

Big Shot 601

Chapter 601: Sister Nian

His sexy thin lips curved up slightly. They had not seen each other since that concert.

Qiao Nian kept her head lowered, anxiety written all over her face. Had something happened?

With this thought in mind, Lu Nian took the initiative to walk up to Qiao Nian and stop her.

Qiao Nian had been walking with her head lowered the entire time. Out of the corner of her eye, she noticed that there was someone in front of her. She moved slightly to the left, wanting to circle around him, but she didn't expect the man in the suit to continue walking in front of her.

She walked to the right, but the man in front of her still moved in front of her.

Puzzled, Qiao Nian looked up. When she saw Lu Nian's face, her heart skipped a beat.

Second Brother!

Qiao Nian wanted to greet him. When she thought about how her eldest brother hadn't told Second Brother about her, she realized that if she rashly acknowledged him as her brother, it would probably cause unnecessary trouble.

With this thought in mind, Qiao Nian suppressed the address she had almost blurted out and smiled at the man in front of her.

The man had a pair of beautiful phoenix-like eyes. The ends of his eyes were raised. His eyes were filled with starlight and temptation, making one unable to look away.

Qiao Nian wanted to call him "Brother". Although they acknowledged each other as god siblings last time, perhaps Second Brother was just joking. She couldn't take him seriously.

With this thought in mind, Qiao Nian said, "Lu..."

"Sister Nian," Lu Nian called out, inadvertently interrupting Qiao Nian.

His voice was low and hoarse, soul-stirring.

Qiao Nian couldn't help but smile. Her eyes were filled with Lu Nian's charming face. She still remembered the first time she saw Lu Nian and was stunned by his appearance.

Qiao Nian looked up at Lu Nian. She didn't expect that the first person she recognized was her biological brother.

"Brother Ah Nian!" Qiao Nian called out softly.

Lu Nian looked at Qiao Nian. For some reason, he felt that Qiao Nian's smile was especially sweet today. He smiled and said softly, "Yes."

Qiao Nian had a thousand words to say, but she didn't know what to say. When she thought of how Gu Qi was still waiting for her at home, she smiled and said, "Brother Ah Nian, when are you free? Shall I treat you to a meal?"

Lu Nian had been a little busy recently. Every time he composed, he would lock himself in his room and not leave. He had wanted to refuse, but when he saw the smile on Qiao Nian's face, he swallowed his words.

"Tomorrow will do," Lu Nian said with a smile.

The smile on Qiao Nian's face grew brighter. "Okay, I'll call you tomorrow."

"Hm."

Qiao Nian waved at Lu Nian and walked out.

When she saw Second Brother just now, she was in a good mood. However, when she thought of Gu Qi's situation, she frowned again.

At this moment, the elevator door opened again and Lu Zhu walked out.

Lu Zhu happened to see Qiao Nian and Lu Nian waving goodbye. He also saw the smile on her face. He had mixed feelings.

During his time with Qiao Nian, she would smile at him too, but she had never been so obedient and sweet.

Perhaps it was because the situation was not right.

At that time, they were in MY. As he had been shot, his body was weak, and his injuries hadn't recovered. Every time Qiao Nian smiled at him, her eyes were filled with worry.

Sigh.

If only he wasn't sick.

Then he could see Sugar's sweet smile.

Lu Nian retracted his gaze from Qiao Nian. When he turned around, he inadvertently saw Lu Zhu looking at Qiao Nian's back in disappointment.

His brow furrowed and his thin lips pursed.

Although his eldest brother didn't have an aversion to women, he would never get so close to other girls, much less stare at them.

Lu Nian looked at Lu Zhu calmly. For some reason, he felt that Lu Zhu seemed to be jealous.

Could it be?

Lu Nian gasped.

Could Third Brother words be true?

Lu Nian quickly walked up to Lu Zhu, blocking his view of Qiao Nian.

“When you saw Su...” Lu Zhu had just said the word “Sugar” when he saw Lu Nian’s serious gaze. Could it be that Lu Nian and Sugar had yet to acknowledge each other?

That made sense. Sugar was a person with a sense of ritual. She would definitely want to be able to formally acknowledge her relatives properly.

Chapter 602: Sweetheart

“What?” Lu Nian frowned slightly and asked in confusion, “Are you telling me that you plan to meet Tang Rou today?”

Tang Rou was the blind date Grandma Lu had introduced to Lu Nian. The two of them had met a few times.

“It’s nothing,” Lu Zhu said indifferently. He only felt that the name Tang Rou sounded familiar, but he couldn’t remember who it was.

“Or does Brother want to reject Grandma’s good intentions and fall in love freely, hmm?” Lu Nian’s voice rose slightly as he asked casually.

“What?” Lu Zhu’s frown deepened.

“Brother, you don’t have to hide it anymore. You’re so seriously injured, but you still insisted on going out today. Aren’t you going to meet your sweetheart? What else can you do?” Lu Nian asked casually. His eyes narrowed with a smile, but his gaze was fixed on Lu Zhu’s eyes.

Lu Zhu walked out and said coldly, “Third Brother has just returned, and you’ve already learned to gossip?”

Lu Nian followed and reached out to support Lu Zhu. He said tentatively, “How can I be gossipy when I’m concerned about my brother’s marriage? I think your attitude towards Qiao Nian is very special. Very different.”

“Huh?” Lu Zhu turned to look at Lu Nian.

“Brother, you’re not the only one who thinks this way. Gu Zhou would think so too.” Young Lu smiled and said, “Just now, Gu Zhou called me and said that he was concerned about your health.”

Lu Zhu stopped in his tracks and frowned. He turned to look at Lu Nian. “What else did you say?”

“I think he wants to confirm something.” The smile on Lu Nian’s face gradually disappeared as he said solemnly.

Lu Zhu lowered his gaze.

Was Gu Zhou being too suspicious?

Sugar had only gone out for a while, yet Gu Zhou wanted to confirm this matter.

How odd.

Lu Zhu looked up at Lu Nian and saw the scrutiny in his eyes. He instantly understood.

Lu Nian definitely didn't know that Qiao Nian was Sugar. If he knew, he wouldn't have called Qiao Nian "Sister Nian", let alone think that he had an unspeakable relationship with Qiao Nian.

Seeing Lu Zhu's heavy expression, Lu Nian frowned and asked, "Don't tell me you have other thoughts about Sister Nian?"

Lu Zhu frowned and said helplessly, "What kind of nonsense is in your head? How can you write a good song like this? When you get back, you should go to the ancestral hall first. You can write a song later."

In Lu Nian's eyes, his words were an excuse. Lu Nian's beautiful thin lips curved up slightly, and he said seriously, "Brother, you can't be the third party in destroying someone else's family, let alone my Second Brother's family!"

Lu Zhu's chest tightened. He was in a mess.

Previously, when Ah Rao wanted to pursue Qiao Nian, he had even warned Ah Rao not to have any designs on Qiao Nian.

What goes around comes around. It had only been a few days, but it was Ah Nian's turn to warn him.

What was going on?

Lu Zhu raised his hand and adjusted his glasses. He asked calmly, "When did you acknowledge her as your sister? Why didn't I know?"

"During the concert."

Lu Zhu was speechless.

Unexpectedly, Sugar called him Brother Ah Nian.

Her heart sank even further.

"Let's go home." Lu Zhu no longer wanted to say anything.

Lu Nian looked at Lu Zhu in confusion. His brother's mood was fluctuating. Had he really fallen for Qiao Nian?

His beautiful phoenix-like eyes gradually narrowed. It seemed that he had to keep an eye on his brother in the future.

After Lu Zhu calmed down, he turned to look at Lu Nian and said gently, "Don't let your imagination run wild. I won't do anything rash either. Go and prepare for your new song launch. Sister is still waiting for your new song."

When Lu Nian heard this, the light in his eyes gradually dimmed. He sighed helplessly.

This time, his new song was specially prepared for Sugar.

Unfortunately, Sugar would never hear his music again.

The anniversary of Sugar's death was approaching again.

He thought of his sister and felt even worse. All he wanted to do was hold a concert to commemorate Sugar. He didn't know if Sugar would still be able to hear him. "Do you think Sugar has already been reincarnated?"

Lu Zhu pursed his lips and glanced to the side indifferently. "I don't think so. Get ready. There might be other surprises."

Chapter 603: Towards the Light

It was impossible for Sugar to reincarnate, because she was still alive.

However, it wasn't appropriate for him to make things clear to Lu Nian now. He would let Lu Nian miss Sugar for a while longer!

Lu Nian didn't notice Lu Zhu's gaze. He sighed helplessly and walked out in disappointment.

... .

Qiao Nian walked to the parking lot outside and took out her phone to call Su Sheng. Before she could make the call, she saw a young and beautiful girl waving at her.

She walked over.

When Su Sheng saw Qiao Nian's face, a trace of surprise flashed across her face. She smiled and asked, "Excuse me, are you Miss Qiao?"

Only when Qiao Nian walked closer could she see Su Sheng's face clearly. Su Sheng's long golden hair fell loosely on her shoulders, and she was wearing a diamond headband. She was dressed like an idol, but her eyes were very gentle, making one involuntarily have a good impression of her.

"Hello, Doctor Su," Qiao Nian said with a smile.

"I'm not a doctor yet. Just call me by my name. It's more convenient. Let's talk in the car." Su Sheng smiled and opened the driver's door first.

Qiao Nian walked to the front passenger seat, opened the door, and got in. She lowered her head and fastened her seatbelt.

"Where are we going?" Su Sheng asked with a smile.

"The Gu family's villa."

Hearing Qiao Nian's words, Su Sheng's hand froze for a moment. She looked at Qiao Nian again, as if asking if she had given the wrong address.

Qiao Nian met Su Sheng's confused gaze. Only then did she remember the situation in the Gu family villa. Most people wouldn't dare to go there. She smiled and explained, "The child is staying there for the time being."

Hearing Qiao Nian's words, Su Sheng smiled knowingly. "I see!"

"Okay," Qiao Nian replied with a smile.

As Su Sheng drove, she turned on the music.

As soon as the song began, Qiao Nian's eyes lit up. She said, "I remember that this song was a limited edition song released by Mr. Dong Hua called 'Towards the Light'. I heard that there were only twenty copies."

She was a fan of Mr. Dong Hua, and it was Mr. Dong Hua who had pulled her out of the darkness. She liked to listen to all the songs Mr. Dong Hua had released, and she treasured them.

However, Brother Cao was worried that she would be nervous during the concert. He had specially played "Towards the Light" for her to relieve her nervousness.

At that time, it had only been a short while. When she heard the first part, she instantly relaxed.

The concert was a success.

When Su Sheng heard Qiao Nian's words, a bright smile appeared on her face. She said proudly, "Yes, it was my birthday. Senior Sister bought it for me as a gift. I've been keeping it ever since."

When Qiao Nian heard this, she sighed. "It's really nice."

Previously, she had always felt that she was already very lucky to have Lu Nian as her godbrother. After all, Mr. Dong Hua was her idol and her salvation.

If she hadn't gone to MY, she would never have thought that the famous Mr. Dong Hua was actually her biological brother.

At this moment, the relaxed rhythm of the song gradually changed, becoming more and more passionate.

Qiao Nian frowned, feeling a little surprised.

The front of this song was warm and relaxed. It could make those who were lost in the darkness find their future direction. It made one feel warm and comfortable, as if they were basking in the sun in winter.

However, the second half of the song was different. It gave off a feeling that the sunlight had disappeared, and darkness had enveloped the entire world, bringing despair and pain.

At this moment, Qiao Nian felt as if she was searching for light in the darkness. However, when she took a step forward, the light in front of her instantly disappeared.

Gradually, she lost herself in the darkness. Her heart began to ache uncontrollably, and the feeling of suffocation grew more and more obvious.

Previously, she had only listened to the first half of the song and relaxed. However, she had never expected the second half to be so despairing.

Chapter 604: Fans Meet Fans

Qiao Nian was like a person drowning in darkness, unable to touch the light. She was also like a drowning person who couldn't swim to the surface.

The suffocating feeling enveloped her. Her heart seemed to be clenched tightly by an invisible hand. It hurt terribly.

Previously, Brother Cao had only played the first part of the song for her. At that time, she was very relaxed and wholeheartedly immersed in the song. She had wanted to continue listening, but Brother Cao took the music away.

At that time, she hadn't had enough. However, because she was going on stage to perform, her mind quickly shifted away from the song.

She had never expected the difference between the first and second half of the song to be so great.

Qiao Nian frowned slightly. She didn't know under what circumstances Second Brother had composed such a completely different tune.

Qiao Nian sighed heavily. Her phone rang with a notification. She opened it and saw that it was from Gu Zhou.

"Little Qi is squatting under the curtains and not speaking."

Qiao Nian imagined Little Qi squatting pitifully in a corner. He was still so young, but he had suffered so much that he shouldn't have. She hurriedly replied, "I'm on my way home."

After sending the message, Qiao Nian sighed heavily. She really hoped that Gu Qi was just pretending to be autistic to gain attention.

Su Sheng realized that Qiao Nian didn't look well. She asked worriedly, "What happened?"

Qiao Nian forced a smile and said gently, "I'm just a little worried about the child."

"Don't worry, it'll be fine," Su Sheng said with a smile. The music changed, and the song was still played by Mr. Dong Hua. She changed the topic. "Are you also a fan of Mr. Dong Hua?"

When Qiao Nian heard Su Sheng's question, she smiled and nodded. "Yes."

"Me too. We're all the same. How did you fall in love with Mr. Dong Hua's music?" Su Sheng asked excitedly.

When fans met fans, as long as they talked about their idols, they would have many things to say.

At this moment, Qiao Nian was discussing Mr. Dong Hua with Su Sheng. The pain in her heart gradually dissipated. "I overheard it when I was young and fell in love with him."

When Su Sheng heard Qiao Nian's words, she said with a look of longing, "I was under a lot of pressure when I was studying in high school. When I heard Mr. Dong Hua's music, the pressure on me disappeared. He was the light on my path."

Although Su Sheng's words were a little cheesy, Qiao Nian could empathize. She had felt the same way back then.

"Mr. Dong Hua has a song that has a hypnotic effect. I heard from Senior Sister that she used that song to hypnotize a patient back then. The effect was especially good. Later on, she often used that song to hypnotize her patients. I was curious once and followed her. Just by listening to the song 'Oxygen', I was almost hypnotized."

When Qiao Nian heard Su Sheng's words, Gu Qing's face flashed in her mind. When she spoke to her brother, her expression was as usual, and she seemed to be very close to him.

She wondered if Gu Qing knew that Second Brother was Mr. Dong Hua.

Qiao Nian was deep in thought when Su Sheng spoke again.

"I heard that you're Mr. Dong Hua's female musician. I didn't expect you to be his fan either," Su Sheng said with a smile, her voice filled with joy. It was obvious that she was a very talkative girl.

Qiao Nian thought for a moment, then shook her head. "It's still a little different."

In the past, she had treated Mr. Dong Hua as her own light, but now that she knew that Mr. Dong Hua was her second brother, she felt a strange feeling in her heart.

Su Sheng asked curiously, "What does Mr. Dong Hua look like? Have you seen him?"

"No."

"What a pity. Sigh, I really want to meet Mr. Dong Hua. He must be a handsome man." When Su Sheng said this, her voice was filled with admiration.

Qiao Nian had only said that she had never met Mr. Dong Hua to avoid unnecessary trouble. One had to know that Second Brother had always liked to keep a low profile and never appeared in front of the media.

"I just think that talented people are handsome," Su Sheng said with a smile.

Su Sheng looked straight ahead, her eyes flashing. From Qiao Nian's attitude, she could tell that she was lying.

Chapter 605: Stunned

However, this didn't matter. She already knew what Mr. Dong Hua looked like.

Perhaps only she knew this little secret!

Mr. Dong Hua must be Lu Zhu!

She had evidence.

That time, when Senior Sister was accidentally drunk, she took the opportunity to hypnotize her.

Senior Sister could casually give her a copy of Mr. Dong Hua's limited edition album. In that case, Senior Sister might know Mr. Dong Hua.

Ever since she heard Mr. Dong Hua's song, she had been deeply in love with it. She treated the song as a part of her life.

She was also getting more and more curious about who Mr. Dong Hua was. Therefore, when she had the chance, she began to search for the truth.

"Senior Sister, do you know Mr. Dong Hua?"

"Hm."

"Who is Mr. Dong Hua?"

"Mr. Lu..."

When she asked this question, she was so nervous that her heart was about to jump out of her chest. Her breathing also quickened.

Mr. Lu.

Senior Sister was especially close to Lu Zhu, and they were schoolmates.

At that time, she was completely stunned.

In the beginning, she had treated Mr. Dong Hua as her idol, a god, and an elder. That was because she felt that Mr. Dong Hua might be an old man.

No matter how much she liked Mr. Dong Hua's music, she had never liked him.

However, when she found out that Mr. Dong Hua was Lu Zhu, she could not calm down.

Lu Zhu.

He was a famous figure in An City. At a young age, he was extremely wealthy.

There were very few men in this world who were rich, powerful, and talented.

Su Sheng's lips curved up slightly. When she realized that the idol she admired was someone close to her, she could no longer remain calm.

Every song Mr. Dong Hua had composed had been deeply engraved in her heart.

It seemed that only she knew Mr. Dong Hua's true identity. She had to strike first. She had to take down Mr. Dong Hua first.

At the thought of this, Su Sheng's eyes were filled with joy.

Out of the corner of her eye, Qiao Nian inadvertently noticed the smile on Su Sheng's face. She looked as if she had secretly eaten honey. Only a woman in love would look like that.

Strange. This song was clearly very sad. Why was she so happy?

Could it be that Su Sheng's liking for music had already surpassed that of ordinary people? Had she already reached the point where her soul and music could fall in love?

This was not something ordinary people could achieve.

Qiao Nian couldn't help but smile. For some reason, she felt a little proud. Second Brother's music was well-liked.

Su Sheng drove. When the car entered the Gu family's villa, the relaxed expression on her face gradually disappeared. She asked uneasily, "Miss Qiao, should we show some identification before we can enter?"

"There's no need. Just let me know," Qiao Nian said with a smile. The security guards of the Gu family villa already knew her. There was no need to show any identification.

Su Sheng smiled politely, still feeling uneasy.

The car drove smoothly.

The more Su Sheng drove, the more careful she became. When she was about to reach the Gu family villa, she saw a security booth from afar. Her heart jumped to her throat.

When the security guard saw an unfamiliar car, his expression instantly turned serious. He immediately stood up and prepared to intercept it.

But as the car approached, he saw Qiao Nian in the passenger seat. He slowly sat back down.

Su Sheng naturally saw all the security guards' actions. A trace of confusion flashed in her eyes. Soon, she realized that it must be because the security guards had seen Qiao Nian.

This time, the security guards didn't even stop her. Only then did Su Sheng realize that Qiao Nian's status in the Gu family wasn't low.

She smiled and asked tentatively, "Is it so easy to enter the Gu family villa?"

"I'm the doctor of the Second Young Master of the Gu family. I come here often, so the security guards all know me," Qiao Nian explained calmly.

Su Sheng was slightly surprised. Then, she asked in disbelief, "So you're a doctor too?"

"Yes, but I'm not a psychiatrist. I hope Doctor Su can take a look at Little Qi's mental health," Qiao Nian said with a smile.

"No problem." Su Sheng smiled brightly. She was familiar with this aspect.

The car stopped outside the villa. Su Sheng and Qiao Nian got out of the car and walked in.

This was the first time Su Sheng had come to the legendary Gu family villa.

Chapter 606: Suffocation and Fear

The Gu family and the Lu family were ranked first together. Although the Lu family was relatively active in An City, no one underestimated the Gu family.

The Gu family's ability to do whatever they wanted was still awe-inspiring.

It was said that a family had offended the Gu family. The next day, all the information regarding this family was wiped out. Even those who knew the truth did not dare to reveal a trace of it.

The two of them walked in. Just as they entered the living room, Su Sheng felt a powerful pressure. She stopped in her tracks, not daring to move forward.

Qiao Nian looked up and saw Gu Zhou walking over from the stairs.

He was wearing a white shirt and well-tailored trousers. Step by step, he walked towards Qiao Nian.

When he walked to the middle of the living room, the sunlight shone through the window and fell on him. He was so white that he seemed to glow.

The coldness in his eyes instantly dissipated the warmth in the room.

Su Sheng glanced at the person carefully, too frightened to take a step forward.

The rumored Gu Zhou was ugly and short-lived. He looked like a demon from hell.

It seemed that rumors could not be trusted completely.

Su Sheng pursed her lips slightly. Gu Zhou looked much better than the male celebrities in the entertainment industry now, but the cold aura around him matched his aura of a demon from hell.

Su Sheng swallowed nervously. She looked at Qiao Nian in a panic. She was an intruder. If Gu Zhou wanted to settle scores with her, she could only bring Qiao Nian out.

Qiao Nian frowned slightly, staring unblinkingly at Gu Zhou. He seemed even colder than before, and his gaze seemed to have grown sharper.

Strange.

What was wrong with Gu Zhou?

Qiao Nian frowned. Sensing that he was staring at her coldly, she pretended to be calm. "Second Young Master, are you preparing to leave the house?"

As she spoke, Qiao Nian glanced around but didn't see Chen Qing.

She had made an agreement with Gu Zhou previously. In front of outsiders, they were patients and doctors. Now that Su Sheng was here, she began to act as a doctor again.

Qiao Nian glanced at Su Sheng from the corner of her eye. Su Sheng was like a child who had done something wrong. Her hands were intertwined, and she lowered her head in silence.

At this moment, Qiao Nian saw Chen Qing walking down the stairs, his face pale. Her gaze fell on his face, as if asking what was wrong with Gu Zhou.

Chen Qing quickly walked up to Qiao Nian and glanced at Gu Zhou, who was standing in the living room, staring at Qiao Nian. He said in a low voice, "Second Young Madam, Second Young Master has become even stranger."

Qiao Nian frowned slightly.

"After you left today, Second Young Master has been staying in the study. After he came out, he didn't seem to recognize me. The moment he left, he asked me where Nian'er had gone. Do you think he..."

"I understand." Qiao Nian steadied her voice.

Gu Zhou would only call her Nian'er when he was Gu Chuan.

She looked at the coldness in his eyes and felt a little flustered.

What triggered Gu Zhou? Otherwise, why would Gu Chuan come out?

"Second Young Master has been standing by the study window looking out today. He seems to be in a daze, as if he's waiting for someone. When I spoke to him, he didn't say a word. I was scared to death."

"The third," Qiao Nian said in a low voice.

Whatever she feared would happen. She was most afraid of Gu Chuan.

One had to know that Zhou Zhou could just be coaxed casually. Even Gu Zhou only needed to be spoken to properly. Only Gu Chuan did not give her a chance to speak at all.

Qiao Nian took a deep breath and maintained her composure. In a low voice, she said, "Accompany Miss Su now. She's a psychiatrist I've specially hired to treat Little Master. If I don't return, don't let her see Little Master. Wait for me to return."

When Chen Qing heard Qiao Nian's words, he heaved a sigh of relief. He really didn't want to see such a terrifying Second Young Master now.

Just one look from Second Young Master was enough to make his heart stop.

Now that he could leave, Chen Qing was overjoyed.

Chen Qing walked up to Su Sheng impatiently and said, "Doctor Su, please come here. Wait a moment."

Su Sheng wished she could leave as soon as possible. Although Gu Zhou looked like a true god and was peerlessly beautiful, the coldness emanating from this person was a little overwhelming.

After the two of them left, Qiao Nian hesitated on how to break the deadlock.

"Nian'er."

This low and hoarse voice was magnetic, like a glass of red wine. One could not help but fall into it.

Qiao Nian's body instantly tensed up. She recalled Gu Chuan's warning the last time.

At this moment, Gu Zhou was like a poppy flower. He was beautiful and bewitching, making one fall into a trance.

Chapter 607: My Feet Hurt

But Qiao Nian only wanted to escape.

The possessiveness in the man's eyes grew more and more obvious. He opened his mouth slightly and said, "Come here."

Qiao Nian really wanted to escape. Gu Chuan's personality was too terrifying.

If there were no guests today, she might have run away.

She had specially invited Doctor Su over today because she wanted Doctor Su to treat Little Qi.

So she couldn't escape.

Just as Qiao Nian was about to speak, she saw the man frowning. Her mind raced, and she hurriedly bent down, pretending to be pitiful. "Oh my, my feet hurt. I might have sprained them when I came in. I have to sit down."

With that, she carefully moved towards the sofa.

The man frowned and walked towards Qiao Nian. His footsteps were clearly faster than when he had gone downstairs.

When she saw the man approaching, she was about to accelerate when the man picked her up like a princess.

At this moment, the butler, who had just passed by, looked at this scene in disbelief. His jaw dropped to the ground.

The butler watched as Second Young Master carried Second Young Madam up and walked towards Second Young Master's guest room.

Oh my god!

Had he gone senile?

In the past, he had always felt that Second Young Master and Second Young Madam treated each other with respect. Now, it seemed that he had misjudged. Just now, Second Young Master had looked at Second Young Madam with love.

That strong love seemed to want to tear Second Young Madam apart.

Could it be that the two of them had entered the room to make babies?

It seemed that the old lady's wish to have a grandson would be fulfilled soon.

With this thought in mind, the butler saw that the cleaning servant was about to go upstairs. He chased the servant away and asked them to come back later to clean.

He quickly walked towards Matriarch Gu's room and knocked on the door. When he heard Matriarch Gu say, "Come in," he pushed the door open and entered.

"Matriarch, this is good news! Great news!" The butler said excitedly.

When Matriarch Gu heard the butler's words, her eyes lit up. She asked, "Has Young Master returned?"

The butler was slightly stunned. This was not the good news he had wanted to tell her.

Matriarch Gu looked at the butler's expression and knew that she had guessed wrongly. She asked again, "What good news?"

The butler hurriedly recounted everything he had seen downstairs in detail. In the end, he repeated, "Second Young Master couldn't wait to hug Second Young Madam and return to his room."

"Really?" When Matriarch Gu heard that the two children had never consummated their marriage, she felt very upset. She felt that she had been deceived. However, when she heard the butler's words, her lips curved up uncontrollably. "Did you see it with your own eyes?"

"Yes, I'm definitely not wrong. Second Young Master was personally carrying Second Young Madam. I was also shocked at that time, but when I thought about it, it made sense. Second Young Master and Second Young Madam's relationship is getting better and better every day. This is the first time I've seen Second Young Master looking at someone so intently!" The butler smiled until his face was covered in wrinkles. He was looking forward to Second Young Master and Second Young Madam having a few more children. "Looks like there will be a new Young Master in the family soon."

Matriarch Gu's smile grew even brighter. Although her heart ached for Gu Qi, this child was not of the Gu family's legitimate bloodline. She still hoped that Gu Zhou and Qiao Nian would have a child together.

At this moment.

The man carried Qiao Nian back to her room. He even kicked the door shut.

She was placed on the bed by the man. She sat up straight and saw the man walk to the medicine box beside the wardrobe and bring it to her.

Qiao Nian instantly understood that he wanted to help her apply medicine. She hurriedly said, "This is a small matter. I'll do it myself."

The man lowered his head and looked into Qiao Nian's face. In an instant, his eyes were filled with coldness. His voice was low and hoarse. "Nian'er, why won't you listen to me?"

Gu Chuan was standing very close to her. Qiao Nian could hear his every breath, and could clearly see his every eyelash. She could also see the displeasure and frustration in his eyes. He seemed to want to imprison her.

"I didn't." Qiao Nian could only calm him down for the time being.

"Is that so?" The coldness in the man's words was even more obvious.

"Gu Chuan, my feet hurt," Qiao Nian said pitifully.

Chapter 608: Lying to Me Again?

Helplessness flashed in the man's eyes. He squatted down and reached out to help Qiao Nian take off her shoes.

"Don't." Qiao Nian wanted to retract her foot.

The man didn't speak. He just held Qiao Nian's foot stubbornly.

"Let go." Qiao Nian looked anxious.

"I didn't let go last time, and I won't do it again." The man knelt on one knee in front of Qiao Nian and looked up at her. His eyes were gentle, and his voice was hoarse, as if he was tugging at Qiao Nian's heartstrings.

Qiao Nian looked at him in surprise.

What did he mean by not letting go the last time?

Qiao Nian looked at the man in front of her in confusion. She seemed to have thought of something and said softly, "I..."

"Or are you lying to me again?"

Qiao Nian immediately gasped. When he was talking to her just now, he had already taken off her shoe, revealing her fair and flawless foot. His hand was holding her foot tightly.

This...

If a person with a sprained ankle was touched, they would definitely cry out in pain.

She had been so wary of the man in front of her that she had completely forgotten about this.

She pursed her lips. She had a bad feeling about this. Seeing the man's face gradually enlarge, she said, "You went to see Lu Zhu, huh?"

Qiao Nian moved back silently. The man's voice was too dangerous. His last word was mixed with his displeasure.

The atmosphere in the room gradually darkened. Qiao Nian pursed her lips and looked at the man in front of her uneasily.

Qiao Nian was slightly stunned.

How did Gu Chuan know that she had gone to look for Lu Zhu?

Huh?

Right, Gu Chuan seemed to know Gu Zhou. Did Gu Zhou also know that she had gone to look for Lu Zhu?

This...

Was Gu Zhou spying on her?

Previously, he had asked Chen Qing to send her off not because he cared about her, but because he wanted to monitor her.

Could it be that Gu Zhou was so angry that he wanted to question her, but wanted to control himself? Was that why his personality had changed? Was that why Gu Chuan had come out?

Qiao Nian pursed her lips slightly and looked at the man in front of her. The man's eyes were filled with anger, but he restrained himself, as if he didn't want to hurt her.

She was prepared to tolerate Gu Chuan's anger. Before she could speak, she was pressed onto the bed by the man.

The man looked down at her from above. Their bodies were pressed against each other, and Qiao Nian was almost unable to breathe.

She remembered very clearly that before she married Qiao Xin, she didn't know Gu Zhou at all. Moreover, she had never seen Gu Zhou before. The two of them had never interacted at all.

Moreover, it was impossible for them to have met.

Her memory was very good. She would never forget a man with such a strong aura like Gu Zhou.

In other words, they were originally two parallel lines. It was impossible for them to intersect.

She was very sure that the day she married Gu Zhou was the first time she had met him. During that meeting, she had also discovered that Gu Zhou was wary of her.

"Tell me!"

Smelling the scent on his body, Qiao Nian met Gu Zhou's compelling eyes. Panting heavily, she said, "It hurts, Gu Chuan. You're pressing down so hard that I can't breathe."

Perhaps Gu Chuan had mistaken her for someone else, but she was very sure that Gu Chuan would never hurt her.

Gu Chuan raised his body slightly. Qiao Nian felt fresh air rush into her chest, and she felt much better.

"Is this considered close?" The displeasure in Gu Chuan's eyes was obvious. He seemed to dislike Qiao Nian leaving him. "Didn't I tell you in the past not to leave me?"

Qiao Nian knew that Gu Chuan was very possessive, so she explained, "I asked him for help."

The man stared unblinkingly into Qiao Nian's eyes, as if he wanted to confirm the truth of her words.

Qiao Nian looked at the man in surprise. She didn't understand why he was jealous.

The man could see the confusion in Qiao Nian's eyes. He lowered his gaze slightly, but his voice was very domineering. "Nian'er, do you really not remember?"

"I remember. You're Gu Chuan."

Qiao Nian said in confusion. She didn't understand what the man was trying to say. Why couldn't he just say it?

She was really curious.

But she didn't dare to ask.

She was really afraid that if she said anything wrong, Gu Chuan would touch her again.

"Have you really forgotten about me? I told you that if you did, I would punish you."

Chapter 609: Punishment

Punishment?

Qiao Nian had the feeling that she was still a child who would be punished by the adults for doing something wrong.

Qiao Nian still didn't understand what the man meant.

Could it be that she had met Gu Chuan before she married Gu Zhou?

In other words, Gu Chuan's personality had existed for a long time.

"You're on my bed, but still thinking about other things. I should have tied you to the bed so that you wouldn't be able to run away for the rest of your life."

When Qiao Nian heard Gu Chuan's words, she sensed his body pressing down on hers. She hurriedly reached out to resist. She didn't want to be suffocated by Gu Chuan again.

However, Gu Chuan was very strong. She could not resist him at all.

Just as she was about to speak, she saw Gu Chuan's hurt expression. She frowned slightly.

Those who didn't know better would think that she was a heartless person. She wasn't even responsible for dumping him.

Qiao Nian imagined the scene of Gu Chuan being dumped and hurriedly said, "Gu Chuan, why don't you think about it carefully? Did you get the wrong person?"

Hearing Qiao Nian's words, Gu Chuan's expression instantly darkened. His eyes, which were filled with stars, instantly turned as dark as ink, making one feel suffocated.

Gu Chuan continued, "Even if you turn to dust, I'll still be able to recognize you. I'll piece you back together bit by bit. Nian'er, don't even think about escaping!"

"No, you might really be mistaken..."

“Nian’er, I’m the one who gave you your life.” The man interrupted Qiao Nian impatiently.

Your life was given to you by me!

Qiao Nian’s heart began to race uncontrollably. She looked up at Gu Chuan. The places he had touched were burning hot. Her voice seemed to have disappeared as well.

After a long while, Qiao Nian finally spoke. “W-what do you mean?”

Could it be that he thought he was her father?

How was this possible?

If they were really father and daughter, Gu Chuan would never do such an ambiguous thing.

Seeing Qiao Nian’s serious expression, the man narrowed his eyes in displeasure. “You still haven’t remembered, huh?”

He stared unblinkingly at Qiao Nian. Qiao Nian felt a little suffocated under his gaze. All she wanted to do was escape.

She really couldn’t remember anything.

Had she really forgotten something?

Suddenly.

She vaguely felt that she had forgotten something important, but she couldn’t remember anything.

She really couldn’t remember having any interactions with him. Moreover, she was very concerned about what Gu Chuan had said about giving her a life.

Why couldn’t she remember such a big thing?

Gu Chuan looked into Qiao Nian’s eyes, his gaze filled with disappointment. All the sorrow in his heart surged out in an instant. He held Qiao Nian’s chin tightly with his right hand and asked in a low voice, “Nian’er, how could you forget that matter?”

Qiao Nian met Gu Chuan’s eyes. She was confused by the pain and infatuation in his eyes. For some reason, she was surrounded by sadness. Her voice was a little soft. “Gu Chuan...”

Gu Chuan silenced her with his mouth.

Qiao Nian’s body instantly tensed up. Gu Chuan’s pained expression flashed before her eyes, and her heart softened involuntarily. It seemed that she had to investigate Gu Chuan’s past.

As the stronger of the three personalities, Gu Chuan knew everything judging by his reaction today. Moreover, it was very likely that he had a childhood sweetheart who had grown up with him.

She was his childhood sweetheart’s substitute.

As Qiao Nian thought about it, she reached out to push Gu Chuan away. Unexpectedly, Gu Chuan bit her lip.

Pain streaked across her lips, followed by the faint smell of blood.

Was this man a dog?

He stubbornly wanted to find his childhood sweetheart, but he stubbornly refused to tell her what had happened. Now, he even bit her for no reason.

She suddenly recalled what he had said last time. If she didn't listen to him, he would bite her.

Initially, she had thought that "bite" was a threat. Now, it seemed that it was just a casual movement.

Gradually, her mind became muddled from lack of oxygen. The tip of her nose was filled with the man's pleasant scent.

Just as Qiao Nian was about to lose consciousness from suffocation, the man finally let go of her.

Panting heavily, Qiao Nian looked at the man in front of her.

Chapter 610: Aggrieved

The man's eyes gradually cleared. There was still blood on her lips.

Just as Qiao Nian was about to speak, the man stuck out his tongue and licked the blood off his lips. He looked at Qiao Nian with an invasive gaze.

Was he a pervert?

Who in their right mind would drink blood?

Qiao Nian met the man's eyes. His gaze was complicated. It was stubborn, domineering, and filled with pain and reluctance.

Strange. He had clearly done something bad to her. Why was he pretending to be aggrieved? What was there to be sad about?

Could it be that the two of them had really been together in the past?

Had she forgotten about him?

How was this possible?

Although she knew that this was impossible, she couldn't help but feel sad for him. She looked up at him and asked softly, "What have I forgotten?"

As soon as she finished speaking, the man's weak eyes closed and he fell onto her.

"Ahem."

Qiao Nian almost couldn't breathe. For some reason, her heart felt empty.

“Gu Chuan?” Qiao Nian looked at the sleeping man, whose breathing was steady. He seemed to be completely asleep.

It seemed that he had fallen asleep.

Qiao Nian’s gaze inadvertently fell on his thin lips. When she thought of how he had kissed her just now, the blood in her entire body began to heat up involuntarily. The numbing pleasure spread from her tailbone to her brain. Fascinated, she approached his lips.

Just as their lips were about to touch, Qiao Nian suddenly came back to her senses. She was still thinking about that kiss.

She looked at Gu Zhou worriedly. Gu Zhou’s condition was already very serious. She could not delay any longer.

With great effort, Qiao Nian pushed him away from her. Usually, Gu Zhou looked thin and weak, but he wasn’t light at all.

After much effort, she finally managed to move Gu Zhou away from her. Pulling the blanket over, she covered him with it.

It seemed that Gu Chuan’s obsession was that she had not remembered him. Perhaps if she started with his obsession, it would be easy to cure his personality.

If there was a chance, he could ask Gu Qing to hypnotize Gu Zhou and see if he could find any clues from his memories.

Qiao Nian heaved a sigh of relief. Thinking that she still had to get Su Sheng to treat Gu Qi’s illness, she turned around and walked out.

She had just taken a step when she vaguely heard the man talking in his dream.

“Nian’er...”

Qiao Nian stopped in her tracks. Something strange seemed to be brewing in her heart. She turned her head and saw the man frowning, as if he was looking for her in his dream.

Pursing her lips, Qiao Nian sighed softly and walked out.

After she left, she gently closed the door, as if she was afraid of waking him up.

She went downstairs to the living room on the first floor before calling Chen Qing.

“Doctor Qiao.”

Chen Qing’s voice came through the phone.

When Qiao Nian heard Chen Qing’s greeting, her lips curved up in a satisfied smile. She asked, “Where are you and Doctor Su now?”

“We’re in the garden now.”

Qiao Nian said, “Alright, I’m already out. Come to the living room.”

Less than five minutes after hanging up, Chen Qing walked in with Su Sheng.

Smiling, Qiao Nian walked up to welcome him. "I'm really sorry, Doctor Su. I've kept you waiting. I hope you don't mind."

When Su Sheng heard Qiao Nian's words, Gu Zhou's cold eyes flashed before her eyes. Thinking about it now, she broke out in a cold sweat.

That man was truly terrifying.

If Qiao Nian hadn't said anything back then, she would have run away in fear.

Chen Qing recalled Gu Zhou back then and looked at Second Young Madam worriedly. He was worried that Second Young Master would attack Second Young Madam, but when he saw that Second Young Madam's lips were cut, he was slightly stunned.

This...

This...

Second Young Master and Second Young Madam had kissed?

No, Second Young Master had bitten Second Young Madam's lip?

Chen Qing was a little confused. He looked at Second Young Madam in confusion. Could this be Second Young Master's punishment?

Why was his punishment so strange?

No, no, no. What was he thinking?

Couldn't Second Young Master punish him by praising Second Young Madam a little more?

Chen Qing thought pitifully.
