

Big Shot 2881

Chapter 2881: He's Always Helpless With Her

"Are you sure?" When he spoke again, his voice was much lower and hoarser.

Such benefits were rare.

Especially since it was Qiao Mianmian who initiated it.

She usually told him that she wasn't feeling well or that she was tired. She would only let him touch her once.

He couldn't have a good time.

"Mm, I'm sure. Why? Are you not willing?" Qiao Mianmian asked.

"Alright, you said it yourself." The man's voice became even more hoarse. His arms around her waist tightened inch by inch, and his fiery and deep eyes locked on her. He lowered his head and gently rubbed his warm lips against hers. "You're not allowed to go back on your words and cry and not let me touch you."

"So, you're not angry with me?" Qiao Mianmian bit his lip.

"Mm."

Mo Yesi caught her lips and sighed helplessly. "When have I ever been angry with you?"

Even if he was angry, he would surrender after she said a few nice words.

He had never been able to do anything to her.

The only time he neglected her was because she had an ambiguous scandal with a male celebrity.

He wanted to give her the cold shoulder.

But in the end, he couldn't do it.

He was destined to be under her control for the rest of his life.

"You're not angry anymore?" Qiao Mianmian smiled. "That's great. Then, can I drink milk tea now? The milk tea on the table should be for me, right?"

Mo Yesi was speechless.

Did she really treat coaxing him as a task?

"Mm, it's for you." Mo Yesi shook his head and pinched her cheek. "Drink it. But I suggest you don't drink too much. It's almost time to get off work. You won't have an appetite if you drink too much."

"Alright."

Qiao Mianmian immediately jumped off Mo Yesi's lap and drank the milk tea happily, narrowing her eyes in pleasure.

Mo Yesi looked at her and shook his head. "It's that good? It's filled with unhealthy ingredients. It's fine to drink it once in a while, but drinking it every day will affect your health.

"You'd better drink less of it."

"Mm, I don't drink it every day." Qiao Mianmian nodded obediently. "I only drink it once or twice a week. But milk tea is really delicious. Do you want to try it? You might fall in love with it."

"No need, drink it yourself." Mo Yesi rejected her directly. He looked at the time and picked up the document he'd just thrown away. "I still have some documents to settle. After I'm done, I'll take you to a meal."

"Mm, then focus on your work. I won't disturb you anymore. Oh right, after lunch, I want to see Luo Luo and Little Yueyue. I'll go back early tonight."

Qiao Mianmian hadn't seen Jiang Luoli and her niece for a while.

Jiang Luoli even sent her Little Yueyue's photo yesterday.

The little girl had grown a lot and gained weight. Her facial features had also grown a lot. She looked even more delightful.

"Mm, then help me greet Big Brother and Sister-in-law." Jiang Luoli was still a little girl in Mo Yesi's eyes, but no matter how young she was, she married his Big Brother and even gave birth to a daughter for him.

Mo Yesi had completely accepted Jiang Luoli as his sister-in-law.

Chapter 2882: You Should Have a Child Too

After lunch, Qiao Mianmian went to look for Jiang Luoli.

Jiang Luoli was taking care of her child at home every day, and Qiao Mianmian hadn't seen her in a while. Both of them were very happy to meet.

"Baby, aren't you still filming a variety show? Why are you back?"

Jiang Luoli finally had the time to talk to her sister.

Although the servants were helping her with the child, she did it herself most of the time.

Although it wasn't so easy, she enjoyed it.

"I came back to settle some matters, so I took a day off. I haven't seen you and Yueyue for a while, so I came to see you. Yueyue grew really fast. It's been less than a month since I last saw her, but she's already grown so much."

“That’s right.” Jiang Luoli’s eyes were filled with happiness as she talked about her daughter. “Shixiu also said that she’s growing so quickly that the clothes we bought previously don’t fit her anymore. They say that children are difficult to take care of and are troublesome, but I think Yueyue is especially obedient and not difficult to take care of.

“She just eats and sleeps. She’s quiet all day. Besides the day she was born, she barely cries. Baby, seriously, you should have a child soon.”

Qiao Mianmian looked at Jiang Luoli’s sincere expression and found it funny. “Why? You’re going to join the production team too? I remember that someone once said that children are the most troublesome creatures in the world. If you get married in the future, you won’t want children early.”

“I’m not rushing you to give birth.” Jiang Luoli thought about it seriously and smiled. “I used to think that children were very troublesome and didn’t like them very much. But after giving birth to Yueyue, my attitude changed completely.

“Every day I look at her, I wonder how such a cute baby can exist in this world. With Yueyue, I feel especially happy and satisfied now. I have no regrets in my life. When you have your own baby in the future, your thoughts will definitely change.

“Moreover, didn’t you tell me that you’re already preparing for pregnancy? If you give birth soon, your baby can play with Yueyue in the future.”

Speaking of preparing for pregnancy, Qiao Mianmian touched her belly. “Mm, preparing for it. But there hasn’t been any results.”

Jiang Luoli looked down at her belly and frowned. After a few seconds of hesitation, she asked, “You’ve been preparing for pregnancy for a while, right? And from what you said, Prince Charming is also very active in this matter. Is there a problem?”

“I went for a checkup with him, and the doctor said that our bodies are fine.” Qiao Mianmian sighed. “It’s probably because the baby doesn’t want to come to this world too early. Anyway, I don’t really want a child now, so I’ll just let nature take its course.”

“That’s true.” Jiang Luoli nodded. “You and Prince Charming are still young, it’s not too late to have a child a few years later. Oh right, I saw the news today. Is that Jiang Xinyue really Qiao Anxin? What exactly is going on?”

Qiao Mianmian told her everything from Qiao Anxin’s identity to Bai Yusheng and Qiao Chen investigating her.

Jiang Luoli was shocked and afraid. “She had plastic surgery to look like you. She must be up to no good to get close to you as soon as she returned. Thankfully, you’re fine. But I’m worried that she’ll hate you even more now that you exposed her.. She might do something crazy.”

Chapter 2883: I’m Afraid I’ll Be Spoiled by Him

“I get afraid whenever I think of that female celebrity who splashed sulfuric acid on you. Now that your career and love life have both pros and cons, you’re a winner in life in the eyes of others. Countless

people envy you. Qiao Anxin has been jealous of you since she was young. Now that you're better than her in everything, she's deeply jealous of you.

"A woman's jealousy is very scary. It's very easy to hurt someone because of jealousy. Mianmian, you have to be careful and guard against her. I have a feeling that she won't let this go."

Qiao Mianmian looked into Jiang Luoli's worried and concerned eyes and nodded. "Mm, don't worry, I'll be careful. In the future, it won't be so easy for her to get close to me. Don't talk about me anymore, tell me about you."

"Me?" Jiang Luoli was stunned. "What do you want to know?"

"I heard that Madam Mo has been visiting Yueyue frequently recently. Is that true? Ah Si told me that she seems to want to make up for her mistakes and restore her relationship with the family."

"You mean her." Jiang Luoli kept quiet for a few seconds before nodding. "She's been here a few times recently."

"Then, what do you think?" Qiao Mianmian asked.

The conflict between Jiang Luoli and Madam Mo was even deeper than the conflict between Qiao Mianmian and Madam Mo.

Madam Mo was only unhappy with Qiao Mianmian previously and wanted to matchmake Mo Yesi and Shen Rou.

She didn't actually hurt her.

But when Madam Mo brought people to look for Jiang Luoli, she was prepared to take her away forcefully.

This was different from an ordinary mother-in-law.

If Mo Shixiu hadn't returned in time, she didn't know what would have happened.

Hence, it was normal for Jiang Luoli to not forgive Madam Mo easily.

"Of course, I don't want to talk to her." Jiang Luoli was a little annoyed at the mention of this. She pinched the space between her brows. "But Grandma talked to me and said that since she wants to change, she hopes that I can give her a chance. Grandma told me that the family should be harmonious.

"You know that I can't reject Grandma. But as long as I see her, I'll remember what she did to me, and I won't be able to forgive her."

"What did Big Brother say?"

"Shixiu said that it's up to me." Jiang Luoli smiled at the mention of her husband. "He said that he won't persuade me and let me make my own decision. No matter what decision I make, he'll be on my side."

"Big Brother treats you so well. Back then, I actually felt that the two of you weren't suitable for each other, and even advised you to break up with him. Thankfully, you didn't listen to me. Otherwise, I'd ruin a good marriage bestowed by the heavens. I'd feel uneasy for the rest of my life."

Qiao Mianmian was very happy for Jiang Luoli.

“I also thought that we weren’t compatible.” Jiang Luoli narrowed her eyes and sighed softly. “But ever since we got together, he’s been really, really good to me. It’s not too much to say that he’s willing to do anything.

“He treats me so well... I’m afraid I’ll be spoiled by him.

“Mianmian, do you know that before I met him, I didn’t even dare to think of meeting someone who would treat me so well. He tolerates me unconditionally, accommodates me, and pampers me. As long as I ask, he will do anything for me.

“Even my biological parents aren’t like this.”

Chapter 2884: Mo Yesi Treats Me Very Well

“I’m really glad that I married him. I even want to have another child for him now.”

Qiao Mianmian was stunned. “You want a second child?”

Jiang Luoli smiled. “I do have that thought. But even if I want another baby, that’s not for now. We’ll talk about it in a few years. I can’t always take care of my children at home. I have my own dreams.

“I’m thinking that when Yueyue is older and can speak and walk on her own, I’ll be more at ease. When that time comes, I’ll have time to do my own things. We’ve agreed that you’ll be my female lead in my first movie.”

...

Qiao Mianmian stayed at Jiang Luoli’s place until dinner.

Mo Yesi picked her up after work.

He didn’t waste any time that night. Qiao Mianmian only fell asleep when it was almost dawn.

She had only taken a day off, but when she woke up, it was already the afternoon of the next day.

Mo Yesi took another day off.

With this day off, Qiao Mianmian went to visit Mother Bai and Father Bai.

Mother Bai was especially happy to see her.

“Mianmian, why are you back all of a sudden? Didn’t you say you’d be there for another half a month?” In the living room, Mother Bai was holding Qiao Mianmian’s hand happily.

She smiled happily and turned to the housemaid beside her. “Bring out the bird’s nest soup prepared for Mianmian. Oh right, get the kitchen to prepare some of Mianmian’s favorite snacks.

“Mianmian, you have to stay for dinner tonight. Prepare a sumptuous meal. Make more of Mianmian’s favorite dishes.

“Go to the garden and get Big Orange. He must be sleeping in some bushes. Bring his favorite can of cat food over and lure him out.”

Qiao Mianmian would pet the fat orange cat every time she came to Mother Bai’s place. Mother Bai knew that she liked cats, so she got the servants to bring the cat over for her to pet.

Although Qiao Mianmian was accepted into the Bai family, she had her own family after marrying Mo Yesi.

Hence, she didn’t return to the Bai residence often.

Mother Bai was especially happy every time she came.

“Yes, Madam.” The housemaid smiled and went to the kitchen.

Mother Bai held Qiao Mianmian’s hand and sized her up. She then frowned and said, “Why do you look thinner than the last time? How did Mo Yesi take care of you? Is he too busy at work to take care of you?”

“Mom, I’m still the same weight as before. I’m not thinner.” Qiao Mianmian smiled. “You’re the one who thinks I’ve lost weight. Mo Yesi treats me well and takes good care of me.”

“Is that so?” Mother Bai looked her up and down again. “I think you’ve lost weight.”

“Every time I come over, you always say that I’ve lost weight.” Qiao Mianmian found it funny. “I just gained weight a few days ago—half a kilogram.”

Only then did Mother Bai believe her.

Although she was happy to see her daughter, Mother Bai still asked worriedly, “Why are you back? Is something wrong?”

“Mm, there’s something.”

“Is it settled now?”

“Mm, it’s settled. I took two days off.. I will go back tomorrow.”

Chapter 2885: Maybe He Wants to Give You a Surprise

“No, I’ll delay everyone’s work if I take too long. I can’t let everyone wait for me alone. Mom, the shoot isn’t long this time. It’ll be done in half a month at most. I’ll be back to see you soon.”

Mother Bai still looked reluctant. She sighed again. “I don’t think you should take your job too seriously. You even told me that you were planning to have a child with Mo Yesi. You’re always out filming television shows and variety shows. How can you have a child like this?”

“You should rest more at home.”

“I know, I know.” Qiao Mianmian quickly nodded. “After this shoot, I’ll rest for a while. Mom, are you in a hurry to carry your grandson? Don’t worry, I think you might be able to carry him soon.”

Mother Bai was stunned and immediately looked at her stomach.

"I'm not pregnant." Qiao Mianmian was afraid that Mother Bai would misunderstand and quickly said, "I mean, maybe Brother's child will be born before mine."

"Your brother?" Mother Bai frowned. "Why do you say that? He doesn't even have a girlfriend now. Isn't it impossible to have a child?"

Qiao Mianmian asked, "Brother didn't tell you?"

"What?" Mother Bai was confused.

"Brother has a girlfriend now. And he's prepared to bring her home this time. He told me that if nothing unexpected happens, she'll be my future sister-in-law, your future daughter-in-law."

Mother Bai was shocked.

"W-What did you say?" She stammered. "You said your brother has a girlfriend?"

"Yes." Qiao Mianmian nodded.

"Is this true?" Mother Bai was still in disbelief. "Mianmian, you're not lying to me, right? Does your brother really have a girlfriend? And he's planning to bring her back home?"

"It's true. Mom, why would I lie to you?" Qiao Mianmian smiled. "Anyway, that's what Brother told me. He wouldn't lie to me, right?"

Madam Bai was stunned for a while before finally believing it. Her face and eyes gradually lit up.

She seemed to be in a good mood. "Alright, this is a good thing. I've been worried about your brother's marriage for so many years, and this has become a sore spot for me. I'm afraid that the older he gets, the less he wants to get married. If he really brings someone back, we have to treat her well.

"We can't let others think that our Bai family isn't easy to get along with and that your dad and I are stuck-ups."

Mother Bai had been waiting for her daughter-in-law for so many years. Now that she finally had hope, she was excited and happy as if she had encountered a huge joyous occasion.

"Your brother is such a jerk. He didn't even tell me about such a huge matter. Is he afraid that your dad and I will object?"

Qiao Mianmian thought for a while and said, "Maybe he wants to give you a surprise."

"It's indeed a surprise." Mother Bai was grinning from ear to ear. "I've finally gotten what I've been looking forward to for so many years. I wonder what your brother's girlfriend is like.. But your brother has such a picky taste, the girl he likes must be good."

Chapter 2886: He Should Teach Her a Lesson!

Qiao Mianmian couldn't help but ask, "Mom, do you have any requests for your future daughter-in-law?"

"It's fine as long as she has a good character and a clean family background." Madam Bai smiled gently. "I don't have any other requests. As long as your brother likes her and she can lead a good life, we as parents can rest assured."

"You don't care about her family background?"

"It'd be a lie to say that I don't care at all. It's naturally best to be compatible with someone of equal social status. But it doesn't matter if she comes from an ordinary family. It's fine as long as she's a good person. Anyway, our Bai family doesn't lack anything. Our current wealth is enough to spend for a few lifetimes. There's no need for my daughter-in-law to be rich."

Qiao Mianmian thought about Madam Mo and couldn't help but sigh. Although the Bai and Mo families were prestigious families, not every elder would value their family background.

Madam Mo and Mother Bai were completely different.

The former valued her family background and was even paranoid.

For Madam Mo, no matter how outstanding you were in other aspects, as long as your family background wasn't up to standard, you weren't qualified.

But Mother Bai only wanted the other party to have a good character and a clean family background.

It seemed like no matter who married Bai Yusheng in the future, there wouldn't be any conflict between mother and daughter-in-law.

"Oh right, what's with Qiao Anxin?" Mother Bai suddenly asked. "I saw on the news that she underwent plastic surgery to look like you, and now she's back spreading rumors about you and the Gong family's child."

"Is this true?"

Although she had already seen the news, Mother Bai still didn't believe it.

After all, she'd met Qiao Anxin before.

Qiao Anxin was too different from how she remembered her.

Mother Bai didn't believe it was the same person.

"Mm, it's true." Qiao Mianmian frowned. "Mom, you saw my scandal too? Gong Zeli and I..."

"You don't have to explain to me. Of course, I believe in my daughter." Before she could finish, Mother Bai interrupted her. "Those types of news are all nonsense. But that Qiao Anxin is too much."

"Back then, she pretended to be you and almost caused us to be unable to acknowledge each other. At that time, we shouldn't have let her off so easily. I didn't expect that not only did she not know how to repent, she even became worse and wanted to harm you!"

"I think we should teach her a lesson!"

Mother Bai was a kind and gentle person.

But now she detested Qiao Anxin.

Qiao Anxin had once pretended to be Qiao Mianmian and almost took her place.

Mother Bai was especially angry when she thought about this.

On one hand, she felt like she'd been fooled by Qiao Anxin.

On the other hand, Qiao Anxin almost made her unable to acknowledge her biological daughter.

Now that she knew that Qiao Anxin wanted to harm Qiao Mianmian again, Mother Bai wanted to kill Qiao Anxin for the first time in her life.

She was afraid that her presence would hurt Qiao Mianmian.

Mother Bai couldn't really kill Qiao Anxin, but she felt that she could teach her a lesson.

"Mom, don't be angry.. It's not worth it for your mood to be affected because of such a person."

Chapter 2887: Driven Away

Qiao Mianmian quickly patted her chest to calm her down. "Don't worry, I'll teach her a lesson.

"Her spreading rumors about me not only affects my reputation but also the Bai and Mo families'. I won't let her off so easily."

It wasn't easy to teach Qiao Anxin a lesson.

She had just returned to the country and didn't have any financial resources. She relied on Su Ze to settle everything for her.

But now that her contract was terminated by the Gong Corporation, Su Ze probably wouldn't bother about her anymore.

Once she lost Su Ze's care, Qiao Anxin and Lin Huizhen had nothing to rely on.

Qiao Mianmian got someone to check.

Su Ze had paid a quarter for Qiao Anxin's apartment.

Hence, she wouldn't be reduced to sleeping on the streets.

But what if... he chased her away?

She was penniless now. Once she lost her home, even if she didn't end up sleeping on the streets, she wouldn't be any better.

That apartment belonged to the Bai family.

It was easy to chase Qiao Anxin away.

Qiao Mianmian smiled. She already had an idea.

...

“What right do you have to do this? What right do you have to chase us out?”

“We paid the rent, but the lease isn’t up yet. This is a breach of contract, I’m going to sue you!”

“Let go, let go!”

“Ah, what are you doing! Anxin, didn’t you say that Su Ze paid a quarter’s rent? Why are they chasing us out now? Did Su Ze get someone to chase us out? He’s so heartless, what right does he have to treat us like this!”

Qiao Anxin and Lin Huizhen were chased out of the house.

In the corridor, the mother and daughter’s clothes and daily necessities were all strewn on the floor.

Qiao Anxin tried to return to the house but was pushed to the ground.

She fell to the ground heavily. Her arms and knees were bruised, and she was in so much pain that she couldn’t get up.

Lin Huizhen went over to help her up. “Anxin, what’s going on?”

Qiao Anxin was panting from the pain. After a while, she looked up at the security officers standing at the door and said angrily, “What right do you have to chase us out? What you’re doing is illegal. I’m going to call the police!”

The security officers looked down at her. The leader smiled and looked at her as if she was a joke. “Miss Jiang, we’re just following orders. It’s true that you paid the rent for a quarter, so it’s a breach of contract for the landlord to chase you out early. But the landlord has already paid double the compensation.

“So, this matter has been resolved. Even if you call the police, they won’t listen to you.”

Qiao Anxin was stunned. A few seconds later, she yelled angrily, “Bullshit, what compensation? Why don’t I see it?”

“Whoever paid the rent will receive the compensation fee. If Miss Jiang didn’t receive the compensation fee, you’ll have to ask yourself who paid the rent here.

“In any case, we’re doing things according to the rules. The landlord has already taken back the house, you can’t stay here anymore. Now, please leave immediately.. If you continue to refuse, we’ll have to take forceful measures.”

Chapter 2888: I Won’t Let Him Have His Wish!

Su Ze was the one who found the house, and the rent was naturally paid by him.

Qiao Anxin and Lin Huizhen had been relying on Su Ze for their living expenses while they were overseas.

It was the same when they returned.

She had been an artiste ever since she graduated.

Hence, once she left the entertainment industry, she wouldn't be able to earn money anymore. She didn't have any survival skills.

Of course, if she was willing to suffer, she could find a more ordinary job without any professional skills.

But how could she lower herself to do that?

Moreover, the money earned from a normal job wasn't enough for her to buy a shirt, a pair of shoes, and a bag.

People who were used to living a good life were unwilling to live a normal life.

Qiao Anxin was the same.

Under Su Ze's arrangement, she'd been in the entertainment industry overseas for a while.

She took on some lousy films and even some lousy commercials. She made some money, but she used it for plastic surgery.

When she returned, she was basically penniless.

She had expected to earn a sum of money in the entertainment industry when she returned to Yuncheng City.

But before she had the chance, she was already kicked out of the entertainment industry.

Su Ze didn't care about her anymore. She didn't have any money on her, and she was even chased out of the house.

It could be said that the worse it was, the worse it would be.

Qiao Anxin felt like she was going crazy.

"Miss Jiang, please leave immediately." The security guard looked at the pale mother and daughter expressionlessly. When he spoke again, his tone was already very bad. "If we use force, the scene might not be so good."

Qiao Anxin knew what he meant.

If they didn't leave, the security officers would carry her and her mother out of the district.

At that time, everyone in the neighborhood would see the scene.

Qiao Anxin couldn't afford to lose face like this. She knew that she had to leave, whether she wanted to or not.

She looked up, bit her lip, and slowly got up from the ground.

"Mom, let's go!"

“But, where are we staying tonight?” Lin Huizhen held her, her eyes red. “We can’t possibly sleep on the streets. Su Ze is such a heartless person, how could he do this?”

“Is he trying to force us into a corner!”

Lin Huizhen thought that Su Ze was the one who chased them away.

She kept cursing him.

Even Qiao Anxin thought so.

Her eyes were filled with hatred as she gritted her teeth. “He wants to cut ties with me completely, afraid that I’ll affect his future. Since he’s so heartless, I’m not easy to bully!”

“I won’t let him have his wish!”

...

Qiao Anxin and Lin Huizhen dragged their bags into the taxi. Qiao Anxin used her cell phone to search for a relatively cheap hotel nearby and told the driver to drive them there.

She didn’t have much money on her, but she still had the money to stay in a hotel for a few days.

Twenty minutes later, the taxi stopped outside the hotel.

Qiao Anxin followed Lin Huizhen out of the car.

After entering the lobby, Qiao Anxin went to the front desk to settle the check-in procedures.

The two girls at the front desk looked very young, about 20 years old.. When Qiao Anxin handed her ID card over, one of them looked at it and then looked up at her strangely.

Chapter 2889: You’re Not Welcome Here

“What’s wrong?” the other girl asked softly.

The girl handed her the ID card and said in a low voice, “Is this Jiang Xinyue the one trending on Weibo today? Her name is the same, and she looks similar.”

The other girl took the ID card and looked at it. She then looked up at Qiao Anxin.

Then, they exchanged glances and confirmed Qiao Anxin’s identity.

Qiao Anxin saw that the two receptionists were still looking at her strangely. A little angry, she said, “What are you talking about? What’s wrong with my identity card? Hurry up and settle the check-in procedures.”

The two girls looked up, their initial polite smiles gone.

“You’re the Jiang Xinyue who stole Qiao Mianmian’s boyfriend and even had plastic surgery to look like her, right? I’m sorry, we don’t welcome people like you here. You can go to another hotel.” The front desk girl threw the identity card on the table.

“That’s right. We don’t welcome shameless women like you here. Do you think you can be like Qiao Mianmian just because you had plastic surgery? Dream on. No one will like an ugly woman like you no matter what you do.”

The two girls were Qiao Mianmian’s fans, so they naturally wouldn’t be nice to Qiao Anxin.

Both of them scolded her harshly.

Qiao Anxin was stunned.

Snapping back to her senses, her expression turned awful. She pointed at their noses and said angrily, “What’s with your attitude? You’re just receptionists, what right do you have to forbid guests from checking in?”

“Get your manager here, I want to complain!”

The two receptionists weren’t afraid at all. “You don’t have to call the manager. Our manager doesn’t like you, and he won’t let someone like you stay in our hotel. It’ll affect our hotel’s image and reputation!”

“Are you leaving or not? We’ll get the security officers to chase you out!”

“Y-You!” Qiao Anxin was furious.

“How can your hotel do this?” Lin Huizhen was originally sitting at the side and waiting for Qiao Anxin. Seeing that she hadn’t completed the check-in procedures, she felt puzzled and got up to see what was going on.

Then, she heard what the two receptionists said.

They were chased away from their home by the security officers an hour ago.

Now, even the front desk employees were chasing them away.

And it was a cheap hotel.

How could she tolerate this?

She pointed at the two receptionists and scolded them. “You’re just receptionists. Who gave you the right to chase guests away? Do you believe that I’ll complain and get you fired?”

“This is too much. It’s just a small hotel, and the employees are so arrogant. Get your boss out, I want to ask him how he recruited employees like you.”

At this moment, a group of people walked out of the elevator.

Lin Huizhen’s loud voice attracted their attention.

Everyone in the hall turned to look at her.

Then, they saw Lin Huizhen standing at the front desk and Qiao Anxin standing beside her.

Chapter 2890: You Better Apologize

Qiao Anxin was a newbie in the entertainment industry.

She wasn't originally well-known.

But on the first day of her debut, she forcefully got involved with Qiao Mianmian, causing a huge controversy.

The next few rounds saw her trending every day.

After Qiao Mianmian exposed her true identity, she was on the trending list for the whole day.

She was definitely as popular as an A-list celebrity.

Under such circumstances, even though she was a newbie, many people knew about her.

Moreover, her face was very similar to Qiao Mianmian's.

This face became recognizable.

The crowd was mostly young men and women, and many of them were Qiao Mianmian's fans.

The girls' eyes lit up when they saw Qiao Anxin. They thought she was Qiao Mianmian.

Just as they were about to call out "Mianbao" excitedly, they heard two girls say in confusion, "That's not Mianbao, right? Although she looks like her, I've seen Mianbao in person before. She's much prettier."

"I don't think it's Mianbao. But she really looks like Mianbao."

"They do look alike. I thought she was Mianbao."

Lin Huizhen was still arguing with the girl at the front desk.

She kept saying that she wanted to complain.

Seeing how noisy it was, someone walked over and asked, "What's wrong? Everyone, stop arguing. Let's talk nicely."

Lin Huizhen was in a bad mood. Seeing someone approaching, she immediately said to the person, "Everyone, come and help us. The employees of this hotel are amazing. They actually want to chase the customers away.

"They say that customers are gods, but not only do they not treat us as gods, they even said that they won't allow us to stay in this hotel and told us to go somewhere else. Do you think they should treat their customers this way?

"Can they treat their customers like this?

"I must complain to the management today! What kind of lousy hotel is this? It's too much."

The people around looked at the two receptionists in confusion. "Is what she said true? You're chasing customers away?"

This sounded unusual.

Under normal circumstances, no hotel would do this.

How could they chase customers away?

“Of course, we welcome good customers. But we don’t welcome customers like them.” The receptionist didn’t deny it.

“Then, what she said is true.” The person beside her immediately disagreed. “Then, you guys are in the wrong. How can your hotel chase customers away?”

“Yeah, how could the hotel do that?”

“It’s wrong of you to treat your customers like this.”

“The receptionist should really be condemned about her attitude towards the customers.”

The crowd started speaking up for Lin Huizhen.
