

## Big Shot 661

### Chapter 661: He Has Fallen for Her

That sort of young girl wasn't his cup of tea even if she was pretty.

She... didn't have to worry at all.

But she still had to find out the relationship between them.

Otherwise, she wouldn't feel at ease.

Qiao Mianmian had no idea that Huang Yilin had already made her a potential love rival in just one minute.

Then, in another minute, she was removed from it.

"Thank you for your concern, Director Bai. I had a good sleep last night. I took the bus from the production crew today." Qiao Mianmian took a deep breath and replied politely.

Bai Yusheng nodded. "That's good. But you can come in my car in the future. Give me a call before you leave, and I'll bring you along."

"Oh, I forgot, you don't have my contact details."

Bai Yusheng took out his cell phone and said to Qiao Mianmian, "Give me your cell phone number, I'll call you."

Qiao Mianmian heard a gasp.

Even she widened her eyes in shock.

Huang Yilin, who'd already let her guard down and didn't take her seriously, turned gloomy the moment she heard that.

It was as ugly as it could get.

The others looked at Qiao Mianmian meaningfully.

They quickly re-evaluated their relationship.

So this newbie didn't have Director Bai's contact details.

In that case, they definitely weren't close friends.

If they were friends, how could they not have each others' contact numbers?

If they weren't friends, Director Bai's series of actions seemed like he'd taken a liking to this newbie.

He took the initiative to ask for her contact details...

He must have taken a liking to her.

Aiyaya.

This newbie was so lucky.

Director Bai actually liked her.

Many women in the entertainment industry wanted to cozy up to an outstanding man like Director Bai. But he was a clean freak and had high standards, so none of the female artistes succeeded.

Countless female artistes would knock on Director Bai's door and ask for the unwritten rule.

But they were all rejected.

Even the female international star, Miss Cheng, had taken the initiative to hook up with him, only hoping to have a "good time" with him, but was rejected by him.

She was a rather beautiful woman.

So Director Bai actually liked such pure and innocent actresses.

No wonder he rejected Miss Cheng.

Miss Cheng was beautiful, but she was a sexy type of beauty.

The female artistes in the entertainment industry knew very well what it meant to be liked by Bai Yusheng.

This was practically a golden opportunity for her.

The female artistes present were green with envy.

It was as if they were watching a show.

After all, everyone knew what Huang Yilin was thinking.

Although she didn't openly pursue Bai Yusheng, she didn't hide her feelings for him.

This newbie was already being targeted by Huang Yilin.

But...

That might not be the case.

With Bai Yusheng's status, even if he really liked this newbie, how long could that last for?

### **Chapter 662: Call Me if You Need Anything in the Future**

Perhaps it was just a moment of interest.

If he liked her today, he wouldn't like her tomorrow.

If he didn't like her, this newbie would be in trouble.

If she offended Huang Yilin, she wouldn't have a good ending.

“Director... Director Bai, there’s no need for that. This... this is too much trouble for you.” Qiao Mianmian knew that Bai Yusheng only took special care of her because of Yan Shaoqing.

But nobody knew.

Seeing how the people around were looking at her, she felt uncomfortable.

“I’ll just take the bus with the production team.”

Bai Yusheng raised his brows. “Are you sure?”

“I’m sure!” Qiao Mianmian nodded. “Thank you for your kind intentions, Director Bai, but I really don’t want to trouble you.”

She deliberately emphasized the word “you.”

She wanted everyone to know that she had no special relationship with Bai Yusheng.

But it didn’t seem to have much effect.

Everyone was already speculating about her relationship with him.

He looked at her deeply.

Bai Yusheng did not insist. He tapped his cell phone screen and smiled. “Alright, the production team’s bus is actually pretty good too. Remember to give me your contact details. Call me if you need anything in the future.”

Qiao Mianmian was speechless.

Why did she feel that Bai Yusheng’s words made it easier for others to misunderstand their relationship...

She could reject his offer to bring her to the set every day.

But if she refused to give him her contact details, she would appear too ungrateful.

And a public rejection at that.

Wasn’t this embarrassing for him?

Qiao Mianmian decided to tell him her cell phone number.

Bai Yusheng dialed her number and left after she saved it.

The moment he left, the quiet atmosphere became lively.

They gathered and whispered as they looked at Qiao Mianmian.

“Sister Mianmian, you know Director Bai?” Nana asked curiously.

Qiao Mianmian saved the number and locked her cell phone. She thought for a while before replying, “... I don’t think so.”

She had only seen Bai Yusheng once during the audition.

Today was their second time meeting.

“But, Director Bai, just now...” Nana was just like everyone else, wondering if Bai Yusheng had that sort of intention towards Qiao Mianmian. After all, what he did seemed very obvious.

Although she didn’t know Bai Yusheng well, she had heard about him.

The rich and powerful young master wasn’t interested in inheriting his family’s hundreds of millions of assets. He wanted to be a film director and so studied acting in university.

Because of his family background and talent, he did well in the entertainment industry.

Many directors had to support their investors in their shows.

He was different.

He was an investor.

He was one of the investors of every movie.

Hence, he was a very proud man.

He didn’t think much of anyone.

He wouldn’t give his contact details to anyone easily.

In fact, not many people had Bai Yusheng’s contact details.

It was even rarer for him to give others his cell phone number.

Moreover, Qiao Mianmian was a newbie.

### **Chapter 663: Miss Qiao, Can I Ask You a Few Questions?**

Under normal circumstances, Bai Yusheng would never take the initiative to talk to her.

Based on all these factors, the most likely possibility was that Bai Yusheng fell in love with her at first sight.

It didn’t seem strange.

Qiao Mianmian was so beautiful that even a woman like her was shocked.

In the eyes of men, her beauty was two degrees higher.

“Mianmian, do you think Director Bai has taken a liking to you?” Nana was a straightforward person and didn’t think too much about it. She asked directly, “You’re so beautiful, I think Director Bai must have fallen in love with you at first sight.

“Director Bai is a pretty good catch. He’s known to be the most eligible bachelor in the industry, and many female artistes want to sleep with him. But you already have a boyfriend, and he’s so outstanding. Sigh, it seems like Director Bai is destined to be sad.”

Qiao Mianmian was speechless.

What the hell?

Bai Yusheng liked her?

The corners of her lips twitched as she placed a hand on her forehead and said, "Don't overthink it. This isn't true."

"I'm not overthinking it," Nana said seriously. "I think it's very likely. Otherwise, why would he take the initiative to give you his contact information? I don't think I'm the only one who thinks this way. The others must think the same too."

"Sister Mianmian, what do you plan to do? If he really confesses to you, are you going to reject him directly?"

"Won't he feel embarrassed and kick you out of the production team?"

"Alright, stop!"

Qiao Mianmian couldn't take it anymore. She pulled Nana aside and said in a low voice, "Director Bai and I aren't like what you think. My boyfriend has a friend who's on good terms with him, so I came over to greet him and ask him to take care of me."

"Don't overthink it."

Nana looked up in shock. "Sister Mianmian, have you really never suspected your boyfriend's true identity?"

"He owns a small company, how could he know such an awesome friend?"

"I told you that your boyfriend is a domineering CEO, but you didn't believe me."

"Maybe the friend your boyfriend is talking about is him. Bai Yusheng is such an important person. If he can get Bai Yusheng to take care of you so well, they must be close. But if the difference in status is too huge, how could they be good friends?"

Qiao Mianmian was speechless.

She was clearly explaining her relationship with Bai Yusheng.

Why was the focus on the overbearing CEO again?

This girl read too many novels.

Qiao Mianmian was about to persuade her to read less of such novels when she heard a voice behind her.

"Miss Qiao."

It was a woman's voice, charming and feminine.

Qiao Mianmian was stunned. She turned around and saw Huang Yilin.

She was stunned for a few seconds before nodding at her. "Hello, Senior Huang."

Huang Yilin was older than her.

She entered the industry earlier than her.

Moreover, she'd already filmed a few shows with good ratings and won the Best Actress Award.

As a newcomer, it was only right for Qiao Mianmian to address her as a senior.

Huang Yilin accepted it and smiled. "Miss Qiao, can I ask you a few questions?"

Qiao Mianmian was stunned again. "Senior Huang, please go ahead."

#### **Chapter 664: Since You're a Newbie, You Should Have the Self-Awareness of a Newbie**

Huang Yilin pursed her lips and raised her eyebrow. "Do you know Director Bai? Are you close to him?"

Qiao Mianmian looked at her in shock.

Without waiting for her reply, Huang Yilin asked a few more questions. "You're an actress from our crew? You look unfamiliar. Are you a newbie? I heard that Director Bai picked a third female role on the day of the audition. Was it you?"

"Director Bai gave you his contact details just now. Can you give me his number?"

Huang Yilin's questions were rather aggressive.

It didn't sound like an ordinary questioning.

It was more like an interrogation.

Moreover, she was obviously looking down on Qiao Mianmian.

A woman's sixth sense was very strong.

After Huang Yilin asked a series of questions, Qiao Mianmian immediately realized that she had an unusual interest in Bai Yusheng.

Recalling her reaction when she saw Bai Yusheng, Qiao Mianmian was almost sure that Huang Yilin liked Bai Yusheng.

Perhaps Bai Yusheng's actions made her feel threatened or jealous...

So, she was here to gather information?

Although she had never interacted with Huang Yilin before, Qiao Mianmian could feel that this woman had a bad temper.

She wasn't as approachable as when she was in public.

On the contrary, she should be an assertive woman.

Moreover, she wasn't someone to be trifled with.

Qiao Mianmian didn't want to offend such a person.

She still had to stay on set for three months.

She wanted to spend the rest of her life in peace. She didn't want to get into any trouble during this period.

Moreover, she had nothing to do with Bai Yusheng.

She thought for a while and replied with a smile under Huang Yilin's scrutinizing and hostile gaze, "Senior Huang, Director Bai and I have only met once during the audition, so we aren't familiar with each other. On the day of the audition, Director Bai recognized me and set me up on the spot. I'm deeply honored.

"I'm even more flattered to be able to work with such an outstanding senior like you.

"As for Director Bai's cell phone number, I'm sorry, Senior Huang. I can't give his cell phone number to anyone without his permission."

Qiao Mianmian didn't expect that Huang Yilin didn't have Bai Yusheng's cell phone number.

She thought that they had a good relationship.

Huang Yilin's expression didn't change much at first.

After Qiao Mianmian refused to give her Bai Yusheng's number, her expression darkened.

She looked at Qiao Mianmian coldly for a while and suddenly laughed. "Miss Qiao, do you think you can put on airs in front of me just because you have Director Bai's backing?"

Although she was smiling, her eyes were cold and sharp.

The hostility in her eyes was almost overflowing.

Qiao Mianmian frowned. "Senior Huang, I think you've misunderstood. I didn't..."

"Qiao Mianmian, if you think that Director Bai took the initiative to speak to you and asked for your contact information because he liked you, you're too naive."

Huang Yilin interrupted her coldly. "Since you're a newbie, you should have the self-awareness of a newbie. Don't think that you can take shortcuts just because you're pretty."

### **Chapter 665: You and Miss Qiao... You Know Each Other?**

"Is Director Bai a man you can covet? Let me warn you, this industry isn't as good as you think. If you want to continue in this industry, you'd better know your place."

With that, Huang Yilin turned to leave.

The moment she turned around and saw the person standing behind her, her expression changed slightly, and her eyes flickered unnaturally. "Yilei, when did you arrive? Why didn't you say anything? You scared me."

Tu Yilei looked at her and smiled. "I just arrived. I saw you and Miss Qiao chatting here, so I came to say hi."

He looked past Huang Yilin and smiled at Qiao Mianmian. "Good morning, Miss Qiao."

Qiao Mianmian was stunned for a moment before smiling. "Good morning, Mr. Tu."

Huang Yilin's expression stiffened when she saw Tu Yilei greeting Qiao Mianmian.

"Yilei, you and Miss Qiao... you know each other?" Huang Yilin didn't know when Tu Yilei got behind her, nor did she know how much he'd heard from Qiao Mianmian.

If they knew each other and had a good relationship...

Her expression darkened at this thought.

This newbie was way more scheming than she thought.

She was just a nobody.

But not only did she attract Bai Yusheng's attention, but even Tu Yilei also seemed to treat her differently.

Tu Yilei had a good personality and didn't put on airs in front of anyone.

But this didn't mean that he was passionate about everyone.

It didn't mean that he was willing to approach someone.

Tu Yilei was the one who greeted Qiao Mianmian first.

As a woman, Huang Yilin could feel that he looked at Qiao Mianmian differently from the other actresses.

Although it didn't seem like much.

But on closer inspection, it was different.

One was Bai Yusheng, the other was Tu Yilei. The two most popular single men in the industry were actually interested in this newbie.

Huang Yilin couldn't help but feel jealous.

She should be the center of attention.

These men should be looking at her.

But now, her limelight had been stolen by a newbie.

Huang Yilin bit her lip and glared daggers at Qiao Mianmian.

This glance scared Nana, and she couldn't help but shrink towards Qiao Mianmian.

Tu Yilei saw how Huang Yilin glared at Qiao Mianmian. He kept quiet for a while and smiled. "Mm, I do. Miss Qiao is my friend. I wanted to introduce you to her and ask you to take care of her. I didn't expect you to know each other too.

"It seems like I don't have to introduce you anymore."

Qiao Mianmian was surprised and looked at him in shock.

But Tu Yilei blinked at her as if telling her not to expose him.

Huang Yilin felt as if they were flirting right in front of her.

She clenched her fist and bit her lip, cursing the vixen in her heart. She smiled insincerely and said, "It's my first time meeting Miss Qiao, so we don't know each other. Moreover, with a big star like you taking care of her, do you still need me?"

### **Chapter 666: Those Are Your Rules, Not Ours**

This newbie was a vixen.

She picked the best men to seduce.

Not only did she seduce Bai Yusheng, she even seduced Tu Yilei.

She couldn't tolerate such a scheming bitch.

Tu Yilei just smiled as if he wasn't interested in what she said. He didn't ask her who her backing was as she expected.

On the other hand, Huang Yilin couldn't hold it in any longer and said, "Director Bai is taking care of her now, so you can rest assured. Who would go against a woman Director Bai likes?"

"Miss Huang, don't spout nonsense."

Nana couldn't take it anymore and said, "Sister Mianmian and Director Bai aren't what you think. Please don't spread rumors."

Huang Yilin despised Qiao Mianmian because of her status, not to mention a small assistant like Nana. Her expression immediately darkened.

With a cold expression, she said arrogantly, "And who are you? We're talking, why are you interrupting? Miss Qiao, is this your assistant? She doesn't know the rules. Didn't you teach her when to speak and when not to?"

Qiao Mianmian didn't want to get into trouble right away.

Especially when Huang Yilin was the female lead.

There was no benefit in offending her.

But it was obvious that she didn't think so.

She didn't want to cause trouble, but the other party wouldn't let her off.

She could tolerate it if they were talking about her.

But she couldn't tolerate her bullying her assistant.

She looked up at the arrogant Huang Yilin and smiled.

Huang Yilin was stunned by her smile.

But a few seconds later, she crossed her arms and said arrogantly, "Miss Qiao, do you have something to say?"

"Yes, I have something to say."

Qiao Mianmian took a step forward and pulled Nana back to her side. She smiled and said, "Senior Huang, Nana isn't just my assistant, she's also my friend. I won't set any rules for my friend. She can speak whenever she wants. This is her freedom.

"If Senior Huang has any rules, they're just your rules, not ours.

"In the end, if Senior Huang really thinks that I'm on Director Bai's good side, I advise you to be more polite and rational. Aren't you afraid that I'll complain to him about you?"

"You know Director Bai's temper too, don't you?"

She'd been misunderstood, anyway.

No matter how she explained, no one would believe her.

In that case, she might as well admit it.

Just be an arrogant and domineering newbie.

She'd offended her, anyway.

If she admitted that she was on Bai Yusheng's side, people like Huang Yilin would be afraid of her.

Huang Yilin looked awful after hearing what Qiao Mianmian said.

Her lips trembled with anger. "You..."

This little slut finally admitted it.

She was indeed up to no good.

But now, just because Bai Yusheng was interested in her, she was showing off in front of her.

What a slut.

Huang Yilin wanted to slap Qiao Mianmian.

But in the end, she was worried about the others around them.

She was afraid that Qiao Mianmian would really complain to Bai Yusheng, so she quickly retracted her hand.

### **Chapter 667: You Can Tell Me, I'll Help You Settle It**

She laughed out of anger. "Very good, Miss Qiao. I hope Director Bai's interest will only continue to grow. Otherwise... Hmph..."

She probably had to maintain her image with Tu Yilei around, so she scoffed and turned to leave.

“I’m sorry, Sister Mianmian.”

After Huang Yilin left, Nana said worriedly, “It’s all my fault. I caused you trouble.

“What do we do, Huang Yilin seems really angry. Will she come after you on purpose in the future?

“Sister Mianmian, I’m really sorry for causing you so much trouble.”

Nana was almost in tears.

Qiao Mianmian patted her on the shoulder and comforted her. “It has nothing to do with you, you don’t have to blame yourself. Even if you didn’t say that, she’d still find trouble with me.”

The fuse was Bai Yusheng.

Hence, it didn’t matter whether or not Nana said anything.

From the moment Bai Yusheng gave her his number, Huang Yilin would never let her off.

“But...” Nana still felt guilty.

She’d only been Qiao Mianmian’s assistant for less than a day, and she’d already caused so much trouble.

She offended the female lead on the first day of filming.

The next three months would definitely be tough.

Huang Yilin was afraid of Director Bai and her image, so she wouldn’t dare to do anything openly.

But who knew what she would do behind her back?

Given Huang Yilin’s current status, it was too easy for her to deal with a newbie.

“Nana, this really has nothing to do with you.” Qiao Mianmian sighed. “Can’t you tell that it’s because of Bai Yusheng...”

She suddenly realized that Tu Yilei hadn’t left.

He was still standing there, looking at her with a half-smile.

Qiao Mianmian was speechless.

“Mr. Tu, w-why are you still here?”

Tu Yilei looked at her shocked expression and smiled. “I’m here, did I scare you? If you need me to leave, I’ll...”

“No, no.”

Qiao Mianmian shook her head. “That’s not what I meant. I thought you left with Senior Huang.”

Tu Yilei raised an eyebrow. “Why should I go with her?”

“Uh...” Qiao Mianmian raised an eyebrow. “Aren’t you good friends?”

Tu Yilei frowned. "Who told you that we're good friends?"

"Aren't you?"

She heard Huang Yilin call him Yilei, and it sounded rather intimate.

They seemed to be on good terms.

But Tu Yilei's reaction was different from what she'd expected.

"No," Tu Yilei replied without hesitation. "I've worked with her in a show before. We're just friends."

"Oh."

She felt that Tu Yilei didn't need to explain himself.

No matter what his relationship with Huang Yilin was, it had nothing to do with her.

"Don't take her words to heart. She does have that sort of intention towards Director Bai, so she's always suspected that other actresses are trying to steal him from her. What I said to her just now wasn't entirely a lie."

Qiao Mianmian blinked.

Tu Yilei looked at her with his bright eyes. "If she finds trouble with you in the future, you can tell me. I'll help you settle it. I'll take care of you."

### **Chapter 668: What Sin Have I Committed**

Qiao Mianmian was stunned.

Beside her, Nana was deep in thought.

After a few seconds of shock, Qiao Mianmian said politely, "Thank you, Mr. Tu."

"No need to thank me. From today onwards, you can treat me as a friend. It's only right for friends to help each other." Tu Yilei smiled after he said that. He looked really good when he smiled, revealing eight neat and white teeth. He looked especially youthful, sunny, and energetic.

He was a young man.

At that moment, it reminded her of the guy she liked for the first time.

Even Qiao Mianmian felt that Tu Yilei looked really good when he smiled.

Although her husband was also a super hunk.

But Tu Yilei and Mo Yesi were two completely different types.

One was a mature elite.

The other a clean and sunny young man.

The former was the type that women liked the most.

The latter was a girl's favorite type.

"Little Tu Tu, I've been looking for you for a long time. So you're here.

"Why are you with that girl again?

"You left so quickly, I couldn't see you in the blink of an eye. Could it be that you came to look for her?"

Not too far away, Michael hurried over.

Just as he reached Tu Yilei, he pulled him behind him like a mother hen protecting her chick.

Then, he glared at Qiao Mianmian with a look of wariness. He was so angry that his brows were about to explode. "Hey, what's wrong with you, little girl? Why is our Little Tu with you again?"

"Don't use your good looks to attract our Little Tu Tu to look for you. Let me tell you, our Little Tu Tu is on the rise now. I won't allow him to date!!"

"Ahem, Michael, shut up!" Tu Yilei walked out from behind him awkwardly and covered his mouth.

"What are you talking about, didn't I tell you that I don't have any plans to date now!

"If you keep acting like this, I'll change managers!"

"Uh... Little Tu... Let go." Michael pushed his hand away angrily and stomped his foot. "You said you don't like this little girl. You even said something like changing managers for her. Sob, what sin have I committed for such a little ingrate to appear?"

"Think about it, I went through so much trouble to turn you from a nobody to a top rookie. Is this how you treat me? Ah? You actually said you wanted to replace me. You actually..."

"I'm so sad..."

"You heartless boy.

"I'd rather have a piece of you."

Qiao Mianmian was speechless.

Nana was speechless.

Tu Yilei was speechless.

"Ahem, don't take it to heart." Tu Yilei rubbed his temple and said helplessly, "Michael occasionally has bouts of madness, but he'll be fine in a while. If he scared you, I'll apologize on his behalf."

"Little brat, who did you say has bouts." Michael exploded again.

He reached out to hit him.

Tu Yilei ducked.

"Alright, Michael." He took a deep breath and said, "Let's talk somewhere else, alright?"

## Chapter 669: How Dare You Say You're Not Interested in Her?

Michael said angrily, "Alright, let's talk somewhere else. I'll see how you're going to explain it to me this time."

With that, he turned around and walked away.

Before he left, he glared at Qiao Mianmian.

Qiao Mianmian was speechless.

She guessed that her birth characters weren't compatible with Michael.

She decided to stay away from Tu Yilei the next time she saw him.

Otherwise, she'd have to avoid him.

Of course, Tu Yilei wasn't a problem.

But his manager was really...

Qiao Mianmian really didn't want to be accused of anything anymore.

God knew that a little brother like Tu Yilei wasn't her type.

After Michael left, Tu Yilei said apologetically, "I'm sorry, Miss Qiao, my manager..."

"I understand."

Before he could finish, Qiao Mianmian said understandingly, "He's doing this for your own good. It's good to be more cautious. After all, a lot of female artistes are trying to ride on your popularity."

"Then, you don't mind? You won't be angry because of this, right?"

"No."

Qiao Mianmian smiled. "He doesn't have any ill intentions, and he's not just doing this to me. I'm guessing that if he saw another female artiste around you, he would do the same?"

Tu Yilei stared at her for a few seconds. Seeing that she wasn't angry, he heaved a sigh of relief and nodded with a smile. "Yes. As long as I have a woman by my side, he'll be this nervous. But he's only like this at the start. When he understands her and knows that she doesn't have that intention, he won't be like this anymore."

After a few more explanations, Tu Yilei went to look for his manager.

After they walked a distance, Nana looked at Tu Yilei's back view and made a guess.

She kept this speculation to herself.

She didn't get to ask.

\*\*\*

On the other side.

Michael walked to a quiet place and stood under a tree, waiting for Tu Yilei.

After waiting for a while, he saw Tu Yilei walking over. He crossed his arms and snorted, turning his head to the side.

Tu Yilei approached him and said, "Michael, are you still angry? You should know that I was just kidding."

Michael sneered. "Hmph, who knows if it's a joke or your true feelings."

Tu Yilei was speechless.

"Alright, I'll apologize to you." He knew Michael's temper, and it was enough to coax him. "Even if it's a joke, I shouldn't have said it in front of others. It's my fault for embarrassing you."

Michael didn't look at him and just snorted.

But his expression was better than before.

"Don't always be so suspicious. I've already said it before, I don't have any plans to date now. Can't you trust me a little more? You're being too ungentlemanly by saying that in front of others."

"You're blaming me?" Michael had just calmed down a little, but his anger rose again when he heard this. He turned around and asked with his hands on his hips, "Since you have no interest in that little girl, why are you always looking for her?"

"Why didn't I see you looking for other female artistes?"

"You still dare to say that you're not interested in her?"

"Little Tu Tu, I've raised you for a few years. Do you think I don't know what kind of girl you like? That girl is your type. Your eyes were fixated on her the first time you saw her."

Tu Yilei was speechless.

"How is it? I'm right. You have nothing to say, right?"

## **Chapter 670: "Take Good Care"**

Tu Yilei pursed his lips and kept quiet for a while. "Anyway, I won't date now. You can rest assured about that."

Michael looked up and frowned.

He didn't deny it...

Based on his understanding of his Little Tu, it was a fact that he didn't deny it.

This little brat really liked that girl surnamed Qiao.

He knew that with that girl's looks, how could he not be tempted?

“Little Tu Tu, it’s not that I don’t want you to date. But it’s not suitable for you to date at this time. Moreover, even if you want to date, that little girl isn’t suitable for you,” Michael said earnestly after a moment of silence.

“Why?” Tu Yilei’s eyes flickered.

“When I arrived, I heard that Bai Yusheng has taken a liking to that girl. Do you want to snatch her from him? He’s not someone to be trifled with. We can’t afford to offend him.”

Tu Yilei frowned. “I heard about it too. I think there’s a misunderstanding.”

“Misunderstanding? What misunderstanding?” Michael sneered when he saw that he wasn’t willing to give up. “She’s just a newbie. If Bai Yusheng hadn’t taken a liking to her, would he have treated her like that? Why don’t I see him treating other female artistes like that?”

Tu Yilei pursed his lips and clenched his fists.

His eyes darkened.

After all, he was the artiste he groomed. He was no different from his own child.

Seeing that he was upset, Michael couldn’t bear to see him like this. He sighed and patted him on the shoulder. “Little Tu Tu, listen to me. Your career is the most important thing right now. Let’s put the rest aside first.”

“You and she are still young. If you two are fated, you might have a chance in the future.”

Tu Yilei looked away.

It was almost noon, and the sunlight was blinding.

His eyes were slightly red.

He had just fallen for her... and it was already over?

This was... the first time he was attracted to a girl.

He really... didn’t want to give up just like that.

\*\*\*

On the other side.

Huang Yilin returned to the car to touch up on her makeup. She pinched her lipstick and glared at the logo.

“Sister Yilin, the production crew is rushing us. They’re asking the actors to get their makeup done and get changed.” The assistant beside her reported carefully.

Even though he’d been with Huang Yilin for years.

Seeing her like this, the assistant still felt a little apprehensive.

Huang Yilin was in a bad mood.

And they were the ones closest to her, so they were the easiest to anger.

Huang Yilin bit her lip and kept quiet. After a while, she smiled coldly and said, "Go and say hi to the production crew and get them to 'take good care' of that newbie with the surname Qiao. Oh right, keep a low profile. Don't let Bai Yusheng and Tu Yilei find out."

\*\*\*

Qiao Mianmian was still a nobody, so she didn't have a makeup artist.

She shared one with other artistes.

They also shared a dressing room.

It was less than half an hour before the shoot began when she was informed to get her makeup done and change her clothes.

And the makeup and hairstyling would take at least two hours to get done.

When she reached the dressing room, she saw that everyone had already put on their makeup and changed into their costumes.
