

Big Shot 2951

Chapter 2951: Untitled

He hesitated for a few seconds, but in the end, he made up his mind. "I've already decided. Let's get a divorce."

"Why?" Madam Mo cried. "Is it because of Yueyue? I know I did something wrong. I won't do it again. I've never thought of divorcing you. I want to be your wife for the rest of my life. I don't want to divorce you."

'Mo Yunchen had pampered her for over 20 years.

Listening to her sobbing on the phone, he felt as if something was tugging at his heart.

But he still steeled his heart. "Wenpei, I'm calling you just to let you know my decision. I've already decided on the divorce. I won't change my mind. After this call, I'll get my lawyer to settle the divorce papers. If you have any other requests, you can raise them now."

Madam Mo cried for a while more before stopping.

"You've made up your mind to divorce me, right?" Madam Mo's voice seemed to calm down.

Mo Yunchen looked at Tang Ya and remembered how much he owed her. "Wenpei, I'm sorry."

"Alright, I agree to divorce you. But you have to tell me why you suddenly want to divorce me. Is it because of Yueyue... or Tang Wanqiu?"

"Wenpei..."

"Answer me. Mo Yunchen, do you want to divorce me because of Yueyue or because of Tang Wangiu? You saw Tang Ya, right? What did she say to you? Did she tell you about Tang Wanqiu?"

"Did Tang Ya ask you to divorce me, or did you think of it yourself?"

Mo Yunchen took a deep breath. "It's my decision."

"You decided it yourself?"

"Yes."

"Mo Yunchen, say it again. Did you really decide it yourself?"

"Yes."

"Alright, I agree to the divorce. If you really want to divorce me, then let's divorce."

Madam Mo hung up.

"Have you settled it?" Tang Ya looked at the defeated Mo Yunchen and asked indifferently.

He looked at the black screen and replied, "Yes."

"Is your wife willing to divorce you?"

“She agreed.”

“Then, you can get someone to settle the divorce papers now.” Tang Ya sneered when she saw Mo Yunchen’s dejected expression. “The Mo family will get the divorce papers faster than the average person.

“Once you get the divorce certificate, this matter will be over.”

Mo Yunchen looked up at her and didn’t say anything. He picked up his cell phone and made another call.

“T’s me. Go to the Civil Affairs Bureau now.

“To settle my divorce with Madam.

“You didn’t hear wrongly. Get it done right away.”

A moment later, Mo Yunchen ended the call.

“T’ve already gotten someone to start the divorce procedures. We have to wait for half an hour.”

“Alright, we’ll talk about other things when you get the divorce certificate.”

“T’ll do whatever you say. But before that, shouldn’t you let me see Yueyue? Otherwise, how would I know if she’s safe?”

“Of course.” Tang Ya bent down and picked up her cell phone from the sofa. She then opened a video app and threw the phone to him..

Chapter 2952: Do You Dare to Eat It?

“Your granddaughter is sleeping right now. Someone will send her back when you finish doing what I asked.”

Mo Yunchen took the cell phone and looked at the little girl sleeping soundly on the screen. He was finally relieved.

He returned the cell phone to Tang Ya. “I’m the one you hate. Just come at me. The child is innocent. I hope you can do what you say.”

“Hmph. Of course, I’ll do what I say. But you have to do as I say.” Tang Ya took the cell phone and threw the box containing the pill to him. “I wanted you to eat this after your divorce, but I suddenly changed my mind.

“You should take this pill now.”

Mo Yunchen caught the box and looked down at it. He then looked up at Tang Ya and asked calmly, “What medicine is in it?”

“It’s poison, do you dare to eat it?”

Mo Yunchen looked down at the box in his hand and didn’t say anything else. He opened the box and took out the brown pill.

“Don’t worry, it won’t be too painful. After taking this pill, you’ll soon fall asleep. You’ll have a wonderful dream and then your life will end.” Tang Ya’s emotionless voice sounded. “Mo Yunchen, as long as you take this pill now, I’ll get someone to send your granddaughter back immediately.

“Lwon’t hurt anyone in the Mo family in the future.

“Are you willing to exchange your life for your granddaughter’s?”

“So, this pill is going to take my life.” Mo Yunchen smiled and said casually, “Xiao Ya, if my life can be exchanged for Yueyue’s, it can make up for all the years I’ve hurt Wangqiu, and it can make you stop living with hatred. It’s worth it.”

“Then, take this pill now.” Tang Ya didn’t believe that he really dared to take it. She sneered. “Mo Yunchen, do you really dare to take it? Can you bear to part with your current wealth and status, and everything you have in this world?”

“Didn’t you go back because you couldn’t bear to let go of your status as the Young Master of the Mo family?”

Mo Yunchen sighed. Although he knew that Tang Ya didn’t believe him, he still explained, “Xiao Ya, I didn’t go back for my identity, but for my responsibility.”

“For responsibility? Hahaha, your reason is so dignified.”

“Lknow you don’t believe me. No matter what, I did let Wangiu down, and I didn’t do my duty as your father. I let both of you down. My life was saved by Wangiu, so I should be content with living for a few more decades. Now, just treat it as me returning this life.”

Mo Yunchen swallowed the brown pill without hesitation.

“Bam!”

At the same time, the door to Tang Ya’s study was kicked open.

“Dad, you can’t eat it!”

“Dad, you can’t eat it!”

Mo Yesi and Mo Shixiu opened the door open and rushed inside, only to see Mo Yunchen swallow the pill.

The duo’s expressions changed drastically.

The moment she saw them break in, Tang Ya’s expression changed. She subconsciously grabbed something and looked at Mo Yesi and Mo Shixiu guardedly.

Before Tang Ya could even see how Mo Yesi got to her, her neck was grabbed by him. The man exuded a cold and murderous aura as his slender fingers tightened around her slender neck inch by inch..

Chapter 2953: Kill Me If You Want to

“What exactly did you make Dad eat?” Mo Yesi’s eyes were filled with killing intent, and his cold voice seemed to be covered with a layer of frost. It was so cold that it made people shiver.

Tang Ya couldn’t breathe properly, and her face turned red.

But she laughed out loud. “Didn’t you hear it from outside? That’s poison, poison that will kill you very quickly. It’s only a few minutes away from the effects of the drug. You two filial sons can see how he slowly dies!”

Mo Yesi tightened his grip. “Tang Ya, if anything really happens to Dad, do you think you can leave here alive?”

Tang Ya’s face turned even redder, and she couldn’t breathe. Her eyes widened, but she still laughed. “Since... since I dare to do this, I’m prepared for the worst.”

“Yuncheng City is the Mo family’s... Mo family’s territory. If you want to take revenge for Mo Yunchen... Of course... I can’t do anything to you. Even if it’s a life for a life, it’s worth it. Anyway, my wish is fulfilled, and I have no regrets.

“If you want to kill me, then do it.” With that, she closed her eyes as if accepting her fate.

“Yesi, let go of her. She’s your sister, you can’t hurt her!” Mo Yunchen saw Mo Yesi tighten his grip again and the murderous look in his eyes. He quickly stopped him. “I took the medicine willingly, it has nothing to do with Xiao Ya.”

Mo Shixiu was shocked at this news.

Mo Yesi had already investigated Tang Ya, so he wasn’t surprised when Mo Yunchen personally confirmed her identity.

He had already guessed that Tang Ya was his half-sister.

But even then, he wouldn’t let her off if she hurt his family.

Seeing that Tang Ya’s face was turning purple and she was almost out of breath, Mo Yunchen angrily said, “Yesi, let go of Xiao Ya. Are you really going to strangle your own sister?”

“Lowe Wangiu too much. Nothing must happen to Xiao Ya.”

Mo Shixiu was also afraid that Mo Yesi would really strangle Tang Ya to death. He stopped him and said, “Ah Si, calm down, Don’t act on impulse. She did something bad and will naturally be punished. It’s not worth ruining your life for such a person.

“sister-in-law is still waiting for you at home. Do you not care about her anymore?”

Mo Yesi didn’t let go, and his expression didn’t change. Only when Mo Shixiu mentioned Qiao Mianmian did the anger and murderous intent in his eyes start to fade. He looked down at Tang Ya, who didn’t even have the strength to struggle, and slowly let go.

Fresh air rushed into her chest, and Tang Ya tried her best to cough. Mo Yesi pushed her away, and she lost her balance and fell to the ground.

Seeing that she was coughing so badly that tears were coming out, Mo Yunchen went forward and asked concernedly, "Xiao Ya, are you alright?"

"It's none of your business." Tang Ya glared at him. "Mo Yunchen, don't think you can change anything with your hypocritical concern."

Mo Yunchen's hand froze in mid-air..

Chapter 2954: Willing to Accept This End

He couldn't help but sigh when he saw the hatred in Tang Ya's eyes. He smiled bitterly and said, "You said that I took poison, and I'll die soon. I'm about to die, why should I care about anyone hypocritically?"

"Xiao Ya, it's alright if you hate me and don't want to forgive me." Mo Yunchen retracted his hand and slowly stood up. "I've said it before. If it can remove the hatred in your heart and make you stop living with hatred, my death is worth it."

Tang Ya was stunned. She thought of something and bit her lip.

"Dad, what nonsense are you talking about?" Mo Shixiu frowned. "Ah Si and I will take you to the hospital now."

"No need." Mo Yunchen shook his head. "This is what I owe Wangqiu. I'm willing to pay with my life."

Tang Ya looked up in surprise.

'Mo Shixiu was anxious and angry. "Back then, it was Madam Tang who saved your life. You say you want to repay her with your life, so I won't refute you. But don't forget, your life was given to you by Grandma.

"If you repay it to someone else, what about Grandma?"

"What are you going to repay her with? Ever since Grandfather passed away, Grandma has been in poor health because of sadness. Do you want her to die now? Have you never asked yourself if her body can still take such a blow?"

Mo Yunchen seemed to have been enlightened, and his expression changed.

Mo Yesi took out his cell phone. "I'll get Lu Rao to get here immediately. Dad, regardless of whether you really owe Tang Wangqiu, you can't use your life to repay her."

At this moment, there was a flurry of footsteps outside.

The next moment, a group of people in police uniforms rushed in holding guns.

"Mr. Mo, are you alright?" The leading police officer scanned the room and saw Tang Ya lying on the ground. He waved at the police officers behind him. "The suspect in the kidnapping has been found. Bring her back!"

The police officers immediately went forward and picked Tang Ya up from the ground. Tang Ya didn't move or ask anyone for help.

She seemed to have expected this outcome and was willing to accept it.

She was even smiling, As she was escorted by the police officers past Mo Yunchen, she whispered, "Mom said your name before she died. I think she must really want to see you again. I buried her in the cemetery in the place where she was born according to her wishes. If you still have feelings for her, go and see her when you're free."

Soon, the police officers left with Tang Ya.

Mo Yesi's cell phone rang, He looked down and picked it up immediately.

"Chairman Mo, we've found Miss Yueyue. She's fine. We didn't detect any external injuries. Should we send Miss Yueyue back to the Mo Residence now?"

"Call the Mo Residence and tell them that she's safe. Send her back immediately."

"Yes."

Mo Yesi hung up and turned to Mo Shixiu. "Big Brother, they've found Yueyue. Yueyue is doing well now, we can rest assured. I think Sister-in-law wants to see Yueyue as soon as possible, so I got someone to send her back to the Mo Residence first.

"Now that everything is settled, we can go back.."

Chapter 2955: I Can't Let Xiao Ya Go to Jail

'Mo Shixiu heaved a sigh of relief when he heard that his daughter was safe.

After a few seconds of silence, he turned to look at Mo Yunchen and said, "From what Tang Ya said, she didn't give Dad any poison.

"But just to be safe, I think we should go to the hospital for a checkup."

'Mo Yesi nodded in agreement. "I think so, too. From what she said just now, Dad didn't take any poison. Big Brother, go back and accompany Sister-in-law first. You have to comfort her.

"I'll accompany Dad to the hospital for a check-up."

"Alright, then."

comment

The results showed that the drug Tang Ya gave Mo Yunchen wasn't poison.

It was a common cold medicine.

"Uncle Mo's health is very good, there's no problem. You don't have to worry." Lu Rao patted Mo Yesi's shoulder. "But he seems to be in low spirits as if he suffered a huge blow. He needs to rest well when he gets back."

Mo Yesi walked out of Lu Rao's office and saw Mo Yunchen standing in the corridor in a daze. No one knew what he was thinking. Mo Yesi had already walked to his side, but he remained unmoving. He looked in a certain direction and didn't speak.

“Dad, the results are out. Your body is fine. The medicine you took is just a cold medicine.” Mo Yesi told him the results.

Mo Yunchen turned around slowly. “Cold medicine?”

“Mm.

Mo Yunchen fell silent again.

“Yesi, Xiao Ya didn’t hurt Yueyue, nor did she hurt me. She just wanted to stand up for her mother and wanted to see my attitude. I already owe Wangiu too much, I don’t want to owe her anymore.

“Xiao Ya is my daughter, but I never knew of her existence. I didn’t fulfill my duty as a father. I really let Wangiu down back then. Wangiu has already left this world, I don’t have a chance to make it up to her.

“So, no matter what, I have to protect Xiao Ya.”

Mo Yunchen looked up at Mo Yesi. “I can’t let Xiao Ya go to jail.”

“Tang Ya didn’t hurt Yueyue and you, but it’s a fact that she kidnapped Yueyue.” Mo Yesi could tell that Mo Yunchen wanted them to stop pursuing Tang Ya. He said in a business-like tone, “Even if she didn’t hurt Yueyue this time, what about next time?”

“Moreover, even if I don’t pursue this matter, Big Brother and Sister-in-law definitely won’t let her off easily. Grandma suffered a huge blow because of this matter and hasn’t woken up until now. Sister-in-law almost fainted from crying a few times. Even if she didn’t hurt Yueyue, everyone else was hurt because of this. I don’t think they will agree to let her off just like that.

“This isn’t fair to Big Brother and Sister-in-law.”

Mo Yunchen’s expression changed slightly.

He seemed like he wanted to say something, but in the end, he kept quiet.

What could he say?

He felt guilty towards Tang Wangiu and Tang Ya. He wanted to make it up to her and protect her.

But Mo Yesi’s words made him understand that he couldn’t protect Tang Ya.

This wasn’t his problem alone.

He could let it go, but he couldn’t ask others to let it go..

Chapter 2956: At Least Three to Five Years

“Dad, if you really feel sorry for Madam Tang and want to make it up to her, you can go to her grave and offer her incense.” Mo Yesi saw his lost expression and comforted him. “Tang Ya said that she would like to see you again.”

“She wants to see me?” Mo Yunchen’s eyes lit up, but they quickly dimmed again.

“Yes.” Mo Yesi patted his shoulder lightly as if to cheer him on. “She missed you for 20 years. It must be her regret that she couldn’t meet you when she was alive.

“Although it’s too late to make it up to her now, it’s better than doing nothing. Moreover, this is what Tang Ya hopes you can do for her mother.”

When Old Madam woke up, besides being a little tired, everything else was normal.

Yueyue was also safely sent back to the Mo Residence.

When Jiang Luoli saw Mo Shixiu, she hugged him and cried. Mo Shixiu coaxed her for more than an hour before she finally stopped crying.

Mo Yesi returned to the Mo Residence after Mo Yunchen’s checkup, but Mo Yunchen didn’t come back with him.

The old lady kept quiet for a long time before sighing. “Speaking of which, this Tang Ya is a little pitiful. But she’s too extreme.

“Thankfully, both Yueyue and Yunchen are fine. Otherwise

“But if she really has the Mo family’s bloodline and didn’t really hurt anyone this time, could she...”

“Grandma.” Mo Shixiu handed the old lady a glass of water and interrupted her gently. “Tang Ya didn’t do anything wrong, but if we let her off just like that, I’m afraid that the punishment will be too light. She’ll think that she can bully the Mo family as she pleases.

“I think we can just leave this matter to the relevant departments. We don’t have to interfere anymore. Even if Tang Ya is a descendant of the Mo family, she should be punished for her mistake. Grandma, you just woke up. The doctor said you have to rest well, so don’t waste your energy on this.

“You just have to take good care of your body. We can only feel at ease as juniors when you’re better.”

Old Madam sighed again, and her hoarse voice was a little tired. “My children and grandchildren have their own happiness. I’m old, I really should worry less. Alright, I won’t bother about your matters. You’re all old now, you have your own ideas. It’s good that you’ve decided.”

Old Madam had just woken up, but she said that she was tired and needed to rest.

They walked out of her room.

Qiao Mianmian tugged at Mo Yesi’s sleeve and asked softly, “Why didn’t Dad come back with you?”

Mo Yesi accompanied her downstairs. “He went to the police station to see Tang Ya.”

“Will Tang Ya go to jail?” Qiao Mianmian was more concerned about this.

She heard that Tang Ya was taken away on the charge of kidnapping.

If this crime was confirmed, it should be quite serious. At least three to five years.

If it was more serious, it would be more than 10 years.

No matter how powerful Tang Ya’s background was, she was arrested in Yuncheng City.

Hence, she might really go to jail.

“If Big Brother wants to hold her accountable, she’ll definitely go to jail. I’ve asked Big Brother. He doesn’t accept anyone pleading for Tang Ya, so she will probably go to jail.”

Chapter 2957: Because I Have a Woman I Love Deeply

Qiao Mianmian sighed. “She was wrong to have done this. What about Dad?”

“Dad wanted to plead for her in the beginning, but he has given up now.”

“Mo Yesi, let me ask you a question. Can you answer me honestly?”

“Mm?” Mo Yesi smiled and looked down at the woman beside him. He rubbed her head. “What do you want to ask me? I’ll never lie to you.”

“Actually, it’s nothing. I’m just curious. Do you not mind Dad’s concern for Tang Ya?”

It was obvious that Mo Yunchen had feelings for both Tang Ya and Tang Wangiu.

If he hadn’t married Madam Mo back then, he would have married Tang Wanqiu.

comment

When he left, it wasn’t because he had no feelings for her anymore. It was because of his responsibility.

He had to be responsible for Madam Mo.

He had to be responsible for the Mo family.

In the face of too many responsibilities, relationships could be put aside.

Even Qiao Mianmian could tell that Mo Yunchen still cared about Tang Wangqiu.

She felt that Mo Yesi could tell, but he didn’t seem to care much about it.

“Is that what you wanted to ask?”

“Mm, can you answer? If not, just pretend I didn’t ask.”

“There’s nothing I can’t answer. You asked if I mind, but I don’t.”

“You don’t mind? Why?” After all, anyone else would mind this.

She would mind if her father had another woman in his heart other than her mother.

Moreover, she suddenly had a half-sister.

Qiao Mianmian thought about it. If this happened to her, she wouldn’t be able to completely ignore it.

It was because of Mother Qiao’s death that Father Qiao married Lin Huizhen. Qiao Mianmian was a little upset about it.

“What’s there to mind?” Mo Yesi smiled and said patiently, “Tang Wangiu has already passed away. Even if Dad still has her in his heart, he can’t do anything else. Moreover, Tang Wangiu is different from those third parties who destroy other people’s families. When she met Dad, she didn’t know that he already had a family.

“Strictly speaking, Dad lied to her and let her down.

“Dad was with her because he liked her. Back then, he left not because he didn’t like her anymore, but because he had to. He liked Tang Wangiu, and she saved his life. She didn’t pester him when he chose to leave. Now, he knows that Tang Wangiu gave birth to a daughter for him.

“He already felt guilty about leaving Tang Wangiu. Now that Tang Ya is like this, he’ll only feel even more sorry for her. He’ll never forget her in this lifetime.”

At this point, Mo Yesi looked at Qiao Mianmian with his deep eyes. “Perhaps I didn’t understand his feelings in the past, but now, I think I do.”

His eyes were focused and affectionate. Qiao Mianmian’s heart raced. “Why is it understandable now?”

“Because I have a woman I love deeply, and I know how it feels to love someone.” Mo Yesi’s eyes were deep, and his dark eyes were filled with her shadow.

Qiao Mianmian’s heart raced.

She was clearly asking about Mo Yunchen, but how did it become Mo Yesi confessing to her?

Chapter 2958: Pay the Price for What She’s Done

If he wanted to confess, so be it. But he made it so formal and affectionate, making her heart race abnormally again.

“Ahem, um... let’s talk about this when we get home.” Qiao Mianmian blushed as she looked at Jiang Luoli and Mo Shixiu behind them.

This was the umpteenth time Mo Yesi had confessed to her, but she still felt tempted every time.

Mo Yesi also saw Jiang Luoli and Mo Shixiu walking over. He smiled and hugged his thin-skinned wife. He lowered his voice and chuckled. “Mm, let’s talk when we get home. It’s really inconvenient to say some things here.

“I’ll tell you slowly when we’re back and there’s only the two of us.”

comment

The man’s voice was low and deliberately alluring as he whispered into Qiao Mianmian’s ear. As he spoke, his voice got lower and lower, but his breath got warmer.

Qiao Mianmian’s face warmed.

Mo Yesi was really... getting more and more indecent!

Qiao Mianmian saw Madam Mo again a week later.

'The Mo Residence called and said that they had something important to announce.

Qiao Mianmian and Mo Yesi arrived at the Mo Residence and found that Jiang Luoli and Mo Shixiu were there, too.

Jiang Luoli and the rest received the same call.

"Baby, do you know why Old Madam called us back? I heard from Shixiu that Second Uncle and the rest were called back, too." Jiang Luoli held Qiao Mianmian's hand and asked softly.

The entire family had been called back. They must have something important to announce.

"I'm not sure, either. Grandma only told us to come back, she didn't say anything else." Qiao Mianmian guessed that this had something to do with Madam Mo.

Madam Mo almost killed her own granddaughter with Tang Ya. Even if it was a false alarm, she couldn't just pretend that nothing happened.

Tang Ya was punished.

Madam Mo had to pay for what she'd done.

Old Madam called the whole family back today. Madam Mo's punishment must have been decided.

A moment later, they entered the hall.

Qiao Mianmian immediately saw Old Madam sitting with a serious expression. Mo Xingshu and Second Madam were sitting on Old Madam's left, and Mo Yunchen was sitting on her right.

Just as Qiao Mianmian guessed, Madam Mo, who had disappeared for a few days, was also there, but she was the only one standing.

At this moment, Madam Mo didn't have her usual aura. She stood in front of the Old Madam with a pale face, and her hands were clasped together uneasily. Perhaps it was because she hadn't rested well, but she looked haggard. Even the makeup couldn't hide her tiredness.

She usually dressed well and had exquisite makeup. It was rare for her to be dressed so casually. Even her hair looked a little messy.

She didn't even have the mood to do her hair.

This was the first time Qiao Mianmian saw Madam Mo so "slovenly".

"Old Madam. Young Master and Young Madam are back."

Old Madam looked up at Qiao Mianmian and the rest. She seemed to be in low spirits, too. She rubbed her temple and said tiredly, "The children are back. Sit down first. I have something to tell you.."

Chapter 2959: Wenpei and I Divorced

Madam Mo's body stiffened, and then her shoulders drooped weakly.

After a while, everyone sat down. Only Madam Mo stood there with a pale face.

"Now that everyone is here, I'll start talking." Old Madam looked at Madam Mo, who was standing in front of her with her head down and tears in her eyes. She shook her head and sighed. "I called all of you back today to tell you that Yunchen and Wenpei are no longer husband and wife."

Mo Xingshu and Second Madam were shocked.

Mo Yesi and Mo Shixiu's expressions didn't change. It seemed like they already knew about this.

Qiao Mianmian and Jiang Luoli had more or less guessed it, so they accepted it calmly.

They had already heard that Mo Yunchen wanted to divorce Madam Mo.

But they weren't sure if they had really divorced.

Now that Old Madam said so, it seemed like they were officially divorced and had gone to the Civil Affairs Bureau to settle the relevant procedures.

Only Mo Xingshu and Second Madam seemed to have just found out about this. They were very shocked.

"Mom, w-what did you say? What do you mean Big Brother and Sister-in-law are no longer husband and wife?" Second Madam widened her eyes and looked at Mo Yunchen, who had a serious expression, and then at Madam Mo, who was crying silently. She asked in disbelief, "Big Brother and Sister-in-law are... divorced?"

Mo Xingshu was also shocked. "Mom, what did you mean by that?"

"Brother, you and Sister-in-law, you..." Mo Xingshu turned to ask Mo Yunchen.

Under everyone's gaze, Mo Yunchen stood up and turned away from Madam Mo. He said with some difficulty, "Wenpei and I have divorced. I will give half of the assets under my name to her. I have already gotten the lawyer to split the other half of the assets into three portions. One for Yesi, one for Shixiu, and the remaining portion for Xiao Ya."

The old lady's expression didn't change when she heard that. When Mo Yunchen said that he would give Tang Ya some of his assets, she said in surprise, "Yunchen, I don't care how you distribute your own assets, but do you really want to give Tang Ya a portion of your assets? Although she's also a member of the Mo family, she didn't grow up in the family and doesn't have any feelings for you. You..."

"Mom, this is a decision I made after careful consideration. I know what I'm doing." Mo Yunchen narrowed his eyes and said in a low voice, "My life was saved by Wangiu. Not only did I not repay her for saving me, but I also let her down. I should have made it up to her a long time ago.

"But she's already dead, and the only person I can make it up to is Xiao Ya. This is settled, I won't change my decision."

Seeing that he was determined, Old Madam did not say anything else.

It was a fact that Tang Wangiu saved her son's life back then, that was more important than anything else. It was only right for him to repay the debt with all of his assets.

Back then, she wanted to give Tang Wanqiu a sum of money to repay her for saving her son.

However, she was an extremely proud and unyielding woman. That astronomical sum that others did not even dare to dream of did not move Tang Wangiu at all.

Forget it.

She would just treat it as returning the favor from back then.

Chapter 2960: You're Too Much

The old lady didn't say anything else. "I don't object to you leaving some money for your daughter, but I won't allow you to help her with anything else. Tang Ya is now in the police station, and you're not allowed to get her out.

"She almost hurt my precious great-grandchild. If she doesn't receive some punishment, I won't agree to it."

Mo Yunchen kept a straight face and replied, "Yes, I got it."

"If you have anything to say, you can say it now." Mo Yunchen looked at Mo Shixiu and Mo Yesi. "What do you think about my decision?"

"Dad, I have no objections. You can allocate your money however you want." Mo Yesi already had countless assets under his name. He never cared about how his elders allocated their assets, so he naturally had no objections to Mo Yunchen's arrangements.

comment

He didn't really care if his share was there or not.

Even if Mo Yunchen gave all his wealth to Tang Ya, Mo Yesi wouldn't think much of it.

He could earn his own money.

As for the elders' assets, they were just icing on the cake.

"Thave no objections," Mo Shixiu said. "You can allocate your assets however you want. You don't have to ask us."

"Alright. Since you don't have any objections, this matter is settled."

"Sister-in-law, what's going on? Why did you and Big Brother divorce? Also, what Tang Ya, what daughter? Why does Big Brother suddenly have a daughter?" Second Madam looked at Madam Mo, who was crying silently, and pulled her arm anxiously. "Sister-in-law, say something. What's going on between you and Big Brother?"

“How could they divorce just like this? Could it be...” Second Madam suddenly looked angry. “Could it be that Big Brother has someone outside? That daughter of his is his illegitimate daughter with another woman?”

“Sister-in-law, did you divorce Big Brother because of this?”

Before Madam Mo could say anything, Second Madam was sure that she had guessed correctly. She turned around and questioned Mo Yunchen angrily. “Big Brother, how could you do this? You’re too much.”

Mo Yunchen pursed his lips and didn’t explain himself.

Second Madam was sure about it now.

She yelled at him. “Sister-in-law is gentle and virtuous. She gave birth to such outstanding sons for you. Big Brother, what else are you unsatisfied with? You actually want to fool around outside.

“And now you’re even planning to give your illegitimate daughter a share of the assets. Have you thought about how Sister-in-law feels? Have you thought about how we feel? Big Brother, you...”

“Enough, stop talking. You don’t even know what happened, why are you blaming Big Brother?” Mo Xingshu interrupted her with a frown.

“Did I say something wrong?” Second Madam said indignantly. “If I did, why didn’t Big Brother defend himself? Sister-in-law is crying silently. If she hadn’t suffered so much, would she be like this?”

“Big Brother isn’t such a person.” Mo Xingshu was a little angry too. “Stop talking nonsense.”

“Since Big Brother didn’t do anything to let Sister-in-law down, why did they divorce? Could it be that Sister-in-law did something to let Big Brother down?”
