Chapter 2911: I Wish She Was a Materialistic Woman

“Qiao Anxin, your love is worthless.”

Qiao Anxin was stunned. Looking up and seeing Mo Yesi’s disgusted expression, she felt as if her thoughts had been seen through by him. In front of him, she had no place to hide.

This feeling was like being stripped naked in public.

Angry and humiliated, she flew into a rage. “My love is worthless? What about Qiao Mianmian? Even if I like your status, do you think Qiao Mianmian isn’t like me? I’m greedy for glory, but Qiao Mianmian isn’t?”

“She’s not materialistic? She married you not long after knowing you. If it wasn’t for your status, do you think she’d like you?”

Hearing this, Mo Yesi turned to look at Qiao Mianmian. The man’s cold eyes instantly warmed up, and the corners of his lips curled up slightly. He said in an affectionate and gentle tone, “I wish she was a materialistic woman. If she likes me because of my identity and status, then I’ll be at ease.”

“W-What did you say?”

Qiao Anxin’s pale face was filled with shock.

She wondered if she’d heard wrongly.

Mo Yesi tidied Qiao Mianmian’s hair and said gently, “if she likes my status, as long as the Mo family doesn’t fall, as long as I continue to be the Chairman of the Mo Corporation, she won’t leave me.

“So, I hope she’s a materialistic woman. That way, I won’t have to worry about her leaving me”

Qiao Mianmian was speechless.

Chairman Mo, are you sure Qiao Anxin won’t be angered to death by you?

Anyway, if she was Qiao Anxin, she would definitely vomit blood and die on the spot.

Y-You actually.. Are you crazy?” Qiao Anxin’s eyes widened in disbelief.

In her opinion, Mo Yesi was possessed.

Otherwise, why would he say such a thing?

He must be crazy.

Mo Yesi turned to look at Qjao Anxin's pale face. "You've set Mianmian up again and again. I wanted to teach you a lesson, but you've already suffered the consequences. I don't have to do anything anymore."

With that, Mo Yesi turned to Qjao Mianmian and whispered, "You've already seen her, there's no need to waste more time here. Let's go."

Qjao Mianmian nodded. "Mm."

She came here to find out what Qjao Anxin wanted to tell her before she died.

Now, she knew.

Qjao Anxin's hatred for her wouldn't diminish even at the moment before she died.

But this was no longer important to Qjao Mianmian.

Now that Qjao Anxin was dying, these things were even less important.

They turned around and left.

At the door, Qjao Anxin suddenly screamed. "Qjao Mianmian, you'll die a terrible death. You'll die a terrible death. I won't let you off. I won't let you off even as a ghost."

Qjao Mianmian stopped in her tracks before continuing to walk out.

Qjao Anxin was still yelling in the ward.

Qjao Mianmian, I hate you, I hate you!"

"Ahhh, Qjao Mianmian, you slut."

Chapter 2912: I Have One Hundred Percent Trust in You

They left the hospital.

After getting into the car, Qjao Mianmian was very quiet.

"What's wrong? Are you in a bad mood?" Mo Yesi sensed her mood and reached out to pat her head. "You shouldn't have come. I can imagine what kind of words a person like her would say.

You don't have to care about those things. Are you hungry? I know a good place. Shall I bring you out for supper now?

Sensing that she was a little down, Mo Yesi comforted her gently.

Qjao Mianmian turned to look at him. "I'm not in a bad mood. I didn't take Qjao Anxin's words to heart. I knew from the start that she wouldn't say anything nice to me."

"But I think you're in a bad mood." Mo Yesi tidied the loose hair on her forehead and stared at her with his deep black eyes. "I believe my gut feeling won't go wrong. You can tell me if anything is bothering you, don't keep it to yourself."

"Baby, I'm your husband. There's nothing you can't tell me."

Qjao Mianmian was silent for a while before saying, "I didn't expect Qjao Anxin to hate me so much, nor did I expect her to hate me because she thought that I deliberately took away the people she liked. I still remember the few people she mentioned, but I've never fought with her for them."

"I didn't do anything from the start to the end. I never liked her since young, but I never thought of snatching away the people she liked on purpose."

After Qjao Mianmian finished her sentence, she blinked and emphasized each word as if she was afraid that the man in front of her would not believe her.

"Mo Yesi, I really didn't do what she said. If she didn't tell me today, I wouldn't know why she hated me so much."

"You don't have to explain it to me." The man's slender and white fingers pressed lightly against her lips. His dark and deep eyes were filled with gentleness as he said softly and gently, "I didn't believe a single word she said."

"Baby, I've said it before. I have one hundred percent trust in you. I won't suspect you no matter what. You didn't do anything wrong, so you don't have to care about why Qjao Anxin hates you."

"She's the one on the dark side, jealous that you're better than her in everything. Even if you didn't do anything, you're still a hundred mistakes and a thousand mistakes in her eyes. She'll never be kind to you."

"She only has herself to blame for today."

"Don't think about this anymore. Think about something happy. Or whatever"

you want to eat, I'll go with you right now. Don't you like milk tea the most? Do you want me to buy you one now?"

Mo Yesi tried his best to coax his wife.

"Milk tea?" Qjiao Mianmian's attention was immediately drawn away. "But it's already so late. The milk tea shop should be closed."

"You can have it anytime you want." Mo Yesi smiled. "Then, I'll bring you to buy milk tea now, and next we'll go for supper. You should rest well when you get back and stop thinking about such things that affect your mood.

I heard that your brother returned to the country, and he brought a woman with him. Is this true?"

"Hm? You know about this? Who did you hear it from?" Qjiao Mianmian was a little surprised to hear this as she had not told Mo Yesi the entire story.

"Shaoqing told me. He said that he took the same flight as your brother when he returned and saw it."

"Yes, it's true. Then, did Shaoqing tell you what my brother's girlfriend looks like? Is she the kind with long, straight hair, fair skin, and classy aura that makes her look gentle and demure?"

Chapter 2913: What Was the End of It?

"How would I know? I'm not interested in asking about other women. I'll accompany you to visit your parents tomorrow, okay?"

Qjiao Mianmian thought for a while and nodded. "Alright, we'll go back tomorrow."

The next morning, Qjiao Mianmian received a message from Linda and Qiao Chen.

Qiao Anxin was dead.

She passed away at three in the morning

Linda: [Qjiao Anxin is dead. I hated her at first, but now that she's gone, I don't think our past grudges matter anymore.]

Qiao Chen: [Sister, Qiao Anxin is dead.]

After a while, Jiāng Luoli also sent her a WeChat message informing her of Qiao Anxin's death.

Qiao Mianmian stared at the messages for a while.

Was Qiao Anxin really dead?

Although she already knew that Qiao Anxin was dying, now that she was dead Qiao Mianmian had an indescribable feeling in her heart.

She was not sad.

She wasn't a saint.

Although Qiao Anxin grew up with her and called her sister, they had never been on good terms. Neither of them liked the other, nor did they treat each other as real sisters.

In terms of feelings, her relationship with Jiang Luoli far exceeded her relationship with Qiao Anxin.

She wasn't sad that Qiao Anxin was dead.

She just felt a little upset.

Qiao Anxin had schemed so much, but what was the outcome?

She wondered if she regretted it in the last second before she died.

But there was no medicine for regret in this world. Everything she said and did was like spilled water. She couldn't take it back.

Moreover, someone like Qiao Anxin probably wouldn't regret doing anything

Not long after, Qiao Anxin's death was also posted on Weibo.

The netizens had different reactions. Some applauded, while others showed pity.

"Is Qiao Anxin really dead! I'll have a good meal to celebrate. It's a waste of social resources for a jinx like her to live."

"Death is the most final thing. I think even if Qiao Anxin isn't a good person, since she's already dead, the netizens should be more merciful with their words."

“She asked for it. She deserves it.”

“I saw on the news that she was rescued and thought she was fine. I didn’t expect...”

“I also advise you sisters to keep your eyes open when you find a partner. Some people might seem alright to you, but they might be cold-blooded murderers deep down. Qiao Anxin’s ex-boyfriend is still the Young Master of the Su Corporation. I really couldn’t tell that he was such a ruthless person.”

On the other side.

“Young Master, the hospital called and said that Qiao Anxin is dead. Also, Su Ze has already done as you instructed. They will give him the highest sentence.”

The handsome man in black slowly turned around and glanced at his subordinate coldly. “Dead?”

“Yes, she’s dead.”

“Are you sure?”

“Yes, she died at three in the morning. She’s really dead,” the subordinate confirmed.

The man looked down and pulled out a black leather chair. “Mm, you can go out now.”

Chapter 2914: Madam Is Sick Again

“Young Master, there’s something else.” “The subordinate did not move. After hesitating for a few seconds, he said in a low voice, “The Gong Residence called. They said that Madam’s health isn’t good and she’s been bedridden for a few days.”

“Butler Cheng hopes that Young Master can go back and visit Madam. He said that Madam is in a bad mood. He saw her crying a few times when he was delivering food to her. If Young Master can go back and visit Madam, she will recover faster.”

Hearing that his mother was sick again, Gong Zeli’s expression did not change.

“He can just look for a doctor if she’s sick. I’m not a doctor. I can’t treat her

illness.

“Besides, I have nothing to do with the Gong Family now.”

The subordinate was stunned. Looking at Gong Zeli, he saw that his face was cold and expressionless. He thought for a while and tried to persuade him.

“Young Master, Madam said that out of anger. You’re the only heir to the Gong family. How can you really have nothing to do with them?”

“I heard the meaning in Uncle Cheng’s words. After you packed your luggage and left that day, Madam regretted it. However, Madam cares about her reputation. Even if she regretted it, she can’t just call you back”

That was why Madam Gong was sick again.

How was she really sick?

She was just using this incident to give Gong Zeli a way out and using it as an excuse to make him go back.

Previously, she had quarreled with Gong Zeli once and called him back after claiming to be sick. That was how their mother-and-son relationship slowly recovered.

Her illness this time was the same as before.

“She said that in a fit of anger, but I didn’t.” Gong Zeli squinted his eyes and looked at his subordinate coldly. “You talk too much.”

His voice was very calm, without much emotion.

However, the subordinate felt a chill down his spine and broke out in cold sweat. Cold sweat broke out on his forehead as he lowered his head and said fearfully, “Yes, Young Master Gong. I was too nosy.”

Gong Zeli’s long eyes narrowed into a straight line. “Get lost.”

The subordinate did not dare to say anything else

He immediately turned around and walked out of the office quickly, disappearing like a gust of wind.

A moment later.. the office door slowly closed. Gong Zeli took out his phone and logged into his WeChat account. He clicked

on the only friend in his contact list: Mianmian is not soft and cute.

As per usual, he first looked at Qiao Mianmian's profile picture, before clicking on her Moments and scrolling to the latest selfies she had posted.

The man lowered his eyes as a dark glint flashed across his almond-shaped eyes. He looked at the girl in the selfie deeply.

The girl had bright eyes, white teeth, and exquisite facial features. When she smiled, her eyes curved up, and when one saw her smile, they would feel as if they had nothing to worry about.

At this moment, even his restless heart calmed down.

Qiao Mianmian, I've cleared all the obstacles for you. You don't have to worry about anyone harming you now."

Su Ze, Qiao Anxin.

All the hidden dangers around her had been resolved.

Next, he needed to do something&

He wouldn't let her suffer any more rumors because of him.

He could disregard his reputation, but not hers..

Chapter 2915: Is It Because of Miss Qiao?

At this moment, someone knocked on the door.

Gong Zeli put his phone down and said, "Come in."

When the door opened, his assistant walked in with a young girl and said respectfully, "Chairman Gong, Miss Su is here."

Gong Zeli looked up and said calmly, "Mm."

The assistant looked at the young girl beside him and then at Gong Zeli, who was sitting in the black leather chair. Not saying anything else, he turned to leave.

The door closed again.

The room was silent.

After about a minute

"Young Master Gong, why are you looking for me?" Su Su looked up at the handsome man in front of her. When her uneasy gaze landed on the man's handsome face, she felt even more uneasy.

This was the first time Gong Zeli took the initiative to look for her.

And at his company, too.

Normally, Su Su would be very happy.

But at this moment, she couldn't be happy.

She had already guessed Gong Zeli's motive for calling her here.

She knew that this day would come sooner or later, but she still had a glimmer of hope in her heart, thinking that she could change it somehow.

But she was delusional in the end.

Gong Zeli pointed at the sofa. "Sit."

Su Su stood rooted to the ground for a few seconds before sitting down obediently.

She placed her hands on her knees and sat upright, looking very obedient.

In Gong Zeli's eyes, she was indeed a very compliant and obedient girl.

She had never caused him any trouble.

Hence, Gong Zeli felt that he could satisfy her as long as she didn't make any unreasonable requests.

"The house you're living in now, I'll get someone to transfer it to your name. Also, this card has 10 million yuan on it. The password is six 1s. If you have any other requests, you can ask now. I'll try my best to satisfy you."

Gong Zeli placed the bank card on the table.

Su Su stiffened.

A few seconds later, she turned around stiffly. Her eyes were misty as she said, "Young Master Gong doesn't want Su Su to stay by your side anymore?"

Gong Zeli turned to look at her. "You can make other requests. Besides what I said, what else do you want?"

Su Su's eyes reddened.

"Is Su Su not good enough for Young Master Gong? Do you despise me? Young Master Gong, you can tell Su Su what you don't like and she will change it." Even though she knew that this was useless, Su Su still didn't want to leave.

Because she knew very well, once she left Gong Zeli, it was practically impossible to see him again.

They were from two different classes.

If it wasn't for her looks, she wouldn't even have had the chance to stay by his side.

She knew that she was just a substitute.

But she thought that even as a substitute, as long as she could stay by his side, she would be satisfied.

With her lowly status, what else could she ask for?

“It has nothing to do with you.” Gong Zeli didn’t feel any pity for her. He looked away and said indifferently, “You can ask for anything now. But if you miss this opportunity, it won’t come again.”

“Is it because of Miss Qiao?” Su Su could tell that there was no room for negotiation from Gong Zeli’s words. Quickly accepting reality, she wiped her tears and looked at Gong Zeli with reddened eyes...

“Young Master Gong asked me to leave because of Miss Qiao?”

Chapter 2916: This Is Our Last Meeting

Su Su knew the reason, but she still wanted to ask.

She couldn’t accept it if she didn’t hear it from Gong Zeli.

She didn’t want to leave just like that.

As long as it wasn’t because of that person, she could change anything.

Although Gong Zeli sounded cold and distant when he spoke to her previously, he still took care not to hurt her feelings.

Until she asked this question.

The moment she said “Miss Qiao”, Su Su immediately felt Gong Zeli’s aura turn cold. Even the way he looked at her seemed different. At this moment, he exuded a strong chill.

In fact... what terrified Su Su was that she could see a hint of murderous intent in his eyes.

Su Su felt a chill down her spine.

She widened her eyes in fear and said timidly, “Young Master Gong, d-did I say anything wrong?”

“Don’t have any bad thoughts about her. Otherwise, I’ll make you regret it for the rest of your life.”

Su Su’s eyes widened in fear, and the blood drained from her face. If she thought the killing intent she felt previously was an illusion, then she was sure after this sentence.

Gong Zeli really wanted to kill her just because she asked something she shouldn’t have.

Did he think that she would do something bad to Miss Qiao?

He was so worried about Miss Qiao.

Did he... like her that much?

It was also at this moment that Su Su realized how important Qiao Mianmian was to Gong Zeli.

She thought about how ridiculous she’d been. If she’d stayed by Gong Zeli’s side and listened to him obediently, she’d have played the role of a substitute. No, Gong Zeli would care about her a little more over time.

Didn’t they say that after raising a dog for a long time, feelings would form between them?

She'd always thought so, but now

She looked at Gong Zeli's cold and distant eyes. Besides coldness, she couldn't see anything else.

It was the same when he spoke.

Her departure wouldn't affect him at all.

On the contrary, she was a problem for him now.

Su Su could guess why he suddenly asked her to leave.

Some time ago, he was involved in a scandal with Miss Qiao, and it was even revealed that she was her substitute.

He was afraid that if the reporters found her, it would affect Miss Qiao's reputation.

After all, Miss Qiao was already married.

Su Su felt sad at this thought.

She looked at the high and mighty man and asked softly, "Young Master Gong, I can't stay by your side anymore no matter what I do?"

Gong Zeli's expression was still cold. "This is our last meeting."

Keeping her around was a problem.

It would cause trouble for Qiao Mianmian.

Hence, she had to leave.

Su Su held back her tears and nodded. "Alright, I got it."

"Do you have any other requests?" Gong Zeli had always been generous to the women he'd been with, and this one was no different, even if he'd never met her before..

Chapter 2917: My Mom Is Very Satisfied With Her

Su Su shook her head.

She wasn't a greedy woman.

Gong Zeli's severance fee was rather impressive.

The house she was living in now was worth at least 30 million yuan.

Coupled with the bank card, it was enough to let her live the rest of her life without worry.

"Young Master Gong, I don't have any more requests. But can I ask you for something?" Su Su looked up at him after a moment of silence.

Gong Zeli met her gaze with narrowed eyes. "Go on."

"If one day, Young Master Gong thinks of Su Su again and asks Su Su to stay by your side, Su Su is willing to return to you immediately. I hope that Young Master Gong can give Su Su another chance."

Gong Zeli frowned.

If he sent her away, he wouldn't let her come back.

But when he met the girl's black eyes that were full of humbleness and that were very similar to 'hers', he ultimately didn't reject her.

"Mm." In the end, he responded perfunctorily.

This was just a perfunctory reply, but the girl's eyes lit up.

Bai Yusheng brought his girlfriend back to China, making his parents overjoyed. They called Qiao Mianmian and asked her to have dinner tonight.

Qiao Mianmian hadn't seen what her future sister-in-law looked like, but when Mother Bai called her, she did mention a few things. She could tell from her tone that they were very satisfied with this future daughter-in-law.

"She's a reliable and serious person. She has a good temperament and speaks well. Your dad thinks she's a good person, too. Anyway, you'll know when you come back. You'll definitely like her."

"That good?" Qiao Mianmian was even more curious.

It wasn't that Mother Bai was stingy with her praises.

She must be very satisfied with this person.

"She's indeed good." Mother Bai was obviously in a good mood. "I won't talk to you anymore. I'll be cooking tonight. I have to go to the kitchen. I made the dishes that you and Yesi like to eat. Come over early. Oh right, Yesi has always had good judgment. Ask him to get a good look at her."

"ask him to appraise my future sister-in-law?"

"Of course. Who else could it be?"

After a while, Mother Bai hung up and went to prepare dinner.

Mo Yesi changed his clothes and walked over, wrapping his arm around her waist out of habit. "Mother-in-law called to rush you?"

"No, we were just chatting."

"Oh? Chatting about what?"

"About the girlfriend my brother brought back." Qiao Mianmian thought for a while and said, "My mom is very satisfied with her and praised her fiercely. I think she already thinks of her as her daughter-in-law."

“Isn’t that good?” Mo Yesi smiled and walked out with her in his arms. “Didn’t Mother-in-law always hope for your brother to get married soon? Now that he has finally brought her back, and she’s someone they’re satisfied with, they probably already treat her as their daughter-in-law.”

“Yes.” For some reason, Qiao Mianmian recalled the woman who was entangled with Bai Yusheng at the banquet. Based on a woman’s intuition, she felt that Bai Yusheng’s relationship with that woman was extraordinary.

If the person he brought back this time wasn’t the woman from that night

“Do you have something to say to me?” Mo Yesi looked down at her and rubbed her head. “I think you have other opinions about this..”

Chapter 2918: A Woman’s Instinct Is Very Accurate

“Not really.” Qiao Mianmian thought for a while and added, “Do you remember the auction we attended that night?”

“Auction?” Mo Yesi thought for a while and nodded. “Mm, I remember. What about it?”

“Don’t you remember my brother having an ambiguous relationship with a pretty lady at the banquet that night? I feel like their relationship isn’t ordinary, especially the way my brother looks at that lady. I feel like they must have a story.”

Mo Yesi raised an eyebrow. “So?”

“I heard from my brother that the girlfriend he brought back this time isn’t the girl from that night.”

“I roughly understand.” Mo Yesi smiled. “You think that the girlfriend your brother brought back this time might not be what he really likes? And that the woman from the auction is the one he really likes?”

Qiao Mianmian pursed her lips and nodded. “Yes.”

Why did she think so?

It was probably a woman’s intuition.

Most of the time, a woman’s intuition was very accurate.

“Baby, how many men and women do you think will end up together just because they like each other? Or how many men and women get married and start a family because they love each other?” Mo Yesi asked with a smile.

“Mm?” Stunned, Qiao Mianmian thought for a while before shaking her head and replying, “I don’t know. But I’ve seen some statistics before. It seems like... the proportion of people who get married because they love each other is small.

“Most of them are suitable for each other.”

“Mm, that’s true.” Mo Yesi analyzed it for her. “Let’s not talk about other things. In our circle, we value the benefits of being compatible and powerful. Very few people pursue so-called love.

“Even if they do, the elders won’t agree if they aren’t from the same family circle.

“No matter how much they love each other, one of them will eventually compromise.”

Stunned for a few more seconds, Qiao Mianmian looked up at him and blinked. “But we and Luo Luo and Big Brother aren’t together for benefits.”

“That’s because Big Brother and I don’t have to rely on our family to live. So, we can consider the opinions of the elders, but we don’t have to listen to them. They can’t control what Big Brother and I want to do.

“So, we can do whatever we want.

“But such a situation is rare. Most people’s marriage matters still have to be arranged by the family. Do you think Shaoqing is very free, easygoing, and playing all day? But he can’t decide on his marriage unless he abandons his current identity, discarding the superior life his family gives him.”

Qiao Mianmian bit her lip. “But I think Big Brother can make his own decisions. Moreover, Mom and Dad aren’t picky people. They don’t have to be compatible.”

“Your brother can indeed decide his own marriage.” Mo Yesi agreed with her, but then added, “But the person he wants to marry might not be willing to marry him..”

Chapter 2919: Very Thick-Skinned

“Baby.” Mo Yesi paused and rubbed Qiao Mianmian’s head. “Not everyone can be as lucky as us. Your brother is already 30. He’s a mature man. No matter what his choice is, you don’t have to worry about him.

“It doesn’t matter whether he likes his girlfriend or not. We’d better not interfere in other people’s feelings.” Mo Yesi then rubbed her nose affectionately. “If you have the time and energy, you can focus on your husband. Why don’t you care about me? Mm?”

Qiao Mianmian was speechless.

She was amused by his slightly bitter tone. “How do I not care about you? You’re jealous of Chen Chen and Luoli, and now you’re even jealous of my brother. Mo Yesi, I have to worry about something now.”

The man’s eyes were filled with affection. “What are you worried about?”

Qiao Mianmian poked his handsome face. “If we have a baby, you wouldn’t be jealous of the baby, right?”

She felt that it was entirely possible.

‘Mo Yesi was a possessive man. There was nothing he couldn’t do.

He was urging her to have a baby every day. When the baby was born, her focus would definitely be on the baby for the near future, and she would inevitably neglect him.

Was he someone who could bear the cold shoulder?

“Of course not.” The man immediately said, “How could I be jealous of my baby? When we have a baby, I’ll take good care of him with you.”

Qiao Mianmian was skeptical.

“Anyway, you’re the one who insisted on having a baby. Don’t complain that I only care about the baby and don’t care about you.” Qiao Mianmian made things clear first, in case someone got amnesia and forgot what she’d said.

Mo Yesi was a man of his word, but he was very thick-skinned.

It was normal to deny what he’d said.

“Alright.” Mo Yesi pulled her into his arms and planted a loving kiss on her pink lips. “I was the one who insisted on a baby. When the time comes, my main task is to take good care of you and the baby. I won’t say anything else.”

“Hmph, remember what you said.” Qiao Mianmian poked his chest again.

The man grabbed her hand and kissed it. “Alright, I’ll remember.”

At the Bai residence.

“Master, Young Master. Miss and Young Master are back.”

The housemaid quickly walked into the living room and reported with a smile.

Then, Mo Yesi walked over with Qiao Mianmian.

Father Bai and Bai Yusheng were talking in the living room. Not seeing Mother Bai, Qiao Mianmian thought that she should be busy in the kitchen.

She looked around the hall. Besides Mother Bai, another person was missing.

She didn’t see Bai Yusheng’s girlfriend.

“Dad, Brother.” Qiao Mianmian called out first.

Mo Yesi also greeted Father Bai. “Dad.”

Father Bai smiled and gestured for them to come over. “Come and sit. Yusheng and I were just talking about when you guys would arrive, and now here you are..”

Chapter 2920: What’s There to Be Curious About?

Bai Yusheng also greeted her. “I just asked someone to bring out the pastries from the kitchen. They’re still hot, and they’re all your favorite. Come and have a taste.”

Qiao Mianmian took Mo Yesi’s arm and sat down opposite them.

‘There were five to six plates of pastries on the white coffee table. The plates looked very exquisite, and the pastries were indeed all her favorites.

She picked up a pastry from the nearest plate and took a small bite. Then, she looked up and smiled.

“Mmm, it’s pretty good.”

“We’re going to eat dinner soon, don’t eat too much,” reminded Bai Yusheng, afraid that she would be greedy.

Qiao Mianmian nodded and took another bite. After a while, after still not seeing the person she was curious about, she asked, “Brother, where’s my future sister-in-law? Why don’t I see her?”

“Oh, she’s in the kitchen.” At the mention of his girlfriend, Bai Yusheng’s eyes were filled with a faint smile, without much emotion. “She went to help Mom.”

Qiao Mianmian looked towards the kitchen.

So, that was the reason. No wonder she didn’t see anyone.

“Then, I’ll go to the kitchen and take a look.” Qiao Mianmian was really curious about her future sister-in-law and couldn’t wait to see her.

She let go of Mo Yesi’s hand and stood up. “My future sister-in-law is working for Mom. It’s not good for me as a daughter to just wait here and not do anything. You guys chat, I’ll go take a look.”

With that, she headed for the kitchen.

Mo Yesi glanced at Bai Yusheng and smiled. “She’s very curious about her future sister-in-law. She can’t wait to see her.”

Bai Yusheng said lightly, “What’s there to be curious about? She’s not some mysterious person.”

His tone and expression were very calm. One couldn’t tell if he was in love from his face.

It was as if he was mentioning a passer-by when he mentioned his girlfriend whom he had just brought home to meet his family.

This attitude piqued Mo Yesi’s interest.

His thin lips curved up, and he said with a thought-provoking tone, “I remember you said that you were a celibate in the past. Mianmian said that the woman you brought back was the one you planned to marry.

“I’m a little curious about what kind of person could make you start thinking of getting married.”

Bai Yusheng looked at him strangely with his pitch-black eyes. After a few seconds, he said lightly, “You don’t have to be curious. You know her, too.”

“I know her, too?” Mo Yesi raised his brows. He was really interested now. “I really want to know who she is now.”

Bai Yusheng’s eyes flashed, and he said in a strange tone, “Yes, you do know each other.”

Qiao Mianmian walked into the kitchen and saw Mother Bai cooking. A tall, slender, and fair woman stood beside her.

“The woman was wearing a white dress with stilettos. One could tell from her back that she had a good figure and aura.

Was this her future sister-in-law?

Even though she didn't see her face, she could tell from her back that she was a beauty.

It was obvious when she thought about it. Bai Yusheng had such high standards. For him to bring her home, she must be pretty good-looking.

One was cooking while the other was focused on learning to cook.

Neither of them noticed when Qiao Mianmian walked over.

"Mom."
