

## Big Shot 2931

### Chapter 2931: Relating the Gong and Mo Families

Madam Gong hesitated for a few seconds before taking the phone.

A moment later, she hung up happily.

“Miss Qjao, thank you so much.” Madam Gong turned to Qiao Mianmian and said gratefully, “Zeli is willing to go home. It’s all thanks to Miss QNao for persuading him. Otherwise, I really don’t know what to do.

“Miss Qjao, you’ve helped me so much. How should I thank you?”

“I didn’t do anything.” Hearing that Gong Zeli was willing to go home, Qjao Mianmian didn’t intend to stay for afternoon tea with Madam Gong anymore.

She said directly, “Since Madam Gong’s matter is settled, I can leave too.”

Qjao Mianmian was telling the truth.

She didn’t say anything to Gong Zeli.

She just conveyed Madam Gong’s message.

She couldn’t persuade him.

Hence, she didn’t think it was her credit.

But Madam Gong insisted on putting the credit on her. She refused to let her leave. “Miss Qjao, is there anything urgent? If not, can you stay and talk to me?”

“I feel like Miss Qjao has a special affinity with me. I want to talk to you more.”

Qjao Mianmian was speechless.

She didn’t feel that she had an affinity with Madam Gong.

She didn’t want to stay any longer.

She felt that she had nothing to say to Madam Gong.

“Is there anything else, Madam Gong?” Qjao Mianmian asked.

“Speaking of which, there’s something.” Madam Gong looked up at her and seemed to have something to say.

Qjao Mianmian waited for a while, but Madam Gong still didn’t say anything, so she simply asked, “Madam Gong, if you have something to say, just say it. If Madam Gong doesn’t think it’s suitable to say it now, then perhaps another

day.”

“Don’t..”

Hearing that, Madam Gong quickly said, “Miss Qiao, what I want to say is actually related to the Gong and Mo families. I believe Miss Qiao knows about the current relationship between the two families. The Gong and Mo families were originally aristocratic families, and Zeli and Yesi were very good friends. But because of some misunderstandings, the relationship between the two families has deteriorated.”

Madam Gong deliberately paused and looked at Qjao Mianmian’s expression before continuing slowly, “I heard that this misunderstanding is related to Miss Qjao. If Zeli is in the wrong, I’ll apologize on his behalf.

“I hope that Miss Qjao can help persuade Yesi. Everyone knows that Yesi cares a lot about Miss Qjao, so he’ll definitely take your words seriously. I’m really afraid that the two of them will become enemies at this rate. This isn’t good for the two families.

“If Miss Qjao can play a role in this and restore families’ relationship, I’ll definitely thank Miss Qjao.”

So, Madam Gong wanted to restore the relationship between the Gong and Mo families

This was indeed related to her.

Qiao Mianmian also felt that it would be a pity if Gong Zeli and Mo Yesi became strangers.

They had been friends for many years.

If it wasn’t for her..

The two families would probably still have a good relationship now, and Gong Zeli and Mo Yesi would still also be good friends.

Back then, it was because of her that they broke off their friendship. Qiao Mianmian had always blamed herself.

Hence, Qjao Mianmian didn’t reject Madam Gong’s request..

## Chapter 2932: Regretting Telling Mo Yesi the Truth

‘When Qiao Mianmian arrived at the Mo Corporation, Mo Yesi was in a meeting.

She played two games and was about to play the third one when Mo Yesi returned to the office.

“I made green bean cake and red bean cake for you today. I know you don’t like sweet things, so I only added a little sugar. I made soup with the remaining green beans and red beans with ice. I placed them on your desk. Try them and see how they taste.”

Qiao Mianmian exited the game and walked towards Mo Yesi.

‘The man reached out and pulled her into his arms. “How long have you been here?”

“Not too long, about half an hour.”

“I heard you took a call halfway and went to see someone.” Mo Yesi sat down with her in his arms and placed his hand on her slender waist.

Qiao Mianmian knew that the chauffeur would definitely tell him about this, so she didn’t hide it and nodded. “Mm, I went to see Madam Gong.”

As soon as she said that, she felt the man’s arm tighten around her waist. Qiao Mianmian looked down and saw Mo Yesi’s deep eyes staring at her.

He didn’t say anything, but the way he looked at her gave her goosebumps.

“Don’t look at me like that.” Qiao Mianmian reached out to cover his eyes. “You’re looking at me like I’ve done something wrong. Can’t I see Madam Gong?”

“Of course, I don’t mean to blame you.” Mo Yesi grabbed her hand and squeezed it. “What did she say to you?”

Qiao Mianmian kept quiet.

She felt that it wasn’t a big deal for her to meet Madam Gong.

Mo Yesi wouldn’t be angry with her because of this.

But he would probably mind what she said next.

He was upset every time Gong Zeli was involved.

“Mm? What did she say? Why aren’t you saying anything?” Mo Yesi pinched her waist again and smiled.

“She couldn’t have called you just to chitchat. Let me guess, did she look for you because of Gong Zeli?”

“Mm, you’re right.” Glancing at him and seeing that his expression was normal, Qiao Mianmian then continued, “She said that she had a conflict with Gong Zeli, and he wanted to break off his relationship with the Gong family. Moreover, he hasn’t returned home for a long time.”

“So, she asked to persuade him to go home?” Mo Yesi sneered.

Qiao Mianmian was speechless.

She knew it!

That was why she didn't want to say it.

She glanced at his expression again and saw that the word "unhappy" was written on his handsome face. Moreover, it wasn't ordinary unhappiness. He looked very unhappy.

She nodded. "Mm, that's it."

His cold gaze landed on her, and his voice also cooled. "You persuaded him?"

Qiao Mianmian couldn't lie, so she nodded.

She felt as if the temperature around her had dropped by at least 10 degrees. A certain someone immediately turned into a super cold machine and emitted cold air towards her.

"What did he do?" When Mo Yesi said the word "he", it was especially cold.

Qiao Mianmian was speechless.

She regretted telling Mo Yesi the truth..

### **Chapter 2933: A Call From the Mo Residence**

She knew that he was jealous.

She knew that he got upset every time Gong Zeli was mentioned.

Why did she have to be honest with him?

Couldn't she lie to him?

He couldn't really ask Madam Gong, anyway.

"He and Madam Gong were just angry at each other. I called him to give him a way out." Qiao Mianmian glanced at Mo Yesi's expression and deliberated over her words. "I just conveyed Madam Gong's intention. It was Madam Gong who spoke to him."

This meant that Gong Zeli agreeing to go back had nothing to do with her.

It wasn't because of her. Hence, she hoped that a certain jealous lover wouldn't get jealous again.

"That's all?"

She didn't know if Mo Yesi believed her, but she could tell from his tone.

As for his expression, it seemed a little better than before.

"Yes." Qiao Mianmian quickly nodded. "That's all. I only spoke less than five sentences to him."

“Hmph, forget it this time.” “The man snorted and pinched her slender waist again. “In the future, don’t get involved in his matters. Moreover, this is an internal matter of the Gong family, it has nothing to do with you.

“Whatever happens between them has nothing to do with you. If something like this happens again, don’t bother about it.”

“Mm, I won’t bother about it in the future.” Qiao Mianmian was like an obedient child. She listened to whatever Mo Yesi said. “I couldn’t bear to see Madam Gong cry so sadly this time.

“But you’re right. This is between mother and son, it has nothing to do with Anyway, I won’t interfere in other people’s business anymore.”

At least, she wouldn’t bother about Gong Zeli anymore

Although she and Gong Zeli were innocent, since Mo Yesi minded it, shed better keep a distance.

After all, family harmo was more important than anything else.

Her husband was the most important.

Seeing that her attitude was very good, Mo Yesi finally didn’t continue to be cold towards her. His stern face also eased up a lot, and his thin lips curled up slightly. “Mm, Baby, good.”

Qiao Mianmian heaved a sigh of relief.

She wrapped her arms around the man’s neck and said coquettishly, “You haven’t tried the pastries I made. Try them and see if they taste good. I spent two whole hours making them. It was tiring”

“Alright.”

Mo Yesi let go of her and opened the lunchbox, taking out a green bean cake.

The lunchbox was heat-insulated, so the green bean cake was still warm.

Under Qiao Mianmian’s expectant gaze, Mo Yesi took a bite of the cake.

“How is it, is it good?” Qiao Mianmian blinked and waited for his comment.

“Mm.” Mo Yesi swallowed the food and smiled. “The sweetness is just right, not

bad.”

Qiao Mianmian was instantly happy. “I know you don’t like it too sweet, so I added just a little sugar. I didn’t want to add any sugar at first, but I felt that it wouldn’t taste good if I didn’t add any sugar at all.”

Mo Yesi had eaten all sorts of delicacies, so Qiao Mianmian’s culinary skills naturally couldn’t compare to those chefs who had served him before.

But he felt that his wife’s pastries were the best in the world.

After Mo Yesi got off work, Qiao Mianmian was discussing with him what to eat for dinner when someone from the Mo Residence called.

It was Uncle Zhang.

Qiao Mianmian watched as Mo Yesi picked up the call.

#### **Chapter 2934: Don’t Dare to Think Further**

Qiao Mianmian could feel waves of anger coming off him.

A moment later, Mo Yesi hung up.

“What happened?” Qiao Mianmian looked at his expression and had a bad feeling.

Mo Yesi pursed his lips and looked at her coldly. After a few seconds, he said, “Yueyue has been taken away.”

“What?” Qiao Mianmian couldn’t react in time. “Yueyue was taken away? By whom? Wasn’t Yueyue with Luo Luo all along?”

“To be precise, she was kidnapped.” Mo Yesi’s low voice was filled with ruthlessness. “And the person who cooperated with the other party to steal Yueyue was actually Mom. The Mo Residence is in a mess now. Grandma heard about this and fainted.

“Mianmian, we have to go back now.”

“Yueyue was kidnapped?” Qiao Mianmian almost fainted too. She felt dizzy and her face turned pale. “How could this be? Isn’t there always someone watching Yueyue at home? There are so many nannies, housemaids, and bodyguards.

“How could Yueyue be kidnapped?”

“Now isn’t the time to think about this. We have to go back immediately. The most important thing now is to get Yueyue back as soon as possible.”

Uncle Zhang nodded. “Yes, Young Madam looks terrible. I’m really worried that she’ll pass out from crying. Second Young Madam, you and Young Madam are best friends. Go console her.

“Young Madam will definitely feel better after seeing you.”

“Why isn’t Grandma awake yet?” Mo Yesi frowned. “Haven’t you called the doctor?”

Uncle Zhang immediately replied, “I called the doctor immediately after she fainted. He said that she fainted because of anger, but it was nothing serious. She’ll wake up after some rest.”

Mo Yesi didn’t say anything else. He held Qiao Mianmian’s hand and walked forward quickly.

Qiao Mianmian quickly walked into the living room and immediately saw Jiang Luoli sitting on the sofa, her face pale and crying.

The housemaids greeted them respectfully. “Second Young Master, Second Young Madam.”

Jiang Luoli immediately looked up when she heard “Second Young Madam.”

The moment she saw Qiao Mianmian, her tears rolled down her cheeks again.. “Mianmian.

### **Chapter 2935: What Happened?**

Qiao Mianmian quickly walked over.

Her heart ached to see that Jiang Luoli was on the verge of breaking down. She reached out and hugged her. “Luo Luo, we’ll definitely get Yueyue back. Don’t cry anymore. Yueyue will be fine. She’ll definitely be fine.”

But Jiang Luoli couldn’t hear a thing.

She was on the verge of breaking down. She hugged Qiao Mianmian and cried.

“Mianmian, it’s all my fault. It’s all my fault. If I kept looking at Yueyue and didn’t let her leave me, Yueyue wouldn’t have been carried away.

“It’s all my fault.

“Why did I leave Yueyue? I deserve to die, I really deserve to die. Mianmian, I’m so afraid. I’m so afraid of something happening to Yueyue... Mianmian, I’m so afraid, I’m so afraid.” Jiang Luoli cried uncontrollably on Qiao Mianmian’s shoulder, her whole body trembling.

Her hands were cold, and so was her body.

Soon, Qiao Mianmian’s shoulders were wet.

Jiang Luoli kept blaming herself. “I knew that Yueyue was the safest with me, but why did I hand her over to someone else? What was I thinking? I’m not a good mother.

‘I lost my child. I hate myself.’”

“No, Luo Luo, this isn’t your fault. Don’t say that. I know how much you love Yueyue. You definitely didn’t mean to lose her. Don’t blame yourself like this anymore. This isn’t your fault.” Qiao Mianmian hugged her trembling best friend tightly. Qiao Mianmian felt terrible as she listened to Jiang Luoli blame herself over and over again.

She had never seen her so helpless.

From the time she met her until now, Jiang Luoli was a very optimistic person.

No matter what happened, she seemed unaffected. She would still smile no matter what happened.

Even after so many terrible things happened to the Jiang family, they still couldn’t bring her down.

But now... she was as fragile as a porcelain doll and needed protection.

Qiao Mianmian’s heart ached for Jiang Luoli.

“It’s my fault, it’s all my fault.” Jiang Luoli hated herself. “I gave others a chance to take Yueyue away. If I hadn’t handed Yueyue to someone else, if I hadn’t let Yueyue leave my sight, she wouldn’t have..

“I really can’t forgive myself. I’m useless!”

Jiang Luoli cried so badly that Qiao Mianmian’s eyes turned red. “Luo Luo, don’t blame yourself anymore. This really isn’t your fault.”

Qiao Mianmian wanted to console Jiang Luoli, but she didn’t know how to.

She felt that unless she got Yueyue back, Jiang Luoli wouldn’t listen to her.

She originally wanted to console her, but in the end, it became the sisters crying together.

Mo Yesi looked at the two of them crying and asked Uncle Zhang, “What happened? How did Yueyue get kidnapped?”

Uncle Zhang sighed. After a while, he told him the whole story. “Madam went to look for Young Madam and asked her to accompany her to the temple to burn incense.

“Madam said that she found a very good monk to bless Little Miss. With the

monk's blessing, it can protect Little Miss's life and health. At first, Young Madam didn't want to go, but when she heard that the monk could bless Little Miss, she finally agreed."

### **Chapter 2936: Madam... Doesn't Dare to Come Back**

"When we reached the temple, Madam said that the accomplished monk doesn't see outsiders, so we need to hand Little Miss over to him.

"How would Eldest Young Madam know that Madam would actually hand her own granddaughter over to an outsider to be taken away? Eldest Young Madam waited for a long time, but Little Miss did not come out. She barged in without caring about anyone, only to realize that the so-called accomplished monk and Little Miss were no longer around."

"Madam is really muddle-headed." Even Uncle Zhang felt that Madam Mo was crazy to do such a thing. She was Little Miss's biological grandmother.

It wasn't easy for the Mo Family to have new blood, and everyone doted on her like a treasure. They couldn't even dote on her enough, but who would have thought that a biological grandmother would be so ruthless as to give her own granddaughter to someone else?

Even though Madam and Young Madam did have a conflict, and everyone in the family knew about this, however, even if Madam had something against Young Madam, she couldn't do that.

Little Miss was of the Mo Family's bloodline!

If she wasn't crazy, how could she do such a thing?

Old Madam fainted from anger.

Young Madam cried so hard that she almost fainted. Her eyes were so swollen that anyone who saw them would feel heartache.

Now, the Eldest Young Master had personally gone after the "accomplished monk'.

"Isn't she worried that the bad guys will hurt Little Miss?

"Little Miss is her biological granddaughter!"

Mo Yesi pursed his lips tightly and did not say anything, but he knew what to do.

It wasn't hard to guess who could make Madam Mo do such a stupid thing.

"sister-in-law, don't worry. Big Brother will definitely find Yueyue." After finding out the reason, Mo Yesi turned around and walked towards the still crying Qiao Mianmian and Jiang Luoli.

Among the crowd, he was the only one who was calm. "The person who took Yueyue away shouldn't hurt her."

Upon hearing his voice, Jiang Luoli looked as if she had seen her savior. She rushed to Mo Yesi and gripped his arm tightly. "Prince Charming, you said that the person who took Yueyue away wouldn't hurt her. Is that true? Did you find out something?"

"Why did that monk take Yueyue away? Who is he?"

"Where is Yueyue now? Is she safe?"

"Prince Charming, you've always been very capable. I believe everything you say.. Nothing will happen to Yueyue, you'll definitely be able to get her back, right?"

### **Chapter 2937: It's Hard to Not Like Her**

"Yes." Mo Yesi promised again. "Yueyue will be fine. She'll return to you safely. But before that, Sister-in-law, you have to calm down first."

With that, Mo Yesi turned to look at Qiao Mianmian, whose eyes were also red from crying. "Mianmian, don't cry anymore. Sister-in-law's mood is already unstable. If you cry with her, she'll only panic even more.

"TIL look for Big Brother now. You and Sister-in-law wait for news at home. No matter who it is, it's impossible for them to leave Yuncheng City with Yueyue. As long as Yueyue is still in Yuncheng City, we'll definitely be able to find her."

"But, I want to go with you..." Qiao Mianmian wanted to tell him her guess.

"You should stay at home and accompany Sister-in-law and Grandma." Mo Yesi walked over and pulled her up. His slender fingers gently wiped the tears from the corner of her eyes. "Big Brother and I won't be around. When Grandma wakes up, we won't be at home. Moreover, Sister-in-law needs you by her side now."

"Alright." Qiao Mianmian didn't say anything else. She pursed her lips and said softly, "Then, can you really get Yueyue back?"

"Mo Yesi, I think..." Qiao Mianmian looked at Jiang Luoli, who was still in a daze, and lowered her voice. "Do you think the matter of Yueyue being kidnapped has anything to do with Tang Ya?"

Tang Ya looked at the little girl on the bed expressionlessly. Her red finger slowly reached out and drew a red mark on the little girl's tender skin.

Then, she waited for the little girl to cry.

But even after a while, the little girl did not respond.

The little girl's eyes were still closed, and her thick and curly eyelashes covered her eyes. Her nose was slightly closed, and her lips, which were even pinker than rose petals, were curled up.

She was smiling.

She seemed to be dreaming of something. When she smiled, two light dimples on her cheeks.

The little girl was very beautiful. Her skin was fair and tender, and her facial features were small and exquisite. She was like a peach that emitted a sweet fragrance, making it difficult for people to dislike her..

### **Chapter 2938: She Can't Bear to Do It**

Even Tang Ya had to admit that she was soft-hearted when she was nicked the girl's face.

Otherwise, how could there only be a red mark on her face?

This was the least she'd done to anyone.

She didn't know why, but she couldn't bear to do anything to her.

"Little imp, how could you sleep so soundly?" Tang Ya was a little angry at her soft-heartedness. She looked at the little girl who was still sleeping soundly and reached out to her again as if to prove something.

She sneered. "I don't want to bully a little baby, but you're of the Mo family's bloodline. If you want to blame someone, blame yourself for being born in the Mo family. Of course, there's also your stupid grandma.

"If it wasn't for her help, my plan wouldn't have progressed so smoothly. The little princess of the Mo family now is the apple of Mo Shixiu's eye. If anything happens to you, do you think the Mo family can still get along?

"Will the Old Madam forgive her daughter-in-law?

"Can Mo Yunchen forgive his wife?

"Mo Shixiu... can you forgive your mother?

"Say, if anything happens to you, will your grandma still be able to stay in the Mo family?" Tang Ya said as her laughter got louder. "Even if she does, will the Mo family still be as harmonious as before?"

Tang Ya's hand was already on the little girl's neck.

"Little imp, your neck is so thin." She stroked the little girl's neck and sighed. "It's so thin that I just have to use a little force and your neck will be broken.

"How fragile.

"I really don't want to do this. To be honest, if you were not of the Mo family's bloodline, I'd probably like you. But you were born in the Mo family. You can only bear the responsibility for your grandfather's mistake."

This girl was related to her by blood.

She was still the little girl's aunt.

This was probably why she couldn't bear to do anything to her.

After all, the blood of the Mo family flowed in their bodies. Because of this blood relationship, she couldn't bear to do it.

This must be the reason.

Otherwise, she wouldn't be merciful.

That must be it.

"Poor thing, you won't have the chance to see how wonderful this world is in the future. Poor thing, don't be so unlucky in your next life.."

### **Chapter 2939: It Must Be Like This**

That must be it.

"Poor thing, you won't have the chance to see how wonderful this world is in the future. Poor thing, don't be so unlucky in your next life."

Tang Ya clenched her fists.

Her eyes were fixated on the little girl's exquisite and beautiful face. She wanted to see if this little girl, who was sleeping soundly and was about to lose her life, would continue sleeping if her breathing wasn't smooth.

Could she still sleep then?

It wouldn't be too painful if her life ended in her sleep.

Just as Tang Ya tightened her grip, the little girl finally felt uncomfortable. Her sweet smile was gone, taking the dimples with it.

Her thick and long eyelashes fluttered twice before she slowly opened her eyes.

The moment the little girl opened her eyes, Tang Ya felt as if someone had hit her acupoint. Her fingers on the little girl's neck stiffened. She could have easily broken her neck with just a little more force, but she couldn't do it.

She saw a pair of eyes prettier than the stars.

The little girl's eyes were clear and bright, like ripe grapes. Her eye circles were very bright, and her eyes seemed to speak as she looked at you.

The little girl blinked curiously and giggled.

She smiled sweetly.

Her laughter was crisp and clear, like the clinking of silver bells.

She even made some sounds. Tang Ya's eyes were filled with gentleness. Especially when the little girl smiled at her, she actually wanted to touch her head.

She really reached out.

Seeing her hand in mid-air, she finally seemed to snap out of her daze. She looked at her outstretched hand and then at the little girl who was still giggling at her. Her expression turned awful.

Damn it.

What was wrong with her?

She actually softened.

She actually went soft on the same person twice.

This wasn't her style.

Tang Ya hated the feeling of not being in control. Moreover, the person who made her lose control twice in a row was a little girl who was still drinking milk.

She didn't believe that she could be affected by a little girl again and again.

As if to prove that she wouldn't be affected by anyone, Tang Ya reached out to the little girl again.

A hint of viciousness flashed past her eyes.

This time, she wouldn't be soft-hearted.

Just as Tang Ya was about to strangle her, her cell phone rang.

Tang Ya hesitated for a while before slowly retracting her hand.

She looked down at the little girl who was still smiling at her without a care in the world and clenched her teeth. "Little imp, I'll end your life later. I'll let you live for a few more minutes."

\*\*

Tang Ya picked up her cell phone and saw a familiar number on the screen.

She sneered as she looked at the familiar number..

**Chapter 2940: That's Right, I'm Going Back on My Word!**

“Tang Ya, is Yueyue with you right now? Let me tell you, you’re not allowed to hurt Yueyue, or I won’t let you off.” An angry voice came from the phone. It was a woman’s voice.

Tang Ya’s mocking smile deepened.

Her expression didn’t change at all. She obviously didn’t take her threat seriously.

“Did you hear me? Why aren’t you saying anything? You’re not allowed to hurt Yueyue! If you hurt Yueyue, you’re going against the Mo family. No one who goes against the Mo family has a good ending. As long as you don’t hurt Yueyue and return her to the Mo family unscathed, I can plead Shixiu on your behalf.”

Tang Ya pursed her lips and sneered. “What do you mean, Madam Mo? Are you going back on your word now?”

It was Madam Mo.

“That’s right, I’m going back on my word!” Madam Mo’s flustered voice came from the phone. “Who asked you to lie to me? You said that you would return Yueyue to me after hiding her for a while, but you lied to me. Tang Ya, what exactly are you trying to do by getting close to me and taking Yueyue away!”

“Madam Mo, you’re wrong. You were the one who handed your granddaughter to my people. I didn’t force you to do that. Moreover, I’m not lying to you. Your granddaughter is with me. Didn’t we agree I would return her to you after some time? It’s not time yet, why are you in a hurry to get her back?

You’re not acting on the spirit of the agreement at all.”

“Do you think I’ll believe you now? You’re a liar. If you don’t intend to do anything to Yueyue, why did you take her away secretly? Why don’t you tell me where Yueyue is now? Tang Ya, I don’t care what your motive is. You can’t hurt Yueyue!” Madam Mo growled.

“Isn’t it a little late for Madam Mo to worry about your granddaughter now?” Tang Ya mocked. “Also, I advise Madam Mo to be more polite when talking to me. Don’t threaten me so easily. I don’t like to be threatened. If I’m unhappy, I’ll vent my anger on your granddaughter. What will you think when your granddaughter is harmed by you?”

“You...”

“Madam Mo, you must have been living a blissful life all these years. You often tell me how filial your two sons are and how much your husband loves you. It’s really enviable. But have you ever thought that your happiness might be built on someone else’s pain?” Tang Ya suddenly changed the topic.

“W-What do you mean?”

“What do I mean?” Tang Ya sneered. She narrowed her eyes as if she was recalling something, “You should be asking your husband, Mo Yunchen, about this. You should ask him how much he hurt that woman when he betrayed her.

“Did he ever think that the woman would still be calling his name the day she closed her eyes for the last time?”

“Has he ever thought that it was just an accident in his life, or rather, a romantic affair that ruined a woman’s life?”

“W-Who exactly are you?” Madam Mo sounded shocked... “The woman you’re talking about is... Tang Wangiu?! Are you talking about Tang Wanqiu!”
