianmian, Zhan Bo would say that Qiao Mianmian's situation was like this.

Qiao Anxin knew what Qiao Mianmian went through when she first debuted.

Even after she got together with Mo Yesi, she had been embroiled in scandals for a period of time. She was seen on Weibo's hot searches almost every day.

Zhan Bo meant that Qiao Mianmian didn't get along well with everyone.

Qiao Mianmian was just like them.

He even mocked her for wanting to get everything from Qiao Mianmian with just a few words.

The last sentence almost said that she wasn't suitable to stay in the entertainment industry.

In any case, Zhan Bo's every word was like a slap to Qiao Anxin's face.

And in front of everyone too.

He didn't leave her any face.

Qiao Anxin's face went pale.

She bit her lip and tried to suppress her anger.

#### **Chapter 2804: Step Forward to Smooth Things Over**

Damn Zhan Bo.

To defend Qiao Mianmian and speak up for her, he actually humiliated her in public!

She would definitely return this humiliation in the future!

He was just a newbie in the entertainment industry.

Calling him a senior was too much.

Did he really think he was so great that he could teach her a lesson?

She held it in.

Let him show off.

When she achieved her goal, she wouldn't even care about ten of them, let alone one.

Qiao Anxin hated Zhan Bo to the core, but she still had to pretend to be humble. She bit her lip and looked up slightly, her eyes slightly red. "Thank you for your guidance, Senior Zhan. I remember every word you said. I know I made a mistake and made you unhappy. I'll be careful in the future and never make such a mistake again."

Zhan Bo was already unhappy with her. Hearing that made him even more uncomfortable.

Why did it seem like he was really bullying a newbie?

Moreover, who was she putting on this pitiful look for?

Did he want others to think that he was using his experience to bully a newbie like her?

Zhan Bo wasn't a straight man who didn't understand the tricks of the white lotus and green tea.

Who in the entertainment industry was simple?

Anyone who could make a name for themselves in the industry couldn't be simple-minded.

What kind of tricks had he not seen before?

Qiao Anxin's tricks made him even more disgusted and unhappy. He sneered and said without giving her any face, "I can't be considered as a teacher. I'm not your superior, nor am I your family. I have no obligation to teach you, and there's no need to waste my effort."

He wasn't giving Qiao Anxin any face.

How ungentlemanly.

But everyone knew that Zhan Bo was a gentleman who respected ladies. All the actresses who worked with him praised him and said that he was good at taking care of people.

Hence, everyone looked at him in shock now.

Everyone wondered how Zhan Bo became like this.

Why was he so aggressive towards this newbie?

Especially the male crew members. Seeing how pitiful Qiao Anxin looked, they couldn't bear to see her like this.

It wasn't necessary even if he wanted to defend Qiao Mianmian.

Did he not care about his reputation anymore?

Wasn't he afraid of others saying that he was arrogant and bullying newbies?

Moreover, such words had already spread online.

It was just that this topic had just started, but it was suppressed by Zhan Bo's company, so it didn't cause much of a commotion.

But the rival companies wouldn't let it go.

If he was still so cold to Jiang Xinyue and didn't let her off, it would be disadvantageous to him if the competitors made use of this matter.

He wouldn't be able to take it even if he was a top celebrity.

Wasn't this the case with that popular male artiste?

He was so popular back then, but there was no news about him now.

Qiao Anxin couldn't hold it in anymore.

She clenched her fists and bit her lip. She almost lost control of her temper.

Fortunately, Li Wei stepped forward to smooth things over.

## **Chapter 2805: Negative Impression**

“Alright, alright. Stop it. Xinyue, what Zhan Bo said is true. It’s not easy for anyone in this industry. Everyone has to go through hardship before enjoying sweetness. We believe that you didn’t do it on purpose. We can’t blame you. Thankfully, nobody is hurt. It was a false alarm.

“Zhan Bo.” Li Wei glanced at Zhan Bo. “Don’t say anything else. I believe Xinyue will be more careful in the future after this lesson. Moreover, whether she really knows how to cook or not, she has good intentions.

“This matter ends here. Don’t say anything else.

“The room was supposed to be rearranged, and I was about to inform you. Since everyone is here, I’ll just say it here. The production crew has decided to separate the male and female guests. Qin Han has moved to his new room. You can pack your luggage and move out later.”

Zhan Bo was stunned. “The male and female guests are to live separately? We don’t have to live together anymore?”

“Mm, the production team just informed us.” Li Wei nodded.

Zhan Bo didn’t like Qiao Anxin anymore.

Not only did he not like her, but his impression of her was also negative.

He didn’t want to live with Qiao Anxin anymore.

Hence, when Li Wei said that the male and female guests were staying separately, he was especially happy.

Afraid that he’d heard wrongly, he confirmed it with Li Wei again.

After confirming that he hadn’t heard wrongly, Zhan Bo said cooperatively, “Alright, I’ll pack my luggage immediately.”

“You’d better wait for a while. The kitchen...” Li Wei wanted to say that the kitchen hadn’t been cleaned up and the smoke in the room hadn’t dissipated completely, so he should wait a while more.

But Zhan Bo couldn’t wait any longer.

He turned around and left. “It’s alright. The smoke isn’t thick anymore, nothing will happen. I’ll be done packing soon.”

He couldn’t wait to be separated from Qiao Anxin.

Behind him, Qiao Anxin’s expression stiffened. She bit her lip so hard that a few deep bite marks could be seen.

*Zhan Bo...*

She repeated the name in her heart.

*One day, I'll make you regret everything you've done to me today.*

"Then, I'll go pack my luggage too." Xie Heng saw that Zhan Bo had left and said, "I don't have much luggage, so I should be done soon. But I want to know. After the guests are separated, who will the little kid follow?"

"They'll be with the female guest for now," Li Wei said. "There should be some adjustments and changes in the post-production. I'll let you know when the specific notice is given."

"Alright." Xie Heng nodded. "I'll go pack my luggage first. Tong Tong, can you follow Mommy first?"

The other guests followed suit.

Xie Heng held Tong Tong's hand.

Tong Tong nodded sensibly and said in a tender voice, "Alright."

Xie Heng rubbed her head and handed her to Xu Min'er. After reminding her a few more times, he turned around to pack his luggage.

"Xinyue, go pack your luggage too." Li Wei looked at Qiao Anxin and said, "You can't stay in this room anymore. You have to change to another one."

"Mm. Brother Li, I'll get it done right away."

Qiao Anxin wondered why the male and female guests were suddenly asked to stay separately.

Before she came to this show, she had seen the previous few episodes.

The male and female guests in the previous few episodes lived together.

Why did they have to separate in this episode?

### **Chapter 2806: Don't Want to Starve to Death**

Why did they suddenly break them up in this episode?

Was this a last-minute decision?

Qiao Anxin felt that it must be because of something that made the production team change so suddenly. But she couldn't guess the specific reason, so she couldn't ask directly.

Hence, she didn't ask Li Wei anything else.

Just as Qiao Anxin turned around to pack her luggage, she suddenly heard a cute voice saying pitifully to Li Wei, "Uncle Li, can I follow Daddy Zhan? I want to follow Daddy Zhan."

"I like Daddy Zhan. I want to be with him."

"I don't want to be with Mommy Jiang. I want to be with Daddy Zhan."

It was Doudou.

Qiao Anxin stopped in her tracks.

Just now, Li Wei said that the small guests would temporarily be with the female guests.

In other words, Doudou had to follow her.

But Doudou suddenly made such a request to Li Wei, saying that he didn't want to follow her and wanted to follow Zhan Bo. This was undoubtedly another slap to her face.

Wasn't he obviously dissatisfied with her?

The purpose of this variety show was for the guests to take care of the children.

She'd just started participating in the show, and it was only the first day of filming, but she was already despised by her child. How bad was her performance to be despised like this?

Moreover, among all the guests, she was the only one who was despised by her child.

If this was posted on Weibo, even if she didn't do anything, many people would be suspicious.

This was definitely not a good thing for her.

Qiao Anxin's expression darkened.

She never knew that children were so difficult to take care of.

She'd already tried her best to curry favor with that damn brat, but he actually didn't give her face.

She seriously doubted it.

Did Qiao Mianmian arrange for this brat to go against her!

"You want to follow Daddy Zhan?" Li Wei's troubled voice came from behind. "Doudou, can you tell Uncle Li why you don't want to follow Mommy Jiang? Is there a problem?"

Qiao Anxin took a deep breath and turned around.

Her smile was a little stiff. "Yes, Doudou. Can you tell Mommy Jiang what she didn't do well? Why do you have to follow Daddy Zhan?"

The pretty boy looked up at her and quickly lowered his head. After a while, he whispered, "Mommy Jiang, you don't even know how to cook. Doudou will starve to death if he follows you.

"Moreover, Mommy Jiang will burn the kitchen. Doudou doesn't want to be burned to death."

The crew members were speechless.

Li Wei was speechless.

The other guests were speechless.

Qiao Anxin's face first turned pale, then it darkened.

## Chapter 2807: Untitled

The others wanted to laugh, but they held it in.

It was said that children's words carried no harm.

It was precisely because children were innocent and didn't have any schemes that they would say whatever was on their minds. Hence, children's words were more precious and genuine.

Children just said what was on their minds.

Hence, Doudou was really worried that he would starve to death if he followed Qiao Anxin.

It was only the first day of recording, but the little guy was already so dissatisfied with his "mother".

This was the first time the production team saw such a situation.

After all, in the previous few episodes, the guests got along well with the children.

Hence, Li Wei was worried after hearing Doudou's request.

Let Doudou follow Zhan Bo. It seemed like he was really unhappy with Jiang Xinyue.

At that time, no news of newbies being bullied by the production team and other guests would spread.

Those who didn't know the truth would think that the entire production crew was bullying a newbie.

It would impact their reputation.

Li Wei didn't want to be labeled as a bully.

"But the other children are with their Mommy." Li Wei tried to persuade Little Doudou. "Doudou, be good. Tell Uncle Li what you want to eat. Uncle Li will get someone to buy it for you. He won't let Doudou starve."

"No, I want to follow Daddy Zhan." But Doudou couldn't listen to him. He grabbed Li Wei's sleeve and begged pitifully. "Uncle Li, I want to follow Daddy Zhan. I don't care, I want to follow Daddy Zhan."

"I want Daddy Zhan..."

"I want Daddy Zhan..."

The little guy started crying.

Li Wei was at a loss.

He had no choice but to look up at Qiao Anxin. "Xinyue, Doudou wants to follow Zhan Bo. Look..."

"Brother Li, since Doudou wants to follow Senior Zhan, let him." Qiao Anxin didn't make things difficult for Li Wei. She didn't like children to begin with, and Doudou embarrassed her in every way. She hated him to the core.

She couldn't wait for Doudou to follow Zhan Bo and not bother her.

She really hated this brat.

She couldn't wait for this child to disappear.

Hence, Qiao Anxin agreed before Li Wei could finish speaking. She even pretended to be understanding. "As long as Doudou is happy, it doesn't matter if he follows me or Senior Zhan.

"This shouldn't be a hard rule. It can be changed, right?"

Li Wei hesitated for a while before nodding. "We can change it."

"Then, let Doudou follow Senior Zhan. I understand." Qiao Anxin still wanted to salvage her image. So, even though she was furious, she suppressed her temper and pretended to be good-natured.

She said gently, "Moreover, I'm also worried that I won't be able to take good care of Doudou. Doudou was with Senior Zhan previously, I think Senior Zhan took good care of him."

Li Wei looked at her a few more times.

Seeing that she really didn't seem to mind, he nodded and said, "Alright, then let Doudou follow Zhan Bo. Anyway, you guys still have to do missions together tomorrow, so let Zhan Bo take him for the time being."

Qiao Anxin nodded.

Li Wei called a crew member over. "Bring Doudou to Zhan Bo and let him know that he'll be staying with him."

Soon, the crew member left with Doudou.

## **Chapter 2808: You Look So Happy**

"You guys can take a rest first. There are other tasks in the afternoon." Li Wei said to the remaining guests, "Some of the original arrangements set by the production team will change. The higher-ups are still discussing it. I have something to settle first. Call me if there's anything."

Li Wei quickly left.

The other female guest, Xu Min'er, also brought the child back to the room.

The rest of the crew went back to their work.

Qiao Anxin and Qiao Mianmian were the only ones left in the hallway.

Qiao Mianmian was about to leave with Mengmeng when Qiao Anxin stopped her.

"Senior Qiao, can you wait for a while?" Qiao Anxin called her senior, but no respect could be seen in her gaze. Because of the fire, the live stream was cut off, and no camera was facing them.

She looked at Qiao Mianmian with hatred.

It wasn't like before.

Qiao Mianmian turned around and met Qiao Anxin's cold and hateful eyes.

She was stunned by the hatred.

At the same time, recalling when she first saw Jiang Xinyue, that indescribable sense of familiarity rose in her heart again. And this time, it was much stronger than the previous time.

This look... was familiar.

It seemed like someone had looked at her like that before.

That person had disappeared for a long time.

Qiao Mianmian hadn't heard anything about her for a long time.

Qiao Mianmian looked at her.

She found it ridiculous.

She wouldn't be wrong even if she closed her eyes.

She also believed that she could recognize her.

Jiang Xinyue looked completely different from Qiao Anxin.

But...

The hatred in their eyes was the same.

At this point, Qiao Mianmian finally remembered why she found Jiang Xinyue familiar the first time she saw her.

Jiang Xinyue gave her the same feeling as Qiao Anxin.

Although they looked completely different, Qiao Mianmian felt the same aura from her.

She looked at her face and recalled Linda saying that Jiang Xinyue looked like she had undergone plastic surgery...

At this point, a thought flashed past Qiao Mianmian's mind.

But she quickly denied it.

It couldn't be what she thought. If that was the case, it was too ridiculous.

Not only was her face completely different from Qiao Anxin's, but her voice was also different. Plastic surgery could change her face, but it couldn't change her voice.

"What's the matter?" Qiao Mianmian stopped speculating. Compared to Qiao Anxin's unconcealable hatred, she looked very calm.

It was as if she didn't see the hatred in Qiao Anxin's eyes.

Her calmness angered Qiao Anxin even more.

As she thought about all the hardships she'd suffered and the pathetic life she'd led as a rat on the streets, and then looking at Qiao Mianmian, who had been nourished by her superior life and had an outstanding temperament, Qiao Anxin's jealousy was triggered.

Her eyes were filled with hatred and jealousy.

"Senior Qiao, you look so happy."

#### **Chapter 2809: You Didn't Look Like This Before, Did You?**

Her words were full of jealousy.

If she listened carefully, she could hear a hint of unwillingness.

It was as if Qiao Mianmian was living a good life.

Qiao Mianmian was already suspicious of her identity.

She thought that Jiang Xinyue wanted to tell her something.

But who knew that she was referring to this?

Qiao Mianmian narrowed her eyes and stared at her for a few seconds before saying, "You called me to say this?"

Of course not!

Qiao Anxin glared at her with hatred. "Of course not. I just feel that Senior Qiao has some misunderstanding about me and is unhappy with me. That's why I wanted to talk to you."

Qiao Mianmian was shocked by Qiao Anxin's malice.

Although this person's appearance and voice were different, her eyes, expression, and even her tone were too similar to Qiao Anxin's.

Qiao Mianmian felt that the person standing before her was Qiao Anxin.

But even if she had doubts and speculations, she couldn't do anything until it was confirmed.

And no matter who Jiang Xinyue was, Qiao Mianmian couldn't be wrong about her maliciousness.

When Qiao Mianmian spoke again, her tone was a little colder. "Miss Jiang, I think you might be mistaken. I don't have any misunderstanding about you. Instead, it's you who misunderstood something."

"No?" Qiao Anxin sneered. "Senior Qiao, there's only the two of us here now, so I won't beat around the bush. I know you care that we look alike, you..."

"Wait."

Before she could finish, Qiao Mianmian cut her off.

“Miss Jiang, since you said you wanted to be frank, I’ll be frank.” Qiao Mianmian was really amused by what she said. She didn’t know if Jiang Xinyue was deliberately saying that to annoy her. Anyway, Qiao Mianmian was annoyed and didn’t hold back.

“I think you know very well who’s more like who between us. Miss Jiang, may I ask...” Previously, Linda said that Jiang Xinyue had plastic surgery, but Qiao Mianmian hadn’t noticed it. Now that they were close, she could indeed see the signs.

After all, no matter how natural a person was, it was easy to tell in real life.

Moreover, this person might have been modeled after her.

If Qiao Mianmian couldn’t tell at all, then there must be something wrong with her eyes.

Qiao Anxin looked at her coldly. “What are you trying to say?”

Qiao Mianmian smiled. “Miss Jiang, you didn’t look like this before, did you? Let me make a bold and narcissistic guess. Miss Jiang must have shown my picture to the doctor before you went under the knife.”

Qiao Mianmian spoke casually.

But she kept her eyes on Jiang Xinyue, paying attention to her reaction.

#### **Chapter 2810: So What If You Don’t Like It**

Then, she saw Jiang Xinyue’s expression change. She was shocked and flustered.

She had a huge reaction to what Qiao Mianmian said.

She widened her eyes and looked at Qiao Mianmian in disbelief.

This reaction made Qiao Mianmian very clear that her guess was probably true.

Otherwise... Jiang Xinyue wouldn’t have had such a huge reaction.

If she hadn’t had plastic surgery... if she hadn’t done it herself...

Otherwise, Qiao Mianmian’s words wouldn’t be a humiliation to her, and her first reaction would definitely not be like this.

Qiao Mianmian was shocked.

If her guess was true, then Jiang Xinyue’s true identity... was very suspicious.

It wasn’t strange she did plastic surgery.

But Qiao Mianmian saw Qiao Anxin in this person, so she couldn’t think about it normally.

“W-What nonsense are you talking about!” After a moment of panic, Qiao Anxin forced herself to remain calm and denied it. “Qiao Mianmian, I respect you as a senior, that’s why I’m so polite to you. But this doesn’t mean that you can humiliate me as you wish.

“You’re too much.

“What makes you think I did plastic surgery? Just because we look alike? Qiao Mianmian, aren’t you too narcissistic? There are so many people in the world who look alike. Did they all do plastic surgery?”

Qiao Anxin panicked.

She was afraid that Qiao Mianmian would recognize her.

If she was recognized...

Qiao Mianmian would never tolerate her.

She hadn’t found a strong backing yet, so she didn’t have the capital to go against her.

Qiao Mianmian’s words were enough to ruin all her efforts.

“Miss Jiang, don’t tell me you think others can’t tell that you did plastic surgery?” Qiao Mianmian continued to provoke her. “Some things are fake. Even if you use some methods to make it look real, it doesn’t mean it’s real.

“There are indeed many people in the world who look alike, but you were definitely not born this way. You were modeled after me, do you think I can’t tell? I have to say that the doctor who did the plastic surgery is indeed skilled. But you’re a fake. Where did you get the courage to be on the same show as me? You said I humiliated you. Ha, looking at your face, I feel like I’m the one being humiliated!”

“Qiao Mianmian, you’re too much!” Qiao Anxin was indeed angered. “Who do you think you are! If you hadn’t married Mo Yesi, you’d be nothing now!

“Besides this face, what else do you have!”

Qiao Mianmian saw that Qiao Anxin’s face was turning green from anger, and her attitude became even more arrogant. She continued to provoke her. “But I’m married to Mo Yesi. With him doting on me, so what if you don’t like it?

“I can only rely on my looks to make a living. So what if you’re unhappy? Didn’t you do plastic surgery because you think my face is good? You want to make it as good as mine and then rely on your face to make a living?”

Qiao Mianmian raised her chin arrogantly.

“Moreover, even if I’m not married to Mo Yesi, I’m still the daughter of the Bai family. I have parents and a brother who dote on me.. I can get whatever I want easily.”
