

Big Shot 2851

Chapter 2851: Secret Exposed

The reporters had taken photos of her meeting with Gong Zeli at a clubhouse last night. In them, there was no one else around besides her and Gong Zeli.

In the photos, Gong Zeli was looking at her tenderly.

They stood very close to each other. The post said that they spoke for a few minutes.

The media seemed to want the world to be in chaos. They made the headlines ambiguous and eye-catching:

“The Young Master Of The Gong Family Met His Lover In Private”

“The Young Madam Of The Mo Corporation Boldly Met Him Despite The Rumors”

“They Chatted Happily”

“The Chairman Of The Mo Corporation, Mo Yesi, Is Already Green?”

These headlines immediately implicated Qiao Mianmian, Mo Yesi, and Gong Zeli.

It was a melodramatic plot.

But the more melodramatic the plot, the more the commoners liked it.

The more melodramatic the plot, the more people liked to gossip.

Who wouldn't like to see the private and melodramatic news of such a powerful family?

When Qiao Mianmian saw it, the post had already been reposted and commented over 100,000 times. The two of them were unsurprisingly in the top three trending topics on Weibo.

Qiao Mianmian Privately Meets Gong Zeli

Qiao Mianmian Suspected To Have Cheated On Young Master Gong

The Young Master Of The Gong Family Stepping Into His Old Good Friend's Family

Even though Qiao Mianmian tried her best to remain calm as she read the entire post, she was still so angry that she wanted to drag the person who posted it out from behind the computer screen and beat him up.

She felt that she was too soft-hearted last night.

She felt that there was no need to be too harsh on him. Hence, she even helped the two reporters plead for mercy.

But now...

Some people weren't worth it.

Those two jerk paparazzi actually dared to fabricate this scandal, saying that she and Gong Zeli were having a private meeting.

And the news was pretty good.

They said that they looked at each other affectionately, and Gong Zeli even hit the paparazzi to defend her.

They even said that Gong Zeli especially went to C City to look for her when she was out of town for the shoot. The two of them agreed to have a private meeting at the Lan Ya Pavilion. The paparazzi accidentally bumped into them at the pavilion, and they were afraid that they would expose their private meeting. Not only did they destroy their cameras, but they also got someone to beat them up.

But last night... Gong Zeli didn't do anything to them.

Although it was true that they destroyed their cameras, everything else was nonsense.

The two of them had only met coincidentally at the clubhouse. Gong Zeli had helped her, so she thanked him and exchanged a few words with him.

But the paparazzi transformed the story such that she and Gong Zeli had been having an affair for a long time. The private meeting had been arranged long ago.

Qiao Mianmian already knew that it was common for these people to exaggerate things for the sake of the so-called traffic rate. She wouldn't be so angry if they had just exposed it. However, she wouldn't tolerate it if they made up stories about her having an affair with Gong Zeli.

Especially when she saw some people marking Mo Yesi's Weibo account and posting green turtles and green leaves.

She couldn't tolerate it anymore.

Chapter 2852: Alright, Explain

She didn't want to be ruthless, but they had crossed the line now.

She just wanted to kill those two damn reporters.

Because the person who leaked the news described what happened last night clearly, with photos and videos as evidence, and someone claiming to know the inside story even appeared in the comment section. He said that Gong Zeli and Qiao Mianmian were already having an affair, and everyone in their circle knew about it.

Most of the people who didn't know the truth actually believed this.

They criticized them for being immoral.

The netizens were the ones who scolded Qiao Mianmian the most.

They all scolded her for being unfaithful and shameless. She had such an outstanding husband, but she still wasn't satisfied. She even wanted to cheat on another man.

Many netizens also tagged Gong Zeli's Weibo and told him to leave her alone.

"Qiao Mianmian is too disgusting. Her husband is so outstanding and perfect, how could she not be satisfied? Moreover, she cheated on him with Gong Zeli. Gong Zeli and Mo Yesi have been good friends for many years, a rabbit wouldn't eat the grass by its nest."

"I now believe that Gong Zeli and Mo Yesi broke up because of Qiao Mianmian. Ahhh, these two are my Prince Charming, but why are their taste so bad? They actually fell for such a shameless woman."

"What kind of woman can't the Young Master of the Gong family get? How did he fall for a married woman? The two male Gods of Yuncheng City have fallen for her. I wonder what's her charm. She must be a vixen."

"If I were Mo Yesi, I'd definitely divorce her."

"Now that their private meeting has been exposed, Mo Yesi definitely can't tolerate it. The entire internet knows that he's been cheated on. He won't be able to keep his face if he doesn't divorce Qiao Mianmian."

In the comment section, many people were already predicting that Qiao Mianmian and Mo Yesi would definitely divorce.

Some even said that Mo Yesi should have chosen Shen Rou.

She had liked him for so many years and was devoted to him. She definitely wouldn't betray him.

"Sigh, it's such a pity for Young Lady Shen."

"Yes, I also think that Young Lady Shen and Mo Yesi are more compatible. If they were together, this definitely wouldn't have happened."

"What a pity. I heard that Young Lady Shen has gone crazy. Even if Mo Yesi divorces, they probably won't be together anymore."

"Sigh, it's a pity."

Qiao Mianmian looked at the time.

She opened WeChat and then looked at the call history.

Mo Yesi didn't even contact her.

Mo Yesi would always send her WeChat messages in the morning, afternoon, and evening.

The post was posted an hour ago.

Mo Yesi's WeChat and phone call usually came at this time.

But now...

Qiao Mianmian didn't know if it was because Mo Yesi had seen the post.

Would he believe what the news said?

She thought for a while and sent a WeChat message.

Qiao Mianmian: [Have you seen my scandal with Gong Zeli? It's not true, I can explain it to you.]

Mo Yesi replied almost immediately.

Mo Yesi: [Alright. Explain.]

Qiao Mianmian was speechless.

It seemed like she wasn't overthinking.

He was really angry with her.

Chapter 2853: It's Time to Settle Things

So, Mo Yesi was jealous again?

Or did he believe all that nonsense and think that she and Gong Zeli were really having a private meeting?

Qiao Mianmian didn't know.

But she knew that since her husband was angry, she had to coax him.

This wasn't the first time she coaxed Mo Yesi.

She had already gained some experience.

Qiao Mianmian thought for a while and told Mo Yesi everything that happened last night.

"So, I really didn't know he was there. If I knew, I definitely wouldn't have gone there. Mo Yesi, you believe me, right? You definitely won't believe those reporters' nonsense.

"I'm telling the truth. I don't know why the reporters still have photos and videos. I definitely saw their cameras and memory cards being smashed."

Qiao Mianmian didn't hear Mo Yesi's response.

She explained again.

Mo Yesi... didn't believe her, so he didn't say anything.

No way.

He had always trusted her.

And even if he suspected something, he wouldn't suspect her.

Qiao Mianmian was very confident about this.

But if he didn't suspect her, why didn't he say anything?

"Mo Yesi, do you not trust me?" Qiao Mianmian started to feel uncertain since he kept quiet for so long.

"No, I don't doubt you."

Mo Yesi finally spoke. The man's voice was low and sounded a little heavier than usual as if he was suppressing something.

"So, you believe me?"

"Mm, I believe you. Mianmian, when have I ever doubted anything you said? If we don't even have this bit of trust between us, we'd have argued countless times over this."

"Then, why didn't you say anything?" Qiao Mianmian heaved a sigh of relief.

"Because I'm a little angry."

"You're angry?" Qiao Mianmian was stunned. "What are you angry about? Is it because of last night? But I..."

"I'm not angry at you, I'm just angry at myself." Mo Yesi interrupted her softly. "You were in danger last night, but I wasn't by your side. The person who helped you was actually him."

Mo Yesi was referring to Gong Zeli.

Qiao Mianmian kept quiet for a while.

"It's not your fault. You weren't there," Qiao Mianmian said a moment later.

"But I still feel uncomfortable."

"Is it because... the person who helped me was Gong Zeli?" Qiao Mianmian asked after a few seconds of hesitation.

Mo Yesi didn't answer immediately. After a moment of silence, he said, "I know that he likes you, and it has nothing to do with you. This isn't something you can stop. But I didn't expect him to still not give up."

"Although there's nothing between you and him, there are too many scandals. Those who don't know the truth will choose to believe it. Mianmian, I don't care what others say about me, nor do I care if they believe those scandals. But I don't want your reputation to be damaged."

His voice deepened and became colder. "It's time to settle things."

Qiao Mianmian's heart skipped a beat. "Mo Yesi, what are you going to do?"

"It's nothing.. I'll get someone to settle the scandal on Weibo."

Chapter 2854: Who Can Bear This?

"Don't bother about this anymore, lest it affects your mood. Just focus on your variety show. I'll come over to see you in a few days. Oh right, is there anything you want me to bring over?"

Qiao Mianmian's attention was successfully diverted. She was stunned. "You're coming over in two days?"

"Mm."

“Won’t it affect your work?”

“No, I’ll have two days of free time when I’m done.”

“Bring me two cups of milk tea.”

Mo Yesi was stunned for a few seconds. “Just milk tea?”

Qiao Mianmian said, “That’s right. The milk tea here isn’t good. I’ve been craving it for the past two days.”

“Your request is too easy. Is there anything more difficult?”

Anything more difficult?

Qiao Mianmian frowned and thought for a while, but she still couldn’t think of anything.

All she wanted now was milk tea.

“...I can’t think of anything for now. I’ll let you know if anything comes to mind. Anyway, you’ll only be here in a few days.”

“Alright, let me know when you think of something else.”

...

Mo Corporation, Chairman’s office.

The moment he hung up, the man’s gentle eyes turned cold.

He placed his cell phone on the table and looked up. His cold gaze landed on Wei Zheng, who was standing in front of the desk. “Get the public relations department to remove all negative news about Young Madam immediately. If anyone dares to spread the rumors about Young Madam again, remember them and hand them over to the Mo Corporation’s legal team.

“No matter how many people there are, sue them one by one.

“Also, find the person who exposed it the earliest and send him the lawyer’s letter.”

Wei Zheng stood at the side and listened in fear. Seeing Mo Yesi’s expression, he immediately lowered his head in fear.

Oh my, Chairman Mo looked really scary now.

He was like the king of hell.

But thinking about it, Young Madam was rumored to have an affair with Young Master Gong. They even said that they were having a private meeting. Wasn’t this telling everyone that Chairman Mo was cuckolded?

And the person who made Chairman Mo a cuckold was his good buddy.

Who could tolerate this?

If it was him, he would make everyone pay.

“Investigate who the drunkard Young Madam met last night is. I’m going to make that person regret what he did last night for the rest of his life.” Mo Yesi’s aura suddenly dropped to zero, and the coldness in his eyes caused people to shudder.

Wei Zheng felt a chill down his spine.

It seemed like the drunkard was going to suffer.

Since Chairman Mo said this, it meant that he didn’t intend to punish him casually.

“Wei Zheng, do you understand what I mean?” Mo Yesi’s voice was cold and murderous.

Wei Zheng felt goosebumps all over. He immediately straightened his back and said firmly, “Yes, Chairman Mo! I’ll definitely follow your instructions!”

Mo Yesi looked down at his cell phone on the table. “You have nothing to do here, you can leave.”

“Yes, Chairman Mo.”

Wei Zheng quickly left the office.

Chapter 2855: He Will Definitely Get a Divorce

The Mo Corporation’s public relations department was quick and efficient.

In less than an hour, all the negative topics about Qiao Mianmian were deleted.

Some of the reposted accounts and VIPs received the company’s instructions and quickly deleted all the scandals about Qiao Mianmian.

They couldn’t afford to offend the Mo Corporation.

A few companies were warned because of Qiao Mianmian’s scandal.

If it wasn’t for the scandal about Young Madam Mo, they wouldn’t have taken the warning seriously.

After all, it was just a verbal warning.

Otherwise, even if they went to court, they would just have to pay a symbolic sum.

It wasn’t a big loss to them.

But the Mo Corporation was different.

No one dared to ignore such a terrifying existence that could bankrupt other companies.

There was once someone who stubbornly believed otherwise.

But he ended up dead.

A complete death.

At that moment, the topics about Qiao Mianmian’s scandal disappeared from Weibo as if they had never existed.

But words were scary.

Many netizens who saw the trending searches felt that this was a sign of Qiao Mianmian's guilt, and they were even more convinced that she and Gong Zeli were indeed together.

"Did you guys notice that the scandal between Qiao Mianmian and Gong Zeli has been completely deleted? I just searched for the related topics regarding 'Qiao Mianmian and Gong Zeli', but I couldn't find anything. The power of money is indeed great. Madam President is awesome."

"She's obviously using the Mo Corporation's public relations team. Her management company isn't so powerful. Mo Yesi has already been made a cuckold, and he still wants the Mo Corporation's public relations to help his wife deal with the scandal? Tsk tsk. What kind of drug did she use? Could it be that he was bewitched by Qiao Mianmian? Otherwise, I really can't understand his actions."

"Mo Yesi isn't just Qiao Mianmian's husband, he's also the Chairman of the Mo Corporation. I don't think he's bewitched by Qiao Mianmian. As the Chairman of the Mo Corporation, his every move has an impact on the corporation, and his marriage problem has an even bigger impact. He got the public relations department to settle this scandal because he doesn't want the Mo Corporation to be affected."

"I also think that Mo Yesi is just thinking for the company. Even ordinary men can't accept their wife cheating on them, let alone a man like him. He should be holding it in for the Mo Corporation now, and he won't divorce Qiao Mianmian immediately. But when this is over, he'll definitely divorce her."

"Qiao Mianmian still hasn't explained it to the netizens. She used to post on Weibo to clarify her scandals, but this time, she didn't. Everyone should understand what this means."

"Pfft, what an adulterous couple. They're too shameless. Do they think that by removing the trending topics everyone won't know about their scandals? Nothing ever gets really deleted from the internet. It's too naive to think of deleting the trending topics to shut everyone up."

"Sisters, if they remove the trending topics on Weibo, we'll post it elsewhere! We can't let this immoral couple off so easily.. Especially a fickle woman like Qiao Mianmian, we have to let more people know her true colors!"

Chapter 2856: Are You and Qiao Mianmian Enemies?

"Sisters, if the trending topics on Weibo are removed, we'll go for Mop.com. If it's removed on Mop.com, we'll go elsewhere. I don't believe that the Mo Corporation can control the entire Internet!"

A netizen named "Qiao Mianmian's Nightmare" was especially agitated and left comments on many netizens' Weibo, inciting them to expose Qiao Mianmian and Gong Zeli's scandal elsewhere.

Her words were full of hatred and disgust for Qiao Mianmian.

This hatred was different from ordinary netizens.

Most netizens would just casually scold them.

They wouldn't keep pursuing this matter.

But this “Qiao Mianmian’s Nightmare” was different. Her Weibo was filled with all sorts of insults towards Qiao Mianmian. Her profile picture was of a deliberately uglified Qiao Mianmian, and the words “Qiao Mianmian must die” could also be seen in the picture.

Her personal summary was also about Qiao Mianmian: Is Qiao Mianmian dead today?

Some netizens noticed it.

This netizen named “Qiao Mianmian’s Nightmare” had been using Weibo accounts for more than a year.

From the day she registered her Weibo account, she would post it every day.

The content was exactly the same: [Is Qiao Mianmian dead today? If not, I’ll ask again tomorrow.]

She had almost 500 Weibo posts.

And they were all the same.

How much did she hate Qiao Mianmian to curse her over 500 Weibo posts?

Some netizens couldn’t help but ask: “Are you and Qiao Mianmian enemies? You seem to hate her.”

Qiao San’s Nightmare quickly replied: “Qiao Mianmian has been pretending to be innocent, but deep down, she’s a slutty and shameless woman. She’s best at seducing men, and she has seduced all the men she has interacted with. This isn’t the first time she’s cheated on someone, it’s just that it’s only been exposed now. She’s indeed my enemy. She took away many things that originally belonged to me. If it wasn’t for her, I don’t know how well I’d be doing now.”

Qiao San’s nightmare: “I hate her. I must let everyone know her true colors. She doesn’t deserve everything she has now. She doesn’t deserve it!”

...

Qiao Anxin clenched her teeth as she looked at the computer screen.

“Qiao Mianmian, you’ve ruined my life again and again. You’ve made me fall into a bottomless abyss again. You’ve made me suffer so much, you’ve made my life this bad, I won’t let you have a good life!

“Do you think I can’t deal with you? This time, I’m going to make you a stinky shrimp in the gutter, hated by everyone! I’m going to ruin your reputation in the upper-class society. I don’t believe that the Mo family can ignore the scandal between you and Gong Zeli, ignore the fact that you made Mo Yesi a cuckold, and not care about the Mo family’s face being thrown away by you alone!

“I don’t believe that Mo Yesi won’t suspect you and Gong Zeli.”

As long as Mo Yesi was suspicious, as long as the Mo family was suspicious, then Qiao Mianmian’s position as the Second Young Madam of the Mo family would no longer be stable.

The Mo family would never allow their reputation to be ruined by a woman.

The more prestigious a family was, the more they cared about their reputation.. If any scandals were to spread, the Mo family wouldn’t tolerate Qiao Mianmian.

Chapter 2857: Fight to the Death

Even if Qiao Mianmian and Gong Zeli didn't have any shameful relationship, she would make something up too.

It didn't matter whether they were innocent, most importantly, it was fine as long as others felt that something was going on between them.

The power of gossip was enough to destroy everything.

She was no match for Qiao Mianmian in terms of wealth and power. But... it wasn't difficult for her to ruin Qiao Mianmian's reputation.

Qiao Anxin glared at the computer screen. A moment later, she picked up her cell phone and made a call.

Smiling coldly, she said after the call was picked up, "Hello, is this Reporter Chen from New Zhou? I've thought about it. I'm willing to accept your interview now. You can set the meeting place."

After a while, Qiao Anxin hung up.

She didn't want to go this far, but Qiao Mianmian and Gong Zeli forced her hand.

She had nothing now.

She was back to square one.

She was removed from the variety show and her contract with the Gong Corporation was terminated. All her plans had been foiled.

And all of this was because of Qiao Mianmian.

If it wasn't for that slut, the Gong Corporation wouldn't have terminated the contract with her.

That slut must have said something to Gong Zeli.

Now that she had nothing left, there was nothing to be afraid of.

Since the b*tch didn't want her to have an easy time and wanted to force her to a dead-end, she would fight it out with her.

...

At the Gong residence.

In the luxuriously decorated hall sat a luxuriously dressed and elegant lady.

The housemaid stopped in front of Madam Gong and said respectfully, "Madam, Young Master is back."

As soon as the maid finished speaking, a slender black figure walked into the living room. The housemaids standing in the living room secretly looked up at the man who walked past them. When

their eyes landed on the man's handsome and cold face, they felt as if a rabbit was in their chests, and their hearts thumped wildly.

Young Master was really good-looking.

His face was really attractive.

In the past, they had secretly discussed what kind of woman was worthy of a perfect man like Young Master.

Later, they heard that Young Master liked Young Lady Shen.

They thought that Young Madam would be Young Lady Shen.

After all, in terms of family background and qualifications, Young Master and Young Lady Shen were very compatible.

But who knew that Young Lady Shen didn't like Young Master and liked Second Young Master Mo?

Young Master had been single for many years.

No matter how many eligible socialites Madam introduced to Young Master, Young Master didn't like any of them.

At that time, they all felt that Young Master was deeply in love.

As a super-rich second-generation heir of a top-notch family, other rich young masters would go around playing with women and showing off. Their Young Master had been devoted to a woman for so many years. This was really rare among the circle of rich young masters.

They all felt that Young Master loved Young Lady Shen.

Only Young Lady Shen would marry him.

But later... a female celebrity from the entertainment industry suddenly appeared and had a few scandals with Young Master.

Then, rumors started to spread that Young Master Gong had fallen in love with her and no longer liked Young Lady Shen.

Chapter 2858: Already Married, Yet Still Unrestrained

This was a good thing.

No matter who the woman Young Master liked was, as long as he wasn't obsessed with Young Lady Shen, there was hope for his marriage. He wouldn't use Young Lady Shen as an excuse to refuse to marry.

But who would have thought that the female celebrity was actually a married woman!

Moreover, she was married to Second Young Master Mo, Young Master's good friend!

Madam was furious.

How could Young Master like a married woman?

What would it look like if this got out!

Because of this, Madam and Young Master had a huge fight. There was a period of time when the two of them were on bad terms, and Young Master didn't return to the residence for a long time.

Not long ago, the relationship between the mother and son had eased a little.

Young Master was willing to go home too.

It seemed like it was only a matter of time before the mother and son reconciled.

But...

Young Master actually had a scandal with that female celebrity at this juncture.

He was caught by the reporters in a private clubhouse where the female celebrity was.

Madam only found out about this when one of her best friends called her to verify the truth of the scandal.

After finding out about this, Madam was so angry that her face turned green. She immediately called Young Master back home.

At this point, both mother and son didn't look too good. They didn't want to fight again and ruin their relationship.

"Hello, Young Master." The housemaids greeted him respectfully.

Gong Zeli walked past them expressionlessly and stopped in front of Madam Gong.

He looked down at Madam Gong, who was sitting on the sofa with a cold expression. "Mom, why did you call me back in such a hurry?"

Gong Zeli knew why his mother was looking for him, but he pretended not to know.

His question angered Madam Gong, who had been suppressing her anger.

Sitting elegantly on the sofa, she looked up. Her skin was so fair and smooth that not a single flaw could be seen on her face. Her skin condition and mental state were not inferior to a young girl in her twenties.

At this moment, Madam Gong's beautiful face was filled with anger as she questioned her son coldly. "Don't you know why I called you back?"

Gong Zeli smiled coldly. "How would I know if you don't tell me? I can't read your mind."

"You!" Madam Gong was so angry that she grabbed the cushion on the sofa and threw it at him. "Tell me clearly, what's going on between you and that female celebrity called Qiao Mianmian? Why are you two involved in a scandal again! Someone took a picture of you having a private meeting at a clubhouse. Is this true!"

Gong Zeli caught the cushion easily. He pursed his lips and smiled coldly. "So what if it's true? So what if it's not?"

"What do you think!" His casual and nonchalant attitude angered Madam Gong again. She said angrily, "You created such a scandal with a married woman, how will others look at our Gong family? Moreover, that woman is the Mo family's daughter-in-law. Ever since our families fell out, our Gong Corporation has suffered so much. Do you want us to become enemies?"

"I don't care what kind of woman you play with outside, but why are you touching a married woman? I don't think that woman surnamed Qiao is a good person. She's already married, but she still doesn't know her place. She even seduced an unmarried man like you.."

Chapter 2859: That's Because the Gong Family's Upbringing Wasn't Good

"Could it be that her husband is incapable and unable to satisfy her? That's why she's so shameless to seduce other men. I heard that before she returned to the Bai family, she grew up in an ordinary family. Indeed, women from small families don't have a good upbringing. They don't know anything about honor and integrity!"

Madam Bai was very prejudiced against Qiao Mianmian.

An even deeper prejudice than against Shen Rou.

Although she used to blame Shen Rou for delaying Gong Zeli's marriage, she didn't have a good impression of her.

But she didn't hate Shen Rou.

After all, in Madam Gong's opinion, Shen Rou and Gong Zeli were compatible in all aspects. If Shen Rou wanted to marry into the Gong family and be her daughter-in-law, she would be very satisfied.

And Shen Rou was still unmarried.

Madam Gong was already very unhappy that a married woman like Qiao Mianmian had scandals with her son.

Moreover, Gong Zeli had even argued with her because of the other party. Their relationship had become very strained.

This made Madam Gong even more disgusted with Qiao Mianmian.

In her eyes, Qiao Mianmian was a shameless and promiscuous woman.

She was already married, but she still seduced her son.

Her son's reputation was ruined, and the Gong family became a joke.

Madam Gong was furious at the thought of her best friend's call today.

Her best friend had a daughter who was about the same age as Gong Zeli. Both families had the intention of marriage and arranged a blind date for them.

Gong Zeli went on that blind date, but he left after five minutes.

Before he left, he said some unpleasant words.

Her best friend felt that her daughter had been wronged, and her relationship with Madam Gong wasn't so good anymore.

Madam Gong felt that her best friend made fun of her on purpose.

She teased her son for abandoning so many outstanding unmarried women.

But he just had to be entangled with a married woman.

Madam Gong couldn't take it, so she immediately called Gong Zeli back home.

She put all the blame on Qiao Mianmian, so she naturally chose to say harsh words.

But the moment Madam Gong said that her son's expression darkened.

Even the surrounding temperature seemed to drop by tens of degrees.

Even if the person standing in front of her was her son. Looking at Gong Zeli's cold expression, Madam Gong was a little afraid.

"Mom, Qiao Mianmian isn't the kind of woman you're talking about. There's nothing between us. Also, I've always been the one after her, not the other way around. On the contrary, she's been avoiding me and unwilling to have any contact with me.

"The shameless one is your son.

"I'm your son. If we're talking about a bad upbringing, it's the Gong family's poor upbringing.. It's your negligence as a mother that resulted in such a shameless son like me."

Chapter 2860: You Can Cut Ties With Me

Madam Gong's eyes widened in shock. She couldn't believe that her son would say such a thing.

How could he accuse her of being a bad mother just to protect a woman?

Madam Gong was furious.

She felt that her son must have been possessed.

She was even more dissatisfied with Qiao Mianmian now.

"Zeli, are you accusing me?" Madam Gong looked pained. "You're criticizing me for that woman, aren't you? Is that woman more important than your biological mother now?"

"Previously, it was because of her that our family and the Mo family stopped interacting. The Gong Corporation was also greatly affected. Do you still want our Gong family to suffer more criticism and be mocked by everyone because of her?"

“Even if you can afford to lose this face, I can’t! Do you know what they said when they called me today to ask about you and her? In the past, many people already gossiped about our Gong family because of that woman from the Shen family. Now, you actually fell for a married woman.

“Are you trying to embarrass the Gong family?”

Gong Zeli’s expression was calm and cold as he faced his mother’s criticism. He looked at her coldly. “If you think I’m embarrassing, feel that I’ve embarrassed the Gong family, and feel that I’ve embarrassed you, you can draw a clear line with me.”

“Draw a line?” Madam Gong was stunned. “What do you mean?”

“You can cut ties with me.”

Gong Zeli said the most heartless words, but his expression was indifferent. His tone was also indifferent as if he was saying something unrelated to him.

It sounded like a casual statement.

Madam Gong turned pale and looked at him in disbelief.

“Y-You want to cut ties with me because of that woman?”

“It’s not that I want to break off our mother-and-son relationship.” Gong Zeli was still calm. “You’re the one who said I embarrassed you. In that case, if we’re no longer mother and son, no one will link what I did to the Gong family.

“You don’t have to be embarrassed.”

Madam Gong finally understood.

The son she doted on since he was young actually said that he wanted to cut ties with her.

He actually wanted to sever ties with his mother for a married woman!

Madam Gong trembled with anger.

“Alright. Do you want to cut ties with me? Then, cut ties with the Gong family if you have the ability. Don’t say that you’re the Young Master of the Gong family and the CEO of the Gong Corporation any more. If you want to cut ties, cut them off cleanly and completely. In the future, the Gong family’s matters have nothing to do with you.

“If you have the guts to do this, forget about harassing a married woman, even if you go and commit murder and arson, it has nothing to do with me, it has nothing to do with the Gong family!”

Madam Gong was furious.

She didn’t believe that Gong Zeli would really throw away the Gong family just for a woman. He wouldn’t throw away his status as the Young Master of the Gong family and his current superior life.

Hence, even though Madam Gong was surprised by what he said, she was sure that Gong Zeli wouldn’t dare to do that.
