

## **Big Shot 2861**

### **Chapter 2861: Qiao Anxin Accepted the Reporter's Interview**

"Alright, then." Gong Zeli smiled and said casually, "Do you need me to make a statement? This way, it'll be more formal and everyone will know that I've broken off my relationship with the Gong family."

"Whatever I do in the future has nothing to do with the Gong family anymore."

Madam Gong was stunned for a moment before a look of disbelief appeared on her face. "Y-You... Do you know what you're saying? Do you know what your words mean?"

She couldn't believe it.

Gong Zeli was willing to give up everything he had and cut ties with the Gong family.

Was he crazy?

"Of course I know." Gong Zeli sneered. "If this is what you want, then so be it. Is there anything else? If not, can I leave?"

Madam Gong's face was pale and her chest was heaving up and down. She couldn't say a word.

Gong Zeli looked at her and said coldly, "Since there's nothing else, I won't stay any longer. I don't want to be an eyesore to you, Madam Gong."

With that, he turned and walked out.

He walked very quickly and left the hall without looking back.

Only Madam Gong and the housemaids were left in the living room.

Madam Gong sat on the sofa with a terrible expression. Her face was pale from anger at first, but after Gong Zeli left, her eyes gradually reddened.

"He really wants to cut ties with me!

"He's really willing to leave the Gong family for that woman! Is he crazy? He doesn't even want his status as the heir of the Gong family because of a woman? Gosh, what sin have I committed? Why did I give birth to such a worrisome son? This is infuriating."

Madam Gong suddenly burst into tears.

The housemaids standing at the side witnessed everything and looked at each other. They didn't even dare to breathe.

Indeed, Madam and Young Master started arguing again.

And the argument this time was even more serious than last time.

It had reached the point where Young Master wanted to cut ties with the Gong family.

They also felt that Young Master was crazy.

Giving up everything for such a woman?

He was the only heir of the Gong family.

Although they knew that Madam must have said that out of anger, based on Young Master's temper, what he said wasn't out of anger.

Since he said he wanted to sever ties, he would really do it.

Young Master must be crazy.

He had been single-mindedly in love with Young Lady Shen for so many years, and they already felt that it wasn't worth it.

And now he was obsessed with a married woman?

And he would give up everything for her?

Was Young Master affected by Qiao Mianmian?

...

Qiao Mianmian didn't expect to appear again on the trending topics after just two hours.

Qiao Anxin was the reason this time.

She accepted an interview and told the reporter that the reason her contract was terminated was because Gong Zeli wanted to stand up for Qiao Mianmian.

Not only that.

She even told the reporter that she was able to sign with the management company under the Gong Corporation because she looked like Qiao Mianmian.

Gong Zeli liked Qiao Mianmian, but Qiao Mianmian was married, so it was impossible for them to be together.

Since he couldn't be with her, he found many substitutes that looked like Qiao Mianmian.

She was one of them.

Gong Zeli already had a substitute named Su Su..

### **Chapter 2862: Meaningful**

Su Su was still with Gong Zeli.

"Young Master Gong found a lot of Qiao Mianmian's substitutes, and Su Su and I are just two of them. I can testify that this is absolutely true. But I'm not sure if Young Master Gong had a private meeting with Qiao Mianmian last night or if Qiao Mianmian had an affair with Young Master Gong.

"But if the two of them didn't agree at first, then I think it's a coincidence. Why did they both go to that clubhouse last night? Moreover, I heard that that clubhouse has been open for several years. Young

Master Gong is also one of the shareholders. But the staff told me that Young Master Gong has never been there before. He went there for the first time last night.

“What a coincidence, Qiao Mianmian was there last night too.

“So, it’s hard for outsiders like us to judge if they agreed to go there.”

Everything she said seemed objective, but everyone felt that she was implying something.

Everything seemed to be hinting that Gong Zeli and Qiao Mianmian had an affair.

“So, you don’t think it was a coincidence that they met at the clubhouse last night?” A man’s voice came from the video.

Qiao Anxin smiled and shook her head. “I didn’t say that. I just feel that what happened last night was a little too coincidental. As for what everyone thinks, that’s not up to me.”

“You said that the Gong Corporation terminated your contract because of Qiao Mianmian. Is this true?”

“It’s true.” Qiao Anxin looked up with reddened eyes. She choked and said, “I just signed a contract with the company and was suddenly informed that they terminated it.

“I got to know from a friend in the company that it was because I offended Qiao Mianmian. Young Master Gong liked her and knew that I had a conflict with Qiao Mianmian. In order to stand up for her, he got the company to fire me.

“Anyway, to Young Master Gong, I’m just an unimportant artiste. If he can stand up for the person he likes and gain her favor, why not? I’m not as good as Qiao Mianmian. I’m not like her, who comes from a good family and has a powerful husband. I also don’t have so many loyal escorts. So, I admit that I’m being bullied by her. I know I can’t win against her, but I feel that it’s necessary to let others know her true colors.”

“Her true colors?”

“Do you think Qiao Mianmian is really as she appears to be? She’s just faking it. She’s a vicious and heartless woman. Ever since she got to where she is because of Mo Yesi, she has done many cruel things.

“Her ex-boyfriend and childhood sweetheart grew up together, and the other party’s parents treated her very well, but after she hooked up with Mo Yesi, she kicked him away. Not only that, but she even used Mo Yesi to make her ex-boyfriend’s family bankrupt.

“Her adoptive parents treated her with great kindness, but she caused her adoptive father’s biological daughter to suffer a miscarriage. She was even forced out of the entertainment industry by her.. In order to avoid being killed, she was even forced to leave Yuncheng City.”

### **Chapter 2863: Is She Taking Revenge on You?**

In the video, Qiao Anxin could be seen gritting her teeth.

“Wait.” The reporter interrupted her and asked, “You just said that Qiao Mianmian dumped her ex-boyfriend after she hooked up with Mo Yesi? Is the ex-boyfriend you’re talking about the former Young Master Su Ze?”

Qiao Anxin nodded. “That’s right.”

The reporter continued to ask, “But wasn’t her ex-boyfriend who betrayed her first? It was her ex-boyfriend who got together with her sister behind her back. They only broke up after she found out.

“Qiao Mianmian and Mo Yesi only met after they broke up.”

“Ha.” Qiao Anxin sneered. “Of course she’d say that. Could it be that she was the one who cheated first? From what I know, her ex-boyfriend treated her very well. Otherwise, he wouldn’t have been willing to marry her with her background.

“Her younger sister, Qiao Anxin, treated her well too. No one in the Qiao family mistreated her. But she acted like a victim to the public and talked bad about her stepmother and stepsister. She made herself as pitiful as Cinderella in the fairy tale.”

“But she sent evidence of Qiao Anxin and Su Ze betraying her. Their intimate photos were taken before she met Mo Yesi. How do you explain this?”

“Photos can be photoshopped. That doesn’t mean anything.”

“But a professional analyzed that those photos couldn’t have been photoshopped.”

“The professionals accepted bribes, so of course they helped them. She was already recognized as a member of the Bai family and married to Mo Yesi. With the Bai and Mo families backing her, how could her stepmother, stepsister, and ex-boyfriend beat her? Isn’t it all because she can kill whoever she wants? Let me ask you, who in Yuncheng City can beat the Bai and Mo families?

“I’m telling the truth. Su Ze’s parents have been through bankruptcy and have been hospitalized for a long time. They haven’t recovered yet. You can verify this.

“You can investigate her stepsister’s miscarriage.

“Qiao Mianmian is a selfish and vicious woman. I accepted this interview just to let more people know her true colors and stop being deceived by her.”

The reporter kept quiet for a while before asking, “But what’s the benefit of doing this?”

“Of course, she’s afraid that the people who knew her would expose her true identity. As for why she’s targeting me now, she’s just unhappy because I look like her.”

This interview took about 10 minutes.

In the end, Qiao Anxin cried and buried her head on the table.

This interview was sent by a newly registered account.

Qiao Mianmian saw that there were already a lot of reposts and comments.

As expected, she was trending again.

“Damn, is Jiang Xinyue crazy? She actually insulted you.”

Zhan Bo and Qin Han saw the video too.

It was break time, and they had just been scrolling through Weibo.

“Is she taking revenge on you? She thinks that the company terminated the contract because of you, so she got reporters to defame you?”

#### **Chapter 2864: Why Do I Feel Like Jiang Xinyue Has a Huge Grudge Against You?**

Zhan Bo was more agitated and angry than Qiao Mianmian.

It was as if he was the one who had been defamed.

On the contrary, Qiao Mianmian looked a little too calm after watching the video.

It was as if the video had nothing to do with her.

Zhan Bo turned around and saw Qiao Mianmian’s nonchalant expression. He couldn’t help but frown.

“Qiao Mianmian, did you watch the video? Why don’t you seem angry at all?”

“Mm, I’ve finished watching the video.” Qiao Mianmian turned around and met his puzzled gaze. “I’m not okay, I’m quite angry.”

Zhan Bo: “...”

She was angry, but she didn’t react at all?

He was really curious to know how she looked when she was angry.

“You’re angry?”

“Mm, I’m angry.”

“But you don’t look angry at all.”

“You don’t have to show your anger.” Qiao Mianmian pursed her lips and closed the video. “Do you know that sometimes silence is scarier?”

Zhan Bo: “...”

“Alright, what do you plan to do? I saw the comments. Many people actually believed what she said. The current comments aren’t very good for you. Why do I feel like Jiang Xinyue has a huge grudge against you?”

“Didn’t you say that you’ve never seen her before?”

“It feels like she wants you to die. Just because she thinks you caused her contract to be terminated?”

Of course not.

But Qiao Mianmian couldn’t tell anyone the truth yet.

She thought for a while and said, "She thinks that I ruined her future, so it's normal for her to hate me. Someone even tried to stab me to death previously. Compared to that, Jiang Xinyue's actions are nothing."

Qiao Mianmian was speaking the truth.

To her, Qiao Anxin's actions were already considered good.

At least it wasn't that extreme.

Previously, Song Fei and Huang Yilin wanted to stab her with a knife and pour sulfuric acid on her. These were much scarier than what Qiao Anxin was doing now.

Qiao Anxin was just trying to ruin her reputation.

Her life wasn't in danger.

Zhan Bo was speechless.

Qiao Mianmian was probably the only person who could remain so calm in the face of her own scandals.

Other female celebrities would be furious.

But their backgrounds couldn't compare to Qiao Mianmian's.

Qiao Mianmian was so calm and composed, probably because this matter was a piece of cake for her.

All the posts would be deleted with a few casual words from her husband.

Qin Han had also finished watching the video. As a veteran in the industry, he thought for a while and suggested, "Mianmian, although Mr. Mo can delete all the negative news about you with just one sentence, I think it's better to settle this as soon as possible. You'd better respond first, in case others say that you're guilty and don't even have an explanation."

"Most netizens don't have their own judgment and are led by the nose. Even if what Jiang Xinyue said isn't true, it's not good for you if more people believe it."

Qiao Mianmian nodded. "Mm, I know what to do. I'll make a post on Weibo now.."

### **Chapter 2865: Mo Shixiu Reposted It Too?**

Qiao Mianmian V: [I want to say that rumors stop at the wise. I hope everyone doesn't believe those groundless things. For those who deliberately spread rumors and defamed others, we are currently gathering relevant evidence. We will definitely give everyone an explanation later.]

Ever since the scandal between Qiao Mianmian and Gong Zeli was exposed, people had been saying that since she didn't respond, she must be guilty.

Moreover, someone was deliberately trying to lead the conversation in this direction. If she refused to respond, it would prove that she had cheated on Mo Yesi.

The netizens also felt that she was unwilling to respond because the scandal was real.

Her fans were getting anxious.

They all left comments on her recent post, hoping that she would respond.

Give the fans and the other netizens an explanation.

Hence, when Qiao Mianmian finally posted on Weibo, the fans were all excited.

“Ah, ah, ah, Mianbao finally posted on Weibo. Mianbao, don’t be anxious. Collect the evidence well. You must tell the person who spread the rumors and framed you!”

“I knew that the scandal between Mianbao and Young Master Gong was fake. Mianbao and Chairman Mo are so loving, how could she have done such a thing? Ahhh, the person who spread the rumors is too hateful. Mianbao, you must not let them off. Especially that Jiang Xinyue. She’s a bad woman. Mianbao, you can’t let her off!”

“Yes, yes, yes. Jiang Xinyue is too disgusting. What she said in the video was obviously meant to slander Mianmian. I’ve never hated someone so much!!”

“Those haters who are saying that Mianbao is too guilty to respond, do you have anything to say now? Mianbao, you have to collect all the evidence. When the time comes, you have to slap their faces!!”

As soon as Qiao Mianmian posted it, Zhan Bo and Qin Han reposted it immediately.

Zhan Bo: [No matter what, I believe in Qiao Mianmian!! I want to stand by her unconditionally! Also, I was the one who suggested going to the clubhouse last night. I wanted to ask you guys if you lied without thinking.]

Qin Han: [The innocent will know the truth. I believe in Mianmian, too.]

The fans naturally stood with the two of them.

The public opinion was instantly turned around.

A few minutes later.

Shen Fei also reposted Qiao Mianmian’s Weibo post.

Shen Fei: [I won’t say much. Believe in Mianmian and wait for the truth together.]

Shen Fei and Qin Han were publicly acknowledged as the top artistes in the industry, and both of them supported Qiao Mianmian. In an instant, the netizens on Weibo, who were still trying to create hype, were quickly drowned out by their fans.

A while later.

Netizen: “Damn, Young Master Yan reposted Qiao Mianmian’s Weibo too. Did I see it wrongly? Mo Shixiu reposted it too? Is this Mo Shixiu the same person as the presidential candidate, Young Master Mo Shixiu?”

The netizens weren’t surprised that Yan Shaoqing reposted Qiao Mianmian’s Weibo post.

After all, Yan Shaoqing and Mo Yesi were so close, and Qiao Mianmian was someone he had to call sister-in-law.

It was normal for him to take sides.

But Mo Shixiu...

Although Qiao Mianmian was married to Mo Yesi and was Mo Shixiu's sister-in-law, everyone knew that Mo Shixiu's Weibo had never posted anything other than an official self-introduction on the day he registered.

After so many years, his second Weibo post was actually a repost of Qiao Mianmian's Weibo post.

Mo Shixiu: [Everyone in the Mo family trusts Sister-in-law unconditionally. We support Sister-in-law in finding out the person behind the scenes and slandering her. Don't worry, Yesi and I will stand up for you..]

### **Chapter 2866: Both Made Statements**

Mo Shixiu's post was reposted by Mo Yesi in less than a minute.

Mo Yesi: [Mm, Big Brother is right. No one can slander my wife. The Mo Corporation's legal team is ready. Those who aren't afraid of death can continue to slander.]

Both brothers made a statement.

Their attitude was clear.

The rumors saying that Mo Yesi would definitely divorce Qiao Mianmian were blown away.

After all, even if Mo Yesi had to stand up for Qiao Mianmian because of the Mo Corporation, Mo Shixiu didn't have to stand up for her.

Yan Shaoqing and Lu Rao didn't have to take sides.

Who would side with their brother's cheating woman?

Wouldn't this be a slap to Mo Yesi's face?

Moreover, if Qiao Mianmian was such a terrible person, Qin Han and Zhan Bo wouldn't have spoken up for her.

If Qiao Mianmian really cheated, Qin Han and Zhan Bo would definitely be affected.

No matter how close they were, Zhan Bo and Qin Han didn't want to risk their futures.

Hence, the rumor about Qiao Mianmian having an affair with Gong Zeli was just that: a rumor.

Some netizens even analyzed it and felt that Qiao Mianmian was probably blind or stupid. That was why she didn't love her perfect husband properly and instead cheated on him.

Gong Zeli was naturally good in all aspects.

But compared to Mo Yesi, there was still a gap.

Moreover, everyone knew that Gong Zeli used to like Young Lady Shen.

Based on this, Qiao Mianmian wouldn't cheat on him.

"Even Mo Shixiu is on her side. I think he's a very fair person. If Qiao Mianmian really did something wrong to his brother, he definitely wouldn't speak up for her."

"Those rumors are ridiculous, and I've never believed them. Just based on those photos and videos, you can confirm that the two of them are having an affair? I've seen the video, but I didn't see them having any intimate actions."

"Yes, yes. I've seen the video, too. They're just standing together and talking normally. There's no such thing as an affair."

"If they're standing together and talking, it means that they have an affair. Gosh. Then, men and women shouldn't talk anymore. Otherwise, they're having an affair."

"That Jiang Xinyue is so disgusting. Does she think the Internet doesn't have memories? It was clearly Su Ze who cheated on Qiao Mianmian back then. It was Qiao Anxin who shamelessly snatched Qiao Mianmian's fiancé. She actually pretended to be confused and thought that no one would know the truth after it was over. She actually played the blame game."

"I also remember that Qiao Anxin took the initiative to seduce Su Ze before Qiao Mianmian and he broke up. I saw the photos and videos back then and confirmed that the man cheated first. Those photos and videos can still be found even now."

The netizens were easily led by the nose. However, they weren't brainless.

Some of them were more clear-headed.

In addition, Qiao Mianmian's Weibo post was quickly reposted by almost half of the entertainment industry.. With so many people standing on her side, and all of them being big shots in their respective circles, the public opinion was naturally quickly reversed.

### **Chapter 2867: Won't Let Her Be**

Most of the netizens were also fence-sitters.

Seeing so many people supporting Qiao Mianmian, they felt that Jiang Xinyue's words were probably just rumor-mongering.

After all, she said that her contract was terminated because of Qiao Mianmian.

She definitely hated Qiao Mianmian.

Hence, it wasn't impossible to spread rumors about her.

Because Mo Yesi said that the Mo Corporation's legal team was ready, no one reposted Jiang Xinyue's interview. Even the few bold people who weren't afraid of death immediately deleted their posts and comments after Mo Yesi's statement.

As a result, Jiang Xinyue's post didn't cause much of a stir.

It was like a storm on a sunny day.

...

“Mianmian, the public opinion on Weibo is on your side now. Qiao Anxin wants to take the opportunity to ruin your reputation. Her wishful thinking has come to nothing. It’ll be difficult for her to stir up any more trouble.

“But even though this matter has been resolved, I don’t think she’ll let it go. Have you thought of taking this opportunity to expose her true identity?”

Qiao Mianmian had just exited Weibo when she saw the WeChat message Linda sent her.

After reading it, she thought for a few seconds and replied: [I have this intention, but to expose her true identity, I need to find some evidence.]

After replying to Linda, Qiao Mianmian sent a message to Bai Yusheng and Qiao Chen respectively.

She asked them to help her gather evidence that Qiao Anxin and Jiang Xinyue were the same person.

Back then, Qiao Anxin and Su Ze’s intimate photos were all gathered by Qiao Chen.

He could use the same method to get evidence of the plastic surgery against Jiang Xinyue.

Although his methods weren’t very brilliant, against someone like Qiao Anxin, there was no need to be clever.

Qiao Anxin’s actions this time had really angered Qiao Mianmian.

Hence, she felt that there was no need to give Qiao Anxin a way out.

Since she was courting death, so be it.

Qiao Chen and Bai Yusheng replied quickly.

Qiao Chen: [No problem, leave this to me. Hmph, Qiao Anxin actually dared to come back. She’s back, but she doesn’t know how to behave. She even dares to do this behind our backs. See if I don’t skin her alive.]

Bai Yusheng: [It’s not a big problem. Just give me an hour.]

Qiao Mianmian didn’t bother about it anymore after reading their replies.

She just had to wait for them to hand the evidence to her.

At this point, Qiao Mianmian felt that having reliable brothers was too easy.

...

On the other side.

Not long after Qiao Anxin’s interview was posted on Weibo, she received a call from Su Ze.

His angry voice could be heard.

“Qiao Anxin, are you crazy! Do you know what you’re doing!

“I don’t care if you’re crazy, but don’t make me suffer with you!”

Su Ze was practically screaming.

Qiao Anxin heard his piercing voice and frowned as she put her cell phone away from her ear. After a while, she placed it against her ear again and said coldly, “I’m not crazy. I know what I’m doing.

“That slut Qiao Mianmian left me nothing. Why should I tolerate this? Why should I watch as that slut continues living happily!”

## **Chapter 2868: Just Give It Up**

“If I’m not living well, she can forget about living well!”

“I think you’ve really lost your mind. Who do you think you are? Is she someone we can afford to offend? Do you think you can really do anything to her just because you got a reporter to spout nonsense? Can’t you see who the public opinion is supporting now?”

“So what if I can’t afford to offend her? Should I just swallow my anger and accept her suppression? It doesn’t matter who the public opinion is supporting. As long as the Mo family believes what I said and thinks she’s a slut!” Qiao Anxin’s face darkened from anger. “As long as they believe that she’s having an affair with Gong Zeli, they’ll definitely get Mo Yesi to divorce her.

“Su Ze, aren’t you still thinking about this slut? If she divorces Mo Yesi, won’t you have a chance? I’m indirectly helping you. It’s fine if you don’t thank me properly, but you actually have to talk to me like this? I think you’re the crazy one!”

Su Ze kept quiet for a while.

Thinking that he’d been persuaded, Qiao Anxin sneered. “You’re still thinking about that slut. But Su Ze, I have to remind you that even if that slut divorces Mo Yesi, she’s still the daughter of the Bai family. With your current status, even if she’s a divorced woman, she might not accept you.

“Don’t forget, Gong Zeli likes her too. You’re not the only man who wants her. You don’t offer much competition to Young Master Gong.”

“Qiao Anxin, shut up!” Su Ze flew into a rage. “You don’t have to worry about me. You should worry about yourself first. You’ve offended the Mo and Gong families. Gong Zeli won’t let you off, and neither will Qiao Mianmian and Mo Yesi.

“Also, I called you to tell you that our cooperation ends here. In the future, we have nothing to do with each other, so don’t look for me anymore!”

Su Ze hung up.

Qiao Anxin’s expression darkened when she heard the disconnected call.

“Su Ze, you bastard. Do you think you can really end it just by saying that the cooperation is over? You want to wash your hands off this matter with just a phone call? Dream on!

“Since I’m dying, let’s die together!”

...

Su Ze was still worried after calling her.

Qiao Anxin was signed by him.

And she was someone he was going to spend a lot of money on.

Now, the artiste he signed openly hinted that Gong Zeli and Qiao Mianmian had an affair in the interview. He even revealed that Gong Zeli found her as a substitute for Qiao Mianmian.

Gong Zeli was definitely furious now and wouldn’t let Qiao Anxin off so easily.

He might even be taught a lesson.

Su Ze shuddered at the thought of Gong Zeli’s vicious methods.

He didn’t want to be implicated by Qiao Anxin.

Su Ze thought for a while and felt that he should do something to protect himself first.

Qiao Anxin was useless now, and she’d caused him a lot of trouble.

Since it was an abandoned chess piece, he might as well give it up.

...

At the Gong Corporation.

Su Ze was brought to Gong Zeli’s office.

He looked at the man sitting in front of him with a dark expression and exuding a violent aura. The fear in his heart rose again.

He took a deep breath and calmed himself down before speaking.. “Chairman Gong.”

### **Chapter 2869: Give Me a Chance to Redeem Myself**

On the black leather chair, the handsome man looked at him with narrowed eyes. “What is it? You can say it now.”

Su Ze felt a chill down his spine when he met his gaze.

He could even feel the cold air crawling up his back.

He swallowed his saliva and looked away. He didn’t dare to look Gong Zeli in the eye anymore. He then said respectfully, “Chairman Gong, what I want to say has something to do with Jiang Xinyue. Chairman Gong, Jiang Xinyue actually has another identity. She didn’t use to look like this, and her name isn’t the one she’s using now.”

Gong Zeli had already found out from Bai Yusheng that Jiang Xinyue was Qiao Anxin, but he didn't expect Su Ze to talk to him about this.

Was he going to betray Qiao Anxin?

But it wasn't strange that Su Ze would do such a thing.

If he was a responsible man, he wouldn't have betrayed Qiao Mianmian.

"Oh, is that so?" Although Gong Zeli already knew the truth, he still pretended not to know anything. He raised an eyebrow. "Then, what's her other identity? From what you said, I might know her?"

"Yes." Su Ze betrayed Qiao Anxin without hesitation. "President Gong should know her. She's Qiao Mianmian's former stepsister, Qiao Anxin. Her current appearance was based on Qiao Mianmian."

"Qiao Anxin?" Gong Zeli raised his brows again. "Isn't this your ex-girlfriend? So, you signed her to the Gong Corporation's management agency even though you knew her true identity? You even planned to use the company's resources to groom her?"

Gong Zeli smiled and said coldly, "Su Ze, have you thought about the consequences of your actions?"

Stunned, Su Ze broke out in cold sweat. He hurriedly explained, "Chairman Gong, she cried and begged me to give her a chance. She begged me for a long time. She was Uncle Qiao's daughter and Qiao Mianmian's sister for many years, that's why my heart softened and I decided to give her a chance.

"I thought that she'd changed and wouldn't be like before. But I didn't expect her personality to remain the same. I thought that at this point, I couldn't hide her identity anymore. That's why I came to Chairman Gong and told you the truth.

"Chairman Gong, Qiao Anxin is unrepentant. It's the right decision for the company to terminate the contract with her. I regret signing her now because her matter has affected the company, especially your reputation.

"I can't escape responsibility for this. But I hope that Chairman Gong can give me a chance to redeem myself."

Gong Zeli looked at him coldly.

Su Ze's face was pale with fear.

This was the man who almost married Qiao Mianmian?

And he betrayed her?

He wondered what Qiao Mianmian's taste was for her to fall for such a lousy man.

Thankfully, she didn't marry Su Ze.

Otherwise, it would be like planting a flower in cow dung.

"Redeem yourself?" Gong Zeli sneered. "How are you going to do that?"

Su Ze kept quiet for a few seconds before saying decisively, "This happened because of Qiao Anxin. I think it's too easy on her to just terminate her contract.."

#### **Chapter 2870: Hammer Her to Death**

"We should teach her a lesson so that she won't dare to offend Chairman Gong again."

"Then, what kind of lesson should we teach her?" Gong Zeli asked.

Su Ze thought for a while, and a trace of viciousness flashed past his eyes. He gritted his teeth and said, "I'll give her a taste of her own medicine. She spread rumors and damaged Chairman Gong's reputation, so we'll use the same means to ruin her reputation."

"Oh? She's your ex-girlfriend. You're willing to use this trick on her?"

"I don't have any feelings for her anymore. Otherwise, I wouldn't have broken up with her back then."

Su Ze paused for a while before saying sincerely, "Chairman Gong, please give me a chance to make it up to you. I'll definitely give you a satisfactory answer."

Gong Zeli smiled and kept quiet for a while before saying calmly, "We'll only know if I am satisfied after you do it."

Su Ze was stunned for a moment. When he understood what Gong Zeli meant, he quickly said, "Chairman Gong, don't worry. I'll definitely do it to your satisfaction."

Gong Zeli looked at his elated expression and smiled. "Alright, I'll give you a week. If you don't settle this, you don't have to stay in the Gong Corporation anymore."

How could Su Ze know that Gong Zeli had already dug a hole for him to jump into?

...

Bai Yusheng and Qiao Chen quickly sent all the evidence to her.

Qiao Mianmian looked at the evidence and felt that it was enough to kill Qiao Anxin.

She sent the evidence to Linda, who then handed it to the public relations department.

Not long after, Huan Yu's Public Relations Department wrote a professional and simple statement.

Qiao Mianmian thought for a while and didn't post it on Weibo immediately.

She felt that since she wanted to expose Qiao Anxin, she had to make it impossible for her to make a comeback.

She had to hammer her to death.

Although she had enough evidence now, she wanted it to be foolproof.

It didn't take her much effort to find out where Qiao Anxin was staying.

She took a day off from the production crew and booked a flight to Yuncheng City.

...

Three hours later, Qiao Mianmian arrived in Yuncheng City.

She didn't tell Mo Yesi that she was back. She immediately took a taxi to Qiao Anxin's place.

According to the address she found, Qiao Anxin was living in a high-class district.

Coincidentally, Qiao Mianmian had a property there.

It was a part of the assets that Mother Bai gave her.

When Qiao Mianmian arrived at the district, the security guard at the door didn't stop her. Instead, he greeted her respectfully.

Finding it strange, Qiao Mianmian asked, "You know me?"

This was her first time in this neighborhood.

Not everyone could enter such a high-end district. She thought that a stranger like her would definitely be questioned.

"This is the Bai family's property. Everyone in the property industry knows that Miss Qiao is the Bai family's daughter. Moreover, I've seen the television series you acted in, so I'm not unfamiliar with you."

"I see."

Qiao Mianmian cleared her doubts and nodded. "Can I enter directly?"

"Of course, Miss Qiao can enter as she pleases."
