

## Big Shot 2901

### Chapter 2901: You Fought With Someone in School

Both Qiao Anxin and Su Ze were unimportant to Qiao Mianmian, but she was shocked and surprised by their current situation.

She thought that after the Su family declined and Qiao Anxin left the entertainment industry, the two of them would have nothing to do with each other anymore.

Unexpectedly, they were still entangled.

And both of them ended up like this.

Qiao Chen sighed. "Although Qiao Anxin isn't a good person, and I've always hated her, but if she really dies, I don't think I'll be happy about it. Sister, do you think Qiao Anxin will die?"

Qiao Mianmian wasn't happy.

Because she knew how Qiao Chen felt.

If Qiao Anxin really died, she wouldn't be happy.

She didn't like Qiao Anxin, but she didn't want her to die.

Qiao Anxin was a year younger than her.

"Do you want her to die?" Qiao Mianmian asked.

Qiao Chen kept quiet for a while before saying softly, "I don't know. If she dies, she won't do anything to hurt you in the future, and I can be completely at ease. But I don't really want her to die..."

"Sister, will you be unhappy if I say this?"

"No." Qiao Mianmian thought for a while and said, "Speaking of which, we actually don't have any deep hatred towards Qiao Anxin. The most overboard thing she did was to snatch Su Ze away.

"But a fly doesn't bite a seamless egg. If it wasn't for Su Ze being unable to resist temptation, she wouldn't have been able to snatch him away no matter how many tricks she used. So, when I found out that she and Su Ze hooked up behind my back, my hatred for her wasn't that deep. I only hated myself for being blind. I spent 10 years without understanding the man beside me.

"I hate Su Ze for letting me down.

"I got to know your brother-in-law after that.

"After that, I didn't even hate Su Ze anymore. So, now that something like this happened to them, I just felt a little sad. Although I don't like Qiao Anxin, I don't want her to really die. But whether she lives or dies isn't up to us. It depends on her luck.

"Oh right, Chen Chen, I heard you fought with someone in school. What exactly happened?" Qiao Mianmian didn't want to talk about Qiao Anxin and Su Ze anymore, so she changed the topic.

In any case, Qiao Anxin and Su Ze were strangers to her.

It was fine to listen to strangers.

As for the rest, it had nothing to do with her.

She only cared about the people she really cared about.

“It’s nothing important. I’ve already settled it.” Qiao Chen seemed unwilling to say more.

“But I heard it has something to do with Shen Xin.” Qiao Mianmian didn’t want him to beat around the bush. “You fought with someone because of Shen Xin. If you say it isn’t an important matter, why did you send her to the hospital?”

Qiao Chen kept quiet.

Qiao Mianmian said, “Chen Chen, are you planning to continue being entangled with her like this? With the current relationship between the Shen and Mo families, whether it’s us or them, neither party will agree to you two being together..”

### **Chapter 2902: Your Brother-in-law Taught You This?**

“Besides, Shen Xin herself is unwilling.

“The boy you beat into the hospital is her boyfriend, right? You can like her, but you can’t stop her from dating another boy. Are you not allowing her to date someone else?”

“Sister.” Qiao Chen’s voice became deeper. “Who did you hear this from? It’s not what you think. I didn’t stop Shen Xin from dating other boys. She has the right to love freely.

“It’s just that that bastard is not worthy of her. I beat him because he did something wrong to Shen Xin. He deserves to be beaten! It’s best if he doesn’t let me see him again. Otherwise, I’ll beat him every time I see him.”

The teenager’s clear voice was mixed with coldness and viciousness, which sounded unfamiliar.

Mo Yesi had told her before that Qiao Chen was no longer the innocent and warm boy he used to be.

Other than treating her the same as before, he still thought highly of her and cared a lot about her as his sister. But now, Qiao Chen was much more indifferent to everyone and everything else.

He didn’t even care about his biological father.

Qiao Chen’s change was very sudden.

It seemed like something had happened that changed him overnight.

However, no one knew what had happened.

Even Qiao Mianmian didn’t know what to ask.

Qiao Mianmian could also feel that the Qiao Chen now was not the same as before.

Even if he behaved the same towards her as if nothing had changed, Qiao Mianmian grew up with him.

She could feel any change in the teenager.

She didn't know if this change was good or bad, but Mo Yesi said that if Qiao Chen really wanted to integrate into the Mo Family and take over his Second Uncle's company, this change was necessary.

If he was too pure and kind, he would only be eaten up by others.

"Chen Chen, don't be too impulsive. There are many ways to solve a problem, and violence is the most irrational." Qiao Mianmian sighed lightly and advised him. "Thankfully, you didn't hurt him too badly and didn't cause any serious consequences.

"If you can't control yourself and cause problems for the other person, it won't be as simple as just losing money. Chen Chen, don't ruin yourself because of a moment of impulse, okay?"

If it was the old Qiao Chen, Qiao Mianmian wouldn't be worried about this at all.

But the current Qiao Chen...

Qiao Mianmian was really afraid that he would do something unpalatable.

The teenager seemed to have grown up and matured overnight.

However, it also made him feel like a stranger.

She felt that she no longer understood her brother that well.

Hence, she was afraid that Qiao Chen would do something very serious if he was impulsive.

Before this, Qiao Chen had never fought with anyone.

Not to mention beat his classmates into the hospital.

When she found out about this from Mo Yesi, Qiao Mianmian was stunned. She couldn't believe that Qiao Chen had such a violent side.

"Sister, I know my limits." Qiao Chen was still very obedient in front of Qiao Mianmian. He would listen to whatever she said obediently and would not refute her. "I won't ruin myself for that kind of idiot. Don't worry, I beat him wisely. On the surface, he looks like he was beaten up badly, but as long as he goes for an examination, he won't even get a light injury. Brother-in-law taught me how to hit someone like this. It's really useful."

Qiao Mianmian was speechless.

"Your brother-in-law taught you this?"

"Of course.. Brother-in-law teaches me everything."

### **Chapter 2903: Sorrow**

Qiao Mianmian was speechless.

She suddenly wanted to know what Mo Yesi had taught Qiao Chen.

“So, Sister, don’t worry.” The young man’s voice was warm and clear again. “I won’t let anything happen to me. I can protect myself too. As for me and Shen Xin... I know what to do.

“I know that feelings can’t be forced, but I can’t let go now.

“Perhaps I can let go when I give up completely.

“But before that, I still want to fight for it. Shen Xin pursued me for three years. In the next three years, it’s my turn to chase her. If she still doesn’t accept me after three years, or if she really has someone she likes, I... will let her go.”

Towards the end, the young man’s voice lowered. The words “let her go” were also very obscure.

What else could Qiao Mianmian say?

Qiao Chen wasn’t a child anymore. He was already an adult and could hold his own now.

As his sister, she could only persuade him about his relationship matters. In the end, he was the one who made the decision.

Moreover... Qiao Mianmian didn’t trust her judgment anymore.

Back then, she felt that Jiang Luoli and Mo Shixiu weren’t suitable for each other. But now, they were very close.

She also felt that Qiao Chen and Shen Xin weren’t suitable... but what if they could have a happy ending?

Qiao Chen had been very sensible since he was young, and she didn’t have to worry about him.

He could definitely settle his own relationship matters.

As his sister, she shouldn’t interfere too much.

After chatting with Qiao Chen, Qiao Mianmian went online to search for related news.

Soon, she found Qiao Anxin’s indecent videos.

Clicking on them, she saw that the indecent scenes had been pixelated. But Qiao Anxin’s face wasn’t pixelated, so she could tell that the person in the video was her.

As for the mosaic, the effects were even more exciting.

After all, it was all on its own.

People had always been imaginative.

In the video, besides Qiao Anxin, four well-built men could be seen.

The video lasted more than an hour.

Qiao Mianmian frowned and closed it after a few minutes.

She didn’t feel much when Qiao Chen said that indecent videos of Qiao Anxin had been uploaded online.

But after watching them, she was really shocked by Su Ze’s viciousness.

It was an undeniable fact that Su Ze was a jerk, but she didn't expect him to be so terrible.

No matter what, Qiao Anxin had been his girlfriend for two years.

She was even pregnant with his child at some point.

He was so heartless as to set Qiao Anxin up and upload the videos online.

Qiao Mianmian didn't expect him to be so heartless.

No matter how much she disliked Qiao Anxin, she wouldn't treat her this way.

Qiao Anxin was completely ruined.

Everyone on the internet knew that she was...

Su Ze was ruthless because he wanted to destroy Qiao Anxin completely.

If she was lucky enough to survive, one could imagine how terrible her life would be.

The netizens also had mixed feelings about this..

#### **Chapter 2904: The Only Wish Before Leaving This World**

"Sigh, even though I don't like Qiao Anxin, I still feel pity for her after watching the video. No matter what, she shouldn't be treated like this. Su Ze is too heartless. Isn't Qiao Anxin his ex-girlfriend? Not only did he get people to rape her and take a video of her, he even stabbed her. My sister is working in the hospital, and she told me that Qiao Anxin was covered in blood when she arrived, and her breathing was very weak. She said that she might not be able to survive."

"I watched the video, too. I don't like Qiao Anxin, but I don't think she should be treated like this. Sigh, she's really pitiful, too pitiful. I think we should just hope that she can be rescued."

"Oh my god, I saw the video of Qiao Anxin getting stabbed too. It was too scary. I think she won't be able to make it. Su Ze's stabs were all aimed at her vitals, and blood splattered all over the floor. I don't think she can make it."

"I also think Qiao Anxin is most likely gone. But I still hope that she can live. Even though I don't like her, I don't hate her to the point of wanting her to die. Now that I think about it, Qiao Mianmian is really lucky. If she didn't break up with Su Ze, would she be the one getting stabbed now?"

...

Qiao Mianmian received a call from Father Qiao after nine in the evening.

After the call went through, Father Qiao's choked voice could be heard. "Mianmian, Anxin is dying. She said she wants to see you. Can you come? I know she wronged you, but she's dying. This is her only wish before she leaves this world. Just take pity on her and see her before she dies."

Qiao Mianmian later heard from Qiao Chen that Qiao Anxin was rescued and saved.

The siblings sighed and felt that Qiao Anxin was really lucky.

After all, everyone thought that she would definitely die, but she actually survived.

Qiao Mianmian thought that the rescue was over, that her vital signs were stable and her life was no longer in danger.

Hence, she was very surprised when she received a call from Father Qiao.

Why was Qiao Anxin dying?

Besides, her dying wish was to see her.

Qiao Mianmian wanted to know if she had heard wrongly. "She said she wanted to see me?"

Father Qiao seemed very sad. "Mianmian, just take pity on her. No matter how many faults she has, she's a dying person."

Qiao Mianmian didn't say anything.

"Mianmian, just take it that I'm begging you." Father Qiao said sadly, "Don't worry, she's useless now. She can't hurt you. The doctor said that she'll at most make it through the night."

Qiao Mianmian was silent for a while before saying, "Okay, I'll go see her."

She agreed to see Qiao Anxin in the end, not because of their sisterhood, and not because she pitied her. She just wanted to know what Qiao Anxin wanted to talk to her about.

...

At Renxin Hospital.

When Qiao Mianmian arrived at Yuncheng, it was already past midnight.

The black Rolls-Royce was parked by the street. The car door opened, and a handsome and elegant man got out.

It was drizzling.

After getting out of the car, the man held up the black umbrella. His dark eyes scanned the pitch-black night sky. When he saw the familiar petite figure, he immediately walked over with the umbrella in hand.

Before he could get close to the petite figure, the umbrella was already tilted to the side..

### **Chapter 2905: I'll Definitely Hold On Until I Meet Qiao Mianmian**

As the familiar scent approached, Qiao Mianmian was pulled into a hug by the man in front of her. A low and magnetic voice sounded above her head. "Why are you in the rain? Why don't you have an umbrella?"

"It's alright." Qiao Mianmian reached out and hugged Mo Yesi. She looked up and smiled. "Moreover, didn't you bring an umbrella?"

Mo Yesi looked down at her and rubbed her head. "Are you sure you want to do this?"

“Mm.” Qiao Mianmian nodded. “Let’s go take a look. This is the last time I’m going to see her. I want to know what she wants to say to me before she dies.”

“Alright.” Mo Yesi held the umbrella with one hand and held her hand with the other as they walked towards the Rolls-Royce. “I’ll accompany you.”

...

An hour later, Qiao Mianmian and Mo Yesi arrived at Renxin Hospital.

Lu Rao was there too.

“Is Qiao Anxin... really dying?” Although Father Qiao had already told her, Qiao Mianmian still wanted to confirm it with Lu Rao. In comparison, she trusted him more.

It wasn’t that she didn’t trust Father Qiao, but Qiao Anxin was a liar, and Qiao Mianmian didn’t believe her at all.

Lu Rao followed them into the hospital. “She really can’t hold on much longer. I don’t think she can last until morning.”

Since he said so, it couldn’t be fake.

So, Qiao Anxin was really dying?

Qiao Mianmian had an indescribable feeling.

“Her injuries are very serious, and they’re all very fatal. Although she was rescued, because of her serious injuries and excessive bleeding, she can only live for two more days at most.

“Actually, it’s a miracle that she can last until now.”

Qiao Mianmian kept quiet for a while before nodding.

“It seems like this will be the last time I see her.”

...

Soon, they arrived at Qiao Anxin’s ward.

Just as she reached the door, Qiao Mianmian heard Father Qiao’s choked voice. He was talking to Qiao Anxin. “Anxin, don’t talk anymore. Have a good rest. Your sister will come to see you soon. She promised me that she would come.”

“Is-is she really coming?” Qiao Anxin’s voice was extremely weak and hoarse.

“She’ll definitely come.” Father Qiao comforted her. “Sleep for a while first. She’ll be here when you wake up.”

“No, I-I can’t sleep,” Qiao Anxin said with difficulty. “I’m afraid that if I do, I won’t be able to wake up again. I-I haven’t seen Qiao Mianmian yet. I-I can’t sleep.”

“Anxin, you’ll be fine. Don’t talk nonsense.” Father Qiao started crying. “Don’t talk nonsense.”

“Dad, I know my body.” Qiao Anxin seemed to be having a hard time talking. “I know I can’t hold on for much longer. But, but I’ll definitely hold on until I meet Qiao Mianmian.”

“Anxin, you...”

“Dad, don’t you hate me? Don’t you blame Mom? Why are you still willing to come to the hospital to see me?” Qiao Anxin cried too. “I’m not your biological daughter, why are you still willing to come to the hospital to see me?”

“Your mom lied to me for so many years, of course I blame her. But you’re innocent, Dad has never blamed you.. Even if you’re not my biological daughter, you’re still the daughter I’ve raised all these years,” Father Qiao said sadly.

### **Chapter 2906: She Would Never Give Up!**

Qiao Mianmian stood at the door of the ward and listened to the conversation coming from inside.

She waited for a few minutes before pushing the door open.

Father Qiao turned around.

Seeing Qiao Mianmian and Mo Yesi at the door, Father Qiao was stunned for a while before getting up happily. “Mianmian, you’re here.”

On the hospital bed.

Qiao Anxin suddenly turned and looked at Qiao Mianmian with lifeless eyes.

It was a look of hatred.

Especially when she saw that Mo Yesi came with Qiao Mianmian, the hatred in her eyes intensified.

That god-like man was not worthy of Qiao Mianmian.

What right did this slut have to marry him!

She hated it. She couldn’t accept it!

“Come, come in and take a seat,” Father Qiao said excitedly. “Anxin has been waiting for you. I told her you’d come.”

“Anxin, look, your sister is here.” Father Qiao turned around and said to Qiao Anxin, who was lying on the hospital bed and staring at Qiao Mianmian with hatred in her eyes. “Your sister is here to see you.”

Qiao Mianmian wanted to correct Father Qiao that she wasn’t Qiao Anxin’s sister.

She had nothing to do with her.

But after thinking about it, she held back.

Father Qiao must be upset by Qiao Anxin’s current situation, so she shouldn’t bother too much about it.

There was nothing to fuss about with a dying person.

Qiao Mianmian walked into the ward with Mo Yesi.

The smell of disinfectant filled the air. Qiao Mianmian walked to the bed and stopped. She looked down at Qiao Anxin, whose face was as pale as a ghost.

Qiao Anxin looked up.

The moment their eyes met, Qiao Anxin's eyes filled with intense hatred. Even Mo Yesi, who was beside Qiao Mianmian, felt it.

He tightened his arms around Qiao Mianmian's waist and subconsciously pulled her into his arms in a defensive gesture.

Qiao Anxin felt as if her heart was being stabbed.

It hurt even more than when Su Ze stabbed her.

Ha, was Mo Yesi afraid that she would do something to Qiao Mianmian?

Was he so guarded against her?

Did he care so much about Qiao Mianmian?

"Qiao Anxin, I'm here." Qiao Mianmian at Qiao Anxin for a few seconds before she looked away. "Dad said you wanted to see me, so I'm here. If you have anything to say to me, you can say it now."

Qiao Anxin's resentful gaze landed on Mo Yesi's hand on Qiao Mianmian's waist. She stared at it for a while before looking away.

Her eyes were already lifeless.

But when she looked back at Qiao Mianmian, her eyes were filled with hatred.

"Qiao Mianmian, you, you're finally here." She opened her mouth and spoke with difficulty as if every word was draining her life.

But even so, she gritted her teeth..

It was clear how much she hated Qiao Mianmian.

Yes, I'm here." Qiao Mianmian naturally felt her strong hatred, but her gaze towards Qiao Anxin was still calm. "So, you can say whatever you want to say now."

"Don't you know what I want to say?" Qiao Anxin forced out a smile. "Are you happy to see me like this? Do. do you feel happy and relieved?"

Qiao Mianmian said expressionlessly, "What has it got to do with me? Why

should I feel happy and relieved?

Of course, it's because... you hate me!" Qjao Anxin spoke one sentence and then tried to catch her breath. "Stop acting. Haven't you always hoped that I would die? of course, you're happy that Tm dying"

"Whether you die or not has nothing to do with me." Qjao Mianmian said coldly, "Why should I care about your life? You're not even related to me. Would you care about the life and death of a stranger? Tm guessing you wouldn't "Stranger? Qjao Anxin was stunned.

"What do you think our relationship is?" asked Qjao Mianmian.

"Ha, hahaha." Qjao Anxin paused for a while and laughed. She panted as she laughed. "No, that's right. We're strangers. No, we're not strangers. We should be considered enemies."

Qjao Mianmian looked down at her. "I don't see you as an enemy."

For her, enemies were people she hated.

If Qjao Mianmian hated someone, she would care about that person.

However, she no longer cared about Qjao Anxin.

To her, Qjao Anxin was like a stranger.

You don't, but I do!" Qjao Anxin suddenly became agitated. Her pale face turned red from anger. "Qjao Mianmian, I hate you. I hate you so much.

"Do you know that I-I've never hated someone so much? I really wish.. that I could kill you with my own hands."

She was too agitated and her body was too weak. The moment she finished her sentence, she seemed to be out of breath as she pressed her hand against her chest and coughed violently.

Seeing this, Father Qiao said worriedly, "Anxin, how are you? Ill call the doctor over.

"No, don't call the doctor. I-Tm fine." Qjao Anxin coughed for a while, and her pale face paled further. After taking a few deep breaths, she said in a hoarse voice, "Dad, L. I have to finish this.

Qiao Mianmian, do you know why I hate you so much?" Qiao Anxin looked at her hatefully. She had no intention of getting an answer from Qiao Mianmian. After asking, she answered her own question, "Because you've always easily taken away what I like since young.

"It's always been like this since we were young.

"What do I like? Soon, that thing will be snatched away by you. It was clearly something I fought hard for for a long time. Why can you snatch it away from me so easily without doing anything? Why?

Why do you think I hate you? Anyone in my place would also hate you to the core."

"I stole what you liked? Qiao Mianmian looked as if she had heard a joke.

"When did I do that?

#### **Chapter 2908: Untitled**

She didn't even know what Qiao Anxin liked.

How could she snatch her things?

Seeing that she wasn't willing to admit it, Qiao Anxin got even more agitated. She gritted her teeth and said, "You actually have the cheek to say that you didn't snatch it. Do you think that just because you don't admit it, you can pretend that nothing happened? "I remember everything you've done. Do you dare to say that you didn't snatch Zhao Yifei away from me? And Ye Fan, I liked him for three years, but you snatched him away in the end!

"You have to snatch anyone I like from me. You've made me a joke time and time again, making me a laughing stock. Qiao Mianmian, why are you so cheap? Why do you have to steal the people I like from me? "I liked Ye Fan so much. I chased him for so long and spent so much time and effort to finally get him to agree to date me. But because of you slut. Qiao Anxin pointed at Qiao Mianmian with a ferocious expression. She panted and yelled, "You shamelessly seduced Ye Fan, and the next day, Ye Fan said he wanted to break up with me. We'd only been together for a day, and he wanted to break up with me because of you!

Do you know how sad I was and how much I hated you?"

Qiao Anxin's eyes were filled with hatred as she recalled the past.

"After that incident, I swore to myself that I'd take revenge You took away the person I liked, so I'd snatch anything you liked from you in the future.

“Then, I really did it. Qiao Anxin smiled as she said this. “Dad, Su Ze, I’ve taken the people you care about the most from you. “Do you know how happy I felt when Su Ze broke up with you and saw how upset and disappointed you were? The more upset and angry you were, the happier I was. I felt so good seeing you being helplessly stepped on by me.

“At that time, I was thinking that I would make it impossible for you to make a comeback for the rest of your life. I wanted others to mention the Qiao family’s daughter in the future and only know me, Qiao Anxin, and not who you are.

“I thought I could do it, but...” Qiao Anxin’s smile faded, and her eyes turned cold. “Why, why are you so lucky to have met Mo Yesi?”

“Anxin, how could you talk to your sister like this?” Father Qiao was shocked

Even though he knew that his daughter wasn’t as obedient as he thought, he still felt that Qiao Anxin wasn’t a bad person.

She was just led astray by Lin Huizhen.

But those vicious words had refreshed his understanding of Qiao Anxin.

“Am I wrong? Qiao Anxin gritted her teeth. “She’s always the first person other people notice. As long as she’s around, I’m like an invisible person. No one will ask me anything “Even the person I liked was seduced by her the moment he saw her. She, Qiao Mianmian, is a slut!”

“Anxin, you went overboard! She’s your sister, how can you say that!” Father Qiao said angrily.

## **Chapter 2909: In the End, Qiao Mianmian Won**

Translator: Atlas Studios | Editor: Atlas Studios

Overboard? Haha, I have even worse things to say.” Qiao Anxin looked at Qiao Mianmian fiercely, her eyes full of hatred. “I’ve been hoping for her to die every day. If she died, I’d definitely set off firecrackers to celebrate. Unfortunately, that slut just couldn’t die. God is really unfair, giving all the good things to her.

“She and I came from the same ordinary background, but why did she suddenly become the daughter of the Bai family? I’m not a member of the Qiao family, but why is my biological father such a terrible person?

“God is so biased. He gave her all the good things. As for me, I’ve already won.

I’m the winner in other people’s eyes, but I have nothing now. Why is God treating me like this? Why!

“I hate you, I really hate you. Qiao Mianmian, I really hate you. Without you, my life would have been so smooth and glorious. If it wasn’t for you, I wouldn’t be lying here now.”

If she had married Su Ze and stayed with the Su family, she would definitely be doing well now.

Even if the Su family wasn’t super-rich, they could still give her a lifetime of riches.

Su Ze was one in a million, and she was very satisfied with him.

But who would have thought that Qjao Mianmian would find a man a thousand times better than him?

And after meeting Mo Yesi, how could she continue liking Su Ze?

Especially when Qjao Mianmian had always been under her feet.

Suddenly, her defeated opponent became a winner in life. She found a man who was countless times better than the previous one and even rode on her. How could she tolerate this?

At that moment, she swore that she would snatch Mo Yesi away from Qjao Mianmian.

She wanted to marry Mo Yesi and become the true winner.

She wanted to defeat Qjao Mianmian again and trample on her.

Her competitive spirit caused her to not be satisfied with the current situation.

She wanted to compare herself to Qjao Mianmian in every aspect, but she couldn't. Her crazy jealousy and unwillingness made her more and more twisted. She thought about how to scheme against Qjao Mianmian almost every moment.

But in the end, she was the one involved.

She couldn't wait for Qjao Mianmian to die.

But now, Qjao Mianmian was standing right in front of her.

And she was going to die soon..

No matter how indignant she was, Qjao Mianmian still won.

"Qjao Mianmian, you won this battle in the end. But don't be too smug. Even if I die, my soul will always curse you and cling to you." Qjao Anxin suddenly laughed, but her smile was strange and vicious. "I curse that all the happiness you have now will one day turn into bubbles. I curse you to end up worse than me one day. Qjao Mianmian, I'll wait for you downstairs. I believe I won't wait too long"

Father Qjao was stunned by her words.

After Qjao Anxin finished speaking, she laughed out loud, and her expression became even more twisted.

Qjao Mianmian looked at her expression calmly and wasn't affected by her words at all.

She waited for Qjao Anxin to finish laughing. Just as she was about to say something, Mo Yesi took a step forward and said, "People like you, who have done so much evil, will be sent to hell after you die. You will be tormented all the time until the day you turn to ash."

### **Chapter 2910: I'm the One Who's True to You**

"You won't have the chance to pester Mianmian. You said yourself that she's blessed by God, so your curse won't have any effect on her.

“Not only will she lead a happy life, but she’ll also lead a peaceful life. I’ll protect her for the rest of her life. Also, there’s never been any competition between you and Mianmian. Anyone who competes is on par with themselves, but you’re not qualified to compete with her.

“I’ve seen plenty of women like you. Even without Mianmian, you’d never have been satisfied with your lot in life and would always compare yourself to others. Your tragedy has nothing to do with Mianmian. It’s all your own greed and vanity.”

Seeing that Mo Yesi had stepped forward to protect Qiao Mianmian, Qiao Anxin’s chest heaved up and down as if she had been provoked. She widened her eyes and looked at him indignantly. “Mo Yesi, you don’t even know what kind of person this woman is. Qiao Mianmian and I grew up together. I-I know her better than you do. Y-You shouldn’t be fooled by her.

“Do you think she really likes you? She just likes your status and power. She likes the position as the Young Madam of the Mo Family and your status as the Second Young Master of the Mo Family and the CEO of the Mo Corporation. She doesn’t like you at all.

“She’s the greedy one.

“She doesn’t really like you. She got together with you not long after she broke up with Su Ze because you’re Mo Yesi and because you can make her so successful.

“L.. I’m the one who’s true to you.” Qiao Anxin’s eyes reddened. She wanted to reach out and grab Mo Yesi’s sleeve, but her hands were weak and drooped down weakly.

Recalling the first time she met Mo Yesi, her eyes became dazed. “I fell deeply in love with you the first time I saw you.

“You’re the one who let me know what it’s like to be moved. After I fell in love with you, I couldn’t tolerate anyone else in my eyes. I really like you. I dream of you every night. I’ve never liked someone so much.”

Qiao Mianmian knew how Qiao Anxin felt towards Mo Yesi.

However, she frowned when Qiao Anxin spoke so bluntly and explicitly.

Father Qiao’s face was already dark.

He didn’t expect his daughter, who he thought was not a bad person, to be so evil.

Not only was she vicious, but she was also shameless.

She even coveted her sister’s husband. She even said such explicit words shamelessly.

At this moment, Father Qiao regretted calling Qiao Mianmian over.

If he knew this would happen, he definitely wouldn’t have let Qiao Mianmian come.

Mo Yesi’s brows were tightly knitted, and his eyes were filled with disgust. He looked coldly at Qiao Anxin, who was lying on the bed, feigning infatuation. “You fell in love with me the first time you saw me. What did you fall in love with?”

Qiao Anxin immediately said excitedly, "Of course, I love you. Mo Yesi, I'm serious about you.

"Me? If I wasn't the CEO of the Mo Corporation, would you still fall in love with me? You just took a fancy to my status. When you stole Su Ze from Mianmian, he was probably your true love. But if you meet a man more useful than him, your love will quickly change.."
