

Big Shot 2921

Chapter 2921: Tang Ya Is a Big Problem

“Mon, it’s not like I’m tasting your food for the first time. There’s nothing bad about your dishes.” Qiao Mianmian turned to look at her future sister-in-law.

The smile on her face froze when she saw the woman beside Mother Bai.

Even her expression froze.

Her eyes widened in shock.

How could it be her!

“Miss Qiao, I trust you have been well since we last met.” Tang Ya smiled as she looked at Qiao Mianmian in disbelief. “Long time no see. Miss Qiao, you’re getting prettier.”

“Eh, Xiao Ya, you know Mianmian?” Mother Bai was shocked.

“Yes, Aunt. I’ve met Miss Qiao a few times before.” Tang Ya turned around and said gently to Mother Bai, “But we’ve only met a few times, so we’re not very familiar with each other.”

“I see.” Mother Bai didn’t feel that the atmosphere was different. Instead, she said happily, “Since you know each other, then I don’t have to introduce you again. Xiao Ya, you’re dating Yusheng, and Mianmian is Yusheng’s sister. Don’t call her Miss Qiao anymore. It’s so distant.

“Call her Mianmian, just like us.”

‘Tang Ya pursed her lips and said obediently, “Alright.”

Qiao Mianmian was still in a daze.

She was too shocked.

No matter how she thought about it, she couldn’t believe that Bai Yusheng’s girlfriend was Tang Ya.

How could his girlfriend be Tang Ya?

It wasn’t because Tang Ya had targeted the Mo Corporation previously that Qiao Mianmian felt that Bai Yusheng shouldn’t have looked for her, but Tang Ya was a problem!

‘They hadn’t found out who she was yet.

She didn’t know why Tang Ya came to Yuncheng City.

What if she wasn’t here just to deal with the Mo Corporation?

She was on good terms with Madam Mo, and now she was Bai Yusheng’s girlfriend.

Qiao Mianmian couldn’t help but suspect that she had ulterior motives.

“Mianmian, what’s wrong? Are you feeling unwell?” Mother Bai finally noticed her abnormality and asked with concern.

“No, I’m alright.” Qiao Mianmian shook her head and concealed her surprise and worry. She pursed her lips and smiled as if nothing had happened. “I just feel that the world is too small. I didn’t expect Brother’s girlfriend... to be someone I’ve met before.”

“So, this is fate.” Mother Bai didn’t know what Tang Ya had done before. She was very satisfied with her. She held Tang Ya’s hand and said smilingly, “This means that Xiao Ya and Yusheng are fated.”

Qiao Mianmian came out of the kitchen with a serious expression.

She walked straight to Bai Yusheng. “Brother, I have something to talk to you about alone. Come over.”

With that, she turned and walked upstairs.

Bai Yusheng slowly stood up.

In the study upstairs.

Qiao Mianmian had just entered the study when Bai Yusheng followed behind.

The door closed.

Bai Yusheng smiled and walked towards her. “Mianmian, what do you want to tell me? You’re being so secretive.”

“What’s with that Tang Ya?” Qiao Mianmian didn’t beat around the bush and asked directly. “Don’t you know that she and the Shen family worked together to deal with the Mo Corporation? Her identity is very suspicious, she’s definitely not a simple person.

“She came to Yuncheng City with a motive.”

Chapter 2922: Mianmian, Did You Forget My Profession?

“This woman’s identity is very suspicious. Ah Si got someone to investigate her, but they haven’t found out everything yet. Brother, I’m not objecting to you dating her, but I think you’ll be in danger if she’s with you for some reason.”

“So you called me here alone because of this.” Bai Yusheng slowly walked to the redwood sofa and sat down. He looked up at Qiao Mianmian with a smile. “I know all that you’re talking about.”

Qiao Mianmian was stunned and confused. “You knew? Then why did you...”

“She’s trying to get close to me on purpose.” Bai Yusheng gestured for her to calm down. “I’m only going out with her to beat her at her own game. I want to see what she wants by getting close to me.”

Qiao Mianmian was stunned again. “Then, you’re not really dating her?”

“Of course not.” Bai Yusheng curled his lips. “She first got close to the Mo Family, then the Shen Family, and now she has her eyes on our Bai Family. No matter what her motive is, it’s definitely not something good.

“It’ll be more convenient for me to investigate her if I become her boyfriend.”

Qiao Mianmian did not expect this.

She thought Bai Yusheng was clueless, or he was really mesmerized by Tang Ya.

However, it seemed like that was not the case at all.

“Brother, how did you find out that she was trying to get close to you?” Qiao Mianmian was relieved that Bai Yusheng was not really dating Tang Ya, but she started worrying about something else.

If Tang Ya intentionally got close to Bai Yusheng, then what did she want?

She had her eyes on all the big families in Yuncheng.

Was she onto the Bai family now?

“Mianmian, did you forget my profession?” Bai Yusheng squinted his eyes, which were filled with coldness. “No matter how good your acting skills are, people can always see that you’re doing it on purpose if you’re always acting.

“She pretended to meet me a few times, but she either bumped into me by accident or dropped something in front of me. How can there be so many coincidences in the world?”

“That’s why I agreed when she proposed to treat me to a meal as an excuse. That was all that happened after that. I treated her a few more times before she treated me again.

“I thought the time was right, so I suggested dating her. She agreed.”

Qiao Mianmian was speechless.

After hearing the story, she was curious about something else.

“Then, brother... have you ever done what a real couple would do?”

“What a real couple would do?” Bai Yusheng’s lips twitched as he smiled sinisterly. “You’re actually asking if we’ve progressed to that stage, right?”

Qiao Mianmian was speechless.

There was no need to be so straightforward.

However, she was really curious about this.

After all, Tang Ya was a very charismatic woman. She wanted to know if Bai Yusheng could remain rational and clear-headed when facing her charms.

“Of course not.” Bai Yusheng stared at her in amusement. “To be honest, she’s quite pretty and has a good figure. I might not be able to reject her if she wants to sleep with me. Anyway, I won’t be at a disadvantage in this kind of thing.”

Qiao Mianmian was speechless.

Where are your morals?

“But she’s not interested in me. Even though we’re dating, I haven’t even touched her hand..”

Chapter 2923: Does Tang Ya Still Want to Deal With the Mo Family?

Qiao Mianmian was speechless.

What kind of relationship was this?

But whether it was Bai Yusheng or Tang Ya, they didn't really want to date each other. They both had their motives, so they didn't want to have any intimate contact with each other.

"Then, did you discover her motive?" Qiao Mianmian asked.

"Not yet. But there's one thing I can be sure of."

"What?"

"Whether she's working with the Shen family or trying to get close to me, her ultimate goal is the Mo family."

Qiao Mianmian's expression changed slightly. "You're saying that Tang Ya still wants to deal with the Mo family?"

"Mim." Bai Yusheng shared his analysis. "The Shen family is no longer able to hold on, and it's useless to her. Her main force isn't in Yuncheng City. If she wants to deal with the Mo family, she has to find another powerful partner."

"So, she has set her eyes on the Bai family? But if she wants to deal with the Mo family, the Bai family can't possibly work with her."

Bai Yusheng nodded. "You're right. So, I don't know what her motive is now. But what I'm sure of is that she really wants to deal with the Mo family. Getting close to me might be because the Bai and Mo families are in-laws now. If she can enter the Bai family, it'll be much easier to handle many things."

"But..." Bai Yusheng looked at her worried expression and slowly walked towards her. He patted her head and said gently, "You don't have to worry about this. No matter what her motive is, she won't succeed."

"With Ah Si and me around, we won't let her hurt anyone."

Qiao Mianmian and Bai Yusheng went back downstairs and saw the housemaid walking towards them. She said respectfully, "Young Master, Miss. Madam said that dinner is ready. She asked me to call Young Master and Miss over."

Bai Yusheng nodded and turned to Qiao Mianmian. "Let's go and eat first. We can talk after dinner."

When they got to the dining table, besides them, everyone else was already sitting at the table.

Tang Ya was sitting beside Mother Bai, and Mother Bai was holding her hand and talking to her. She had her head lowered slightly and she was smiling politely as if she was listening attentively.

"Mom, what are you and Xiao Ya talking about? You look so happy." Bai Yusheng stuffed his hands in his pockets and sat down beside Tang Ya.

Tang Ya turned around and smiled at him. "It's nothing. I'm just telling Aunt some interesting things about my vacation. Aunt found it fun and told me that she wants to go, too."

“Yes, what Xiao Ya said was very interesting, I’m tempted. Do you know, Xiao Ya told me that she has been to dozens of countries, and she went alone? Xiao Ya is really amazing.

“If it was me, I’d definitely lose myself in a place where I’m unfamiliar with people and places, not to mention the language barrier. Moreover, Xiao Ya knows several languages. How can a young girl like her know everything?”

Mother Bai was obviously very satisfied with Tang Ya and kept praising her.

Qiao Mianmian wasn’t surprised that she liked her.

If Tang Ya could make Madam Mo like her quickly, she could make Mother Bai like her too.

“Aunt, I’m not as good as you make me out to be. In terms of the places I’ve been to, I’m sure Mr. Mo has been to more places than me. In terms of language, Mr. Mo has definitely surpassed me..”

Chapter 2924: She Can Do Whatever She Wants

Tang Ya then glanced at Mo Yesi.

Her words expressed her admiration for him.

Her son-in-law was excellent, which meant that her daughter had good taste and married well. Hearing this, Mother Bai smiled in satisfaction. “Yesi is good, you’re good too. You’re both very outstanding people.”

Tang Ya also smiled. “Mianmian is also very outstanding. She’s already a popular star in the new generation at such a young age. I’ve seen the television drama that Mianmian acted in, she did very well. She’s very talented in acting.”

“Both of you are very outstanding and have your own strengths.” In Mother Bai’s heart, her daughter was naturally the best. She praised Qiao Mianmian generously. “Mianmian is indeed very talented in acting, Her brother also said that she’s very suitable as an actress.

“This child sings pretty well, too. She casually recorded two songs and even won an award. Originally, your uncle and I wanted her to work at the Bai Corporation, but she only likes acting and is unwilling to go to the company. Of course, we won’t force her. Everything is up to her.

“It doesn’t matter if she likes acting or singing, as long as she’s happy. In the future, if she’s sick of acting, she can do whatever she wants. Anyway, our family doesn’t lack anything, so we’ll do whatever makes us happy.”

Another meaning behind Mother Bai’s words was that the Bai family did not lack money.

So, her daughter could do whatever she wanted.

Her thinking was different from Madam Mo’s.

If it were Madam Mo, she would think that it was a disgrace for her daughter-in-law to go into the entertainment industry.

Because Madam Mo despised the entertainment industry.

Even if she won the Best Actress Award, she was just a high-end actress in Madam Mo's eyes.

The Bai family was also a top-notch family that had existed for several generations.

Even though Mother Bai did not think the entertainment industry was a good place, she did not discriminate against professionals.

As long as it was not something illegal like murder or arson, Mother Bai felt that it was nothing worth arguing over.

Besides, her children were both in the entertainment industry. One was a director and the other an actress. She wouldn't discriminate against the entertainment industry.

"Mom, don't flatter me." Qiao Mianmian sat down on the other seat next to her and said shyly, "There are many people better than me, and my results aren't even good enough. Even if you think your daughter is the best in the world, you should be more modest in front of so many people."

"Okay, okay." Mother Bai looked at her daughter dotingly. "I won't speak anymore. Anyway, I think my daughter is the best."

"Let's eat." As the head of the family, Father Bai put food into Mother Bai's bowl. "Mianmian and Xiao Ya must be hungry. Well talk later."

"Yes, yes, yes. Let's eat." Mother Bai smiled at Tang Ya and said lovingly, "I made some of my signature dishes today. Xiao Ya, have a taste."

"Yusheng said that you don't have any taboos, so I don't know if these dishes are to your liking. If you find anything you don't like, just tell me. I won't cook it next time."

Tang Ya picked up her chopsticks and said obediently, "Aunt, you're such a good cook. I think every dish is delicious. I think the dishes on the table are all very good. Aunt has put in a lot of effort to make this meal. Thank you.."

Chapter 2925: Half-Sister

She had a sweet mouth. Mother Bai's eyes were smiling from her coaxing. She looked at her as if she was looking at her own daughter-in-law. "Xiao Ya, this mouth of yours really knows how to make people happy. It's Yusheng's fortune to be able to find you. I hope he's more blessed, and I hope our Bai family's fortune can be greater too. Such a good daughter-in-law, I don't want to benefit others."

Madam Bai was obviously hoping that Tang Ya would marry into the Bai family.

She didn't hide her love and recognition for her.

Tang Ya blushed and kept quiet.

Bai Yusheng and Mo Yesi's expressions were unreadable.

As for Qiao Mianmian, she didn't feel jealous when she saw how much Mother Bai liked Tang Ya. Instead, she felt sorry for her.

If Mother Bai found out that Tang Ya was dating Bai Yusheng with ulterior motives, their relationship would be doomed. Mother Bai would become unhappy.

After dinner, Qiao Mianmian and Mo Yesi left.

“Brother said that Tang Ya is dating him with a motive. What do you think Tang Ya’s motive is? Haven’t you found out why she’s targeting the Mo family yet?” Qiao Mianmian asked after leaving the Bai residence.

Although Bai Yusheng told her not to worry, Qiao Mianmian was still anxious.

Tang Ya wanted to get close to her family.

How could she not be worried before she figured out what the other party wanted?

Now, Tang Ya was like a dangerous time bomb.

It was still uncertain when it would explode.

It was precisely because of this that Qiao Mianmian was worried about Tang Ya.

Mo Yesi retracted his gaze from the window and said after a few seconds of silence, “There’s an answer to this. Perhaps it has something to do with her mother.”

“Her mother?” Qiao Mianmian was stunned. “What feud does her mother have with the Mo family?”

Mo Yesi narrowed his eyes. After a while, he said in a strange tone, “To be precise, I have some grudges with Dad.”

“Dad?” Qiao Mianmian was stunned again.

“Mm, it’s more like a relationship.”

Qiao Mianmian’s eyes widened.

“Moreover, if I’m not wrong, Tang Ya... might be my sister.”

Qiao Mianmian was shocked.

She thought she’d heard wrong.

Tang Ya was Mo Yesi’s... sister?

Madam Mo only gave birth to Mo Yesi and Mo Shixiu.

If Tang Ya was Mo Yesi’s sister, was she Mo Yuncher’s... illegitimate daughter?

She was really shocked. Afraid that she’d misunderstood, she asked, “Is it the kind of sister that’s related by blood?”

She could be a cousin or something.

So, it might not be what she thought.

“No.” Mo Yesi turned to look at her. “My half-sister.”

Qiao Mianmian was stunned. "Sister from a different mother? Doesn't that mean..."

Mo Yunchen had cheated on his wife?

Otherwise, how could Mo Yesi have a half-sister?

But Mo Yunchen clearly doted on Madam Mo.

Even she could tell that Mo Yunchen really treated Madam Mo well and liked her.

Even if Qiao Mianmian didn't like Madam Mo, she felt that Mo Yunchen had let Madam Mo down..

Chapter 2926: Tang Ya's Mother

"Yes, Dad cheated on her. However, he didn't do it on his own accord. Mom knew about this back then. She also knew that Dad didn't really betray her, so she forgave him."

"Didn't he take the initiative to cheat on her?" Qiao Mianmian had been betrayed by Su Ze before, so she was very sensitive when it came to men cheating on their partners. She frowned and said, "Cheating is cheating."

To her, betrayal was betrayal.

Su Ze had explained to her before that Qiao Anxin had taken the initiative to seduce him, not the other way around.

However, to Qiao Mianmian, the process was not important. What was important was that if a man did not have the heart, he wouldn't be unable to resist the temptation even if a woman tried to seduce him.

After all, if the man was unwilling, the woman couldn't force him either.

"Baby, I'm not finding excuses for Dad. Don't get me wrong." Mo Yesi was afraid that his wife would overthink and think that he would become like this in the future, so he quickly clarified the matter.

"Didn't I tell you that Dad faced an assassination attempt before?"

"An assassination attempt?" Qiao Mianmian was shocked again.

"Mim." Mo Yesi nodded. "He went abroad to discuss a contract and was ambushed in a foreign country. Someone tampered with the car he was in, leading to a very serious car accident."

"Their car fell down the cliff and the driver died on the spot. Dad was a fortune-teller and was injured, but not fatal. You should have guessed what happened next."

"Someone saved him. That person is Tang Ya's mother.

"Dad had a short memory loss because of the car accident. He remembered no one during that time, including himself. Tang Ya's mother was a beautiful woman, gentle and considerate. Dad and she inevitably fell in love during that period of memory loss.

"If Dad didn't recover his memory, they would probably be together forever. Because everyone in the country, including the Mo Family, thought that Dad was dead."

Qiao Mianmian roughly understood what was going on.

“So, Dad left Tang Ya’s mother after he recovered his memory? Was Tang Ya there, then?”

Mo Yesi shook his head. “No.”

“Dad didn’t know that Tang Ya’s mother was pregnant when he left. He tried to give her a lot of compensation, but she refused.

“After Dad returned to the country, Mom knew that he was not entirely to blame. Besides, Dad promised Mom that he would never see Tang Ya’s mother again, so Mom forgave him in the end.

“However, because Tang Ya’s mother did not ask for any compensation, Dad felt guilty towards her and went to see her secretly. However, when Dad returned to the place he used to live in, he was told that Tang Ya’s mother had already moved. She even left him a letter, as if she knew he would visit her.”

Qiao Mianmian asked curiously, “What did the letter say?”

“She told Dad not to look for her anymore. She never wanted to see Dad ever again. Dad never looked for her after he read that letter.”

Qiao Mianmian was silent for a while.

Although it couldn’t be said that Mo Yunchen had an affair intentionally, Tang Ya’s mother was innocent.

At this point, Qiao Mianmian felt some pity for Tang Ya’s mother.

She did nothing wrong, She just liked someone she shouldn’t have.

After Mo Yunchen recovered his memory, she didn’t pester him and left rather coolly.

Chapter 2927: Let Me Think About It

Besides, Madam Mo was not the only one hurt in this relationship. Tang Ya’s mother was also considered a victim.

“So, Dad didn’t know that she was already pregnant at that time. Then, does Tang Ya think that Dad has let her mother down, so she’s targeting the Mo Family and standing up for her?”

“Perhaps. She and her mother always relied on each other, so they have a good relationship. It’s not impossible.”

“What do you plan to do if Tang Ya is really your half-sister?” Qiao Mianmian asked.

Even if Mo Yesi had no feelings for his half-sister, she was still his blood-related sister.

It was impossible for him to deal with her like how he dealt with ordinary people.

However, Mo Yesi said coldly, “No matter who she is, I won’t be merciful if she attacks the Mo Family.

“The grudges of the previous generation have nothing to do with me. I only know that I will not forgive anyone who dares to hurt my family.”

So what if she was his biological sister?

“Should we let Dad know about this?” Qiao Mianmian thought for a while and expressed her opinion. “If Tang Ya is really his daughter, should we let him know about this? Besides, if Tang Ya is really targeting the Mo Family because of her mother, is there a misunderstanding? Only Dad knows clearly

what happened back then. Can we ask him?”

“I’m thinking about this, too.” Mo Yesi said after some thought, “Let me think about it.”

After recording “My Intern Parents”, Qiao Mianmian did not take on any other jobs for the time being and went on leave.

During this period, she would visit Jiang Luoli and her niece occasionally, go to Mo Yesi’s company to accompany him, or go back to the Bai residence to spend time with Mother Bai and Father Bai. Even though life seemed peaceful, time passed really quickly.

On this day, Qiao Mianmian made some pastries for Mo Yesi at home.

She had learned how to make pastries from Mother Bai, and she thought that they were pretty good after tasting them.

For the past few days, she sent Mo Yesi something every day.

Either she made the pastries, or she made the fruit juice herself. She didn’t know if Mo Yesi liked it or not, but he was very supportive every time. He ate everything she sent over.

His support made Qiao Mianmian’s afternoon tea even more enthusiastic.

She had been sending them for a week.

On the way to the Mo Corporation... Qiao Mianmian received a call.

It was a surprising call.

The person who called her was Madam Gong.

“Hello, Ms. Qiao. I’m Gong Zeli’s mother. Do you have time now? Is it convenient for you to meet me?”

“Madam Gong?” Qiao Mianmian was very surprised. “You want to see me? Is that something you can’t tell me over the phone?”

The other party was silent for a while before answering, “There are some things that I think we should talk about. Ms. Qiao, don’t worry. I’m trying to cause trouble for you. I just want to ask you for a favor.”

Qiao Mianmian agreed to see Madam Gong in the end.

Even though she didn’t know why Madam Gong was looking for her, she could guess that it had something to do with Gong Zeli.

Madam Gong arranged for them to meet at a high-end cafe, a good place for afternoon tea.

Half an hour later, Qiao Mianmian arrived at the agreed-upon location.

After she got off the car and walked into the cafe, a waiter came up to her. “Ms. Qiao, right? Madam Gong has booked a private room. Please follow me..”

Chapter 2928: He Will Listen to You

Qiao Mianmian thought that Madam Gong must have arranged for this waiter to wait for her at the door.

She nodded and followed the waiter to the private room.

A moment later.

“Madam Gong, Miss Qiao is here.”

The waiter led her to a private room and gently pushed the door open.

Qiao Mianmian walked in and thought that she would see a rich lady with exquisite clothes and makeup. She didn't expect Madam Gong to not only not have exquisite makeup on, but to also look tired.

Although she had makeup on, it was obvious that she hadn't dressed up.

She looked a little haggard.

“Miss Qiao, you're here. Please take a seat.” Madam Gong looked up. Her eyes were bloodshot, and there were faint black marks under her eyes. She looked like she hadn't rested well, and her voice was a little hoarse.

Qiao Mianmian sat down opposite her.

“Miss Qiao, what would you like to drink? Tea or coffee?” Madam Gong poured a cup of tea and handed it to her. “I don't know Miss Qiao's preferences, so I only ordered my usual tea. Miss Qiao, you don't mind, right?”

“Of course not, tea will do.” Qiao Mianmian took the teacup and placed it on the table. She thought for a while and asked directly, “I wonder why Madam Gong is looking for me?”

Madam Gong kept quiet for a while before pouring herself another cup of tea. She then sighed and said, “Miss Qiao is very smart. You must have guessed that I'm looking for you because of Zeli. Although I know that my request is a little difficult, I have no other choice now.

“Now, only Miss Qiao can help me.” As Madam Gong spoke, her eyes reddened and she choked. “Miss Qiao, can you help me persuade Zeli? He won't listen to anyone else, but I think he'll definitely listen to you.”

Qiao Mianmian frowned.

Madam Gong's words were a little inappropriate.

She was already married.

There were no outsiders around, but if there were, they would definitely overthink it.

They would think that her relationship with Gong Zeli was special.

She and Gong Zeli had already been involved in a few scandals, and the last one had even gone viral.

'When Qiao Mianmian spoke again, her tone was a little deeper. "Madam Gong, Gong Zeli is your son. If you can't persuade him, then how can I? If Madam Gong is looking for me because of this, I think you've got the wrong person."

"No, if Miss Qiao is willing to persuade him, it will definitely be useful." Madam Gong didn't know if she was afraid that Qiao Mianmian would reject her or for another reason, but she suddenly got agitated. "Zeli likes you, he'll listen to whatever you say."

"Miss Qiao, as long as you tell Zeli to come home and stop throwing a tantrum, he'll listen to you!"

Qiao Mianmian frowned even harder. She stood up and said, "Madam Gong, your son and I aren't even friends. The scandals you saw are all fake. He doesn't like me."

"I'm sorry, I can't agree to your request. I have something on, please excuse me."

With that, Qiao Mianmian turned around to leave.

"Miss Qiao, I'm begging you. Please help me." Seeing that she was about to leave, Madam Gong immediately got up and chased after her. She reached out to hold her and pleaded with a choked voice. "Zeli said that he wanted to cut off our mother-son relationship because of you. He even said that he wanted to break ties with the Gong family."

Chapter 2929: I'll Help You Call Him

"He's my only son, how could he really sever ties with me? But if he breaks ties with the family, what will happen to the Gong family? What will happen to the Gong family? Miss Qiao, just take pity on me as a mother and help me persuade him."

"I really have no other choice. He's unwilling to go home now, and he won't listen to anything I say. Miss Qiao, I really have no other choice but to look for you. As long as he can come back, I won't try to interfere in his life anymore."

"I don't care who he likes or doesn't like. Miss Qiao, please help me." Madam Gong cried sadly.

Qiao Mianmian stopped in her tracks and was a little shocked. "You're saying that Gong Zeli wants to break off his mother-son relationship with you? He wants to break off his relationship with the Gong family?"

Madam Gong was crying and didn't have her usual elegance and composure. She was just a pitiful mother worried about losing her son.

She rubbed her swollen eyes and sobbed. "That day, because of your scandal, I asked him a few questions when he came home, and then I said some words in anger. I didn't expect him to take those words for real and refuse to go home anymore."

"Zeli is a stubborn child. If he really makes up his mind, I won't be able to control him. Miss Qiao, I know my request is a little presumptuous, but I really have no choice. You don't have to meet Zeli, just give him a call and tell him to go home, alright?"

Qiao Mianmian wanted to reject her.

This was the Gong family's business, it had nothing to do with her.

Even if Gong Zeli really had an argument with Madam Gong because of her, it had nothing to do with her.

But seeing how upset Madam Gong was, she couldn't bring herself to reject her.

Gong Zeli had helped her a few times before, so this time... she should repay him.

Although this favor was being returned through Madam Gong.

After a moment of silence, Qiao Mianmian nodded. "Alright, I'll help you call him. As for whether he'll listen to me, I can't promise anything."

"He'll definitely listen to you." Madam Gong's face lit up when she heard that. She quickly dialed Gong Zeli's number as if she was afraid that Qiao Mianmian would regret it.

A minute later.

'Madam Gong's expression was a little awful. "Zeli won't answer my call. Miss Qiao, can you call him with your cell phone?"

Qiao Mianmian quietly took out her cell phone.

Before dialing, she said, "Give me his cell phone number."

Madam Gong looked at her in surprise.

Although Qiao Mianmian said that she wasn't familiar with Gong Zeli and they weren't even friends, Madam Gong actually didn't believe her.

She thought Qiao Mianmian was lying to her.

If they weren't even close, how could her son stand up for her again and again?

But seeing that Qiao Mianmian didn't even have Gong Zeli's number, she finally believed her.

Her son's love was one-sided.

Qiao Mianmian wasn't interested in her son at all.

Madam Gong's emotions became complex as she passed her the phone number with a complicated expression.

Qiao Mianmian called Gong Zeli.

Having not picked up Madam Gong's call previously, he picked it up in seconds now.

Even Qiao Mianmian's expression became complicated.

Chapter 2930: Overwhelmed

"Qiao Mianmian, is it... you? Why are you calling me?" It was as if he couldn't believe that Qiao Mianmian was the one calling him. Gong Zeli was silent for a while before asking.

Because he wasn't sure, even his words were hesitant.

He sounded so flattered.

Qiao Mianmian looked at Madam Gong and said, "Mm, it's me."

"It's really you. I thought I was wrong." Gong Zeli kept quiet for a few more seconds. His voice was soft as if he was afraid of scaring her. "Then, why did you call me? If you need my help, just tell me."

Qiao Mianmian was speechless.

This was why she wanted to keep a distance from him.

It wasn't like she couldn't tell Gong Zeli's feelings for her.

It was precisely because she could that she didn't want to interact too much with him.

Firstly, Mo Yesi minded it.

Secondly, she minded it too.

She knew very well that if she couldn't give him what he wanted, then she shouldn't let him feel that there was a chance.

"Gong Zeli, did you have a conflict with your mother?" Qiao Mianmian didn't want him to misunderstand and directly explained the reason for her call. "Your mother asked to meet me. She hopes you can go home."

"My mom looked for you?" Gong Zeli's voice turned cold. "She just called me, but I didn't pick up. So, you're still together?"

"Mm." Qiao Mianmian whispered, "Madam Gong is right beside me."

Hearing that Madam Gong was standing right beside her, Gong Zeli's voice tensed up. "She didn't make things difficult for you, right? Did she say anything nasty to you? No matter what she said, don't take it to heart. Don't take it seriously. She might have some misunderstanding about what happened between us, so..."

"No, you misunderstood." Qiao Mianmian interrupted him. "Madam Gong didn't make things difficult for me. She just wanted me to call you and persuade you to go home."

"That's all?"

"Mm, that's all."

"I'm sorry, this is the Gong family's business. You shouldn't be involved."

"This is indeed your Gong family's business, it has nothing to do with me." Qiao Mianmian deliberately sounded distant. "But Madam Gong is very upset, and she really hopes that you can go back home. She said that you two had some conflict previously, and she said some things out of anger."

"She regrets it now. As long as you can go back home, she won't interfere in your matters anymore."

Gong Zeli was silent for a while. "You mean, you want me to go home, right?"

Qiao Mianmian frowned and corrected him. "It's not me, it's Madam Gong. I'm just helping her relay the message. As for how you decide, it's your own business. I have no right to interfere."

Madam Gong panicked when she heard that.

"Miss Qiao, you have to help me persuade him. You can't say that." Madam Gong was anxious. "What if he doesn't come back?"

Gong Zeli heard her voice and said to Qiao Mianmian in a low voice, "Mom is right beside you, right? Give her the cell phone, I'll talk to her."

"Oh, alright." Qiao Mianmian immediately handed the cell phone to Madam Gong.
