

Big Shot 671

Chapter 671: Too Late

And the makeup and hairstyle would have to be done at least two hours earlier.

When she reached the dressing room, she saw that everyone had already put on their makeup and changed into their costumes.

She was the only one not done yet.

The other actresses in the dressing room were well aware of what was going on. Some of them looked at her with sympathy, while others gloated.

Now, everyone in the crew knew that Bai Yusheng had his eyes on a newbie.

As a popular artiste in the entertainment industry, Huang Yilin was the one who wanted to sleep with him the most. Many female artists liked him and wanted to hook up with him.

Qiao Mianmian naturally became their public enemy.

Most people gloated at her misfortune.

“How could this be.” Nana was so angry that her face was red. “We just received the notification. How could we make it in time when they suddenly said that the shoot would start in half an hour? Sister Mianmian hasn’t put on makeup, done her hair, and dressed.

“Half an hour isn’t enough.”

Just her hairstyle alone took more than half an hour.

Qiao Mianmian looked at the group of female artistes in the dressing room expressionlessly and quickly understood what was going on.

She was... being pranked.

It wasn’t hard to guess who it was.

After a moment of shock, she quickly regained her composure.

From the moment she offended Huang Yilin, she knew that she wouldn’t be able to live in peace for the next few months.

But she didn’t expect Huang Yilin to be so impatient on the first day.

“Ha, everyone received the notice two hours in advance. You’re saying you only received the notice now?” One of the female artistes looked at Qiao Mianmian with a mocking smile. “You mean, someone is deliberately messing with you?”

Nana was stunned. “I didn’t say that. We did receive the notice just now. Otherwise, how could we have come so late? As for why we only received the notice now, only the person who informed us would know.”

Nana quickly guessed that it was Huang Yilin.

All the female artistes in the crew were informed two hours in advance.

Only they were late.

It was too obvious.

She knew what was going on.

“Aren’t you saying that because you feel someone is out to mess with you?” The female artiste sneered again and rolled her eyes at Nana. “Who knows why you’re only here now? Who knows if you’re being arrogant.”

“After all, some people are already on good terms with others. So what if they’re late? It’s fine if they just act coquettishly and say nice things. Unlike you, we don’t dare to be late for even a second. After all, we don’t have such powerful backing. If we don’t do a good job, we’ll lose our jobs.”

As soon as she said that, the other female artistes around her also said sarcastically, “Yeah, we’re not as lucky as you. We can’t be as wilful.”

“You...” Nana was both anxious and angry.

Seeing that time was running out, she said anxiously, “Sister Mianmian, what should we do? We don’t have time.”

Qiao Mianmian didn’t bother about them. She quickly scanned the room and walked to an empty dressing table. “You’re all done with your makeup, right? No one else is using it?”

Chapter 672: What Is This Girl Trying to Do?

A woman was standing beside her.

From the way she dressed, she was obviously a makeup artist.

She looked down at Qiao Mianmian and asked, “What are you doing?”

Qiao Mianmian looked up at her. “Excuse me, are you a makeup artist?”

“I am.” Since Huang Yilin had already informed her, the makeup artist naturally wouldn’t be nice to Qiao Mianmian. Before Qiao Mianmian could say anything, she asked coldly, “You’re Qiao Mianmian? What’s wrong with you, why are you only here now?”

“I can’t do your makeup in half an hour.”

She thought that Qiao Mianmian wanted her to help with the makeup.

Huang Yilin had already told them to teach this girl a lesson.

She definitely wouldn’t help.

Although the production crew was discussing how Bai Yusheng had taken a liking to this newbie, who knew if he was being impulsive?

Who knew how long Bai Yusheng's interest would last?

Even if Bai Yusheng really liked her, it was just for fun.

Not to mention that she was just a nobody. She wasn't good enough for Bai Yusheng.

Given the Bai family's background, how could they possibly allow an actress to enter?

Hence, offending Huang Yilin for the sake of a newbie who could lose her favor at any moment was foolish.

Of course, she would choose to side with Huang Yilin.

Qiao Mianmian looked at her calmly and then smiled. "You don't have time to do my makeup. I can use the cosmetics on the table, right?"

The makeup artist was stunned.

She stared at Qiao Mianmian for a few seconds and frowned.

What was this girl trying to do?

With so many people watching and no one using the cosmetics on the table, the makeup artist couldn't reject her. If she did, it would be too obvious.

But if she continued to reject her, she would be caught red-handed.

Bai Yusheng was still interested in this girl. What if she complained...

Huang Yilin was the female lead in the show, and she was also a top-tier actress, so she should be fine.

But she was just a small makeup artist.

After some consideration, the makeup artist nodded and said, "Of course."

Qiao Mianmian sat in front of the mirror and opened a bottle of milk.

The makeup artist was silent for a while before asking, "You want to do your own makeup?"

The other female artistes in the dressing room also looked at her curiously.

Women usually knew how to put on makeup.

But there was still a huge difference between ordinary and professional makeup artists.

Her makeup was also very different from usual.

Otherwise, the crew wouldn't have hired a makeup artist to do the makeup for the actors.

Qiao Mianmian poured the milk out, rubbed it in her palm, and then gently patted her face.

Her skin was very smooth, and it was obvious that she had a lot of water on her face.

“Mm.”

She looked at her cell phone on the dressing table. It was getting late.

She quickly applied simple makeup on her face.

The entire process only took 10 minutes.

The makeup artist had a look of disapproval on her face when she saw that.

Chapter 673: Sister Mianmian, You Were Too Beautiful Just Now

But when Qiao Mianmian was done with her makeup, her expression darkened.

This was because even though it was just a simple makeup, the effect was no different from a professional job.

Moreover, she wasn't sure if it was a coincidence or if Qiao Mianmian was just lucky.

Her makeup matched the third female lead's.

Qiao Mianmian didn't care about the makeup artist's reaction. After she was done with her makeup, she grabbed the remaining time and combed her hair with the comb on the table. She thought about the third female lead's looks in the original novel and started to do her hair.

Thankfully, the original novel had a simple description of the third female lead's appearance.

The third female lead was a natural beauty.

She usually wore a white t-shirt, jeans, and sneakers.

Qiao Mianmian was the most experienced in getting her hair done.

She usually dressed like the third female lead in the original novel.

Including the outfit she was wearing today. A white t-shirt, jeans, and white canvas shoes.

She only took a minute to tie her hair up.

As for changing, she looked at the clothes she was wearing and felt that there was no need to change.

It only took her 15 minutes to settle everything.

There were only 10 minutes left before the shoot began.

The group of female artistes, including the makeup artist, froze for a few seconds when they saw Qiao Mianmian stand up.

Especially the makeup artist.

Her expression was awful.

Without her help and time, this newbie actually managed to do her makeup and hairstyle so calmly.

They only informed her when there was only half an hour left before the shoot began.

But she was sure that she wouldn't be able to finish it.

Who knew...

How was she going to explain this to Huang Yilin?

Qiao Mianmian smiled and said, "Thank you for your makeup."

The makeup artist was speechless.

Was she doing this on purpose?

"Nana, let's go."

Beside her, Nana was still in a daze. It was only when Qiao Mianmian walked up to her and patted her on the shoulder that she snapped out of her daze and was dragged out of the dressing room by Qiao Mianmian.

** *

Outside.

Nana couldn't contain her excitement. "Wow, Sister Mianmian, you were so beautiful just now."

The makeup artist looked so angry that her face was turning green.

As for the other female artistes gloating over their misfortune, she felt so good when she saw how stunned they were.

"Sister Mianmian, you're a natural beauty. You're so pretty even with makeup on. Didn't you see how awful the makeup artist looked when you put on your makeup? She definitely didn't expect that you could do it so well on your own."

Judging from Qiao Mianmian's proficiency in makeup, she wasn't much worse than a professional makeup artist.

Although it was just a simple makeup, it was enough to show her foundation.

"Mm, I was a beauty blogger for some time, so I have some understanding of makeup. If the makeup isn't too complicated, it's fine."

Qiao Mianmian said casually, but Nana's eyes widened in shock. "Sister Mianmian, you've been a cosmetics blogger before?"

Qiao Mianmian thought for a while and nodded. "Mm, but that cosmetics account hasn't been updated in a long time. I can't even remember the password now."

Chapter 674: Is That So? Looks Like I'm Overthinking It

"Is it a Weibo account?"

"Mm."

“Do you have a lot of fans?”

“Not much, just tens of thousands of fans.”

But they were true fans.

Every time she posted something, there would be hundreds of comments.

Initially, she'd wanted to manage it well. But after Qiao Chen's sudden relapse and his heart attack, she didn't have the mood to do so anymore.

She was always thinking about how to cure him.

“Tens of thousands of fans isn't too bad,” Nana said seriously. “Although many have tens of millions of fans now, only tens of thousands or hundreds of thousands of fans are true fans. If tens of thousands are true fans, it's not bad already.”

“Sister Mianmian, why didn't you update it?”

Qiao Mianmian said roughly, “Something happened at home, so I don't have time to deal with it.”

“Oh, I see...”

The two of them chatted as they walked. When they were about to reach the set, they bumped into Huang Yilin.

Huang Yilin saw them too.

She stopped in her tracks and sized Qiao Mianmian up from head to toe. Then, she frowned, and her gaze turned even colder.

Qiao Mianmian also looked at her coldly. Previously, she'd addressed her as Senior Huang, but this time, she didn't even greet her.

Since Huang Yilin was already hostile towards her, it didn't matter what she did.

Since that was the case, there was no need for her to maintain her image.

Huang Yilin could tell that Qiao Mianmian's attitude was different from before.

She looked at her coldly for a while and suddenly smiled. “Miss Qiao, why are you looking at me like that, as if you're unhappy with me?”

Qiao Mianmian smiled and said, “Senior Huang, you're thinking too much. You didn't do anything to let me down, why should I be unhappy with you?”

Huang Yilin's expression changed slightly. The smile on her lips froze for a few seconds, and the coldness in her eyes intensified. “Is that so? Then, it seems like I'm overthinking it. Miss Qiao's makeup is pretty good, it seems like the makeup artist this time is pretty good.”

Qiao Mianmian could tell that she was suspecting the makeup artist.

She didn't explain and simply smiled. “It's not bad.”

Huang Yilin turned around and glared at her assistant.

The assistant went pale and quickly said, "Sister Yilin, I have..."

As if thinking of something, she looked up and saw Qiao Mianmian standing opposite them. Her face went pale and she immediately shut her mouth.

Huang Yilin glared at the assistant even more fiercely. "Idiot!"

The assistant didn't dare to say a word. She held onto the umbrella and trembled.

Huang Yilin retracted her gaze from the assistant and glared at Qiao Mianmian. She then turned around and left.

The assistant quickly caught up with her and held the umbrella above her head.

"Pfft, disgusting woman." After Huang Yilin left, Nana finally let out the anger she'd been holding in. She looked at Huang Yilin's back view and said, "You pretend in front of others, but I didn't expect you to be so disgusting."

Chapter 675: She... Had Enough

"No wonder everyone says that celebrities' characters aren't trustworthy. Nine out of ten of them are packaged.

"I never expected Huang Yilin to be such a person.

"Gosh, I've actually been her fan for a while now. I feel like poking my eyes. What kind of look is that!"

Nana didn't want to cause trouble for Qiao Mianmian.

She didn't dare to talk back to Huang Yilin anymore.

"You said it yourself, she's just a fake. You've never interacted with her before, how would you know what kind of person she really is in her life? It's not your fault."

"Eh... Sister Mianmian, what are you going to do in the future?" Nana asked worriedly. "She's making things difficult for you now. There are still a few months left. Do you want to tell Director Bai about this?"

"Anyway, Director Bai said that you can look for him if you need anything. With his help, she wouldn't dare to go overboard."

"We'll see."

Qiao Mianmian had her own plans and wasn't prepared to look for Bai Yusheng over such a trivial matter.

She'd better settle her own problems first.

If she couldn't solve it, she'd think of other ways.

Huang Yilin definitely wouldn't let this go.

If she looked for Bai Yusheng for everything, he might find her troublesome.

At the filming location.

The artistes in the minibus were all sitting inside enjoying the air-conditioning.

Noon was the hottest time.

The ground seemed to be steaming.

Qiao Mianmian didn't have a nanny van, so she couldn't enjoy the air conditioner. She could only get a small stool and walk under a tree to cool down.

The first scene was naturally between the male and female leads.

It had nothing to do with her.

Hence, Qiao Mianmian wasn't in a rush.

She got Nana to hand her the printed script. Before she went on stage, she could read the script and familiarize herself with the lines and plot.

Although a big tree was blocking the sunlight, Qiao Mianmian still felt warm in the open.

She looked at the script for a while and broke out in a sweat.

Her mouth felt dry too.

Just as she was about to get a bottle of water, a bottle of cold mineral water was handed to her.

Stunned, she took it and took a sip. She then turned around and smiled. "Nana, are we telepathic? I just..."

Before she could finish speaking, she saw the person beside her and was stunned once again.

Why was it Tu Yilei...

She thought that the bottle of water was from Nana.

Tu Yilei looked down at her and smiled. "Do you feel hot? Do you want me to get you a fan?"

Before Qiao Mianmian could say anything, a mini electric fan appeared in his hand and he handed it to her. "Take it. Although this electric fan is small, it can be useful."

Qiao Mianmian looked at it and hesitated.

She had just made up her mind to stay away from Tu Yilei.

She didn't want his manager, who was always worried about him, to treat her like a thief.

She... had enough.

But since Tu Yilei hadn't offended her, Qiao Mianmian felt that it wasn't a good idea to reject him.

Tu Yilei was a senior.

Moreover, he was the most popular male artiste of the time.

Chapter 676: Desiring to Spend More Time With Her

Not only did he not put on airs in front of her, but he was also nice to her. If she rejected him, wouldn't she seem like a fool?

She reached out to take it.

"Thank you, Mr. Tu." She smiled sweetly at him.

Tu Yilei clenched his fists by his side and looked at the sweet smile on her lips. He couldn't help but pause for a few seconds and suddenly felt his heart race.

This was... a feeling he'd never felt before.

It turned out that there was a type of girl who looked so good when she smiled.

She smiled, and it was as if the whole world had become beautiful.

His heart warmed as if it had been kissed by the sun.

For the first time in his life, he felt that girls were really adorable creatures.

How could she be so cute?

Qiao Mianmian was so adorable.

"You're reading the script?" Tu Yilei glanced at the script in her hand, not intending to leave.

Qiao Mianmian nodded and felt a little better.

"How do you feel? Can you play your role well?"

Tu Yilei was leaning against the tree casually, asking about his work. But his eyes were on Qiao Mianmian's hair.

A gust of wind blew.

A faint fragrance entered his nose.

He took a deep breath and could smell the sweet scent of flowers.

It smelled good.

The girl sitting under the shade had a sweet smile, and even her scent was sweet.

So sweet... he wanted to take a bite.

Tu Yilei knew that it wasn't good for him to stay anymore.

Someone would notice them.

Previously, because of Bai Yusheng's actions, Qiao Mianmian had already become the most eye-catching person on set.

If he continued to stay here, she would only attract more attention.

More and more people were criticizing her.

It wasn't good for her or himself.

But he just didn't want to leave.

He wanted to spend more time with her.

This was the first time he liked a girl.

He was excited, worried, and nervous.

He didn't know what to do.

He didn't dare to express his feelings too obviously in front of her, but he didn't want her to think that he was just showing concern for her.

As he hesitated, many people saw him and Qiao Mianmian talking.

The female artistes already unhappy with Qiao Mianmian were about to explode.

"Does Tu Yilei know Qiao Mianmian? Why is he with her?"

"I saw Tu Yilei pass the water to her just now. He even gave her a small fan. That's Tu Yilei's fan, right? Gosh, does he like her too?"

"What? Bai Yusheng and Tu Yilei are my two male idols. She seduced one of my male idols in the morning and now another one? She's so shameless. Does she have to seduce all the outstanding men in the crew?"

"No way, how could Tu Yilei like her? She's not even a C-lister. Even if Tu Yilei wants to find a girlfriend in the same industry, she should at least be a B-lister."

"Tu Yilei's career is already good enough, maybe he doesn't have high expectations for his other half? To be honest, Qiao Mianmian's face is really pretty. Don't you think that her looks are very popular among men? She looks so delicate and weak, it's easy to arouse a man's desire to protect her."

Chapter 677: Chairman Mo... What's Going On?

"Wow, Director Bai is here. I think I saw him. I have a feeling that something good is going to happen."

"Director Bai is here?"

The crowd turned around and saw Bai Yusheng walking towards them.

As he walked, he looked at Qiao Mianmian.

Then, he stopped in his tracks.

Everyone was waiting to see what he would do next.

Would he get into a fight out of jealousy?

Or he could change the male lead.

Not far away.

Bai Yusheng narrowed his eyes and stared at the handsome couple under the tree for a while. A malicious smile flashed past his eyes. He took out his cell phone, opened WeChat, and replied to Mo Yesi's message.

Mo Yesi had asked him what Qiao Mianmian was doing, but he hadn't replied.

Now, he felt that he could.

Bai Yusheng: [Chairman Mo, I saw your precious. Are you sure you want to know what she's doing?]

A few seconds later, Mo Yesi replied: [What do you mean?]

Bai Yusheng smiled. [Nothing much, I just feel that your little darling is rather popular.]

Mo Yesi: [What's she doing?]

Bai Yusheng looked up at the tree again, and the playful look in his eyes deepened. [Why don't I take a picture for you?]

This time, without waiting for Mo Yesi's reply, he took a picture from the right angle and sent it to him.

Then, he sent a message: [The male lead of our film crew, how is he? Isn't he handsome? He's already won the Best Actor Award at such a young age. He's a very hardworking and capable young actor. He's considered very outstanding among his peers. He's about the same age as your little darling. There will probably be a lot of topics among young people.]

Mo Corporation building.

In the Chairman's office.

Mo Yesi received a photo from Bai Yusheng and opened it to take a look. His originally expressionless face was instantly covered with a layer of haze.

He stared at the man beside Qiao Mianmian for a full minute, then his expression darkened.

At this moment, Wei Zheng knocked on the door and entered.

"Chairman Mo, everything is ready. The meeting will officially begin in 10 minutes." Wei Zheng had just finished organizing the documents for the meeting and was walking over from the meeting room.

As soon as he entered the office, he felt that the atmosphere wasn't right.

He looked up and was shocked by Mo Yesi's dark expression.

Chairman Mo... what was going on?

Wasn't he alright just now?

Why did he look so awful all of a sudden? Who angered him?

“Wei Zheng.” Mo Yesi tightened his grip on his cell phone and looked at the photo again. He resisted the urge to throw his cell phone away and looked up at him. “Check the latest flight to F City.”

“F City?”

Wei Zheng was stunned for a moment. “Chairman Mo, we don’t have a flight to F City scheduled.”

Mo Yesi glared at him. “You can’t go without a schedule?”

“Huh?”

Wei Zheng suddenly recalled that Young Madam was in City F.

Look at him.

He actually forgot about it.

He was wondering why Chairman Mo suddenly wanted to go to City F.

Young Madam left yesterday.

It had only been a day, and the Chairman already couldn’t hold back his longing for her.

Chapter 678: Come to F City With Me

Most of the time, women would stick to men in a relationship.

But when it came to Chairman Mo, it became him sticking to Young Madam.

He really didn’t expect a cold and aloof man like Chairman Mo to be like this when it came to relationships.

Wei Zheng quickly checked his cell phone. Two minutes later, he looked up and said, “Chairman Mo, the earliest flight is at 1:30 in the afternoon, which is an hour later. There’s also a flight that passes at 4 pm and another at 8 pm.”

As he spoke, he flipped through the 8 pm flight and prepared to book it.

He had just touched it when she heard Mo Yesi say, “The 1:30 one.”

“Huh?”

Wei Zheng looked up in shock. “Chairman Mo, that one? But, there’s an important meeting later. You have to be there in the afternoon...”

Before he could finish his sentence, Mo Yesi closed his laptop and placed a stack of documents on it. He got up and said, “Book the air tickets immediately, bring the laptop and documents, and follow me to F City.”

“Inform the Vice-Chairman that he’ll handle the rest.”

Mo Yesi turned around and left the office.

He wasn't prepared to go to City F.

He wanted to go on the weekend.

But that photo...

His expression darkened at the thought of that photo.

It was only the second day.

She actually had a man with ill intentions towards her.

He really couldn't let her go out alone.

It was too worrying.

He knew that many men would like his Baby.

She was so good that she could make him fall head over heels for her, let alone other men.

Once she walked out, more people would see her good side, and more people would like her.

Mo Yesi immediately felt a sense of danger.

He wanted to hide Qiao Mianmian somewhere only he could see.

He didn't want anyone to find her.

That way, there wouldn't be so many people eyeing her.

He wouldn't have to worry so much.

Bai Yusheng did not receive a reply from Mo Yesi.

He didn't send another message.

Given his understanding of him, he was afraid that he wouldn't be able to control himself.

He would definitely be able to see Mo Yesi today.

When the time came, he could take the opportunity to talk to him about investing in the next film.

Qiao Mianmian's scenes were almost over.

It was Tu Yilei's and Huang Yilin's scenes in the afternoon. Qiao Mianmian was reading the script while watching their performances.

After watching for two hours, she had to admit that Huang Yilin's acting wasn't bad.

She was definitely capable.

Amongst all the female celebrities, Huang Yilin's acting was the best.

She was a beautiful and capable actress.

No wonder she was so popular.

Huang Yilin became very professional as soon as she got into her acting mode. She went through many scenes in one go.

Even Bai Yusheng praised her and said that she was doing well.

Although Tu Yilei was a fresh and handsome actor, he wasn't just a pretty face. After all, he'd won the Best Actor Award before, so his acting was naturally good.

His and Huang Yilin's acting was a show between the best of the best.

Because they both performed well, their filming progress was much faster than expected.

It was supposed to last till night.

Chapter 679: Would He Help Qiao Mianmian?

In the end, it was her turn in the afternoon.

She only had one scene today.

It was a scene between her and Huang Yilin.

There weren't many scenes, just one.

She and Huang Yilin's female lead would get into an argument because of a misunderstanding. The argument would only last for a few minutes.

"How is it, are you ready?" Bai Yusheng was in a good mood since the first day. When it was Qiao Mianmian's turn to go on stage, he walked to her side and asked her with a smile, ignoring everyone's stares.

Qiao Mianmian nodded. "Mm, I'm ready."

"You can do it." Bai Yusheng encouraged her. "Try your best and you'll pass."

"Thank you, Director Bai. I'll do my best."

Qiao Mianmian took a deep breath and clenched her fists.

She still felt pressured after seeing Huang Yilin and Tu Yilei's acting.

She just hoped that she wouldn't drag the crew down.

Even if she couldn't pass it once, she didn't want to NG too many times.

Now, everyone knew that she was the third female lead that Bai Yusheng had personally chosen at the audition.

If she performed too badly, not only would she embarrass herself, but Bai Yusheng as well.

“I believe in you. After all, my judgment isn’t wrong.” Bai Yusheng looked at the time and turned around. “Get ready, we’ll start filming in five minutes.”

It was supposed to be a few minutes long, but after more than 10 minutes, it still hadn’t passed.

After another NG, Bai Yusheng’s expression darkened. “Yilin, what’s wrong with you? Didn’t I tell you that you accidentally pushed it onto her and didn’t do it on purpose? Why do you always make it seem like you did it on purpose?”

“I’m sorry, Director Bai.”

Huang Yilin quickly turned around and apologized. “I don’t know what happened, either. I don’t seem to be in the right state. I’ll be more careful next time.”

Bai Yusheng narrowed his eyes.

He didn’t say anything else and turned to look at Qiao Mianmian, who was slowly getting up from the sand.

Because of their argument, the female lead would accidentally push Qiao Mianmian to the ground.

Then, she turned and ran.

Huang Yilin didn’t find it difficult at all.

Qiao Mianmian’s performance wasn’t a problem at all.

This was supposed to be a one-time pass.

But because Huang Yilin kept making mistakes, she had already made three NGs.

She was supposed to accidentally push her.

But she always acted very deliberately, so they had to re-shoot it.

It was normal for newbies to act this way.

After all, she had no experience in acting.

But for a capable actor, this kind of performance was too subpar.

It didn’t seem like a normal performance.

Many people present could tell that Huang Yilin was doing this on purpose.

She was a winner of the Best Actress Award, how could she not perform such a simple act?

If even they could tell, the director must also be able to.

Everyone turned to look at Bai Yusheng and Qiao Mianmian.

They were all wondering if he would help her.

It could also be used to test his interest in this newbie.

Chapter 680: Not Giving Her Any Face

Bai Yusheng slowly got up.

“Mianmian, are you alright?” He lit a cigarette and asked calmly.

The beach was very soft.

Qiao Mianmian’s fall wasn’t a big problem.

But her hair and body were all covered in sand.

She looked pathetic.

Bai Yusheng knew that Huang Yilin was doing it on purpose.

He knew it the first time.

He didn’t stop her the second time or the third time because he wanted to see Qiao Mianmian’s reaction.

He said she could look for him if she needed anything.

If she really said it, he would definitely help her.

She was Mo Yesi’s woman.

He had to give this face no matter what.

But if Qiao Mianmian really came to look for him because of this, he would probably think that she was just so-so.

She couldn’t take any hardship.

This was normal for a newcomer.

If they didn’t have a strong backing from the start, who would have been able to make it this far smoothly?

Who wouldn’t suffer?

He always admired artistes who suffered.

Although Qiao Mianmian already had a strong backing, she didn’t need to go through any hardship to get what she wanted.

But Bai Yusheng didn’t wish for her to be like the other female artistes who had a huge backing.

He didn’t want to make a mistake.

"I'm fine, Director Bai. As long as Senior Huang is ready, I can start over anytime." Qiao Mianmian patted the sand off her body and smiled at him.

She seemed so peaceful.

Bai Yusheng looked at her for a few seconds before nodding with a smile. "Alright, then get ready. We'll do it again."

Without a doubt, Bai Yusheng was very satisfied with Qiao Mianmian's performance.

He was satisfied and was willing to help her.

Turning back to the camera, Bai Yusheng smiled and said to Huang Yilin, "Yilin, you're a senior, don't act inferior to a junior. This will make me doubt if the female lead I found is qualified.

"It's such a simple scene, if you have to NG five or six times in a row, you have to reflect on whether your acting has deteriorated."

Huang Yilin's expression immediately changed.

Bai Yusheng didn't give her any face at all.

Saying that her acting skills had deteriorated.

Especially when she heard him say that the female lead wasn't up to standard.

Although she was a top-tier actress, she had enough popularity.

But it took a lot of effort to get this female lead role.

The entertainment industry didn't lack good-looking and capable actresses.

She wasn't the only one.

Back then, many top-tier actresses fought for this role.

Although she had already signed a contract with the production crew, she would be able to get a lot of compensation if he were to break it.

But everyone knew that Bai Yusheng was rich.

He didn't care about the compensation fee.

If he felt that there was something wrong with the female lead, he would definitely change her.

Although Bai Yusheng didn't openly help Qiao Mianmian, everyone could tell that he was trying to back her up.
