

Big Shot 2821

Chapter 2821: So What If You Have a Rich Husband!

“Hello, Miss Qiao. I’m the general manager of the Lan Ya Pavilion, Lin Xun. I was waiting for you.”

As Chairman Lin spoke, he couldn’t help but look at Qiao Mianmian again, exclaiming in his heart that she was really beautiful.

He’d seen many beauties.

There were many in the pavilion.

And they were all top-notch.

But compared to Young Madam Mo, they were all inferior to her.

No wonder Mo Yesi and Gong Zeli fell for her.

She was so beautiful.

Even he felt emotional.

Women nowadays looked much better in photos than in real life.

After all, photos could be photoshopped. Even if she was very ordinary, she could still photoshop herself as a beauty.

But Qiao Mianmian was even prettier than in the photos. It was his first time seeing her, anyway.

Qiao Mianmian wasn’t surprised to hear that Chairman Lin was especially waiting for her at the door. She nodded and said, “Then, please bring us in, Chairman Lin.”

Since Mo Yesi was one of the shareholders, then the treatment she was receiving now wasn’t strange.

But although Qiao Mianmian felt that this treatment was normal, Zhan Bo was a little uneasy. He reached out and gently tugged her sleeve, asking softly, “Why is the general manager of this store so polite to you? And he’s standing here waiting for us.

“Could it be that you’re a VIP? But even if you are, the general manager doesn’t have to welcome you personally, right? Tell me, what’s going on?”

Qiao Mianmian turned her head and smiled. “Mm, I can be considered a VIP customer.”

“VIP customers get such treatment?” Zhan Bo didn’t believe it.

It wasn’t as if he hadn’t been to such a high-end clubhouse before.

He was also a VIP customer of one clubhouse, but he didn’t receive such treatment.

“Of course not. Actually, my husband has some shares in this store. So, I can be considered one of the lady bosses.”

Zhan Bo: "..."

He knew it!

"So, you invited Brother Han and me to your place? Qiao Mianmian, is this considered a treat?"

"Of course." Qiao Mianmian rolled her eyes. "Anyway, you don't have to pay for it. Moreover, I didn't know about it beforehand. I only found out about it when I booked a room."

Zhan Bo said, "...You don't know your husband's businesses?"

"I don't know." Qiao Mianmian shrugged and said honestly, "He has too many properties under his name, I can't even count them all. How can I remember all of them?"

Zhan Bo: "..."

He felt that Qiao Mianmian was showing off, but he had no evidence!

So what if she found a rich husband!

Was she trying to provoke him?!

Alright, he admitted that it was a little impressive...

Chapter 2822: Untitled

"Miss Qiao, gentlemen, enjoy yourselves. If you need anything, feel free to look for me." Chairman Lin left after bringing them to the VIP room.

Zhan Bo laid on the sofa as if he was boneless. He then exclaimed, "Lady Boss's treatment is really different. This private room is too big and luxurious. Qiao Mianmian, I've made up my mind. I'll follow you from now on. How about I call you Sister Qiao?"

Qiao Mianmian glared at him. "I don't mind you following me, but I'm afraid your manager won't agree to it."

"Why should I care? He can't control me. I don't care. Anyway, I'll follow you in the future!"

"Alright." Qiao Mianmian pretended to consider it for a few seconds and then said seriously, "I'll get someone to create an agency contract later. You'll be my artiste in the future and earn money for me. I promise you'll live a good life."

"Alright. You said it yourself, don't regret it!"

Qin Han smiled and shook her head.

Thankfully, Qiao Mianmian's husband wasn't here.

Otherwise, Zhan Bo wouldn't even know how he died.

Qiao Mianmian's husband... was a jealous lover.

Thankfully, Zhan Bo didn't have any feelings for Qiao Mianmian. Otherwise, he would have died even worse.

That Chairman Mo would never show mercy to men who coveted Qiao Mianmian.

Even the Young Master of the Gong family had fallen out with him.

Not to mention an outsider.

Although both parties had refuted the rumors and said that it had nothing to do with Qiao Mianmian, everyone knew very well whether it had everything to do with her.

...

In front of the mirror.

Qiao Anxin was dressed meticulously. She touched her face and looked at herself in the mirror. After confirming that she was sufficiently beautiful and attractive, she turned around in satisfaction and picked up the peach red crocodile skin bag.

Two hours ago, she received a call from Su Ze.

He told her that Gong Zeli was in C City and would spend the night at the Lan Ya Pavilion.

He wanted her to create an opportunity to show her face in front of him.

This was undoubtedly good news for Qiao Anxin.

After seeing Qiao Mianmian again, all the hatred from the past was ignited. Seeing Qiao Mianmian get better and better, the hatred and jealousy in her heart deepened.

The Qiao Mianmian did better, the more she hated her, and the more she wanted to tear her apart.

How could that slut have everything she wanted?

And she obtained everything so easily.

And she...

Because of that slut, she lost everything.

Coupled with the way Qiao Mianmian humiliated her today, Qiao Anxin hated her even more.

She wanted to return all the humiliation she'd suffered.

No, she had to return it double.

She wanted to let that slut have a taste of being trampled on and humiliated.

But given her current situation, she had nowhere to vent her anger.

So what if she hated Qiao Mianmian?

So what if she wanted to kill her?

Qiao Mianmian had the backing of the Bai and Mo families.

Chapter 2823: It's Time to Give Him to Someone New

She could only tolerate that slut.

But she would definitely return all the humiliation she'd suffered to this today.

Qiao Anxin desperately hoped that she could have a strong backing soon to help her get everything she wanted.

Gong Zeli could help her... deal with Qiao Mianmian.

Tonight was a good opportunity.

She had to hold on tight.

As long as she could take down Gong Zeli, she would have completed half of her goal.

Hence, tonight was very important to her. No matter what, she could only succeed.

"Gong Zeli..."

Qiao Anxin looked at herself in the mirror. Her makeup was exquisite, and she looked 80% like Qiao Mianmian. Smiling, she said confidently, "I'll definitely make you interested in me. Don't you like that slut Qiao Mianmian? Then, can you resist my face that looks exactly like hers?"

"Doesn't that slut Qiao Mianmian think that she can charm all men just because she has a foxy face? Then, I'll use her face to snatch all the men around her. Not only Gong Zeli, but also Mo Yesi..."

"I'll make all these men fall for me."

Especially Mo Yesi...

This was the man she yearned for day and night.

If she could succeed in capturing Mo Yesi, she would have no regrets in this life.

"Qiao Mianmian, just you wait. Just you wait and see how I'll take everything away from you, little by little. I can even snatch away the man you've known for 10 years. It's just a matter of time before I take down Gong Zeli and Mo Yesi.

"I don't believe that there's no cat in the world that doesn't cheat. As long as it's a man, there's no one who doesn't like the new and detests the old. You've been with Mo Yesi for so long, it's time to give him to someone new. Don't worry, I'll love him on your behalf."

...

In the private room.

The air was a little stuffy. Gong Zeli unbuttoned a few buttons of his shirt and lay on the sofa with his eyes half-closed. He looked a little anxious. Even though he had drunk a few glasses of iced water, he still couldn't suppress the frustration in his chest.

A waiter stood in front of him and stole a glance at his expression.

"What is she doing now?" Gong Zeli tugged at his collar anxiously.

The waiter immediately replied cautiously, "Miss Qiao is playing cards with her friends."

"Playing cards?"

"It's a game. The loser will be punished."

"What kind of punishment?"

"Draw some patterns on the face."

"Did she win or lose?"

"The first I went there, I saw that Miss Qiao's face was clean. But her two friends' faces were painted with turtles. Miss Qiao must have won a few times."

"Playing cards and drawing turtles? Doesn't she find it childish?" Gong Zeli snorted. "What's so fun about playing with those boring men? She might as well watch a soap opera at home."

The waiter kept quiet at his sour words.

Chapter 2824: Go Say Hi

He really looked like a jealous man.

But he heard that Miss Qiao was already married.

Moreover, the person she was married to was the Second Young Master of the Mo family, the current Chairman of the Mo Corporation, Mo Yesi.

Mo Yesi and Gong Zeli had known each other for many years.

This relationship... was really messy.

No wonder Gong Zeli and Miss Qiao had a few scandals.

In any case, as a bystander, he felt that Miss Qiao had no interest in Gong Zeli.

But Gong Zeli...

He hadn't been here since the Lan Ya Pavilion opened.

The first time he came today, Qiao Mianmian coincidentally came to the Lan Ya Pavilion too.

Even if it was a coincidence, people would think that he was here for Qiao Mianmian because of their previous scandals.

Otherwise, when would he not come?

But he chose to come today.

After a while...

“They’re still playing cards?” Gong Zeli straightened up and buttoned his shirt.

It seemed like he was going somewhere.

The waiter immediately stopped thinking about it and said respectfully, “They were still playing cards the last time I went over. They should still be playing now.”

Gong Zeli got up and buttoned up his shirt. He tugged at his collar and walked out. “Then, I’ll go over and say hi. Otherwise, she’ll think I have something against her if she doesn’t know I’m here.”

Who was he talking to?

He seemed to be explaining himself.

But who was the Young Master of the Gong family?

He didn’t have to explain anything to anyone.

Who was he explaining it to?

Besides him, only a few waiters and his subordinates were in the room.

He didn’t have to explain it to anyone.

Hence, his actions seemed like an excuse to the waiter.

Gong Zeli strode out of the private room.

The waiter watched him leave and couldn’t help but exclaim in his heart that Miss Qiao was really charming. Even a man like Gong Zeli seemed to be attracted to her.

He knew that she was already married, but he was still thinking about her.

But then again, Miss Qiao was indeed a top-notch beauty. Her looks were the type that men liked. Even he was tempted just now.

...

Qiao Mianmian was about to return to the VIP room.

Just as she left the washroom, she saw a drunk man walking towards her.

Before the man reached her, the pungent smell of alcohol wafted over.

Qiao Mianmian frowned and stepped aside.

The drunk man was already beside her.

The unpleasant smell became even stronger. Qiao Mianmian couldn't help but cover her nose as the smell of alcohol mixed with the smell of sweat intruded her nose. She quickened her pace to walk past him.

Unexpectedly, the drunkard suddenly grabbed her and approached her with a smile. "What a beautiful girl. Are you new to the Lan Ya Pavilion? Why haven't I seen you before?"

Qiao Mianmian was shocked.

"Mister, you've got the wrong person. Let go, I don't work here." She shook off the drunkard and left quickly, not wanting to be entangled with him.

"Hehe, pretty girl, don't run. It's fate that we met here. Since you don't work here, we can be friends too." The drunk man's eyes widened when he thought of Qiao Mianmian's stunning face. He immediately chased after her..

Chapter 2825: Did I Scare You?

He caught up to Qiao Mianmian and stopped her. "Beauty, don't go. What are you afraid of? I'm not a bad person. Don't be so cold. Let's be friends. Tell me what you like, jewelry or luxury cars?"

The drunkard looked at Qiao Mianmian from head to toe and reached out to touch her face. "Look at you, you're so tender. Let me dote on you.

"As long as you serve me well, I'll buy you anything you want."

The man was very drunk.

He had never considered Qiao Mianmian's identity.

Qiao Mianmian suppressed her disgust and pushed him away.

The man was already so drunk that he couldn't stand properly. After being pushed by her, he staggered two steps back and fell heavily onto the ground in a "hungry dog pouncing on shit" posture.

The man cried out in pain the moment he hit the ground.

Enraged, he looked up and glared at Qiao Mianmian. "B*tch, you're shameless. I'll teach you a lesson now."

The man got up from the ground and walked towards Qiao Mianmian with his fists clenched.

He couldn't stop cursing. "B*tch, do you know who I am? I'm giving you some face, but you really think too highly of yourself. I've seen too many women like you. Why are you pretending to be virtuous? Isn't it just so you can play with just a little more money?"

Seeing the man walking over while cursing, Qiao Mianmian's expression changed. She quickly thought about whether she could beat this drunk man and was about to run.

A drunk man could do anything when he was drunk.

She didn't want to take the risk.

She couldn't beat this man, but she could definitely escape.

Given how drunk he was, he definitely wouldn't be able to catch up to her.

Qiao Mianmian made up her mind and was about to run when she heard footsteps behind her. A slender black figure walked past her. Before Qiao Mianmian could see who it was, she saw the black figure walk towards the drunk man.

The next moment, the drunkard wailed.

He was kicked to the ground.

The man in black had one foot on his chest. Just as he was about to get up, he kicked him again.

The drunkard screamed even louder.

"Who are you, you... you dare to treat me like this, I'm going to kill you!" He screamed as he reached out to pry the man's foot off. But before his hand could reach the man's pants, he was kicked several times.

In the end, he couldn't even speak.

He was panted.

But he seemed to be cursing.

"Throw him out." The man in black kicked him one last time and knocked him out. He then turned around and ordered his subordinates.

"Yes, Young Master Gong."

Two bodyguards went forward and picked the drunkard up from the ground. They then carried him away quickly.

"Are you alright? Did I scare you? You wouldn't have received this shock if I had come earlier.." Gong Zeli slowly walked towards Qiao Mianmian and saw that she was staring at him.

Chapter 2826: You Don't Have to Be So Nice to Me

He really wanted to tear that man apart.

He was going to make that man pay.

He would make him feel worse than dying.

"Gong Zeli, why is it you..." Qiao Mianmian looked at the handsome man in front of her.

Why was Gong Zeli here?

Gong Zeli's heart pounded as he looked into her eyes. The woman he'd been longing for day and night, but only in his dreams, was now standing in front of him and speaking to him.

He could still smell her sweet scent.

He remembered it for 10 years.

Everything was so real.

Her voice and aura were real.

She was completely different from the dream.

No matter how realistic the dream felt, it couldn't compare to reality.

He'd always wanted to see her, but he couldn't find a chance.

He didn't dare to look for her.

He was afraid that she would dislike him and think that he was a shameless man.

Hence, even though he missed her so much that he was going crazy, he could only hold it in.

He told himself again and again that he should let go. He should forget her and start a new life.

In this world, no one couldn't live without someone.

He, Gong Zeli, shouldn't have made himself so lowly and shameless.

If she wasn't happy now, he had thousands of reasons to snatch her back.

But she was doing well.

He'd known Mo Yesi for many years, so he knew his brother well.

Qiao Mianmian would live a blissful life with him.

Mo Yesi would pamper and love her forever.

Hence, he didn't even have the chance to wait.

His best and most rational choice was to let go.

He had tried it before.

He kept Su Su by his side because he wanted to forget her.

But he realized now.

It was useless even if he had ten or a hundred Su Su by his side.

They weren't her no matter how they much looked like her.

It was impossible to replace her.

"I'm here to discuss a business deal. I booked a room here tonight." Gong Zeli pursed his lips and lied.

He didn't dare to tell her the truth.

He didn't dare to tell her that he came to C City for her.

If he said that, she would only feel more disgusted and stay away from him.

"I see." Qiao Mianmian didn't probe further to see if he was telling the truth. She nodded and kept quiet for a few seconds before trying to sound normal. "Thank you for just now."

"You don't have to be so polite to me." Gong Zeli could feel that she was deliberately distancing herself from him. "It's nothing. Oh right, you haven't told me. Are you alright?"

She looked fine. But Gong Zeli was still worried.

The thought of what just happened filled him with murderous intent.

"I'm fine." Qiao Mianmian shook her head.

"It's good that you're fine." Gong Zeli finally felt at ease, but he refused to look away from her. His eyes flickered as he said softly, "It's best if a few bodyguards follow you next time. There are too many people with bad intentions in such places.. It's dangerous for you to be alone."

Chapter 2827: I Was Being Nosy

Didn't she know how dangerous it was for her to wander around alone?

Thankfully, he decided to come over and say hi.

Thankfully, he saw what happened on the way.

Gong Zeli's greedy and infatuated gaze lingered on her for a while before returning to her delicate and fair face. His eyes were a little dazed and bitter.

If she was his woman, he would definitely protect her well and not let her encounter any danger.

He would protect her for the rest of his life.

He would pamper her, love her, and give her everything he had.

He didn't know what Mo Yesi was thinking.

He actually allowed her to stay in the entertainment industry.

Didn't he know what the entertainment industry was like?

Even if she had protection and no one dared to do anything to her, they still knew her identity.

If they didn't know her identity, she would be in a dangerous situation.

What happened just now was a good example.

This time, he saw it.

If there was a next time... if no one protected her...

Gong Zeli frowned and couldn't help but say, "What's wrong with Mo Yesi? Why did he let you come out alone? Coupled with what happened last time, I've already seen you in danger twice.

“He knows about what happened previously. He’s so trusting of you, how dare he let you come out alone?”

“Isn’t he afraid that you’ll be in danger again?”

“Didn’t he tell me that you’re very important to him and that he would take good care of you and protect you? Is this how he takes care of you?” His voice was getting lower and lower, and his eyes were filled with anger. His tone was full of dissatisfaction and blame towards Mo Yesi.

Qiao Mianmian frowned when she heard him criticize Mo Yesi. She took a deep breath and told herself that Gong Zeli had just helped her. He was saying this for her own good, and she shouldn’t argue with him.

But she couldn’t help it.

“Gong Zeli, I’m very grateful for your help just now. But I don’t think this means that you have the right to criticize my husband. I think he takes good care of me. I think our relationship as a married couple is very good. I’m living very well now. He has done his duty as a husband and he has taken good care of me.

“I don’t like it when people say that about him. It’s unfair to him.

“Moreover, the reason why I continue to work in the entertainment industry is that he respects me. If he disregards my wishes and forces me to leave the entertainment industry, that would be disrespecting me.”

Gong Zeli felt as if his heart was being stabbed by a knife. Look at how much she defended Mo Yesi. The sharp pain spread throughout his heart, and his handsome face turned a little pale.

“I’m sorry.” There was a hint of self-mockery in his low voice. Suppressing the sweet taste in his throat, he said hoarsely, “I was being nosy. Since you’re living happily, I have nothing to worry about.”

Qiao Mianmian kept quiet for a while before saying, “We’re not even friends, so there’s nothing to worry about.. Thank you so much for what happened just now. I should treat you to a meal, but...”

Chapter 2828: Smash What They’re Holding

“There’s no need.” Before she could finish, Gong Zeli interrupted her. The mockery in his eyes deepened. “I’ve said it before, it’s nothing. I’d help out if it was someone else too.

“So, you don’t have to bother about it.”

She almost said it out loud.

Gong Zeli knew that she was trying to avoid suspicion.

They’d had so many scandals in the past.

No matter how true the rumors were, at least to others, their relationship was ambiguous.

She was Mo Yesi’s wife now.

Even if she didn't care about what others said, she cared about Mo Yesi's feelings.

Hence, she had to keep a distance from him.

He could understand her actions.

But seeing how she was avoiding him, his heart ached again.

The sharp pain spread from his heart to his limbs and bones. The color on his face faded at a visible rate, and his handsome face was paler than before.

Even his lips paled.

"I still have to thank you. Then... if there's nothing else, I'll take my leave first. My friends are still waiting for me." Qiao Mianmian turned and left.

But she'd only taken two steps when she was blinded by the flash of a camera. Before she could react, she heard Gong Zeli's angry voice behind her. "What are you doing?"

"Stop right there."

Gong Zeli stormed past her.

Qiao Mianmian looked up and saw two sneaky people hiding in the corner.

Seeing that Gong Zeli had discovered them, the two of them panicked and wanted to run.

Gong Zeli's two bodyguards reacted quickly and stopped them just as they were about to run.

Gong Zeli walked towards them.

He looked down at the camera in their hands and narrowed his eyes.

The two sneaky people looked terrified and flustered when they saw him.

"Smash what they're holding," Gong Zeli ordered the bodyguards in a cold voice.

"Yes, Young Master Gong."

The bodyguards immediately grabbed their cameras.

"Y-Young Master Gong, you've misunderstood. We weren't taking photos of you just now. We were just taking photos of the clubhouse's renovation efforts." Seeing that Gong Zeli actually wanted to smash their cameras, they immediately gave an excuse and protected the cameras.

It was as if they were protecting their family heirloom.

They were reporters from Apple Weekly, and they were in charge of the entertainment section.

Of course, to put it nicely, they were entertainment reporters. In fact, they were just paparazzi.

And they were the kind of unscrupulous paparazzi who made money by digging up the artistes' privacy.

They would follow the popular celebrities. If they were lucky enough to get something juicy, ordinary celebrities would have to spend money to buy it off them.

If the artistes weren't willing, they would expose it to make money.

They weren't here for Qiao Mianmian.

They didn't have the guts.

The artiste they were following came to this clubhouse today.. Then, they accidentally found out that Qiao Mianmian and Gong Zeli were here too.

Chapter 2829: This Is Too Ruthless!

This was a pleasant surprise for them.

Although Qiao Mianmian and Gong Zeli weren't people they could offend.

Hence, they wouldn't provoke him.

But it was another thing for them to meet here.

They would be fools to let such a huge piece of news go.

Even if they weren't in a private meeting, with so many scandals about them, the netizens wouldn't know if it was true or not.

The netizens would definitely think that they were really having a private meeting.

The news in the entertainment industry was always fake.

No matter what the truth was, being eye-catching was the most important.

Qiao Mianmian was currently the most popular A-list celebrity.

And the Young Master of the Gong family...

Tsk tsk, the Weibo server would be paralyzed for a long time.

The two of them wanted to sneak away immediately.

Unexpectedly, Gong Zeli found them and caught them before they could escape.

They were naturally unwilling to hand over their cameras.

Gong Zeli and Qiao Mianmian were much more valuable than the artiste they were supposed to be following.

No one believed their lame excuse.

Gong Zeli looked at them coldly. "What are you waiting for? Smash them."

The bodyguards didn't hesitate anymore.

They forcefully took the cameras from the two paparazzi and smashed them on the ground. They even stepped on them a few times, then took out the memory cards and confirmed that they were completely damaged.

The paparazzi turned pale as they looked at the pile of trash. Although they were furious, they didn't dare to say a word.

A bodyguard went forward. "Young Master Gong, we've just confirmed that the cameras are completely damaged."

Gong Zeli was still angry. "Investigate which media company they're from. I want to see which company's employees are so daring to go against me."

The two paparazzi's hearts skipped a beat.

They were already furious when Gong Zeli asked the bodyguards to destroy their cameras.

But now... it seemed like he wasn't going to give up?

He still wanted to settle the score?

If they found out about it, the company naturally wouldn't dare to offend Gong Zeli.

If they couldn't offend Gong Zeli, they could only start with them.

Gong Zeli was going to make them lose their jobs!

This was too ruthless!

"Young Master Gong, we know our mistake. We won't dare to do it again."

No matter how unhappy they were with Gong Zeli, they knew that he wasn't someone they could offend.

Gong Zeli could kill them as easily as crushing an ant.

The two of them didn't want to lose their jobs because of this and humbly begged him for mercy.

"That's right, Young Master Gong. We already know our mistake. You're a magnanimous person, don't be petty with us."

"We won't dare to take photos of you anymore."

The two of them pleaded for a while. Seeing that Gong Zeli was still unmoved, they turned to Qiao Mianmian.

"Miss Qiao, we're sorry. We were wrong. We shouldn't have taken photos of you and Young Master Gong. We won't dare to do this again. Please plead with Young Master Gong to let us off."

"Miss Qiao, we have parents and children. We can't lose our current jobs. Miss Qiao, my mom is still in the hospital.. If I'm jobless, I won't have the money to pay for her medical fees."

Chapter 2830: A Long Time

The paparazzi pretended to be pitiful and cried in front of her.

Qiao Mianmian hesitated for a while before turning to Gong Zeli. "Their cameras have been destroyed. Let's just forget about it."

The anger in Gong Zeli's eyes lessened when he heard her voice. He looked over at Qiao Mianmian with gentleness and warmth in his eyes. "You don't want to pursue it anymore?"

"Mm." Qiao Mianmian nodded. "The cameras were destroyed. They already learned their lesson."

"Alright." Gong Zeli immediately agreed. "Forget it, then."

The paparazzi didn't expect it to be so effective.

They didn't expect Gong Zeli to listen to Qiao Mianmian.

Qiao Mianmian said forget it, and he immediately did.

But everyone knew that the Young Master of the Gong family wasn't a good-tempered person, nor was he the type to listen to others easily.

The paparazzi looked at him, then at Qiao Mianmian, and then exchanged meaningful glances.

"Thank you, Miss Qiao. Thank you, Young Master Gong." They quickly bowed and apologized.

Gong Zeli said, "Get lost."

"Yes, yes, yes. We'll get lost immediately."

Then, the two paparazzi quickly left.

Qiao Mianmian watched as they left. "I have to thank you again for what happened just now. Thankfully, you got someone to stop them in time. Otherwise, I don't know how they would write tomorrow's news."

"I don't care what they write about me." Gong Zeli's deep gaze stopped on her face for a while before he said softly, "I just can't let them write about you."

He sounded ambiguous.

Qiao Mianmian felt a little uncomfortable.

She didn't know how Gong Zeli felt about her in the past, so she didn't think much of it.

But ever since Gong Zeli confessed his feelings to her, she felt uncomfortable every time she saw him.

She felt uncomfortable and wanted to leave immediately.

"Anyway, I have to thank you. I'll go back to my friends now."

"Alright." Gong Zeli could tell that she wanted to leave too. He didn't say anything else, but his voice sounded a little deeper than before. "I'll be staying at this clubhouse tonight. You can look for me if you need anything."

"Just let the waiter know which room I'm in."

Although he knew that Qiao Mianmian wouldn't look for him, he pretended otherwise.

Qiao Mianmian nodded and left.

Gong Zeli stood rooted to the ground for a long time after she left.

She left, but her scent was still in the air.

The sweet scent of fruit mixed with the fragrance of flowers made him yearn for it.

...

Qiao Anxin took a cab to the clubhouse.

She hurriedly entered the clubhouse.

Su Ze told her Gong Zeli's room number. He also said that Gong Zeli wasn't being accompanied by a woman.

He came here alone to get drunk.

Others might not know why he came here alone, but Qiao Anxin could guess.

If Gong Zeli really got drunk because of that slut, it meant that he really cared about her..
