

Big Shot 2871

Chapter 2871: It's Qiao Mianmian

All the houses in this district belonged to the Bai family.

Even the property management worked for them.

The Bai family's daughter could enter as she wished.

Qiao Mianmian was about to enter when she suddenly stopped and turned around. "Someone called Jiang Xinyue is living here, right? Has she been here these last two days?"

"Jiang Xinyue?" The security guard wasn't familiar with this name.

Qiao Mianmian found out that Qiao Anxin didn't buy a house in this district.

She was just renting the place.

After all, the houses in this district weren't cheap. Even a small house cost tens of millions.

The bigger ones cost hundreds of millions.

Qiao Anxin had made some money in the past, but she had to use almost all of it on compensation. She didn't have much money left when she left Yuncheng City.

Otherwise, she wouldn't have joined Su Ze.

Even this place was rented using his money.

"It's a woman who looks like me. Haven't you seen her before?" Qiao Mianmian gave the security guard some hints.

A few seconds later, the security guard slapped his thigh and nodded. "Yes, I've seen her before. There's indeed a woman who looks a lot like you, Miss Qiao. She came back yesterday. Is Miss Qiao looking for her? Is she your relative?"

"Mm... I guess." Qiao Mianmian smiled.

"No wonder you two look so alike." The security guard smiled and looked at her curiously. "Is that Miss Qiao's sister?"

"Sister?" Qiao Mianmian repeated the word carefully. She smiled and said coldly, "Mm, it's my sister."

"No wonder, no wonder." The security guard looked at her again and wondered.

Her sister wasn't from the Bai family.

Why did she look so much like her?

Could it be that her sister was also from the Bai family? But if that was the case, she should have been acknowledged long ago.

Moreover, he felt that although her sister looked like her, her temperament and looks were far inferior.

...

Finding out that Qiao Anxin was home, Qiao Mianmian went straight there.

Ten minutes later, she stood outside Qiao Anxin's house.

She pressed the doorbell.

Soon, she heard a familiar voice. "Who is it?"

It was Lin Huizhen.

Qiao Anxin had returned to China, and so had Lin Huizhen.

Qiao Mianmian didn't say anything.

Lin Huizhen could see her from the surveillance camera.

Indeed.

A few seconds later, she heard Lin Huizhen's voice. "Qiao Mianmian?"

"Mom, who is it?"

At this moment, another voice came from inside. It was Qiao Anxin's voice.

Lin Huizhen kept quiet for a few seconds before saying, "It's Qiao Mianmian."

"What? Qiao Mianmian is here?" Qiao Anxin was shocked.

The next moment, the door opened.

Qiao Anxin and Lin Huizhen were standing at the door.. Qiao Anxin's expression darkened when she saw Qiao Mianmian standing outside. She looked at her coldly and asked, "Qiao Mianmian, how did you know I lived here? What are you doing here?"

Chapter 2872: So, Aunt Lin Admits It?

Qiao Mianmian looked at her coldly. "It seems like I was right."

Stunned, Qiao Anxin looked at her angrily. "What did you guess right? You haven't answered me, how did you know I'm staying here? Did you investigate me?"

Qiao Mianmian didn't say anything. She shifted her gaze to Lin Huizhen standing beside her.

She smiled and greeted her. "Aunt Lin, long time no see."

Lin Huizhen's expression changed.

At the same time, Qiao Anxin's expression also changed.

Lin Huizhen looked at her with anger and fear in her eyes. After a few seconds, she said coldly, "Qiao Mianmian, I've already left the Qiao family. Because of you, Anxin and I have nothing left. Are you still looking for trouble with us?"

"So, Aunt Lin admits it?" Qiao Mianmian looked at the angry mother and daughter and asked calmly.

Lin Huizhen frowned. "Admit it? What did I admit?"

Qiao Mianmian smiled again and glanced at Qiao Anxin. "Admit that the person standing beside you is your daughter, Qiao Anxin."

Lin Huizhen and Qiao Anxin's expressions changed.

Both mother and daughter looked flustered.

"W-What nonsense are you talking about?" Lin Huizhen wasn't willing to admit it. She immediately flew into a rage and said fiercely, "How did I admit anything? It's all your nonsense. I've never admitted anything."

"Qiao Mianmian, just say what you came here for. There's no need to say such nonsense. Is there something wrong with your eyes? Don't you know what Anxin looks like?"

Qiao Anxin was shocked and flustered for a moment, but she quickly composed herself and said coldly, "Qiao Mianmian, is your eyesight bad? Look at me. My name is Jiang Xinyue, not Qiao Anxin."

Qiao Mianmian still looked calm. Meeting Qiao Anxin's obviously guilty and flustered gaze, she said calmly, "Qiao Anxin, I have to admit that you've really succeeded in changing your face. No trace of your previous appearance can be seen on your face.

"But even so, it doesn't mean that you can hide your true identity forever.

"If I didn't find out your true identity, why do you think I came here?"

Qiao Anxin panicked when she heard that.

But she then realized that her face was completely different from before. Qiao Mianmian couldn't possibly recognize her.

Hence, she quickly calmed down.

She thought that as long as she didn't admit it, Qiao Mianmian wouldn't have any evidence to prove that she was Qiao Anxin.

But she didn't expect it.

Qiao Mianmian actually said that she'd found out her true identity.

At that moment, Qiao Anxin didn't know if Qiao Mianmian had really found out or she was just bluffing.

She stared at Qiao Mianmian for a few seconds and finally decided that she was just bluffing.

"What do you mean by hiding my true identity and successfully changing my face? What nonsense are you talking about?"

“Qiao Mianmian, why do you have to force me to admit that I’m Qiao Anxin?”

Chapter 2873: Untitled

“Do you want to force me to admit that I’m your stepsister so that you can clear your name and make others think that I’m slandering you?”

“Qiao Mianmian, you’re too scheming. But it’s useless to play these tricks in front of me. I can tell what you’re scheming. I won’t let you succeed!”

Qiao Anxin still felt guilty when she said this.

She wasn’t sure if Qiao Mianmian was lying, but she felt that she didn’t show any flaws.

And she looked completely different now.

Qiao Mianmian only suspected her.

It was impossible to find out anything.

Yes, she couldn’t fall for it.

Qiao Mianmian was definitely trying to trick her.

If she revealed anything now, the little slut might really confirm who she was.

Once she knew her true identity, the little slut would definitely not let her off!

“You know very well whether I’m talking nonsense or not.” Compared to Qiao Anxin’s panic and guilt, Qiao Mianmian was very calm. She looked at Qiao Anxin as if she had seen through her and said calmly, “It’s fine if you don’t admit it. Anyway, I have all the evidence I need. I know where you had your plastic surgery, where you got your name changed, and all the communication history between you and Su Ze. I’ve checked everything thoroughly.

“If you still think I’m talking nonsense, then you know Doctor Xie from Yu Chan Beauty Salon, right? She was the one who performed your ten plastic surgeries. Oh right, she did your vocal cords surgery too, right?”

Qiao Anxin’s expression changed when Qiao Mianmian mentioned Yu Chan Beauty Salon.

She panicked when she heard Qiao Mianmian mention the plastic surgeon.

She had guessed that Qiao Mianmian was just bluffing.

Now, she was sure that Qiao Mianmian had really investigated her.

Qiao Anxin did plastic surgery partly because she couldn’t enter the entertainment industry with her previous identity, and partly because she was afraid that Qiao Mianmian would take revenge on her.

Seducing Gong Zeli was also one of the reasons.

But the main reason was that she was afraid of Qiao Mianmian.

Now that Qiao Mianmian knew her true identity, she couldn't hide it anymore.

She bit her lip and glared at her. "That's right, I'm Qiao Anxin. Qiao Mianmian, since you've already investigated everything, why are you still asking? What are you here for, to settle scores with me?"

"What do you want? Do you want to force my mom and me to leave Yuncheng City again?"

"Settle scores?" Qiao Mianmian chuckled. "Qiao Anxin, we should indeed settle our scores."

Stunned, a hint of panic appeared in Qiao Anxin's eyes. But she didn't want to show her fear in front of her. She forced herself to say, "Alright, do it. Do you think I'm afraid of you? Qiao Mianmian, don't think you're so amazing now that you can do whatever you want."

"I can't leave this time."

Qiao Mianmian laughed. "You think I'll force you to leave Yuncheng City? Qiao Anxin, you're wrong.. This time it won't be as simple as just leaving Yuncheng City."

Chapter 2874: Anxin Is Your Sister

Qiao Anxin's eyes widened and she took a step back in fear.

"Qiao Mianmian, what do you want!" She raised her voice to hide her fear and yelled at Qiao Mianmian. "Don't think that you can do whatever you want just because you have the Bai and Mo families backing you up! If you dare to mess around, I'll call the police immediately!"

"Yes, if you dare to do anything rash, we'll call the police to arrest you!" Lin Huizhen was also afraid. She was obviously shocked by Qiao Mianmian's words and couldn't help but take a step back. She grabbed Qiao Anxin's arm and said cautiously, "Qiao Mianmian, I wasn't bad to you when you were in the Qiao family, right? No matter what, I was your stepmother. I've served Qiao Ruhai for so many years. If you still want to harm Anxin and me, then you're really heartless!"

"I'll get the reporters to expose your terrible behavior!"

Lin Huizhen and Qiao Anxin couldn't help but be afraid.

For Qiao Mianmian, it was even easier to kill them than an ant.

If Qiao Mianmian refused to let them off, then there was no way they could survive.

Lin Huizhen said that she treated Qiao Mianmian well, but she felt guilty inside.

She knew very well how she treated Qiao Mianmian.

She came back with Qiao Anxin because she wanted her daughter to be a big star again and earn a lot of money. She wanted to come back with her daughter to enjoy life.

If Qiao Mianmian wanted to deal with them, how could she expect to have a good life in the future?

Both mother and daughter were of the same character, even threatening others.

But not only did her words not threaten Qiao Mianmian at all, but she was also even amused.

In Qiao Mianmian's eyes, Lin Huizhen and Qiao Anxin were like paper tigers.

"Aunt Lin, you can call the police now." Qiao Mianmian looked at the pair of mother and daughter and smiled nonchalantly. "It just so happens that Qiao Anxin created rumors and slandered me. According to the testimonies of more than 500 reposts on Weibo, she'll have to stay in prison for a long time.

"I won't have to call the police myself, then."

Qiao Anxin and Lin Huizhen's faces turned pale.

"Qiao Mianmian, you're here... to get the police to arrest me?" Qiao Anxin pretended not to care, but her trembling voice betrayed her.

She knew that Qiao Mianmian could really put her in jail.

If she entered that place... it would be worse than death.

Qiao Mianmian had just said that she was letting her off easy...

The more Qiao Anxin thought about it, the more afraid she got.

"Qiao Mianmian, Anxin is your sister. You can't let the police arrest her!" Lin Huizhen tried to play the emotional card. "If Anxin enters that kind of place, her life will be over.

"The two of you grew up together. Even if she... did let you down in some way, it was just a moment of folly. She realized her mistake and won't do it again."

"A moment of folly?" Qiao Mianmian looked at her coldly as Lin Huizhen lied through her teeth..

"Anyone who does something wrong has to pay the price. Can you pretend that nothing happened?"

Chapter 2875: Find a Place to Hide

"Then, what do you want!" Lin Huizhen was a little flustered. "Do you really want to send Anxin to prison?"

"Qiao Mianmian, don't go too far. If you do, you'll get retribution in the future!"

Qiao Mianmian found it even more ridiculous.

She didn't really want to send Qiao Anxin to prison.

Her main purpose here was to get Qiao Anxin to admit her true identity.

But since Lin Huizhen said so, she had to let Qiao Anxin know what it felt like to be afraid, whether she had the heart or not.

She even felt that... she could really let Qiao Anxin in prison for a while.

Anyway, someone like Qiao Anxin didn't know what repentance was.

Having already achieved her goal, Qiao Mianmian didn't want to be entangled with them anymore. She looked at them coldly and said, "Oh, is that so? Then, let's see who gets retribution first."

With that, she turned and left.

Lin Huizhen and Qiao Anxin watched her leave and didn't dare to stop her.

Although Qiao Mianmian came alone, Lin Huizhen and Qiao Anxin thought that she brought bodyguards with her.

Hence, even though they hated Qiao Mianmian to the core, they didn't dare to do anything to her.

They could only watch as Qiao Mianmian walked into the elevator and left.

...

"What to do, what to do." After Qiao Mianmian left, Lin Huizhen was like a cat on a hot tin roof. "Anxin, will she really call the police? What if she really does?"

"We can't do anything to that slut now.

"If you get caught, what will happen to me in the future?"

"Anxin, Anxin, don't just stand there. Talk to me.

"I think you'd better pack your luggage and leave now. Find a place to hide first. You can't really let the police arrest you."

Qiao Anxin was her only hope.

Lin Huizhen was afraid that she would be arrested.

She was even more afraid that she would go to jail.

Lin Huizhen wasn't a capable woman. She used to rely on Qiao Ruhai and Qiao Anxin to support her. Moreover, she was used to living a good life. She definitely didn't want to go out to work and earn money.

"Anxin, say something. Why aren't you saying anything?"

Lin Huizhen spoke for a while, but her daughter didn't respond at all. She couldn't help but feel anxious and angry.

"Mom, are you done?" Qiao Anxin looked annoyed. She turned around and yelled at her, "Can you stop nagging me? I'm so annoyed, but you can't seem to stop."

"Then, you have to say something," Lin Huizhen said angrily. "What if that slut really calls the police? It's not like that slut can't do this. Aren't you worried at all? You have to think of something."

"What can I do?" Qiao Anxin growled. "She has the Bai and Mo families as her backing. What can I use to fight her? What's the point of worrying?"

"Then, leave quickly and find a place to hide. Don't waste any more time. It'll be too late soon." Lin Huizhen grabbed Qiao Anxin's arm and pulled her into the house. "Get your identity card, your bank card, and leave immediately.. The police might already be on the way. Hurry, hurry!"

Chapter 2876: Qiao Mianmian Responded to the Scandals

“Mom, what are you doing?” Qiao Anxin pushed Lin Huizhen away angrily and glared at her. “Where else can I go now? This Yuncheng City is the Bai and Mo families’ territory, where can I hide?”

“She’ll find me wherever I hide.”

“Then-then what should we do?” Lin Huizhen’s face was pale. “Are we just going to wait for the police to come and arrest us?”

“Why should the police arrest me?” Qiao Anxin gritted her teeth. “She said that I was spreading rumors and slandering her, but I didn’t say that she had an affair with Gong Zeli. Even if the police come, they can’t convict me with that video.”

“I’m not afraid of her. She’s just scaring me!”

“But didn’t you say that she has the Bai and Mo families backing her up? What if she insists on framing you?”

“Then, I’ll expose what she did and let people know how she used her power to bully others. I don’t believe that she doesn’t care about what others say about her. Look at her.”

Although Qiao Anxin said that, she was still unsure.

She couldn’t fight Qiao Mianmian with anything else.

Hence, she could only use public opinion as her weapon.

But what if Qiao Mianmian didn’t care about public opinion or what others thought of her?

Then, Qiao Anxin really had no choice.

“Really?” Lin Huizhen was skeptical. “She’s afraid of this?”

“Of course. If she wasn’t, she wouldn’t have gotten someone to remove her trending searches so quickly. This shows that she still cares what others think of her. Anyway, I won’t leave Yuncheng City again. This time, no one can force me to leave.”

Qiao Anxin and Lin Huizhen waited for a long time, but the police didn’t come.

Both mother and daughter heaved a sigh of relief when they realized that Qiao Mianmian hadn’t called the police.

...

Qiao Mianmian organized the recording and sent it along with the statement written by the Public Relations Department.

The caption contained only one word: Truth.

Ten minutes after the post was posted, it was trending.

Qiao Mianmian responded to the scandal

Shocking! Qiao Mianmian's statement revealed shocking news

The netizens reacted strongly.

"Damn, is what Qiao Mianmian said true? Jiang Xinyue is actually Qiao Anxin? That's ridiculous."

"F*ck, f*ck, f*ck, today's news is too explosive. The recording is already out, and there are so many stone hammers in the statement. This can't be fake, right? This can explain why Jiang Xinyue has such bad intentions towards Qiao Mianmian, and why she would whitewash Qiao Anxin and Su Ze in the video. So, she's Qiao Anxin herself. Bah, she's really shameless."

"If Jiang Xinyue and Qiao Anxin are the same person, shouldn't Qiao Anxin hate Qiao Mianmian? Why did she have to do plastic surgery to look like her?"

"Of course, it's because she's jealous of Qiao Mianmian's beauty. To put it bluntly, Qiao Anxin's looks are alright, but she's far inferior to Qiao Mianmian. Perhaps she was jealous of Qiao Mianmian's looks since she was young. Now that Qiao Mianmian's married to such an impressive husband, she wants to hook up with a rich man like her."

"Having just eaten the melon, it means that real life is indeed more dramatic than novels. I can tell that Jiang Xinyue had plastic surgery, but she was actually Qiao Anxin in the past. I really couldn't tell. Her contract was terminated by the Gong Corporation, and now her true identity has been exposed by Qiao Mianmian.. She can forget about being in the entertainment industry in the future."

Chapter 2877: Qiao Anxin's Alternate Account Is Exposed

Jiang Xinyue was actually Qiao Anxin.

Not only did she change her identity, but she even had plastic surgery to look like Qiao Mianmian.

She even spread rumors about Qiao Mianmian having an affair.

Everyone felt that this was too much information.

Even though many people felt that this was a lie, the evidence was very strong.

Under such circumstances, it couldn't be fake.

Hence, it was true that Qiao Anxin was Jiang Xinyue and Jiang Xinyue was Qiao Anxin.

After this was verified, everything Qiao Anxin said in the video was no longer true.

If she was Qiao Anxin, then the possibility of her taking revenge on Qiao Mianmian was very high.

Not long after, someone found out the Weibo username "Qiao Mianmian's Nightmare".

When the netizens saw the post the account "Qiao Mianmian's Nightmare" wrote, they were all shocked by Qiao Anxin's viciousness.

How much hatred did one have for another person to send a Weibo message every day to ask if she was dead?

And it lasted for almost two years.

Every post was accompanied by a scary and bloody picture.

A woman had used a dagger to cut off another person's neck, causing blood to flow all over the ground.

It was creepy just looking at the picture.

Not to mention that the woman holding the dagger was smiling creepily.

"Gosh, Qiao Anxin is too scary. Is she trying to kill Qiao Mianmian?"

"I just came back from Qiao Anxin's alternate account, and now I'm covered in a cold sweat. Terrifying, really scary. I really didn't expect Qiao Anxin to be so perverted and twisted. She's practically a murderer."

"Oh my, the thought of Mianbao spending a day recording with her makes my back go cold."

"Me too. Thankfully, Mianbao is fine. We've found out her true identity now. Otherwise, who knows if she'd do something crazy to Mianbao? After all, she hates Mianbao to the core and wants to kill her."

"You can't judge a book by its cover. Qiao Anxin used to look so innocent, but I didn't expect her true colors to be so scary. I think it's a good thing that Qiao Mianmian found out her true identity. Otherwise, it'd be really dangerous."

Qiao Anxin's alternate account was exposed.

She had been posting on Weibo for almost two years, and the contents were all cursing Qiao Mianmian.

The netizens were shocked, but no one believed a word she said.

And they collectively boycotted Qiao Anxin's re-entry into the entertainment industry.

She was like a ticking time bomb to anyone.

It might explode anytime.

Qiao Anxin's Alternate Account Was Exposed

Qiao Anxin Keeps Cursing Qiao Mianmian

Qiao Anxin Get Out of the Entertainment Industry

In an instant, Qiao Anxin became the most popular person on the trending list. She was the only one in the top three.

The netizens were cursing her.

Qiao Anxin's Weibo account "Newcomer Jiang Xinyue" had tens of thousands of comments.

"Qiao Anxin, it was you who was shameless first.. You snatched Qiao Mianmian's boyfriend and kept suppressing her, not letting her develop in the entertainment industry. What right do you have to think of yourself as a victim and still dare to spread rumors about her, cursing her every day?"

Chapter 2878: I Didn't Expect It to Be My Wishful Thinking

“A third party for a day, a third party for a lifetime. Do you think you can pretend that nothing happened just because you changed your face? You’ll get your retribution for stealing someone else’s man and spreading rumors about someone else’s woman! Just you wait, someone like you won’t have a good ending!”

...

“Mianmian, the netizens now know Qiao Anxin’s true identity. Her alternate account has also been found out. Now that the netizens are all on your side, no one will believe her anymore.

“Your scandal has been completely resolved.”

Qiao Mianmian looked out of the window after reading Linda’s message.

This matter was finally resolved, but she wasn’t too emotional.

She wasn’t happy.

She wasn’t unhappy.

All in all, she wasn’t too affected by it.

Because Qiao Anxin was already an unimportant person to her.

She wouldn’t be affected by an unimportant person.

But now that this matter was resolved, she could take a breather and stop wasting her time on this.

Qiao Mianmian had nothing else to do now, but she was worried about something else.

She didn’t get Mo Yesi to settle this matter for her.

She went to look for Bai Yusheng and Qiao Chen in private.

It would be fine if Mo Yesi didn’t know, but once he did, he would be upset again.

Qiao Mianmian’s cell phone rang.

She looked down and saw that it was Mo Yesi. She felt guilty for some reason.

She picked it up slowly after it rang a few times.

“You’re back in Yuncheng City?” The man’s low and cold voice sounded from the other end of the line.

His voice wasn’t as gentle as usual.

He didn’t call her Baby like he usually did.

Qiao Mianmian could tell that Mo Yesi’s tone wasn’t good.

“You didn’t tell me immediately when you came back, nor did you look for me immediately. Where are you now? What are you doing? Why did you come back and hide it from me?”

Before Qiao Mianmian could say anything, Mo Yesi's questions stunned her.

She was stunned for a while.

"H-How did you know I was back in Yuncheng City?" After a while, she seemed to have found her train of thought and asked curiously.

She didn't tell Mo Yesi about her return this time.

She didn't tell anyone.

But how did Mo Yesi know that she was back?

"Of course I know." The man's voice was still cold and heavy. "I knew it the moment you came back. I thought you wanted to give me a surprise, but I didn't expect it to be my wishful thinking.

"If I didn't call you, were you not planning to tell me that you were back? Were you not going to look for me?"

"No, I didn't mean to hide it from you. Moreover, I'm already on my way to you." Qiao Mianmian looked out the window and quickly comforted him. "I'll be at the Mo Corporation in about 10 minutes.

"Mo Yesi, I'll explain to you when I get to the office, alright?"

"Don't be angry with me, alright? I really didn't mean to hide it from you. Everything can wait until we meet, okay?"

Chapter 2879: Waiting for Her Coaxing

"Mo Yesi, I'll explain to you when I get to the office, alright?"

The man was silent for a while.

"Alright, I'll wait for your explanation."

...

Ten minutes later, Qiao Mianmian arrived at the Mo Corporation building.

Qiao Mianmian got out of the car and saw Wei Zheng standing at the entrance. Seeing her, he immediately walked towards her.

"Young Madam." Wei Zheng greeted her respectfully.

"Why are you down here?" Qiao Mianmian asked.

Wei Zheng replied honestly, "Chairman Mo said you were coming and asked me to wait for you."

Qiao Mianmian smiled.

Although he was angry with her, he still got Wei Zheng to pick her up. Even though this man was throwing a tantrum, he was still so thoughtful.

This was Mo Yesi.

It was probably because he doted on her so much that she felt fearless most of the time.

That was why she felt that no matter what happened, she didn't have to worry about him leaving her.

Because he was always so easy to coax.

No matter how angry he was, he would be appeased if she said a few nice words and acted coquettishly.

Qiao Mianmian followed Wei Zheng into the lobby and then into the elevator. She asked, "Isn't Chairman Mo in a bad mood?"

Wei Zheng thought for a while and nodded. "Yes, a little. But Young Madam, don't worry. Chairman Mo isn't unhappy because of your scandal. Chairman Mo trusts you completely and has never suspected you. Moreover, Chairman Mo has already found out that someone deliberately created those scandals to attract attention."

Wei Zheng was afraid that Qiao Mianmian would overthink, so he explained it to her.

Qiao Mianmian smiled. "I know he won't believe those rumors. Oh right, is he busy right now?"

"Chairman Mo just finished a meeting and isn't very busy now. Chairman Mo has been missing you the past two days since Young Madam left. Chairman Mo will definitely be happy to see Young Madam."

"Really?" Qiao Mianmian was skeptical.

Mo Yesi would definitely be happy.

But this time, she had to coax him for a while.

Hopefully, it wouldn't be too difficult.

Although this man had always been easy to coax, her tricks were no longer as effective as before.

In the past, she only needed one word to coax Mo Yesi.

Now, he wouldn't budge no matter what she said.

Mo Yesi's benefits were actually very simple.

But... her back and legs hurt.

...

"Chairman Mo, Young Madam is here." Wei Zheng pushed the door open and closed it gently after Qiao Mianmian entered.

Qiao Mianmian walked into the office and saw Mo Yesi reading a document.

She didn't know if he heard Wei Zheng or not, but he pretended not to. Qiao Mianmian walked in anyway, but he still didn't look up.

He seemed to be focused on the document he was reading.

But Qiao Mianmian knew that Mo Yesi was doing this on purpose.

He was deliberately ignoring her, pretending not to know that she was here.

He knew that she would come and even got Wei Zheng to wait for her downstairs. But now that she was here, he didn't react at all.

He was angry with her.

He really was waiting for her to coax him.

The man sitting at the black desk was only wearing a white shirt. It was the simplest design, but it looked different on him.

His aura was outstanding and strong.. The simple white shirt became luxurious on him.

Chapter 2880: Is This How He Gets Angry With Her?

She felt that he was no different from a child.

She was now the adult holding the candy and preparing to coax the child.

Qiao Mianmian didn't mind that Mo Yesi was ignoring her on purpose. Especially when she saw the cup of milk tea on the black coffee table beside her that hadn't completely melted. Her smile widened.

He was angry with her, but he still prepared milk tea for her.

It was her favorite.

Was this how he got angry with her?

Qiao Mianmian pretended not to know that he was ignoring her on purpose. She walked slowly to his side and looked at him without saying a word.

Then, she realized.

Mo Yesi was indeed reading the document.

But he looked at the document for more than a minute without flipping it.

And what made Qiao Mianmian almost laugh was that Mo Yesi was holding the document upside down.

Now, she was even more sure that he was deliberately ignoring her and throwing a tantrum.

A few minutes passed.

In the end, Mo Yesi couldn't help but throw the document to the ground. He looked up and said helplessly, "If I don't say anything, are you prepared to keep quiet too? Are you going to stand beside me for the entire day?"

"I was just afraid of disturbing your work." Qiao Mianmian's eyes flashed with a hint of slyness. Then, she threw herself at him.

Mo Yesi's expression was still cold, but he quickly held her in his arms tightly.

Qiao Mianmian smiled sweetly and wrapped her arms around his neck, saying softly, "How could I? Can you bear to keep me standing? Moreover, didn't you already know that I was here? You didn't even talk to me. I thought you didn't want to talk to me."

Mo Yesi couldn't keep a straight face.

Even though he'd made up his mind to ignore her for a while, as long as she expressed her goodwill, he couldn't keep it down anymore.

"Mo Yesi, are you still angry with me?" Qiao Mianmian leaned over and rubbed her nose against his. Her voice softened as she said sweetly, "Don't be angry, alright? I admit that I didn't intend to tell you about the investigation on Qiao Anxin. That's because I thought it was just a small matter. I could settle it myself. I didn't want you to worry about me."

"If it's something I can't solve, I'll definitely get you to help me. I think it's a waste of talent to ask you for help with such a small matter. If you don't find me troublesome, I'll ask you for help first, alright?"

"Don't be angry anymore. I'll treat you to dinner tonight to apologize, alright? Or, I'll cook for you?"

The man's expression softened.

Qiao Mianmian took the initiative to kiss him. Blinking and blushing, she bit her lip and said softly, "I won't leave tonight. As long as you're not angry with me, you... can do whatever you want."

This hint was too obvious.

Mo Yesi narrowed his eyes as he looked at her face.
