

Big Shot 2841

Chapter 2841: Unilateral Termination of Contract

It was only later that she recalled that Qiao Mianmian had also gone to the Lan Ya Pavilion.

She thought about it and felt that this was definitely the problem.

Gong Zeli must have seen Qiao Mianmian.

The little slut might have said something to him.

Hence, her plan tonight failed.

At this thought, Qiao Anxin's anger deepened. She glared at Qiao Mianmian. "Tell me, have you met Gong Zeli?"

Qiao Mianmian was stunned.

Seeing that Qiao Anxin was about to go crazy, a trace of doubt flashed past her eyes. After a while, she said expressionlessly, "What has this got to do with you? I don't have to answer you."

These words seemed to anger Qiao Anxin. She suddenly yelled, "So you two really met? Qiao Mianmian, did you do it on purpose! You already have Mo Yesi, are you still not satisfied?"

"Let me tell you, Gong Zeli is the man I like. I have to get him. If anyone dares to snatch him from me, I won't let that person off! Also, don't think that Gong Zeli really likes you. He's not interested in women like you at all. You're not allowed to get close to Gong Zeli in the future, do you hear me?"

Qiao Mianmian was speechless.

She was shocked.

Qiao Anxin liked Gong Zeli?

When did this happen?

She only knew that Qiao Anxin used to have feelings for Mo Yesi.

Now, she actually had feelings for Gong Zeli?

Also, she said that she was determined to get him?

Qiao Mianmian didn't care who Qiao Anxin liked. It had nothing to do with her.

As long as she didn't have anything to do with her.

But Qiao Anxin changed her appearance and approached Gong Zeli. This made Qiao Mianmian uncomfortable.

"I'll say it again, Qiao Mianmian. You're not allowed to get close to Gong Zeli anymore!" Qiao Anxin yelled again as if she was declaring her ownership. She then turned around and left.

Qiao Mianmian frowned even more as she watched her leave.

She knew Qiao Anxin too well.

If she liked a man, she would definitely do everything she could to get him.

Just like how she did to Su Ze back then.

She didn't have any morals.

As long as she could achieve her goal, she dared to do anything.

Hence, if she wanted to get a man, the chances of success were very high.

Back then, Su Ze couldn't resist Qiao Anxin's temptation and betrayed her.

Their relationship of nine years became a joke.

Could Gong Zeli... resist Qiao Anxin's temptation?

...

The next morning, Qiao Mianmian prepared to return to Yuncheng City.

She was about to tell Li Wei about this when she received a call from Linda.

"Hey, Baby, did you see the trending news today? I think you can stay on the show."

Linda didn't wait for her to speak and continued excitedly, "Jiang Xinyue—oh, no, it should be Qiao Anxin—her contract was terminated unilaterally by her management company. Now, the company has issued a statement saying that Qiao Anxin is no longer their artiste."

"Then, they requested the production team to remove Qiao Anxin. So, you don't have to film with her anymore.. You don't have to return to Yuncheng City now."

Chapter 2842: I Told Gong Zeli

"So, you don't have to record the show with Qiao Anxin anymore, and you also don't have to return to Yuncheng City. What do you think happened at the management company, why did they suddenly terminate the contract with Qiao Anxin?"

"They paid for her to appear on this show, but it's only been a day and her contract was already terminated. Don't you think this is strange? Besides Su Ze, no one knows that she's Qiao Anxin, right?"

Qiao Mianmian was stunned. "You're saying that they terminated their contract with Qiao Anxin?"

"Yes, I just found out about this too. The termination notice was sent at four in the morning. I feel like they couldn't wait to distance themselves from her."

Qiao Mianmian was speechless.

This was indeed strange.

She suddenly recalled how Qiao Anxin came to look for her last night and asked if she'd seen Gong Zeli.

But...

She hadn't told Gong Zeli about Qiao Anxin.

But the management company's sudden declaration to terminate the contract with Qiao Anxin was indeed puzzling.

"Their statement didn't explain the reason?"

"No, that's I wanted to ask if you knew anything."

"I don't know," Qiao Mianmian said honestly. "I was also shocked when you told me about it."

"No matter what the reason is, it's a good thing for you. Moreover, without their support, it won't be easy for her to get close to you in the future."

...

Qiao Mianmian hung up.

She thought for a while and then called Bai Yusheng.

After a while, he picked up.

The man's lazy and slightly hoarse voice came from the phone. "Mianmian, why are you calling me so early? Are you already back in Yuncheng City?"

"Brother, did you tell anyone else that Jiang Xinyue is Qiao Anxin?"

Qiao Mianmian thought about it and felt that the management company's sudden termination of contract had something to do with her.

Hence, she called Bai Yusheng and asked him directly.

"Oh, you're talking about this. I told Gong Zeli about it. Didn't Qiao Anxin sign with his management company? I thought about it and felt that I should tell him."

Qiao Mianmian was speechless.

She knew it!!

"Brother, didn't I tell you not to tell anyone?" she said helplessly.

"I've known Gong Zeli for many years, and we're considered old friends. His management company signed an enemy of my sister's, so I'll definitely let him know. But don't worry, I didn't tell Ah Si about this. Ah Si doesn't know about it yet."

Qiao Mianmian was speechless.

"You called me so early in the morning just to ask about this? Mianmian, Brother told Gong Zeli about this for your own good. I thought about it after talking to you last night. Since you want to continue the variety show, then stay. If you don't want to leave, then we just have to make Qiao Anxin leave."

“You can stay now. Aren’t you happy?”

Qiao Mianmian pursed her lips. “Mm, I’m happy.”

“As long as you’re happy.” Bai Yusheng smiled and said affectionately, “The Gong Corporation’s entertainment company has 60% of the entire entertainment industry’s share market now. It has the most say in the entertainment industry.

“Qiao Anxin can’t stay in the entertainment industry if Gong Zeli doesn’t want her to.”

Chapter 2843: Owing Gong Zeli a Favor

Qiao Mianmian was speechless.

That was true.

But why did she feel like she owed Gong Zeli a favor?

Even though it was Bai Yusheng who got Gong Zeli to do it.

But in the end, it was because of her that Gong Zeli got his agency to terminate the contract with Qiao Anxin.

Moreover, from what Bai Yusheng said, he was planning to ban her?

It wouldn’t be a problem for the Young Master of the Gong Corporation to ban a newbie.

Of course, if he really wanted to shut Qiao Anxin out, Qiao Mianmian wouldn’t stop him.

She and Qiao Anxin were already strangers.

Qiao Anxin’s life and death had nothing to do with her.

Moreover, it would be beneficial to her if Qiao Anxin was banned from the entertainment industry.

It could lower the danger.

Qiao Mianmian just felt that it was better to let Mo Yesi do it instead of Gong Zeli.

In that case... she wouldn’t have to owe him anything.

The person Qiao Mianmian didn’t want to owe the most now... was Gong Zeli.

But Bai Yusheng had already spilled the beans, what else could she do?

Should she call Gong Zeli again and tell him not to bother about this?

She might as well pretend that she didn’t know anything.

Qiao Mianmian thought for a while and decided not to dwell on this matter anymore. “Brother, in that case, you agree to let me continue recording the show here?”

She was rather happy that she didn’t have to leave anymore.

“Mm, Qiao Anxin has left. If you want to continue with the recording, then stay. But after the recording, you have to go home immediately. Mom has been asking about you for the past two days, and she even told me that she wanted to go and see you. I had to persuade her to give up.

“Give her a call later and have a meal when you’re back. Otherwise, she’ll keep nagging.”

“Mm, I got it.”

“Alright, I’ll hang up first.”

After hanging up, Qiao Mianmian immediately called Madam Bai.

Madam Bai immediately picked it up and said affectionately, “Mianmian, Mom was thinking about you, then you called. Oh my, we must have telepathy.”

Qiao Mianmian felt warm inside when she heard Madam Bai’s gentle voice. She also greeted her affectionately. “Mom.”

“Ah.” Madam Bai replied happily, “Mianmian, are you used to the place? How are the living conditions there? Is it the same as the place you went to previously? Mom really doesn’t trust you at all. I wanted to go and see you, but your brother insisted that I don’t go. He said that I’d cause trouble for you.

“Even your dad said so. He told me that you’re already an adult and that you can take good care of yourself. But what do those two stinky men know? Girls are different from boys. How can I be at ease without seeing you with my own eyes?”

“Mom, don’t worry. I’m fine here.” Qiao Mianmian felt even warmer hearing Madam Bai’s worried words.

Madam Qiao passed away early.

Hence, she lacked motherly love.. She didn’t experience many years of her mother’s love.

Chapter 2844: She Doesn’t Have to Envy Anyone Anymore

After Madam Qiao passed away, there was still her grandmother who doted on her and Qiao Chen. But not long after Madam Qiao passed away, her grandmother also passed away.

In a short period of time, Qiao Mianmian lost two family members who treated her sincerely.

After Father Qiao married Lin Huizhen and this stepmother entered the Qiao family, Qiao Mianmian never felt motherly love again.

Back then, she was envious of Lin Huizhen’s love for Qiao Anxin.

But now... she felt that she didn’t have to envy anyone anymore.

She had her mother, her brother, and her father.

She had a happy and loving family again.

She was very satisfied with her current life. She felt that she was the happiest person in the world.

“That’s what you told me before.” Madam Bai obviously didn’t believe her, and her voice was full of heartache. “But what kind of place is that? I can’t believe that such a place can be inhabited.”

Madam Bai was referring to the small mountain village she went to when she was filming “The Meaning of Traveling.”

Qiao Mianmian thought of the small mountain village and of Third Chen. This was a shadow in her life.

Since then, no matter what variety show she participated in, she would get Linda to ask about the location.

She wouldn’t go to that remote mountain village again.

Even if something like that wouldn’t happen again, Qiao Mianmian didn’t want to take the risk.

Of course, even if she didn’t mind, Mo Yesi definitely wouldn’t allow her to go.

That incident was huge.

Even Madam Bai, who never paid attention to entertainment news, knew about it.

She was traumatized.

She would ask her about it whenever Qiao Mianmian went out to record a show, afraid that Qiao Mianmian would meet another Third Chen.

“Mom, the environment here is really good. The filming location is in the city, in a very good neighborhood. The security and environment are very good. If you don’t believe me, I’ll video call you.”

Qiao Mianmian sent a WeChat video-call request to reassure her.

Madam Bai immediately picked it up.

The white-haired woman’s elegant and well-maintained face appeared on the screen. Even though Madam Bai was in her fifties, she looked like she was in her thirties.

The video call went through. Madam Bai looked at her beloved daughter and smiled tenderly. “Why are you up so early? Have you eaten breakfast?”

“I just woke up and haven’t had breakfast. Mom, let me show you my room. The conditions are really good.” Qiao Mianmian walked around showing the room to Madam Bai. “Look, this is the living room, this is the bedroom, and there’s the kitchen and bathroom.

“This is the balcony—the environment outside is pretty good.

“We live in a two-bedder, one-bedder suite. And the food provided by the production team is pretty good. Anyway, I have good food and fun here. Don’t worry about me.

“The shoot isn’t gonna take long this time. I can go home to see you and Dad at the end of the month. Don’t worry, I’ll definitely take good care of myself. I’ll tell you if I really need anything.”

On the other hand, Madam Bai felt more at ease after realizing that the environment was really good.

She could accept it as long as it wasn’t a remote mountain village.

Chapter 2845: Gong Zeli Likes Qiao Mianmian

Of course, she didn't want her precious daughter to be in the entertainment industry at all.

Back when Bai Yusheng went to learn to be a director, Madam Bai and Father Bai disapproved of him and thought that he wasn't doing his job.

But Bai Yusheng was a very opinionated person. Once he decided on something, no one could persuade him otherwise. Hence, even if Madam Bai and Father Bai didn't agree, he still did what he liked.

As for Qiao Mianmian... Madam Bai had just acknowledged her daughter.

Even though Madam Bai and Father Bai didn't approve of her being an artiste, they wouldn't stop this daughter that they'd finally recognized.

Moreover... since their son-in-law didn't say anything, they also couldn't say anything.

Thankfully, with the Bai and Mo families' power, they could protect their precious daughter well and not let her be corrupted by this chaotic industry.

Madam Bai nagged for another half an hour before reluctantly hanging up.

Qiao Mianmian only had the time to look at Weibo after calling Madam Bai.

She clicked on the app and saw that the trending topic was about Qiao Anxin's contract being unilaterally terminated.

The official Weibo account of "My Intern Parents" also announced that they wanted to replace Jiang Xinyue for some reason.

The comment section was filled with cheers.

Many of Zhizhi's fans were saying that Qiao Anxin had used underhanded means to steal her spot. Now she was getting retribution.

"Hahaha, Jiang Xinyue deserves it. She stole someone else's spot."

"Didn't they say that Jiang Xinyue's backing was the Gong Corporation? Why was she suddenly removed? Could it be that someone with a stronger backing than the Gong Corporation? Then, it can only be the Mo Corporation. Could it be that... Jiang Xinyue offended Qiao Mianmian?"

"A friend of mine is on the production team of 'My Intern Parents'. She told me privately that this really has something to do with Qiao Mianmian. She saw Jiang Xinyue look for Qiao Mianmian last night, and the two of them argued about something. It seemed like they weren't on good terms, so Jiang Xinyue was removed by the production team today."

"So be it. I don't like Jiang Xinyue at all after watching the live stream yesterday."

"Haha, this was Jiang Xinyue's first day, and my brother is already embroiled in negative news about her. It's so satisfying to hear that she's being replaced."

“It’s normal for the production team to replace Jiang Xinyue under the pressure of the Bai and Mo families. But what’s with the Gong Corporation’s unilateral termination of the contract with Jiang Xinyue? Uh, I’m starting to believe the rumors in the past. Gong Zeli... really likes Qiao Mianmian, right? That’s why he terminated Jiang Xinyue’s contract? If that’s the case, then Gong Zeli really likes Qiao Mianmian.”

“Gong Zeli has always liked Qiao Mianmian. Although he has refuted this rumor many times, based on a woman’s intuition, I feel that he likes Qiao Mianmian very much. Qiao Mianmian is the only woman he has ever defended on Weibo.. Can he publicly defend her on Weibo if he doesn’t like her? And it’s because of Qiao Mianmian that Gong Zeli and Mo Yesi can’t even be friends anymore.”

Chapter 2846: A Little Afraid

“Wow, now that I think about it, Gong Zeli is so devoted. Qiao Mianmian is already married, but he still can’t let her go. Qiao Mianmian is too amazing. She can make two such outstanding men fall head over heels for her. Ahhh, when is she going to publish a book? I really want to learn from her how to flirt with Prince Charming.”

Qiao Mianmian couldn’t help but frown when she saw that people were discussing her and Gong Zeli.

She knew it.

Once others found out that Qiao Anxin’s contract termination was related to her, her scandal with Gong Zeli would spread again.

She deliberately avoided him because she hoped that there wouldn’t be any scandals between them.

She was already married.

It wasn’t appropriate to be involved in a scandal with another man.

Moreover, the person involved was Mo Yesi’s good buddy.

What would others think of him?

Even if she didn’t care about her reputation, she still cared about what others thought of Mo Yesi.

But Qiao Mianmian couldn’t get someone to delete those comments now.

If she did, it would be too deliberate. It would make it seem like there was something between her and Gong Zeli.

Only a few people were discussing her and Gong Zeli in the comment section. These comments should disappear soon.

Qiao Mianmian thought for a while and decided to pretend not to see it.

...

Since she was going to stay, Qiao Mianmian went to meet up with the others after washing up.

After she walked out of her room, the other guests on the same floor also came out.

Qiao Mianmian greeted them.

She wasn't sure if she was hallucinating, but she felt that they were especially polite to her.

They had been polite before, but today they were even more polite. It was as if they were afraid.

Especially Xu Min'er.

The way she addressed her was almost respectful.

Qiao Mianmian found it strange at first, but she quickly understood the reason.

They probably already knew that Jiang Xinyue was removed by the production team, and they definitely knew that she was involved.

It wasn't easy for Xu Min'er and the rest to get a spot in this episode.

She was afraid of offending Qiao Mianmian and becoming a second Jiang Xinyue.

Qiao Mianmian didn't ask the production team to remove Jiang Xinyue, but it was definitely related to her.

Hence, she couldn't be bothered to explain.

Li Wei also walked over. He had a friendly smile on his face as he greeted everyone.

"Good morning, everyone. I have something to announce. The production team has decided to replace Jiang Xinyue for some reasons. The new guest is still on the way, but don't worry, it won't affect the shoot.

"We're still filming normally today. Everyone, have breakfast first. After breakfast, the staff will give you today's mission forms."

Li Wei then got the crew to bring the guests for breakfast.

Zhan Bo leaned towards Qiao Mianmian and asked in a low voice, "Qiao Mianmian, was Jiang Xinyue removed because of you? I saw that everyone on Weibo was saying that she offended you and was removed by the production team."

Zhan Bo wanted to hear the gossip.

Qiao Mianmian turned to look at him and raised an eyebrow.

"She really offended you? What did she do?" Zhan Bo continued to gossip.

Of course, Qiao Mianmian wouldn't tell him the real reason.

Instead, she teased him. "Are you so concerned about her? Why? Are you reluctant to let her go?"

Zhan Bo looked as if he'd just swallowed a fly.

Chapter 2847: Too Beautiful

“Qiao Mianmian, can you not disgust me? Why would I miss her? I saw on Weibo that she went to look for you last night and even quarreled with you. That’s why the production team removed her today. I’m just trying to verify the truth.

“Don’t say that I can’t bear to leave her. Don’t blame me if I puke on you later.”

Qiao Mianmian was speechless.

Seeing how disgusted Zhan Bo looked, she stopped joking with him.

But Zhan Bo said that Qiao Anxin quarreled with her last night?

From what she could remember, no one was around when Qiao Anxin came to look for her last night.

Otherwise, Qiao Anxin would definitely not say that to her.

“She did look for me last night.” Qiao Mianmian was puzzled. “But only the two of us were in the corridor. How did others know that she came to look for me last night?”

“Oh, someone from the production team who saw it by accident. So, Qiao Anxin really fought with you last night? What did you fight about?”

“Nothing much.” Qiao Mianmian didn’t intend to tell him the truth and simply lied. “She felt that I was targeting her, so she came to ask if I had anything against her. She misunderstood me and got agitated.”

“That’s it?” Zhan Bo didn’t believe it.

Qiao Mianmian nodded. “Mm, that’s all.”

Zhan Bo: “...Alright.”

Actually, he didn’t believe that Qiao Mianmian had asked the production team to remove Jiang Xinyue just because of this.

Qiao Mianmian wasn’t such a person.

Perhaps it was true.

But Qiao Mianmian didn’t tell him the exact reason.

And the Gong Corporation...

The unilateral termination of the contract between them and Jiang Xinyue was very intriguing.

Jiang Xinyue was an artiste under the Gong Corporation, and judging from the situation, she should be a newbie that the Gong Corporation was preparing to groom.

Why did they suddenly terminate the contract with her?

It wouldn’t make sense if it was because they were afraid of the Mo Corporation.

The Gong Corporation and the Mo Corporation were on par, and the more the Gong Corporation should protect their artistes at this time.

Moreover, Gong Zeli wasn't a timid person.

Zhan Bo suddenly recalled the scandal he saw half an hour ago and couldn't help but take a few more glances at Qiao Mianmian.

Could it really be... because of Qiao Mianmian?

Young Master Gong... liked Qiao Mianmian?

Zhan Bo looked at Qiao Mianmian's porcelain doll-like face and his heart started racing.

Then, he felt that the Young Master of the Gong family might really like her.

Qiao Mianmian... was too beautiful.

...

They walked to the elevator.

The elevator doors opened. Qiao Mianmian was about to enter when someone rushed out.

The person pounced on her and gritted her teeth. "Qiao Mianmian, why are you forcing me again and again? Do you want me to die before you stop? Why are you so vicious? Why do you have to force others to their deaths?"

"How did I offend you?"

"Why are you doing this to me?"

Caught off-guard, Qiao Mianmian almost fell to the ground with the agitated Qiao Anxin. Thankfully, Zhan Bo reacted quickly.. Just as she was about to strangle Qiao Mianmian, he immediately stood in front of her and pushed Qiao Anxin away.

Chapter 2848: You Really Have Double Standards

The others quickly reacted.

The male guests stood in front of Qiao Mianmian like gentlemen.

Zhan Bo frowned and glared at Qiao Anxin. "Jiang Xinyue, what are you doing? Are you crazy?"

Qiao Anxin looked up.

Her eyes were red as she saw the male guests standing in front of Qiao Mianmian like escorts. The hatred in her eyes intensified. She slowly straightened up and gritted her teeth. "Yes, I'm crazy. I was driven crazy by Qiao Mianmian!"

"I just said a few words to her last night, and she got the production team to remove me. What right does she have to do this? Just because she has a strong backing? Is the production team being fair to me?"

“All of you are bullying a newbie like me just to curry favor with her. Aren’t you embarrassed? It’s Qiao Mianmian who’s bullying me, but now you’re all blaming me, thinking I’m crazy. Hahahaha, what role model of the entertainment industry? What righteous youth? You’re just a bunch of hypocrites and disgusting bootlickers!”

She spoke badly and scolded everyone, causing their expressions to darken.

Zhan Bo was even more furious. “Jiang Xinyue, are you crazy? When did we bully you? We don’t care what’s going on between you and Qiao Mianmian, but if you want to fight with her here, I won’t allow it!

“Now you’re accusing her of bullying you? Then, when you took Zhizhi’s place, why didn’t you think you were bullying her? You are allowed to have backing, but others can’t? You really have double standards.”

“You’re the double standard!” Qiao Anxin trembled as her emotions got the better of her. She pointed at everyone and said resentfully, “Aren’t you just trying to curry favor with Young Madam Mo? Why are you making it sound so dignified?

“You know very well whether you’re targeting me on purpose or not.

“Qiao Mianmian, come out. What’s wrong with you hiding behind a man? Do you dare to face me alone?” Qiao Anxin took a step forward, ready to push him away.

Zhan Bo looked at her fierce expression and was worried that she would hurt Qiao Mianmian. Just as she was about to push him away, he heard someone behind him say softly, “Zhan Bo, you don’t have to shield me. Let me talk to her.”

Zhan Bo was stunned.

Qiao Mianmian walked out from behind him and slowly walked towards Qiao Anxin.

“Qiao Mianmian!” Qiao Anxin’s eyes turned red the moment she saw her.

Qiao Mianmian looked at her and said calmly, “Jiang Xinyue, you said that I used my power to bully you and made the production team remove you. Now that everyone is here, do you dare to tell me what you said to me last night?”

Qiao Anxin was stunned.

What she said to Qiao Mianmian last night... she definitely couldn’t let anyone know.

Qiao Mianmian continued, “I didn’t ask the production team to remove you. But I won’t deny that it has something to do with me.”

Qiao Anxin didn’t expect her to admit it in public.

She glared at her. “You admit it?”

Qiao Mianmian smiled and said calmly, “Since you know that I have a strong backing, you should know that I’m someone you can’t afford to offend.. If I were you, I’d leave quietly and not make a scene.”

Chapter 2849: Alright, I'll Wait for You

"Qiao Mianmian, you..."

"I can bully you a little more. Do you want to try?" Qiao Mianmian said casually.

Qiao Anxin glared at her.

"Qiao Mianmian, don't go overboard! A rabbit will bite when it's cornered. Do you really think I can't do anything to you?"

"Of course you can't do anything to me." Qiao Mianmian still looked indifferent, obviously not taking her seriously at all. "The Gong Corporation has already terminated the contract with you, right? So, you're just a newbie with no backing now. You can't even protect yourself, and you still want to deal with me?"

"And..." Qiao Mianmian smiled and said arrogantly, "...killing you is easier than killing an ant. Tell me, what do you want to fight me with?"

"Qiao Mianmian, you're too arrogant!"

Qiao Anxin looked at the others around her. She couldn't believe that Qiao Mianmian would say such a thing to her without considering the other guests present.

They were also a little shocked.

Although everyone knew that Qiao Mianmian had a powerful background, she was being too high-profile.

Saying that she wanted to deal with another female guest in front of the other guests, wasn't she afraid that her words would be spread?

Zhan Bo and Qin Han frowned.

Based on their understanding of Qiao Mianmian, she wasn't such a high-profile and arrogant person.

But she was indeed being very rude to Jiang Xinyue.

At this moment, the security personnel walked over.

Qiao Mianmian glanced at Qiao Anxin and said to the security personnel, "Please take Miss Jiang away. She might have been agitated and her emotions are unstable now. I'm worried that she'll pose a threat to my safety."

The security personnel had just received the notice and were here to take Qiao Anxin away.

With that, they walked towards Qiao Anxin.

"Miss Jiang, please follow us," one of the security personnel said to Qiao Anxin.

Qiao Anxin glared at Qiao Mianmian and gritted her teeth. "Qiao Mianmian, this isn't over! Just you wait, I'll settle our scores one by one!"

Qiao Mianmian looked at her as if she was listening to a joke. "Oh, is that so? Alright, I'll wait for you."

Qiao Anxin, I'd like to see how you're going to deal with me.

It's indeed time to settle our scores.

Qiao Mianmian had thought about it before. If Qiao Anxin just wanted to return to the entertainment industry and didn't have any other motives, she wouldn't stop her.

Actually, she didn't have much hatred for Qiao Anxin.

The worst thing Qiao Anxin did was to snatch Su Ze from her.

Back then, Qiao Mianmian was indeed very angry and hated Qiao Anxin.

But later, she met Mo Yesi.

She had Mo Yesi's love.

She didn't hate Qiao Anxin anymore. She even felt that she should thank her.

If she hadn't seduced Su Ze, Qiao Mianmian wouldn't have known that Su Ze was a jerk deep down. She wouldn't have had the chance to stop her losses in time, let alone meet Mo Yesi and marry him.

If Qiao Anxin hadn't snatched Su Ze in time, she might have... married him in the end.

Chapter 2850: Scandal Exposed

Then, one day, she would have found out that her husband had cheated on her with her sister and had a child with her.

She would definitely break down.

Hence, she didn't hate Qiao Anxin anymore.

Moreover, Qiao Anxin had paid the price for what she'd done.

As long as she stopped playing tricks, Qiao Mianmian wouldn't bother about her.

But it was obviously just her wishful thinking.

She didn't hate Qiao Anxin, but the other party hated her.

She didn't want to have anything to do with Qiao Anxin anymore, but the other party wasn't willing to give up.

The Qiao Mianmian now was no longer the Qiao Mianmian who had nothing.

She wouldn't wait to be bullied.

If Qiao Anxin continued to pester her, she wouldn't go easy on her.

Qiao Anxin was dragged away by the security personnel.

The farce ended quickly.

“I’m sorry, it’s because of me that everyone is affected. I didn’t know she’d come here to cause trouble. Otherwise, I’d have gotten someone to stop her.” After Qiao Anxin entered the elevator, Qiao Mianmian turned around and apologized to the others.

Her “buddy” Zhan Bo immediately said, “Ahem, what’s there to apologize for? She has legs; you can’t stop her if she wants to look for you. Thankfully, nothing happened. I really got a scare when she pounced at you with a fierce expression.”

“That’s right, Senior Qiao, you don’t have to apologize to us. You didn’t do anything wrong.” Xu Min’er was already a little afraid of Qiao Mianmian because of Qiao Anxin’s withdrawal. After witnessing how Qiao Mianmian “arrogantly bullied” Qiao Anxin, she became even more fearful of Qiao Mianmian.

This Madam of the Mo Corporation who looked soft and cute didn’t match her personality and looks at all.

She looked so cute, but her words weren’t soft at all.

But Xu Miner was happy to see Qiao Anxin removed.

She had a good relationship with Zhizhi.

Qiao Anxin took over Zhizhi’s position. Xu Min’er already had something against her, but when she heard that the Gong Corporation was behind her, she didn’t dare to say anything.

“It was a false alarm. Since there’s nothing else, let’s have breakfast.” Qin Han was the most experienced among them. Without Li Wei around, he basically took his place.

Qiao Mianmian noticed that besides Zhan Bo and Qin Han, Xu Min’er and Xie Heng’s attitude towards her had changed.

Xu Min’er was much more cautious when she spoke to her now.

She was obviously afraid of her.

As for Xie Heng... he probably didn’t have a good impression of her after what she did just now.

He might think that she was bullying Qiao Anxin.

But Qiao Mianmian didn’t really care about what others thought of her now.

...

Qiao Mianmian knew that Qiao Anxin wouldn’t leave just like that.

There was a high chance that she would defame her online, saying that she was bullying a newbie.

Hence, Qiao Mianmian was already prepared for scandals to pop up in the next few days.

What she didn’t expect was that some scandals did appear, but it wasn’t because of Qiao Anxin.

Qiao Mianmian was still recording the show when her scandals were exposed.

When Linda sent her a WeChat message during the afternoon break, she found out that another scandal between her and Gong Zeli was exposed.
