Chapter 2941: She Deserved This

'When Madam Mo said the name "Tang Wangiu", Tang Ya tightened her grip on her cell phone.

"How do you know Tang Wangiu? Who are you! Tang Wangqiu... Tang Ya... You... Who are you to Tang Wanqiu!"

"You don't have to know who I am. Don't you want your granddaughter back? Alright, I'll give you a chance." At that moment, Tang Ya suddenly changed her mind. She had a new plan.

And she felt that the new plan was more satisfying.

"Chance? What chance?"

"I can return your granddaughter. Get your husband, Mo Yunchen, to talk to me. Remember, he has to come alone. If I find out that he brought someone else, don't blame me for being ruthless. I'll give you two hours. If I don't see him in two hours, you might never see the little princess of the Mo family again.

"As for where I am right now, I believe your two capable sons will find out soon. Of course, if they can't find out, don't blame me for not giving you a chance."

"Wait, you..." Madam Mo wanted to say something.

Tang Ya hung up.

She threw her cell phone on the cabinet and turned around, walking slowly to the bed.

The little girl who had just woken up closed her eyes again. Her dimples appeared again. In just a few minutes, she fell asleep again with her little finger in her mouth.

"Ha, you're so heartless. You actually fell asleep again." Tang Ya couldn't help but poke the little girl's cheeks.

The baby's skin was tender and smooth.

She only poked it lightly, but a faint red mark appeared on the spot.

Tang Ya looked at it and retracted her hand. She looked at the little girl who was sleeping soundly for a while and then turned to look out the window. "Whether you can keep your life depends on whether Mo Yunchen values you.

"Mo Yunchen, it's been so many years, it's time to settle some grudges. My mom is kind and doesn't want to hate you. Being calculative with you doesn't mean that you can pretend nothing happened. You hurt her and made her depressed for over 20 years. She's unwilling to accept others for you. If it wasn't for you, her life wouldn't have ended at 40.

"It's time to return what you owe her."

Madam Mo hesitated for a long time before calling Mo Yunchen.

It rang for a long time before the call was picked up.

Madam Mo tightened her grip on her cell phone. "Yunchen..."

As if afraid that he would say something unbearable, Madam Mo spoke before he could. "Yunchen, I'm calling you about Yueyue. Yunchen, Yueyue is with Tang Ya now. She's... safe."

"So, you really handed Yueyue to Tang Ya?" Mo Yunchen's voice was no longer as gentle and loving as before. His voice was cold. This was the first time he used this tone of voice on her.

Hearing his cold voice, Madam Mo was in a daze for a few seconds. She felt that this voice sounded so foreign.

It didn't sound like her husband who doted on her for over 20 years.

But she knew that she asked for it.

She had made an unforgivable mistake..

Chapter 2942: I Know I Was Wrong

She didn't dare to ask for forgiveness now. She just hoped that she still had a chance to make it up to him.

"Yes." Thinking about how Mo Yunchen treated her in the past and hearing his cold and unfamiliar voice, Madam Mo felt sad and couldn't help but tear up. "Yunchen, I know I did wrong, I also know that my mistake isn't something that can be exchanged for your forgiveness.

"I didn't know Tang Ya's true motive from the start. I never thought that she would target the Mo family. I know that no matter what I say now, I can't absolve myself of what I did. I'm not here to beg you to forgive me."

Tears rolled down her cheeks.

"Yunchen, I was wrong. I really know I was wrong this time. How foolish was I to hand my granddaughter over to a bad person?"

"Wenpei, isn't it too late for you to realize your mistake now? This time, you've really gone overboard. Even I can't forgive you for what you've done." Mo Yunchen sighed when he heard her crying. His tone was no longer as cold, but it wasn't as gentle and affectionate as before.

"know it's too late." Madam Mo wiped her tears and choked. "I know I'm not worthy of your forgiveness. Yunchen, if I say that I really know my mistake this time, will you believe me?"

"believe you." Mo Yunchen sighed again. "But if you're just throwing a tantrum, I can still speak up for you and protect you. But you... have you ever thought that if anything happens to Yueyue, Shixiu and Luoli will never forgive you?"

"Mom won't, either.

"We... we can't go back to how we were."

Madam Mo's heart ached even more. "I know, I know."

Mo Yunchen kept quiet for a while. "Wenpei, since you handed Yueyue to Tang Ya, you must know where she is. Tell me, where is Tang Ya now? We have to find Yueyue immediately.

"Even if Yueyue is safe now, it's hard to guarantee her safety from now on. Also, do you know why she took Yueyue away?"

"I don't know where she is, I really don't know. Yunchen, she lied to me. I thought she wouldn't do anything to Yueyue, but who knew..." Madam Mo sounded regretful. "I really want to find her now, but she won't tell me where she is.

"But I know why she took Yueyue away."

"Why?" Mo Yunchen immediately asked.

Madam Mo was silent.

"Wenpei?" Mo Yunchen was a little anxious. "Why aren't you saying anything? Tell me, why did she take Yueyue away? Wenpei, say something!"

Madam Mo thought of the woman who had made her uneasy for a long time. Hesitation and struggle flashed in her eyes.

No one knew how long she'd kept Tang Wangiu in her thoughts.

No one knew how long she'd been afraid of her.

It was all because she could feel that Mo Yunchen really liked Tang Wanqiu back then.

If Mo Yunchen hadn't regained his memory and she hadn't gone to look for him, he wouldn't have left Tang Wanqiu.

Even though he returned to Yuncheng City and the Mo family, and on the surface, their lives seemed to have returned to the past, Mo Yunchen called Tang Wangiu's name in his sleep for a few nights.

Back then, she knew that Mo Yunchen had Tang Wangiu in his heart..

Chapter 2943: I Have to Go No matter What

It was also because of this that Tang Wanqiu became her sore spot for a few years.

Later... Mo Yunchen called Tang Wanqiu less and less in his sleep until she never heard her name again.

He finally let go of Tang Wanqiu.

Madam Mo thought that she wouldn't mind Tang Wanqiu anymore.

It had been so many years. Even if Mo Yunchen really had feelings for Tang Wanqiu back then, that feeling should have dissipated over time.

What else did she have to mind?

It was just an anecdote about Mo Yunchen when he was young.

But now, she realized that she had never really gotten over it. Tang Wanqiu was still her sore spot.

She was actually a little afraid of talking about this woman to Mo Yunchen.

Even though more than 20 years had passed, even though Mo Yunchen pampered and doted on her, she was still afraid.

But what was she afraid of?

“Yunchen, 1-L..” Madam Mo struggled for a while and then smiled bitterly.

“This might have something to do with Tang Wanqiu. Tang Ya.. is probably Tang Wanqiu’s relative. She took Yueyue away perhaps because of what happened back then.

“I thought that what happened back then was already over. But who knew..”

“What did you say?” Mo Yunchen’s voice rose in shock. “You said... Tang Wanqiu?”

“Mm.” Madam Mo felt jealous.

He still remembered that woman.

Even though he never mentioned her again, he still remembered her.

“How could it be her?” Mo Yunchen murmured. “It can’t be. She... she’s a very kind woman. She wouldn’t do such a thing. Is there a misunderstanding?”

“How do you know this has something to do with her?”

Madam Mo was even more upset to hear that he was defending Tang Wanqiu.

Was Tang Wanqiu that good to him?

Was he so sure that this had nothing to do with her?

If it was any other time, Madam Mo would definitely throw a tantrum. How could she allow her husband to praise another woman and defend her in front of her?

But Madam Mo knew that this wasn’t the time to throw a tantrum.

Mo Yunchen was already very disappointed in her. If she continued...

“Tang Ya said it herself.” Madam Mo repeated what Tang Ya said.

With that, Madam Mo asked again, “Yunchen, are you.. going?”

Mo Yunchen kept quiet for a while before saying, “I have to go.”

Madam Mo burst into tears. “But what if it’s dangerous? If Tang Ya is really doing this for Tang Wanqiu, she won’t let you off easily.”

“I have to go. Wenpei, Yueyue is my granddaughter and the Mo family’s bloodline. I can’t ignore her. Since we only have two hours, we have to find Tang Ya as soon as possible.”

“But...”

“I have to go no matter what”

Madam Mo knew that Mo Yunchen had made up his mind. She tightened her grip on her cell phone. She had so many things to say, but in the end, she only choked and said, “Then... be careful.”

If it was anything else, she could stop him.

But she couldn’t stop him this time

Madam Mo had never felt so regretful before.

Chapter 2944: Untitled

She regretted it so much that she wanted to slap herself.

‘What had she done?’

‘Whether it was Yueyue or Mo Yunchen in danger, it was all caused by her.

Without her cooperation, Tang Ya wouldn’t have had the chance to take Yueyue away.

If Yueyue hadn’t been taken away, Mo Yunchen wouldn’t have to face the unknown danger.

Tang Ya threatened Yueyue and asked Mo Yunchen to go alone

As Madam Mo thought about it, she felt even more fearful and regretful.

If anything happened to Mo Yunchen because of this, she would never forgive herself.

No.

She couldn’t let Mo Yunchen go alone. She couldn’t let him take the risk alone!

Yuncheng City was the Mo family’s territory.

It wasn't an exaggeration to say that if the Mo family wanted to find someone in Yuncheng City, they could find them even if the person escaped underground.

Moreover, the person the Mo family was looking for this time was the one who took their little princess away.

This was the first time the Mo family used all their connections.

"Minister, we've found Miss Yueyue's whereabouts. According to our investigation, Miss Yueyue was brought to a villa area in the suburbs." The subordinate reported the news to Mo Shixiu.

In the car.

The man's usually handsome and gentle face seemed to be hidden in a dark shadow, He exuded a cold aura, and the murderous look in his eyes caused fear to those near him.

"I'll be right there."

"Yes, Minister."

Mo Shixiu's cell phone rang just as the chauffeur turned around.

He looked down at the screen and picked up the call.

"Dad."

A moment later, Mo Shixiu frowned. "Why? I've already found out where Yueyue is."

After a while, his expression darkened. "No, you can't go alone. Yueyue is my daughter. I should be the one to bring her back. Dad, where are you now? Listen to me, you can't go alone."

A few seconds later, the call ended.

Mo Shixiu was about to call again when his cell phone rang again.

It was Madam Mo.

Mo Shixiu's eyes turned cold when he saw the name on the screen.

He hung up.

But soon, Madam Mo called again.

Mo Shixiu's expression darkened as he picked up the call.

He pursed his lips and kept quiet.

"Shixiu, have you found Yueyue?" Madam Mo asked anxiously.

"Madam Mo still cares about Yueyue's life and death?" Mo Shixiu no longer had his usual gentleness and respect. His voice was without any warmth, and his address for Madam Mo changed.

Madam Mo seemed hurt by his greeting, After a while, she said bitterly, "Shixiu, it's only right that you blame me. I've let Yueyue down, and I've let you down."

“Lasked for it, and I admit it. I called you to tell you that your dad has gone to look for Tang Ya alone. I’m worried about him and afraid that he’ll be in danger. Tang Ya did all of this to stand up for Tang Wangiu. She thinks that your dad has let her down. I don’t know what she wants to do, but it must be dangerous for your dad to go alone. Shixiu, have you found out where Tang Ya is? You can’t let your dad meet her alone..”

Chapter 2945: Ruined Her Mother’s Life

“Tang Wangqiu?” Mo Shixiu was stunned. He found the name familiar.

“The woman who saved your father 20 years ago.”

Mo Shixiu remembered her now.

They knew about what happened 20 years ago.

He had heard of Tang Wanqiu.

This woman saved his father and had a relationship with him.

“Tang Ya approached the Mo family, got close to you, and took Yueyue away because of Tang Wanqiu?” Mo Shixiu quickly connected the dots. “Her surname is also Tang. Who is she to Tang Wanqiu?”

“I don’t know, but... she must be very close to her.”

Mo Yesi also received a call from Madam Mo, and she also told him about Tang Ya’s request for Mo Yunchen to go alone. She also told him about Tang Wangiu.

At the same time, he received a call from Father Mo asking him and Mo Shixiu not to look for Tang Ya.

But whether it was Mo Shixiu or Mo Yesi, they couldn’t do as he said.

Mo Yesi called Mo Shixiu. “Brother, did Mom call you? Did she tell you that Dad is going to look for Tang Ya alone?”

“Mm, she did.”

“Then, your plan is...”

“Dad can’t go alone. He’ll be in danger,” Mo Shixiu replied. “I suspect that Tang Ya might be Tang Wangiu’s daughter. If that’s the case, she feels that Dad has let her mother down and wants to stand up for her.

“The person she’s targeting is Dad.”

“ve checked on Tang Ya. She’s most likely Tang Wangiu’s daughter.” Mo Yesi immediately decided.

“Then, we’ll rush over now.”

Mo Yesi and Mo Shixiu arrived at the same time.

Two minutes later.

Two extremely handsome and elegant men stood downstairs of a villa, their expressions equally grave. They had just seen Father Mo's car.

Obviously, Father Mo found Tang Ya before them.

He must have met Tang Ya already.

"You're really bold to come alone. You're from the Mo family, indeed."

Tang Ya made a pot of tea for herself. The tea was just done. She poured a cup of tea and took two sips from the jade porcelain cup. Then, she looked up at Mo Yunchen.

The moment her gaze landed on him, her grip on the teacup tightened. Although her expression didn't change, her eyes flickered.

Mo Yunchen wasn't young anymore, but in the eyes of many girls, he was still a rather charming and handsome mature uncle.

Even though he was over 50 years old, his temperament and looks were still outstanding.

It wasn't hard to see how outstanding he was when he was young.

After meeting him in person, Tang Ya finally understood why her mother was so obsessed with him,

She met a stunning man when she was young and had a romantic relationship with him. From then on, she couldn't look at anyone else.

It was this man who ruined her mother's life.

Tang Ya's eyes were filled with hatred as she recalled what her mother did before she died.

Although her mother told her that what happened back then wasn't Mo Yunchen's fault and she didn't hate him, Tang Ya still couldn't forgive this man who ruined her mother's life..

Chapter 2946: What Right Do You Have to Do This!

If it wasn't for him, her mother might have married a man who doted on her and lived a blissful life, and she would also have a happy family.

'Mo Yunchen stood at the door and looked at Tang Ya when he heard the voice. When their eyes met, Mo Yunchen's eyes flashed with surprise.

He saw a pair of familiar eyes.

"You're Tang Ya," he said after snapping out of his daze. He quickly scanned the room and asked coldly, "Where's Yueyue?*

"Mr. Mo, why are you in such a hurry? Why don't you come in and have a cup of tea? Your granddaughter is in a very safe place now. You don't have to worry about her safety."

comment

Mo Yunchen said threateningly, "No need for tea. I've already done as you asked. Just tell me, what do you want to give Yueyue to me? Money, or something else?"

Tang Ya laughed. "Money? Mr. Mo, you think I want money?"

Mo Yunchen glared at her. "Whether you want money or something else, the Mo family can do its best to satisfy you. But the premise is that you can't hurt Yueyue. You have to return her to us unscathed.

"Otherwise, you should know the consequences of offending the Mo family."

"Is Mr. Mo threatening me?"

"I'm not threatening you. I'm telling you that there are consequences to everything you do." Mo Yunchen looked at Tang Ya's familiar eyes again. They reminded him of someone he hadn't thought of for a long time.

But once he thought about them, that person's voice and smile were still clear in his mind.

Mo Yunchen couldn't help but ask, "Your name is Tang Ya? Who is Tang Wanqiu to you? Why do I see her in you?"

The moment he asked that the teacup in Tang Ya's hand fell to the ground.

She looked up with hatred in her eyes.

Mo Yunchen was stunned.

The hatred in her eyes was directed at him.

"It wasn't easy. You're such an important person, yet you still remember such an ordinary woman like Tang Wanqiu. I thought you'd forgotten about her. After all, didn't you leave her pretty quickly?"

"A woman who saved your life and was in love with you. You didn't have any feelings for her and left her without looking back. Mo Yunchen, you left so casually, but you ruined her happiness.

"You ruined a woman's life and made her life a tragedy. But you have a successful career and a happy family. What right do you have to do this!"

"Just because you're from a prestigious family and she's just an ordinary girl from an ordinary family, she deserves to be ignored by you? Does she deserve to be a plaything that you can abandon whenever you want?"

Mo Yunchen looked at her in shock. "Who exactly are you to Tang Wanqiu? Why do you know so much about her?"

Not many people knew about him and Tang Wangqiu back then.

If she wasn't close to Tang Wangqiu, she wouldn't know so much about this..

Chapter 2947: Don't You Know?

But he clearly remembered that Tang Ya said she was an only daughter, and her mother was also an only daughter, so they weren't related by blood.

But the girl in front of him had the same surname as Tang Wangiu, and there was something about her that was similar to Tang Wanqiu.

Mo Yunchen suddenly looked at Tang Ya, whose eyes were full of hatred. He had a guess in his mind. Because of this guess, he looked at Tang Ya differently. He slowly said his guess, "You're Wangiu's daughter?"

Tang Ya looked at him with hatred and didn't intend to hide anything. "Yes, I'm Tang Wangiu's daughter."

Mo Yunchen's expression changed again. "You're really Wanqiu's daughter. No wonder I can see her in you. But since you're Wanqiu's daughter, why would you take her surname and not your father's?"

Although many women followed their mother's personality, Tang Wangiu was a very traditional woman in his impression.

She wasn't the type to let her daughter take her surname.

"I was given birth by my mom after 10 months of hard work. Of course, I have to take her surname. Otherwise, how could I take the surname of the man who dumped her? Is he worthy?!"

Mo Yunchen never thought that Tang Ya was his and Tang Wangiu's daughter.

He never thought that Tang Wangiu would be pregnant with their child after they separated.

He never thought that Tang Wangiu would be alone all her life and never marry.

"What did you say? Your father abandoned her?" Mo Yunchen thought of that gentle woman and felt upset.

She hadn't been doing well since she left him.

Did the husband she married treat her badly and abandon her?

He thought that she should be doing well.

She was such a good woman, how could anyone not cherish her? How could anyone hurt her?

"Mo Yunchen, do you really not understand, or are you playing dumb with me?" Tang Ya gritted her teeth. "Besides you, who else could hurt her? Besides you, who else abandoned her? Don't you know what you did back then?"

"Do you think she can pretend that what happened back then didn't happen just because she didn't hold it against you? My mom is kind-hearted and easy to bully. Back then, she was just a silly woman who had fantasies about love and only wanted to live a simple life with you. Your powerful wife came to find

her and said that she was the third party who snatched someone's husband without asking clearly. She said that she was shameless and even attacked her!

“She was foolishly bullied and did not dare to retaliate. She only knew how to seek your protection. But what did you do then? Before you knew if what your wife said was true, you promised the doctor she brought to treat you and recover your memory. Then, after you recovered your memory, you told the woman who loved you foolishly that you wanted to return to your wife and be the Young Master of the Mo Family.

“What about that pitiful woman? Other than apologizing, what else did you do for her? The love that she saw as the most important thing in her life was just an accident in your mouth. After that, you returned to your original position, but she couldn’t go back anymore. That was just an unexpected relationship for you, but it was a dream that she would never forget even in death..”

Chapter 2948: What Truth Do You Want to Know?

Mo Yunchen looked at Tang Ya in disbelief.

“Y-You’re..” He couldn’t believe it. “You’re my daughter?”

“Could it be that... Wangiu moved away because she was pregnant? Could it be that she was alone ever since she left me?”

“You said death... did Wangiu..” Mo Yunchen didn’t dare to continue.

He was too shocked.

How was that possible?

‘Tang Wangiu actually gave birth to a daughter for him, but he didn’t know anything.

He’d gone to look for her, but she’d moved away and said she never wanted to see him again.

He thought that she must have hated him so much that she didn’t want to see him anymore.

Hence, he hadn’t looked for her since then. He thought that since she hated him so much, her life would only return to normal if he completely left her life.

She was going to get married and have children in the future. She was such a good woman, she would definitely find a husband who doted on her and give birth to a very cute child. She would lead an enviable life.

He had always thought that Tang Wangiu had already married someone and was leading a good life.

He always thought that she was doing well.

But if Tang Ya was his daughter, he had never fulfilled his duty as a father.

Mo Yunchen’s heart was in turmoil. His hand trembled uncontrollably as he reached out and walked towards Tang Ya.

“Xiao Ya, are you really my daughter?” Mo Yunchen’s eyes were a little red. “No wonder she kept vomiting and had a bad appetite. She couldn’t eat anything. I thought she was sick. I took her to the hospital for a checkup, but the doctor didn’t tell me she was pregnant.

“She said that she’d be fine after taking some medicine.

“Was she already pregnant at that time? But why did she hide it from me..’

“Stop.” Tang Ya looked at him and said sternly, “Just stand there. Don’t take another step forward.”

Mo Yunchen saw that she was agitated and immediately stopped in his tracks. He made a comforting gesture. “Alright, alright. I stopped. I’ll stand here. Xiao Ya, don’t be agitated. I won’t do anything to you. I just want to know the truth.”

“The truth?” Tang Ya sneered. “What truth do you want to know? Why didn’t she tell you about her pregnancy? Why did she move from her parent’s place she’d lived at for over 20 years to a strange city?

“Or why she didn’t marry for the rest of her life?”

Mo Yunchen’s eyes were full of guilt.

The person he let down the most in his life was Tang Wanqiu.

What he owed her could never be repaid.

“Even if she told you that she was pregnant, would you have taken responsibility? Would you have married her and given her a family?” Tang Ya looked at the silent Mo Yunchen and sneered. “You wouldn’t. If she told you at that time, you might have thought that she was a scheming woman and that she

wanted to keep you with her child.

“And she was a single and unmarried woman. If she hadn’t moved away back then, do you know how much gossip and ridicule she would have been subjected to if others found out that she had a child in that small place?”

“Xiao Ya, I’ve let both of you down.”

Chapter 2949: As Long as You Do as I Say

Mo Yunchen thought of that gentle woman, and his eyes filled with guilt and pain. His eyes reddened as he said hoarsely, ‘I let Wangiu down. I wanted to make it up to her, but she didn’t want anything. I went to look for her, but she said she hoped that I could leave her life completely and not appear in front of her.

“I didn’t know she was pregnant, and I didn’t know she suffered so much..” Mo Yunchen’s voice got lower and lower, and the guilt and pain in his eyes got stronger. “I let her down, I let her down...”

Tang Ya looked at him coldly. What’s the point of saying this now?”

‘It’s useless.” Mo Yunchen looked up and said bitterly, “I couldn’t make it up to her back then, so what can I do now? She’s such a proud person, she’s not willing to accept any of my compensation.

“But, I want to know how she is now. Is she... alright?” Mo Yunchen asked cautiously. He clenched his fists nervously.

Actually, Tang Ya’s words had already made him guess something.

But he didn’t want to believe it.

He felt that he must have misunderstood.

Tang Wangi

was definitely fine.

“Is she alright?” Tang Ya repeated his words with a sneer. “If I hadn’t met you, she would be fine now. But God didn’t want her to live well and arranged for you to harm her.”

Mo Yunchen’s heart sank.

‘Tang Ya looked into his guilt- and pain-filled eyes and said word by word, “Mo Yunchen, she has been depressed for more than 20 years. She hasn’t been happy all this time. She died in the hospital bed because she was sick and unwilling to receive treatment.

“Do you know that she was still saying your name the moment before she died? What do you do to make her unable to forget you even t her deathbed? What did you do to make her love you wholeheartedly even after you let her down?”

Mo Yunchen’s tears fell. “Wanqiu, why are you so silly..”

“Yes, why is she so silly?” Tang Ya’s eyes were also moist. “You’re just a man. So what if you’re gone? There are so many men in the world. Why was she so silly and suicidal?”

‘Was love that important?

‘The moment Mo Yunchen heard that Tang Wanqiu was dead, he held his chest and staggered two steps back.

“Wanqiu..” He called her name, his hoarse voice full of pain.

‘Tang Ya looked at him and said coldly, “Mo Yunchen, you don’t have to pretend to care about her. I’m not interested in watching you perform. If you really feel sorry for her and want to make it up to her, then do it!”

Mo Yunchen looked up with bloodshot eyes. “What do you want me to do?”

“My mom died of depression because of you. She wasn’t even happy, so what right do you have to be happy? Firstly, I want you to divorce your wife immediately and never marry again! Secondly.”

Tang Ya slowly took out a box from her bag and took out something that looked like a pill. “Then, eat this, and I’ll believe that you really want to make it up to her. As long as you do as I say, I’ll return your granddaughter to the Mo family unscathed..”

Chapter 2950: Untitled

Mo Yunchen looked at the brown pill in her hand and seemed to calm down. 'As long as I agree to your request, you will return Yueyue to the Mo family unscathed?'

"That's right."

"You mean what you say?"

"What other choice do you have other than to trust me?" Tang Ya looked at the man in front of her coldly. "Besides, don't you want to make it up to my mom? Don't tell me you've changed your mind?"

"I didn't change my mind." Mo Yunchen shook his head and smiled bitterly. "I really want to make it up to her and you. But I know that both of you don't want my compensation."

"It's good that you know. Then, call your wife now and tell her that you want to divorce her. When your divorce is done, come back and take this medicine. Someone will send your granddaughter back to the Mo family then."

Mo Yunchen didn't say anything else and took out his cell phone from his bag.

Holding it, he hesitated for a few seconds.

Tang Ya saw his hesitation and sneered. "What? You don't want to divorce your wife? You can change your mind now, but I can't guarantee the safety of your little princess.

"Who's more important, your wife or your granddaughter? Make your choice."

Mo Yunchen looked down at his cell phone screen and dialed a number a few seconds later.

He owed Tang Wanqiu. He should make it up to her.

Everything happened because of him, so he should be the one to settle it.

The call was soon picked up.

"Hello? Yunchen, is that you?"

"Have you seen Tang Ya? Are you alright? How is Yueyue? She didn't hurt Yueyue, right?"

Madam Mo's anxious and worried voice could be heard. She must have cried for too long, her voice was still hoarse.

Mo Yunchen held his cell phone tightly and kept quiet.

"Yunchen, Yunchen, why aren't you saying anything?" Madam Mo sounded even more worried.

'Yunchen, can you hear me? I'm worried about you. If you hear me, can you say something?'

"I'm listening." Mo Yunchen slowly closed his eyes and then opened them again. His lips moved as he said with difficulty, 'Wenpei, lets... let's get a divorce. I'll arrange for someone to settle the divorce procedures now. I'll give you half of the assets under my name. In the future, even if you leave the Mo family, you can live a carefree life.'

“What did you say?! Yunchen.. you... you want to divorce me?*” Madam Mo’s sharp voice was full of disbelief.

“Mm, let’s get a divorce,” Mo Yunchen said calmly.

“No, I don’t agree. Madam Mo got agitated. “Yunchen, I know I did something wrong. I won’t do anything to upset you again. I won’t interfere with Shixiu’s matters anymore. I don’t want to divorce you. I can change. I can change whatever you’re dissatisfied with, but I don’t want to divorce you.

“Lwont get a divorce. I don’t want a divorce.

“Yunchen, can we not do it? I will change, I really will. Can you give me a chance?”

‘Mo Yunchen’s heart ached when she begged him..
